

The Order 4441

Chapter: 4441

When the third elder heard this, he was immediately shocked and said: "Sect Master, there are rules for the elixirs in the Tibetan Medicine Pavilion. No one is allowed to touch them. They can only visit and learn. If we eat the elixirs in the Tibetan Medicine Pavilion, we will The Jade Cauldron Sect will have nothing to observe and study in the future."

"As a result, our Jade Cauldron Sect's alchemy skills will become worse and worse. In a few hundred years, we may be completely lonely and disappear in the long river of history."

It turns out that the elixirs in the Jade Cauldron Sect's Medicine Pavilion are for observation and study by the descendants of the Jade Cauldron Sect and are not allowed to be taken!

"I can't control that much anymore. I am the sect master now. I have the final say. I order you to get the elixirs from the Tibetan Medicine Pavilion immediately!"

Liu Ruyan looked solemn and said to the third elder in a commanding tone!

When the third elder saw this, he had no choice but to leave, and soon he fetched three black pills!

These are the most precious elixirs in the Tibetan Medicine Pavilion!

Liu Ruyan took the elixir without hesitation and was about to feed it to Chen Ping!

"Sect Master, as the saying goes, medicine is three-part poison. Although this is an elixir from our Jade Cauldron Sect, we don't know the properties of this elixir."

"If the medicinal properties of this elixir are too strong, I'm afraid Mr. Chen's weak body won't be able to bear it!"

The third elder quickly persuaded Liu Ruyan!

Liu Ruyan hesitated for a moment, then fed a pill into Chen Ping's mouth!

"I'll feed them one by one, it shouldn't be a big problem!"

After Liu Ruyan fed him a pill, he observed Chen Ping's changes!

Chen Ping closed his eyes tightly at this time and his body remained motionless!

But on Chen Ping's Dantian, a vortex was absorbing energy crazily!

All the high-end elixirs that the Jade Cauldron Sect gave Chen Ping were absorbed by this vortex!

As Liu Ruyan fed the pill, the whirlpool began to slowly grow larger, and the spiritual power in Chen Ping's dantian also recovered at a speed visible to the naked eye!

It's just that Chen Ping didn't wake up and nothing changed!

Seeing this, Liu Ruyan fed another pill!

After taking this pill, the vortex on Chen Ping's dantian gradually disappeared, and the demonic power in Chen Ping's body began to grow!

Seeing that there was still no response, Liu Ruyan gave Chen Ping the last pill to take!

This elixir made the power of the beasts in Chen Ping's body begin to grow!

All of a sudden, after taking three pills, the auras of the three races in Chen Ping's body began to grow!

Chapter: 4442

Finally, they merged into one, and the power of the three clans was stored in Chen Ping's dantian!

Even the power of the divine dragon within the Chen Ping Dragon Crystal was overflowing instantly!

This shows how powerful these three pills are!

The power of the three clans roamed within Chen Ping's body, and Chen Ping's body began to change. A faint light enveloped Chen Ping's whole body!

"Sect Master, Mr. Chen's body has changed!"

When the third elder saw this, he quickly said happily!

Liu Ruyan also noticed it, so she looked at Chen Ping with excitement, hoping that Chen Ping would wake up soon!

Chen Ping's body slowly floated into the air, and then endless breath surged out of his body!

These breaths turned into three rays of light, constantly rotating around Chen Ping!

One golden, one black, one blue, the three auras are like giant snakes swimming around, sometimes converging and sometimes scattering!

In the sky, a group of dark clouds slowly floated in, and the clouds became lower and lower!

Seemingly sensing something was wrong, the third elder and Liu Ruyan hurried out to check!

When they saw the dark clouds above their heads, they were all a little surprised!

"This... this should be Lei Jie Yun, Mr. Chen may be about to break through..."

The third elder suddenly shouted!

When they heard that Chen Ping was about to break through, everyone was surprised!

You know, Chen Ping is just a newly promoted Fusion Realm monk. Even if he breaks through, he is only at the second level Fusion Realm!

A breakthrough in a small realm can actually bring about thunder and calamity. Isn't this too outrageous?

You must know that many monks, even if they achieve a major realm breakthrough, may not be able to attract thunder and calamity clouds!

Although thunder tribulation has certain dangers, if you can attract thunder tribulation clouds when you break through, if your body suffers thunder tribulation!

After the breakthrough, the strength will definitely be unparalleled in the same realm!

Rumble.....

Suddenly, there was a rumbling sound, and then lightning began to condense in the thunder cloud!

“Retreat quickly, retreat quickly...”

Chapter: 4443

When the third elder saw this, he quickly shouted and told everyone to stay away from the house where Chen Ping was!

Just when everyone was far away, a lightning strike struck down instantly!

The house immediately became shattered, and Chen Ping's body was exposed in mid-air!

Three breaths of different colors wrapped around Chen Ping's body, and he was bombarded by lightning tribulations again and again!

I don't know how long it took, but in everyone's shocked eyes, the thunder cloud dissipated!

And Chen Ping slowly opened his eyes!

The moment Chen Ping opened his eyes, three breaths condensed together and entered Chen Ping's body!

At this moment, an extremely domineering and terrifying aura spread from Chen Ping's body to the surroundings!

The endless pressure made everyone in the Jade Cauldron Sect look at Chen Ping as if they were looking at a god?

Even the third elder couldn't help but kneel on the ground at this moment!

"Chen Ping, you finally woke up..."

When Liu Ruyan saw Chen Ping awake, she was extremely excited and jumped towards Chen Ping!

When Chen Ping saw Liu Ruyan, he quickly put away his breath and caught Liu Ruyan!

Liu Ruyan, on the other hand, hugged Chen Ping's neck tightly, her eyes filled with tears!

In the end, he kissed Chen Ping!

This time, Chen Ping was at a loss. He didn't expect Liu Ruyan to do such a bold thing in front of so many Jade Cauldron Sect disciples!

"Cough cough cough..."

"Everyone turn around and close their eyes..."

The third elder coughed twice in embarrassment, and quickly ordered all the Jade Cauldron Sect disciples to turn around, close their eyes and not watch!

Chen Ping fell from mid-air with Liu Ruyan in his arms, and quickly pushed Liu Ruyan away.

However, Liu Ruyan was not angry, but said happily: "Chen Ping, you have been in a coma for several days. Do you know how worried I am?"

"I've been in coma for several days?"

Chen Ping also didn't expect that a fierce battle would make him so weak that he was in coma for several days!

Chen Ping was so angry that he felt his power in his dantian, and then he was surprised to find that he had made a breakthrough!

Chapter: 4444

"I actually broke through?" Chen Ping looked shocked!

He himself knows that for him, every breakthrough in a small realm requires huge resources!

As his realm improves, Chen Ping will need more and more cultivation resources!

Chen Ping didn't understand, how could he break through while he was in coma?

Where do you get so many resources?

"Mr. Chen, while you were in coma, the sect master gave you all the high-end elixirs of our Jade Cauldron Sect."

"In the end, I even gave you three precious elixirs from the Tibetan Medicine Pavilion, and you woke up!"

The third elder quickly said to Chen Ping!

Three pills?

Chen Ping tried hard to recall that although he was in a coma, he could still feel the changes in his body!

The three powers in his body are all growing rapidly. Is it related to the three pills?

"Third Elder, what are the three pills in the Tibetan Medicine Pavilion?"

Chen Ping asked!

"I don't know either. These three elixirs have existed for a long time. It's just that our Jade Cauldron Sect has studied them countless times over the years, but we just haven't been able to study the medicinal properties of these three elixirs."

"Now our entire Jade Cauldron Sect can't produce any decent elixirs."

"After a while, I don't know how to participate in the pharmacists' meeting..."

The third elder said helplessly!

“Pharmacist Association?” Chen Ping was stunned: “What’s going on?”

“Third Elder, as long as Chen Ping can wake up, don’t say anything else.”

Liu Ruyan quickly stopped the third elder and stopped him from talking!

When the third elder heard this, he shut his mouth and stopped talking!

“Miss Liu, thank you for using all the resources of the Jade Cauldron Sect to save me. If anything happens to you, just tell me.”

“I am now considered a member of the Jade Cauldron Sect. Why are you hiding it from me?”

Chen Ping looked at Liu Ruyan and said!

Chapter: 4445

“I just don’t want you to worry. As for the pharmacist meeting, at worst, just don’t go to it!”

Liu Ruyan smiled slightly and said!

When the third elder heard this, he opened his mouth and wanted to say something, but he didn’t say it!

Chen Ping also saw that the third elder’s expression was wrong, but in front of Liu Ruyan, the third elder would definitely not dare to say it!

“I’ve been unconscious for so long, I want to go out and get some air!”

Chen Ping said!

“Mr. Chen, I will accompany you!” the third elder said quickly!

“Third Elder, don’t follow Chen Ping and talk nonsense, do you understand?”

Liu Ruyan warned!

The third elder nodded and followed Chen Ping out!

As soon as he walked out of the door, Chen Ping asked: “Third Elder, what happened to the pharmacist you just mentioned?”

The third elder looked at Liu Ruyan cautiously and found that Liu Ruyan did not follow him out, so he whispered: “Mr. Chen doesn’t know something. In Jialing County, which is more than two thousand kilometers away from our Jade Cauldron Sect, there is an annual event Pharmacists meet!”

“You also know that in our continent, pharmacists are a very respected profession with a high status. Although our Jade Cauldron Sect is the only sect around here that mainly focuses on refining medicine, in the entire southwest continent, medicine refining is There are no less than dozens of sects!”

“Every year, our sects will gather in Jialing County in the name of competition, and then compete with each other in their alchemy skills, and we will show off our best elixirs!”

“First, you can show off your alchemy skills, and second, you can reach cooperation during this period and exchange the elixirs for some resources!”

“And if you can win first place in the competition every year, the president of the Alchemy Association will be given a lot of resources.”

“Now that our Jade Cauldron Sect has exhausted all its high-end elixirs and has very few resources left, I’m afraid we won’t be able to participate in this elixir refining meeting.”

The third elder sighed softly!

After hearing this, Chen Ping said: "Third Elder, don't worry. I can attend this medicine refining meeting and I will never embarrass the Jade Cauldron Sect."

Chen Ping comforted the third elder. After all, the high-end elixirs of the Jade Cauldron Sect were eaten by Chen Ping, and Chen Ping should take care of them!

Seeing what Chen Ping said, the third elder laughed instantly. He knew Chen Ping's ability to refine medicine, especially the Shennong Cauldron on Chen Ping's body, which was a magic weapon for refining medicine!

Just as Chen Ping was chatting with the third elder, suddenly a Jade Cauldron Sect disciple hurried over!

"Stop, what are you doing in such a hurry?"

The third elder stopped the disciple and asked!

Chapter: 4446

"Third Elder, there is someone outside who wants to see the sect master. I will go and report it!"

The disciple said!

"Who is it? The one who made you so anxious."

The third elder asked displeasely!

"He said that he is the Demon Emperor of Demon Emperor City, and he came here to find Mr. Chen..."

The disciple said!

“Demon Emperor Yihe?” Chen Ping was stunned for a moment!

He didn’t understand why Demon Emperor Yihe came to Jade Cauldron Sect to find him?

Could it be that something happened in Demon Imperial City?

“Where is he?” Chen Ping asked hurriedly!

“It’s right at the door, and I don’t recognize it, so I hurriedly came to report to the sect leader!”

Because this disciple didn’t know Demon Emperor Yihe, he came here in a hurry!

After all, Demon Emperor Yihe’s reputation is well-known in this area!

If Demon Emperor Yihe really came to the Jade Cauldron Sect, then they wouldn’t dare to be too negligent!

When Chen Ping heard that someone was at the door, he hurriedly ran towards the door. Seeing this, the third elder followed closely behind!

When Chen Ping ran to the door, he saw Demon Emperor Yihe walking back and forth at the door of the Jade Cauldron Sect from a distance, seemingly in a hurry!

And standing next to Demon Emperor Yihe was Lang Feng!

You must know that Lang Feng is the leader of the demon wolves outside the Demon Imperial City. He usually does not summon and rarely enters the Demon Imperial City!

Now standing next to Demon Emperor Yihe was Lang Feng, which gave Chen Ping a bad feeling!

When Demon Emperor Yihe saw Chen Ping appear, he was immediately overjoyed and ran directly towards Chen Ping. However, just as he was about to enter, he was stopped by the guarding disciples at the door!

“Let him in...”

When Chen Ping saw this, he quickly shouted!

When the disciples guarding the door saw that Chen Ping had spoken, they all stepped aside. In the Jade Cauldron Sect, although Chen Ping did not have any position, the disciples of the Jade Cauldron Sect all respected Chen Ping and obeyed his words!

They knew that without Chen Ping, they might have died long ago, and the Jade Cauldron Sect would have been destroyed long ago!

Chapter: 4447

“Mr. Chen.....”

After Demon King Yihe saw Chen Ping, there were tears in his eyes!

“Yihe, did something happen?”

Chen Ping asked!

Demon Emperor Yihe looked around and hesitated to speak!

“It’s okay, just tell me if you have anything to do. The third elder is not an outsider either!”

Chen Ping said!

Demon Emperor Yihe nodded, and then told him about Huben colluding with Li Xing, poisoning him and Isa, and occupying the Demon Emperor City!

When Chen Ping heard this, his body was suddenly filled with murderous aura!

Especially when he heard that Isa was still in Huben's hands, Chen Ping was very worried!

"Two damn guys..."

Chen Ping gritted his teeth, his eyes full of cold light, and then said to Demon Emperor Yihe: "Let me show you first what kind of poison is so powerful!"

Demon Emperor Yihe nodded, and then followed Chen Ping towards the Jade Cauldron Sect!

"Demon Emperor, you have arrived at the place, I will go back, and I will inquire about the princess by the way!"

Lang Feng said to Demon Emperor Yihe!

"Okay, please pay more attention to safety..."

Demon King Yihe warned!

Lang Feng nodded, and after saying goodbye to Chen Ping, turned around and left!

And Chen Ping took Demon Emperor Yihe to his residence!

At this moment, Liu Ruyan also walked out of the hall. Seeing Chen Ping with a stranger, Liu Ruyan was stunned!

Demon Emperor Yihe looked at Liu Ruyan and felt very strange!

“Miss Liu, this is Demon Emperor Yihe of Demon Emperor City.”

“This is Liu Ruyan, the current leader of the Jade Cauldron Sect!”

Chen Ping introduced each other!

Chapter: 4448

“Demon Emperor Yihe, welcome to our Jade Cauldron Sect!”

Seeing this, Liu Ruyan hurried forward to greet him!

Demon Emperor Yihe also said hello to Liu Ruyan!

Chen Ping brought Demon Emperor Yihe into the room. Liu Ruyan was a little dumbfounded. She didn't understand why Demon Emperor Yihe suddenly came to their Jade Cauldron Sect!

And it seems that he is very familiar with Chen Ping!

The third elder followed Liu Ruyan and explained, and Liu Ruyan suddenly looked shocked!

She didn't expect that a rebellion would occur in a place like Demon Imperial City. She thought that only small sects like the Jade Cauldron Sect would have disciples rebel!

At this time, in the room, Chen Ping was checking the body of Demon Emperor Yihe!

Lines of spiritual power passed through Demon Emperor Yihe's body, but Chen Ping didn't notice anything unusual at all!

"It's strange. Since you were poisoned and the strength in your body was suppressed, why can't I notice it at all?"

Chen Ping frowned and said!

"This is a poison unique to Mingli King City. I have also heard that this poison is colorless and odorless, and it can suppress people's strength without knowing it!"

"And this poison also has a special characteristic, that is, after being poisoned, others cannot detect it. It requires a unique antidote from Mingli King City!"

Demon Emperor Yihe said to Chen Ping!

"There is such a powerful poison in Mingli King's City. I still don't believe it. I can't find it out..."

Chen Ping gently pressed on Demon Emperor Yihe's wrist and began to explore again!

Just when Chen Ping was investigating Demon Emperor Yihe, Chen Ping suddenly remembered Zhe Yan's voice in his mind!

"Mr. Chen, I know this kind of poison in Mingli King City. This poison is incomparable in the body. This poison corrodes the sea of consciousness. You can enter the opponent's sea of consciousness to check..."

Zhe Yan said to Chen Ping!

When Chen Ping heard this, he withdrew his spiritual power, and then his huge spiritual consciousness emitted, and then enveloped Demon Emperor Yihe!

Wisps of divine consciousness entered the sea of consciousness of Demon Emperor Yihe, and Chen Ping found out that the sea of consciousness of Demon Emperor Yihe had been eroded and destroyed!

Although Demon Emperor Yihe has a clear consciousness and no problem with his thinking logic, whether he is using his spiritual power or exploding the power of the beast clan, he still needs the guidance of his divine consciousness!

That is to say, only when one thought comes, can the mind and heart move...

“How do you know about the poison in Mingli King’s City?”

Chapter: 4449

Chen Ping asked very curiously!

“To be honest, Mr. Chen, many people in my demon clan were killed by King Li back then, and many of them were very powerful seniors, but they all fell into the hands of King Li’s poison!”

“Back then, King Li deceived us demon cultivators, provided us with a safe place to live, and helped us resist the pursuit of humans.”

“After knowing about it, many demon cultivators defected to King Li one after another, but they didn’t want to be poisoned by King Li in the end, and they were all brutally killed!”

When Zhe Yan talked about this, he was obviously very angry!

“Why is this guy doing this?” Chen Ping was very puzzled!

If King Li wanted to kill the demons, he would just chase the demon cultivators like other sects. Why did he deceive so many demon cultivators?

“This King Li just wants to learn the secret skills of our major demon clans. I don’t know if he has learned the secret skills of the demon clan when he killed so many demon cultivators back then!”

Zhe Yan explained!

After hearing this, Chen Ping couldn't help but feel even more shameless at what King Li had done!

Demon Emperor Yihe couldn't hear the conversation between Chen Ping and Zhe Yan in the sea of consciousness. Seeing that Chen Ping had been silent for a long time, Demon Emperor Yihe said: "Mr. Chen, if we really can't find out, then forget it. . . ."

"I have found out. This poison corrodes your sea of consciousness. However, because this poison is very targeted, it has no effect on your thinking and consciousness at all. Therefore, no one would think that this poison would only hurt you. Divine consciousness!"

Chen Ping said!

When Demon Emperor Yihe heard this, he suddenly felt happy and said, "Now that Mr. Chen has found out, can the poison be cured?"

Chen Ping frowned and shook his head: "I have never seen this kind of poison. I don't know how to detoxify it yet. I can only find some medicinal materials and do experiments little by little..."

Although Chen Ping found out, Chen Ping had no effective way to remove this poison.

In order to get rid of this poison, Chen Ping needs to do some experiments to see what kind of medicinal materials can be effective!

When Demon Emperor Yihe heard this, Chen Ping was unable to detoxify, and his expression instantly became a little lonely!

"You don't have to be discouraged. As long as you give me time, I will definitely be able to remove this poison."

Chen Ping looked at Demon Emperor Yihe, patted his shoulder and said!

Demon Emperor Yihe nodded: "I believe in the master's ability..."

"When you get here, you should have a good rest. I will go out and prepare some medicinal herbs first, and see if I can refine some elixirs for you to try!"

After Chen Ping finished speaking, he walked out of the room and asked Demon Emperor Yihe to rest in his room!

"Chen Ping, how's it going?" Liu Ruyan asked quickly when she saw Chen Ping coming out!

Chapter: 4450

"The poison in the Demon King is too special. I don't have an effective way yet."

"I'll write a list, and the Third Elder will prepare the medicinal herbs for me. I'll try to practice a few elixirs first!"

As Chen Ping said, he was going to write a list and ask the third elder to take the medicine according to the list!

But the third elder looked confused: "Mr. Chen, our Jade Cauldron Sect's resources have been exhausted. I'm afraid we won't be able to get the herbs you need."

The third elder's words instantly embarrassed Chen Ping. Chen Ping himself had forgotten that almost all the resources of the Jade Cauldron Sect had been consumed by him!

"Third Elder, you must find whatever Chen Ping needs no matter how high the cost."

Liu Ruyan said to the third elder!

“Sect Master, you also know that no matter how many spiritual coins you have, some medicinal materials cannot be purchased.”

The third elder said helplessly!

“you.....”

Liu Ruyan still wanted to force the third elder, but Chen Ping said: “Ruyan, stop forcing the third elder. The herbs I need cannot be bought with any amount of spirit coins.”

Liu Ruyan was stunned for a moment, and then looked at Chen Ping in disbelief, with deep admiration in his eyes!

Chen Ping looked a little uncomfortable when he saw the way Liu Ruyan looked at him!

“What’s wrong? Did I do something wrong?” Chen Ping asked when he saw Liu Ruyan looking straight at him!

“Chen Ping, what did you call me just now?”

Liu Ruyan asked excitedly!

Chen Ping was stunned for a moment, and then remembered that he had called Liu Ruyan’s name just now.

They didn’t call Miss Liu, so Chen Ping and Liu Ruyan seemed much closer!

“I...I just shouted casually, if you don’t like it, I can...”

“I like it, I like it very much!” Liu Ruyan shouted excitedly: “You will call me by my name from now on, so that the two of us will appear closer!”

“If you need any herbs, just tell me, and I will buy them for you even if I lose everything!”

“This...” Chen Ping was speechless for a moment!

“Sect Master, if Mr. Chen is not in a hurry, we can wait until the pharmacist meeting to purchase some medicinal herbs!”

“By then, Jialing County will have all kinds of medicinal herbs, and the prices will be reasonable!”
