

The Order 4531

Chapter: 4531

“If you don’t mind it, I have a jade plaque here, please accept it.”

Wagong took out a fragmented jade plaque from his arms and handed it to Chen Ping!

“I’ve said it before, I’m just doing something with my hands, how can I accept your things?”

Chen Ping shook his head and hurriedly stepped forward to refuse!

But just when Chen Ping’s hand touched the jade plaque in Wagang’s hand, a wave of ice-coldness instantly hit his whole body!

Chen Ping was slightly stunned, with a bit of surprise in his eyes!

You must know that there is fire in Chen Ping’s body, even Gao Qijie’s frost can’t freeze him!

But the jade plaque in front of me, which looks incomplete, actually has such power!

Wagong seemed to see Chen Ping’s doubts, so he said: “Benefactor, this jade tablet is the key to unlocking the treasure of our ancient body-refining clan. In the past, when our ancient body-refining clan had not declined so much, in the far north, A treasure has been buried, and there are many rare and rare treasures in it!”

“Later, something happened to our ancient body-refining clan. Many people were killed, and some people abolished the technique and practiced the spiritual energy technique again, so the location of the treasure became a mystery.”

“No one has discovered the location of the treasure yet. After so many years of being passed down from generation to generation, the treasure has now become a legend, and the jade key has also been damaged.”

“However, although it is damaged, this is still the most precious gift for our ancient body refining clan.”

“Why would you hand over such an important thing to me?” Chen Ping looked surprised!

Although he saved Wagong’s life, he couldn’t give himself such an important thing just by taking action. If they found the treasure by themselves and opened the treasure, wouldn’t those rare treasures be theirs?

“My benefactor, you don’t know something. Our ancient body-refining clan is now facing extinction. Maybe before we find the treasure, there will be no ancient body-refining clan anymore.”

“We focus on using Qi to transport power and generate vitality in the body. Our kind of cultivation method is the most difficult. Because of this, there are fewer and fewer people who still practice ancient body-building exercises. ”

“This jade tablet is of no use at all in my hand, and it will also bring danger to me. The people of the Gao family have been forcing us ancient body refiners to be loyal to them, just to get this jade tablet!”

“I will hand over the jade tablet to you now. If the benefactor is destined, he may be able to find the treasure of our ancient body-refining clan, which must contain the skills of our ancient body-refining clan.”

“As long as the benefactor can retain these skills, maybe one day the ancient body refiners will reappear in this world.”

Wagon’s eyes were a little moist, and what he said was a little tragic!

After all, their ancient body-refining clan is about to perish and disappear completely in the long river of history. For ancient body-refining warriors like them, it is indeed very cruel!

“Brother, you don’t have to be so pessimistic. The ancient body-refining clan will not disappear. Don’t worry!”

Chen Ping really wanted to tell Wagang that in the secular world, martial arts is still very popular, and there are many strong martial arts masters!

But as for whether these martial arts masters will eventually become ancient body-training warriors and choose body-training techniques to continue practicing, Chen Ping can't say!

Chapter: 4532

"My benefactor, you don't have to persuade me. Those who fall behind will be eliminated. Our ancient body-refining clan is also prepared to disappear completely."

"You accept this jade token. I'm afraid I won't have a chance to leave the Far North this time. The Gao family has occupied all the resources in the Far North. I traveled thousands of miles to come to Jialing County just because I want to. We have to rely on the arena to win some spiritual coins and resources, and then bring them back so that our ancient body-refining clan can take a breather."

"Now it seems that after I go back, our ancient body refining clan can only wait for the massacre of the Gao family..."

After Wagong finished speaking, he shed two tears. After putting the jade pendant into Chen Ping's hand, he turned around and left!

Looking at Watan's back, Chen Ping seemed to feel a little uncomfortable, so he chased after him in two steps!

"Wait a minute..."

Chen Ping stopped Watan!

"Benefactor, is there anything else?"

Wagong looked at Chen Ping and asked!

"Do you have anything like a storage bag?" Chen Ping asked!

Wagong nodded: "I brought a storage bag this time. I wanted to hold various resources."

"Take it out..." Chen Ping said!

Watan was stunned, then took out the storage bag and said: "Benefactor, if you want this storage bag, then I will give it to you too. Maybe I won't need it in the future."

With that said, Watan handed the storage bag to Chen Ping!

Watan misunderstood Chen Ping and thought Chen Ping wanted a storage bag!

But Chen Ping smiled and did not explain. Instead, he opened the storage bag and threw all the spiritual coins and resources he won from the storage ring into the storage bag!

"These are tens of millions of spiritual coins from today's competition, and there are still a lot of resources. If you take them back, you, the Ancient Body Refining Clan, should be able to live for a while."

"If I have the opportunity and time, I will definitely go to the far north to see your ancient body-refining clan. You, the ancient body-refining clan, are not without any merit. Don't be discouraged and persevere. You can also ascend. Becoming an immortal."

Chen Ping comforted him in front of the jar!

Wagong looked at Chen Ping, holding the storage bag in his hand, and burst into tears instantly!

A tall and strong man, now crying like a child!

In a society like the world of gods and humans, where the jungle prevails, it is not easy to feel such concern!

After Watan left, Chen Ping threw the jade token into the storage ring!

Although this is a good thing, Chen Ping still has many things to deal with now, and he has no time to go to the far north to find the treasure of the ancient body refining clan!

Chapter: 4533

“Chen Ping, I can’t tell, but you are still kind-hearted. You have given away tens of millions of spiritual coins and resources. It seems that we will continue to live in that small courtyard.”

Liu Ruyan looked at Chen Ping and said with a playful smile!

Looking at Liu Ruyan’s smile, Chen Ping knew what she was thinking. She must be thinking about what happened that night again!

“Mr. Chen’s warm-heartedness is rare in the world of gods and humans...”

The third elder praised Chen Ping!

“Okay, don’t praise me anymore. Since the spirit coins have been given away, let’s earn them back...”

“If we compete a few more games, we can win it back!”

Chen Ping smiled and said!

“Mr. Chen, if you still go, your reputation has been established. I guess no one will be able to compete with you if you go again.”

Yihe said to Chen Ping!

“Then let’s not go to the east arena. Let’s go to the south arena...”

Chen Ping said, walking towards the south arena!

The southern arena is prepared for monks from the fourth to sixth levels of the Fusion Realm. Although Chen Ping is only at the second level of the Fusion Realm, he is not afraid of encountering monks from the sixth level of the Fusion Realm!

Several people walked towards the south ring. Before they reached the ring, they saw from a distance that there were already many people around the ring!

The excitement of the arena here is no worse than that of the arena to the east!

But before Chen Ping and the others got close, they heard someone talking quietly!

“Today is really weird. You said that the Feitian Sect is so rich, and the dignified elders of the Feitian Sect are here to compete and compete with us for the bet!”

“It’s true. When I saw the Feitian Sect elder, I thought he was a beggar. His clothes were in tatters, as if he had been beaten.”

“Let’s just watch the excitement from the sidelines. Now that the Feitian Sect elder is on the stage, no one is stupid enough to compete. Even if we can defeat the Feitian Sect elder, we still have to consider the strength of the Feitian Sect behind him.”

“The main reason is that when we travel, we also need to use the Feitian Sect’s airship. We really offend the Feitian Sect and restrict our travel. Then we will really have to rely on our legs to walk!”

Everyone was talking very quietly, but Chen Ping and the others really heard it!

“Elder of the Feitian Sect? Could it be that Shi Tieqiao and the others are also here?”

The third elder said!

“It’s possible, we’ll find out after we go see it!”

Chapter: 4534

Chen Ping and the others squeezed into the crowd with all their strength!

Sure enough, I saw Shi Tieqiao standing on the ring. His clothes were indeed in tatters, as if he had just escaped!

At this time, Shi Tieqiao glanced at everyone, then clasped his fists and said: “Thank you for your support. Since there is no one to compete, I will take away the bet in the ring...”

Shi Tieqiao also knew that the reason why many people did not go on stage to compete with him was not because they were afraid of him and could not beat him, but because they were afraid of the Feitian Sect behind him, so there was no need to offend the Feitian Sect for a small bet!

Shi Tieqiao had no choice but to come to this arena to get some spiritual coins. They were chased by the bloodthirsty thunder eagle, killing and injuring many monks. Shi Tieqiao and the old woman were lucky enough to escape to Jialing County!

But being penniless, Shi Tieqiao couldn’t even change his clothes, so he could only go to the ring, win some bets, so that he could change his clothes, find a place to take a good rest, and then consider how to report back to the sect master!

After all, losing three pterosaurs was a big sin. Shi Tieqiao and the old woman didn’t dare to notify the Feitian Sect yet!

Chen Ping looked at the Shitieqiao on the ring and couldn’t help but laugh out loud. He didn’t expect that this guy had escaped the pursuit of the bloodthirsty Thunder Eagle!

But this embarrassed look is really ridiculous!

Just when Shi Tieqiao picked up the bet and was about to get off the ring, a voice suddenly rang.

“Elder Shi, my hands are a little itchy and I would like to ask Elder Shi for some advice...”

At this time, Chen Ping walked out of the crowd and then jumped onto the ring!

When Shi Tieqiao saw Chen Ping, he was angry and anxious, with a face full of anger!

“Chen Ping, you are such a dishonest guy, you dare to lie to us, you will have to die...”

Shi Tieqiao gritted his teeth and said to Chen Ping!

“That’s your own fault. It has nothing to do with me.”

Chen Ping raised the corner of his mouth and said!

“I...” Shi Tieqiao was furious, raising his hand and wanting to take action!

But just as he raised his hand, he dropped it again, because he knew that he was no match for Chen Ping!

If they really fight in the ring, he will definitely lose. When the bet is gone, he will still be ridiculed, and the Feitian Sect will lose all face!

“I have something to do today, so I won’t fight you, but remember, I, the Feitian Sect, will not let you go.”

Shi Tieqiao snorted coldly and was about to get off the ring!

“You can’t leave. I’m a contestant. If you get out of the ring, you lose. You have to keep the bet!”

Chen Ping smiled and said!

Chapter: 4535

“I won’t compete with you...” After Shi Tieqiao finished speaking, he continued to walk towards the bottom of the ring!

“It doesn’t matter whether you want to compete or not. This is the rule of the ring. You must compete on stage.”

Chen Ping stopped Shitieqiao!

Shi Tieqiao looked at Chen Ping and gritted his teeth angrily, but there was nothing he could do if he couldn’t defeat Chen Ping!

“Chen Ping, you are only a second-grade Fusion Realm monk, and you are not suitable for this arena at all. I will not bully the small, let alone compete with you.”

Shi Tieqiao could only move out of the arena and speak according to the rules. After all, the southern arena was prepared for monks from the fourth to sixth levels of the Fusion Realm.

Shi Tieqiao wanted the rules to suppress Chen Ping, because he didn’t want to compete with Chen Ping at all, and he couldn’t beat Chen Ping!

Now, he just wants to get some spiritual coins so that he can have a place to live and change his clothes!

“Can’t those with low-level cultivation compete with those with high-level cultivation? What’s the rule?”

Chen Ping asked!

“Yes, the reason Princess Jialing sets up level settings for each arena is to prevent high-level monks from bullying low-level monks. She has never said that low-level people are not allowed to challenge high-level ones.”

The third elder said loudly!

After hearing the third elder's words, others also started talking about it.

"I've never heard of it, but I've never seen it, any fool coming to compete in a high-level arena!"

"Isn't this the only one who dares to run into this arena and challenge a fifth-level Fusion Realm monk who is at the second level of the Fusion Realm? Isn't this looking for death?"

"I really don't understand. Is there something wrong with this guy's brain?"

Everyone was talking, and Shitieqiao looked at the guards under the arena and said, "Brothers, he is a second-level Fusion Realm monk. Isn't it against the rules to come to the south arena to challenge?"

These guards, in addition to guarding the safety of the ring and preventing people from fighting outside the ring, are also interested in refereeing. If someone violates the rules, they will take him away without hesitation!

Just like Gao Qijie, who had already fallen outside the ring, but still wanted to run into the ring to fight with Chen Ping, but was stopped by the guards in time!

"this....."

Several guards were also a little confused. The purpose of setting up the level division was to prevent those with higher levels from bullying those with lower levels!

Something like this, a low-level leapfrog challenge to a high-level one, has never happened before, and they don't know if this is against the rules!

Just when several guards didn't know what to say, a middle-aged man wearing a blue satin gown came over!

After seeing the middle-aged man, several guards immediately saluted and said, "Master Yan..."

Chapter: 4536

Master Yan nodded, then looked at the stage and said to Shi Tieqiao: "Elder Shi, although this arena is divided into level restrictions, it only restricts high-level monks from bullying low-level monks!"

"As for today's situation, it does not violate the rules. You can compete normally..."

After Master Yan finished speaking, he kept looking at Chen Ping. He was very curious as to how a monk who was only at the second level of the Fusion Realm dared to come to this arena and challenge Shitieqiao who was at the fifth level of the Fusion Realm.

"Did you hear that? It's not against the rules. The two of us can compete..."

Chen Ping said with a cold smile!

Shi Tieqiao looked at Chen Ping, his face livid with anger, and finally snorted coldly: "Chen Ping, as a fifth-level monk of the Fusion Realm, of course I will not compete with you. If you win, it will be considered as my bullying you. I just admit defeat!"

"But remember, our Feitian Sect will not let you go, and you must share the three Sky Thunder Fruits you picked with me."

As soon as Shi Tieqiao finished speaking, everyone was in an uproar and looked at Chen Ping in disbelief!

They were not surprised because Shi Tieqiao gave up, but because Chen Ping actually had three Sky Thunder Fruits in his hand, which surprised them tremendously!

You must know that the Sky Thunder Fruit is the treasure of the Thunder Eagle King, and no one dares to pick it easily. Moreover, the thunder tree has the power of thunder and lightning that day, so it is not easy to pick it!

Even Master Yan's face changed, and he looked at Chen Ping in surprise, his eyes full of disbelief!

Chen Ping felt the strange looks from everyone, and he knew that Shi Tieqiao deliberately said this in public!

The purpose is to make Chen Ping noticed by everyone!

As the saying goes, a man is not guilty of having a jade in his possession. Now everyone knows that Chen Ping has the Thunder Fruit. I don't know how many people will take advantage of Chen Ping!

"Now that you've given up, get out of here. If you let me see you, I'll kill you!"

Chen Ping scolded Shi Tieqiao fiercely, then picked up the bet and left!

He wants to leave here as soon as possible. If he stays here, someone might take risks, which will be troublesome!

Upon seeing this, Liu Ruyan and the third elder also hurriedly left with Chen Ping.

But even if Chen Ping left, there were many people following him, probably wanting to see where Chen Ping would end up!

Shi Tieqiao watched Chen Ping leave in a panic, and suddenly showed a proud smile. His purpose was to tell everyone that Chen Ping had the Sky Thunder Fruit!

After Chen Ping and the others left, Shi Tieqiao also wanted to take the old woman away, but was stopped by Master Yan!

"Elder Shi stays..."

Lord Yan said!

"Master Yan, is there anything else?" Shi Tieqiao asked!

Chapter: 4537

“Elder Shi, the young man named Chen Ping you just mentioned, does he really have three Sky Thunder Fruits in his body?”

Master Yan asked Elder Shi!

“Of course, I can still lie!”

Shi Tieqiao nodded and said!

“He is only at the second level of the Fusion Realm. How can he pick up the Sky Thunder Fruit? I’m afraid he can’t even enter the Eagle King’s Cave, right?”

“And you look so embarrassed, what happened?”

Master Yan asked Shitieqiao!

But Shi Tieqiao’s expression was a little hesitant, as if he didn’t want to talk about it. After all, he was fooled by Chen Ping, which was so embarrassing!

Upon seeing this, Master Yan took out a bag of spiritual coins from his body and threw it to Shi Tieqiao, and continued: “Elder Shi, no matter what difficulties you encounter, since you have arrived in our Jialing County, we should treat each other with courtesy.”

“You will have a good rest in Jialing County, so for all purchases, just mention my name.”

“Thank you, Master Yan!” Seeing this, Shi Tieqiao thanked him quickly, and then told Chen Ping about picking three Thunder Fruits!

But he just said it briefly, and didn’t mention that he lost the three-headed pterosaur and was teased by Chen Ping!

“How can someone who is only in the second level of the Fusion Realm have such a powerful body that is not even afraid of the thunder and lightning power of the Sky Thunder Tree?”

“But this Thunder Eagle King was also careless. He left the Eagle King’s Cave without sending more experts to protect the Thunder Tree that day!”

Lord Yan was very surprised!

“Maybe the Thunder Eagle King didn’t expect that someone could easily withstand the bombardment of the Sky Thunder Tree.”

Shi Tieqiao said!

“I wonder what Thunder Eagle King’s expression will be when he finds out that he has lost his Sky Thunder Fruit.”

Lord Yan smiled playfully, then cupped his hands and said, “Thank you, Elder Shi, for telling me. I’ll take my leave...”

Master Yan left, and Shi Tieqiao followed the old woman to find a place to rest!

When Chen Ping and the others returned to the small courtyard where they lived, many people followed them, and Chen Ping and the others could not drive them away!

“Mr. Chen, I think you should try your best to go out as little as possible from now on. You will probably become a celebrity now!”

Yihe said to Chen Ping!

“Yes, thanks to this being in Jialing County, no one dares to take action. If it were elsewhere, those people would have taken action long ago for the sake of the Sky Thunder Fruit.”

Chapter: 4538

The third elder also nodded and said!

“It seems that this small courtyard will never be quiet in the future!”

Liu Ruyan said a little depressed!

It would be very inconvenient if someone was guarding the yard all day long, especially when she and Chen Ping were sleeping at night. Wouldn't it be embarrassing if they were eavesdropped?

“Don't worry about those people, just do whatever you want, anyway, they don't dare to do anything here!”

Chen Ping said indifferently!

“I'm afraid that this news will reach the ears of the Thunder Eagle King. If he finds out that Mr. Chen picked his Sky Thunder Fruit, he will definitely not let it go. I am very powerful right now. Just the few of us put together. He is no match for the Thunder Eagle King!”

Yihe said worriedly!

“Don't worry, even if the Thunder Eagle King knew about it, he wouldn't dare to do anything in Jialing County. As long as we don't leave here, we'll be fine!”

“I will find a way to restore your strength and detoxify you here.”

Chen Ping said with a faint smile!

“If my strength recovers, and you guys are included, I won't be afraid of the Thunder Eagle King!”

Yihe said!

“Okay, let’s all rest. There will be a way to reach the mountain, so you don’t have to think about it so much!”

Chen Ping comforted everyone and let everyone rest!

For a whole day, Chen Ping and the others never went out again, and the people who had gathered outside slowly dispersed.

At night, Liu Ruyan approached Chen Ping again!

Of course Chen Ping knew what Liu Ruyan wanted, so he turned over and pressed forward!

Just when the two were entangled and Liu Ruyan was about to die, Chen Ping suddenly stopped!

“What’s wrong?” Liu Ruyan asked!

“There’s someone outside...”

Chen Ping was keenly aware that someone had sneaked into the yard!

When Liu Ruyan heard this, his face turned red with embarrassment. If there was someone outside, wouldn’t the voice just now be heard?

Chen Ping got up, put on his clothes and walked straight out of the room!

Chapter: 4539

Liu Ruyan wanted to follow, but Chen Ping stopped him because he didn't know who was coming outside. If Liu Ruyan followed him out rashly and was controlled by the other party, Chen Ping would be very passive!

After walking out of the room, Chen Ping scanned the yard for a week, then walked out of the yard directly and came to an alley not far away!

"Come out, sneaking into other people's homes at night is not what a gentleman would do!"

After Chen Ping entered the alley, he suddenly turned around, looked at the empty alley and said!

"Hahaha, I originally went for the Sky Thunder Fruit, but I didn't expect to hear such a good show!"

Accompanied by laughter, a figure slowly appeared from the void.

This man was dressed in black clothes and had some beard. He looked to be over fifty years old. His aura shrouded the surroundings, and he was at the fifth level of the Fusion Realm!

It seems that this person wants to seal this place to prevent Chen Ping from escaping!

"So what if I hear it? I can only listen but not see. Wouldn't it make you anxious to death?"

Chen Ping said with a cold smile!

"Hmph, I have played with thousands of women, how can I be anxious!"

"Originally I didn't know how to attack you, but now you have come to this remote place. Are you creating opportunities for me?"

The man looked at Chen Ping coldly and said!

“You want to steal my Sky Thunder Fruit?” Chen Ping asked!

“Yes, if you take the initiative to hand over the Sky Thunder Fruit, I can spare your life and save you the trouble of taking action.”

“But if you don’t hand over, don’t blame me for being rude. When the time comes, I will kill you, then melt you with Bone Erosion Powder, and make you completely disappear from this world!”

The man threatened Chen Ping!

Chen Ping didn’t care about the man’s threat. Instead, he looked at the man and said, “Are you a pharmacist?”

Chen Ping’s words made the man obviously stunned, and then he asked with confusion on his face: “Do you know me?”

“I don’t know you. I just guessed. I didn’t expect you to be a pharmacist!”

Chen Ping was just guessing, but he didn’t want this man to be fooled.

When the man saw that he had been tricked by Chen Ping, he suddenly said with a fierce expression on his face: “Boy, stop being sharp-tongued and hand over the Sky Thunder Fruit to me quickly!”

“If I don’t hand it over, do you dare to take action? This is Jialing County, and it is forbidden to do anything in the city. You won’t violate Jialing County’s rules, right?”

Chen Ping said confidently!

Chapter: 4540

“Hmph, kid, you are so naive. Do you think that with the rules of Jialing County, you will be safe and no one will dare to do something to you?”

“I’m going to kill you now, and then I’m destroying your body and removing all traces of it. Who knew I was doing it?”

The man snorted coldly!

“In that case, then go ahead and do it, I won’t give the Sky Thunder Fruit to you!”

Chen Ping said calmly!

Seeing that Chen Ping did not hand over the Sky Thunder Fruit, the man was furious. Then he took out a formation disk and waved it with all his strength. The formation disk exploded in mid-air, and then Chen Ping and the two of them were shrouded in a white light curtain. !

“Boy, this is a forbidden formation. Our space has been locked. You can’t see anything from the outside, and you can’t even think of escaping from this formation!”

“For these three Thunder Fruits, I took out my blood book...”

The man smiled proudly, and then all the aura on his body burst out!

It was obvious that the formation disk in this man’s hand was bought at a high price. After all, as a pharmacist, it was impossible for this man to carve the formation disk by himself!

Now that the man has directly used the formation plate, he has made a huge investment!

“I didn’t want to embarrass you and make a move with you, but if you insist on taking action, then don’t blame me...”

Chen Ping shook his head helplessly and said!

“Boy, how come you, a second-level monk in the Fusion Realm, say such shameless words? It seems that if I don’t let you suffer, you really don’t know how powerful I am!”

After saying that, the man’s body suddenly rose into the air, and then he punched Chen Ping!

The man’s strength was so great that he punched out, instantly tearing the void apart and making bursts of explosions!

Because there is a formation, the man is not afraid to expose himself!

The man was also extremely fast and was in front of Chen Ping in the blink of an eye!

Chen Ping just watched quietly. As soon as the man arrived in front of him, Chen Ping raised his hand and blocked the seemingly fierce punch!

“you.....”

The man was shocked. How could a second-level Fusion Realm monk block his punch so easily?

And the power conveyed from Chen Ping is also very amazing!

“You’re surprised, aren’t you? There’s even more surprise.”

Chen Ping sneered, and then the power of the dragon exploded in his body. The huge power caused the man to be blown away instantly!
