

## **The Order 4591**

Chapter: 4591

Seeing Meng He's heartless look, Zhuzhu suddenly started crying, and then her eyes filled with resentment!

He stood up suddenly, rushed towards Meng He, and then hugged Meng He's thigh tightly!

"You can't leave. Please tell me clearly. Are you going to kick me after you played with me?"

"You gave me poison and asked me to poison the master, but now you don't want me?"

"If it weren't for me, would you have won the third match?"

"Why are you so cruel?"

Zhuzhu hugged Meng He like crazy and shouted!

When Meng He heard this, he turned pale with fright and said, "What are you talking about? When did I let you poison me? Don't spit on me!"

As Meng He said this, he was about to slap Zhuzhu on the head with his palm, not caring about the two people's mutual affection!

You know, the pharmacists held in Jialing County will cheat, which will have serious consequences!

Meng He did not hesitate to kill Zhuzhu in public, but he could not let her tell anyone!

But just when Meng He was about to kill Zhuzhu, Suo Xingyue suddenly took action and directly stopped Meng He!

“Meng He, how dare you kill in front of so many people, please tell me clearly now, otherwise you can’t leave!”

Suo Xingyue looked at Meng He fiercely and said!

“What did I say? I didn’t do anything, it’s just your disciple who spits blood on others.”

“She took the initiative to seduce me, and I don’t like her. Do you, the Danyang Clan, want to forcefully marry her?”

Meng He was still being stubborn!

Seeing Meng He like that, Zhuzhu was already heartbroken and cried bitterly: “Master, I’m sorry for you. This Meng He gave me a bag of poison and asked me to make tea for you to drink!”

“Just now you were in a state of confusion and made wrong judgments because the poison eroded your consciousness!”

“He promised me that as long as I did this for him, he would take me to sleep and fly together...”

Zhuzhu told the whole story!

When everyone heard this, they all looked at Meng He with disdain and pointed at Meng He!

It’s not terrible for the Medicine Master to lose. After all, there are different levels of strength, but it would be too shameful to use such despicable means to win the competition!

“Meng He, you dare to use despicable means to cheat at the pharmacist meeting. You deserve to be damned...”

Chapter: 4592

When the old man heard this, he jumped up and landed in front of Meng He!

Meng He looked at the old man in front of him, and then at the angry looks of Suo Xingyue and the others, and cold sweat instantly flowed from his forehead!

“I didn’t. She framed me. I never asked her to do it. I was wrongly accused.”

Meng He shook his head desperately and explained!

“Whether you were wrongly accused or not, you will know after a search. You must still have that poison on your body!”

Chen Ping said at this time!

“Yes, search him!”

The third elder said!

Suo Xingyue stepped forward, preparing to search Meng He, but a cold light flashed in Meng He’s eyes, and then a piece of white mist spread out, and the whole person instantly fled into the distance!

“Humph, still want to escape?”

The old man snorted coldly, and with a wave of his sleeve, Meng He, who had been running away, suddenly screamed, and then his whole body suddenly surged and turned into a blood mist!

Seeing Meng He’s tragic death, everyone was silent. They knew that in Jialing County, they must abide by the rules of Jialing County. If they dare to violate it, this will be their fate!

Zhuzhu watched Meng He die tragically, with no expression on her face. Then she knelt down in front of Suo Xingyue and said, “Master, I know I was wrong. Please forgive me...”

Looking at Zhuzhu kneeling on the ground, Suo Xingyue's face was full of anger, and she didn't speak, but looked at the senior brothers around her!

"Junior brother, the reputation of my Danyang Sect cannot be tarnished."

"That's right, a few of us almost became sinners today, and almost caused our Danyang Sect to fall into a situation of eternal disaster!"

"Hey, it's shameful that our Danyang sect has such a disciple, it's shameful..."

After several Danyang Sect elders finished speaking, they all turned and left!

As for how to punish Zhuzhu, they didn't care. It all depends on what Suo Xingyue does!

"Master, I was really wrong. Please forgive me once. I was really wrong!"

Zhuzhu kept kowtowing and admitting her mistake!

Suo Xingyue frowned, seeing that it was difficult for him to do it!

But in the end, Suo Xingyue slapped Zhuzhu with her palm!

This palm strike did not kill Zhuzhu, but directly destroyed Zhuzhu's cultivation!

Chapter: 4593

"You and I have been masters and disciples for many years. Now I take back what I taught you. You can leave here by yourself and go wherever you want. From now on, I am no longer your master."

Suo Xingyue closed her eyes slightly, not daring to look at Zhuzhu and said!

“Master, Master, I have no cultivation now. If I walk out of here, I will die. Where do you want me to go?”

“Please, I am willing to serve Master forever, please don’t drive me away!”

Zhuzhu prayed!

But Suo Xingyue turned around and stopped looking at the beads!

“Chen Ping, please, please help me speak. I know I was wrong, and I never dare to do it again!”

Zhuzhu actually started asking Chen Ping to plead for her!

But when Chen Ping looked at Zhuzhu who was kneeling on the ground crying, there was no mercy at all on his face!

“You brought this upon yourself, you can’t blame anyone else!”

Chen Ping said with an indifferent look!

Zhuzhu begged for a long time. Seeing that Suo Xingyue had made up her mind and knew that there was no possibility of her staying, she stood up slowly, turned around and left slowly!

After walking a few steps, Zhuzhu turned around and glanced at Chen Ping and Suo Xingyue, but at this time Zhuzhu’s eyes were already full of hatred!

But no one cares about her anymore. A person who has lost his cultivation may be eaten by some wild beasts when he leaves Jialing County!

“It was my faulty teaching that caused such a big scandal. Mr. Chen is really sorry!”

“I’ll excuse you now...”

Suo Xingyue’s face looked ugly and she was about to leave after saying that!

“Elder Suo, wait a moment...”

Chen Ping quickly called Suo Xingyue!

“Mr. Chen, is there anything else?” Suo Xingyue asked!

“Elder Suo, this Meng He’s Spirit Cauldron is of no use to me, so just give it to Elder Suo. I think it is very important to you!”

As soon as Chen Ping waved his hand, the spiritual cauldron was in Chen Ping’s hands!

“This, this, this...isn’t this appropriate?”

Suo Xingyue said with shock on her face!

Chapter: 4594

Because of his disciple, Chen Ping almost lost the competition, but he didn’t expect that Chen Ping would give him the Lingding!

“If there’s anything inappropriate, take it!”

Chen Ping said with a faint smile!

Suo Xingyue put away the Lingding Cauldron and looked at Chen Ping with emotion on his face: “Mr. Chen, if your Jade Cauldron Sect can gain access to our Danyang Sect in the future, we will absolutely have no obligation to refuse!”

Suo Xingyue took the Lingding Cauldron and left. The reason why Chen Ping did not leave the Lingding Cauldron to Liu Ruyan or to the third elder was because Chen Ping was still in the Jade Cauldron Sect for the time being. If he needed to make alchemy, his Shennong Cauldron was there!

Another point is that Chen Ping knows that he cannot stay in the Jade Cauldron Sect forever, so he can form a friendship with the Danyang Sect through Lingding. In the future, even if Chen Ping is no longer in the Jade Cauldron Sect, the Danyang Sect will help each other with the Jade Cauldron Sect. , which can also make Liu Ruyan feel more relaxed!

Moreover, with the strength of the Jade Cauldron Sect, it may not be able to defend the Spirit Cauldron, and this Spirit Cauldron will also bring disaster to the Jade Cauldron Sect!

After Suo Xingyue left, the old man handed Chen Ping a bamboo order and said, “This time you won the first place. People from Jialing County will send various rewards to your place of residence later. In addition, tomorrow you will With this bamboo order, you can go to the princess’s mansion to meet the princess!”

“Thank you, senior. I wonder if you can tell me what the special reward the princess is talking about?”

Chen Ping was very curious about this special reward!

“I’m sorry, I don’t know either. You need to meet the princess to find out!”

The old man smiled slightly, then jumped away!

Seeing this, Chen Ping could only follow Liu Ruyan and the others back!

In the evening, people from Jialing County sent various resources. Looking at the piles of resources, everyone laughed!

The third elder and Liu Ruyan used these resources to start practicing!

Chen Ping also planned to practice, but seeing Yi He sitting in the courtyard in a daze, Chen Ping walked out anyway!

Yihe's strength is suppressed now, so he can't practice at all!

And judging from Yihe's appearance, he should be worried about Isha and his Demon Imperial City!

"Don't worry. I'll see the princess tomorrow. He should be able to help you detoxify."

Chen Ping stepped forward, patted Yihe on the shoulder and said!

"Yes!" Yihe nodded!

.....

the next day.

Chen Ping brought Liu Ruyan and the others to the princess's mansion early!

Chapter: 4595

The Princess's Mansion is located in the middle of Jialing County, and is guarded by many soldiers. Moreover, Chen Ping also discovered that there are several formations surrounding it!

"Is this princess so afraid of death? How can she protect her so well?"

Chen Ping couldn't help but laugh when he looked at the protective measures of the princess's palace, which were like copper walls and iron walls!

After Chen Ping showed the bamboo order given by the old man yesterday, the guard immediately let him go!

But after entering, Chen Ping met Lord Yan!

Master Yan seemed to know that Chen Ping and the others were coming back, so he waited for them specially!

After seeing Chen Ping and the others, Master Yan said: "Follow me..."

Then Chen Ping followed Mr. Yan through door after door, and finally stopped in front of a very simple two-story building!

You must know that the entire princess mansion has been renovated magnificently, but this simple two-story building in front of you seems out of place!

Chen Ping was a little confused, was the princess in this simple two-story building?

"You guys wait here for a moment, I'll make an announcement..."

After saying that, Master Yan pushed the door open and walked in, then closed the door!

"The Princess of Jialing County won't live here, right? It's too shabby?"

Liu Ruyan looked at the two-story building in front of her and said in confusion!

"I don't know who the princess is, whether she is a man or a woman..."

The third elder asked curiously!

“This princess is so mysterious and still lives in a place like this. She doesn’t have any quirks, does she?”

“If he has any bad intentions towards us, it will be difficult for us to escape from here.”

Yihe said worriedly!

“I guess not? I have never heard of anyone being killed in Jialing County. Jialing County is considered a pure land in this area. As long as you enter Jialing County, you will no longer be in personal danger!”

The third elder said!

While the Third Elder and the others were talking, Chen Ping said nothing, looking up at the dilapidated two-story building in front of him, and frowning slightly from time to time!

“Chen Ping, what’s wrong?”

Liu Ruyan looked at Chen Ping like that and asked!

Chapter: 4596

“Do you think this small building in front of you is weird?”

Chen Ping asked!

“No? There’s nothing weird about it, except for the broken spots!”

Liu Ruyan shook his head!

The third elder and Yihe also looked carefully and saw nothing strange!

“I feel like this two-story building doesn’t feel like a building, but more like a container.”

“And there must be a magic circle in this small building. The moment I opened the door, I even felt a wave of spiritual energy!”

“This kind of fluctuation is very similar to what is emitted from the spirit nourishing array.”

Chen Ping frowned slightly and said!

“We can’t compare to Mr. Chen in our understanding of the magic circle...”

The third elder said quickly!

They don’t understand the magic circle at all, so how can they understand the spiritual energy fluctuations of the magic circle!

Chen Ping stopped talking, but carefully observed the two-story building. Logically speaking, the princess’s mansion is so magnificent that it is impossible not to repair this small building. Besides, Jialing County is not short of money. This two-story building It doesn’t cost much spiritual coins to renovate!

But now the small building still maintains its original decoration, and the princess still lives here, which shows that there is definitely something special about this two-story small building!

Just as Chen Ping was observing carefully, the door opened and Lord Yan came out and said, “Princess Princess, please come in...”

Chen Ping nodded, and then walked in with Liu Ruyan and the others!

Now several people are looking forward to it, wanting to see what kind of person this princess is, whether she is a boy or a girl!

But after a few people walked in, they discovered that at the top of the hall, a gauze curtain hung down, and behind the gauze curtain was a figure!

That should be the princess, but because there is a gauze curtain blocking it, it is impossible to tell whether the princess is a boy or a girl and what his appearance is!

“Sit down, please...”

The princess spoke slowly, and it turned out to be a girl’s voice, and the voice was as clear and crisp as a silver bell, very pleasant to the ear!

Seeing that the princess of Jialing County was a girl, the three elders and others looked a little surprised and curious!

But there was no expression on Chen Ping’s face. Instead, he stared at the figure and frowned slightly!

“Are you Chen Ping, the one who ranks first in the competition among pharmacists and who owns the Shennong Cauldron and the Sky Thunder Fruit?”

Chapter: 4597

The princess asked Chen Ping!

“Not bad!” Chen Ping nodded!

Chen Ping knew that he would definitely not be able to hide this secret from the princess!

“You are quite honest. Now that you have won first place, what special reward do you want?”

The princess asked!

“I want to know, what reward does the princess want to give?”

Chen Ping asked rhetorically!

Since it was said from the beginning that there will be special rewards for the pharmacist this time, the princess must have thought about it in advance!

The princess was silent for a while, and then said: “The special reward I have prepared for you is this...”

As he said that, he saw a white light coming quickly towards Chen Ping!

Chen Ping stretched out his hand to catch it, and found that it turned out to be a broken jade token. The jade token was caught in his hand, making Chen Ping feel that his whole body was extremely cold, and he had to use his spiritual power to resist the cold air!

The cold air emitted by this jade tablet was actually stronger than the cold air emitted by Gao Qijie!

Looking at the jade plaque in front of him, Chen Ping felt a sense of déjà vu. Suddenly, Chen Ping’s eyes widened as he seemed to remember something!

He quickly took out the jade token given to him by the vat from the storage ring, and then put it together with the jade token given by the princess!

The two incomplete jade tablets now fit together perfectly. They are simply one jade tablet!

Looking at the jade plaque in his hand, Chen Ping was filled with shock!

He didn’t understand who this princess was. She actually had the jade tablet of the ancient body refining clan, and it was also the jade tablet that opened the ancient body refining clan’s treasure!

“Who are you? How come you have the jade token of the ancient body-refining clan?”

Chen Ping couldn't help but ask!

"This is not what you need to know. You just need to know that with this jade tablet, you can find the treasure of the ancient body refining clan and open it."

"There are a lot of treasures inside. I don't know how many people are looking for this treasure!"

The princess said slowly!

"Is this the special reward you were talking about?"

Chen Ping asked!

Chapter: 4598

"Isn't this reward enough? You have to know that this treasure contains the Ice Soul Pill, which is the inner elixir of the Ice Soul Monster thousands of meters underground in an extremely cold place. Do you know the value of this Ice Soul Pill?"

The princess asked Chen Ping!

"I don't want to know the value of the Ice Soul Pill, nor do I want to find any treasure..."

Chen Ping shook his head!

"You don't want to find treasure? Can you withstand such a big temptation?"

There was a bit of doubt in the princess' tone!

“Of course I can withstand it, because I know that even if I find the treasure and the Ice Soul Pill, it will not fall into my hands!”

“You will definitely take it away, am I right?”

Chen Ping narrowed his eyes slightly and said with a solemn expression!

The princess was obviously startled, and then she started to giggle!

“You are so smart, but I won’t rob you of anything, I just want to make a deal with you!”

“I can detoxify your friend’s poison, and all you need to do is help me find the treasure and retrieve the Ice Pill!”

“As for the other things in the treasure, I don’t want them at all, I can give them to you.”

“This deal is not a loss for you, right?”

The princess said!

“How do you know that I will ask you to detoxify my friend?”

Chen Ping frowned. He had not told anyone about this matter. Only Suo Xingyue from Danyang Sect knew about it!

And it was Suo Xingyue who suggested that Chen Ping ask the princess for help to see if he could detoxify!

And now the princess actually knows about it, which has to make Chen Ping a little confused!

“There is nothing that happened in Jialing County that I don’t know about, including the other half of the jade token that Watan gave you.”

“But I won’t force you. If you don’t agree, you can leave now with the jade token!”

“But before you leave, I can tell you that no one can cure your friend’s poison except me.”

“Unless you find the poisoner and get the antidote!”

The princess said calmly!

Chapter: 4599

“Mr. Chen, don’t agree. The treasure shouldn’t be easy to find, and the Ice Soul Pill isn’t easy to get either. It will definitely be dangerous!”

“I don’t want you to risk my recovery...”

Yihe said to Chen Ping!

Yihe didn’t want to let Chen Ping take risks for his own sake. If Chen Ping had any shortcomings, then Yihe would be the sinner of the entire Tianlong Palace!

“You are the princess, why don’t you go find the treasure yourself and get the Ice Pill?”

“Don’t tell me that with your strength in Jialing County, you can’t get the Ice Soul Pill.”

Liu Ruyan was very puzzled as to why Chen Ping had to take the risk, so he asked the princess dissatisfied!

“Because she can’t get out of this two-story building at all. Her current body can only be supported by the soul-nurturing array in this building!”

“To be precise, what is in front of us is not a person at all, but a spirit body!”

“If you leave here, your spirit body will dissipate and disappear completely!”

“And this Ice Soul Pill can concentrate energy and form a physical body, so that’s why I was asked to get the Ice Soul Pill.”

“Am I right?”

After Chen Ping finished speaking, he looked at the princess and asked!

After Chen Ping finished speaking, the Princess of Jialing County didn’t speak for a long time. It was obvious that Chen Ping had guessed it right!

After a moment, the princess said: “You are smarter than I thought, and as a pharmacist, you also know the art of formations, and you also have the ultimate fire in your body. I really can’t understand, what are you doing?” What have you been through?”

When the words “Princess Zhihuo” came out of his mouth, Chen Ping’s expression changed instantly!

He was the demon’s ultimate fire, and he had never shown it in front of everyone. But when he was competing with Gao Qijie, Chen Ping condensed the ultimate fire on the soles of his feet, so that the cold air did not dare to come close to him!

But no one has found themselves using Zhihuo?

Chen Ping didn’t understand, why did the princess know that she had the ultimate fire?

Seeing that Chen Ping’s expression was not good, the princess continued: “Don’t worry, I will not ask about your origins, let alone your identity.”

“I just want the Ice Soul Pill, you help me get the Ice Soul Pill, and I’ll detoxify your friend, the best of both worlds!”

“Okay, I promise you!” Chen Ping nodded.

“Mr. Chen...” Seeing that Chen Ping actually agreed, Yihe hurriedly tried to stop him, but Chen Ping reached out to stop him!

“I can go find the treasure and get the Ice Soul Pill, but I can’t leave Jialing County now. The Thunder Eagle King is waiting outside for me!”

Chapter: 4600

“As soon as I go out, the Thunder Eagle King will kill me, and I won’t be able to find the treasure?”

Chen Ping said!

“This is easy to handle. Jialing County has more than one exit. Just leave through another exit!”

“But I won’t be able to control what happens to you after you leave Jialing County!”

The princess said!

“Well, I hope you can keep your promise and heal my friend!”

Chen Ping nodded!

“Let your friend stay here. When you get back the Ice Soul Pill, your friend will recover.”

The princess asked Yihe to stay in the princess’ mansion!

Chen Ping didn't know if the princess really wanted to detoxify Yihe, or she kept Yihe as a hostage, because she was afraid that she wouldn't come back after getting the Ice Soul Pill!

Chen Ping glanced at Yihe, then nodded and said, "Okay!"

Yihe's strength is now suppressed. Even if he follows to find the treasure, he won't be able to do much, and there will be danger!

After coming out of the Princess's Mansion, Chen Ping's expression has not been good!

"Chen Ping, don't put too much pressure on me. No matter what happens, I will be by your side."

Liu Ruyan saw that Chen Ping was not in a good mood, so she comforted him!

"Hey, my strength is still too low. I am limited in everything I do now. I must improve my strength as soon as possible!"

Chen Ping sighed!

If Chen Ping was strong enough today, how could the princess dare to negotiate terms with him.

"Mr. Chen, at your age, you are already very good with this kind of strength. You are only at the second level of the Fusion Realm. Even if you meet a fifth-level Fusion Realm monk, you won't take it seriously!"

"I'm afraid there aren't many geniuses like you in the entire world of gods and humans!"

"Your improvement by one realm is equivalent to the improvement of several realms by others, so you will definitely need more resources to practice!"

“Cultivation requires gradual progress. Don’t be too eager for quick success or instant success, lest you go crazy!”

The third elder advised Chen Ping!

He was afraid that Chen Ping was out of his mind and eager for quick success, so he went crazy and practiced evil skills!
