

## **The Order 4481**

Chapter: 4481

Shi Tieqiao and the others stopped escaping, and Ning Caichen and his men quickly caught up!

“Elder Shi, you people from the Feitian Sect have no other abilities, but you can escape very quickly!”

Ning Caichen said dissatisfied!

“Master Ning, what are you talking about? We can handle this bloodthirsty thunder eagle at the eighth level of the Fusion Realm. If the Thunder Eagle King appears, won’t we all become the prey of these monsters?”

Shi Tieqiao was very dissatisfied with Ning Caichen’s words!

“Who told you that the Thunder Eagle King is in the cave?”

“The Thunder Eagle King is currently in Jialing County. I also got the news and came to the Eagle King Cave.”

“If the Thunder Eagle King were here, I wouldn’t dare to come!”

Ning Caichen said!

When Shi Tieqiao heard this, he immediately became dissatisfied and said: “Then why didn’t you say that the Thunder Eagle King was not there at the beginning? Did you want to enter the Eagle King’s Cave first and swallow the Sky Thunder Fruit for yourself?”

At that time, Shi Tieqiao was afraid that the Thunder Eagle King would be there, so he asked Ning Caichen to lead people into the Eagle King Cave first!

If he had known that the Thunder Eagle King was not here, he would have brought people in first. After all, the person who enters the Eagle King's Cave first is definitely the most advantageous!

Ning Caichen was a little embarrassed. After all, Shi Tieqiao was right. Ning Caichen was determined to swallow all the Sky Thunder Fruit!

"Elder Shi, now is not the time for us to argue about this. We must first join forces to deal with this bloodthirsty thunder eagle at the eighth level of the Fusion Realm. As long as we kill this bloodthirsty thunder eagle, the rest will not be a concern."

Ning Caichen said to Shitieqiao!

"Master Ning, among these people, you are the only one whose strength has reached the eighth level of the Fusion Realm. You can deal with that bloodthirsty thunder eagle!"

"Among us, the highest one is only at the seventh level of the Fusion Realm. When the time comes, kill this bloodthirsty thunder eagle and get the Sky Thunder Fruit. Will you share it with us?"

Shi Tieqiao asked with confusion on his face!

"Of course, who do you think I, Ning Caichen, am? Besides, the Thunder Tree was full of Sky Thunder Fruits that day. There were hundreds of them. Even if each of you shares one among you, so what?"

Ning Caichen patted his chest and said!

Ning Caichen knew that Shi Tieqiao and the others did not enter the Eagle King Cave, so he did not know how many Sky Thunder Fruits were picked up on the Sky Thunder Tree!

That's why I said this, letting people like Shi Tieqiao know that there are many Heavenly Thunder Fruits, and they would be relieved!

Sure enough, when Shi Tieqiao heard that there were so many thunder fruits, he instantly felt relieved and said: "Okay, let's work together to kill all these monsters, and then go in to pick the thunder fruits..."

As the two sides reached cooperation, the two parties merged into one and charged towards the monsters!

Chapter: 4482

Ning Caichen fought with the bloodthirsty thunder eagle at the eighth level of the Fusion Realm!

"Mr. Chen, what should we do?"

The Three Phantom Thieves looked at Chen Ping and asked!

"Find a way to get close to the cave entrance and really kill all these monsters. Then the Ning family will never take out the Sky Thunder Fruit and divide it."

Chen Ping said!

Chen Ping wanted to take advantage of the chaos to sneak close to the cave entrance, enter the Eagle King Cave and pick off the Sky Thunder Fruit!

Just now, when Ning Caichen told Shi Tieqiao that there were hundreds of Sky Thunder Fruits, Chen Ping knew what this guy was thinking, and he definitely refused to take out the Sky Thunder Fruits and share them!

After all, there are only ten Thunder Fruits, and it is impossible to distribute them among so many people!

Chen Ping held the dragon-slaying sword and led the three monster thieves while charging towards the cave entrance!

No one paid attention to the movements of Chen Ping and the others!

In the entire mountain forest, fighting broke out again, but it was obvious that the human monks had the upper hand!

Ning Caichen fought against the bloodthirsty Thunder Eagle who was at the eighth level of the Fusion Realm. Although it was a bit difficult, he would not be defeated immediately!

When all the other monsters are killed, it will be much easier for them to deal with this bloodthirsty thunder eagle together!

Chen Ping kept slashing, and several monsters died under his sword!

After Chen Ping and the Three Phantom Thieves approached the cave entrance, they immediately rushed in!

Several people who had gone in once quickly approached the Sky Thunder Tree!

But just after Chen Ping led the three monster thieves into the cave, he discovered that two figures were also in the cave!

Chen Ping hid himself and looked closely, and found that it was the stone iron bridge and the old woman!

These two people actually took advantage of the chaos and sneaked into the Eagle King's Cave!

It seems that Shitieqiao did not trust Ning Caichen, so he took advantage of the chaos and entered the cave!

"Damn it, this Ning Caichen really lied to me. There are only ten Sky Thunder Fruits on the Sky Thunder Tree!"

Shi Tieqiao looked at the Sky Thunder Fruit on the Sky Thunder Tree and couldn't help but frowned!

"Lao Shi, let's take advantage of the chaos outside to pick off the Sky Thunder Fruit and sneak away!"

"If the sect master knew that we stole the Sky Thunder Fruit, he would definitely not pursue us for losing the pterosaur."

Chapter: 4483

The old woman said to the stone iron bridge!

"Okay, I'll take off the Sky Thunder Fruit right now..."

Shi Tieqiao nodded, and then jumped up!

Rumble.....

But just when Shi Tieqiao's body was about to touch the Sky Thunder Fruit, suddenly a lightning strike from the Sky Thunder Tree hit Shi Tieqiao's body!

Shi Tieqiao's body was shot down instantly and hit the ground heavily!

"Old stone....."

The old woman hurried over to check!

At this time, Shi Tieqiao's face was livid, and there were blood stains on the corners of his mouth. It seemed that the lightning strike just now was indeed not light!

"Cough cough cough....."

Shi Tieqiao stood up, coughed violently, and said with surprise in his eyes: "Did the Thunder Tree have a formation on this day? How come there is still thunder and lightning?"

"The Sky Thunder Tree was formed because it was struck by lightning and absorbed the power of lightning. Therefore, the Sky Thunder Tree itself carries the power of thunder and lightning, so there is no way to use the formation!"

At this time, Chen Ping came out with the Three Phantom Thieves!

"Is it your boy?" Shi Tieqiao was filled with anger when he saw Chen Ping and the Three Phantom Thieves!

Chen Ping saw that Shi Tieqiao was injured, and even with the old woman, he was no match for him, so he sneered and said: "Yes, it's me..."

"I didn't expect you to take advantage of the chaos and sneak in. What would happen if the Ning family knew that you wanted to take the Sky Thunder Fruit for yourself?"

Chen Ping knew that Ning Caichen would be furious if he knew that Shi Tieqiao had lied to him. With Shi Tieqiao's ability, Ning Caichen would probably be slapped to death!

"Hmph, didn't you sneak in too?"

"Besides, Ning Caichen didn't plan to share it equally with us at first. He was also lying to me. There are not even a hundred Thunder Fruits here. There are only ten. When the time comes, he won't kill the bloodthirsty Thunder Eagle." Give it to us."

"I advise you not to mind your own business and get out of here right away. I won't care about you letting our three pterosaurs go. If you don't leave, don't blame me for being rude!"

Shi Tieqiao threatened Chen Ping!

“Just you?” Chen Ping smiled coldly: “When you are not injured, you are no match for me. Now that you are injured, do you still want to attack me?”

“And even if I leave, you won’t be able to pick the Thunder Fruit that day. The Thunder Tree is protected by the power of thunder and lightning. Weren’t you just struck down by the power of thunder and lightning?”

“Don’t worry. If you don’t leave, the two of us will definitely kill you if we join forces.”

Chapter: 4484

At this time, the old woman spoke!

Although Shi Tieqiao was injured, after all, she was at the fifth level of the Fusion Realm. In addition, she was also at the fifth level of the Fusion Realm. She couldn’t believe that she couldn’t deal with Chen Ping, a small second level of the Fusion Realm!

As for the three monster thieves, they don’t have any abilities, they just have some sneaky skills!

So Shi Tieqiao and the old woman didn’t take the Three Phantom Thieves seriously at all!

“Even if you two join forces and don’t use three moves, I can make you kneel down and beg for mercy!”

Chen Ping said with confidence!

“Boy, are you determined not to leave? Do you want to fight against my Feitian Sect to the end?”

Shi Tieqiao frowned and glared at Chen Ping!

“I don’t want to go against your Feitian Sect. I just want to get the Sky Thunder Fruit. If you leave now, I can spare the lives of you two!”

Chen Ping said calmly!

“Boy, you are so crazy...”

The old woman was completely angered and said to Shi Tieqiao: “Old Shi, stop talking nonsense to him and just kill him...”

After saying that, the old woman jumped up, and at some point, there was a long sword in her hand!

The sword light exploded and stabbed towards Chen Ping quickly!

Chen Ping watched the old woman coming with a sword, her face surprisingly calm.

“You are too young to compete with me in sword competition...”

Chen Ping said, he waved his right hand lightly, and the Dragon-Slaying Sword instantly appeared in his hand!

Immediately afterwards, a divine dragon’s power was injected into the Dragon Slaying Sword, and a dragon roar roared out, accompanied by a flash of golden light!

Only a click was heard!

The old woman’s expression changed drastically, and she hurriedly retreated. After retreating for more than ten meters, she stopped!

When she looked at the sword in her hand, she found that the sword had broken long ago, leaving only the hilt in her hand!

At this moment, there was a long blood mark on her chest, and blood was flowing out!

The old woman's face looked as ugly as if she had eaten a dead rat!

She knew that Chen Ping had held back just now. If he had not held back, that sword would have killed her!

Chapter: 4485

At this moment, Shi Tieqiao looked at this scene and was extremely shocked. You must know that the old woman in front of him is also a sword master in their Feitian Sect!

His swordsmanship is absolutely among the best, but he didn't want to be able to sustain even one move in front of Chen Ping.

They simply didn't know that Chen Ping's attainments in using swords had already reached the pinnacle!

If the Dragon-Slaying Sword in Chen Ping's hand was not damaged, Zhongli, the sword spirit and the Dragon-Slaying Sword, could have forced the old woman back without Chen Ping using the sword!

You must know that the strength of the sword spirit Zhongli increases with the improvement of the Dragon-Slaying Sword. Now that Chen Ping's strength continues to increase, the Dragon-Slaying Sword is also constantly increasing in power under the nourishment of the power of the dragon!

Sword Spirit Zhongli is injured and cannot escape from the Dragon-Slaying Sword. He needs to go to the Weapon Refining Sect and forge the Dragon-Slaying Sword again in the Sword Washing Pond to restore the Sword Spirit Zhongli!

By that time, once the sword spirit Zhongli breaks away from the Dragon-Slaying Sword, his strength will definitely increase by leaps and bounds...

"Get out now, I don't have to kill you..."

Chen Ping looked at Shi Tieqiao and the old woman coldly and said!

In fact, Chen Ping doesn't want to form a life-and-death feud with Feitian Sect. After all, he now has many enemies in the heaven and human world, so he can't put any more pressure on himself!

If Chen Ping wanted to kill Shi Tieqiao, Shi Tieqiao would have been dead when he first attacked, and this old woman, Chen Ping was completely capable of killing her with one sword just now!

"Boy, although I don't know your identity, your strength at the second level of the Fusion Realm can easily defeat our monks at the fifth level of the Fusion Realm. This shows that the skills you learned are definitely extraordinary."

"It seems like your family background must be unusual, so I won't ask about your identity. There are ten Sky Thunder Fruits on the Sky Thunder Tree. How about you and I share them equally?"

"The Sky Thunder Tree is protected by lightning, so you will definitely not be able to get the Sky Thunder Fruit yourself. If we work together, we may be able to get the Sky Thunder Fruit by then!"

"As long as you agree, our previous grievances will be wiped out, and our Feitian Sect will also owe you a favor. When the time comes, as long as our Feitian Sect is used, we will absolutely be obliged to do so!"

Shi Tieqiao knew that Chen Ping could not be defeated by force, so he could only sue for peace!

In this way, even if they get back a few Thunder Fruits, they can offset their fault for losing the pterosaur!

"Mr. Chen, the people in the Feitian Sect are all big liars and do not keep their word. Don't believe them easily!"

Dajie whispered in Chen Ping's ear!

Of course Chen Ping knew that Shi Tieqiao was a liar, otherwise he wouldn't have deceived Ning Caichen and sneaked in!

However, Chen Ping didn't care that Shi Tieqiao was a liar. He wanted to use his plan to let Shi Tieqiao and others hold Ning Caichen back!

Chen Ping knew that his biggest enemies now were the people of the Ning family. Although there were ten Sky Thunder Fruits on the Sky Thunder Tree, the Sky Thunder Tree was protected by lightning. If Chen Ping wanted to go up to pick them, he would definitely be hit by the power of lightning. of!

It's just that Chen Ping's body is different from ordinary people. Every time he breaks through, he suffers from thunder and lightning, which makes Chen Ping's body extremely strong. There should be no problem in resisting the power of thunder and lightning on the thunder tree!

But it would take time to pick these ten Thunder Fruits in one go, but it was impossible for the Ning family to give him this time!

Chapter: 4486

After Ning Caichen kills the bloodthirsty thunder eagle at the eighth level of the Fusion Realm, he will definitely enter the cave. When he sees Chen Ping picking the Sky Thunder Fruit, he will definitely take action!

Although Chen Ping has now broken through to the second level of the Fusion Realm, he is not sure how to deal with Ning Caichen, the eighth level of the Fusion Realm. In addition, he has to resist the thunder and lightning power of the Sky Thunder Tree. It is impossible for Chen Ping to complete it. !

"Okay, I promise you, I can share the Thunder Fruit with you equally this day, but you also need to do one thing!"

Chen Ping said!

"What to do?" Shi Tieqiao asked!

"Go outside the cave and find a way to hold back the Ning family members for the time being. Don't let them enter the cave!"

"The longer you wait, the more Sky Thunder Fruits I can pick!"

Chen Ping said!

“What? Are you going to pick the Sky Thunder Fruit yourself? Are you kidding me? Aren’t you afraid of the power of thunder and lightning?”

When the old woman saw that Chen Ping wanted them to go out and hold back the Ning family, while Chen Ping picked the Sky Thunder Fruit himself, she said in disbelief!

Chen Ping ignored it, but glanced at the Sky Thunder Tree, suddenly jumped up, and headed towards a Sky Thunder Fruit!

While in mid-air, Chen Ping’s indestructible golden body was activated, and golden scales covered Chen Ping’s body!

Seeing Chen Ping suddenly turn into a man in golden armor, Shi Tieqiao and the old woman were all shocked!

Even the three heroes of the Phantom Thieves had their mouths wide open and their faces full of disbelief!

They haven’t seen Chen Ping activate the Indestructible Golden Body yet!

I saw Chen Ping, who was wearing golden armor, grabbing a Heavenly Thunder Fruit. Just when Chen Ping was about to catch the Heavenly Thunder Fruit, there was a sudden deafening thunder!

Immediately afterwards, a thick bolt of lightning emitted from the Sky Thunder Tree and struck Chen Ping hard!

Chen Ping’s indestructible golden body burst out with golden light, resisting the thunder and lightning attack!

Rumble.....

Thunder and lightning struck Chen Ping, causing Chen Ping's body to stagnate and fall downwards involuntarily!

The area where the body was hit was scorched black, and many of the scales of the indestructible golden body disappeared!

"Huh, why are you bragging? I was struck down by lightning just like that!"

When the old woman saw Chen Ping also falling down, she couldn't help but snorted!

When Shi Tieqiao saw this, his face was full of disappointment. He thought Chen Ping could really withstand the power of thunder and lightning and pick the Sky Thunder Fruit!

Chapter: 4487

When the three heroes of the Phantom Thieves saw Chen Ping being hit by lightning and falling down, their hearts suddenly rose to their throats. If Chen Ping had any shortcomings, the three of them would not survive. After all, their souls were still in Chen Ping's hands. Here!

But at this moment, Chen Ping, who had been falling, suddenly stopped, and then jumped up again!

Just when a bolt of lightning was about to strike again, Chen Ping grabbed a Sky Thunder Fruit, twisted it hard, and instantly picked off the Sky Thunder Fruit!

Chen Ping was overjoyed and his body fell rapidly, but the thunder and lightning had already reached above Chen Ping's head!

Chen Ping knew that this thunder and lightning was extremely fast, and he had no way to dodge it, so he could only resist it!

As a result, his anger sank into his dantian, and the power of the three clans instantly emitted, forming a layer of faint light around him, like a shield!

Rumble.....

Chen Ping's body was hit again, the shield was defeated, and the power of thunder and lightning hit Chen Ping!

Chen Ping's falling speed accelerated instantly, and then he hit the ground hard!

The hard ground was smashed into a deep pit by Chen Ping!

"Mr. Chen....."

The three monster thieves panicked and rushed over to look into the pit!

Shi Tieqiao and the old woman were also surprised and hurriedly came over to see how Chen Ping was doing!

A person is hit by two lightning bolts one after another. This is simply fatal!

Just when they all looked towards the pit, they found that Chen Ping actually stood up from the pit, his whole body intact, and he was admiring the Sky Thunder Fruit in his hand!

The few people who saw this scene were all stunned, with incredible expressions on their faces!

Even if Chen Ping was not killed by the two lightning bolts, he was not even injured. This is too damn outrageous!

"Is this...is this still a human being?"

Shi Tieqiao said with a shocked look!

“It’s too powerful. His physical body is too powerful. Even if he is in the Tribulation Realm, he may not be so powerful, right?”

The old woman also said in shock!

But at this time, Chen Ping didn’t notice the expressions of several people in the pit. He was looking carefully at the Sky Thunder Fruit in his hand!

I saw that the Sky Thunder Fruit was emitting a faint light, and inside the Sky Thunder Fruit, I could clearly see not only thunder and lightning flashing!

Even holding it in his hand, Chen Ping could feel the powerful thunder and lightning breath emanating from the Sky Thunder Fruit!

Chapter: 4488

Suddenly, the information about Thunder Palm flashed across Chen Ping’s mind!

It was as if Tian Lei Guo had some kind of connection with the Thunder Palm he was practicing with him!

“Could eating this Thunder Fruit make the Thunder Palm more powerful?”

Chen Ping couldn’t help but think to himself!

“Mr. Chen, are you okay?”

At this time, Dajie shouted!

When he saw Chen Ping motionless, he was afraid that something might happen to Chen Ping!

“It’s okay!” Chen Ping put away the Sky Thunder Fruit, and then jumped out of the deep pit!

Shi Tieqiao and the old woman looked at Chen Ping with very complicated expressions on their faces!

“How about it, now do you believe that I can pick off this Thunder Fruit by myself?”

“You just need to go out and find a way to hold off the Ning family members. I will try my best to pick it, but you have also seen the price of picking a Sky Thunder Fruit, so I can’t share it equally with you!”

“Thirty-seven at most, I’ll take seven and give you three...”

Chen Ping said to Shi Tieqiao and the old woman!

In fact, Chen Ping didn’t intend to give any to them. The reason why he said this was just to make Shi Tieqiao believe his words even more!

Moreover, Chen Ping also knew that he could not pick off these ten thunder fruits, even if he had an indestructible golden body, even if his physical body was extremely powerful!

But if he picked ten Sky Thunder Fruits, the power of thunder and lightning would probably turn him into ashes!

Shi Tieqiao looked at Chen Ping, then glanced at the old woman, then nodded and said: “Okay, let’s take three, but you have to speed up, we’re afraid we won’t be able to delay Ning Caichen for long. !”

Shi Tieqiao knew that they could only rely on lies to hold back Ning Caichen. With their strength, they couldn’t even withstand Ning Caichen’s slap!

But lies can’t deceive for long, so he wants Chen Ping to hurry up!

“Do not worry.....”

Chen Ping nodded!

Seeing this, Shi Tieqiao took the old woman out of the cave!

“Mr. Chen, do you really believe in this stone iron bridge? If you are seriously injured trying to pick the Sky Thunder Fruit, the stone iron bridge will never let you go.”

Dajie persuaded Chen Ping!

Chapter: 4489

Chen Ping raised the corners of his mouth and said, “How could I possibly believe him? I wouldn’t give him the Sky Thunder Fruit either.”

“The three of you will immediately look for other exits in the cave. As the saying goes, there will be only one exit in the Thunder Eagle King’s cave!”

“As long as I find other exits, I will escape through other exits after picking off the Sky Thunder Fruit!”

Upon hearing this, the three monster thieves realized that Chen Pingyuan had already made plans, so they nodded and started looking for other exits!

Chen Ping took a deep breath and jumped towards the Sky Thunder Tree again!

At this moment, outside the Eagle King Cave, the fighting is still going on!

In order to prevent these monks from entering the Eagle King’s Cave, those monster beasts all attacked desperately!

Ning Caichen and the huge bloodthirsty thunder eagle were also fighting fiercely, and it was difficult to tell the winner for a while!

Shi Tieqiao and the old woman walked out of the cave. No one paid attention to them, so they also joined the battle group!

However, this time Shi Tieqiao and the old woman began to spread the news quietly!

Tell him that the monks brought from the airship should not use all their strength and conserve their strength to prevent the Ning family from monopolizing the Sky Thunder Fruit!

These people were originally brought by Shi Tieqiao, so after hearing what Shi Tieqiao said, they started to let go, no longer contributing, and each of them conserved their strength!

This time, only the Ning family members were left struggling to fight with those monsters!

Ning Caichen saw that he could not attack for a long time and could not kill the huge bloodthirsty thunder eagle in a short time, so he could only shout: "Elder Shi, quickly bring two people to help me. Let's kill this eight-level combined beast first." Pin's bloodthirsty thunder eagle killed..."

"Master Ning, just hold on, we can't get away..."

Shi Tieqiao shouted!

Ning Caichen, after forcing the huge bloodthirsty thunder eagle away with one palm, looked towards Shi Tieqiao and the others!

When he saw this, he was immediately furious. He saw that Shi Tieqiao and the monks were fishing in troubled waters, and no one was helping at all!

Even a seventh-level Fusion Realm cultivator, when facing a monster with a very low level, actually performed every move. It was obvious that he was acting!

Look at the people from the Ning family, all of them are fighting with wounds all over their bodies. Of the dozen or so people they brought, only five or six are left!

This almost made Ning Caichen angry to death, so he jumped from mid-air to the stone iron bridge!

“Shi, what the hell are you doing? There are so many of you, but none of you are doing anything?”

Ning Caichen asked Shi Tieqiao angrily!

“Master Ning, who said we can’t contribute any more? Most of these monsters were killed by us.”

Chapter: 4490

Shi Tieqiao didn’t admit it at all!

“Now that all these monster beasts are almost killed, let’s work together to kill this bloodthirsty thunder eagle that is at the eighth level of the Fusion Realm. Then we will go into the cave and divide the thunder fruit of that day...”

Ning Caichen said!

When Shi Tieqiao heard this, he snorted in his heart. He had known for a long time that there were no hundreds of Sky Thunder Fruits in the cave. Even if he killed the most powerful bloodthirsty Thunder Eagle, Ning Caichen would not be able to follow him. Divide the Heavenly Thunder Fruit!

It’s just that Shi Tieqiao can’t follow Ning Caichen into a stalemate yet. He needs to stabilize Ning Caichen first and prevent him from entering the hole, so as to buy Chen Ping time!

“Master Ning, it’s not that I don’t bring people with you to kill the bloodthirsty thunder eagle. It’s just that the bloodthirsty thunder eagle is too strong. Apart from you, which one of us is the opponent of the bloodthirsty thunder eagle?”

“Besides, we are almost exhausted now. Even if we help, we can’t help much.”

“I think it’s better for us to rest for now. Once we’ve rested, we can attack together and kill the bloodthirsty Thunder Eagle!”

Shi Tiegiao pretended to be weak and said!

Ning Caichen looked at Shi Tie Qiao, not to mention angry, but even if he was angry, now was not the time to fall out with Shi Tie Qiao!

The huge bloodthirsty thunder eagle has not been killed yet. If Ning Caichen attacks Shitiegiao, they may all die under the claws of this bloodthirsty thunder eagle!

“Okay, let’s take a break for now...”

Ning Caichen nodded helplessly!

And that huge bloodthirsty thunder eagle is also standing on a huge tree and resting at the moment!

As long as people like Ning Caichen don’t enter the cave, this bloodthirsty Thunder Eagle won’t be able to take the initiative. Its mission is to protect the Sky Thunder Fruit!

If the Sky Thunder Fruit is fine, it won’t have to worry about anything. When the Thunder Eagle King comes back, it will be easy to handle!

For a moment, the shouts of killing disappeared, and all the monks and monsters all rested in tacit agreement!

Shi Tiegiao was extremely anxious at the moment, praying in his heart that Chen Ping would quickly pick off the Sky Thunder Fruit!

He wanted to create chaos after Chen Ping picked off the Sky Thunder Fruit, and fight with those monsters, so that Chen Ping could come out of the Eagle King Cave safely without being noticed by others!

At this time, Chen Ping, who was in the cave, had long since lost all his indestructible golden body, and his body was completely blackened by lightning. But even so, Chen Ping's body was not injured!

"I just got two Sky Thunder Fruits, and now it's like this. I probably have to pick one at most. I'm afraid my body won't be able to bear it."

Chen Ping could feel that the internal organs of his body were tumbling and galloping under the lightning strikes!

"Mr. Chen, we found another exit..."

At this time, the Three Phantom Thieves ran over happily!
