

The Order 461

Chapter: 461

Su Yuqi said, ran directly towards the girl, and hugged the girl!

At this moment, the girl was stunned. She looked at Chen Ping and then at Su Yuqi, a little dumbfounded!

“Sister Yuqi, you... weren’t you kidnapped by these two bad guys?”

the girl asked.

“Kidnapping?” Su Yuqi was stunned for a moment, then laughed out loud: “Why are you kidnapping? These two are my friends, let me introduce them to you!”

Su Yuqi took the girl and walked to Chen Ping: “This is my cousin Gu Yufei, one is named Chen Ping and the other is Lin Tianhu!”

“Hello!” Chen Ping extended his hand generously!

Gu Yufei’s face turned red immediately, her face was full of embarrassment, and she shook hands with Chen Ping: “I’m so sorry, I thought you were bad people!”

It turned out that Gu Yufei happened to see Chen Ping and the others while driving. She saw Su Yuqi in the car, and Chen Ping put his arm around her shoulders. Su Yuqi’s face didn’t look good. In addition, the back of Chen Ping’s car was smashed. Gu Yufei thought Su Yuqi had been kidnapped!

So I called the police and followed him in my car. It turned out that it was all a misunderstanding!

“It’s good now. The misunderstanding has been resolved. We thought you were a bad guy just now, and we scared me to death!”

Su Yuqi said happily.

“Sister Yuqi, what happened to your car? What are you doing in Yuncheng?”

Gu Yufei asked with a puzzled look on her face.

“Let’s come over here to buy some medicinal materials. As for the car, it’s a long story. I’ll tell you slowly later!”

Su Yuqi didn’t want to talk too much with Gu Yufei, nor did she want her to know too much. After all, knowing too much would not be good for her!

“Then get in my car. My sister is waiting for me to have dinner with me. If she knows you are coming, she will be extremely happy!”

Gu Yufei didn’t ask any questions and pulled Su Yuqi into her car!

Chen Ping took a look and said to Lin Tianhu: “Go and repair the car. We will call you then!”

Lin Tianhu nodded and drove away. Chen Ping also got into Gu Yufei’s car and sat in the back seat!

Gu Yufei and Su Yuqi haven’t seen each other for several years, and they chatted endlessly!

“Sister Yuqi, which group is your boyfriend from?”

Gu Yufei asked.

“He is not my boyfriend!” Su Yuqi shook her head.

Chapter: 462

“Pull him down, I’ve seen it. He’s not your boyfriend. Why would you sit with him and let him hug you? Did you run out without telling your uncle?”

Gu Yufei smiled playfully at Su Yuqi.

“No, my dad knows that we are coming to Yuncheng!” Su Yuqi quickly explained.

Otherwise, Gu Yufei might mistake Su Yuqi as an elopement, and she would have to call Su Wenzong!

“Handsome guy, which group are you from? You can attract my sister Yuqi’s attention. It seems like you have some skills!”

Gu Yufei was no longer afraid at this time and followed Chen Ping and asked with a playful expression.

Chen Ping smiled lightly: “I am not the son of any group. Now I am an unemployed person. It is your cousin who supports me. She bought me the clothes!”

The suit Chen Ping is wearing now was indeed bought for him by Su Yuqi!

“Pretty face?” Gu Yufei was stunned and blurted out the word pretty boy!

“Feifei, don’t talk nonsense!” Su Yuqi hurriedly glared at Gu Yufei, then looked at Chen Ping apologetically: “Chen Ping, my cousin has this character, don’t worry about it!”

Chen Ping smiled slightly: “This character is quite good, I like it very much!”

“It’s no use liking me, I’m your sister-in-law!” Gu Yufei said playfully.

Chen Ping smiled helplessly. Although this Gu Yufei said hurtful words, she was straightforward and good-natured. This was somewhat similar to Su Yuqi!

Gu Yufei quickly drove to a Western restaurant, parked the car, and walked in with Chen Ping and Su Yuqi!

On a table near the corner, a woman with wavy hair and a pair of sunglasses hung on her chest was looking at her phone intently. She looked quite charming like a professional woman!

“Sister, look who’s here!”

Gu Yufei walked up to the woman and said excitedly.

The woman looked up and was slightly startled, while Su Yuqi hurriedly shouted: “Sister Yuyao, can you still recognize me?”

“Yu Qi, why are you here in Yuncheng? Sit down quickly!”

Gu Yuyao stood up quickly and asked happily.

“My friends and I came to Yuncheng to buy some medicinal materials!”

Su Yuqi said and sat next to Gu Yuyao.

Only then did Gu Yuyao notice Chen Ping, looked him up and down, nodded slightly, stretched out his hand and said, "My name is Gu Yuyao, Yu Qi's cousin!"

"My name is Chen Ping, Yu Qi's friend!"

Chapter: 463

Chen Ping hurriedly reached out and shook hands with Gu Yuyao!

After sitting down, Gu Yuyao looked at Su Yuqi with a slight smile and asked in a low voice: "Yu Qi, whose young master is this? He looks very energetic, not bad!"

"Sister, don't ask, I'll tell you..."

Gu Yufei pulled Gu Yuyao, and then whispered something in her ear, but she didn't know what she said!

I don't know what Gu Yufei said, but Gu Yuyao's face became more and more ugly, and the way she looked at Chen Ping also changed!

"Yu Qi, you must be careful when making a boyfriend. With your current conditions, I believe many people will pursue you. You are still young, so you must keep your eyes open and don't be deceived by some people. Wait until you get married in the future. It's too late to regret it!"

Gu Yuyao looked at Su Yuqi and said, but it was obvious that she was talking to Chen Ping!

"Sister Yuyao, you misunderstood, actually..."

“No need to explain, I know everything. I came from your age too!”

Before Su Yuqi could finish speaking, Gu Yuyao interrupted Su Yuqi’s words, then looked at Chen Ping and said: “What can you do if you have hands and feet? Is soft rice so delicious?”

Seeing Gu Yuyao suddenly targeting him, Chen Ping looked helpless and didn’t know how to answer her!

“Yu Yao, who is a freeloader? Are there still men in this society who are freeloaders?”

At this time, a handsome boy who was 1.8 meters tall came over.

“Brother Zhigang, why are you here? You are always late for dinner!”

When Gu Yufei saw this boy, she immediately said with a smile on her face.

“We just discussed some business, so I was delayed. It’s the same old rule. I’m late. I’ll pay for it today. You can order whatever you want!”

The boy smiled and then looked at Su Yuqi.

“This is my cousin Su Yuqi, and this is my cousin’s boyfriend Chen Ping...”

Gu Yufei followed the boy and introduced him!

“My name is He Zhigang, Yuyao’s boyfriend!”

He Zhigang stretched out his hand and shook hands with Su Yuqi and Chen Ping like a gentleman!

Gu Yufei gave up her seat and let He Zhigang sit with Gu Yuyao!

“What were we talking about just now? We also talked about eating soft rice!”

After sitting down, He Zhigang asked Gu Yuyao.

Chapter: 464

“It’s just a casual comment. My cousin, the daughter of the richest man in Hongcheng, actually found a jobless guy who has no job at all and needs my cousin to buy clothes. Don’t you think this is a soft job?”

Gu Yuyao sighed and said, with a strong sense of hating that iron cannot become steel!

Chen Ping’s expression changed slightly. Although Gu Yuyao was doing it for Su Yuqi’s good, Chen Ping also became a little angry when she said this to him again and again!

He Zhigang also saw that Chen Ping’s expression was wrong, so he said to Gu Yuyao: “You can’t say that. There are so many well-matched people in the world. I think these Chen Ping brothers are extraordinary. As long as they have the ability and are willing to do it, there is no guarantee that they will do it.” It will turn around one day, so don’t look down on anyone!”

After He Zhigang finished speaking, he nodded apologetically towards Chen Ping: “Brother Chen Ping, don’t worry, the sisters are too straightforward and can easily hurt others!”

“No, they are all family members, and my cousin is doing it for Yu Qi’s own good!”

Chen Ping had a good impression of He Zhigang, and his anger subsided a lot.

“Let’s order food for dinner. I’ll treat you today. Don’t save any of you for me!”

He Zhigang said, called the waiter and started ordering!

Soon, the table was full and several people were chatting while eating. During the conversation, Chen Ping found out that He Zhigang was an easy-going man, but his identity was not simple. He was the son of the famous Renhetang in Yuncheng!

You must know that Renhetang ranks among the top three in Yuncheng. There are a total of eighteen pharmacies that specialize in the recycling and sales of medicinal materials. They are quite influential in the entire Yuncheng!

Listening to He Zhigang’s conversation, Chen Ping felt that the term “second generation rich” was not necessarily a derogatory term. Who should be assigned it?

“Brother Chen Ping, are you coming to Yuncheng this time to visit relatives or just to hang out?”

He Zhigang asked Chen Ping.

The two of them are considered brothers-in-law, so they should communicate more!

“I plan to come over to purchase a batch of medicinal materials!”

Chen Ping said truthfully.

“Okay then, if you want any medicinal materials, just tell me. We at Renhetang have all the medicinal materials you need, and they are all quality-guaranteed. With our relationship, I will give you the lowest price. In fact, if you really want to get into this business, You can also make a lot of money by reselling medicinal materials!”

He Zhigang misunderstood Chen Ping and thought that Chen Ping wanted to be a medicine dealer!

“That’s not what I meant. I plan to buy some medicinal materials for my own use. At least it should be century-old ginseng, century-old Ganoderma lucidum, etc. If it can be a thousand years old, that would be great!”

Chen Ping smiled lightly.

He Zhigang was stunned for a moment, and Gu Yuyao sneered: “Are you out of your mind? Do you know how much money these things you mentioned cost? Especially the thousand-year-old Ginseng Ganoderma, that’s all It’s a sky-high price, I’m afraid I’ll sell it to you and you won’t be able to afford it!”

Chen Ping said nothing and there was no need to explain!

After He Zhigang was stunned for a while, he said to Chen Ping seriously: “Brother Chen Ping, I can understand your desire to do big business, but these things you mentioned are priceless treasures even in Yuncheng. , although the Su family is rich, they may not be able to do this. If you don’t know how to do it, you may be deceived and bankrupt!”

Chapter: 465

“Brother He, thank you for reminding me, I have my own sense of discretion!”

Chen Ping followed He Zhigang to say thank you!

Seeing that Chen Ping seemed to have made up his mind, He Zhigang stopped persuading him and said instead: “Brother Chen Ping, you have just arrived in Yuncheng. Take a rest first. You can find me at the Renhetang head office tomorrow and I will accompany you around.” , you should get familiar with it first, as long as I am with you, no one will lie to you.”

“What are you doing with him? Aren’t you busy? A guy like this has high ambitions but low abilities. He can’t do anything. He can tell the difference between a century-old ginseng with just one mouthful. Does he know how to distinguish a century-old ginseng?”

The more Gu Yuyao looks at Chen Ping, the more she dislikes him!

“Okay, since you’ve come all the way here, we should always keep you company!”

He Zhigang smiled slightly.

“I want to accompany you. I don’t have time. I have to go to work!” Gu Yuyao frowned and saw Su Yuqi and said, “Yuqi, you have to be careful yourself, but when others ask you to pay, you just pay. !”

“I understand, cousin!” Su Yuqi nodded.

After dinner, several people exchanged greetings and prepared to say goodbye, and then Chen Ping and Su Yuqi went to find a place to stay.

Gu Yuyao wanted Su Yuqi to live in his home, but considering Chen Ping, Su Yuqi refused!

As soon as he walked out of the door of the restaurant, Lin Tianhu came up to him. The car had been repaired!

“This is my friend Lin Tianhu!”

Seeing Lin Tianhu coming over, Chen Ping introduced He Zhigang.

“Hello, my name is He Zhigang!” He Zhigang shook hands with Lin Tianhu!

“Brother Chen Ping, I heard that you have an underground emperor in Hongcheng named Lin Tianhu, known as Lord Tiger. He is very powerful in Hongcheng and has hundreds of people under his command. This brother’s name is the same as Lord Tiger!”

He Zhigang said in surprise.

“There are so many names with the same name. Can Mr. Hu give him a free-spirited driver? What are you thinking!”

Gu Yuyao said with disdain!

When Su Yuqi heard this, she immediately opened her mouth and wanted to explain to her cousin that the Lin Tianhu in front of her was the Lord Tiger in their mouths!

But before he opened his mouth, Chen Ping stopped him with his eyes, and then he laughed and said: “It’s just the same name, it’s just the same name...”

Chen Ping didn’t want too many people to notice their whereabouts. If Lin Tianhu’s identity was also exposed, then many people in Yuncheng would focus on them!

After the restaurant was separated, Chen Ping and the others found a hotel and booked three rooms, one for each person. Chen Ping wanted to book two rooms, saying it would save some money, but Su Yuqi disagreed!

They were tired from traveling all the way and being chased by people from the Wei family, so they lay down and fell asleep!

Chapter: 466

At this time, in the Wei family in the provincial capital, Wei Kunan was walking uneasily!

It's been more than half a day, but no news has been received. He called and couldn't contact his people!

Wei Kunan's face became more and more ugly, and the uneasiness in his heart became more intense. He knew that something must have happened to his men, otherwise he would not be able to contact them!

"Fu Bo!"

Wei Kunan shouted!

"Master!" A thin old man with a stooped body walked in!

This old man is the old housekeeper of the Wei family. Ever since Wei Kun'an's father, Uncle Fu has been the housekeeper of the Wei family. Now that he is older, although he is no longer the housekeeper, the Wei family still treats Uncle Fu as one of their own, and still allows Uncle Fu to be one of their own. He stayed in the Wei family to take care of himself!

I think back then, the Wei family was once revenged by their enemies. Hundreds of people besieged the Wei family. Dozens of members of the Wei family were in danger. In the end, it was only relying on Uncle Fu to repel those enemies. From then on, the Wei family Fu Bo regards him as one of his own family members!

"Uncle Fu, take a few people to Yuncheng. Be sure to bring the guy who crippled the young master. If you can't capture him alive, even the corpse must be brought back to me. If this matter is not handled well, I'm afraid the Jiang family will be even more miserable. You look down on my Wei family!"

Wei Kunan now wants to get rid of Chen Ping no matter what, otherwise he will be scolded by his wife all day long and looked down upon by the Jiang family, and he will not dare to talk back!

“Don’t worry, sir, I will definitely bring him to you!”

Fu Bo nodded, then turned and walked out!

Early the next morning!

Chen Ping and the others had just gotten up and had breakfast at the hotel when Gu Yufei drove over!

“Sister Yuqi, brother Zhigang is afraid that you don’t know each other, so he asked me to come over and take you there!”

Gu Yufei said to Su Yuqi.

“Okay, let’s go!”

Su Yuqi nodded.

“Sister Yuqi, you won’t sleep with your boyfriend at night, right?”

Gu Yufei walked up to Su Yuqi and whispered.

“What nonsense are you talking about? We each have a room!”

Su Yuqi glared at Gu Yufei!

With Gu Yufei leading the way, Chen Ping and the others quickly arrived at the main store of Renhetang!

This store is located in the city center and covers an area of thousands of square meters. This shows that the strength of Renhetang should not be underestimated!

Chapter: 467

As soon as they entered the door, the waiter at the door of the store said to Gu Yufei politely: "Miss Gu, our boss He ordered that after you come, you can go directly to the back hall to find him!"

"I know!" Gu Yufei nodded and waved her hand towards Su Yuqi: "Sister Yuqi, let's go to the back hall!"

Chen Ping and Lin Tianhu followed the two girls. At this time, Chen Ping looked at the entire Renhe Hall. Although it was morning, there were already many customers coming in and out, some inspecting the goods, and some bargaining.

In the hall of Renhetang, there are no less than a thousand kinds of medicinal materials, each of which is displayed in a display case, and the name and efficacy of the medicinal materials are labeled. This is enough to show that Renhetang is very formal!

Chen Ping felt it secretly and found that the medicinal materials inside were all ordinary things and could not sense the fluctuations of spiritual energy at all, but it was right to think about it. Who would put precious medicinal materials in the hall like this.

After passing through the hall and walking through another corridor, Chen Ping and the others arrived at the lobby at the back. On both sides of the lobby were warehouses filled with bags of medicinal materials!

"Brother Chen Ping, you are here..."

Seeing Chen Ping and the others arriving, He Zhigang hurriedly greeted them with a smile: "You guys sit down for a while, I have a guest to entertain. When the reception is over, I will take you around!"

“Brother He, there’s no rush, you go ahead!” Chen Ping smiled slightly.

He Zhigang nodded: “Come here, serve some cups of tea!”

After sending someone to serve tea to Chen Ping and the others, He Zhigang left. At this time, there was a middle-aged man sitting at the Eight Immortals table in the middle of the lobby. He Zhigang sat directly opposite the middle-aged man!

The two people were talking, and there was an exquisite wooden box placed on the Eight Immortals table. It seemed like they were making a deal!

Chen Ping sat down, took a sip of tea, and looked around boredly.

“Mr. He, this is an old wild ginseng that is more than a hundred years old. Look at the quality, the head, and the ginseng whiskers. This is definitely a top-grade wild ginseng. I want you 20 million, a little. It’s not much, if you Renhetang doesn’t accept it, I can go to Tongrentang, they will definitely accept it for 20 million!”

The middle-aged man suddenly raised his voice and said to He Zhigang.

Because the middle-aged man’s voice rose, Chen Ping couldn’t help but look there.

“Mr. Zhao, we can still talk. This wild ginseng is indeed top-grade, but the price of 20 million is indeed a bit high. Otherwise, if you lower the price a little, I will transfer the money to you right away!”

He Zhigang said with a smile on his face.

“Twenty million, even a penny less won’t do. Since you don’t want it, then I’ll leave!”

The middle-aged man said, stood up, picked up the wooden box and was about to leave!

“Mr. Zhao, don’t be anxious, don’t be anxious, I want it, our Renhetang wants it, not for anything else, just to make you a friend!”

He Zhigang hurriedly stopped the middle-aged man, and then took out his mobile phone: “I will transfer the money to you now. If there is such a high-grade ginseng again, and it comes to our Renhetang, I will definitely pay a high price!”

“Hahaha, easy to say, easy to say...”

When the middle-aged man heard this, he burst out laughing, his face full of excitement!

Chapter: 468

“Brother He, wait a moment...”

Just when He Zhigang was about to transfer money to the middle-aged man, Chen Ping suddenly walked over and stopped He Zhigang!

“Brother Chen Ping, what’s wrong?” He Zhigang asked doubtfully.

“Sir, can you let me see this ginseng?” Chen Ping asked the middle-aged man.

The middle-aged man did not speak, but looked at He Zhigang with a questioning look on his face.

“Oh, this is one of my brothers!”

He Zhigang said hurriedly.

“Mr. He has just seen my wild ginseng. Do you have any questions?”

The middle-aged man looked at Chen Ping and said warily!

“I suspect your wild ginseng is fake!”

Chen Ping sneered.

As soon as Chen Ping’s words came out, the middle-aged man seemed to have been stepped on, and he screamed: “What did you say? Do you dare to say that my wild ginseng is fake? You haven’t even seen it. , just say that my wild ginseng is fake? Besides, Mr. He has inspected the goods, how can it be fake? If you want to cause trouble, I am not someone to be bullied.”

He Zhigang hurriedly said with a smile: “Mr. Zhao, don’t be angry, my friend likes to joke!”

After comforting the middle-aged man, He Zhigang frowned slightly and looked at Chen Ping: “Brother Chen Ping, I have experienced this ginseng before, and there is no problem. Besides, you haven’t even looked at it, how can you say that?” It’s fake!”

“This wild ginseng is fake. If you don’t believe it, we can open it to verify. If you don’t dare to open it, it’s fake!”

Chen Ping looked at the middle-aged man coldly, making the middle-aged man feel a little scared!

“Just open it if you say it will. What if it is true?”

The middle-aged man pretended to be brave and challenged Chen Ping, but he did not dare to look directly into Chen Ping's eyes!

"If it's true, I can compensate you 10 million!"

Chen Ping looked confident.

At this time, Su Yuqi and Gu Yufei came over. They didn't expect that Chen Ping would make a bet!

Only Lin Tianhu was still sitting and drinking tea, with a bit of a smile on his face. He knew that the middle-aged man in front of him was going to be unlucky.

Chen Ping's confident look startled the middle-aged man, and then he looked at He Zhigang!

"Mr. Zhao, since Brother Chen Ping wants to see it, let him see it so that he can give up. I can give you the purchase price when the time comes!"

Chapter: 469

He Zhigang didn't believe that wild ginseng was fake. After all, he had looked at it carefully. However, Chen Ping insisted on seeing it, so let him see it to make him give up!

"Okay, since Mr. He said so, I'll let him see it and make him convinced!"

The middle-aged man gritted his teeth and nodded.

Slowly, the wooden box was opened, and a mountain ginseng lay quietly inside.

Wild ginseng is very big, and its whiskers are also very long. The main ginseng is thicker than two thumbs!

“Did you see that such good wild ginseng is rare even in Yuncheng!”

The middle-aged man looked at Chen Ping with a sneer: “Now that you have lost, where is the ten million? I don’t think you are someone who can afford ten million!”

Chen Ping didn’t pay attention to the middle-aged man, but directly reached out to grab the ginseng!

“Hey, what are you going to do...”

The middle-aged man’s expression changed, and he reached out to stop him, but it was too late, the ginseng was already in Chen Ping’s hands.

Chen Ping picked up the wild ginseng and tried to break it with both hands!

“Brother Chen Ping, what are you going to do?”

He Zhigang’s expression changed greatly. You must know that the wild ginseng is only valuable when it is whole. Even if one of the ginseng tendons is broken, the price will be greatly reduced. If the wild ginseng is broken directly, it will be worthless!

Click.....

But as soon as He Zhigang finished speaking, the wild ginseng in Chen Ping’s hand had been broken into two pieces!

He Zhigang closed his eyes, and the anger on his face rose. This was 20 million, and it was gone just like that!

Su Yuqi and Gu Yufei also looked at Chen Ping in shock, wondering what Chen Ping was doing!

On the other hand, when the middle-aged man saw Chen Ping breaking off the ginseng, his face instantly turned extremely pale, and he turned around and ran away, not even asking for the money.

“Want to run? Can you run away?”

Chen Ping raised the corner of his mouth slightly!

Just when the middle-aged man ran out, Lin Tianhu, who had been sitting drinking tea, moved and kicked the middle-aged man back!

“What...what’s going on?”

As soon as the middle-aged man ran away, He Zhigang was a little confused and couldn’t understand what was going on!

“Brother He, are you trying to see if this wild ginseng is real?”

Chapter: 470

Chen Ping handed the broken ginseng to He Zhigang!

He Zhigang took the ginseng and saw the broken part of the ginseng. He was stunned for a moment, and then he became angry: “Damn it, you dare to trick me into coming to Renhetang, you are looking for death!”

He Zhigang stepped forward, kicked the middle-aged man hard in the abdomen, and then roared: "Come here, take him down here and teach him a lesson!"

Soon, the middle-aged man was taken away, followed by waves of screams!

"Brother Chen Ping, it's all thanks to you today, otherwise our losses would be great. We can make more money if we run out. That's okay, but how can I have the face to hang out in Yuncheng in the future? It's so embarrassing!"

He Zhigang followed Chen Ping with a look of shame.

"Everyone is careless sometimes, this is normal!"

Chen Ping smiled slightly.

"Brother Chen Ping, I want to know how you know this wild ginseng is fake? You haven't even seen it!"

He Zhigang was very puzzled as to how Chen Ping knew.

"It's very simple. I'm born with a good nose, so I can tell when I smell it!"

Chen Ping lied. Of course he couldn't tell He Zhigang that he sensed it through the fluctuation of spiritual energy. If it was really a century-old mountain ginseng, Chen Ping could easily capture the spiritual energy in the mountain ginseng.

But this time Chen Ping did not feel any spiritual energy fluctuations in the wooden box, so he concluded that the thing inside was not wild ginseng, or not century-old wild ginseng, and it must be fake!

He Zhigang looked at Chen Ping in shock and said in disbelief: "I have lived so long, and I have never seen someone who can tell the authenticity of medicinal materials by smelling them with the nose. I have seen it. I really saw it today..."

"Sister Yuqi, does your boyfriend have this special skill? He's smarter than a dog's nose!"

Gu Yufei also said in surprise.

But after saying that, I suddenly felt something was wrong. I stuck out my tongue at Chen Ping and smiled apologetically!

Chen Ping didn't care. He knew that Gu Yufei didn't mean it, so he smiled slightly!

"Brother Chen Ping, you have helped me a lot today. I will take you to the market right now. If you like any medicinal materials, I will help you negotiate. In the whole Yuncheng, no matter which medicine shop, give me He Zhigang Somewhat thin noodles!"

He Zhigang patted Chen Ping on the shoulder and said!

A group of five people went to the largest medicinal material market in Yuncheng. However, after walking around for a long time, Chen Ping was a little disappointed. The medicinal materials in the medicinal material market were all ordinary medicinal materials. Even some medicinal materials that were hundreds of years old had been exploited long ago. After drying out the ingredients, it doesn't contain a trace of spiritual energy!

"Brother Chen Ping, don't you like everything on the medicinal materials market?"

He Zhigang looked at Chen Ping's disappointed look and asked carefully.

Chen Ping nodded: "The medicinal materials I want must be over a hundred years old and of high quality. These are all ordinary goods and there is nothing I need!"
