

The Order 4521

Chapter: 4521

Wagong turned pale with fright, hurriedly threw away the giant ax in his hand, and stepped back!

But the cold air did not disappear just because Wagonn threw away the giant ax in his hand. On the contrary, the cold air began to spread around the entire ring through the giant axe!

The huge ring also formed frost in an instant and was completely frozen. Seeing this, Wagong knew that he had no place to hide, so he jumped up and planned to jump out of the ring!

Although jumping out of the ring means losing, at least you can save your life!

But just when Wagong jumped up, Gao Qijie also moved, jumped up, and then kicked Wagong's huge body hard!

Bang.....

Wagong's body hit the ring hard, and his feet quickly formed frost, making Wagong unable to move!

"ah....."

Watan roared, his body suddenly surged, and his aura instantly climbed to the peak of the third level of the Fusion Realm!

An extremely powerful and domineering aura burst out from Wagon's body!

The frost on Wagon's legs began to slowly break, and finally Wagon broke free.

“Hmph, I even used the power of the beasts in my body, but it’s a pity that it’s useless. You will definitely die today!”

Gao Qijie snorted coldly and waved his palms down suddenly!

I saw icicles suddenly appearing out of thin air on the ring. These icicles were like sharp knives, heading straight for the vat!

Seeing this, Wagong roared again and slammed his fists on the ring. The huge power spread through the ring to the surroundings!

This force made a rumbling sound along with the collision of icicles that kept appearing on the ring!

All the icicles shattered and turned into a white mist!

This white mist instantly swallowed Wagong, and Wagong’s figure disappeared on the ring!

When everyone was confused, the white mist disappeared, and Wagong’s body reappeared!

However, at this time, Wagong’s entire body had been frozen, and his body could no longer move. Only his eyes and mouth were still moving!

Gao Qijie raised the corners of his mouth, walked up to Wagong and said, “Now do you know how powerful I am? I’m asking you, are you willing to be loyal to my Gao family?”

“Bah, I said before, even if I die, I, the Ancient Body Refining Clan, will not be loyal to your Gao family!”

Although Watan has been controlled, he still refuses to give in!

“Good boy, since you are not loyal, then go to hell...”

Chapter: 4522

After Gao Qijie finished speaking, a cold light flashed in his eyes, and then Tai Zhang slapped towards the tile jar!

Wagong watched Gao Qijie slap him with his palm, but he had no room for resistance, so he closed his eyes and waited for the death of the general!

But just when Gao Qijie's palm was about to land on Wagong, a sudden huge suction force caused Wagong's body to fly backwards, and then he fell heavily outside the ring!

The frost on Wagong's body also shattered under the fall, allowing Wagong to regain its ability to move!

Gao Qijie didn't expect such a situation to happen, and was stunned immediately. Then he frowned, glanced at the people around him and said, "Who is going to save this guy?"

Gao Qijie knew that someone must have secretly rescued Watank, otherwise Watank would be dead!

But now, Wa Cong has arrived outside the ring and landed on the ground. That means W Cang has lost, and Gao Qijie can no longer attack W Cang!

Wagong's face was also full of doubts, and then he looked at the people behind him. When his eyes glanced at Chen Ping, he stopped instantly!

Because the suction aura just now was very similar to the aura on Chen Ping's body, and this aura also seemed to have a vague orcish aura!

Although Wagong realized that Chen Ping should be the one to save him, he did not say it out loud. After all, if he saved him, he would have offended the Gao family!

Chen Ping chose to take action secretly, obviously because he didn't want to offend the Gao family, so Wagong couldn't tell Chen Ping at this time!

At this time, Gao Qijie, who was extremely angry, looked at everyone and no one acknowledged it, so he said with a ferocious face: "Now that Watank has lost, these spiritual coins and resources are mine."

"I'll use these things, add 10 million spiritual coins, and continue to compete. Do any of you dare to come on stage to compete with me?"

"That guy who made a secret move just now, if you have the guts, come on stage and challenge me..."

Gao Qijie didn't know who it was, so he used this huge bet to lure the person who had just helped Wagang take action!

Everyone looked at each other in shock, and no one dared to go on stage. After all, they couldn't even deal with a vat, so who would dare to deal with Gao Qijie!

Moreover, everyone was also very curious about the person who secretly rescued Watan just now, and wanted to know who he was!

"Mr. Chen, stop pretending, it's your turn..."

The third elder looked at Chen Ping with a smile!

Chen Ping had just made a secret move, and he had already noticed it!

"In order to get a bigger house, I will give something..."

After Chen Ping finished speaking, he slowly walked towards the ring.

Gao Qijie waited for a while and saw that no one spoke or came on stage. Just as he was about to say something taunting, he found Chen Ping walking out of the crowd, and then walked to the ring step by step!

Gao Qijie was stunned when he saw Chen Ping walking on stage, because he discovered that Chen Ping was only at the second level of the Fusion Realm, yet he dared to go on stage?

Chapter: 4523

When Na Watan saw Chen Ping on stage, he became even more convinced that it was Chen Ping who had just saved him!

When everyone below saw Chen Ping walking onto the stage, they all turned their attention to Chen Ping!

“Who is this guy? With his strength, he dares to go up there?”

“This guy is so fierce. He is strong enough to be at the second level of the Fusion Realm. He dares to go on stage to challenge a monk at the third level of the Fusion Realm. Is he out of his mind?”

“You really want money rather than your life. Where did this fool come from?”

“This trip today is not in vain, it looks like you are having fun!”

Everyone was talking about it, but they all agreed that Chen Ping would be severely humiliated and then thrown off the ring!

Or die directly on the stage!

Although these spiritual coins and resources are very tempting, no one dares to take the stage risking their lives.

At this time, only Liu Ruyan and the others were different from the others, all with a bit of smiles on their faces, waiting to watch the show!

Chen Ping, who is in the second level of the Fusion Realm, is just pretending to be a pig and eating the tiger after he gets there. Even if he is a fifth-level Fusion Realm monk, Chen Ping doesn't look down on him, let alone a third-level Fusion Realm monk!

“I’m here to ask for some advice...”

After Chen Ping came on stage, he raised his hands towards Gao Qijie and said!

Gao Qijie looked at Chen Ping, and then said with some disdain: “Brother, were you the one who secretly took action on the vat just now?”

“What do you think?”

Chen Ping neither admitted nor denied, leaving Gao Qijie to guess!

“I guess it’s not you either. It’s impossible to save Na Watan at the second level of the Fusion Realm. But with your strength, you dare to go on stage to challenge. Aren’t you afraid of death?”

Gao Qijie was confused. How could Chen Ping, a person with such strength, dare to come on stage? He had shown his strength just now. Even Wagang, a third-level Fusion Realm, couldn’t fight back. How could Chen Ping, a second-level Fusion Realm, dare to come up? ?

“I’m afraid of death. I’m just too poor and want to make some money...”

Chen Ping smiled slightly and said!

“Haha, it’s really funny. You have come to this arena to make money. Do you think that with your strength, you can beat me and take away the bet?”

Gao Qijie was amused by Chen Ping!

“I don’t know either, but the bet was so tempting that I couldn’t help it.”

“Otherwise, if you admit defeat and step down, I will take away the money and resources, and the two of us will stop fighting.”

Chapter: 4524

“I’m afraid I won’t hit you lightly or hard, and I’ll hurt you...”

Chen Ping asked with a look of discussion!

Chen Ping’s words made Gao Qijie stunned for a while, and then he reacted: “Boy, what the hell did you say? Hurt me?”

“Even with my hands behind my back, I can kick you to death. Do you believe it?”

“I don’t believe it!” Chen Ping shook his head!

“Since you don’t believe it, I’ll let you see it...”

Gao Qijie said that he was about to take action, but was stopped by Chen Ping.

“Wait a minute, we have agreed. If you can’t beat me with your hands behind your back, you will lose.”

Chen Ping said to Gao Qijie!

“No problem. If I can’t knock you down with just my feet, I will lose.”

Gao Qijie looked confident.

As a direct descendant of the Gao family and a third-level monk in the Fusion Realm, if he can’t deal with the second-level Fusion Realm, he will definitely be scolded when he returns to the Gao family.

“Okay, go ahead!” Chen Ping waved his hand and said!

Gao Qijie put his hands behind his back and kicked Chen Ping!

When Chen Ping saw Gao Qijie’s kick, he hurriedly dodged back!

Gao Qijie’s kick hit Chen Ping’s chest. If Chen Ping was a little slower, he would be kicked!

At this time, Chen Ping looked a little panicked, as if he had escaped this kick by luck!

Seeing that his kick missed, Gao Qijie kicked him out again!

Chen Ping dodged again.

Gao Qijie was stunned for a moment, and then his feet were like hot wheels, kicking towards Chen Ping alternately!

Chen Ping looked very embarrassed, trying to dodge, and even fell to the stage, causing everyone to burst into laughter!

Gao Qijie was a little anxious now. He had kicked so many times, but he didn’t even hit a single one!

Chen Ping can escape with a thrilling finish every time!

“Damn it, I don’t believe it...”

Chapter: 4525

Gao Qijie suddenly stamped his foot, and a cold air instantly spread in the ring. He was planning to use this method to slow down Chen Ping’s dodge speed!

Chen Ping looked at the spreading frost and couldn't help but raise the corners of his mouth, with disdain in his eyes!

Chen Ping condensed the ultimate fire in his body on his feet, and then quietly waited for the frost to arrive!

Soon, the frost spread along the ring to Chen Ping's feet, but Chen Ping remained motionless!

Seeing this, Gao Qijie raised a smile. As long as Chen Ping's feet were frozen by the frost, he would be unable to move. Then he would be able to kick him to death!

But just when Gao Qijie sneered triumphantly, he suddenly froze, and the smile froze on his face!

I saw that the rapidly spreading frost suddenly stopped after reaching Chen Ping's feet, without moving forward at all!

It was as if Bingshuang was afraid of Chen Ping and didn't dare to move at all!

"how so?"

Gao Qijie frowned, then shouted loudly, a large amount of cold mist came out of one foot again, and stepped hard on the ring!

The cold fog erodes the arena, and the frost spreads along the arena again!

However, these frosts bypassed Chen Ping and froze the entire arena!

But within one meter of Chen Ping's feet, there was no frost at all, let alone freezing Chen Ping!

Gao Qijie looked at the scene in front of him in disbelief and felt very strange!

“Damn, it’s really hell, but trapping you within this meter is enough...”

After Gao Qijie cursed, he jumped up and then kicked Chen Ping.

A large amount of cold fog filled the air and headed towards Chen Ping!

Chen Ping smiled disdainfully, moved his body, and instantly left the place where he was standing!

This time, Gao Qijie’s kick missed again!

Gao Qijie couldn’t help but look at Chen Ping and found that where Chen Ping was standing, the frost had disappeared!

Wherever Chen Ping goes, the frost will disappear. This makes Gao Qijie confused!

“It seems that you, Frost, are a little afraid of me...”

Chen Ping said to Gao Qijie playfully!

“Damn, I still don’t believe it...”

Chapter: 4526

Gao Qijie gritted his teeth and attacked Chen Ping again!

Chen Ping just dodged, and every time he dodged so awkwardly, he almost got hit!

This made Gao Qijie continue to speed up his attacks!

In the blink of an eye, Gao Qijie kicked out hundreds of kicks, each one grazing Chen Ping's body!

This made everyone watching the excitement below very anxious.

"Oh, why is this guy so stupid? He is so strong at the third level of the Fusion Realm, but he can't even hit a second level of the Fusion Realm."

"I was so anxious when I saw it. The kick just now hit the target just a little to the left."

"I really want to take that guy down, I'll go..."

"Hit it, you almost hit it!"

Everyone below was shouting, but Gao Qijie's face turned red and embarrassed!

He also wanted to continue fighting, but the rapid attack just now consumed a lot of spiritual energy in his body. At this time, he was already sweating profusely and panting!

"Whether we fight or not, I have to admit defeat. These bets are all mine!"

Chen Ping said to Gao Qijie!

"Of course I have to fight. If I don't destroy you in a few days, wouldn't it be an insult to the reputation of my Gao family..."

After Gao Qijie finished speaking, he flew up and kicked Chen Ping again!

But Chen Ping repeated his old tricks, leaning to one side to avoid Gao Qijie's kick!

But just after Chen Ping dodged a kick, Gao Qijie's hands that were originally behind his back suddenly pushed out two palms towards Chen Ping!

Two extremely cold breaths came quickly towards Chen Ping!

The surrounding air was frozen at this moment, and a vast white ice flower was suspended in the mid-air!

Chen Ping couldn't dodge and was instantly frozen by these two extremely cold air!

Seeing Chen Ping frozen, Gao Qijie raised his lips and said, "Hahaha, let's see how you can hide now..."

Seeing Gao Qijie using his hands, Liu Ruyan immediately said angrily: "You guy, you don't keep your word. If you can't do it without using your hands, you will lose if you use your hands."

"Yes, since you are competing, you must understand the rules of the competition. How can you violate the rules of your superiors?"

The third elder also looked angry!

Chapter: 4527

"Hmph, this is called war, but you know nothing. No matter what, I win now!"

Gao Qijie didn't take it seriously at all when faced with Liu Ruyan and the third elder's doubts!

Although he said not to use his hands, he just doesn't admit it now, as long as he can win!

Liu Ruyan and the third elder were so angry that their faces turned red, and they were still worried about Chen Ping!

Although Chen Ping is very strong and is not afraid of facing fifth-level monks in the Fusion Realm, Chen Ping has been frozen now. As long as Gao Qijie lightly slaps his palm, Chen Ping's body will probably break into pieces. Scumbag!

"Who said you won? Are you happy too early?"

At this time, Chen Ping's voice came slowly!

Gao Qijie was stunned, and quickly looked at Chen Ping, and found that Chen Ping was still frozen, so he asked with confusion on his face: "You are frozen, how can you still talk?"

Gao Qijie got closer to Chen Ping and examined it carefully. He wanted to see what Chen Ping was saying!

"Not only can I speak, I can also beat you..."

After saying that, the ice on Chen Ping's body melted and disappeared instantly, and then he was slapped out!

Gao Qijie was right in front of Chen Ping, observing Chen Ping carefully. He never thought that Frost would suddenly disappear, let alone that Chen Ping would slap him in the face, so no one was mentally prepared!

Snapped!

This slap was so powerful that it instantly knocked Gao Qijie away, and then he fell heavily under the ring!

Gao Qijie stood up slowly and looked at Chen Ping angrily. Half of his face was already red and swollen!

Several teeth also fell out in the blood spit out by Gao Qijie!

“Damn it, I’ll kill you...”

Gao Qijie looked at his fallen teeth and became angry immediately. He wanted to rush to the ring and follow Chen Ping to death!

“Bold, you have already fallen out of the ring. Even if you lose, why do you still dare to enter the ring? Are you trying to cause trouble in our Jialing County?”

When several guards around the ring saw this, they immediately rushed over, pointed their weapons at Gao Qijie and said!

“Third Young Master, don’t be impulsive!”

At this time, two servants of the Gao family rushed forward to stop Gao Qijie.

Gao Qijie looked angry, then looked at Chen Ping on the ring and said: “Boy, just wait for me, I will remember your face...”

Chen Ping didn’t take it seriously. He was not afraid of Gao Qijie’s threat at all. After all, this guy was from the far north, thousands of miles away from here. After this time, he probably would never have anything to do with the Gao family again!

Chapter: 4528

“Third Young Master, let’s leave here and join the Second Young Master as soon as possible!”

The servant whispered to Gao Qijie!

Hearing this, Gao Qijie said with a displeased look on his face: “It’s true that the second brother completely ignored the eldest brother’s instructions for the sake of three stinky girls.”

“If he comes to Jialing County with me, I won’t be humiliated, let alone beaten!”

After Gao Qijie finished speaking, he glared at Chen Ping again before leaving with the two servants!

After Gao Qijie left, Chen Ping glanced at the crowd and said, "Is there anyone who wants to compete with me on stage? I can also use these things as bets."

"If any of you come on stage and lose, I will only charge one million spiritual coins. If you win, it will be 50 million spiritual coins and countless resources!"

As soon as Chen Ping finished speaking, everyone became restless!

Everyone was a little frightened when they just saw Chen Ping knocking Gao Qijie off the ring, but when they heard that one million spirit coins could win 50 million, and there were countless resources, it was a great deal!

Besides, Chen Ping was also very embarrassed when he fought with Gao Qijie just now, which proves that this guy is not very strong, he may just be lucky!

"I'm here to ask for some advice..."

"I come....."

"I'll come too..."

Everyone was vying to get on stage to compete with Chen Ping!

When Chen Ping saw this, he quickly waved his hand and said: "Everyone line up, come on one by one!"

After finishing speaking, Chen Ping looked at Liu Ruyan and said: "Ruyan, you follow the third elder to guard. Anyone who comes to the stage must pay one million before they can come up!"

Liu Ruyan nodded, followed the third elder to guard the entrance of the ring, and started charging!

When Yihe saw this scene, he couldn't laugh or cry. He didn't expect that the majestic Master of Tianlong Hall would actually use the ring to do business!

If he hasn't been kicked out of the Demon Imperial City yet, Chen Ping will definitely not be allowed to do this. Isn't it because he lacks spiritual coins? It's trivial to just give him one billion or eighty million!

"I'm the first, I come first, I come first..."

A thin guy who was only at the first level of the Fusion Realm quickly handed over one million spirit coins and hurried towards the ring!

"Brother, with your strength at the first level of the Fusion Realm, aren't you looking for death if you go up there?"

Someone said!

"You are seeking death at the first level of the Fusion Realm. Maybe this guy has been tired for a long time. I will go up and slap him off the ring!"

Chapter: 4529

The thin guy walked up with confidence!

Chen Ping looked at the monkey-like guy in front of him and felt speechless!

This is really the death of man and money and the death of birds for food!

For money, risk your life!

You must know that life and death are not important in the arena!

“Let the next one come up...”

After taking one look at the thin guy, Chen Ping said to Liu Ruyan!

“Boy, what do you mean? Do you look down on me?”

“I’m still on stage now, we haven’t competed yet!”

“You put the next person on stage, you are...”

The thin guy had an angry look on his face and kept questioning Chen Ping!

Chen Ping was a little impatient. Before the thin guy could finish his words, he slapped him away!

The guy immediately flew more than ten meters away and fell outside the ring!

Fortunately, Chen Ping didn’t kill him. If Chen Ping had used more force, that thin guy would have become a corpse by now!

Seeing this scene, everyone burst into laughter. After all, that guy was only at the first level of the Fusion Realm, and he still wanted to go on stage to pick up the slack. It was simply ridiculous!

Soon, a second-grade Fusion Realm monk came up and attacked Chen Ping as soon as he came on stage!

But Chen Ping didn’t even look at it and said directly: “Next...”

As Chen Ping finished speaking, the second-grade monk in the Fusion Realm was also slapped away by Chen Ping!

Just like that, after more than ten people came up in a row, they were all slapped away by Chen Ping!

Only then did everyone react and gradually became calmer!

“Damn, this guy turned out to be pretending to be a pig and eating the tiger. He is at the second level of the Fusion Realm, but his strength is not that of the second level of the Fusion Realm.”

“You made a mistake. No wonder he dared to let everyone bet one million spiritual coins on him. He has confidence in his feelings!”

“Fortunately, I didn’t go up. It would have been very embarrassing if I was slapped away...”

Everyone was whispering, but no one was on stage!

Chapter: 4530

When Chen Ping saw that everyone was no longer on stage to compete, he loudly said: “Five hundred thousand spirit coins, only half a million spirit coins can compare with me.”

“I’ve been fighting for a long time now, and I’m already very tired and have no energy left!”

Chen Ping pretended to be very tired and panted heavily!

Seeing Chen Ping’s pretentious look, Liu Ruyan laughed!

She didn’t expect that Chen Ping, who had always been decisive in killing, would have such a funny scene!

At this time, Liu Ruyan liked Chen Ping even more!

In addition, Chen Ping was really good in bed, which left her with endless aftertaste...

“Well, since no one dares to compete on stage, I will put away these bets!”

Chen Ping said, putting all 50 million spirit coins and those resources into the storage ring!

“Mr. Chen, you have gained a lot today!”

The third elder laughed!

“The gain is not small, we can buy a luxury house, and you won’t have to squeeze in a small room with Demon Emperor Yihe.”

Chen Ping said proudly!

In the envious eyes of everyone, Chen Ping and the others took the spirit coins and resources and left!

But before he had gone very far, he was blocked by a person who suddenly jumped out.

This man was the man whose life was saved by Chen Ping in the ring!

After Wagong saw Chen Ping, he suddenly knelt down on the ground!

“Benefactor, you saved my life, please accept my worship...”

As Watan said, he knocked down hard!

Chen Ping was stunned, and quickly lifted up the vat with his hand!

“Brother, I am just doing a little work, there is no need to give this big gift...”

Chen Ping said to the jar!

Wa Gong stood up. At this moment, there was a mark of a divine rainbow on Wa Gong's forehead. It could be seen that Wa Gong kowtowed very hard just now!

"Benefactor, I come from the Far North, where there are few resources and it is very barren, so I don't have anything valuable on me."
