

The Order 4601

Chapter: 4601

“Third Elder, don’t worry, I won’t be eager for quick success!”

Chen Ping nodded!

After returning to his residence, Chen Ping planned to search for the treasure by himself, but Liu Ruyan was not at ease at all, so he insisted on following!

The third elder wants to transport the various resources rewarded this time back to the Jade Cauldron Sect!

In addition, the Jade Cauldron Sect has been managed by Nie Heng for a long time, and they are afraid that Nie Heng will not be able to manage it!

After Chen Ping and Liu Ruyan separated from the three elders, they left the inner city to find the three masters of the Phantom Thieves!

This time looking for treasure, maybe the skills of these three brothers can be used!

After all, these three guys are in the business of sneaking around!

When Chen Ping took Liu Ruyan to find the Three Phantom Thieves, the three of them were arguing with red faces!

“It’s all my fault, brother. I said don’t gamble anymore. Don’t gamble anymore. If you insist on continuing to gamble, now it’s better. I’m penniless!”

Sanjie said complainingly!

“Can you blame me? Don’t I also want to get my capital back? Mr. Chen gave us so many spiritual coins, but we all lost. How should we explain it?”

Dajie argued hard!

“Okay, stop arguing. If it doesn’t work out, let’s just keep doing what we do and invest some money to live!”

Erjie said!

“Are you looking for death?”

Dajie and Sanjie glared at each other at the same time: “This is Jialing County. If you dare to steal anything, you will die and your body will not be found.”

“Then what should we do? Can the three of us just watch and watch the delicious food without being able to taste it, and the beautiful women without being able to talk about it?”

“Then it would be better to die...”

Erjie had a look of despair on his face!

“Why don’t you just lose some money? As for all the fuss...”

At this time, Chen Ping walked over with a smile on his face!

When they saw Chen Ping, the three Phantom Thieves were all excited!

“Mr. Chen, I heard that you won first place in the competition, right?”

Chapter: 4602

Dajie said happily!

Chen Ping nodded: "I didn't expect you to be quite well informed."

"Mr. Chen, if you come first this time, you will definitely get a lot of resources. I wonder if our three brothers..."

Erjie looked at Chen Ping with a smile!

"Don't worry, as long as you hang out with me, I'll have nine meals in three days."

Chen Ping patted Erjie on the shoulder!

"I just said, Mr. Chen will not ignore us, and we will follow Mr. Chen to death from now on!"

Sanjie said excitedly!

After all, following Chen Ping is much better than them sneaking around!

"Okay, we are leaving Jialing County, you should also clean up!"

Chen Ping said to the Three Phantom Thieves!

"Mr. Chen, where are we going? Back to the Jade Cauldron Sect?"

"I heard that there is a treasure to appear in the north of Jialing County. Why don't we go look for the treasure?"

Dajie said to Chen Ping!

When Chen Ping heard this, he was stunned and said: "Treasure? What treasure? How did you know?"

You must know that Chen Ping has not told anyone about his search for the treasure. Only the princess of Jialing County knows about it. I believe the princess will definitely not reveal the news!

But now Dajie actually knows about the treasure, but he just doesn't know if the treasure he mentioned is the same treasure that Chen Ping is looking for!

"Many people know that there is a guy named Watt who says he has a treasure map and is selling it!"

"Many people in the outer city have bought that guy's treasure map, and I heard the price is not cheap!"

Dajie said!

"Yes, it is very expensive, and this Watt said that he is some kind of ancient body-refining monk, and the treasure belongs to their ancient body-refining clan, and it has been for many years!"

"It's just that the treasure map in his hand is incomplete and does not indicate the specific location of the treasure!"

"But even so, many people are flocking to buy it, and this guy has already made a lot of money!"

Erjie said with envy!

Chapter: 4603

"Watt, a tile jar?" Chen Ping frowned slightly!

He didn't know what the relationship between Watt and Watan was, and why an ancient body-refining monk appeared again!

"Mr. Chen, what are you talking about? This guy's name is Watt, not Watan!"

Dajie said to Chen Ping!

"Oh, take me to meet this Watt now."

Chen Ping said!

Chen Ping wanted to see who this Watt was, how he got the treasure map, and whether this guy was really an ancient body-refining monk!

"Mr. Chen, I advise you not to go. This guy is too shady. The treasure map costs 100 million spirit coins. The entry fee for queuing up in the past alone is 10 million!"

"I feel that his treasure map is fake. There is no need for us to be defrauded of money by him!"

Dajie stops Chen Ping from going to Navat!

"One hundred million spirit coins, is this guy crazy?"

After Liu Ruyan heard this, he immediately exclaimed!

A treasure map that is not known to be true or false but is still incomplete can be sold for 100 million spiritual coins!

And this guy obviously made a lot of copies and could sell them to many people at the same time!

From this point of view, this guy has really made a lot of money!

“The more this happens, the more we have to take a look. If it can sell for such a high price, this treasure map should have a certain degree of authenticity!”

Chen Ping said!

“Chen Ping, but we don’t have a billion spirit coins now? Those resources have been taken away by the third elder!”

Liu Ruyan said!

Chen Ping smiled lightly: “Don’t worry, we have whatever money we want. As long as I speak to the people in Jialing County, I believe they will give it to me.”

Chen Ping wanted to get the Ice Soul Pill for the Princess of Jialing County. He just needed some money. Chen Ping believed that the Princess of Jialing County would definitely give it!

And 100 million spirit coins are just a small amount of money for Jialing County!

The Three Phantom Thieves took Chen Ping and Liu Ruyan to find Navat.

Soon a few people arrived at a rather secret courtyard. The courtyard was not particularly big, but there were two people standing guard at the door!

Chapter: 4604

When he saw Chen Ping and the others coming, he stopped them and asked, “What do you do?”

“Brother, we are here to buy treasure maps...”

Dajie stepped forward and said!

“Come to buy pictures?” The guard looked at Chen Ping and the others, and then said: “The entry fee is 10 million spirit coins. Do you know the rules?”

“I know, I know...”

Dajie nodded repeatedly, and then looked at Chen Ping!

Chen Ping didn't have any spirit coins either, so he could only look at Liu Ruyan. All the spirit coins Chen Ping won in the ring were given to the jar!

Liu Ruyan took out 10 million spirit coins and handed it to the opponent, who then let him go and said: “Go in...”

Now that Chen Ping has walked in!

Entering the yard, walking a few more steps, we arrived at the living room!

When Chen Ping and the others walked into the living room, they found that there were already people in the living room.

I saw two men and one woman walking in the living room, and the three of them didn't seem to know each other!

Seeing Chen Ping and the others come in, all three of them looked at Chen Ping and the others!

Chen Ping and the others were not at a high level of strength, so after looking at it, no one cared!

And Chen Ping also looked at the three people in front of him. They were all fifth-level monks in the Fusion Realm. With this kind of strength, they could also be regarded as the mainstay in ordinary sects!

However, Chen Ping did not feel the aura of the Ancient Body Refining from the three people, which proved that these three people were not Watt, and they should also be here to buy the treasure map!

Chen Ping and the others found a place and quietly waited for Nawatt to appear!

After waiting for a while, two more people walked in. They had arrogant faces, swords on their waists, and their clothes were exactly the same. They should be brothers from the same school.

The cultivation level of these two people is the sixth level of the Fusion Realm, which is the highest level in this room!

When they saw these two people, the two men and one woman who had just been sitting in the living room became a little nervous!

After all, they are all here to buy the treasure map. When the treasure is actually found, there will definitely be a conflict. The person with a high level of strength will definitely stand at the end!

The two people came in, casually looked at the people in the living room, and then found a place to sit down!

A few more minutes passed, and Watt still didn't show up, but then three more people came in!

They were also two men and one woman, but when these three people walked in, Chen Ping was stunned for a moment!

Chapter: 4605

Because among the two men and one woman, two of them were known to Chen Ping, and that was Shi Tieqiao of Feitian Sect and the old woman!

There is also a young man in white, but it seems that his status is higher than that of the elder Shi Tieqiao!

Shi Tiejiao and the old woman were behind the young man, like followers!

This young man is Ji Yun, the eldest son of the Feitian Sect, and he can be considered a very talented person.

Chen Ping took a look at Ji Yun and was a little surprised. Ji Yun was not very old, but he had already reached the seventh level of the Fusion Realm!

At this age, someone who has reached the seventh level of the Fusion Realm can be considered a rare existence!

“Chen Ping, you are here?”

After Shi Tiejiao saw Chen Ping and the others, he frowned and said!

“Elder Shi, do you know this person?”

Ji Yun asked to Shitiejiao!

“Mr. Ji, this guy is the one who secretly let go of our three pterosaurs, and...”

Shi Tiejiao whispered a few words in Na Jiyun’s ear!

Chen Ping knew without thinking what Shitiejiao and Ji Yun were talking about!

“Oh, you’re only at the second level of the Fusion Realm, but you actually have this kind of ability?”

Ji Yun looked at Chen Ping with some disbelief. He couldn’t believe that Chen Ping, a second-level Fusion Realm player, could pick the Sky Thunder Fruit!

“Mr. Ji, this boy is capable of leaping ahead and fighting, don’t underestimate him!”

Shi Tieqiao said!

“Huh, fighting over a higher level? I’m really not afraid of fighting over a higher level.”

Ji Yun snorted coldly, then swept his eyes over Liu Ruyan’s body: “Girl, you look pretty cool. Where are you from? Do you want to play with me?”

“Rogue, shameless...”

Liu Ruyan rolled her eyes at Na Ji Yun and said!

“Hahaha, the girl is pretty hot, but that’s how I like it.”

“Brother, I am the eldest son of the Feitian Sect. If you follow me, wouldn’t it be better than following a guy who is at the second level of the Fusion Realm?”

Ji Yun looked at Liu Ruyan with a wicked smile and said!

Chapter: 4606

“I bother.....”

Liu Ruyan spat hard!

“Are you looking for death?”

Chen Ping looked at Ji Yun coldly and asked!

Ji Yun was stunned for a moment, then laughed and said, "Boy, what are you talking about? Are you saying that I'm looking for death?"

"Hahaha, are you kidding me? You, a second-level Fusion Realm guy, dare to talk to me like this?"

"Do you believe I could crush you to death with just one hand?"

"I don't believe it!" Chen Ping shook his head!

"Don't believe it? If you don't believe it, then I'll show you if I can take care of you with one hand!"

Ji Yun said that he was about to attack Chen Ping!

But Shi Tieqiao at the back quickly stopped Ji Yun and said: "Master Ji, you have to calm down. This is Jialing County, and we can't fight privately. This guy is deliberately provoking you and asking you to attack him."

"We can't be fooled. If there is a private fight and Jialing County finds out about it, at least it will be driven away, but at worst, it will be punished."

When Ji Yun heard this, he took back the hand that was about to wave out, then looked at Chen Ping coldly and said: "Boy, you are just rampant in Jialing County. If you leave Jialing County, I will kill you." If you dare to let go of our Feitian Sect's three-headed pterosaur, you are seeking death!"

"What? You don't dare to do it?"

Chen Ping said with disdain!

"Don't you dare to take action? If you dare, then come and hit me. Come on, come on..."

Ji Yun actually moved his face towards him and asked Chen Ping to hit him!

Ji Yun expected that Chen Ping would not dare to violate the rules of Jialing County!

But he never thought that Chen Ping was not afraid of the rules of Jialing County at all. After all, the princess of Jialing County had something to ask of him!

Even if he breaks the rules of Jialing County, he will not be punished in any way!

Just when Ji Yun moved his face towards him, Chen Ping suddenly slapped him in the face!

Snapped!

There was a crisp sound, and he was slapped hard on Ji Yun's face!

Then Chen Ping kicked Ji Yun in the chest!

Chapter: 4607

Ji Yun received a solid kick without any precaution. He was instantly kicked out and his body fell into the yard!

Everyone present was stunned and looked at Chen Ping in disbelief!

They didn't expect that Chen Ping would dare to take action in Jialing County!

"Master, Master..." Shi Tieqiao and the old woman rushed out and helped Ji Yun up!

Chen Ping got up and walked out!

Other people in the living room also went out, wanting to see the joke!

“Ah, you bastard, you actually dare to take action, I want to kill you, I want to kill you...”

Ji Yun roared angrily. In front of so many people, he, a dignified seventh-level Fusion Realm monk, was slapped and brought up by Chen Ping, a second-level Fusion Realm monk!

“Young master, be sure to calm down and don’t do anything. Don’t do anything. People from Jialing County will definitely be here soon!”

Shi Tieqiao pulled Ji Yun tightly and said!

At this moment, several Jialing County guards wearing armor rushed in with weapons!

“Who is so bold as to have a private fight in Jialing County?”

One of the guards asked angrily!

“It was him, he was the one who beat our young master...”

Shi Tieqiao pointed at Chen Ping and said!

Upon seeing this, several guards quickly took out their weapons and surrounded Chen Ping!

Upon seeing this, the three heroes of the Phantom Thieves hurriedly protected Chen Ping!

They can’t let anything happen to Chen Ping. If something happens to Chen Ping, then something will happen to them!

“You three stand down, these guards won’t do anything to me.”

Chen Ping said confidently!

The three monster thieves saw this and retreated!

One of the guards said to Chen Ping: "You are so brave and dare to fight privately in Jialing County. Are you tired of living?"

The guard was very arrogant. After all, he saw that Chen Ping was only at the second level of the Fusion Realm, and he was still in the outer city. He was not a person of any status at all!

"Which of your eyes saw my private fight? I didn't fight privately, and I didn't hit anyone."

Chapter: 4608

Chen Ping said!

"Someone has already sued you, and you still want to deny it. What's more, the aura that just emitted has been captured by us. Don't think that we can't admit it because we can't see it."

The guard said sharply!

"Then if I sue them, they beat me?"

Chen Ping said with a cheating look!

"Chen Ping, you don't have to quibble. There are so many people watching. They can all testify that you hit our young master, and our young master didn't fight back at all!"

"And when you took action, your aura was already exposed. Do you think these poor men are so easy to fool?"

After Shi Tieqiao finished speaking, he actually walked up to several guards and said with a smile on his face: "Guys, this guy is so bad. He broke the rules of Jialing County and even denied it in every possible way. You can't let him off lightly. Him!"

As Shi Tieqiao said, he actually took out some spiritual coins and gave them to several guards!

Several guards put away the spirit coins with smiles on their faces: "Don't worry, Elder Shi, no one who dares to have a private fight in our Jialing County will be spared lightly."

"I will arrest him now, but I still need your Mr. Ji to follow him. As long as his injuries are examined, his quibbles will be useless!"

These guards seem to know people from the Feitian Sect. After all, the Feitian Sect is considered a big sect nearby!

"This is no problem, we fully cooperate!"

Shi Tieqiao nodded repeatedly!

"Boy, come with us. If you break our rules, you will be punished!"

A guard said, stepped forward and grabbed Chen Ping's shoulders!

"stop....."

At this moment, a cold shout suddenly came, and then Master Yan's figure appeared!

"Master Yan....."

Seeing Master Yan, he hurriedly guarded and rushed his luggage!

Even Ji Yun and Shi Tieqiao from the Feitian Sect, as well as other people in the courtyard, respectfully called out “Master Yan!”

After all, in Jialing County, apart from the princess of Jialing County, Master Yan has the greatest power!

Many people have never seen the princess, but they can see Master Yan!

“What’s going on?” Master Yan asked the guard!

Chapter: 4609

“Reporting to Lord Yan, this guy is having a private fight in our Jialing County city, and I am about to arrest him!”

The guard said!

“Did you witness his private fight with your own eyes?” Master Yan asked!

“Uh...” The guard was stunned: “That’s not true, but there are witnesses. Many people saw him beating Mr. Ji of Feitian Sect.”

“Master Yan, this guy did attack our young master. There are still scars on our young master’s face and body!”

Shi Tieqiao said quickly!

Master Yan looked at Chen Ping, and Chen Ping said with a relaxed expression: “Master Yan, you, the guards of Jialing County, why do you still accept spiritual coins? In front of so many people, you accepted the spiritual coins of Feitian Sect, of course. Those who know how to follow the Feitian Sect’s advice.”

“Anyway, I don’t have a private fight, nor do I take action...”

“But since Master Yan is here, I just want to borrow some spiritual coins from Master Yan.”

“How much do you want to borrow?” Master Yan asked!

“One hundred million spirit coins.” Chen Ping stretched out his hand and said!

“One hundred million?” Mr. Yan was stunned, and then said: “Where can I find a hundred million spirit coins on my body? I need to withdraw it.”

At this time, Shi Tieqiao saw that Chen Ping didn’t admit to beating someone, but he actually borrowed money from Master Yan. What a weird thing!

“Chen Ping, our young master is still injured. It’s useless for you to deny it.” Seeing that Chen Ping refused to admit it, Shi Tieqiao shouted angrily!

“That was your stupid son who threw it by himself. What does it have to do with me?”

Chen Ping smiled disdainfully!

“You...” Shi Tieqiao was so angry that he was half-dead!

And the guards looked a little ugly at the moment. They didn’t expect Master Yan to come!

“Okay, since I haven’t seen this, let’s leave it at that. No one is allowed to have private fights in Jialing County from now on!”

Master Yan waved his hand and said!

Obviously, let this matter go as it is and not pursue it further!

After hearing Master Yan say this, Ji Yun immediately became unwilling.

“Master Yan, I was injured and someone saw it, but you just said that and let it go?”

“If this is the case, can I also fight privately in Jialing County?”

Chapter: 4610

Ji Yun questioned Master Yan!

“Try...” Mr. Yan’s face turned cold and he looked at Ji Yun with a stern expression!

Seeing Master Yan’s expression, Ji Yun hurriedly said: “I’m just making a metaphor. I will never break Jialing County’s rules by taking action!”

“But Chen Ping did hit me. This was a private fight...”

“I said, I didn’t see it. If I see him fighting privately, I will definitely punish him.”

Lord Yan said!

“Okay, then I’ll show Mr. Yan how crazy this guy is!”

After Ji Yun finished speaking, he walked directly towards Chen Ping, then glanced at Liu Ruyan who was beside Chen Ping and said: “Chen Ping, is this woman your Taoist companion?”

“But with such a good person, it would be too wasteful to only serve you. After you leave Jialing County, watch how I take off this woman’s clothes and let everyone ride on her...”

“Beast, gangster...”

Liu Ruyan cursed angrily with her face red!

Ji Yun looked at Chen Ping with a faint smile on his face. He was deliberately irritating Chen Ping so that Chen Ping would hit him. In this case, Lord Yan would see it with his own eyes!

“Are you deliberately irritating me and asking me to hit you?”

Chen Ping asked!

“That’s right, weren’t you awesome just now? Why don’t you dare to do it now that Master Yan is here?”

“Hit me, hit me...”

Ji Yun put his face in front of Chen Ping and kept provoking him!

“Since you want to be beaten so much, then I will grant it to you...”

Chen Ping said, raised his hand and waved it out!

Snapped!

With a crisp sound, Ji Yun was slapped hard!

But just when Ji Yun was overjoyed and was about to let Master Yan punish Chen Ping, Chen Ping didn’t stop, and then his palm fell again!

Bang bang bang.....

A series of crisp sounds were slapped directly on Ji Yun's face!
