

## **The Order 4501**

Chapter: 4501

“Why are these guys making elixirs here?”

Chen Ping was a little surprised and didn't understand how these people could make alchemy in this remote place!

Just when Chen Ping wanted to use his sense of smell to smell some elixir refined in the furnace, the lean old man suddenly looked here with a cold look!

Chen Ping was shocked. He had already hidden his aura, but he didn't want to be noticed by the other party!

Chen Ping turned around to leave, but heard the lean old man say: “Who is it? Now that you are here, don't be sneaky...”

When Chen Ping heard this, he got up and walked out!

When he saw Chen Ping, the man asking for help was obviously stunned for a moment!

“Boy, what are you doing sneakily?”

The lean old man looked at Chen Ping and asked with a cold expression!

“I'm taking a walk. This isn't your home. Can't I come?”

Chen Ping said with a relaxed look!

After hearing this, the lean old man frowned and said, "This is my place now. Get out of here right now, otherwise don't blame me for being rude."

The lean old man burst out with killing intent, shrouding Chen Ping, as if he wanted to scare Chen Ping away!

But who would have thought that Chen Ping was not afraid at all, and said with a faint smile: "You said it belongs to your family, so it belongs to you? Can you take out the land deed and take a look?"

"Good boy, are you looking for death?"

The lean old man suddenly became furious, and the aura on his body rose!

At this moment, when the man on the side saw this, he jumped up and ran straight towards Chen Ping!

"Boy, suffer death..."

As soon as the man took action, a series of fist shadows immediately enveloped Chen Ping!

Chen Ping was confused for a moment and didn't understand why this man suddenly attacked him!

This man obviously had a bit of helplessness and pleading in his eyes, so he came over to see the situation, but this guy actually attacked him so cruelly!

Seeing the man take action, the lean old man put away his breath and looked at it with a sneer on his face!

Although Chen Ping didn't know what this man meant, the opponent was attacking him with all his strength, and Chen Ping couldn't stand and take a beating!

Just when the man's fist came to his eyes, Chen Ping slapped it out with one palm!

Chapter: 4502

The man in front of him was only at the fourth level of the Fusion Realm. He was no threat to Chen Ping at all!

Chen Ping can knock back the opponent with just one move!

But as soon as Chen Ping made his move, he was stunned for a moment, because he discovered that the man's seemingly fierce punch actually didn't have much power. It could be described as weak!

Chen Ping understood immediately that it seemed that the man did not really want to attack him, so Chen Ping quickly withdrew his strength and moved back!

The man was now approaching Chen Ping, his fists were like a swimming dragon, constantly pushing Chen Ping back!

It's just that every punch of the man has no power, and Chen Ping is also acting with the man, as if he was beaten very embarrassed and can only dodge!

If Chen Ping hadn't reacted just now and smacked him away without withdrawing his force, the man would have flown out long ago!

"Go away quickly, don't stay here waiting to die, these people are demon cultivators, you can't mess with them."

While attacking Chen Ping, the man whispered to Chen Ping!

"Demon cultivator?" Chen Ping was stunned. No wonder he felt that there was something wrong with the aura of these people, but he did not detect the aura of the demon clan!

"What's going on?" Chen Ping asked in confusion!

"Don't ask, I can't explain you in one or two sentences. Just run away for your life."

“You are only at the second level of the Fusion Realm, but you dare to follow me. I believe you are going to Jialing County. When the time comes, you can tell the princess of Jialing County that these demonic cultivators also plan to go to Jialing County.”

“They plan to steal the elixirs from the Medicine Master Guild, you must tell them!”

The man said solemnly!

When Chen Ping saw this, he understood why the man suddenly attacked him. It turned out that he was only at the second level of the Fusion Realm and was no match for the lean old man. He was afraid that he would create a poisonous hand, so he took the lead!

“Even though I’m at the second level of the Fusion Realm, it’s easy to deal with that old guy...”

Chen Ping smiled lightly, and then grabbed the man’s wrist!

Before the man could react, he was instantly subdued by Chen Ping.

The man looked shocked. You must know that he is at the fourth level of the Fusion Realm. If he wants to deal with Chen Ping, the second level of the Fusion Realm, he is easy to catch, but he doesn’t want to be restrained by Chen Ping. There is no room for resistance!

“you you.....”

The man looked at Chen Ping in disbelief, not knowing what to say!

At this moment, Chen Ping released the man and said, “Take me there...”

The man hesitated for a moment, and finally led Chen Ping towards the lean old man!

Chapter: 4503

When the lean old man saw Chen Ping and the man walking towards him, his expression suddenly changed and he said, "Suo Xingyue, what are you doing? Why don't you kill him for me?"

The man didn't speak, the expression on his face was extremely complicated!

Chen Ping looked at the lean old man and said: "You, a demon cultivator, don't find a place to hide, but you still dare to show up openly?"

As soon as the lean old man heard Chen Ping reveal his identity, he immediately understood that Suo Xingyue had betrayed him, so he stopped hiding it. Black aura emanated from his body, which was obviously some kind of magic skill he had practiced.

"Suo Xingyue, you dare to reveal my identity, do you know the consequences?"

The lean old man asked!

Suo Xingyue gritted her teeth, raised her head suddenly and said, "I know the consequences, but even if I die, I will not help the evildoers. I helped you hide the devilish energy in your body along the way, but how many people have you killed?"

"The worst case scenario is death. I won't refine elixirs for you to hide the evil spirit. I'll kill you or chop you into pieces!"

Suo Xingyue also risked her life and yelled at the lean old man!

"Okay, since you are not afraid of death, then I will help you. Do you think that a mere monk at the second level of the Fusion Realm can save you?"

The lean old man said, and with a move of his fingers, black aura emerged from Suo Xingyue's body. Suo Xingyue screamed and fell to the ground, twitching continuously!

"Little brother, kill me quickly, kill me, don't let me be tortured."

Suo Xingyue looked at Chen Ping and said!

Chen Ping frowned slightly, then stepped forward and grabbed Suo Xingyue's wrist!

A burst of spiritual power penetrated Suo Xingyue's body, and Chen Ping discovered that Suo Xingyue's body had been filled with demonic energy. At this moment, the demonic energy was rushing through Suo Xingyue's body, making Suo Xingyue extremely painful!

"Don't worry, you won't die as long as I'm here..."

After Chen Ping finished speaking, he stretched out his hand and tapped Suo Xingyue's body a few times. Then, above Suo Xingyue's head, a swirling black mist continued to emerge!

But Chen Ping suddenly exerted some force, and all the black mist was sucked into Chen Ping's body!

In just a moment, all the demonic energy in Suo Xingyue's body disappeared and was sucked into his body by Chen Ping!

Suo Xingyue was stunned when she saw this scene!

"Little brother, you...what are you doing? You are contaminated with demonic energy, and your life will be worse than death."

Suo Xingyue didn't understand how Chen Ping sucked that demonic energy into his body!

"Don't worry, I'll be fine."

Chen Ping smiled lightly, and then looked at the lean old man!

Chapter: 4504

The lean old man looked at Chen Ping with surprise on his face: “Who are you? How dare you inhale my demonic energy into your body?”

“You don’t have to worry about who I am. It’s too late for you to leave now. I have to attend the Medicine Council, so I don’t want you to cause damage.”

“Besides, I don’t care whether you are a demon, an orc, or a human. As long as you don’t provoke me, I don’t care about you.”

Chen Ping waved his hand towards the lean old man and said!

The lean old man was dumbfounded. He looked Chen Ping up and down. He couldn’t believe that Chen Ping, a monk at the second level of the Fusion Realm, dared to speak to him in such a tone!

After all, he is also at the sixth level of the Fusion Realm. With such a difference in strength, he can kill the opponent with just one slap!

Now the lean old man doesn’t even know where Chen Ping got his confidence!

Even Suo Xingyue on the side was puzzled. Although Chen Ping’s strength may indeed be higher than what he showed, a second-level Fusion Realm monk has no chance of winning against a sixth-level Fusion Realm monk!

“Boy, you are too crazy. I really don’t know who gave you the courage, but I just provoked you today. Let me see what you can do to me.”

As the lean old man spoke, the cold air from his body burst out instantly, and the entire mountain forest was filled with this cold air!

Then the lean old man stretched out his hand to grab it, and black flames emitted from his body, turning into fire dragons and heading straight for Chen Ping!

When Chen Ping saw the black flames emanating from the lean old man, he instantly felt a sense of déjà vu!

“Mr. Chen, this is the Supreme Fire. I didn’t expect that this old guy is also from the lineage of the Fire Demon. It’s just that his Supreme Fire is too bad and not as pure as mine.”

At this moment, Zhe Yan’s voice sounded in Chen Ping’s mind!

Chen Ping also instantly understood that this flame turned out to be the ultimate fire of the demon clan, but because it was not very pure, Chen Ping did not think of it for a while!

“Since you want to play with fire, then I will play with you...”

Chen Ping moved his palm, and a ball of flame instantly jumped on his fingertips!

Then Chen Ping flicked it, and the flame shot out directly forward!

Seeing this scene, the lean old man couldn’t help laughing out loud: “Hahaha, are you kidding me? With just a little bit of fire, you dare to compete with me?”

“How dare the light of a firefly compete with the bright moon...”

The lean old man had a mocking look on his face, but he couldn’t look down on Chen Ping’s pop-up flame!

Compared with his several fire dragons, this ball of flame is simply dwarfed by the giant!

But this lean old man didn’t know at all that Chen Ping’s seemingly inconspicuous flame was the real supreme fire, the purest supreme fire!

boom!

Chapter: 4505

Just after Chen Ping's ball of flame was ejected, it suddenly exploded in mid-air, and the flames roared out all over the sky, forming a wall of fire!

The entire area was enveloped in a sea of fire, and the scorching temperature caused the space to distort!

The lean old man's several fire dragons were instantly swallowed up by the flames!

The trees, flowers and grass around the mountain forest all withered in an instant, and even the birds and beasts flying in the sky were turned into ashes!

Chen Ping's pure ultimate fire, needless to say, its power. Compared with the flames of this lean old man, it is more than a hundred times stronger!

When the lean old man saw this, he hurriedly stepped back. He didn't dare to resist the flames, or he might also be burned to ashes!

"You...who are you? Why is the flame you control so similar to mine?"

The lean old man looked at Chen Ping and asked with a puzzled expression!

"What kind of flame are you talking about?" Chen Ping asked!

"I, this is the Demon Clan's Ultimate Fire, the most powerful flame of our Balrog lineage..."

The lean old man said slightly proudly!

"Bah, it's such a fucking embarrassment to the Balrog lineage. This is called the Supreme Fire. I really don't know how they practice it."

Zhe Yan couldn't help but curse in Chen Ping's mind!

But this is normal. After all, the Demon Clan has been falling apart for so many years, and even the Fire Demon lineage has been divided into countless small sects!

Some of the side branches, who may have only practiced some superficial skills of the Supreme Fire, also established sects. This caused other people to practice the Demonic Supreme Fire later, and their taste changed!

In fact, Zhe Yan's Ultimate Fire is not as pure as the small ball of Supreme Fire in Chen Ping's body. After all, Chen Ping's Supreme Fire is the real Demonic Supreme Fire!

"I am also the Demon Clan's Supreme Fire. We both practice the same thing."

Chen Ping said with a faint smile!

"You fart, how come I have never seen the Supreme Fire with this kind of breath? Don't lie to me. Besides, you are not a demon. How can you cultivate the Supreme Fire of our demons?"

"I think you took a peek at the cultivation method of our Demon Clan's Supreme Fire, and secretly integrated it into it yourself, so that you become somewhat similar to my Supreme Fire!"

The lean old man didn't believe it at all. Chen Ping was also using the Demonic Ultimate Fire!

"Hmph, you are such an ignorant person. You don't even know the most authentic Zhihuo, and you still dare to call yourself a member of the flame demon lineage..."

Chen Ping snorted coldly!

The lean old man looked at Chen Ping, who looked like he was lying, so he frowned and said, "Are you really the ultimate fire? Are you also a demon cultivator of the flame demon lineage?"

Chapter: 4506

“But I didn’t feel the demonic aura from you. Did you also take the Hidden Qi Pill?”

The lean old man’s words stunned Chen Ping. Chen Ping didn’t know what this Hidden Qi Pill was!

Seeing this, Suo Xingyue on the side quickly explained: “This Qi Hidden Pill is a unique pill of our Danyang Sect. It can hide the aura on the body and make it difficult for people to detect it!”

“Especially because it can eliminate the aura of demons so that demon cultivators can live a normal life.”

“It is precisely because of this that these demon cultivators caught me and asked me to refine the Hidden Qi Pill for them. Just because I lack the skills to refine the Hidden Qi Pill, the effect of the Hidden Qi Pill will not last long.”

“I stopped here for repairs this time because the effect of the Hidden Qi Pill is about to disappear, so I was asked to refine the pill again.”

Suo Xingyue’s words made Chen Ping understand why these demon cultivators dared to walk so openly!

“Isn’t it possible that your Danyang sect often cooperates with demon cultivators?”

Chen Ping asked!

After all, this Hidden Qi Pill is simply a magical elixir for demon cultivators, so the biggest market for refining this Hidden Qi Pill should be for demon cultivators to take!

Suo Xingyue’s face was full of embarrassment, but she nodded in the end and said: “It is true that our Hidden Qi Pill is often sold to some demon cultivators, but we are also selective and will not cooperate with all demon cultivators.”

“A group of demon cultivators like them committed extremely evil crimes and killed many people. We at Danyang Sect refused to cooperate with them, so they took the opportunity to arrest me.”

After hearing this, Chen Ping also understood. It seemed that the Danyang Sect was not like other sects that would kill all the demons they saw without any regard for the crime.

After all, there are good people in the Demon Clan. For example, the old Demon Clan woman Chen Ping met took the initiative to stand up and gave the Demon Bead to herself in order not to implicate other people!

“You don’t know the Hidden Qi Pill. It seems that you are not from the Demon Clan. Then who are you? Why are you the Supreme Fire of our Flame Demon lineage?”

The lean old man heard the conversation between Chen Ping and Suo Xingyue and asked!

“It doesn’t matter who I am, what matters is that you have been sentenced to death by me...”

Chen Ping said calmly!

“Hmph, I’m not ashamed to talk so loudly...”

The lean old man snorted coldly, and then the flames rose up in his palms, and then his whole body began to swell!

“Thunder Palm...”

Chen Ping raised the corner of his mouth slightly, flipped his palm, and suddenly swung it into the air!

Along with a rumbling sound, the sky suddenly became dark!

The lean old man was startled. He quickly looked up and found that a huge hand appeared above his head!

Chapter: 4507

The palm of his hand kept pressing down, and the endless pressure caused the flames on the lean old man to gradually extinguish!

The lean old man's eyes were full of horror. He was at the sixth level of the Fusion Realm. He actually felt the breath of death under the pressure of Chen Ping, the second level of the Fusion Realm!

The lean old man knew that he was in trouble, so he turned around and wanted to run away!

Unfortunately, just when the lean old man turned around, a dazzling lightning suddenly struck from the huge palm in the sky!

He struck the lean old man hard and knocked the lean old man to the ground!

Boom boom boom.....

Thunder and lightning struck down one after another, constantly bombarding the lean old man's body!

Suo Xingyue was stunned when he saw this scene. He really couldn't understand how Chen Ping, who was in the second level of the Fusion Realm, could explode with such power. He actually slapped a monk in the sixth level of the Fusion Realm with one palm. On the ground!

"Stop it, otherwise our Lord Balrog will not spare you."

The lean old man yelled.

"Bah, Enma knows who you are. You are just a branch of Enma's lineage. You really think of yourself as a member of Enma."

Chen Ping took a deep breath!

Thunder and lightning continued to bombard down, and soon the lean old man was bombarded into slag!

But a ball of black mist quickly came out of the lean old man's body!

After this black mist appeared, the world became dark!

"This is a demon soul, don't let him escape..."

Seeing this, Suo Xingyue hurriedly said to Chen Ping!

Chen Ping nodded and rushed towards the demon soul, and the demon soul let out a shrill cry, and a ferocious and terrifying face appeared!

The demon soul's copper bell-like eyes looked at Chen Ping, and its sharp teeth kept drooling, like a man-eating demon!

Seeing Chen Ping rushing toward him, the demon soul wrapped in the black mist also rushed toward Chen Ping!

Chen Ping smiled coldly, and a ball of supreme fire instantly rose up in his hand, and was then wrapped in the black mist of the demon soul.

Seeing this, Suo Xingyue looked nervously.

Soon, a roar broke out in the black mist, and the black mist all over the sky exploded, and then turned into thousands of black mist fragments, and each black mist burned with flames!

Chen Ping's figure slowly appeared, and the demon soul was burned to ashes by Chen Ping's ultimate fire!

Chapter: 4508

The other demon cultivators who heard the commotion ran over in a hurry!

But when they saw that their leader and his demon soul had been burned to ashes, all of them looked horrified!

Before Chen Ping could take action against them, these people immediately ran away without a trace!

Chen Ping did not chase them. These demon cultivators ran away. As long as they did not harm the villagers or provoke him in the future, Chen Ping would not pay attention to them!

“Little brother, you saved my life. I can’t thank you enough. I will definitely repay you when I get to Jialing County.”

Suo Xingyue said very gratefully!

“It’s just a little effort, no need to be polite!” Chen Ping smiled lightly!

At this time, Liu Ruyan and the others saw that Chen Ping was nowhere to be seen, so they also ran over!

“Chen Ping, are you okay?” Seeing Chen Ping, Liu Ruyan asked nervously!

“I’m fine.” Chen Ping shook his head!

“Mr. Chen, was there a fight here just now? Why is there the smell of demons?”

Yihe frowned slightly and said!

Although Yihe’s strength has been suppressed, his senses are still very sensitive!

“Yes, I just killed a demon cultivator and saved this fellow Taoist from Danyang Sect.”

Chen Ping pointed at Suo Xingyue and said!

“Danyang Clan?” The third elder was stunned and looked at Suo Xingyue in disbelief: “Are you from Danyang Clan?”

“Yes, I am an elder of Danyang Sect, my name is Suo Xingyue!”

“I wonder where these fellow Taoists are from?”

Suo Xingyue asked the third elder!

“Oh, we are from the Jade Cauldron Sect, and we are going to attend the Medicine Master Association.”

The third elder said quickly!

“Oh, it turns out he is a fellow Taoist from the Jade Cauldron Sect. I never expected that your Jade Cauldron Sect would have such a powerful person.”

Suo Xingyue said in surprise!

After all, the strength of sects like theirs, which mainly focus on refining medicine, is generally low. However, in this world of gods and humans, pharmacists have a high status, so even if some pharmacists are not strong, there will be no one. provoke!

Chapter: 4509

“Elder Suo, are you going to Jialing County to attend the Pharmacist Conference? I remember that every year at the Pharmacist Conference, your Danyang Sect serves as the referee.”

The third elder asked!

“Yes, I also went to the Jialing County Pharmacist Association to act as a referee this time, but a few senior brothers left first, and I was delayed by something. This time, the demon cultivator seized the opportunity and controlled me!”

“If it hadn’t been for this fellow Taoist who rescued me, I might still be serving those demonic cultivators now!”

Suo Xingyue said awkwardly!

“Elder Suo, since you are alone, let’s go together and have someone to take care of you!”

The third elder saw that Suo Xingyue was alone, so he hurriedly said!

After all, if you build a good relationship with the referee first, the following pharmacist meeting will be smoother!

“That’s exactly what I meant!”

Suo Xingyue nodded. In fact, Suo Xingyue also wanted to know about Chen Ping. She wanted to know how Chen Ping, as a pharmacist, could be so powerful!

Several people started heading towards Jialing County together!

On the way, Suo Xingyue said to Chen Ping: “Little friend, I wonder what level of medicine refining strength you have now?”

“Strength in refining medicine?” Chen Ping frowned slightly!

Chen Ping didn’t know that this alchemist actually had different realms, and no one told him about it!

“Suo Changlao, Mr. Chen hasn’t tested in our Jade Cauldron Sect yet, so we don’t know what level of pharmacist he is!”

When the third elder saw this, he quickly explained!

Upon hearing this, Suo Xingyue nodded and said: “It turns out that I haven’t tested it yet, but I think my little friend’s medicine refining strength should be quite good, at least at the middle level of the third grade!”

After listening to Suo Xingyue’s words and talking with Suo Xingyue, Chen Ping understood that there are nine levels of alchemists in the heaven and human world, and each level is divided into three levels: upper, middle and lower!

The higher the level of the alchemist, the more advanced elixirs can be refined. However, refining elixirs does not entirely rely on the alchemist’s strength. There are also medicinal materials, furnace cauldrons, and even the flames used for refining elixirs. exquisite!

Therefore, if a senior alchemist owns a god-level furnace and some magical herbs, it is possible to refine a real elixir!

Following Suo Xingyue’s conversation, Chen Ping also learned a lot about the history of alchemists in the heaven and human world, and also learned a lot!

No, the Danyang Sect seems to be much stronger than the Jade Cauldron Sect!

Otherwise, it would be impossible for a Danyang Sect elder to become a referee. It seems that everyone in this area recognizes the Danyang Sect’s alchemy skills!

Unconsciously, the sky gradually darkened!

Chapter: 4510

At this time, a huge city appeared in front of Jin Jin’s eyes!

“Jialing County has arrived. Every time I come here, I have a shocking feeling...”

The third elder looked at the huge city in front of him and couldn't help but sigh!

Yihe looked at Jialing County and sighed with emotion: “It's so spectacular. It seems that the beasts will never be able to compare with humans in terms of construction.”

Although the Demon Imperial City in Yihe is also very large and spectacular, compared with Jialing County, it is simply dwarfed and not enough to see!

If the Demon Imperial City in Yihe is a big tile-roofed house, then this Jialing County can be called a villa!

“Mr. Chen, entering Jialing County is strictly for personal fighting, so you have to pay attention. If there are any disputes or conflicts, you can go to the ring.”

“In this Jialing County, there are arenas everywhere, and you can compete at any time.”

The third elder reminded Chen Ping in a low voice!

Chen Ping nodded, and then the group entered Jialing County!

And in the square entering the city gate, a statue stands in the middle!

The statue is of an old man, holding a Ganoderma-like thing in his hand, and seems to be sniffing it in front of his nose!

“Mr. Chen, this sculpture is of Ge Zhichuan, the originator of our alchemists, who are all called Yaolao.”

The third elder introduced it in Chen Ping's ear!

Chen Ping was a little surprised that Jialing County actually had such a statue standing in the square. After all, this Yao Lao was the originator of alchemists. It should be some alchemy sect that would place a statue in a city like Jialing County. , it seems inappropriate to place such a statue!

Could it be that the princess of Jialing County is also a pharmacist?

Suo Xingyue, who must have sensed Chen Ping's confusion, said, "Young friend, you may not know that the reason why Jialing County has reached such a scale is inseparable from the annual alchemy refining meeting."

"And the Princess of Jialing County is also an amazing pharmacist, so she placed a statue of Yao Lao in this square to attract more pharmacists!"

When Chen Ping heard this, he understood that it turned out that the princess of Jialing County was just doing business to make her Jialing County more prosperous!

"It seems that the princess of Jialing County is a good businessman!"

Chen Ping said with a faint smile!

"Of course. During the annual alchemy meeting, there are countless rare treasures and a large amount of resources gathered in Jialing County. Didn't you see that the people guarding the city gates in Jialing County are all Fusion Realm monks."

"Without the support of a large amount of resources, Jialing County would not be able to support such a huge city!"

Suo Xingyue said!
