

The Order 4401

Chapter: 4401

Chen Ping shouted loudly and slashed the Dragon-Slaying Sword instantly!

A dazzling sword light went straight towards Li Xing!

The terrifying sword light left a deep ravine on the ground and arrived in front of Li Xing at an extremely fast speed!

When Li Xing saw this, he quickly raised the sky-opening ax in his hand to block it in front of him!

boom.....

The huge force caused Li Xing's body to fly backwards again. After knocking down more than a dozen trees, he fell heavily to the ground!

Li Xing's face was extremely ugly. He stood up slowly and looked at Chen Ping with horrified eyes.

But when he picked up his sky-opening ax, his expression became even more horrified!

I saw that Li Xing's huge sky-opening ax had been cut in half at this moment, and only the handle of the giant ax was still in Li Xing's hand!

"How is it possible? This... this is a sky-opening ax made of tungsten steel. How could it be like this!"

Li Xing couldn't understand why the indestructible sky-opening ax in his hand was broken into two halves by Chen Ping's sword!

What kind of magic weapon is the sword in Chen Ping's hand?

“Your sky-opening ax is gone. Is it time to call out your companions?”

Chen Ping asked Li Xing!

Li Xing gritted his teeth and said, “Brother Hu Ben, it seems that we need to work together to deal with this kid...”

As Li Xing finished speaking, Huben stood up from his hiding place!

After seeing Huben, Chen Ping instantly understood why the guard had deceived him just now!

“Hu Ben, as the general guarding the Demon Imperial City, you teamed up with Li Xing to trick me into coming here. Do you know your guilt?”

Chen Ping asked Huben!

Speaking of which, Huben should be considered Chen Ping’s subordinate.

“Acknowledging the crime? What crime is acknowledging? I just can’t stand you. I’m following Brother Li Xing to deal with you. What can I do?”

“Don’t think that Princess Isa likes you and the Demon Emperor values you, so you really think of yourself as the king of Demon Emperor City.”

“Even if I kill you today, I believe that Princess Isa and the Demon Emperor would not dare to do anything to me!”

Huben said with disdain!

Chapter: 4402

“Kill me?” Chen Ping sneered: “If you really dare to kill me, your Demon Emperor will cut you into pieces!”

“Hmph, I killed you today without anyone noticing, and even the Demon Emperor won’t know.”

After Huben finished speaking, he actually took out a ball from his arms and threw it into the air!

Suddenly, the air in the entire mountain forest shook suddenly, and with a ray of light appearing, the ball appeared in the air like the sun, and thousands of golden lights shone down. The place where the golden light shined seemed to be sealed. !

“Chen Ping, this is a magic weapon specifically for you humans. Now I activate the magic weapon. If you are in this formation, you humans will not get any spiritual energy from heaven and earth!”

“Without the spiritual energy replenishment, I see how you can still fight with us...”

Huben said to Chen Ping with a proud look on his face!

Chen Ping felt the aura in the formation and found that after the formation was activated, there was indeed no trace of spiritual energy at all!

Chen Ping frowned slightly. He didn’t expect Huben to have such a magic weapon in his hand.

Although Chen Ping has the power of the three clans and the power of the dragon in his body, these are all supported by spiritual energy. Without spiritual energy, the power in Chen Ping’s body will eventually be consumed!

“Brother Huben, stop talking nonsense to him and kill him directly...”

Li Xing’s eyes were full of killing intent. His Sky-Opening Ax was destroyed, so he wanted to kill Chen Ping and take Chen Ping’s Dragon-Slaying Sword as his own!

“good.....”

Huben nodded, instantly revealed two huge bear paws, and attacked Chen Ping!

Huben and Li Xing started to attack Chen Ping, one on the left and the other on the right, but Chen Ping could only use the power of the dragon to parry!

In an instant, Chen Ping was fighting hundreds of moves with Huben and Li Xing!

“This guy is only at the first level of the Fusion Realm. His burst of strength is really too strong. In this formation, he was able to fight with the two of us for so long. It’s really crazy!”

Huben said breathlessly!

“Brother Hu Ben, this guy is at the end of his strength. We are working harder and we will definitely be able to kill him!”

Li Xing was also sweating profusely at this time, but he knew that Chen Ping must not be feeling well now!

At this time, Chen Ping was holding the dragon-slaying sword with a very solemn expression. The power in his body could not last much longer!

This formation is obviously aimed at humans, but Hu Ben and Li Xing are not affected at all and can continuously replenish their spiritual power!

“Let’s do it, this time in one go...”

Huben shouted angrily, and then he and Li Xing attacked Chen Ping again!

Chapter: 4403

“Hu Ben, you are so brave...”

Just when Huben and Li Xing were attacking Chen Ping again, there was a sudden shout and Princess Isha appeared!

I saw Princess Isa waving her palms, and a series of extremely domineering auras, heading towards Huben and Li Xing!

When the two of them saw that it was Princess Isa, they all hurriedly restrained their auras, for fear of hurting Princess Isa!

Although they left Demon Imperial City, this is the territory of Demon Imperial City after all. If Princess Isa is really injured, I’m afraid none of them will survive!

“Chen Ping, are you okay?”

Princess Isa looked at Chen Ping with concern and asked.

Chen Ping shook his head: “It’s okay...”

Seeing that Chen Ping was fine, Princess Isa was relieved. Then she glared at Hu Ben and said, “Hu Ben, my father just punished you, and you dare to attack Chen Ping. You are so audacious...”

“Li Xing, and you, I don’t like you at all. I am free to choose who I like. If you dare to be disrespectful to Chen Ping, don’t blame me for being rude to you!”

“If there is anything wrong with Chen Ping, I will let you two pay for it with your lives...”

After Princess Isa finished speaking, she picked up Chen Ping and left. Huben and Li Xing didn’t dare to chase after them!

The two of them could barely cope with Chen Ping under the formation. If Princess Isa was added to the mix, the two of them would be a real opponent!

“It’s over, it’s over...Princess Isa must go back and tell the Demon King!”

“I’m going to be unlucky now, I’m going to be unlucky...”

Huben was a little scared at this time.

“Brother Huben, we have already done the work. There is no point in being afraid. We have to find a way to deal with it.”

Li Xing advised.

“How to deal with it? Maybe the Demon King will kill me this time, and my life will not be saved.”

Huben said anxiously.

“you can.....”

Li Xing whispered something in Huben’s ear!

Huben’s face turned from red to white, and finally he said with shock: “This, how can this be allowed? If I really do this, I will be a traitor and will be executed by Lingchi.”

Huben shook his head desperately!

Chapter: 4404

“Brother Huben, even if you don’t do it, do you think your Demon Emperor will let you go?”

“Now you no longer get the attention of your Demon King. He treats a human better than you, a great general!”

“And if you do what I say, you will not only become the new Demon Emperor, but you will also be able to get Isha, and you will be the beauty in your arms. You will be the winner in life!”

“As long as you become the Demon King and our royal city cooperates with yours, who among the entire orc clan will dare to bully us?”

Li Xing kept persuading Huben!

Listening to what Li Xing said, Huben was a little moved. Huben didn't have a high pursuit of power, and he didn't want to be a demon king, but he never forgot Isha.

As long as he could get Isha, he would go to bed with Isha more than once in his dreams. Huben felt that he would not be able to live without Isha!

“Brother, are you reliable? What if the Demon Emperor finds out? What if I go back this time and the Demon Emperor locks me up directly?”

Huben asked Li Xing!

“Brother Huben, don't worry. My medicine is colorless and odorless, so you won't notice it. And if you take this medicine, you won't die. It's just that your internal organs are like knives and you can't show your strength!”

“When the time comes, just pretend to admit your mistake, sincerely invite the Demon Emperor and Isha to dinner, and just put poison in the food.”

“I will go back to Mingli Royal City to summon people now. When the time comes, you and I will be able to control the entire imperial city by cooperating internally and externally.”

“Besides, you are also the general guarding the Imperial City. Most of the guards in the Imperial City obey your orders!”

Li Xing followed Hu Ben and explained in detail what to do step by step!

Huben gritted his teeth, hesitated for a moment, then nodded and said: “Okay, give it a try, but you can’t lie to me, and you can’t let anything happen to Isa!”

“If something happens to Isa, I will never forgive you...”

Huben just wants to get Yisha. If something happens to Yisha and she is poisoned to death, what is the point of Huben’s rebellion?

“Brother Huben, don’t worry, there will definitely be no problem.”

Li Xing promised seriously!

“Okay, give me the medicine. You have to hurry up. I will try to prevent the Demon Emperor from doubting me for a few days!”

Huben asked Li Xing to take out the poison he prepared!

After Li Xing gave the poison to Huben, he immediately went straight to Mingli King’s City. He wanted to mobilize troops from Mingli King’s City as soon as possible!

After Huben took a deep breath, he walked towards the Demon Emperor City!

At this time, in the main hall of the imperial city, Yihe Yaohuang’s face was livid, and he kept slapping the table!

Chapter: 4405

“This Huben is so brave. He didn’t even listen to my words and dared to join forces with Li Xing to attack Mr. Chen!”

“I think he’s tired of living. Go and get Huben right away. I’m going to take care of him!”

Demon Emperor Yihe roared angrily!

There will be guards soon, hurriedly looking for Huben!

And Isha said from the side: “Father, I think this tiger can’t be reused. Let’s remove his general. He actually hooked up with Li Xing!”

“Although we have nothing to do with Mingli King City, have our two families been fighting openly and secretly for so many years?”

“This Hu Ben clearly knows that our Demon Imperial City is only following Mingli Royal City because of a face-to-face conflict, yet he still follows Li Xing so closely!”

“If I hadn’t gone early, Chen Ping might have been poisoned by the two of them!”

Isa had an aura on her face, she hoped her father could remove Huben!

“Isa, are Mr. Chen okay?”

Demon Emperor Yihe asked!

“It’s nothing serious, it’s just that my physical strength has been greatly exhausted. I’m currently recovering from practicing!”

Princess Isa said!

At this moment, Huben was led into the hall by the guards!

But before Demon Emperor Yihe could get angry, Huben suddenly knelt down on the ground and said with repentance on his face: "Demon Emperor, I didn't obey your order and attacked Chen Ping without permission. Please punish me!"

"No matter how you punish me, I have absolutely no complaints. The reason why I joined forces with Li Xing is to be able to deal with Chen Ping. I have absolutely no intention of betraying the Demon Emperor!"

"I like Princess Isa, but Chen Ping is here. Princess Isa only has eyes for him, so I must drive him away."

Huben said it very sincerely, which made Demon Emperor Yihe feel a little at a loss!

Huben likes Isha, and Demon Emperor Yihe has actually known it for a long time. Now that Huben does such a thing, he must be dazzled by love!

And for so many years, Huben has been loyal and loyal. Yihe's anger just now actually disappeared a lot after Huben's words!

Huben is a loyal subordinate who does things regardless of the consequences just for Isa!

"Hu Ben, I told you, I don't like you. There's no way we two can be together. Why are you pestering me?"

Princess Isa frowned slightly and said!

"Princess Isa, you are a goddess in my eyes. Although I know you don't like me, I hope you won't deprive me of my right to like you."

Chapter: 4406

“Even if I can take a look at you from a distance, I will be satisfied. I will never fall in love with another woman again in my life!”

“I know that the mistake I made this time is absolutely unforgivable, so I hope I can die in the hands of Princess Isa!”

“Princess Isa, come on. If I can die in your hands, I will die without regrets...”

Huben knelt on the ground, closed his eyes, and waited for Isa to take action!

But the more Huben behaved like this, the more Isa was unwilling to take action, not to mention that she had no intention of killing Huben!

“Hu Ben, in recognition of your loyalty for so many years, I will not sentence you to death this time.”

“Go to the water prison by yourself for a few days. This will be your punishment!”

“But let me tell you, if you dare to be disrespectful to Mr. Chen, you will definitely die!”

Demon King Yihe said!

“Thank you Demon Emperor for not killing me. I will never be disrespectful to Mr. Chen again!”

Huben quickly kowtowed and thanked him!

Lowering his head, Huben slowly retreated. As soon as he exited the hall, a fierce look flashed in Huben’s eyes!

“Father, why do I feel like this tiger is a different person? His speech is a little different!”

“Those words just now don’t sound like they came from Huben’s mouth. This guy has always been clumsy and clumsy.”

Princess Isa looked at Hu Ben’s back and said with some confusion!

In fact, these words Huben said were all explained by Li Xing in advance. Otherwise, how could Huben be so stupid and say such things!

“Perhaps he has really realized his mistake. Putting him in a water prison now is considered punishment!”

“You’d better go see Mr. Chen quickly and cultivate more relationships with Mr. Chen!”

Demon Emperor Yihe asked Princess Isha to accompany Chen Ping, hoping that Isha would develop a relationship with Chen Ping!

You must know that Chen Ping is the master of Tianlong Palace, and his identity is many times stronger than that of Yi He. Although Yi He is the Demon King, he is just a subordinate of Chen Ping!

Yihe knew that there were thirteen halls in the entire Tianlong Palace, and after him, there would definitely be more powerful halls!

“Father, why do you say this to me? You are so shy...”

After Princess Isa finished speaking, she turned around and ran towards where Chen Ping lived!

Huben was kept in the water prison for three days. Although he was locked up, Huben’s freedom was not controlled!

Chapter: 4407

So Huben has been observing. If Li Xing leads people to ambush near Demon Emperor City, he can walk out of the water prison, treat Demon Emperor Yihe and Princess Isha to dinner, and drug them!

And Chen Ping also practiced for three full days. In addition to comprehending the Thunder Palm, he also had to continue to refine the Ultimate Fire in his body, hoping that one day the Thunder Palm and Ultimate Fire would merge!

On this day, Chen Ping was still practicing, while Isha cooked the meal herself and brought it to Chen Ping!

Princess Isa is personally taking care of Chen Ping's food and daily life these days!

In fact, Chen Ping understands what Princess Shao is thinking and sees Princess Isa's efforts, but he can't promise Princess Isa anything yet!

"time to eat....."

Princess Isa called Chen Ping!

Chen Ping slowly opened his eyes and was about to get out of bed to eat when suddenly a red light flashed from his waist, followed by Liu Ruyan's anxious voice!

When Chen Ping left, he gave Liu Ruyan a message slip so that Liu Ruyan could find him at any time if there was something urgent!

"Chen Ping, where are you?"

Liu Ruyan asked anxiously!

"Miss Liu, I'm near the Jade Cauldron Sect. What's wrong?"

Chen Ping did not say that he was in the Demon Imperial City. He was afraid that Liu Ruyan would misunderstand him. After all, without refining medicine as a barrier, the Demon Imperial City would not be too polite to follow the human sect!

“Great, then come quickly. Hu Yixiao has led his men to fight back. Now I have ordered people to seal the gate of the sect, and the sect’s mountain protection formation has also been activated.”

“But they will be able to break through soon. The demon cultivators Hu Yixiao brought from Mingli King’s City this time are very powerful!”

Liu Ruyan hurriedly followed Chen Ping to explain!

“Okay, let’s go back and wait for me. You must resist it!”

After Chen Ping finished speaking, he hung up the communication and ran out quickly without even eating!

“Hey...” Princess Isa chased her out: “Chen Ping, what are you doing? Who was that woman just now?”

When Princess Isa heard Liu Ruyan’s voice, she guessed Liu Ruyan’s identity!

“Just a friend. Wait until I say goodbye to your father. Don’t let him know my whereabouts.”

“I am going to the Jade Cauldron Sect to deal with something this time. Please ask your father to take good care of me!”

Chen Ping quickly explained to Princess Isa!

“Hey... is the Jade Cauldron Sect in danger? What is your relationship with the Jade Cauldron Sect? Do you want me to go with you?”

Chapter: 4408

Princess Isa asked Chen Ping a series of questions!

It’s a pity that Chen Ping couldn’t hear anyone. At this time, Chen Ping had already ran several miles away!

“Hmph, you are so interested in other women, but you ignore me...”

Princess Isha pouted dissatisfiedly, but she still went to Demon Emperor Yihe and told Demon Emperor Yihe about Chen Ping!

Just when Chen Ping rushed to the Jade Cauldron Sect, in front of the Jade Cauldron Sect, Hu Yixiao led hundreds of beast soldiers from Mingli King City to surround the Jade Cauldron Sect.

Beside Hu Yixiao, a skinny old man was mumbling something!

This old man is a guard of Mingli King City, and his strength has reached the fifth level of the Fusion Realm. King Li sent this elder here to help Hu Yixiao seize the position of the leader of the Jade Cauldron Sect!

A guard at the fifth level of the Fusion Realm is enough to help Hu Yixiao regain his position as the sect leader. You must know that the strongest person in the Jade Cauldron Sect is only the second elder, who is at the third level of the Fusion Realm!

Hu Yixiao still doesn't know that the second elder did not seize the Jade Cauldron Sect and become the sect leader, but now the sect leader is Liu Ruyan!

“General Qi, may you have broken this mountain-protecting formation?”

Hu Yixiao asked the guard on the side with a respectful face!

“How can it be so hard to stop me with this mere formation...”

General Qi sneered!

As General Qi continued to recite the mantra, runes rose from his body and then floated in the air, emitting rays of light that continuously illuminated the mountain guarding formation!

Rumble.....

Along with the sound, the mountain-protecting formation began to shake continuously, and the entire Jade Cauldron Sect also began to shake. It seemed that the mountain-protecting formation could not hold on for long!

At this moment, in the Jade Cauldron Sect's main hall, the dull atmosphere was extremely depressing!

Liu Ruyan sat on the sect leader's seat, frowning and looking solemn!

"Sect Master, I'm afraid our mountain-protecting formation won't last long. You'd better escape through the secret passage. I'll stay to resist Hu Yixiao."

The third elder persuaded Liu Ruyan!

They all know that Hu Yixiao has brought people from Mingli King City this time, and he also brought a master of the fifth level of the Fusion Realm. These people are definitely no match!

If the mountain-protecting formation is broken, they will face massacre. As the leader of the clan, Liu Ruyan cannot be killed!

As long as Liu Ruyan is still there, the Jade Cauldron Sect will still be there!

"Third Elder, I have contacted Chen Ping. I think he is on his way here now..."

Chapter: 4409

"As the sect leader, how can I escape in the middle of battle? Even if I die, I will die in the Jade Cauldron Sect!"

Liu Ruyan said firmly!

“Sect Master, even if Mr. Chen is on the way, it may take some time to reach the Jade Cauldron Sect, but our mountain-protecting formation may not be able to hold on for long.”

“You should follow the arrangements of the third elder. As long as you are still there, our Jade Cauldron Sect will still be there!”

“Don’t worry, we will never give in to that Hu Yixiao. Even if he was my mentor before, I will never betray the sect master!”

Nie Heng also persuaded Liu Ruyan!

They all hope that Liu Ruyan can escape from the secret passage!

“Okay, stop trying to persuade me. I won’t leave. The worst I can do is die!”

“The top priority is to find a way to delay it for a while.”

Liu Ruyan waved her hand, signaling not to persuade her to leave!

“Sect Master, even if Mr. Chen comes, with his strength, it will be difficult to deal with a fifth-level Fusion Realm monk. After all, he has just been promoted to the Fusion Realm!”

“Although he can deal with third-level monks in the Fusion Realm, he should be at his limit. No one can fight so many battles beyond his level, right?”

“So the sect leader should leave quickly and don’t put all your hopes on Mr. Chen!”

The third elder didn’t think that Chen Ping would be able to deal with a strong man at the fifth level of the Fusion Realm!

After all, Chen Ping had just been promoted to the Fusion Realm. Although Chen Ping defeated Zhe Yan and easily controlled the second elder, they were only at the third level of the Fusion Realm after all.

And this time Hu Yixiao brought a guard of the fifth level of the Fusion Realm of Mingli King City. Can Chen Ping still be able to deal with it?

“Third Elder, I believe in Chen Ping. If even Chen Ping can’t save us, it will be my life.”

Liu Ruyan’s eyes flashed, she had blind confidence in Chen Ping!

In her heart, Chen Ping is an omnipotent warrior!

“Sect Master, if it doesn’t work out, let’s go ask the Supreme Elder?”

Nie Heng said!

“The Supreme Elder cannot come out of seclusion. No one can ask him to touch him. Unless the Jade Cauldron Sect is facing extinction, he will come out on his own. Otherwise, he will not move if the sky falls.”

Liu Ruyan shook his head and said!

“Sect Master, isn’t this crisis the Jade Cauldron Sect facing extinction?”

Chapter: 4410

Nie Heng said in confusion!

“Nie Heng, that Hu Yixiao is also an elder of the Jade Cauldron Sect. He led people to attack the Jade Cauldron Sect. He just wanted to seize power. He did not want to destroy the Jade Cauldron Sect.”

“Speaking of this, this is an internal fight. The Supreme Elder will not take care of it. If the Supreme Elder wanted to take care of it, the last time the Second Elder showed up with a demon cultivator like Zhe Yan, the Supreme Elder should have stepped in to stop it.”

The third elder followed Nie Heng and explained!

When Nie Heng heard this, he stopped talking. Now the Supreme Elder has no hope, he can only count on Chen Ping!

But now I don't know where Chen Ping is, and I don't know if he has extra time to come to the Jade Cauldron Sect!

Seeing that the mountain-protecting formation was about to be broken, it was still uncertain whether we could hold on until Chen Ping arrived!

“Sect Master, I'm going to meet Hu Yixiao to delay some time...”

The third elder decided to come forward and delay time, waiting for Chen Ping to arrive!

“I'll go too. After all, we are master and apprentice, so we can buy some time.”

Nie Heng also said quickly!

Liu Ruyan nodded and said: “Okay, you two should be careful. If something happens, retreat to the main hall immediately. The mountain protection formation is broken. We can still rely on this main hall to resist for a while!”

“clear!”

The third elder and Nie Heng turned around and left the hall to delay time!

Liu Ruyan was leaning on the sect leader's throne, with expectation in her eyes!

"Chen Ping, I don't know if I can wait for you..."

Liu Ruyan walked back to Chen Ping and couldn't forget Chen Ping!

Now facing danger, Liu Ruyan didn't know if Chen Ping could arrive in time. If Chen Ping couldn't arrive in time, then the two of them would be separated from each other and never see each other again!

.....

Jade Cauldron Sect Mountain Gate!

Hu Yixiao looked a little surprised when he looked at the third elder and Nie Heng who came out!

"Third Junior Brother, I didn't expect you to compromise."

"Second junior brother is now sitting on the throne of the sect leader. Isn't he so awesome? Even my senior brother doesn't even come to meet him."

Hu Yixiao said coldly to the third elder!
