

## **The Order 4431**

Chapter: 4431

Li Xing laughed, looking proud!

“Li Xing, no matter how many people you bring, if I want to kill you, it will only be a matter of breath!”

“I’ll give you a chance now. Take the people out immediately. If you wait for me to get angry, none of you will be able to leave!”

“You, with your skills, want to attack my Demon Imperial City. It’s simply wishful thinking!”

Demon Emperor Yihe had a look of disdain on his face. He looked down on Li Xing at all. If he wanted to kill Li Xing, he could do it now. Even though Li Xing had brought so many soldiers, in the eyes of Demon Emperor Yihe, those were nothing. It’s an ant!

“Old man, you are too arrogant. I will attack your Demon Imperial City now and let you see with your own eyes...”

After Li Xing finished speaking, he waved the scimitar in his hand: “Come on...”

After Li Xing’s Sky-Opening Ax was destroyed by Chen Ping, he switched to this scimitar!

“Come on...”

Tens of thousands of soldiers began to shout and rush towards the Demon Imperial City!

Demon Emperor Yihe looked at the soldiers below and Li Xing with a proud look on his face. A cold light flashed in his eyes and said: “Little bastard, it seems that if I don’t show him some color, he really thinks he is great!”

With that said, Demon Emperor Yihe would personally take action to capture Li Xing from among the thousands of troops!

But before Demon Emperor Yihe could move, a cold sword was already placed on his neck!

“Demon Emperor, you’d better be obedient and don’t move...”

Huben’s voice came from behind the Demon Emperor!

Listening to Hu Ben’s voice, Demon Emperor Yihe’s eyes were full of surprise, followed by anger!

“Hu Ben, what are you doing?”

When Princess Isa saw this, she was shocked and yelled at Huben!

“Hu Ben, you dare to kill the master, you are so brave...”

Elder Pei also shouted at Huben with a face full of surprise!

“Hahaha, killing the Lord? I have been loyal for so many years, but what have I gained in the end? I am not even as good as a human being.”

“Princess Isa would rather follow a human than take another look at me. In their eyes, I will always be just an insignificant subordinate!”

“This kind of life is meaningless. I don’t want to be a bullshit guard general. I want to be the Demon Emperor. I want to rule the entire Demon Emperor City.”

“When the time comes, any woman I want will follow me, including Issa. She will no longer be a princess, she will just be my plaything!”

Chapter: 4432

Huben laughed crazily, a gust of wind ruffled his hair, and Huben's eyes were full of madness!

At this moment, with Hu Ben's laughter, the city gate opened, and Li Xing and his people rushed in!

"Hu Ben, you traitor, I will kill you..."

After hearing what Huben said, Princess Isa almost got angry to death and stepped forward to attack Huben!

But he was stopped by Elder Pei: "Princess, calm down, the Demon Emperor is still in his hands, you can't be impulsive!"

"Princess Isa, if you don't want your father to die in my hands, then just be obedient!"

Huben said with a cold smile!

Princess Isa looked at Huben angrily, but could do nothing!

At this time, Li Xing also came to the city wall, looked at the controlled Demon Emperor Yihe, and smiled disdainfully: "Didn't you just say that I can't attack your Demon Emperor City at all? I have come in now, and still standing in front of you!"

Demon Emperor Yihe looked at Li Xing, who had a stern look on his face. There was no trace of panic on his face, and he said calmly: "Do you think a broken sword can control me? I will kill you two now, do you believe it or not?"

"I don't believe it, my life is here, you come and take it!"

Li Xing provoked Demon Emperor Yihe.

“you wanna die.....”

Feeling Li Xing’s provocation, Demon Emperor Yihe finally became angry, and the aura on his body exploded instantly!

A gust of wind swept across instantly, but just when Demon Emperor Yihe was about to take action, his face suddenly changed, and then he showed a very painful look!

At the same time, Princess Isa covered her abdomen with both hands and fell to the ground with a look of pain on her face!

“Demon Emperor, Princess...”

When Elder Pei saw this, he suddenly panicked!

Demon Emperor Yihe only felt that his internal organs were like knives being twisted, and the breath in his body was passing away rapidly. He could not gather his strength at all!

Seeing Demon Emperor Yihe’s poisonous hair, Li Xing laughed loudly and said: “Hahaha, do you think I dare to lead people to attack your Demon Emperor City without preparation?”

Huben also had a sneer on his face at this time and said: “Demon King, stop trying to struggle. The food last night has been poisoned by me. This poison is colorless and tasteless. After eating it, you will lose your power... . . .”

Listening to Huben’s words, Demon Emperor Yihe finally had a bit of panic on his face, because he really felt that he could no longer exert his strength and was being suppressed by something!

“Hu Ben, thanks to my father’s trust in you, you actually dare to murder us. You are so shameless...”

Isha endured the severe pain, stood up slowly, and cursed at Huben!

Chapter: 4433

Hearing Princess Isa scolding him, Huben immediately said angrily: "Humph, I'm where I am today, all because of you. I've liked you for so long, but you actually like a human and don't like me."

"I'm not willing to give in. I must get you. I want you to yell under me willingly..."

Listening to Hu Ben's words of tiger and wolf, Isa's face suddenly turned red with anger!

"Bah, even if I die, I can't be with you. You are not worthy at all!"

Isa yelled at Huben!

"Really? I don't deserve it?"

Huben smiled coldly: "If you don't promise me, then our beloved Demon Emperor will leave you!"

Huben said, exerting slight force on the long sword in his hand, and a blood mark instantly appeared on Demon Emperor Yihe's neck!

"don't want....."

Seeing this scene, Princess Isa was shocked and shouted quickly!

"How about it? Now I ask you to follow me and serve me well. Will you agree?"

Huben looked at Isha teasingly, his face full of pride!

Princess Isa was not talking, her eyes were glaring at Huben. If looks could kill, Huben would have died ten thousand times by now!

“Isa, leave me alone, and don’t promise him.”

“Elder Pei, I order you to take the princess and escape immediately, quickly...”

Demon Emperor Yihe ordered to Elder Pei!

At this time, Demon Emperor Yihe only hoped that Isha could survive and not be harmed by Tiger Ben.

But Elder Pei didn’t dare to move. After all, Demon Emperor Yihe was still in Hu Ben’s hands. If he moved, Demon Emperor Yihe’s head would be chopped off in an instant!

“Fuck, shut up...”

Huben punched Demon Emperor Yihe in the face!

Demon Emperor Yihe, who was once aloof and commanded the entire Demon Emperor City, was now reduced to a prisoner and was beaten by his most trusted subordinates!

“Hu Ben, stop, please stop...”

Princess Isa saw this and shouted loudly to stop!

“Princess, what do you think? If you promise me, I guarantee that the Demon Emperor will be fine. You will still be living in the imperial city by then, so you don’t have to worry about food, clothing, housing and transportation.”

Chapter: 4434

Huben asked Princess Isa!

Looking at the bruised Demon Emperor Yihe, Princess Isha nodded with tears in her eyes: "Okay, I promise you..."

Princess Isha can't persist. If she persists, Demon Emperor Yihe might really be beaten to death by Huben.

"Hahaha, those who know the current affairs are heroes. If you follow me, wouldn't you be much better than if you followed that Chen Ping?"

"At the very least, if you are the same as me, I will let you experience the happiness of a woman!"

Seeing that Princess Isha agreed, Huben's eyes instantly burst out with lustful light. After handing Demon Emperor Yihe under his control, he walked towards Princess Isha step by step!

"Isa, don't promise him. It was me who harmed you. It was me who harmed you."

"I should have listened to you and not gone to the dinner party last night."

Demon Emperor Yihe regretted it too much, but it was too late to say anything!

Isha felt something was wrong last night, but Demon Emperor Yihe believed in Huben and felt that Huben would not do anything treacherous!

But now, what Huben is doing is simply a slap in the face!

"Hu Ben, I hope you can keep your promise. I promise you, you can't hurt my father either."

Princess Isa looked at Huben and said!

"Don't worry, princess, you and I are together. The Demon Emperor is my father-in-law. How could I possibly hurt my father-in-law!"

After Huben finished speaking, he directly picked up Princess Isa and walked slowly towards the city gate!

Princess Isa closed her eyes and tears fell down uncontrollably!

“Chen Ping, if there is an afterlife, I will be by your side!”

Princess Isa knew that after being defiled by Huben, she would no longer be able to follow Chen Ping!

“Isha, Isha.....”

Seeing Princess Isa being carried away by Hu Ben, Demon Emperor Yihe shouted, but it was to no avail!

Soon Princess Isa was hugged by Huben and disappeared!

The Demon Emperor Yihe burst into tears because of his carelessness, which has caused his daughter to become like this!

“Li Xing, please kill me...”

Demon Emperor Yihe didn't want to live anymore, so he looked at Li Xing and said!

Chapter: 4435

“Don't worry, I can't let you live. It doesn't feel good to be betrayed by the person you trust most, doesn't it?”

“I captured the huge Demon Imperial City without spending a single soldier. I don't know how happy my father would be if he knew about it.”

Li Xing looked proud!

But at this moment, a cold light flashed on Elder Pei's face, and a terrifying aura suddenly burst out!

A tornado instantly rose from the city wall. Many people were blown around by the sudden breath!

Even Li Xing was unprepared and was blown to the ground in an instant!

"Demon Emperor, let's go..."

Elder Pei grabbed the Demon Emperor's wrist and jumped off the city wall!

Demon Emperor Yihe and Princess Isha were both there just now, but Elder Pei never took action because he didn't know who to save, and besides, his own daughter was still in the imperial city!

Now that Princess Isha was taken away by Hu Ben, and Demon Emperor Yihe's life was in danger, Elder Pei gritted his teeth and rescued Demon Emperor Yihe!

He knew that after rescuing Demon Emperor Yihe, his own daughter might be in danger, but he had no choice!

"Damn, I still want to run away..."

When Li Xing saw this, he also jumped down: "Follow me..."

In an instant, countless beast soldiers and beasts were chasing Demon Emperor Yihe and Elder Pei!

"Demon Emperor, you go first, I will stop them..."

Elder Pei said to Demon Emperor Yihe!

Demon Emperor Yihe looked at Elder Pei and said solemnly: "Elder Pei, please take care..."

Demon Emperor Yihe knew that Elder Pei was planning to sacrifice himself to buy him time!

Elder Pei nodded, then turned around to meet Li Xing and others!

Demon Emperor Yihe's strength is greatly damaged. Even if he runs, he can't run fast!

But at this moment, a sudden burst of terrifying wolf howls sounded!

Lang Feng led thousands of demon wolves to appear.

"Lord Demon Emperor, quickly ride on my back..."

Lang Feng turned into a huge demon wolf and said to Demon Emperor Yihe!

Chapter: 4436

Seeing Lang Feng, Demon Emperor Yihe was overjoyed and hurriedly sat on it!

Following Lang Feng's wolf howl, thousands of demon wolves rushed towards Li Xing and others!

Lang Feng is letting his tribe buy time again!

The strength of these demon wolves is not as strong as the guards in Demon Emperor City!

Now there are tens of thousands of defenders of Demon Imperial City plus the people from Mingli Imperial City brought by Li Xing!

On Yihe's side, only Elder Pei leads thousands of demon wolves. It is obvious that the strength is not equal!

But knowing that he was about to die, neither Elder Pei nor the thousands of demon wolves flinched!

Demon Emperor Yihe was carried by Lang Feng and ran towards the distance quickly!

When Li Xing saw this, he roared and jumped to chase after him, but was forced back by Elder Pei's palm!

Li Xing looked at Elder Pei with anger on his face, and then said to the people around him: "Go and call Huben, and kill the others..."

For a moment, the sound of killing was loud in the mountains and forests outside Demon Emperor City!

At this time, Huben couldn't wait to put Princess Isa on the bed!

Princess Isa closed her eyes tightly. She did not dare to look at Hu Ben. She could only grit her teeth and wait for the invasion to come!

She didn't dare to resist, after all, her father was still in Huben's hands. If she resisted and angered Huben, Demon Emperor Yihe would be in danger!

Huben looked at the motionless Princess Isa, and he was extremely excited!

"Princess, don't worry, I will be gentle the first time..."

With that said, Huben started to take off Princess Isa's clothes!

Princess Isa's tears kept pouring out, but Huben turned a blind eye and was still excited, taking off her clothes little by little!

Just as Princess Isa's clothes were about to be taken off, exposing her most private parts, a guard hurriedly broke in!

"General, it's not good, it's not good..."

The guard shouted hurriedly!

Huben frowned. Just when he was happy, he was disturbed by the guard, so he kicked the guard out!

Then he walked out and said, "Damn, what's wrong? Don't you know I'm busy?"

"General, the Demon Emperor was rescued by Elder Pei. Mr. Li sent someone to call you, asking you to chase him quickly!"

Chapter: 4437

The guard said to Huben!

When Huben heard this, he quickly looked inside the room and found that Isa had not heard it, so he said: "I'm going right away. You can guard this place for me. If the princess escapes, I will kill you... ."

"General, don't worry..."

The guard said quickly!

Huben left. Princess Isa saw that Huben had not moved for a long time, so she slowly stood up and put her clothes back on!

She didn't know why Huben left in a hurry, so she looked outside!

At this moment, the door was suddenly pushed open, and a girl about the same age as Isa rushed in!

“Princess.....”

The girl shouted to Isa!

“Yiyi, why are you here?”

Princess Isa looked at the girl with surprise on her face!

This girl is Elder Pei’s daughter. She grew up with Princess Isa. Princess Isa was very curious as to how she came to Huben’s mansion!

“Princess, the Demon Emperor has escaped from the city. You should escape immediately, otherwise the tiger will be back soon!”

Yiyi said to Isha!

When Isha heard that Demon Emperor Yihe had escaped, she immediately felt happy: “You can escape with me. This Demon Emperor City has been occupied by Huben, and they will definitely not let you go!”

Yiyi shook her head: “Princess, I can’t leave. The guards outside will check frequently. If they find that no one is in the room, they will definitely look for you.”

“Now the two of us have changed our clothes. I will deceive the guards in the room. You can escape from the back immediately and someone will pick you up from behind!”

When Isha heard this, she hurriedly said: “How can this be done? When the time comes, won’t you...”

Isha didn’t say anything further, but everyone could imagine that if Hu Ben came back and found that Isha was gone, he would definitely be angry with Yiyi!

“Princess, don’t hesitate, it will be too late!”

With that said, Yiyi followed Princess Isa to change her clothes, and then sent Princess Isa out from behind!

At this moment, in the mountains and forests not far from Demon Imperial City, corpses are everywhere!

Elder Pei was covered in blood, and the aura on his body was rising. Even though there were injuries everywhere, Elder Pei still stood tall, in order to buy Demon Emperor Yihe more time to escape!

Huben and Li Xing looked at Elder Pei, their eyes full of anger. If it weren’t for Elder Pei, Demon Emperor Yihe wouldn’t have been able to escape!

Chapter: 4438

“Kill me...”

Huben shouted angrily, and then led his men to charge again, and Li Xing also swung his sword up!

Although Elder Pei was stronger than Huben and Li Xing, faced with the siege of so many people, Elder Pei finally fell!

Thousands of demon wolves, as well as Elder Pei’s corpse, were lying quietly in the forest!

At this time, Demon Emperor Yihe had already been carried by Lang Feng and ran hundreds of miles away!

“Demon Emperor, where are we going now?”

Lang Feng didn’t know where to go. In a situation like theirs, they definitely couldn’t stay in the orc territory!

But if you go to human territory and are discovered, you might be bullied!

“Go to the Jade Cauldron Sect...”

Demon Emperor Yihe knows that Chen Ping is in the Jade Cauldron Sect!

As long as Chen Ping is found and Chen Ping detoxifies him, Demon Emperor Yihe will have the strength to take back Demon Emperor City!

Demon Imperial City!

Because Demon Emperor Yihe escaped, Huben was very angry!

“Brother Huben, you don’t have to worry. If Demon Emperor Yihe is poisoned, he will be like a waste and will not be a threat.”

“No one else can undo my poison except using a special antidote!”

Li Xing persuaded Huben!

“I’m not afraid that Demon Emperor Yihe will come back for revenge. I’m just afraid that Princess Isha won’t be obedient if she finds out that Demon Emperor Yihe has escaped. If she commits suicide, won’t I get nothing!”

Huben turns out to be afraid that Princess Isa will commit suicide!

Now the reason why Princess Isha listens to him and doesn’t dare to resist at all is because the Demon Emperor Ihe is still in his hands, and Isha doesn’t dare not listen!

But if she knew that Demon Emperor Yihe had escaped, Princess Isha would have no worries!

“Don’t worry about this. As long as we don’t tell it, there’s no way Isa will know.”

Li Xing said!

“That’s right!” Huben nodded, then looked at the guard behind him and said, “Let me tell you, no one can tell me anything about Demon Emperor Yihe’s escape, otherwise don’t blame me for being rude!”

“Yes!” All the guards replied quickly!

Chapter: 4439

“Princess Isa, I’m here...”

Huben smiled lewdly, and then ran towards his mansion impatiently!

After entering the door, Huben saw Princess Isa already lying on the bed, lying on her side with her back to him!

Seeing Princess Isa taking the initiative to lie on the bed, the Huben Cola went bad!

“Princess, I didn’t expect you to go to bed so early. Are you anxious?”

“I’ll come right away, and I promise to make you ecstasy...”

Huben quickly took off his clothes and threw himself on the bed. He would attack anyone holding the princess!

But when he saw Princess Isa’s face, he was stunned!

“why you?”

Huben’s face was full of surprise. He didn’t understand how Princess Isa became the daughter of Elder Pei?

“Hu Ben, you traitor, I’m going to kill you...”

Yiyi suddenly took out a dagger from her hand, and then stabbed Hu Ben fiercely!

Huben was completely unprepared. When he saw Yiyi trying to kill him, he quickly rolled under the bed, but his arm still got a bloody wound from the dagger!

Looking at the wound on his arm, Hu Ben was furious, his eyes full of anger!

“Stinky girl, where is the princess?”

Huben stepped forward, knocked the dagger out of Yiyi’s hand with one palm, and then grabbed Yiyi’s neck!

In front of Huben, Yiyi had no room for resistance at all. The difference in strength between the two was too big!

“The princess has already escaped from the city. Don’t even think about touching her.”

“You beast, you will die badly...”

“I bother.....”

Yiyi glared at Hu Ben and spat hard!

Hu Ben glared at Yiyi, his eyes full of scarlet blood!

His animal nature has been aroused, and now he must vent it!

“Stinky girl, if you let the princess go, I will vent my anger on you...”

Chapter: 4440

Huben said, pushing Yiyi onto the bed!

Yiyi tried her best to resist, but it had no effect at all!

Soon, Yiyi’s clothes were taken off, and Hu Ben pounced on her!

An hour later, Yiyi looked at Hu Ben with murderous eyes!

Huben, on the other hand, looked satisfied!

“I’ll fight with you...”

Yiyi suddenly pounced on Hu Ben, and then her body expanded rapidly!

Yiyi is planning to self-destruct and die with Hu Ben!

A girl’s innocence is gone, and Yiyi has no courage to live!

“Hmph, you still want to blow yourself up?”

Hu Ben snorted coldly, and then slapped it down with a palm. Yiyi spurted out a mouthful of blood and died instantly!

“Princess Isa, no matter how far you go, I will definitely catch you...”

Huben’s eyes burst out with a fierce look, and then he led his men to chase him out of the city and began to search for Princess Isa!

Jade Cauldron Sect!

Liu Ruyan personally took care of Chen Ping for several days, and gave Chen Ping all the best pills in the Jade Cauldron Sect!

However, Chen Ping still didn’t wake up. This battle left Chen Ping almost empty!

“Sect Master, is Mr. Chen still awake?”

The third elder asked Liu Ruyan in a low voice!

Liu Ruyan shook his head solemnly: “He hasn’t woken up yet, but after taking so many pills, I didn’t expect that his body is still very weak!”

“I don’t know how much his body can bear.”

“If it were someone else who had taken so many high-level elixirs, his body might not be able to bear it and he would explode and die!”

The third elder also sighed and said: “Hey, Sect Master, now all the high-end elixirs in our Jade Cauldron Sect are gone. I have sent people to collect medicines, and I have also gone to various major sects and families to purchase resource medicines!”

“However, it takes time to refine high-level elixirs. Mr. Chen can only wait slowly!”

After listening to the third elder's words, Liu Ruyan was silent for a moment, and then seemed to make a decision: "Third elder, go and open the Tibetan Medicine Pavilion and give Chen Ping the elixir inside..."
