

The Order 4561

Chapter: 4561

“Mr. Chen, let’s not talk about him for now. How is your assessment going?”

Suo Xingyue calmed down and asked!

“It’s passed.” Chen Ping said!

“What level? Is third grade superior?” Suo Xingyue asked!

“Fifth grade superior...” Chen Ping said with a smile!

“Fifth grade upper class?” Suo Xingyue was stunned immediately. This pharmacist’s level is the same as him!

It doesn’t matter that Chen Ping is strong, but he didn’t expect his alchemy skills to be so strong?

This is simply a man who can do anything!

“Elder Suo, I don’t know about the poison in my friend’s body. How is your consultation going?”

Chen Ping asked!

Suo Xingyue woke up from the shock and said with shame: “Hey, we checked everything but couldn’t find a cure. I’m so ashamed...”

“Elder Suo doesn’t have to blame himself. This kind of poison is indeed special. I’ll just slowly think of a solution!”

Chen Ping felt a little disappointed when he saw that Suo Xingyue had no choice but to do anything!

“Mr. Chen, although there is nothing we can do, I think there is someone who can definitely detoxify your friend.”

Suo Xingyue said!

“Who?” Chen Ping asked quickly!

“Princess Jialing, he must have a way. Princess Jialing is also a senior pharmacist.”

Suo Xingyue said!

When Chen Ping heard this, he immediately became energetic: “Then can you trouble Elder Suo to take us to meet the princess of Jialing County?”

When Suo Xingyue heard this, he immediately smiled bitterly and said, “Mr. Chen doesn’t know something. Not everyone can see the princess of Jialing County.”

“I have never met the princess of Jialing County, and I don’t even know whether the princess of Jialing County is a boy or a girl!”

“Basically, few people have seen the true face of the princess of Jialing County. Generally speaking, Lord Yan is the one who manages Jialing County.”

When Chen Ping heard this, he frowned and said, “Then there is nothing we can do? How can we see the princess?”

“Mr. Chen, at this Pharmacist Conference, the Princess of Jialing County promised that the first place will receive a special reward.”

Chapter: 4562

“If Mr. Chen can get this first place, he can also meet the princess of Jialing County. Then there may be a way to cure the poison on your friend.”

Suo Xingyue said!

When Chen Ping heard this, he nodded. No matter what, this pharmacist will be the first, and it seems that he must get it!

Suo Xingyue took Chen Ping and got to know him after being introduced by several of his senior brothers!

Several elders of the Danyang Sect were shocked that Chen Ping had such high strength at such a young age, and that he could also pass the examination of a fifth-grade superior pharmacist!

After a brief exchange of greetings, Chen Ping stood up and planned to leave with Yihe, but at this moment, Zhuzhu came back!

“You damn girl, why are you not obedient at all? Didn’t I say that I won’t let you have anything to do with that Meng He?”

As soon as Suo Xingyue saw Zhuzhu, he cursed loudly!

But Zhuzhu lowered her head, didn’t say a word, and looked very aggrieved!

“Elder Suo, Miss Zhuzhu is young after all. Maybe she will be fine when she is a few years older!”

Seeing this, Chen Ping persuaded Suo Xingyue!

“Zhuzhu, your master scolded you for your own good. That Meng He is not a good person.”

Another elder from Danyang Gate said to Zhuzhu!

“Master, I know I was wrong, and I will never do it again!”

“I’m going to make tea for you. I hope Master won’t be angry.”

Zhuzhu said and went to make tea!

And Suo Xingyue couldn’t help but lose her temper when she saw Zhuzhu like that, so she could only sigh and sit back!

Chen Ping watched Zhuzhu walk to the back room to make tea. Looking at the way Zhuzhu walked, he knew that Zhuzhu was no longer a little girl!

But whether Zhuzhu is a little girl or not has nothing to do with him.

Chen Ping and Yi He were about to leave, but Zhu Zhu had already walked out with a teapot!

“Mr. Chen, don’t leave yet, drink some tea before you leave!”

“What happened today was my fault. I shouldn’t have treated you that way!”

Zhuzhu said with a face of shame!

Zhuzhu apologized to Chen Ping, which made Chen Ping confused for a moment!

Chapter: 4563

But he still smiled lightly and said: “It’s okay, I didn’t care!”

“Mr. Chen, what’s going on? Did Zhuzhu offend you?”

Suo Xingyue asked quickly!

“Oh, no, it’s pretty good!” Chen Ping shook his head quickly!

Suo Xingyue knew that Zhuzhu’s temper would certainly not give Chen Ping a good look, so she said:
“Zhuzhu, personally pour a cup of tea for Mr. Chen and bring it over!”

Zhuzhu nodded, then poured a cup of tea for Chen Ping and said, “Mr. Chen, I shouldn’t look down on you. I have such a bad attitude toward you. I’m sorry...”

Zhuzhu’s face was so sincere that Chen Ping could only accept the tea with embarrassment and drink it in one gulp!

Then Suo Xingyue and his fellow seniors also started drinking tea and chatting!

Soon the pot of tea was finished, and Chen Ping left with Yihe!

Looking at the empty teapot, Zhuzhu didn’t know whether she was nervous or excited!

“Zhuzhu, there is a pharmacist meeting tomorrow. Don’t run around. Just follow me and learn more. When the master gets old, the position of referee will also be handed over to you!”

Suo Xingyue said to Zhuzhu!

“Got it!” Zhuzhu nodded!

At this time, after Chen Ping and Yi He left, not far away, Chen Ping suddenly felt a burst of chaos in the sea of consciousness!

“Mr. Chen, something is destroying your consciousness...”

At this time, Zhe Yan’s voice came!

Zhe Yan now lives in Chen Ping’s sea of consciousness, so when Chen Ping’s sea of consciousness is attacked, Zhe Yan can detect it immediately!

Chen Ping frowned, and his spiritual consciousness penetrated into his sea of consciousness. He saw that a gray mist seemed to rise in his sea of consciousness, making it difficult for Chen Ping to concentrate.

Just when Chen Ping couldn’t figure out what it was that could invade his sea of consciousness and cause destruction, a golden light flashed in his sea of consciousness!

The gray mist was dispersed almost instantly, and Chen Ping’s sea of consciousness became clear!

Chen Ping checked it and found that nothing had changed in his consciousness, and he was relieved!

“Mr. Chen, what’s wrong with you?”

Yihe on the side saw that Chen Ping’s expression was not right, so he asked!

“Oh, it’s okay, maybe I’m too tired during this period!”

Chapter: 4564

Chen Ping shook his head!

“Mr. Chen, if I can’t find a way to detoxify, then I will accept my fate. You don’t have to be too anxious!”

Yihe said very guiltily.

He thought Chen Ping was anxious to find a way to detoxify!

“It’s okay, I will definitely detoxify you.”

Chen Ping smiled lightly, and then the two of them continued to move forward!

But just after taking two steps, Chen Ping and Yi He’s faces instantly showed panic!

They felt that an extremely terrifying aura was coming towards the two of them. This aura made Chen Ping and Yihe unable to move!

Chen Ping frowned, his expression became extremely solemn, and flames burned faintly on his palms!

Just from this aura, Chen Ping knew that the person coming must be a strong guy. With Chen Ping’s current strength, there was no way he could deal with it!

So Chen Ping prepared the fire in advance. As long as the situation was not right, he would immediately take action and escape!

At this time, in front of Chen Ping and Yi He, a middle-aged man wearing a raincoat with a pair of wings on his back appeared in front of them!

“Thunder Eagle King?”

When he saw the person coming, Yihe’s expression changed!

“Demon Emperor Yihe? I didn’t expect you to be here too?”

“I said how could anyone take away my Heavenly Thunder Fruit? It turns out you are behind me!”

“This boy is only at the second level of the Fusion Realm. No matter how many levels I add to him, I’m afraid he won’t be able to take away my Sky Thunder Fruit.”

“It turns out it was you who took away my Sky Thunder Fruit...”

The anger on Thunder Eagle King’s face and the bursts of murderous aura emanating from his eyes made people shudder!

Facing the Thunder Eagle King in front of him, Chen Ping actually felt a little scared in his heart.

But now it seems that the Thunder Eagle King still doesn’t know that Yihe’s strength has been suppressed!

In this case, they can temporarily fool the Thunder Eagle King!

After all, Yihe’s original strength is not much different from that of the Thunder Eagle King.

Chen Ping glanced at Yihe and winked at Yihe. Yihe understood instantly and pretended to be relaxed at the Thunder Eagle King with a smile: “Thunder Eagle King, didn’t I just pick three of your Thunder Fruits?” Well, are you so angry?”

Chapter: 4565

“There are ten fruits on your Tianlei tree. I only picked three of them and didn’t pick them all for you. It’s already quite interesting!”

“Yihe, you are so shameless. You secretly picked my Sky Thunder Fruit, and now you dare to say such things. Do you believe that I defeated your Demon Imperial City?” Thunder Eagle King roared!

“Thunder Eagle King, don’t talk nonsense. If you can defeat my Demon Imperial City, do you still have to wait until now?”

“I can’t help but tell you that my daughter is getting married to King Li’s son. When the time comes, our two families will become in-laws. What do you think will happen next?”

Yihe said with a cold smile!

When Thunder Eagle King heard this, his expression instantly became a little nervous. His eyes were fixed on Yihe, and the muscles on his face were beating continuously!

“You two won’t team up to deal with me, right?” Thunder Eagle King asked!

“Guess...” Yihe laughed!

Thunder Eagle King didn’t say anything. He didn’t need to guess. If Demon Imperial City really got married to Mingli King City, they would definitely unite to deal with him!

At this time, Thunder Eagle King seemed a little scared!

Originally, the three families were considered as a tripartite force, and no one dared to take action easily, for fear that the other family would benefit!

But things are different now. If Demon Imperial City joins forces with Mingli Imperial City, then his Eagle King Cave will be in danger!

Looking at Thunder Eagle King’s expression, Yihe knew that his deception had worked, so he continued: “Thunder Eagle King, I just picked three Thunder Fruits from you. If you pretend that this didn’t happen, then I can follow You promise, our Demon Imperial City will never be an enemy of your Eagle King Cave.”

“Even if we unite to deal with you, it’s just for the Thunder Fruit. Since I have the Thunder Fruit now, why should I join forces with King Li?”

Yihe’s words made the Thunder Eagle King hesitate. He felt that what Yihe said made sense!

Just when the Thunder Eagle King was hesitating, Yihe struck while the iron was hot and continued: "If you don't agree, you can snatch the three Sky Thunder Fruits from my hand now, but if you snatch these three back, I can guarantee that Let all ten of your Sky Thunder Fruits disappear!"

"I can even join forces with King Li to knock down your Sky Thunder Tree, destroy your Eagle King's Cave, and make you a homeless dog..."

Yihe's aura frightened the Thunder Eagle King, and then he said: "Ihe, I hope you can keep your word, and I will give you the three Sky Thunder Fruits..."

After the Thunder Eagle King finished speaking, he turned and left!

Watching the Thunder Eagle King leave, Yihe let out a long breath. If the Thunder Eagle King knew that his strength had been suppressed long ago, it would be in trouble!

But just as Yihe took a breath, his expression suddenly changed!

I didn't know when the figure of the Thunder Eagle King appeared in the air again, staring at Yihe and saying: "Ihe, the breath in your body has been suppressed, you still dare to lie to me and seek death..."

The aura of the Thunder Eagle King instantly locked Yihe and Chen Ping, and the two of them were unable to move at this time!

The power in Chen Ping's body continued to burst out, but he still couldn't move his body at all!

Chapter: 4566

This is the difference in strength!

In the face of the absolute strength gap, even if Chen Ping has the golden dragon's true form, there is nothing he can do!

At this moment, Yihe followed Chen Ping with fear in his eyes, and the scene before death appeared!

But just when the Thunder Eagle King slapped the two of them with a palm, a breath suddenly burst out from behind them, instantly blocking the Thunder Eagle King's attack!

"King Thunder Eagle, you don't understand the rules of Jialing County, but you dare to have a private fight in Jialing County. Doesn't this mean you don't take Jialing County seriously?"

At this moment, Master Yan slowly walked up to Chen Ping and Yi He and stood in front of the two of them!

Thunder Eagle King frowned slightly when he saw Master Yan: "Master Yan, this person stole my Sky Thunder Fruit, I just want to get it back!"

"Thunder Eagle King, don't say that he stole your Sky Thunder Fruit. Even if he kills your father, we can't fight privately in Jialing County!"

"If you want revenge, wait until you get out of Jialing County to take action, then I won't care."

"But if you want to take action in Jialing County, you have to ask me if I agree."

Master Yan said with sharp eyes!

Thunder Eagle King's face became ugly, but he knew that if he dared to take action in Jialing County, he would probably be unable to leave here!

"Okay, then I'll wait until they leave Jialing County!"

Thunder Eagle King nodded, then looked at Chen Ping and Yi He and said, "You two wait for me. If I see you two leave Jialing County, I will kill you right away!"

After saying that, the Thunder Eagle King's body flashed and disappeared!

The suppressive force on Chen Ping and Yi He also disappeared instantly!

“Master Yan, thank you for your help...”

Seeing this, Chen Ping hurriedly stepped forward to say thank you!

“You don’t need to thank me, I’m just fulfilling my duties...”

After Master Yan finished speaking, his figure disappeared!

Watching the two people leave, Chen Ping couldn’t calm down for a long time. He didn’t know when he would be able to stand at the top and no longer be afraid of anyone?

Yihe seemed to see what Chen Ping was thinking, so he said: “Mr. Chen, it is very rare for you to have reached this level at such a young age. The journey of cultivating immortality requires gradual progress, so you don’t have to worry!”

Chen Ping nodded, and then the two of them returned to the small courtyard!

Because the pharmacist competition officially started the next day, several people took a rest early. Although Liu Ruyan wanted to be intimate with Chen Ping, she could only endure it when she thought of the competition tomorrow!

Chapter: 4567

Early the next morning, several people rushed to the Pharmacist Association early!

At this moment, there are thousands of people surrounding the entrance of the Pharmacy Association, and it’s very lively!

“How come there are so many people this year?” The third elder couldn’t help but be shocked when he saw this situation!

“Maybe it has something to do with the fact that this year’s first place will receive a special reward from Jialing County.”

Liu Ruyan said!

Chen Ping was speechless when he saw so many people queuing up at the entrance of the Pharmacist Association. If he had known this, he might as well have stayed at Danyang Gate Mansion yesterday so that he wouldn’t have to queue!

“When will this be scheduled?”

Yihe looked at the bustling crowd and couldn’t help but be speechless!

“Let’s wait in line slowly...”

After Chen Ping finished speaking, the queue started to form!

But just as Chen Ping and the others were queuing up, someone suddenly shouted: “Chen Ping, you don’t have to queue up anymore, come with me...”

Chen Ping turned around and saw that it was Zhuzhu!

They saw Zhuzhu leading Meng He, walking towards them!

“Brother Chen, we meet again...”

After Meng He saw Chen Ping, he followed Chen Ping and said hello!

Chen Ping just nodded in response. After all, after knowing who Meng He was, Chen Ping was unwilling to talk to this person from the bottom of his heart!

When Meng He saw Chen Ping's attitude, he wasn't angry at all, and then he turned his eyes to Liu Ruyan!

And with a lustful light in his eyes, he looked at Liu Ruyan without hesitation!

Feeling Meng He's gaze, Liu Ruyan looked a little ugly, and then took two steps behind Chen Ping!

Chen Ping also noticed that something was wrong with the way Meng He looked at Liu Ruyan, so he glared at Meng He coldly, and then said to Zhuzhu: "Miss Zhuzhu, don't we need to line up?"

"No need to queue..."

"My master asked me to pick you up. If you take me with you, you don't have to line up. Come with me..."

After Zhuzhu finished speaking, she followed Meng He forward, and the two of them were holding hands, talking and laughing!

When Chen Ping saw this, he couldn't help but shook his head. It was obvious that Zhuzhu was acting for personal gain, so Suo Xingyue asked him to pick him up, and by the way, he also brought Meng He in in advance!

Chapter: 4568

It was impossible for Suo Xingyue to let Zhuzhu pick up Meng He. It must have been her own idea!

"Let's go..."

Chen Ping said, leading Liu Ruyan and the others to follow Zhuzhu!

“Chen Ping, who is this girl?” Liu Ruyan asked!

“A disciple of Elder Suo, a member of the Danyang Sect.” Chen Ping said!

“Then the man next to her is her boyfriend, right? But that guy doesn’t seem to be a good person. He just looked at me with lustful eyes, which made me feel so awkward!”

Liu Ruyan said!

Chen Ping told Meng He about his personality. When Liu Ruyan heard this, she suddenly said in disbelief: “This girl is so stupid. She actually likes this kind of man. She will definitely cry when she is deceived.”

While talking, Zhuzhu had already led them to the side entrance of the Pharmacist Association. There were guards guarding the place, but no one was queuing up!

Zhuzhu showed her Danyang Gate token and walked in directly!

Seeing this scene, Chen Ping had to sigh, the world of heaven and humans is no different from the secular world!

It really is possible to go through the back door, which is much more convenient!

After entering the Medicine Master Association, Zhuzhu let go of Meng He, probably because she was afraid that Suo Xingyue would see it!

“Brother Meng, go to the lobby by yourself. I believe you will definitely get first place this time...”

Zhuzhu kissed Meng He on the face in public!

“Yes!” Meng He nodded, and then left!

After waiting for Meng He to leave, Zhuzhu led Chen Ping and the others towards the hall this time!

After entering the hall, Chen Ping saw that there were many pharmacists waiting in the hall!

Several people from Danyang Gate were sitting on the seats in the middle!

“Master, Mr. Chen is here...”

Zhuzhu stepped forward and said to Suo Xingyue!

“Mr. Chen, come here quickly and sit next to us...”

Suo Xingyue waved to Chen Ping and asked Chen Ping to sit next to her!

Chen Ping walked over with Liu Ruyan and others, and then sat down!

Chapter: 4569

The third elder greeted many pharmacists. These are pharmacists from various sects who came to participate in the competition!

Chen Ping also chatted with Suo Xingyue, while Zhuzhu took the opportunity to follow Meng He and flirt with her!

But when Chen Ping was chatting with Suo Xingyue, he found that Suo Xingyue was in a daze, so he asked: “Elder Suo, are you feeling unwell?”

“No, it’s just that my head is a little dizzy. It may be that I was controlled by the demon cultivator at that time, which caused some damage to my body and I haven’t fully recovered yet.”

Suo Xingyue said!

“Elder Suo, how about I show you?” Chen Ping found that Suo Xingyue’s expression was very abnormal!

“No, I’ll be fine. I’m a pharmacist myself. Can’t you see that?”

Suo Xingyue waved her hand and said!

In front of so many people, Suo Xingyue was afraid that it would be too embarrassing for a junior to treat her!

Chen Ping also knew Suo Xingyue’s intention, so he didn’t force it!

After all, Suo Xingyue is also a fifth-grade pharmacist. If there is really something wrong with his body, he should know it himself!

And Meng He looked at Suo Xingyue and others with some strange expressions on their faces, in a daze, and felt extremely happy in his heart!

But seeing Chen Ping talking and laughing and thinking quickly, Meng He had to be a little confused!

Meng He stood up and then winked at Zhuzhu!

Zhuzhu hurriedly followed Suo Xingyue out while Suo Xingyue wasn’t paying attention!

Chen Ping saw Zhuzhu running out with Meng He, but he didn’t point it out!

“Zhuzhu, did Chen Ping take the medicine?”

Meng He asked Zhuzhu!

“After eating it, I put it in the teapot. Then Chen Ping and several of my junior uncles all drank the tea. I saw it with my own eyes. How can I be wrong?”

Zhuzhu said firmly!

“This is strange. Why do I see this guy showing no signs of being poisoned?”

Meng He frowned slightly, looking puzzled!

“Brother Meng, could it be that everyone’s physique is different, so the effect of the medicine is also different?”

Zhuzhu said!

Chapter: 4570

“It’s possible. Since that kid has taken the medicine, there’s no need to be afraid. In this competition, the first place will definitely be mine.”

Meng He raised the corners of his mouth slightly!

“Brother Meng, after you win first place this time, you must remember what you promised me, and you will take me far away!”

Zhuzhu took Meng He’s hand and said!

“Don’t worry, you are my woman now. If I don’t take you away, who else will I take with me?”

Meng He gently touched Zhuzhu’s face, which made Zhuzhu very happy!

After about an hour!

Several melodious bells rang, and everyone in the hall stood up!

“Mr. Chen, the competition will begin soon. Let’s move to the Medicine Refining Square...”

Suo Xingyue said to Chen Ping!

“Elder Suo, please...”

Chen Ping politely made a please gesture!

The group of people walked out of the hall and then walked to the Medicine Refining Square!

At this time, the huge square was already surrounded by people, all of whom came to watch the fun!

“Mr. Chen, the contestant waiting area is aside, I won’t accompany you!”

As referees, Suo Xingyue and the others need to go on stage, while Chen Ping and the others need to wait off the stage!

“Elder Suo, please...”

Chen Ping smiled slightly and said!

Suo Xingyue and others walked onto the stage and sat down at the referee’s seat, while Zhuzhu stood behind Suo Xingyue!

There is still a vacancy in the middle of the referee's seat, indicating that there are still referees who have not arrived.

"Mr. Chen, the middle position is reserved for the Jialing County referee. This pharmacist will compete in the competition. For the sake of fairness, Jialing County will also have a referee to prevent anyone from cheating!"

"Now as soon as the referee from Jialing County arrives, the competition should begin. You should be prepared first!"

The third elder said to Chen Ping!

Chen Ping smiled and nodded!
