

## **The Order 4551**

Chapter: 4551

Chen Ping said with a faint smile!

“I’m sorry, I’m just shocked. I’ve never seen such speed like you before.”

The examiner also knew that he had said something wrong, so he quickly apologized!

“Then have I passed the test?”

Chen Ping asked!

“I passed it and broke the record. I’m afraid no one will be able to break your record in this assessment field in the future!”

The examiner nodded, then waved his hand, and the two of them reappeared in the room!

The examiner took Chen Ping out of the room!

Seeing this, Zhuzhu stepped forward and asked, “How are you doing? Have you passed this level?”

Zhuzhu couldn’t see what happened between the two people in the illusion, so she asked!

“Not only did it pass, but it also broke the record...”

The examiner said in shock!

“Broken record?” Zhuzhu was stunned for a moment, then looked at Chen Ping with disbelief on his face!

She couldn’t believe that Chen Ping was able to pass the first level of the fifth-grade pharmacist examination!

She had heard that there were thousands of medicinal herbs in this first test, and she had to find the required medicinal herbs in a very short time!

How could Chen Ping pass?

And it broke the record?

“It’s not like a blind cat meets a dead mouse, right? But let me tell you, there may be an element of luck in this first level, but there can be no element of luck in alchemy.”

“Only when you refine a fifth-grade high-quality elixir can you officially succeed in the assessment, so you don’t have to be proud now!”

Zhuzhu said to Chen Ping!

“It’s just a top-grade fifth-grade elixir. It’s not difficult. As long as I have the right herbs, I can practice it in minutes!”

Chen Ping raised the corner of his mouth and said!

“Just brag. We’ll see how you get blown up when you fail to make alchemy!”

“I can tell you that refining fifth-grade high-quality elixirs is very dangerous. If you don’t have enough mental strength and can’t control the spiritual fire, it will explode and kill you. I don’t see what else you can do. blow!”

Chapter: 4552

Although Chen Ping passed the first level, Na Zhuzhu still looked down on Chen Ping!

But Chen Ping just smiled lightly and didn't say anything!

Chen Ping has absolute confidence that as long as he has enough medicinal herbs, Chen Ping can refine elixirs even higher than the fifth-grade superior ones!

For Chen Ping, refining elixirs is not difficult. How to obtain the herbs for refining high-grade elixirs is a rare thing!

The examiner took Chen Ping to an alchemy room, and Zhuzhu followed him!

Because of Zhuzhu's identity, the examiner did not stop him. After all, there was no way to cheat in alchemy, it all depended on Chen Ping's own strength!

Walking into the alchemy room, there are several alchemy furnaces of different shapes and sizes.

"For the sake of fairness, you cannot use your own alchemy furnace during the assessment. The alchemy furnace has been prepared here. You can choose the alchemy furnace you are familiar with to refine the elixir!"

"However, there is a time limit for refining the elixir. It must be refined within the specified time."

"You are allowed to fail within the time stipulation. However, if the elixir is not successfully refined within the stipulated time, then the assessment has failed."

"Because the fifth-grade elixir is a high-level elixir and the refining time is too long, so the refining assessment only requires semi-finished products!"

The assessor followed Chen Ping and explained the assessment regulations!

For example, if a fifth-grade high-grade elixir is refined by a fifth-grade pharmacist, it will take several days!

It is impossible to give you a few days during the assessment, so you only need to refine it into a semi-finished product, and you will be considered to have passed the assessment!

“Examiner, can I not use these pill furnaces you prepared? Are you used to them...”

Chen Ping asked the examiner!

“Didn’t I say that you are not allowed to use the alchemy furnace you brought? That would be unfair. If someone uses the divine cauldron to make alchemy, what will be reflected is not your true alchemy skill!”

The examiner said!

“I don’t use my own alchemy furnace!” Chen Ping shook his head!

“Then what do you use?” the examiner asked doubtfully!

“I’ll just use that...”

Chen Ping pointed at an incense burner on the table not far away and said!

“Are you kidding me? It’s an incense burner. It’s used to put incense and time it. How can it be used to make elixirs?”

The examiner said with a confused look!

Chapter: 4553

“Chen Ping, is there something wrong with your brain? Do you use an incense burner to make elixirs? This is a fifth-grade high-grade elixir. Do you think you can refine low-level ordinary elixirs?”

Zhuzhu said to Chen Ping with a look of disgust!

“I’m just asking if it’s okay to use that incense burner to make elixirs. If it’s not allowed, forget it.”

Chen Ping shrugged and said!

“There is no rule that you cannot use an incense burner to make alchemy, but you have to know that using an alchemy furnace to make alchemy has a bonus for refining alchemy. Don’t you want to get the bonus from the alchemy furnace?”

the examiner asked!

“It’s just a fifth-grade elixir, but it doesn’t use the bonus of the elixir furnace. Even if you give me a piece of broken tile, I will practice it for you!”

Chen Ping said indifferently!

“Examiner, let him use the incense burner. I have never seen someone so bragging. I want to see how he uses the incense burner to refine the fifth-grade elixir.”

Zhuzhu was so angry when she saw Chen Ping like that!

In fact, Chen Ping was deliberately angry with Na Zhuzhu. This little girl looked down on him from the moment they met, so Chen Ping wanted her to see his true ability!

“Okay, I have been an examiner for so many years, but I have never seen anyone use an incense burner to refine elixirs. Today I will make an exception and see how you use an incense burner to refine elixirs.”

The assessor said, poured out the ashes in the incense burner, and then threw it to Chen Ping!

“Hmph, I don’t want to see you refining alchemy anymore. If you fail, I can’t afford to lose that person.”

Zhuzhu snorted coldly, turned around and walked out of the alchemy room!

After all, he was the one who brought Chen Ping. If she brags about using the incense burner to make elixirs, and the furnace explodes, she will be embarrassed too!

Zhuzhu simply left and stopped looking. In fact, she didn’t need to look. She knew that Chen Ping would never be able to refine a fifth-grade high-quality elixir with an incense burner!

After Zhuzhu left, Chen Ping picked up the incense burner and started refining it!

But Zhuzhu, who had just walked out of the alchemy room, met Meng He head-on.

“Brother Meng, why are you here for the assessment? Do you have any friends who are also taking the assessment?”

After seeing Meng He, Zhuzhu’s face was suddenly filled with smiles!

“No, I came here specifically for you.”

Meng He said!

“Looking for me? What are you looking for?”

Chapter: 4554

Zhuzhu’s face was full of excitement, and she was very excited inside!

“Can’t I come to you if I have nothing to do?” Meng He said with a smile!

Seeing Meng He's smile, Zhu Zhu almost melted, and she quickly nodded and said: "Of course, Brother Meng can come to me at any time."

"By the way, didn't you bring that Chen Ping for the exam? How did the exam go?"

Meng He asked!

"Don't mention it. This guy overestimated his ability and even tested a fifth-grade pharmacist. He passed the first test when a blind cat encountered a dead mouse."

"We are now in the second level of the assessment. This guy is so good at blowing. He doesn't even use an alchemy furnace, but uses an incense burner to refine fifth-grade high-quality elixirs. How is this possible?"

"I didn't want to be laughed at with him, so I came out!"

Zhuzhu said!

"Use an incense burner to refine fifth-grade elixir?"

Meng He frowned slightly, and then said: "Which alchemy room is he in? Take me to see it, I want to see if this guy is really capable!"

"Brother Meng, he has a lot of abilities. In terms of strength and alchemy skills, how can Chen Ping compare to Brother Meng!"

Zhuzhu belittled Chen Ping!

If Chen Ping heard this, he would probably be very angry!

"Maybe this guy can really succeed, take me to see..."

Meng He smiled slightly and said!

“Okay!” Zhuzhu nodded!

Meng He took the initiative to take Zhuzhu’s hand and walked towards the alchemy room where Chen Ping made alchemy!

This made Zhuzhu blush, but her excitement was hard to express in words!

Zhuzhu took Meng He into the alchemy room. At this time, Chen Ping had already calmed down and was refining the elixir!

The assessor glanced at Meng He and Zhuzhu, but didn’t say anything!

Meng He looked at Chen Ping, whose eyes were slightly closed. In front of Chen Ping, an incense burner was placed on the ground!

Waves of spiritual fire burned in the incense burner, and green smoke kept coming out!

Not far from Chen Ping, a stick of incense had burned halfway!

Chapter: 4555

As long as the incense burns out and Chen Ping’s fifth-grade semi-finished elixir cannot be successfully refined, then the assessment has failed!

“Brother Meng, did you see that half the time has passed, and there is still smoke coming out of the incense burner. There is absolutely no way this guy can succeed.”

Zhuzhu looked at the incense burner in front of Chen Ping with disdain and said to Meng He!

Meng He didn't speak, just stared at Chen Ping.

The entire alchemy room fell into silence. As time passed by, the stick of incense was about to burn out!

Bang.....

At this moment, there was a sudden loud noise, and the incense burner in front of Chen Ping suddenly exploded, and a stream of white mist rose into the sky.

"Brother Meng, be careful..."

Zhuzhu hurriedly protected Meng He with her body!

The examiner also hurriedly stepped back, with a hint of anger on his face!

Now that the alchemy furnace has exploded, it must have failed!

After the white mist slowly dissipated, Zhuzhu hurriedly looked at Meng He with concern and said, "Brother Meng, are you okay?"

Meng He shook his head: "It's okay!"

Zhuzhu turned around and looked at Chen Ping, who had already stood up, and said: "You guys, what are you pretending to do? You still need to use the incense burner to make elixirs. Will the furnace explode now?"

"Fortunately, Brother Meng was not hurt, otherwise I would never be done with you."

Zhuzhu yelled at Chen Ping, which made Chen Ping feel a little unhappy!

But for Suo Xingyue's sake, Chen Ping still suppressed his displeasure!

"The furnace exploded, the alchemy failed, and your assessment is over."

"If you are young and don't practice steadily, you will just brag..."

The examiner said with an unhappy look!

After all, he was the one who promised Chen Ping to use the incense burner to refine elixirs. Now that the incense burner has exploded, even though he doesn't know the money, he can't afford to be held accountable!

"Who said I failed in refining alchemy?"

Chen Ping said with a faint smile!

"Your furnace has exploded. Doesn't it mean that the alchemy has failed?"

Chapter: 4556

the examiner asked!

"of course not!"

Chen Ping said, then he opened his hand, and a green fifth-grade elixir appeared in his hand!

The strong medicinal fragrance instantly surged from all directions, filling the entire alchemy room!

Looking at the elixir in Chen Ping's hand, everyone was stunned!

After a while, the examiner came to his senses and said, "Bring it to me to check if it is a top-grade fifth-grade elixir!"

Chen Ping threw the elixir to the examiner, who examined it carefully!

Soon the examiner's eyes widened and he said with a shocked look on his face: "This... this is actually a perfect fifth-grade elixir that has already been formed?"

"How is this possible? In such a short time, a perfect fifth-grade high-grade elixir can be refined. It's incredible..."

"What? Isn't this a semi-finished product?" Zhuzhu also exclaimed!

And Meng He's face was very solemn at this time, and his brows were knitted together tightly!

He couldn't believe that Chen Ping had refined a perfect fifth-grade elixir in such a short period of time. It would have been impossible for him to refine it in such a short period of time!

Moreover, Chen Ping still used the incense burner instead of the alchemy furnace. If he had used the alchemy furnace, the time might be faster!

Thinking of this, Meng He's pupils suddenly shrank!

If Chen Ping also participated in the Pharmacist Association, he would have no chance of winning first place!

"Brother Meng, this...he is really a fifth-grade elixir, it's incredible!"

Zhuzhu took the elixir that Chen Ping had just refined and said to Meng He!

Meng He came back to his senses, took the elixir and looked at it, and found that the elixir was almost perfect, without any flaws!

“Have I passed the test now?”

Chen Ping asked the examiner!

“Passed, passed...”

The examiner nodded repeatedly: “I will inform you to apply for a pharmacist certificate right now!”

Chen Ping glanced at the beads playfully, and then walked out of the alchemy room!

Zhuzhu had always looked down on Chen Ping, but now she was slapped in the face by Chen Ping!

Chapter: 4557

“Hmph, what a showmanship, isn’t it just the fifth-grade superior test? I believe that Brother Meng will definitely pass the test!”

Zhuzhu looked at Chen Ping and snorted coldly!

Meng He said nothing. If it were an assessment, Meng He would be able to pass the test. His current alchemy strength has also reached the level of the fifth grade!

It’s just that Meng He has never taken the pharmacist assessment again, so his current status is only a fifth-grade inferior pharmacist!

The reason why Meng He didn’t take the pharmacist exam in time was just to pretend to be a pig and eat the tiger!

But now that he saw Chen Ping's performance, he was shocked in his heart!

Chen Ping not only passed the assessment, but also mastered it easily!

Using an incense burner to practice a fifth-grade high-quality elixir in just one stick of incense is simply abnormal!

Meng He knew that he couldn't refine it no matter what!

Moreover, the fifth-grade high-grade elixir refined by Chen Ping was flawless and perfect!

"Miss Zhuzhu, aren't you going back?"

Chen Ping walked out of the alchemy room and saw Zhuzhu still not coming out, so he shouted!

"Stop shouting, I'm going back..."

Zhuzhu glanced at Meng He reluctantly, and then walked out of the alchemy room!

Zhuzhu knew that if she didn't go back with Chen Ping, she would definitely be punished by Suo Xingyue!

"Zhuzhu, please don't leave, okay? I want to stay with you for a while longer."

Just when Zhuzhu was about to leave, Meng He suddenly took Zhuzhu's hand!

"Brother Meng, actually I don't want to leave, but if I don't go back, my master will punish me."

Zhuzhu said in embarrassment!

“Zhuzhu, do you know how much I miss you when I can’t see you these days?”

“I just want you to stay with me for a little longer, okay?”

Meng He looked at Zhuzhu expectantly!

Seeing Meng He like that, Zhuzhu really couldn’t bear it, so she nodded and said, “Okay, then I’ll stay with Brother Meng for a while.”

When Meng He heard this, he immediately grabbed Zhuzhu’s hand happily, for fear that Zhuzhu would leave!

Chapter: 4558

“Chen Ping, go back by yourself, I’ll stay for a while...”

Zhuzhu said to Chen Ping!

Chen Ping just glanced at Zhuzhu, then turned and left!

Chen Ping could tell that Meng He didn’t like Zhuzhu at all, but Zhuzhu didn’t know it and was still being deceived by Meng He!

As for why Meng He deceived Zhuzhu, Chen Ping didn’t know, and he didn’t want to know either!

After all, these things have nothing to do with him. Even if Zhuzhu was cheated out of his body, it has nothing to do with Chen Ping!

Chen Ping just needs to ensure that the women around him are loyal to him!

As for other women, Chen Ping doesn't care!

After Chen Ping left, Meng He took Zhuzhu and left. After leaving the assessment venue, Meng He looked at Zhuzhu affectionately and said, "Zhuzhu, do you know the details of this guy named Chen Ping?"

Zhuzhu shook her head: "I don't know either. I only know that he is from the Jade Cauldron Sect. I heard from my master that when he met a demon cultivator on the road, it was Chen Ping who saved him."

"Otherwise, why would you let me take him for the assessment? This guy is very annoying at first sight!"

After hearing this, Meng He frowned slightly and his face became very solemn!

With Chen Ping's current strength, it would be difficult for him to get first place in the medicine refining conference!

"Brother Meng, what's wrong with you?" Seeing Meng He's bad expression, Zhuzhu asked!

"Zhuzhu, you also know that if you come first in the Medicine Master Competition this time, the Princess of Jialing County will receive a special reward."

"I really want to get this reward, but...but this guy named Chen Ping shows up, and I'm afraid I'll lose to him at the Medicine Master Conference."

Meng He said to Zhuzhu!

"Brother Meng, you are the best in my eyes. How can you lose to him? You definitely won't. You have to have confidence in yourself!"

Zhuzhu looked at Meng He firmly and said!

“Zhuzhu, it’s not that I don’t have confidence, but my alchemy skills are indeed not as good as that of Chen Ping. I don’t have the strength to use an incense burner to refine a perfect fifth-grade elixir in one stick of incense.”

Meng He shook his head and said!

He is self-aware. If he had not seen Chen Ping’s alchemy skills, he would still have confidence, but now he has no confidence at all!

“Ah, what should I do?”

Zhuzhu said anxiously.

Chapter: 4559

“Now there is only one way, it depends on whether you want to help me...”

Meng He said!

“Brother Meng, tell me, I will do anything for you.”

Zhuzhu said firmly!

Meng He looked happy, then leaned into Zhuzhu’s ear and told him his plan!

After Zhuzhu heard this, her beauty suddenly turned pale, and she said with a look of horror: “Brother Meng, this... this can’t be done. If my master finds out about this, I will be dead.”

“Zhuzhu, didn’t you just say that you would do anything for me?”

Meng He asked!

“But, I can’t do this kind of thing. If I really do it, I will definitely not be able to stay at Danyang Gate.”

Zhuzhu said with a troubled face!

“Zhuzhu, don’t worry. After the Medicine Master Conference, if I get first place, I will take you away and fly away. You don’t have to go back to Danyang Gate.”

“When the time comes, the two of us will live together and fly together. You will give me several children and we will live happily. Isn’t that good?”

Meng He stepped forward and grabbed Zhuzhu’s shoulders and said!

“But...but I still...”

Zhuzhu looked embarrassed and her expression looked very painful!

But at this moment, Meng He didn’t give Zhuzhu a chance to speak. He suddenly kissed her and blocked Zhuzhu’s mouth!

Zhuzhu suddenly became a little confused when she was kissed by Meng He!

Then Meng He dragged Zhuzhu to a remote place and slowly took off Zhuzhu’s clothes!

Zhuzhu didn’t resist at all the whole time!

Soon, Zhuzhu’s gasping sound came out continuously!

After a few minutes, the panting stopped, and Zhuzhu snuggled into Meng He’s arms, disheveled!

“Brother Meng, I am yours now, and I will listen to whatever you say.”

“But you must remember to promise me that after the Medicine Master Conference is over, the two of us will stay together and fly together.”

Zhuzhu said with a satisfied look!

Chapter: 4560

In just a few minutes, Zhuzhu, an inexperienced little girl, was satisfied. She had no idea that if it were Chen Ping, it would have taken at least an hour!

“Don’t worry, you and I are now one. I am part of you and you are part of me. How could I let you down!”

Meng He said, took out a small bag of things from his body and handed it to Zhuzhu!

Zhuzhu took the package and held it tightly in her hands!

“Zhuzhu, don’t worry, just put this bag into the tea. It’s colorless and odorless, no one can detect it.”

“This is not poison. It won’t poison people. It will only make people temporarily unable to concentrate!”

Meng He explained!

“Yes!” Zhuzhu nodded, then arranged her clothes and left!

Looking at Zhuzhu’s leaving figure, Meng He’s lips curled up with pride!

At this time, Chen Ping has returned to Danyangmen’s residence in the Medicine Master Association!

When Suo Xingyue saw Chen Ping coming back on his own, he was immediately confused and said, "Mr. Chen, how did you come back on your own? Where is Zhuzhu?"

"Oh, Miss Zhuzhu met a friend, so she didn't come back!"

Chen Ping said!

When Suo Xingyue heard this, she frowned and said, "Is the friend she met a man? His name is Meng He?"

Chen Ping nodded: "How did Elder Suo know?"

"This girl really pisses me off. She is not obedient at all. I have already said that Meng He is not a good person. Don't associate with him. You just don't listen!"

"When she comes back, I must teach her a lesson. That Meng He is a romantic and a despicable person. I just can't understand why Zhuzhu likes him!"

Suo Xingyue said with anger on her face!

"Elder Suo, I think that Meng He is not bad at all!" Chen Ping said!

"Mr. Chen doesn't know something. This Meng He is a despicable villain. He once took advantage of Zhuzhu's feelings for him and even let Zhuzhu steal our Danyang Sect's elixir recipes and secrets!"

"At last year's Pharmacist Conference, he actually wanted to take advantage of Zhuzhu and begged me to cheat so that he could get extra points in the Pharmacist Conference. It was so shameless!"

"I have repeatedly told Zhuzhu not to come to me with that Meng He, but she didn't listen at all!"

Suo Xingyue said!

When Chen Ping heard this, he immediately felt that Meng He was a bit too despicable, actually taking advantage of Zhuzhu's feelings for him to do such a thing!
