

The Order 451

Chapter: 451

Seeing that Lin Tianhu actually brought someone here, Wei Kunan was not surprised, but laughed loudly: “Hahaha, it’s getting more and more interesting. Even Lin Tianhu, the underground emperor of Hongcheng, is here. I’m afraid a few people here today are... Is this the biggest lineup in Hongcheng?”

“Wei Kun’an, a powerful dragon cannot defeat a local snake. Even if you are a dragon crossing the river, if you dare to cause trouble in Hongcheng, I will make sure you never come back!”

Lin Tianhu glared at Wei Kunan with no fear in his eyes.

After taking the Power Condensation Pill, Lin Tianhu’s strength improved, which made him a lot more courageous. Especially after following Chen Ping during this period and seeing Chen Ping’s strength, he became even more fearless!

If this had been put aside in the past, if Lin Tianhu had some courage, he would not dare to follow Wei Kun’an, the head of the Wei family, to talk like this. The two of them are not on the same level at all!

Wei Kunan was slightly stunned. He didn’t expect Lin Tianhu to dare to speak to him in this tone, and then his face turned cold: “You, Lin Tianhu, deserve to be a local snake. In my eyes, you are just an earthworm!”

After Wei Kunan finished speaking, he slapped his palm on the table, and the hard table instantly shattered!

At this moment, everyone’s expressions changed slightly, and Lin Tianhu even frowned. He didn’t expect that Wei Kunan had such abnormal strength!

“Today I must take away the murderer who crippled my son’s legs. Now I will give you five minutes to think about it. Either hand him over or die...”

When the word “death” was spoken, the temperature in the entire private room suddenly dropped, making Su Wenzong and the others shiver!

“Mr. Su, I have already informed Mr. Chen. If Mr. Chen doesn’t arrive in a while and Wei Kun’an takes action, you should run away first. I will fight with all my strength and lead people to stop him. My people are almost finished gathering!”

Lin Tianhu whispered to Su Wenzong.

“You...” When Su Wenzong heard that Lin Tianhu actually notified Chen Ping, he suddenly looked helpless: “If Chen Ping is here, isn’t he going to die? It seems that Wei Kunan will not give up today unless he kills people!”

“Mr. Su, don’t worry!” Lin Tianhu comforted him. He had absolute confidence in Chen Ping.

On the other side, Chen Ping, who was eating, suddenly received a message from Lin Tianhu. When Chen Ping saw the content of the message, his whole body suddenly burst out with murderous aura!

“Chen Ping, what’s wrong with you?”

Su Yuqi seemed to feel the murderous aura in Chen Ping and asked carefully.

“I’m fine, you should eat first!”

Chen Ping stood up, grabbed his coat and put it on, and then said to the servants of the Su family: “Watch the young lady and don’t let her go out!”

“I understand, uncle!” A servant of the Su family said respectfully.

Chen Ping was stunned, glanced at the respectful servant of the Su family, and immediately smiled helplessly!

He and Su Yuqi have never officially established a relationship and have always known each other tacitly. However, in the eyes of the Su family, they already regard him as Su Yuqi’s boyfriend. This can be regarded as a matter of course!

“When I come back, I’ll reward you...”

Chen Ping patted the man on the shoulder and left after saying that.

Chapter: 452

Chen Ping felt very comfortable when he was called uncle!

.....

“The time has come, what do you think? Do you want to surrender or die?”

Wei Kunan looked at Su Wenzong coldly and asked.

After Wei Kun’an finished speaking, the ten masters of the Wei family immediately put up their posture and faced the dozens of people facing Lin Tianhu. They were not afraid at all, their eyes were indifferent and they were full of murderous intent!

In the eyes of these people, these people brought by Lin Tianhu are just little gangsters who can be easily trampled to death!

“Wei Kun’an, I won’t hand anyone over!”

Su Wenzong said with firm eyes!

“Well, if you don’t want to surrender, then go die!”

Wei Kunan’s face turned cold: “Do it!”

After receiving the order, the ten masters of the Wei family immediately rushed towards Lin Tianhu and others like tigers descending a mountain!

“Your son is useless to me. If you have the ability, come to me...”

Just then, Chen Ping walked in!

“Chen Ping...” Seeing Chen Ping coming, Su Wenzong looked worried!

“Uncle, don’t worry, I’ll be fine!”

Chen Ping looked at Su Wenzong with gratitude in his eyes. He didn’t expect that Su Wenzong would risk his life for him!

“Mr. Chen...”

“Mr. Chen...”

When Ling Zhenchuan and Gu Wentian saw Chen Ping coming, they both greeted him politely!

“Mayor Ling, Gu, thank you for your help!”

Chen Ping said gratefully.

Ling Zhenchuan and Gu Wentian suddenly looked embarrassed and said: “We didn’t help with anything, they didn’t give us face!”

“I’ll handle this matter myself. It’s too late. Mayor Ling, Gu Gu, you should go back and rest!”

Chen Ping smiled lightly.

Chapter: 453

“Then I’ll take my leave!” Gu Wentian knew that he couldn’t help here!

Ling Zhenchuan also nodded, but when passing by Chen Ping, he whispered in Chen Ping’s ear: “Mr. Chen, it’s best not to kill anyone, otherwise it will be difficult!”

As the head of the Wei family, Wei Kun’an would probably not be able to survive as the mayor of Ling Zhenchuan if he was killed in Hongcheng.

“Mayor Ling, don’t worry, I’m measured!” Chen Ping nodded.

Gu Wentian and Ling Zhenchuan both left. Wei Kunan looked at Chen Ping strangely. He couldn’t see how Chen Ping, an ordinary young man, could be so respected by Ling Zhenchuan and Gu Wentian!

“Did you waste my son?”

Wei Kunan looked at Chen Ping and said angrily.

“That’s right, if someone hadn’t interceded, your son would be a corpse now. A scum like him would be a waste of food even if he were alive!”

Chen Ping looked at Wei Kunan calmly, without any fluctuation in his eyes.

“Good boy, just admit it if you dare!”

After Wei Kun’an finished speaking, he looked at a Wei family master wearing white attire.

The Wei family master immediately understood what Wei Kunan meant, and punched Chen Ping without any warning!

This punch, with the sound of breaking through the air, was extremely fast!

Bang.....

With a muffled sound, Chen Ping stood still on the spot, but the Wei family master who suddenly took action flew directly backwards and fell heavily to the ground, spitting blood!

At this moment, Wei Kunan was stunned, and then smiled coldly: “It turns out that he is a practicing master, no wonder he is so arrogant, but today, even if you are a master, I will seek justice for my son!”

Wei Kunan took off his coat, revealing his strong muscles. He was planning to do it himself!

Dong dong dong.....

Suddenly, there was a burst of rapid footsteps, and the entire Regal Restaurant felt shaking.

A Wei family expert looked out through the window, then his expression changed, and he hurriedly walked to Wei Kunan and whispered a few words in his ear!

Wei Kunan frowned and walked to the window to look out!

I saw a dense crowd of people outside the Regal Hotel, as many as a thousand people, surrounding the entire Regal Hotel. These people all had weapons in their hands.

“Hahaha, Wei Kun’an, my people are here. Didn’t you say that I don’t count as a local snake? Today I will let you see if I count. There are thousands of me out there, and there are only ten of you. Even if you are reincarnated as gods, , don’t even think about leaving!”

When Lin Tianhu knew that his people had arrived, he burst into laughter.

Chapter: 454

Wei Kunan’s face became extremely ugly, and he stared at Lin Tianhu!

He really didn’t expect that Lin Tianhu could summon thousands of people in such a short period of time. This was beyond his expectation.

Wei Kunan didn’t know about Lin Tianhu’s annexation of the Red Dragon Gang, so he didn’t expect Lin Tianhu to have so many people under his command!

“Lin Tianhu, don’t be proud. I can kill everyone in the room before you guys rush in. And if I die in Hongcheng, you will know the consequences!”

Wei Kunan said with a ferocious expression.

“Don’t fucking scare me. I’m not scared. The worst is, I’ll trade one life for another. I, Lin Tianhu, will take my life, but I’ll trade it for your Wei Kunan’s life. It’s worth it...”

Lin Tianhu followed Wei Kunan and acted like a fool, not afraid of Wei Kunan's threat at all.

This time, Wei Kunan's face became even more ugly!

"Okay, I, Wei Kun'an, admit defeat today. The mountains will remain green and the water will flow forever. Let's wait and see."

Wei Kunan waved his hand and planned to leave with his men!

Lin Tianhu directly blocked the way!

"Lin Tianhu, let them go!"

Chen Ping said calmly.

Lin Tianhu glanced at Chen Ping, then moved out of the way, letting Wei Kunan lead the people away!

If it weren't for Ling Zhenchuan, Chen Ping would not have let Wei Kunan go so easily.

"Master, let's just leave like this. Aren't we going to avenge the young master?"

After walking out of the Regal Hotel, one of his subordinates asked Wei Kunan.

"Of course I want to avenge this, but I don't know who this kid is, but he asked so many people in Hongcheng to protect him. Since he can't be touched in Hongcheng, then they will kill him when they get out of Hongcheng. You stay here. , keep an eye on me, as soon as he leaves Hongcheng, notify me immediately!"

Wei Kunan said with a sinister expression.

“Understood!” Several subordinates nodded!

.....

The matter of breaking Wei Tao’s legs was over. Wei Kunan did not come to Hongcheng to trouble Chen Ping. Ye Fengchun’s fellow apprentices also did not come to Hongcheng. I don’t know if they haven’t received the news of Ye Fengchun’s death or if they had no plans at all. Revenge for Ye Fengchun.

Chen Ping used his spare time to refine Xiaohuan Dan. Under Su Wenzong’s operation, the price of Xiaohuan Dan increased steadily, and the supply exceeded demand.

In the meantime, Chen Ping went to Leiming Temple to help Taoist Master Fuxu’s daughter absorb the cold air from her body. This also allowed Chen Ping to accumulate a lot of spiritual power, so that he could continue to refine Xiaohuan Dan.

Chapter: 455

Seeing more and more funds in his hands, Chen Ping thought it was time to go to Yuncheng to have a look. Maybe he could find some rare medicinal materials from Yuncheng!

Because he was not familiar with Yuncheng, Chen Ping decided to ask Lin Tianhu to follow him. Firstly, there was someone around him who could be easily dispatched, and secondly, Lin Tianhu was familiar with Yuncheng!

After making up his mind to go to Yuncheng, Chen Ping went to Su’s house to say goodbye with Su Yuqi and Su Wenzong. After all, he was going to Yuncheng for a while.

“What, you want to go to Yuncheng? Then I’ll go with you!”

When Su Yuqi heard this, she immediately said excitedly.

During this time, Su Yuqi also came out of the shadow of kidnapping, and the relationship between the two of them strengthened a lot!

“Don’t go there as a girl. You might be in danger even if you go to Yuncheng!”

Chen Ping knew that Wei Kunan would not give up. The reason why there was no movement during this period was just waiting for an opportunity!

“I don’t care, I’m going!”

Su Yuqi pouted and started acting coquettishly towards Chen Ping!

Su Wenzong smiled slightly and walked away. He was not suitable to watch the two young people fighting and making trouble here!

Seeing Su Yuqi like that, Chen Ping smiled helplessly and could only nod in agreement. However, thinking about the two of them going together, they might be able to sleep in the same room and maybe do other things. Thinking of this, Chen Ping felt a little agitated. Excited, with a lewd smile on his face!

Su Yuqi looked at Chen Ping sitting there and giggled, and the smile was very obscene. She stepped forward and hit Chen Ping on the head: “I tell you, don’t think about it. Even if we go out, we are alone in the hotel.” One room, don’t try to take advantage of me!”

“I think you want to take advantage of me, right? You want to share a room with me, but I’m not happy yet!”

Chen Ping deliberately looked indifferent and made Su Yuqi angry!

“you.....”

Su Yuqi was really angry: “I’ll beat you to death...”

The two started fighting, just like a young couple in love!

Early the next morning, Lin Tianhu drove, Chen Ping and Su Yuqi sat in the back seat, and set off towards Yuncheng!

“When you arrive at Yuncheng this time, I will take you to have a good time. I haven’t been to Yuncheng for a while!”

Su Yuqi followed Chen Ping excitedly.

“Are you familiar with Yuncheng?”

Chen Ping looked at Su Yuqi puzzled.

“Of course, I lived in Yuncheng for a long time when I was a child. My aunt is from Yuncheng. I often stay at my aunt’s house, but I haven’t been there for many years...”

Chapter: 456

Su Yuqi said, her expression suddenly became lonely!

Originally, Su Yuqi’s family had a good relationship with her aunt’s family. Su Yuqi had lived in Yuncheng since she was a child. However, after Su Yuqi’s mother passed away, the two families moved around less!

“I don’t know how my aunt’s family is doing, and whether my cousin and cousin are all married!”

A hint of worry flashed in Su Yuqi’s eyes: “It just so happens that I’m going to Yuncheng this time to see my aunt’s family!”

Chen Ping looked at Su Yuqi, with a flash of distress in his eyes. In the eyes of others, Su Yuqi was the daughter of the richest man, living a life without worries about food and clothing, so she must be very happy!

But only Chen Ping can understand that Su Yuqi actually longs for family affection in her heart. She has had no maternal love since she was a child, and has almost no family affection. Only she and Su Wenzong have been here.

After the car quickly drove out of Hongcheng, it went directly onto the highway. At this time, behind Chen Ping’s car, a black car, which had been following them since Hongcheng, also got on the highway!

Chen Ping and the others didn’t notice anything strange at all, and no one paid any attention to it. After all, there were a lot of cars coming and going on the highway, so no one would pay special attention.

At this time, in the Wei family in the provincial capital hundreds of kilometers away, Wei Kunan was smoking a cigarette with a gloomy look on his face!

He spent a lot of money to hire famous doctors for Wei Tao’s leg, but no one could cure it. Even foreign experts and scholars were invited, but there was still no way. The leg bone was shattered and it was impossible to reattach it unless artificial bones were used. , but even if you use artificial bones, you will not be able to walk as before, and you will still become a lame!

“I don’t want to be a lame, I don’t want to be a lame...”

On the bed, Wei Tao screamed desperately. For this period of time, he has been unable to look down on his legs, which made him fall into mania!

Beside the bed, a woman in gorgeous clothes secretly shed tears. While crying, she persuaded Wei Tao: "Xiao Tao, don't worry, we will definitely cure your leg!"

This woman is Wei Tao's mother, Jiang Lanfeng. The Jiang family is also a famous family in the provincial capital. Martial arts schools are opened throughout the provincial capital. I heard that Jiang Lanfeng's father is a great master with unfathomable strength!

This is also the reason why the Wei family has absolute strength in the provincial capital and no one dares to provoke them. The combination of the Jiang family and the Wei family makes no one in the entire provincial capital dare to provoke these two families!

"Wei Kun'an, you are a fucking waste. Your own son is like this, and you are indifferent? How many days have passed, where is the murderer? Where is he?"

Jiang Lanfeng scolded Wei Kunan!

Wei Kun'an's face was ashen, but he didn't dare to say a word. Even though he was showing off his power outside, when he got home, he was like a tiger turning into a cat. He couldn't help it if he didn't want to turn into a cat. His brother-in-law had an explosive personality and was stronger than him. Quite a few, if there was a fight, he would only get beaten!

"If you don't have the skills, just fart. I'll ask Xiaojie to come over and go directly to Hongcheng to catch the guy who beat my son. Look at what a coward you are!"

The Xiaojie in Jiang Lanfeng's mouth is Wei Tao's uncle Jiang Wenjie. Almost everyone in the entire provincial capital does not know this person. He is known as the little bully of the provincial capital!

At this moment, Wei Kun'an's cell phone rang. After Wei Kun'an answered the call, his subordinates immediately reported: "Master, that guy named Chen Ping has left the city and is now on the highway to Yuncheng. There are no other people in the car except him." There are also Su Yuqi and Lin Tianhu!"

When Wei Kun'an heard this, his eyes suddenly lit up, and he gritted his teeth and said: "Great, start right away, kill them for me, and bring them all back to me no matter they live or die!"

Wei Kunan was very angry after being scolded by his wife just now, and now he can finally vent his anger!

On the highway, Lin Tianhu drove attentively!

Chapter: 457

Chen Ping and Su Yuqi were chatting and laughing in the back, and let Lin Tianhu, who was driving, eat a mouthful of dog food!

At this moment, a black car suddenly overtook Chen Ping's car and drove directly in front!

This black car suddenly started to brake continuously and slowed down!

Seeing that Lin Tianhu was about to hit the car in front, he hurriedly applied the brakes!

The tires and the ground made a violent friction sound, and the smell of burnt rubber spread into the car!

The car stopped, and Lin Tianhu suddenly changed the direction, preparing to go around the car in front and continue driving!

At this time, Lin Tianhu seemed to feel the danger!

“ah.....”

The sudden sudden braking made Su Yuqi lean forward and scream.

“Mr. Chen, Miss Su, fasten your seat belts!”

Lin Tianhu’s face became solemn at this time.

Chen Ping also saw that something was wrong and fastened Su Yuqi’s seat belt himself.

After Lin Tianhu bypassed the black car, he suddenly accelerated and rushed forward.

And the black car followed closely behind, catching up with the car driven by Lin Tianhu in no time!

Boom.....

After a loud noise, Chen Ping’s car suddenly jumped forward, and the entire rear rear was dented. Fortunately, Su Yuqi had put on her seat belt, otherwise she would have flown out!

Lin Tianhu stepped on the accelerator to the bottom, and the car made a huge roar and headed towards Yuncheng. The rear of the car dragged to the ground, sending out huge sparks along the way!

“Hurry up and catch them up. We must kill them, otherwise I won’t be able to spare us!”

In the passenger seat of the black car behind, a middle-aged man with a murderous face roared!

“Chen Ping, this...who are these people?”

Su Yuqi asked, her face pale with fright.

Chen Ping shook his head. He didn't know who he was, but based on his guess, he was probably from the Wei family!

Lin Tianhu looked at the road attentively, with cold sweat on his forehead!

At this speed, if there is a slight mistake, it will be a car crash and death!

Chapter: 458

“Lin Tianhu, slow down at the corner ahead. I want to see who these people are!”

Chen Ping said with murderous intent flashing in his eyes.

“Mr. Chen, this is too dangerous!”

Lin Tianhu looked at Chen Ping through the rearview mirror in surprise.

This was on a highway, and at such a fast speed, if Chen Ping got out of the car, the car behind him would definitely hit him!

“I tell you to slow down, you just slow down...”

A flash of irritation flashed in Chen Ping's eyes!

Lin Tianhu didn't dare to speak, so he slowed down the car at the corner!

Chen Ping opened the car door, unbuckled his seat belt and was about to jump out of the car!

Su Yuqi grabbed Chen Ping and said, "Chen Ping, you must pay attention to your safety!"

Chen Ping nodded, jumped out of the car, rolled on the ground and stood up!

Lin Tianhu did not stop, but started to slow down and move forward, staring at the rearview mirror!

Su Yuqi also turned her head and looked at Chen Ping through the rear window. She held her hands together tightly, her palms were sweaty. She was worried about Chen Ping.

Not long after Chen Ping got off the car, the black car came quickly. Seeing a pedestrian suddenly appeared on the highway, the driver instinctively wanted to dodge. At such a speed, it was impossible to see who it was. !

But just after the driver of the black car made a slight movement, Chen Ping's figure suddenly disappeared!

Then he appeared at the front of the car and punched the moving car!

boom.....

The huge impact caused the car to fly directly into the air, and then rolled twice in the sky before falling heavily to the ground.

The car was crushed, the four people in the car were trapped inside, and the gasoline in the mailbox continued to leak to the ground!

Seeing this scene, Lin Tianhu was so surprised that he stopped the car, and Su Yuqi's eyes widened with disbelief!

"Save me, save me..."

There were four people in the car. At this time, only the middle-aged man in the co-pilot was still breathing and kept calling for help!

His legs were stuck on the seat and he couldn't move at all. Seeing the gasoline constantly flowing out, the middle-aged man was scared!

Chen Ping walked towards the middle-aged man and lit a cigarette!

Chapter: 459

Seeing this scene, the middle-aged man's pupils suddenly dilated, his eyes full of horror. He understood what Chen Ping's cigarette meant!

"Spare your life, spare your life..."

The middle-aged man followed Chen Ping with a bloody face and begged for mercy!

Chen Ping squatted down slowly and looked at the middle-aged man in front of him with an indifferent expression: "Who sent you here?"

The middle-aged man was stunned, with a trace of hesitation in his eyes. He did not dare to betray Wei Kunan because his family was still in the provincial capital!

Seeing the middle-aged man's hesitation, Chen Ping didn't say anything, but stood up and left!

Looking at Chen Ping's back, the middle-aged man gritted his teeth and said: "We are all from the Wei family. Mr. Wei asked us to do this. I was forced to do this. Please let me go, let me go..." ..."

The middle-aged man shouted at Chen Ping!

Chen Ping stopped, without any expression on his face, because this was within his expectation. He had already guessed that Wei Kunan did it!

After a few seconds of pause, Chen Ping walked forward again, throwing the cigarette butt back in his hand!

The burning cigarette butt hit the gasoline on the ground and instantly ignited a raging fire!

The middle-aged man's shrill roar came, which was very breathtaking!

Chen Ping listened to the shrill roar without any emotion in his heart. Now he has slowly become bloodthirsty, and he knows that being kind to the enemy is cruelty to himself!

boom.....

With a violent explosion, the car instantly turned into pieces, and the bodies of several killers sent by the Wei family were completely wiped out!

"drive!"

Chen Ping got into the car and said calmly to Lin Tianhu.

Lin Tianhu started the car and drove towards Yuncheng, while Su Yuqi looked straight at Chen Ping with a bit of fear on her face!

At this time, Chen Ping had put away his murderous intention. When he saw Su Yuqi staring at him, he smiled slightly and said, "Is there flowers on my face? Look at me like this!"

"Chen Ping, you...were you hit by something just now? How could you send the car flying?"

Although Su Yuqi knew that Chen Ping had some abilities, being able to hit a moving car with one punch was a bit beyond her scope of knowledge.

"Damn it, your husband and I are so brave. You will know when we two get married!"

Chen Ping smiled at Su Yuqi and said!

Su Yuqi's face turned red and she glared at Chen Ping: "Shameless, who said I would marry you!"

Chapter: 460

A few hours later, the car entered Yuncheng. As soon as we entered Yuncheng, we could smell the strong smell of herbs. There were a large number of herbs drying on both sides of the road. Maybe the people around were used to it and didn't react much. Su Yuqi covered her nose.

"What does this smell like? It's really unpleasant..."

"This is the smell of dried herbs. Smelling too much of this stuff can strengthen your body!" Chen Ping explained, and couldn't help but sigh that Yuncheng was indeed well-deserved, and the name of the Medicine City was well deserved!

Almost every household in Yuncheng grows medicinal materials, and it is close to the Taihang Mountains, so there are groups of medicinal collectors who go to the mountains to collect medicinal materials all day long to make a living!

No matter how rare the medicinal materials are, as long as you have money, there is nothing you can't buy in Yuncheng. There are Chinese medicine stores on both sides of the streets in Yuncheng, one next to the other, and almost every one of them has a treasure!

“Lin Tianhu, first find a repair shop and do a simple repair on the car. It will be too eye-catching on the road!”

The rear bumper of the car fell off and was dragged on the ground. Chen Ping felt that it attracted too much attention, so he planned to simply repair it before leaving!

“Okay!” Lin Tianhu nodded!

But just when Lin Tianhu was driving his car to find a repair shop, he found a red Mercedes-Benz C following them!

“Mr. Chen, there is a situation...”

Lin Tianhu glanced at the rearview mirror and said.

Chen Ping glanced back in the car and quickly turned his head back: “Drive to a more remote place, there are too many people on the street here!”

Lin Tianhu suddenly turned and drove towards the outskirts of Yuncheng, and the red Mercedes-Benz also hurriedly turned to follow!

When Su Yuqi saw another car following them, her face became a little ugly and her whole body was trembling slightly!

Chen Ping put his arm around Su Yuqi's shoulders and comforted her softly: "Don't worry, everything will be fine!"

Soon the car drove to a relatively remote place. Lin Tianhu stopped the car, and the red Mercedes-Benz also braked sharply and stopped behind!

Chen Ping and the others got out of the car. Because Su Yuqi was afraid, Chen Ping kept his hand on Su Yuqi's shoulders and held her in his arms.

At this time, a girl stepped out of the driver's seat of a red Mercedes-Benz. The girl had short hair, delicate facial features, and a round face that looked like a doll!

After the girl got off the car, Chen Ping and Lin Tianhu were both stunned. Such a girl didn't look like a killer!

The girl held a wrench in her hand and looked at Chen Ping and Lin Tianhu with a bit of horror in her eyes.

"Who are you? Let go of my cousin. I have already called the police..."

The girl pointed at Chen Ping with a wrench, but her hands were shaking badly!

Chen Ping and Lin Tianhu were stunned, and they all looked at Su Yuqi involuntarily. At this time, Su Yuqi's eyes were full of tears, and she was so excited that she was speechless.

"Feifei, you've grown so high, I don't even recognize you!"
