

## **The Order 4411**

Chapter: 4411

Hu Yixiao thought that the third elder would definitely accompany Liu Ruyan to death in battle, and would never compromise under the second elder!

But now it seems that the third elder has also taken refuge with the second elder!

“Nie Heng, you are my eldest disciple, and my master has high hopes for you.”

“The last time I escaped, I had no choice but to take back everything that belongs to me. This time, I will lead my people to take back everything that belongs to me. Now you can close this mountain protection formation and come to my side. I will forget about it!”

Hu Yixiao looked at Nie Heng again and said!

Nie Heng and the third elder looked at each other, and they suddenly had an idea in their minds!

Since Hu Yixiao doesn't know that the second elder is dead and Liu Ruyan is now the sect leader, they can take advantage of this information gap!

“Master, it's great that you can bring people back, but I can't close this mountain-protecting formation. The second uncle holds the right to open and close the mountain-protecting formation in his own hands!”

“You also know that Uncle Second Master used to control all the formations of the entire Jade Cauldron Sect, but now he doesn't trust me at all, so I don't know how to close this mountain-protecting formation.”

Nie Heng said seriously!

Seeing Nie Heng's expression, Hu Yixiao believed it to be true. After all, Nie Heng was his disciple, and the second elder would not believe it easily!

“Senior Brother, after you escaped, Second Senior Brother used those demonic cultivators to occupy the entire Jade Cauldron Sect and locked up the eldest lady.”

“We had no choice but to compromise and obey his orders!”

“It’s great that you are back now. As the leader of our Jade Cauldron Sect, you will at least be aboveboard and will never collude with demonic cultivators.”

“Second Senior Brother’s collusion with the demon cultivators has simply destroyed all the people in our Jade Cauldron Sect. If other sects and aristocratic families find out about it, no one will cooperate with our Jade Cauldron Sect anymore!”

The third elder looked excited and expressed his welcome to Hu Yixiao and his people!

Seeing the Third Elder and Nie Heng like that, Hu Yixiao was a little confused for a moment. He really thought that his return was expected by everyone.

“Don’t worry, you two. This mountain-protecting formation will be broken soon. When the time comes, the leader of the Jade Cauldron Sect will still be mine.”

“As long as you are obedient, your positions will remain the same as before!”

Hu Yixiao followed the third elder and Nie Heng and promised!

“Master, you can’t break this mountain-protecting formation!”

Nie Heng said quickly!

“What’s wrong? If we don’t break the formation, how can I lead people into the Jade Cauldron Sect?”

Hu Yixiao was stunned and said!

Chapter: 4412

“Master, this Jade Cauldron Sect will be yours sooner or later. Anything you destroy in the Jade Cauldron Sect now will be your own.”

“Do you know how many resources it takes to set up this mountain-protecting formation?”

“Now that you have destroyed the mountain-protecting formation, will you still be able to set up such a large formation when you become the sect leader?”

“Even if we have the ability, it will consume so much resources from our Jade Cauldron Sect!”

“If the Supreme Elder knew that you destroyed the Jade Cauldron Sect’s mountain-protecting formation, what would he think?”

Nie Heng asked a series of questions and instantly confused Hu Yixiao!

Especially when Nie Heng talked about the Supreme Elder, Hu Yixiao’s face changed!

Although he came with the people from Mingli Royal City and was not afraid of anyone from the Jade Cauldron Sect, he was afraid of the Supreme Elder!

After all, the Taishang Elder is an eighth-level Fusion Realm cultivator, and is much stronger than the General Qi he brought. If the Taishang Elder is really alerted, they may not be able to eat and walk away!

“If I don’t break the formation, how can I enter the Jade Cauldron Sect, and how can I regain my position as the sect leader?”

Hu Yixiao asked very embarrassedly!

“Master, I have discussed it with the third uncle. Don’t break the formation yet. The third uncle and I will find a way to subdue the second uncle. When the time comes, let him open the mountain-protecting formation, and you will be able to take back the position of the sect leader without any bloodshed! ”

“If you force your way in, there will definitely be a fight. The disciples of the Jade Cauldron Sect who will die by then will all be your subordinates!”

Seeing that Hu Yixiao believed it, Nie Heng hurriedly struck while the iron was hot!

Upon hearing this, Hu Yixiao nodded quickly and said to General Qi: “General Qi, stop it, stop it, don’t break the formation...”

“Sect Master Hu, what’s wrong?”

General Qi looked a little unhappy at being disturbed!

“General Qi, I have a way to get back the Jade Cauldron Sect without losing any blood. Don’t break the formation yet.”

“You just need to stand here and cheer me on. When they see General Qi’s majesty, they will be scared to death, and they will all surrender obediently.”

Hu Yixiao was flattering General Qi. After all, he was from Mingli Royal City. If Hu Yixiao forced his orders, others might not listen to him!

This flattery was indeed very useful to General Qi, so he waved his hand, and the runes in the air returned to General Qi one after another!

Hu Yixiao saw General Qi stop, so he hurriedly said to Nie Heng: “Nie Heng, hurry up and follow your third uncle. We must capture your second uncle alive and we can’t let him escape!”

“Master, don’t worry, Second Junior Uncle will never think that we have already discussed it...”

Nie Heng nodded with a smile, and then winked at the third elder!

Chapter: 4413

The third elder said to Hu Yixiao: "Elder brother, just wait for our good news..."

The third elder followed Nie Heng and turned away, while Hu Yixiao looked proud, waiting to take down the Jade Cauldron Sect without any blood!

The third elder and Nie Heng returned to the main hall. Liu Ruyan hurriedly asked, "Third elder, is the formation broken? Why did you come back so quickly?"

"Sect Master, Hu Yixiao has stopped breaking the formation, we can rest easy for a while."

The third elder smiled.

"Stop breaking the formation, what's going on?"

Liu Ruyan asked in confusion!

The third elder quickly told the story about Nie Heng deceiving Hu Yixiao, which immediately made everyone laugh and the atmosphere became much more relaxed!

They didn't expect that Hu Yixiao actually believed it, and now they would not be in danger for the time being.

"Sect Master, although we have temporarily deceived Hu Yixiao, he should be able to reflect it. After all, the second senior brother is dead. Where can we catch the second senior brother for him!"

"So the top priority is to get Mr. Chen to speed up, and we must also prepare strategies to meet the enemy!"

The third elder said!

“Well, I’m contacting Chen Ping. You can immediately lead people to collect resources within the sect.”

“If Hu Yixiao really attacks, he will burn up the resources. We must not leave them to Hu Yixiao.”

Liu Ruyan ordered!

She has decided that if Hu Yixiao attacks and cannot resist, then she will give Hu Yixiao a ruined Jade Cauldron Sect!

“As ordered...” The third elder nodded, although he took the people away!

At this time, Chen Ping was rushing to the Jade Cauldron Sect so fast that he could almost see the silhouette of the person!

Time passed by minute by minute, and soon it was a few hours, but the third elder and Nie Heng still did not appear!

“Sect Leader Hu, it’s been several hours, how long do we have to wait?”

General Qi asked impatiently at this time!

Hu Yixiao didn’t speak, and looked inside the sect with a slight frown!

At this time, he vaguely felt that something was wrong. In his opinion, the third elder would never give in so easily!

What's more, the third elder still holds the method to open the Tibetan Medicine Pavilion, how could he give in so easily?

Chapter: 4414

He has been the sect leader for so many years, but the three elders have not given in and established a station outside the sect alone!

In this short period of time, the third elder will succumb to the second elder?

Hu Yixiao couldn't figure it out!

"It's broken, I was fucking fooled..."

Hu Yixiao's eyes suddenly widened and he finally reacted!

"General Qi, break the formation quickly, I was deceived by these two guys!"

"This Nie Heng, as my eldest disciple, even deceived me as a master. When they break through the formation and rush in, I will cut them into pieces."

Hu Yixiao roared, the anger rising in his body!

Seeing this, General Qi waved his hands, and many runes flew up again!

As streaks of golden light shone on the mountain-protecting formation, cracks soon began to appear on the mountain-protecting formation!

Rumble.....

With a loud noise, the mountain guarding formation collapsed completely, and Hu Yixiao led his men into the Jade Cauldron Sect instantly!

Feeling the loud rumbling outside, Liu Ruyan and the third elder knew that the mountain-protecting formation had been broken!

Liu Ruyan led the people and stood guard at the entrance of the hall. The third elder and Nie Heng led some people, leading the way and guarding the front!

Hu Yixiao angrily led people to rush to the door of the hall. Looking at Liu Ruyan who was protected in the middle, he understood everything instantly!

“You dare to deceive me, today I will cut you into pieces...”

Hu Yixiao roared angrily, and the aura on his body continued to rise!

“Hu Yixiao, you actually brought outsiders to attack the Jade Cauldron Sect. This is treason. Do you want to follow in the footsteps of the second elder?”

“The second elder has been executed. Anyone who wants to take advantage of the Jade Cauldron Sect will die...”

Liu Ruyan said to Hu Yixiao with a cold face!

“The second elder is nothing. Today I brought General Qi from Mingli King’s City. He is at the fifth level of the Fusion Realm. How can he be compared to the second elder.”

“Those who obey me today will prosper and those who go against me will perish. Those who are willing to obey me now should come to me immediately, otherwise I will kill them without mercy...”

Hu Yixiao said to the many disciples of the Jade Cauldron Sect!

But all the disciples of the Jade Cauldron Sect looked at each other, and no one moved. This made Hu Yixiao very angry!

Chapter: 4415

“Okay, since you are looking for death, then I will help you...”

Hu Yixiao said, his body jumped up, and suddenly an unstoppable murderous aura rose up!

The third elder’s face condensed, and his body couldn’t help but tense up, because at this time, the only one who could face Hu Yixiao was himself!

“Hu Yixiao, don’t be so arrogant...”

The third elder also jumped up, and a terrifying aura burst out instantly!

Just like that, Hu Yixiao and the third elder punched simultaneously in mid-air!

boom.....

The huge sound instantly shattered the earth and caused smoke and dust to billow!

A figure flew out from the smoke and dust, and then fell heavily to the ground!

Everyone looked and saw that it was the third elder. The third elder’s face was extremely ugly and he was still coughing up blood in his mouth!

“Third Junior Brother, although you and I are both at the third level of Fusion Realm, you are still inferior to me.”

“Today I will kill all those who betrayed me!”

Hu Yixiao glanced at everyone, his eyes flashing coldly!

“All disciples obey the order and swear to protect the sect master to the death!”

Nie Heng suddenly shouted, causing all the Jade Cauldron Sect disciples to stand in front of Liu Ruyan!

Seeing this, Hu Yixiao gritted his teeth angrily and said: “Nie Heng, as my disciple, you have betrayed me now. I will send you to hell so that you will never be reincarnated...”

Hu Yixiao’s breath continued to surge, and then he punched Nie Heng!

This punch instantly caused a storm. The huge storm made many Jade Cauldron Sect disciples unable to bear it and fell to the ground one after another!

Nie Heng, on the other hand, faced the huge storm with determination in his eyes!

Although he could not be Hu Yixiao’s opponent and could not block the blow, Nie Heng did not dodge!

An aura of despair rose up in Nie Heng!

Seeing that the huge storm was about to arrive in front of Nie Heng, a figure suddenly stood in front of Nie Heng, and then a white light flashed. The huge storm was defeated and disappeared in an instant under the white light!

“Mr. Chen.....”

Seeing the person standing in front of him, Nie Heng shouted excitedly!

Chapter: 4416

Chen Ping smiled slightly, then looked at Liu Ruyan and said, "I'm not late, am I?"

Liu Ruyan shook her head: "No, you came just in time..."

"Chen Ping?"

When Hu Yixiao saw Chen Ping, his face turned pale!

"Hu Yixiao, are you so itchy that you still dare to lead people to attack the Jade Cauldron Sect?"

"I'm telling you, I will be protecting the Jade Cauldron Sect from now on. You should stop trying to take advantage of the Jade Cauldron Sect."

Chen Ping said to Hu Yixiao with a look of disdain!

Hu Yixiao frowned and looked at Chen Ping angrily: "What a loud tone. It seems that you have also been promoted to the Fusion Realm, but you, a newly promoted Fusion Realm monk, dare to talk to me like this!"

"I think you are tired of living....."

Hu Yixiao said, and punched Chen Ping. Hu Yixiao had always kept his hatred for Chen Ping in his heart!

"Since you look down on the new Fusion Realm monk, then I will show you the power of my new Fusion Realm monk!"

Chen Ping said, he suddenly made a fist with his right hand, and a golden light burst out from Chen Ping's right fist!

"Holy Light Fist....."

Chen Ping also punched out!

boom!

The two people clashed their fists, and golden light exploded in all directions!

Hu Yixiao felt a huge force, like a moving train, hitting his chest hard!

Hu Yixiao was instantly knocked away by this force. Many bones in his body were shattered by this force, and blood spurted out!

boom.....

Hu Yixiao's body fell in front of General Qi. General Qi and many beast soldiers looked at Hu Yixiao in front of them. They saw that Hu Yixiao's face was as white as paper, and his arms were deformed. It was clear that he was broken!

At this time, General Qi and the beast soldiers in Mingli King's City were dumbfounded. You must know that Hu Yixiao is a third-level Fusion Realm monk. How come he is so vulnerable in front of Chen Ping, a newly promoted Fusion Realm monk?

This is not scientific at all!

Hu Yixiao gasped for air, climbed up from the ground with difficulty, and looked at Chen Ping in disbelief!

"How could this happen? This is impossible..."

Chapter: 4417

Hu Yixiao couldn't believe that he was seriously injured by Chen Ping's punch!

“Do you still dare to look down on me, a newly promoted monk in the Fusion Realm?”

Chen Ping looked at Hu Yixiao with a sneer and said!

“I understand, Liu Ruyan can become the sect leader, and the second elder can be killed, it must be because of you!”

Hu Yixiao figured out that with the strength of the third elder and Liu Ruyan, it would be impossible to defeat the second elder and those demon cultivators!

It must be because of Chen Ping’s appearance that Liu Ruyan wins!

“It’s too late for you to understand. Today, like the second elder, you will die under everyone’s sword!”

Chen Ping said slowly!

“Hahaha, you look down on me so much. Although you can defeat me, the person I invited this time is the general from Mingli King’s City. General Qi is at the fifth level of the Fusion Realm. I don’t believe you can defeat him. No!”

“General Qi, please take action and help me kill this guy. When I take over the Jade Cauldron Sect, the various elixir resources of the Jade Cauldron Sect will be available to General Qi for his enjoyment!”

Hu Yixiao looked at General Qi and promised benefits!

Upon hearing that he could freely enjoy the elixir resources of the Jade Cauldron Sect, General Qi’s face instantly showed a look of greed!

“No problem, it’s just a new level of strength in the Fusion Realm. Although this guy can leapfrog the competition, I don’t believe that he can still defeat me.”

General Qi said, take a sudden step forward!

General Qi took this step, and the terrifying aura instantly changed the color of the world. An invisible pressure made everyone in the Jade Cauldron Sect feel their breath stagnant, and everyone showed pain on their faces!

Feeling the aura erupting from General Qi's body, Chen Ping raised the corner of his mouth, and then waved his hand!

A huge spiritual power instantly defeated General Qi's momentum, and everyone in the Jade Cauldron Sect felt relieved!

"Boy, there are indeed two moments..."

General Qi's eyes narrowed slightly.

"With a few strikes, it's more than enough to kill you..."

Chen Ping sneered!

"What a crazy tone, it looks like I'm going to let you experience it!"

After General Qi finished speaking, his body instantly resembled a beast and rushed towards Chen Ping!

When General Qi rushed towards Chen Ping, his body instantly turned into a cheetah, and the surrounding void began to tremble. General Qi passed through the void and was in front of Chen Ping in an instant!

Chapter: 4418

This astonishing scene instantly stunned everyone. They were able to travel through the void, which showed that the opponent's speed was extremely fast!

“Chen Ping, be careful...”

Liu Ruyan shouted, she knew that Chen Pingping must be under a lot of pressure against an opponent at the fifth level of the Fusion Realm!

But Chen Ping smiled slightly at Liu Ruyan and made a reassuring gesture. It seemed that he didn't take General Qi seriously at all!

Seeing Chen Ping's relaxed and comfortable look, General Qi became even more furious!

“Ten Thousand Talisman Fist...”

General Qi shouted loudly, the runes all over his body lit up, and his fists were even more densely covered with runes. He punched Chen Ping!

“Still a spell master...”

Chen Ping raised the corner of his mouth, and the Dragon-Slaying Sword instantly appeared in his hand, blocking it directly in front of him!

boom!

The heaven and earth shook, and the sun and moon lost their light!

Under this blow, the two people took three steps back at the same time!

This attack was evenly matched, but General Qi, as the attacker, obviously lost!

General Qi frowned and looked at the Dragon-Slaying Sword in Chen Ping's hand in disbelief: "Dragon-Slaying Sword? The magic weapon of the Weapon Refining Sect?"

"No wonder you can block my punch..."

General Qi actually recognized the dragon-slaying sword in Chen Ping's hand!

Chen Ping also didn't expect that General Qi, a monster, actually knew the Dragon Slayer Sword!

"I didn't expect you to know the Dragon-Slaying Sword, but it would be an honor for you to die under the Dragon-Slaying Sword!"

After Chen Ping finished speaking, he took a step forward and slashed with the dragon-slaying sword. A huge sword light went straight towards General Qi!

General Qi may have been afraid of the power of the Dragon-Slaying Sword, so he hurriedly punched out to block it, but his body kept retreating!

Seeing General Qi being forced back by Chen Ping's sword, Hu Yixiao's face turned ugly!

But just when General Qi kept retreating and had not stabilized his body, Chen Ping launched his attack again!

The terrifying sword light swung out again, heading towards General Qi!

General Qi was shocked and angry. He was a fifth-grade Fusion Realm monk, but he was forced to retreat by Chen Ping, a newly promoted Fusion Realm monk. He left without a chance to breathe, leaving him at a disadvantage!

Chapter: 4419

"ah....."

General Qi roared madly, and with the roar, an invisible barrier appeared instantly!

boom!

Chen Ping's sword light struck the barrier hard, and the huge sword light easily tore the barrier into pieces!

The terrifying force made General Qi's center of gravity suddenly unstable. He rolled out close to the ground and flew more than ten meters before he barely stopped!

At this time, General Qi looked extremely embarrassed!

For a moment, the whole place was silent. General Qi was a fifth-grade Fusion Realm monk, so there was no need to talk about his strength, otherwise he would not have been able to become the guard of Mingli Royal City!

But this kind of person, under Chen Ping's attack, didn't even have the ability to fight back, and was beaten to the point of rolling around!

Hu Yixiao only felt that his brain was a little insufficient. Chen Ping was just a newly promoted monk in the Fusion Realm. How could this happen?

At this time, Chen Ping, holding a sword in one hand, looked at General Qi coldly and said: "Didn't you let me see it? Is it because I saw the people of your Mingli King's City being beaten until they were pissed?"

Chen Ping had a playful look on his face. He didn't have the slightest fondness for Mingli Wangcheng!

First, his God King Bow was stolen by the Mole from Mingli King City, and then Li Xing targeted him everywhere, and even wanted to join forces with Hu Ben to kill him!

Now Hu Yixiao is leading the people from Mingli King City to attack the Jade Cauldron Sect. Everything has shown that Mingli King City is Chen Ping's enemy!

Since they are enemies, Chen Ping has no need to be polite!

Chen Ping's words were like a huge slap, slapping General Qi hard on the face, making General Qi furious!

In the eyes of General Qi, Chen Ping is just a newly promoted monk in the Fusion Realm, an insignificant role. Chen Ping is not taken seriously at all!

Even though Chen Ping defeated Hu Yixiao, General Qi never paid much attention to Chen Ping, but now this small role that he looked down on made him lose his reputation and put him in trouble!

"General Qi, Chen Ping may not be a high-level guy, but his strength is unfathomable. You can't be careless!"

Hu Yixiao hurriedly said to General Qi!

Hu Yixiao said this just to regain face for General Qi, by saying that the defeat just now was caused by General Qi's own carelessness!

"Don't worry, I won't be careless anymore. If I hadn't been careless just now, I wouldn't have been forced to panic by him and fall to the ground!"

"It won't happen this time..."

After General Qi finished speaking, he kicked up his body instantly, and punched Chen Ping as if he had seen Li Xian!

The terrifying fist wind roared, but Chen Ping showed a hint of ridicule. He pointed forward with the dragon-slaying sword in his hand, without even looking at General Qi!

Chapter: 4420

Regardless of whether General Qi was careless or not, Chen Ping was not afraid at all!

What's more, Chen Ping still has the Dragon-Slaying Sword in his hand, and Chen Ping is even more unafraid of General Qi's bare hands!

Seeing the mocking look on Chen Ping's face, General Qi became even more angry. The terrifying fist force instantly locked Chen Ping to death!

Chen Ping, on the other hand, swung his Dragon-Slaying Sword, and a flash of golden sword light shot out from the Dragon-Slaying Sword in an instant!

This sword light was so sharp that it instantly cut through the fist wind, penetrated the obstacles of the fist wind, and went straight towards General Qi!

When General Qi saw this, he was instantly startled. He had already unleashed all his strength. With this punch, the entire Jade Cauldron Sect would be destroyed!

But even this terrifying punch was broken by Chen Ping's easy sword!

General Qi was shocked and quickly stopped to block. If he hadn't stopped, he might have been cut in half by Chen Ping's sword!

clang.....

There was a loud noise, and the sword light struck the shield exploded by General Qi. The huge backlash caused General Qi to retreat instantly!

But before he could stabilize his figure, another sword beam from Chen Ping arrived again!

General Qi hurriedly waved his hands, forming a shield in front of him over and over again to block Chen Ping's attack!

But the result was still the same. General Qi's body kept retreating, but Chen Ping's attacks continued one after another, slashing out swords one after another!

Finally, General Qi was beaten to the ground again and rolled far away.

After seeing General Qi being beaten to pieces, Chen Ping stopped. This time, Chen Ping once again looked at General Qi with his sword and said, "What? Are you careless again this time?"

This sentence made General Qi's face turn red instantly, while Liu Ruyan and the others on the side burst into laughter!

Seeing Chen Ping dealing with General Qi so easily and comfortably, Liu Ruyan and the three elders also relaxed and watched Chen Ping beat General Qi violently as if watching the fun!

As for Hu Yixiao and the beast soldiers of Mingli King City, they saw General Qi rolling back like the last time, and their faces were as ugly as if they had eaten flies!

General Qi slowly got up, the red color on his face receded, turning blue and white, and his eyes were full of ferocious color!

"General Qi, you are still careless. Chen Ping has weapons, but you are bare-handed. Isn't this obviously a disadvantage?"

Hu Yixiao once again thought of a reason to save face for General Qi!

But everyone is not stupid. General Qi, a fifth-grade Fusion Realm monk, can easily deal with a newly promoted Fusion Realm monk even with his bare hands. But in this situation, it is clear that General Qi's skills are inferior to others!

"However, since I don't have a weapon, I'm really at a disadvantage. Moreover, what Chen Ping has in his hand is the Dragon-Slaying Sword, which is a magic weapon. If he doesn't have a magic weapon, I'll beat the shit out of him!"

General Qi knew that Hu Yixiao was trying to save face for himself, so he followed suit!
