

The Order 441

Chapter: 441

Su Yuqi ran towards Chen Ping!

With a ferocious look on his face, Wei Tao raised the pistol in his hand and shot directly at Su Yuqi!

boom.....

The gunshot rang out, Chen Ping's eyes narrowed, and his body instantly flashed in front of Su Yuqi, protecting Su Yuqi behind him!

Whoosh.....

The bullet flew past Chen Ping's head, and Su Yuqi behind could hear the sharp sound of the bullet flying past!

Seeing that one shot missed, Wei Tao gritted his teeth and fired two more shots in succession!

Bang bang.....

After the two gunshots, Wei Tao was surprised to find that Chen Ping was still looking at him coldly, approaching them step by step, with no sign of being shot at all!

“Paralysis, what kind of broken gun...”

Wei Tao cursed angrily, grabbed the pistol with both hands again, stabilized himself, aimed at Chen Ping and fired again!

The bullet missed again and still failed to hit Chen Ping.

At this time, Wei Tao panicked. The bullet seemed to have eyes and did not shoot at Chen Ping at all!

When Wei Tao pulled the trigger again, the pistol made a clicking sound and there was no bullet left!

Wei Tao looked at Chen Ping who walked in in horror, threw the gun in his hand directly at Chen Ping, then turned around and ran away!

“Master Wei, save me, save me...”

Xiao Lei fell to the ground at this time, and the severe pain made it impossible for him to get up. He hugged Wei Tao’s legs tightly, hoping that Wei Tao would take him away.

How could Wei Tao care about Xiao Lei? He kicked Xiao Lei hard in anger: “You are paralyzed, let me go, let go...”

Xiao Lei didn’t let go at all. He knew that if Wei Tao ran away, he would definitely die!

At this time, Chen Ping had already walked up and grabbed Wei Tao’s collar!

“You...what are you going to do? I’m from the Wei family. If you dare to touch me, my dad won’t let you go...”

Wei Tao was trembling all over, threatening Chen Ping!

Snapped!

Chen Ping slapped Wei Tao hard on the face, causing Wei Tao to spin around in circles several times, and all the teeth in his mouth fell out!

Chapter: 442

“This slap is given to you for Yu Qi!”

After Chen Ping finished speaking, he punched Wei Tao in the stomach, causing Wei Tao to scream like a slaughtering pig and fell to the ground with his body bent!

At this time, Wei Tao and Xiao Lei were like prawns, with their bodies hunched over and showing expressions of pain!

Looking at the two people on the ground, Chen Ping stepped on Xiao Lei’s head.

“Chen Ping...I was wrong, please spare me, please spare me...” Xiao Lei was so frightened that he peed his pants: “I promise never to trouble you again, I can give you all the Xiao family’s property , as long as you save my life!”

Xiao Lei followed Chen Ping and begged!

“I gave you a chance, but you didn’t cherish it...”

Chen Ping looked at Xiao Lei coldly and suddenly exerted force on his feet!

puff.....

Xiao Lei’s head was like a ripe watermelon, exploding directly under Chen Ping’s feet. The splattered blood mixed with brain matter sprayed all over Wei Tao not far away!

“ah.....”

Wei Tao was stunned. He had never seen such a bloody scene. A living person had his head crushed in front of him!

At this time, Su Yuqi behind Chen Ping was also very frightened. She covered her mouth with her hands and tried hard not to make a sound. This was the first time she saw Chen Ping kill someone, and kill someone so cruelly. However, Su Yuqi knew that what Chen Ping was doing Everything he did was for her. The stronger the murderous aura in Chen Ping's body now, the more important he was in Chen Ping's heart.

Chen Ping raised his bloody foot and stepped on Wei Tao's head. Feeling the nauseating smell of blood, Wei Tao panicked and his pants unconsciously got wet. He desperately followed Chen Ping and begged for mercy: “Don't kill me, don't kill me, I can give you whatever you want, anything...”

“I want your life!” Chen Ping's voice sounded like it was coming from the abyss of hell, which scared Wei Tao to the point of peeing!

“Chen Ping...”

Su Yuqi stepped forward and pulled Chen Ping away: “You can't kill him, don't be impulsive...”

Su Yuqi knew that Xiao Lei would kill him if he wanted to. With the strength of the Su family and Gu Wentian, they could balance the situation, but Wei Tao was different. He was from the Wei family in the provincial capital. If Wei Tao was killed, other people would be killed. Speaking of these people, even if Ling Zhenchuan comes forward, I am afraid that the Wei family will not give up.

“Yu Qi, I'm sorry for making you suffer...”

Chen Ping looked at the five clear fingerprints on Su Yuqi's red face and slowly stroked them!

"I'm fine. Let's go back. Don't make Dad worry too much."

Feeling the warmth of Chen Ping's hand, Su Yuqi felt warm in her heart.

Chen Ping nodded and looked back at Wei Tao, who was so frightened that Wei Tao did not dare to look directly into Chen Ping's eyes!

"Death penalty can be avoided, but living crime cannot be escaped..."

Chapter: 443

After Chen Ping finished speaking, he stepped on Wei Tao's leg, crushing Wei Tao's calf bone to pieces. It was impossible to reconnect it!

"ah....."

Wei Tao's face was filled with pain and he screamed miserably!

"Let's go!" Chen Ping took Su Yuqi's hand and said softly.

After taking just two steps, Su Yuqi looked back at Wei Tao and asked, "Who told you this and made you come to Hongcheng?"

Su Yuqi was very surprised as to who recruited Wei Tao from the provincial capital. As Xiao Lei, he didn't have the ability to contact Wei Tao at all.

"It's Ling Feng. He asked me to come. Everything he told me..."

Wei Tao endured the severe pain and followed Su Yuqi.

At this time, Wei Tao still had his own little plan. Ling Feng was the top son in the city. Now that he was told, he wanted to see if Chen Ping would go to Ling Feng. If Chen Ping took action against Ling Feng, then he could watch the fire from the other side!

Upon hearing that it was Ling Feng, Chen Ping's eyes flashed with murderous intent. Seeing Chen Ping like that, Su Yuqi immediately regretted it. She would not have asked Wei Tao if she had known it.

"Chen Ping, it's okay. Don't look for anyone anymore!"

Su Yuqi was afraid that Chen Ping would go to Ling Feng for trouble!

"Yes!" Chen Ping nodded, and then hugged Su Yuqi!

Su Yuqi buried her head in Chen Ping's chest and felt the temperature of Chen Ping's chest. Su Yuqi enjoyed that indescribable sense of security!

"From now on, I will never let anyone hurt you again, never..."

Chen Ping looked at Su Yuqi in his arms and said with a guilty look on his face.

"I believe you!" Su Yuqi stretched out her hands, hooked Chen Ping's neck, and kissed Chen Ping directly on the face!

This is the first time for two people to have such close contact. Although they both have a tacit understanding of their love and affection for each other, this is the first time for such close contact!

Chen Ping hugged Su Yuqi and got into the car, then rushed all the way towards the Su family villa.

In the abandoned factory, Wei Tao desperately wanted to stand up, but no matter how hard he tried, he couldn't stand up at all!

Looking at his bloody leg, Wei Tao roared with a ferocious face: "Chen Ping, I will never let you go..."

.....

In the Su family villa, Su Wenzong was already sweating profusely. He had been dependent on Su Yuqi for many years. Su Yuqi was more important than his life.

Soon, Chen Ping drove to the door. When Su Yuqi got out of the car, she saw Su Wenzong at the door and rushed towards him!

Chapter: 444

"dad....."

Holding Su Wenzong in her arms, Su Yuqi burst into tears!

"Daughter, are you okay?" Su Wenzong was also in tears, with murderous intent in his eyes: "Who is it? Even if I try my best to kill him, I will cut him into pieces!"

"Uncle, it's okay. Just leave the rest to me!"

Chen Ping said to Su Wenzong.

Su Wenzong looked at Chen Ping and nodded: "Chen Ping, I will give you all the property of my Su family. Even if it is all spent, the other party must pay the price..."

Su Yuqi is Su Wenzong's life, he can tolerate anything, but Su Yuqi will never be tolerated by Su Wenzong!

"I understand!" Chen Ping nodded.

Chen Ping got in the car and was about to leave, but Su Yuqi held him back: "Chen Ping, Xiao Lei is dead, and Wei Tao has also learned a lesson. Don't go looking for other people."

Su Yuqi was afraid that if Chen Ping went to find Ling Feng, it would end badly!

"Don't worry!" Chen Ping smiled lightly and stroked Su Yuqi's head!

After getting in the car and leaving, Chen Ping called Lin Tianhu.

"Lin Tianhu, let Xiao Yan collect his son's body, and let the Xiao family get out of Hongcheng within three days. I don't want to see anyone from the Xiao family in Hongcheng in three days. If Xiao Yan wants to take revenge on me, let him He comes to me at any time..."

There was no doubt in Chen Ping's tone!

"I understand, leave it to me..."

Lin Tianhu nodded!

To deal with a declining Xiao family, Lin Tianhu alone is enough. In addition, he will not give Xiao Yan a chance to seek revenge from Chen Ping!

Chen Ping's car went straight to Ling Zhenchuan's home. Ling Feng was the culprit, so there was no way Chen Ping could just bypass him, even if his father was a city leader!

At Ling Zhenchuan's house, Ling Feng was staying at home. Ling Zhenchuan was watching closely these days and was not allowed to go out!

Ling Feng counted the time and frowned slightly: "This Wei Tao, how many days has it been and there is no movement at all?"

Ling Feng was a little anxious. It had been several days and Wei Tao had not contacted him at all, which proved that he had not succeeded yet. Otherwise, with Wei Tao's temperament, Ling Feng would have arranged for the Wei family to branch in Hongcheng. thing.

Wang Hui was cooking in the kitchen, and Ling Zhenchuan hurriedly walked in from outside.

Seeing Ling Zhenchuan back, Wang Hui poked her head out of the kitchen and said, "Old Ling, why do you have time to come back for lunch today?"

"Eat whatever you want. If something happens, I'll bring back the food!"

Chapter: 445

Ling Zhenchuan's face looked a little anxious!

"What happened?" Wang Hui walked out of the kitchen.

"Xiao Lei from the Xiao family was killed, but that's not the main thing. The main thing is that the boy Wei Tao from the Wei family in the provincial capital also had his leg broken. He is still in the hospital. It is estimated that this time the Wei family I won't let it go!"

Ling Zhenchuan frowned. The Wei family in the provincial capital was very powerful. They were well-established in both political and business circles. If something happened to their son in Hongcheng this time, they would definitely not let it go!

“The boy from the Wei family, what is he doing in Hongcheng? Who is so bold that he dares to touch even the boy from the Wei family?”

Wang Hui couldn't help but exclaimed!

When Ling Feng heard this, he was so frightened that his face turned extremely pale!

“Stop asking, I can't tell you!”

Ling Zhenchuan waved his hand. He knew it was Chen Ping who did it, but Chen Ping had saved his life. Ling Zhenchuan didn't want to reveal Chen Ping. He wanted to see if he could find a way to help Chen Ping settle it!

“Okay, I won't ask anymore. You have to be careful. Don't do everything yourself. Even the Wei family dares to touch him. I'm afraid this person will dare to do anything!”

Wang Hui warned Ling Zhenchuan that anyone who could take action against the Wei family must be a desperado with no fear of anything.

Wow.....

Just as Wang Hui finished speaking, there was a sudden cracking sound.

Ling Feng dropped the water glass on the ground, trembling all over!

“Xiao Feng, what’s wrong with you?”

When Wang Hui saw Ling Feng’s appearance, she hurriedly stepped forward and touched Ling Feng’s forehead: “Why does your face look so ugly? Are you sick?”

“Mom, I...I’m fine, I went upstairs!”

Ling Feng stood up with a trembling body, ready to go upstairs!

Ling Zhenchuan frowned slightly, looking at Ling Feng like that, he seemed to be thinking about something!

At this moment, the door was pushed open and Chen Ping stepped in.

Chen Ping had murderous intent on his body and a strong smell of blood. As soon as he entered the door and saw Ling Feng, his eyes were fascinated!

“Mr. Chen.....”

When Ling Zhenchuan saw that it was Chen Ping who was coming and that he still smelled of blood, he shouted with confusion on his face!

When Ling Feng saw Chen Ping appear, he collapsed on the ground and was so frightened that he almost peed his pants!

Chapter: 446

Seeing his son being frightened like this, Ling Zhenchuan was shocked. He seemed to understand something!

“Let me ask you, did you find Wei Tao and kidnap Yu Qi?”

Chen Ping ignored Ling Zhenchuan and walked directly to Ling Feng and asked.

“What? Wei Tao, Wei Tao kidnapped Yu Qi?”

Ling Feng’s eyes widened. He didn’t expect that Wei Tao would dare to do this. Ling Feng shook his head hastily: “No, I didn’t let him kidnap Yu Qi, I really didn’t!”

Seeing her son’s frightened appearance, Wang Hui felt a little distressed and said to Chen Ping, “Mr. Chen, is this a misunderstanding?”

“Shut up!” Ling Zhenchuan yelled at Wang Hui, and then glared at Ling Feng fiercely: “Let me ask you, why did Wei Tao come to Hongcheng? Did you call him here?”

Ling Feng was so frightened that he was shaking when he saw his father like that, but he still nodded.

“Beast, I asked you to reflect at home, but you still don’t want to repent, I’ll beat you to death...”

Ling Zhenchuan said, picked up the stool and hit Ling Feng hard, causing the stool to shatter!

Chen Ping was slightly stunned. He didn’t expect Ling Zhenchuan to be so cruel to his son, which made him a little confused about what to say.

“Old Ling, stop now, I’m going to beat my son to death!”

Wang Hui tried her best to stop Ling Zhenchuan.

But Ling Zhenchuan didn't listen. He slapped Ling Feng all over his head and face. The beating made Ling Feng cry like a ghost and howl like a wolf!

"Mr. Chen, I will give you an explanation for this matter. In addition, I will also find a way to block the Wei family's affairs for Mr. Chen!"

Ling Zhenchuan looked at Chen Pingdao.

"I will solve the Wei family's affairs myself, so Mayor Ling doesn't have to worry about it!" Chen Ping glanced at Ling Feng who was beaten horribly, and then continued: "Master Ling, just teach him a lesson, let him Improve your memory!"

Chen Pingyuan was originally filled with murderous aura, but when he saw Ling Zhenchuan like this, his anger subsided a lot. All he could say was that Ling Feng really had a good parent.

After leaving Ling Zhenchuan's house, Chen Ping rushed back to Su's house again. Su Yuqi must have needed more comfort when encountering such a thing!

On the other side of the Hongcheng Hospital, the Wei family received the news at night. The head of the Wei family, Wei Kunan, personally came with ten Wei family masters!

These ten people are all dressed in fancy clothes, with bulging temples. At first glance, they are masters among masters!

Looking at his son on the hospital bed, Wei Kunan's expression was extremely ugly. In a small Hongcheng, there were still people who dared to attack his son.

"Dad, you're finally here. I'm useless. My legs are useless. I can't hold them anymore!"

Seeing Wei Kunan coming, Wei Tao suddenly started crying.

Chapter: 447

“Stop fucking crying, give me something to do!” Wei Kunan glared at Wei Tao fiercely: “You even tied up a girl from the Su family, do you think you are invincible?”

After looking at Wei Kunan, I already knew the whole story.

Wei Tao was scolded and was so frightened that he did not dare to speak. After the scolding, Wei Kunan’s eyes flashed with a trace of distress. He was just a son who usually held it in the palm of his hand. How could he ever suffer such a crime!

“Go find the director of this hospital!”

Wei Kunan said to one of his men.

Soon, the subordinate walked in carrying a doctor wearing glasses and a white coat. This man was the director of the hospital!

“Are you the dean?” Wei Kunan asked coldly.

“Mr. Wei, I am, I am the dean!”

The dean said with his legs shaking in fear.

“How is my son’s leg doing?”

“Mr. Wei, Mr. Wei’s leg was smashed by external force, and the entire calf bone was smashed. There is no way to reconnect it. From now on, he can only rely on crutches!” the dean explained carefully.

“Trash!” Wei Kun’an gave the dean a hard slap: “I don’t care what method you use to heal my son’s leg, or I will kill your whole family!”

Plop.....

The dean knelt on the ground and begged: “Mr. Wei, there is really nothing we can do in our hospital. You can ask Mr. Wei to go to a big hospital or go abroad. Maybe there will be a way. Even if you kill me, I will There’s nothing we can do!”

Wei Kun’an looked at the dean’s behavior and knew that there was really nothing the hospital could do, so he did not embarrass the dean, but ordered his servants: “Go prepare a car and send the young master back to the provincial capital for treatment!”

Soon, Wei Tao was sent away, and Wei Kunan looked at the night scene of Hongcheng, his eyes full of indifference and said: “If you dare to destroy my son’s legs, then I will let the whole Hongcheng be buried with you!

.....

Chen Ping has been staying with Su Yuqi for half a day in the Su family villa. Su Yuqi’s mental state is very good, but she still has lingering fears every time she thinks of the moment when Chen Ping killed Xiao Lei!

During dinner, Chen Ping also stayed at Su’s house to eat. While several people were eating, a servant hurriedly walked in and whispered something in Su Wenzong’s ear!

Su Wenzong’s expression changed, and his whole person instantly became gloomy.

“Dad, what’s wrong?” Su Yuqi asked doubtfully.

“It’s okay. There’s something going on in the company. I’ll take care of it. You can continue to eat!” Su Wenzong stood up and said to Chen Ping: “Chen Ping, you can stay here tonight. I don’t know what time you will be back. You Take a good look at Yuqi!”

“Dad!” Su Yuqi’s face turned red instantly.

“Uncle, go ahead, I will take good care of Yuqi!”

Chapter: 448

Chen Ping nodded!

After Su Wenzong walked out of the door, a chill suddenly erupted on his body: “Gather all the bodyguards of the Su family and follow me!”

More than twenty bodyguards followed Su Wenzong straight to the Regal Hotel!

At this time, in a luxurious private room of the Regal Hotel, Wei Kunan was sitting inside, sipping tea and waiting quietly!

Outside the hotel private room, there were security guards lying on the ground. These are all the masterpieces of Wei Kunan!

When Su Wenzong arrived at the hotel, he saw the wailing security guards everywhere, and his anger became even more intense!

“Mr. Wei, I’m a guest from afar. If your subordinates don’t take good care of you, you can tell me and there’s no need to take action!”

Su Wenzong opened the door and walked into the private room, looking at Wei Kun’an with a cold expression.

“Do it?” Wei Kun’an smiled coldly: “I didn’t kill them, so I’ve given you face. My son’s leg is crippled, and you must know it. Now you hand over the guy who crippled my son’s leg, and I can spare his life.” Your Su family’s life is at stake!”

Su Wenzong’s eyes turned cold: “Your son kidnapped my daughter. I only disabled one of his legs, which is considered a minor crime. This is Hongcheng, not a provincial capital. I hope you can understand!”

Su Wenzong has made up his mind to take all matters into his own hands and not let Chen Ping get involved. Su Wenzong knows the power of the Wei family very well. If Chen Ping is targeted by the Wei family, then what will happen to him? It will definitely not end well in the future!

“Hahaha, so what if this is Hongcheng, I’ll crush you to death like a bedbug!”

Wei Kunan laughed, stood up suddenly and said, “Don’t think that I don’t know who did it. I’m giving you a chance now. If you don’t take it, don’t blame me for being rude!”

“I told you, if your son kidnaps my daughter, it would be a minor offense to cripple one of his legs. If you want revenge, you can come after me!”

Su Wenzong gritted his teeth and was already planning to fight for his life!

“Okay!” Wei Kunan’s eyes narrowed: “Since you are looking for death, then I will help you!”

As soon as Wei Kunan’s words fell to the ground, ten of his masters immediately pounced on him!

More than 20 bodyguards brought by Su Wenzong also took action, and they had an absolute advantage in terms of numbers. However, just a few minutes later, more than 20 bodyguards from the Su family fell to the ground, wailing in pain, and none of them Those who were able to stand, and looking at the people Wei Kunan brought, no one was injured!

The difference in strength is so huge, it's like an adult beating a four or five-year-old child, there's no pressure at all!

Su Wenzong's face became extremely ugly, and his body was trembling slightly, but Su Wenzong still stood still and did not run away!

"I'm asking you again now, hand over the guy who crippled my son's legs!"

Wei Kunan looked at Su Wenzong with deep disdain on his face and said.

"I lost your son's legs. If you want revenge, come to me. Now you can kill me!"

Su Wenzong was worried. Since he chose to come alone and didn't let Chen Ping follow him, he had no intention of letting Chen Ping come forward!

Chapter: 449

"Don't think I dare not kill you..."

Wei Kunan frowned, took a sharp dagger in his hand, and pressed it directly against Su Wenzong's neck!

Feeling the coolness of the dagger, Su Wenzong's legs began to tremble. No one was not afraid of death. Su Wenzong was also afraid at this time, but he could not hand over Chen Ping!

"Mr. Wei, why did you come all the way to Hongcheng without notifying me so that I could help Mr. Wei..."

Just when Wei Kunan put the dagger on Su Wenzong's neck, a cheerful voice suddenly came out, and Gu Wentian hurried over!

Gu Wentian looked at the wailing Su family bodyguards on the ground, looked at the dagger in Wei Kunan's hand, and said with a faint smile: "Mr. Wei, this guy has been using knives and guns as soon as he arrived in Hongcheng. If anything happens, we can sit down. Let's talk!"

Gu Wentian stepped forward and took the dagger from Wei Kunan's hand.

Gu Wentian used to be an official in the provincial capital, so he had some friendship with Wei Kunan, but now that he has retired, his influence is much smaller!

However, Wei Kunan also gave Gu Wentian some face and sat back in his seat!

"Mr. Su, please sit down too, we have something to talk about!"

Gu Wentian acted as the peacemaker and asked Su Wenzong to sit down too!

Su Wenzong nodded and sat down as Gu Wentian said.

It was Su Wenzong who called Gu Wentian on the road. Su Wenzong knew that with the strength of the Su family, they would definitely not be able to defeat the Wei family, so he specifically notified Gu Wentian to come over and mediate!

If it can be solved with money without having to fight or kill, that would be great, and Su Wenzong doesn't want to die!

"Mr. Wei, I have also heard about the matter. In fact, this matter makes the young master somewhat inappropriate. Now that the matter has come out, let's discuss a solution. I think it is better to ask Mr. Su to set up a table. I apologize to you and compensate Mr. Wei some more. You have said that as long as the Su family can bear it, I believe Mr. Su will not refuse!"

After sitting down, Gu Wentian followed Wei Kunan and said with a smile on his face.

“Gu Gu, do you think my Wei family is short of money?”

Wei Kunan raised the corner of his mouth and said.

“This...” Gu Wentian was choked for a moment, and a hint of embarrassment flashed across his face, but he quickly continued to smile: “The Wei family is rich, and of course they are not short of money. Mr. Wei, please tell me, this matter needs to be done. What can I do to make you happy!”

“Hand over the person who crippled my son’s leg, and Su Yuqi takes care of my son. It’s because of her that my son becomes like this!”

Wei Kunan looked at Su Wenzong coldly, and his request was very excessive.

It seemed that he was deliberately irritating Su Wenzong!

Sure enough, after listening to Wei Kunan’s request, Su Wenzong slammed the table and said: “Impossible, your son kidnapped my daughter, and now he actually wants my daughter to take care of him. Stop dreaming. If you have the ability, kill him now.” Me!”

“You think I don’t dare!” As soon as Wei Kunan finished speaking, the ten Wei family masters immediately surrounded Su Wenzong.

Chapter: 450

“Mr. Wei, please be patient and give me a pat on the back. Let’s...”

“Even if I call you Gu, I’ll give you face. Don’t worry about this matter. You can’t do it. Don’t force me to do anything to you!”

Before Gu Wentian could finish speaking, Wei Kunan said coldly.

At this time, Gu Wentian looked embarrassed, trembling with anger, and his face was red, but there was nothing he could do!

Now that he has retreated, as the saying goes, he has no influence at all in the provincial capital. Knowing the strength of the Wei family in the provincial capital, even when Gu Wentian was in power, Wei Kunan really wanted to get angry. He might not be given face to Gu Wentian, not to mention that he has retired now, so Wei Kunan doesn't have to give him face anymore!

Just when Gu Wentian was helpless and the atmosphere was tense, suddenly the private room door was pushed open again, and a middle-aged man in a suit and leather shoes walked in!

This person was Ling Zhenchuan, the top leader in Hongcheng. He rushed over as soon as Wei Kunan came to Hongcheng!

“Wei Kun'an, this is Hongcheng, not a provincial capital. If you just hurt people on my territory, do you mean you don't take me seriously?”

Ling Zhenchuan looked at the Su family bodyguards on the ground and asked with a cold face.

Ling Zhenchuan's arrival surprised Wei Kunan slightly. He did not expect that a Su family could disturb the leader of Ling Zhenchuan. Although the Su family was the richest man in Hongcheng, they did not have the strength to let the city's top leaders come forward!

He didn't know that Ling Zhenchuan came not for the Su family, but for Chen Ping!

“Mayor Ling, I hope you won't interfere in this matter and just be your mayor. We won't offend the river!”

Wei Kunan was a little surprised that Ling Zhenchuan came, but he was not afraid of Ling Zhenchuan. He was a small mayor in Hongcheng. Wei Kunan did not take it seriously. When he was in the provincial capital, among the officials who accompanied Wei Kunan to eat and drink, none of them was better than Ling Zhenchuan. High position!

“This is my place. I have the responsibility to protect the safety of the people in Hongcheng. If you hurt people here, I can send people to arrest you immediately. If you don’t want to make the matter bigger, you can take your people and leave. This matter I’ll just pretend it didn’t happen!”

Ling Zhenchuan was very angry at Wei Kunan’s attitude!

“Hahaha, what a joke!” Wei Kun’an burst out laughing: “I’ll sit here. If you have the ability, ask someone to arrest me. If you don’t send me out obediently, I, Wei Kun’an, will do whatever you want. surname!”

Wei Kun’an has no respect for Ling Zhenchuan at all. Ling Zhenchuan always blocked the construction of the branch in Hongcheng, which made Wei Kun’an very dissatisfied. How could it be possible now? Give Ling Zhenchuan face.

“You...” Ling Zhenchuan’s face turned red and he gritted his teeth in anger!

“Be your mayor well and benefit the people of Hongcheng. Don’t worry about this matter. Otherwise, I’m afraid you will lose your hat!”

Wei Kunan is extremely arrogant. The Su family, the richest man in Hongcheng, Ling Zhenchuan, the city’s top leader, and Gu Wentian are all here. Wei Kunan doesn’t take it seriously at all, because the Wei family has such arrogant strength!

The atmosphere condensed again, no one spoke, and the entire private room was filled with a chilling atmosphere!

Dong dong dong.....

Suddenly, a burst of chaotic footsteps came. Lin Tianhu led dozens of people and rushed into the private room. Seeing Su Wenzong surrounded by ten masters of the Wei family, Lin Tianhu turned cold and led dozens of people to confront the masters of the Wei family. Get up and protect Su Wenzong behind you!

Su Wenzong is now half of Chen Ping's father-in-law, and Lin Tianhu doesn't dare to let Su Wenzong make any mistakes.
