

The Order 4541

Chapter: 4541

“This... what kind of power is this? Is it so terrifying?”

The man fell from the air with a look of disbelief on his face!

But Chen Ping didn't answer, but with a sway of his body, he was in front of the man!

The man was shocked and hurriedly punched to resist Chen Ping's attack!

But he couldn't resist it at all!

Chen Ping's fists fell like heavy rain!

Hundreds of punches were thrown in an instant, but the man could only keep retreating!

Even the taboo formation was instantly shattered under Chen Ping's fierce bombardment!

The man vomited blood and leaned against the wall with a face full of fear!

He never expected that his fifth-level Fusion Realm strength would be unable to fight back against Chen Ping, a second-level Fusion Realm strength!

If he knew this was the result, he wouldn't come to snatch Chen Ping's Sky Thunder Fruit even if he died!

Looking at Chen Ping's cold eyes, the man was afraid, so he begged for mercy: “Brother, you and I are both pharmacists, so just let me go. Besides, we have a close relationship with your Jade Cauldron Sect!”

It was obvious that this man knew that Chen Ping was from the Jade Cauldron Sect. After all, Chen Ping was with the third elder. Many people knew the third elder, especially the pharmacists who came to attend the pharmacist meeting!

“If it was me who was lying under the corner just now, would you spare my life because I am a pharmacist and a member of the Jade Cauldron Sect?”

Chen Ping asked rhetorically!

At this time, the man didn't know how to answer, because he would definitely not let Chen Ping go!

Seeing that the man stopped talking, flames slowly rose on Chen Ping's right hand: “Since you want to use Bone Erosion Powder to melt me, then I will use spiritual fire to refine you...”

Just when Chen Ping was about to take action, a sudden breeze blew by, and the spiritual fire on Chen Ping's palm was instantly extinguished.

Immediately afterwards, a figure descended from the sky and said: “Little friend, please do not fight or kill anyone in Jialing County, otherwise you will be severely punished.”

When the figure fell in front of Chen Ping, Chen Ping saw clearly that the person coming was Master Yan whom he had seen in the South Arena during the day!

The appearance of the other party instantly put a lot of pressure on Chen Ping!

However, Chen Ping still stepped forward without being humble or arrogant and said: “Master Yan, the other party took action first and wanted to rob me of my things and also wanted to kill me. Can't I even defend myself?”

“If it were me who was defeated now, my life might have been lost long ago...”

Seeing Chen Ping like that, Master Yan smiled lightly and said, "Even if you are defeated and can't defeat him, do you think he can kill you."

Chapter: 4542

"Do you really think that the rules of our Jialing County are just decorations? If you can do whatever you want with the taboo formations in our Jialing County, then the face of our Jialing County will have been completely lost..."

After listening to Master Yan's words, Chen Ping understood instantly. It seemed that Master Yan had been here for a long time, and the process of their actions was clearly seen!

Even if Chen Ping is defeated and cannot be killed, Master Yan will still take action!

The reason why Master Yan didn't show up to stop the conflict immediately was probably because he was deliberately observing his own strength!

Thinking of this, Chen Ping couldn't help but break out a trace of cold sweat on his forehead. Chen Ping didn't even notice that Master Yan was here. It was obvious that the other party was much stronger than himself!

From this point of view, the strength of the princess of Jialing County should be higher. Chen Ping didn't know how powerful Jialing County was!

If the princess of Jialing County also becomes greedy and wants her own Sky Thunder Fruit, it will be really dangerous!

Chen Ping is afraid that there is no room for resistance at all, and there is no way to escape from Jialing County!

Now Chen Ping regrets humiliating Shitieqiao and letting him reveal that he possesses the Sky Thunder Fruit!

"Master Yan, Master Yan, I was wrong, I was wrong....."

After seeing Lord Yan, the man hurriedly crawled over on his knees!

Master Yan glanced at the man coldly and said, "You blatantly violated the rules. This is because you don't take Jialing County seriously."

"Since you look down on me, Jialing County, then don't join our Jialing County Pharmacist Association, and take your sect's people out of Jialing County, and you will never be allowed to enter again!"

"If I find your people entering Jialing County, they will be killed without mercy..."

Master Yan's words made the man collapse to the ground in an instant. If he could not participate in the Medicine Master Meeting, the strength of their sect would be greatly reduced, and they would be surpassed by many medicine refining sects!

But who allowed himself to be greedy and violated the rules of Jialing County!

This is self-inflicted trouble...

The man stood up rudely, and finally slowly disappeared deep into the alley!

"My little friend's strength is really impressive!"

"But don't worry, no one in Jialing County can steal your things. I can guarantee this."

Lord Yan smiled slightly.

"Thank you, Master Yan!" Chen Ping said!

"No need to thank you. This is my responsibility. It's not just you, it's the same for everyone who enters my Jialing County."

After Master Yan finished speaking, his figure slowly disappeared!

Chapter: 4543

At this moment, Chen Ping finally understood why Jialing County was so prosperous and filled with all kinds of gambling. After all, if you come here to play, no matter you win or lose, your life is guaranteed!

After Master Yan left, Chen Ping looked at the dark streets outside and slowly walked out of the alley!

Chen Ping's eyes were cold and there was a bit of chill on his face!

On the dark street, several monks looked embarrassed!

These people just wanted to take advantage of the situation, but they didn't expect things to turn out as they expected!

Originally, they thought that fighting a fifth-level Fusion Realm monk against a second-level Fusion Realm monk would be as easy as an adult beating a child!

As long as that man gets the Sky Thunder Fruit, they can still get a share of the pie even if they threaten him!

But I never expected that the person who was beaten and knelt down to beg for mercy in the end was actually the fifth-level monk of the Fusion Realm!

This time they really saw Chen Ping's strength!

Everyone was secretly glad that they didn't attack Chen Ping rashly!

Chen Ping looked at those monks with evil intentions coldly, and they were so frightened that they dodge their eyes and did not dare to look at Chen Ping!

“This little friend, we just came out for a walk after a long night of unintentional sleep.”

“Yes, we are just strolling around, nothing else!”

“I see there is a pub with lights on in front. Let’s go have a drink...”

Several monks hurriedly explained, and then left quickly!

Chen Ping didn’t care about them, but turned around and walked back to his small courtyard!

After returning to the room, Liu Ruyan asked, “What’s going on?”

“It’s okay, there was just someone spying on the Thunder Fruit, but they were driven away by the people from Jialing County!”

“Private fights are not allowed in Jialing County, and they don’t dare to attack me.”

Chen Ping explained!

“That’s good. Since there’s nothing wrong, let’s continue sleeping!”

After Liu Ruyan finished speaking, she blushed and stepped forward to hug Chen Ping!

Chen Ping also smiled. He knew that Liu Ruyan had tasted the sweetness.

As soon as Chen Ping turned over, another spring breeze passed by.....

Chapter: 4544

the next day!

Chen Ping planned to take Yihe to Suo Xingyue to see if Suo Xingyue could find a way to remove the poison from Yihe!

Suo Xingyue's Danyang Sect lives in the most luxurious mansion where the Medicine Master Association is based!

Chen Ping brought Yi He to the Pharmacist Association. The huge gatehouse in front of them showed the magnificence of the Pharmacist Association. This shows how much Jialing County attaches great importance to the Pharmacist Association!

Chen Ping brought Yi He to the door, where two third-level Fusion Realm monks were guarding the door.

"The Pharmacist Association has not yet opened, and casual personnel are not allowed to enter..."

A guard stopped Chen Ping and Yi He and said!

"Brother Guard, I have a token here..."

Chen Ping said, taking out Suo Xingyue's token!

After the guard looked at the token, he nodded and said: "Go in, the Danyang Gate's mansion is in the third building on the left, don't wander around, you know?"

"clear....."

Chen Ping nodded, and then led Yihe into the Pharmacist Association!

According to what the guard said, Chen Ping found the Danyang Sect's mansion. Because the Danyang Sect acted as a referee, they were allowed to live in the Medicine Master Association, while those participating sects could only live outside!

There are also people guarding the door of Danyangmen's mansion, which can be said to be very heavily guarded.

Chen Ping took out the token and entered the mansion smoothly, then took Yihe and sat down in the living room!

"Mr. Chen, is Mr. Chen here?"

After a while, Suo Xingyue's voice came, and then he saw Suo Xingyue running in hurriedly!

After seeing Chen Ping, Suo Xingyue's face was filled with joy.

At this time, behind Suo Xingyue was a young and beautiful girl in her twenties!

The girl kept looking at Chen Ping!

"Zhuzhu, this Mr. Chen is the benefactor who rescued me from the demon cultivator on the way. Please salute me quickly..."

Suo Xingyue said to the girl behind him!

"Master, this guy can't even reach the second level of the Fusion Realm, and his strength is not as strong as mine. How can I save you? You must have remembered it correctly, right?"

Zhuzhu looked at Chen Ping, she was not at a high level and it was impossible to save Suo Xingyue from the demon cultivator!

Chapter: 4545

“Don’t talk nonsense. If Mr. Chen hadn’t saved me, I would still be tortured at the hands of the demon cultivator.”

“Hurry up and apologize to Mr. Chen...”

Suo Xingyue yelled at Zhuzhu!

Zhuzhu looked aggrieved, but Chen Ping said generously: “Elder Suo, there is no need to be angry. My level is indeed no better than your apprentice’s!”

When Suo Xingyue heard this, she quickly said in embarrassment: “Mr. Chen, please stop keeping a low profile. Even I am not your opponent. In your hands, I’m afraid I won’t even be able to catch a slap in the face!”

Zhuzhu on the side was very unconvinced when she heard Suo Xingyue demeaning herself, but she didn’t dare to say anything!

“Elder Suo deserves the reward...” Chen Ping smiled lightly!

“Mr. Chen, please sit down quickly...” Suo Xingyue asked Chen Ping and Yi He to sit down, and then said to Zhuzhu: “Zhuzhu, go make tea...”

Zhuzhu left reluctantly. In fact, Suo Xingyue wanted to send Zhuzhu away because he knew that Chen Ping was looking for him, so there must be something wrong!

After Zhuzhu left, Suo Xingyue said to Chen Ping, “Mr. Chen, I wonder if you have something to do with me?”

“If you have anything, just ask. As long as I can handle it, I will never refuse.”

“But if it’s a competition between pharmacists, I’m afraid there’s nothing I can do. Although I’m a referee, the rules in Jialing County are very strict, and I don’t dare to cheat.”

Suo Xingyue thought that Chen Ping was looking for him at this time because he wanted him to cheat in the alchemy meeting. After all, the Jade Cauldron Sect was also here to compete, and if he could win, there would be a very generous reward!

“Elder Suo, you misunderstood. I am not doing this for the Medicine Refining Society. This friend of mine has been poisoned by a strange poison, which prevents him from exerting his strength.”

“I’ve checked, but I can’t do anything, so I want to ask Elder Suo to help me see if there is any way to cure it.”

Chen Ping explained!

When Suo Xingyue heard this, she looked at Yihe. After sizing up Yihe, a wisp of breath enveloped Yihe.

After a moment, Suo Xingyue frowned and his expression became a little serious!

“It’s really strange. Since I’m poisoned and my strength cannot be used, why can’t I detect the toxins in my body?”

Suo Xingyue said with a puzzled face!

“Elder Suo, the poison that my friend was poisoned with is the part of the sea of consciousness that controls the damage, so it cannot be detected in the body.”

Chen Ping said!

When Suo Xingyue heard this, he once again emitted a spiritual consciousness and entered Yihe’s sea of consciousness!

This time, Suo Xingyue made a discovery and withdrew her consciousness and said: “So that’s it. This is the first time I’ve seen this kind of poison, so I can’t make a conclusion!”

Chapter: 4546

“Otherwise, you stay here for a while, and when my senior brothers come back, we can consult together to see if there is any way to detoxify!”

“Thank you so much, Elder Suo.” Chen Ping said with gratitude after hearing this!

At this time, Zhuzhu had already made tea, poured it for several people, and then looked at Chen Ping!

“Mr. Chen, I wonder if you have passed the pharmacist level assessment?”

Suo Xingyue asked!

“Assessment? Not yet...”

Chen Ping didn’t take the exam at all.

“Mr. Chen, only certified pharmacists who have passed the pharmacist assessment can participate in this medicine refining meeting.”

“The medicine refining meeting will start soon, and you haven’t passed the test yet!”

Suo Xingyue said anxiously!

“Ah?” Chen Ping was a little confused. He had not heard the third elder say it, so he asked, “What should we do now?”

“Mr. Chen, you don’t have to worry. There is an examination site for alchemists in Jialing County. I will let Zhuzhu take you there.”

“Since Zhuzhu is taking you, the personnel at the assessment site will have to give you some respect. If everything goes well, you will be able to get your alchemist’s certificate today.”

Suo Xingyue said!

“Master, I have something else to do, I don’t have time...”

When Zhuzhu heard this, she suddenly became unhappy!

“Shut up, you dare to disobey orders, don’t you?”

Suo Xingyue glared at Zhuzhu and said!

“Master, this Jialing County Alchemist Examination Center requires at least a third-grade superior pharmacist qualification. Do you think this guy is qualified?”

“My current level of medicine refining has just reached this standard. This guy is definitely not enough.”

“It was a waste of time that I took him there...”

Zhuzhu looked down on Chen Ping at all, thinking that Chen Ping was of low level and his level of refining medicine was definitely not good!

“If you are asked to go, just go. Why are you talking so much?” Suo Xingyue was angry, and her face was very gloomy!

Seeing that her master was really angry, Zhuzhu could only stop talking!

Chapter: 4547

“Mr. Chen, don’t worry, my apprentice has been spoiled by me...” Suo Xingyue apologized!

“It doesn’t matter!” Chen Ping smiled lightly: “But my friend has to trouble Elder Suo.”

“Don’t worry, Mr. Chen. When my senior brother and the others come back, we will treat him right away.”

Suo Xingyue promised!

Chen Ping followed Na Zhuzhu away, and then walked towards the pharmacist examination site in Jialing County!

Chen Ping was not familiar with Jialing County, so he could only follow Na Zhuzhu the whole way!

Zhuzhu, on the other hand, had a cold face and didn’t say a word to Chen Ping!

Just as Chen Ping and the others were walking towards the assessment venue, they suddenly saw a handsome man wearing a white robe and holding a long sword on the way!

Beside the man, there were several girls laughing and playing, apparently they were shopping!

After Zhuzhu saw the man, her eyes suddenly lit up and she chased after him and said, “Brother Meng...”

The man turned around and saw Zhuzhu, smiled slightly and said, “Zhuzhu, why do you have time to go shopping? Your master won’t let you go out, right?”

“I took someone to the assessment site to take the alchemist exam. I didn’t expect to meet you. It’s so great. I...I’ve missed you these past two days. I even dreamed of you yesterday!”

After Zhuzhu finished speaking, her face suddenly turned red with embarrassment!

Chen Ping looked at Zhuzhu like that and instantly understood that this girl must like the man in front of her!

However, the man's eyes were very dull, and he put aside the topic and said: "Zhuzhu, is this your new junior brother that your master has accepted for you?"

"This young man is quite talented..."

The man said, walked up to Chen Ping and looked him over, "Hello, my name is Meng He."

"Hello, my name is Chen Ping!" Chen Ping could only introduce himself!

But when Meng He heard the word Chen Ping, he was suddenly startled, then frowned slightly and said, "Chen Ping, why are you so familiar?"

Soon, Meng He's eyes suddenly widened, he stared at Chen Ping closely and said, "You...are you the Chen Ping who was said by Elder Shi to have three Sky Thunder Fruits?"

Chen Ping looked at Meng He like that and said nothing, neither denying nor affirming!

But Chen Ping knows that he owns the Sky Thunder Fruit, and I believe everyone will know about it soon!

Meng He had never seen him before, but he knew about it. It seemed that he had never heard of it before!

Seeing that Chen Ping didn't speak, Meng He guessed that this matter was true, so he said with envy in his eyes: "I didn't expect that you could have three Sky Thunder Fruits at such a young age. I'm so envious... ."

Chapter: 4548

"Brother Meng, what is the Sky Thunder Fruit?" Zhuzhu asked curiously!

“It’s just a medicinal material, nothing!” Meng He explained casually!

“Isn’t it just a kind of medicinal material? If Brother Meng likes it, I will give it to you. Our Danyang Sect has all kinds of medicinal materials.”

Zhuzhu said very innocently!

Meng He just smiled but did not speak!

Chen Ping said to Zhuzhu: “Miss Zhuzhu, let’s hurry up...”

Zhuzhu rolled her eyes at Chen Ping, then looked at Meng He with an ambiguous look and said, “Brother Meng, I’ll take him for the assessment first. I’ll go and play with you when I have time.”

Meng He nodded, and then left with a few girls around him.

Zhuzhu looked at Meng He’s back like a nymphomaniac. She didn’t react until Meng He’s figure disappeared!

“No one can be seen, it’s time for us to leave...”

Chen Ping said to the nymphomaniac Zhuzhu!

“Why bother? It’s annoying...”

Zhuzhu rolled her eyes at Chen Ping, and then continued: “Let me tell you, it will be in vain if you go. You don’t believe in your medicine refining skills at all.”

“Look at Brother Meng, at such a young age, he is already a fifth-grade low-level alchemist, not much worse than my master!”

“And Brother Meng is also personable, especially gentle and considerate...”

When talking about Meng He, Zhuzhu seemed to have endless words to say and kept praising him!

Chen Ping smiled and said: “It seems you like this Meng He...”

“Of course, which girl doesn’t like Brother Meng like this.”

Zhuzhu nodded and admitted without hesitation!

“But I think this guy doesn’t seem to like you, and there are so many women around him.”

Chen Ping could see from Meng He’s eyes that he had no interest in Zhuzhu!

“You fart, can you speak? If you can’t speak, just shut your mouth.”

“Brother Meng must like me. Those women around him are just Brother Meng’s fun.”

“The person he really likes is me, but my master has always been in charge of me, otherwise I would have been with Brother Meng.”

Chapter: 4549

After Zhuzhu finished speaking, she walked straight forward and ignored Chen Ping.

Soon the two people arrived at the assessment area. At this time, there were many people queuing up to take the exam. They should also be pharmacists who wanted to participate in the Pharmacist Association but had not passed the assessment!

Zhuzhu relied on the reputation of Danyang Gate and walked in through the back door with Chen Ping. There was no need to queue!

Zhuzhu directly brought Chen Ping to an assessor and said, "We are here for assessment."

The examiner took a look and said, "People from Danyang Sect, I didn't expect that some of you from Danyang Sect also participated in the assessment?"

"Don't get me wrong, this is not a member of our Danyang Sect. I just brought him here. You can take the test as you want, without considering our Danyang Sect."

Zhuzhu said to the examiner!

It seems that Zhuzhu doesn't want Chen Ping to take advantage of their Danyang Sect's reputation. If he is a disciple of the Danyang Sect, the examiner will be more relaxed!

The examiner glanced at Zhuzhu, then nodded, and then said to Chen Ping: "Young man, come in..."

Chen Ping followed the examiner into a room, but the room was completely transparent to prevent anyone from cheating!

Zhuzhu stood outside, watching Chen Ping's assessment. She wanted to see what level Chen Ping was!

"We have a total of nine assessment boxes here, which are for pharmacists at the upper, middle and lower levels of the third level, upper, middle and lower levels of the fourth level, and upper, middle and lower levels of the fifth level!"

"Rely on your own strength, think about which level to take the test, and open which box. Don't overestimate your own strength, otherwise you will be miserable and fail the test."

The examiner warned Chen Ping!

Chen Ping nodded, and then walked straight towards the fifth-grade box.

The assessor who saw this scene quickly reminded: “Young man, you have to recognize your own strength. If you want to gamble on luck, this is not the place to do so!”

Zhuzhu, who was outside, frowned when she saw Chen Ping walking straight to the fifth-grade box!

“What does this guy think of the pharmacist exam? He actually pretended to take the fifth-grade exam. I really don’t know if he took the wrong medicine.”

Zhuzhu said to herself outside!

But Chen Ping didn’t hear it at all and directly picked up the fifth-grade box!

“Young man, you should know that fifth-grade elixirs can be regarded as high-grade elixirs. Refining them consumes a lot of spiritual energy, and it also requires the mental strength of the alchemist.”

“If you insist on choosing the upper level of fifth-grade assessment, we will not be responsible if you are injured during the assessment, or even damage your own consciousness.”

The examiner warned Chen Ping.

“Don’t worry, I will be responsible for anything that happens.”

Chapter: 4550

Chen Ping said with a faint smile!

When the examiner saw this, he could only take Chen Ping’s box and slowly open it!

Inside the box is an elixir recipe, a fifth-grade high-quality elixir recipe, and the elixir recipe is random, so that the examiner will not have the possibility of cheating!

After taking out the elixir, the examiner opened it, and with a wave of his hand, the two people appeared in a medicinal herb area. There were countless medicinal herbs here, with thousands of species, and all kinds of rare medicinal herbs. have!

However, Chen Ping knew that these were just illusions. If Jialing County really had such a medicinal herb area, it would probably be a concern to all the monks in the Heaven and Human Realm!

“Okay, you can go to these herbs according to the prescription and look for the herbs used in the prescription.”

The examiner said to Chen Ping!

Chen Ping nodded, jumped up, and flew directly over the thousands of medicinal herbs!

Chen Ping just flew over the herb in a circle, and then returned to the examiner!

Seeing that Chen Ping was back, the assessor reminded him: “There is a time limit for searching for medicinal herbs. If the correct medicinal herbs are not picked within the specified time, the assessment will fail.”

“I know, I’ve already finished picking...”

As Chen Ping spoke, he spread his palms forward. I don’t know when, Chen Ping actually had several kinds of medicinal herbs in his hand!

The assessor was stunned. He didn’t even notice when Chen Ping picked the herbs. Chen Ping had already finished picking them?

Isn’t this too fast?

“There’s no point in being fast, you have to be right.”

The assessor said and began to compare the herbs in Chen Ping’s hand!

How could anyone pick all the herbs correctly in such a short time!

But when the examiner finished checking, the whole person was stunned!

Because Chen Ping picked it exactly right!

“This this.....”

“How could it be so fast? Did you cheat?”

The examiner’s face was filled with disbelief!

You know, he has tested countless pharmacists, and he has never seen anyone with such speed!

“Examiner, I didn’t cheat. You should know best. The two of us have always been together.”
