

The Order 4611

Chapter: 4611

Everyone on the side looked dumbfounded. Ji Yun's head was like a rattle, being whipped back and forth by Chen Ping. Ji Yun did not dare to fight back!

"Master Yan, did you see, did you see, Chen Ping took action? He was beating our young master..."

Seeing this, Shi Tiejiao hurriedly stepped forward and said to Master Yan!

"I saw it, you don't need to remind me." Master Yan said coldly!

"Now that you've seen it, why don't you stop him quickly?"

Shi Tiejiao said anxiously!

At this time, Ji Yun had been slapped dozens of times by Chen Ping. He wanted to hide, but he couldn't. He was so dizzy from the slaps!

"Are you ordering me?" Master Yan looked at Shitiejiao with a cold expression!

This scared Shi Tiejiao to the point where he trembled and waved his hands repeatedly: "No, no, no, I don't dare..."

Everyone just watched quietly as Ji Yun was beaten into a pig's head, and no one stepped forward to stop him!

"ah....."

Ji Yun was beaten for a long time. When no one stopped him, he became angry, so he yelled and swung his palm towards Chen Ping!

When Chen Ping saw this, he quickly retreated and avoided Ji Yun's palm!

Ji Yun is at the seventh level of the Fusion Realm, and he still strikes with anger. This palm is very powerful, and Chen Ping will not take it hard!

Ji Yun saw that Chen Ping had dodged his palm, his eyes were full of anger, he jumped up again and went straight towards Chen Ping!

But just when Ji Yun jumped up, Master Yan waved his palm lightly, and instantly pressed down with a strong force, pressing Ji Yun in place and unable to move!

"You are so brave, do it in front of me?"

Lord Yan shouted sharply!

"Master Yan, it was Chen Ping who hit me first. You saw it too."

Ji Yun said angrily!

"Of course I saw it. He hit you and violated the rules of Jialing County. Of course I will punish him."

"And you actually fought back. That's a fight. Both of you will be punished!"

Lord Yan said!

When Ji Yun heard this, he quickly explained: "Master Yan, it was Chen Ping who struck first. If I didn't fight back, I would be beaten to death."

Chapter: 4612

“This is self-defense, legitimate self-defense...”

“There is no legitimate defense. If you fight back, you will hit each other. There is no room for bargaining. However, since you were beaten back, I will give you a lighter punishment and Chen Ping a heavier punishment.”

Lord Yan said!

Hearing this, Ji Yun felt a little better, and then looked at Chen Ping coldly and said: “Chen Ping, don’t be crazy, you dare to do something in front of Master Yan, just wait and see what happens after a while. punish you!”

Chen Ping didn’t care at all, with a bit of a sneer on his face!

“Chen Ping, you have violated the rules of Jialing County by fighting in public. I think you should be punished. You have to leave Jialing County within half a day. If you don’t leave within half a day, I will put you in a water prison.” Get in!”

Master Yan said to Chen Ping with a serious face!

“No problem!” Chen Ping nodded!

Chen Ping originally planned to leave Jialing County, half a day was enough!

But when Ji Yun heard this punishment, everyone was dumbfounded. He looked at Master Yan in disbelief and said, “Master Yan, this...is this a severe punishment?”

“What? You think it’s inappropriate?” Master Yan asked!

“No, no, no, I didn’t mean that.” Ji Yun shook his head repeatedly: “Then how will Master Yan punish me?”

“You will be given a lighter punishment and you will have to pay a fine of 100 million spirit coins. I will not drive you out of Jialing County!”

Master Yan said very casually!

“A fine of 100 million spirit coins?” When Ji Yun heard this, his lungs were about to explode!

This is not a lenient punishment. It is obviously a heavier punishment than Chen Ping’s!

But Ji Yun didn’t dare to say anything. After all, this was Jialing County, on someone else’s territory!

“What? Do you think it’s less?” Master Yan asked!

“No, no, no, that’s a lot, a lot...” Ji Yun shook his head quickly and asked Shi Tieqiao to come up with a fine of 100 million spirit coins!

Although a hundred million spirit coins are nothing to the Feitian Sect, after all, the Feitian Sect is mainly engaged in business and is very rich!

But this unfair punishment made Ji Yun feel very uncomfortable!

Ji Yun didn’t expect that something would happen next that made him even more uncomfortable!

I saw Master Yan throw it directly to Chen Ping after receiving a fine of 100 million spirit coins.

“This is the 100 million spirit coins you borrowed. Keep it...”

Chapter: 4613

Master Yan threw the spirit coin to Chen Ping and said!

“Thank you, Master Yan!” Chen Ping smiled and put the spirit coins away!

puff.....

When Ji Yun saw this scene, he was so angry that he vomited blood, but even so, he didn't even dare to fart.

“I warn you, whoever dares to fight privately again will not be spared lightly!”

After Master Yan finished speaking, he disappeared as soon as his body swayed!

Several guards also left in despair, while others looked at Chen Ping in shock!

Even if they are blind, they can see that Lord Yan is obviously favoring Chen Ping!

Ji Yun was so angry that he was trembling all over. He looked at Chen Ping coldly and gritted his teeth and said: “Boy, wait, as long as you leave Jialing County, I will kill you!”

“I am waiting.....”

Chen Ping smiled lightly, then turned and walked into the living room!

Others also followed in, but this time, many people looked at Chen Ping with strange eyes, guessing Chen Ping's identity and why Master Yan openly favored Chen Ping!

Chen Ping is just a young monk of the second level of the Fusion Realm, and his strength is not very strong.

Could it be that Lord Yan and Chen Ping are relatives?

“Hello, brother, my name is Yuan Bao. Are you here to buy a treasure map?”

At this time, a burly man carrying a sword came over and followed Chen Ping to say hello!

This person is one of the first three people, who is at the fifth level of the Fusion Realm!

“Not bad!” Chen Ping nodded!

“I don’t know if this treasure map is true or not, but I heard that this ancient body-refining clan does have treasures. If brothers also plan to find treasures, we can go together.”

“You also know that the Far North is sparsely populated, has a harsh environment, and is often haunted by monsters.”

“What’s more important is that many demon cultivators are hiding in sparsely populated places. With your current cultivation level, even if you find a treasure, it will be difficult to hold on to it!”

Yuan Bao takes the initiative to form an alliance with Chen Ping!

Chen Ping knew that the reason why Yuan Bao sought an alliance with him was simply because he saw Lord Yan’s attitude towards him!

Otherwise, how could a monk at the fifth level of the Fusion Realm form an alliance with low-level monks like them? Wouldn’t that be a burden to himself?

Chapter: 4614

It’s just that Chen Ping doesn’t want to form an alliance with anyone. In an environment like the Heaven and Human World, Chen Ping doesn’t dare to trust any strangers easily!

Because no one can resist the temptation of interests!

“Sorry, I haven’t thought about finding the treasure yet. I just came here to take a look...”

Chen Ping said with a faint smile!

“Oh, forget it!”

Yuan Bao was a little disappointed and sat back in his seat!

“I’m sorry to have kept you waiting for so long...”

At this time, a tall figure appeared, and he was wearing a mask, and he bowed his hands towards everyone and said!

Chen Ping took a look at this man, and then a divine consciousness instantly enveloped him!

The man seemed to be deliberately suppressing the aura in his body, so Chen Ping’s spiritual detection failed to detect anything!

Seeing this, Chen Ping strengthened his consciousness again. This time, he felt a trace of the ancient body refining clan’s aura from the man, which could prove that Watt was really from the ancient body refining clan and was not lying!

Watt also seemed to feel that someone was probing him, and looked at the people in the living room.

When Chen Ping saw this, he quickly put away his consciousness and pretended to be relaxed!

After taking a second look, Watt didn’t find out who was probing him, so he gave up and then said, “I believe you are here for the treasure map.”

“Since this is the first time we meet, let me introduce myself to everyone. My name is Watt. I come from the Far North. I belong to the ancient body-refining clan.”

“Many of you should have heard that our seniors from the Ancient Body Refining Clan buried a treasure a long time ago. Now after so many years, no one can remember the location of the treasure!”

“But in my hand, I have a treasure map of this treasure. It has some defects due to its age, but the general location is still shown.”

“My treasure map costs 100 million spiritual coins. As for who of you can find the treasure with the treasure map, it depends on your own luck. Don’t ask me if the treasure map is true or false. Trust me. , pay for the picture, if you don’t believe it, turn right when you go out, I won’t force you!”

Although Watt was wearing a mask, his tone sounded very arrogant, as if he had no worries about selling the treasure map!

“I want one...”

Ji Yun spoke first!

He came here to buy the treasure map, so there were no ink marks!

Soon Ji Yun handed over 100 million spiritual coins, and Nawatt took out a very exquisite mahogany box and handed it to Ji Yun!

Ji Yun was fined 100 million spirit coins just now, and now he can still produce 100 million spirit coins. It can be seen that the Feitian Sect is really rich!

Chapter: 4615

“Give me one too...”

“I also want.....”

Soon, several waves of people came and all spent their money to buy the treasure map!

It's just that what everyone got was a wooden box. As for whether it contained a treasure map, no one opened it in public to see!

It seems that they still trust Watt!

"Boy, just wait for me, we'll see..."

After Ji Yun got the treasure map, he threatened Chen Ping and then left!

Others also left one after another, and when Yuan Bao left, he glanced at Chen Ping and said: "Brother, I will leave you the sound transmission jade slip. If you need any help, just ask me... ."

As everyone else left, only Chen Ping and the others were left in the living room!

Watt looked at Chen Ping and said, "Do you want it? If not, you can leave..."

"Yes, of course I want it!"

Chen Ping said, gave 100 million spiritual coins to Watt, and also got a wooden box!

However, after Chen Ping took the wooden box, he opened it directly, and there was a parchment scroll inside!

Opening the parchment, there is a map on it. The route marked on the map is very clear, but there is a missing piece at the location marked by the treasure!

Looking at the clarity of the route, it is obvious that this Watt has been printed on it the latest!

“Is this treasure map real?”

Chen Ping asked holding the treasure map!

“I said, if you don’t believe it, don’t buy it, I will refund your money to you now!”

Watt said he wanted to refund the money!

“No, I’m just asking casually!”

Chen Ping put the treasure map away and then continued to ask: “As a member of the Ancient Body Refining Clan, why would you sell the treasure map of your ancestors? That is the treasure of your Ancient Body Refining Clan.”

“You can leave after you get the picture. I won’t answer your questions.”

Watt said, turning around and leaving!

But Chen Ping stood up suddenly and grabbed Watt’s shoulders!

Chapter: 4616

Watt was stunned and said quickly: “What do you want to do? This is Jialing County. If you dare to do it, be careful not to eat it and walk around!”

“I won’t do anything, I just want to ask you, why do you want to sell the treasure map? Where did this treasure map come from?”

Chen Ping asked!

“I told you, I won’t answer you. Let me go immediately, or I will call the guards!”

Watt threatened Chen Ping!

“Do you think I’d be afraid of the guards?”

Chen Ping smiled coldly and reached out to take off Watt’s mask!

Watt was startled and stretched out his hand to block it, but he was not as fast as Chen Ping. Watt’s mask was taken off!

When Watt’s mask was taken off, Chen Ping was stunned because he found that Watt looked very similar to the Watt jar, with only slight differences!

“You don’t want the treasure map, so I’ll give you the money back. Why do you want to take off my mask?”

Watt quickly grabbed the mask and put it on his face again!

“What’s your relationship with Watan?” Chen Ping asked!

When he heard the word “Watan”, Watt’s body trembled obviously, but he quickly calmed down and said: “What do you mean by Watan? I don’t know it at all!”

“You don’t have to lie to me. You and Na Watan look almost exactly the same. You say you don’t recognize me?”

Chen Ping looked serious, then grabbed Watt again and said, “Tell me, how did you get this treasure map? And why do you want to sell it?”

“Who are you? Why should I tell you?”

“This is Jialing County. If you take action, you will violate the rules of Jialing County...”

Watt said loudly!

When Chen Ping saw that Watt didn't say anything, he put a little force on his hands and heard Watt's bones rattling!

The pain instantly spread throughout Watt's body!

“Come on, come on, someone is taking action...”

Watt endured the pain and roared!

Soon, the two people at the door rushed in, but were instantly controlled by the Three Phantom Thieves!

The guards from Jialing County also heard the shouts and ran in!

Chapter: 4617

However, when they saw Chen Ping taking action, they were all stunned. Then they pretended not to see anything, turned around and walked out!

When Watt saw this scene, he was stunned and hurriedly shouted: “Master, Master, arrest him quickly. He has attacked me. He is having a private fight in Jialing County...”

But no matter how Watt shouted, the guards left quickly as if they couldn't hear him!

They are not stupid, even Lord Yan doesn't care about Chen Ping, and they are little guys, they don't even dare to do it!

“There's no need to shout. Don't tell me that I'm doing anything in Jialing County. Even if I kill you now, no one will care about me.”

Chen Ping said coldly!

When Watt saw this, he knew that Chen Ping was really capable and didn't even dare to take care of the guards in Jialing County, so he could only say: "I say, I say, let me go first..."

Chen Ping let go of Watt, and Watt rubbed his shoulders, and then said: "That Watan is my brother. We are twins, that's why we look so similar. I don't know why you know my brother?"

Chen Ping told the story of how he met Wagong, but he didn't mention the jade plaque!

After hearing this, Watt was silent for a moment and said: "Now our ancient body-refining clan is living a very difficult life in the far north, and we are also targeted by the Gao family everywhere..."

"My treasure map is real. I stole it from the patriarch of our Ancient Body Refining Clan. I just wanted to make some money!"

Chen Ping was surprised to see that Watt had stolen his clan leader's treasure map and sold it!

"You even betrayed your own clan's treasure. Aren't you afraid of being hunted down by other ancient body-refining monks?"

Chen Ping asked!

"I'm not betraying you. In fact, it's useless to have this treasure map. Even if you find the location of the treasure, you can't open it. You need the key to open the treasure!"

"I really can't live in the far north anymore, so this is the only way..."

Watt quibbled!

“Thankfully, you and Wagon are still twin brothers. Your brother fights in the ring to earn resources for your people!”

“It would be better for you to steal the treasure map and sell it. You only care about your own enjoyment and don’t care about the rest of your tribe.”

Chen Ping said angrily!

“I have already told you what I should tell you. As for the affairs of our ancient body refining clan, you don’t need to worry about it.”

“You can leave...”

Watt issued an eviction order!

Chen Ping glanced at Watt coldly, and then left with Liu Ruyan and the others!

Chapter: 4618

Although this Watt is very shameless, Chen Ping has no friendship with the Ancient Body Refining Clan and has no control over these things!

But just as Chen Ping left Watt’s residence, he ran into Wagong. He saw an angry face and two strong men following behind him!

“Mr. Chen?” Wagong looked a little surprised when he saw Chen Ping!

“Wagong, why are you still in Jialing County if you haven’t returned to the Far North?”

Chen Ping asked in confusion!

“Hey, it’s unfortunate for our family. It’s unfortunate for our family. I have a younger brother who stole the clan leader’s treasure map and came to Jialing County.”

“I just found out that he is selling this treasure map. I came back to take him away and accept punishment.”

Wagong sighed and said!

Seeing that it was a family matter, Chen Ping couldn't take care of it, so he said, “Your brother's residence is right in front, but private fights are not allowed in Jialing County. I'm afraid it won't be that easy for you to take your brother away.”

Chen Ping knew that now that Watt was rich, he would definitely not want to suffer the consequences of going back to the far north, and he would be punished after returning, even more so!

And he knew that in Jialing County, as long as he didn't go out, no one could take him away by force. This should be the reason why Navat came to Jialing County!

“If he doesn't come back with me, I will take him away even if I risk my life.”

“He did something like this and brought shame to my whole family. I will never forgive him lightly.”

Wa Guan looked angry, it seemed that he was determined to take Watt away!

Seeing the vat like that, Chen Ping sighed and said, “In that case, I'll let you go. Maybe it will be easier for you to take your brother away with me here.”

“Thank you very much, Mr. Chen.”

Wagong said gratefully!

Although Wagong didn't understand why Chen Ping said it was easy to take away his younger brother when he was around, but since Chen Ping was willing to help, Wagong was still very grateful.

Chen Ping followed Watan back to Watt's yard. When Watt saw Watan, he was obviously stunned!

Then he turned around and ran away, but was stopped instantly by the two tribesmen brought by Wagang!

"elder brother....."

Watt took off his mask and shouted to the jar with a panicked look!

"Shut up, I don't have a brother like you. It's so embarrassing for you to do such a thing."

"Come back with me now and accept the punishment from the clan leader."

Chapter: 4618

Although this Watt is very shameless, Chen Ping has no friendship with the Ancient Body Refining Clan and has no control over these things!

But just as Chen Ping left Watt's residence, he ran into Wagong. He saw an angry face and two strong men following behind him!

“Thank you very much, Mr. Chen.”

Wagong said gratefully!

Although Wagong didn't understand why Chen Ping said it was easy to take away his younger brother when he was around, but since Chen Ping was willing to help, Wagong was still very grateful.

Chen Ping followed Watan back to Watt's yard. When Watt saw Watan, he was obviously stunned!

"Shut up, I don't have a brother like you. It's so embarrassing for you to do such a thing."

"Come back with me now and accept the punishment from the clan leader."

Chapter: 4620

Wagong took advantage of Watt's panic and kicked Watt hard in the abdomen!

Watt was kicked out and fell heavily to the ground!

The two tribesmen who followed Watan saw this and hurriedly stepped forward to control Watt!

"Mr. Chen, I made you laugh."

After controlling Watt, Wagong followed Chen Ping with some embarrassment, then waved his hand and said: "Take the person away..."

Soon, Watt was escorted out of the yard!

"Help, help, someone is fighting, someone is beating me..."

After Watt came out, he saw a guard not far from the door and shouted loudly!

After Wagang saw the guards from Jialing County, his expression changed obviously, and he said to the two tribesmen: "You will escort the people back in a while, and I will stay and accept the punishment from Jialing County."

The two tribesmen nodded and controlled Watt to continue moving forward!

Watan, on the other hand, was already prepared to be interrogated and punished by the guards!

"Don't worry, nothing will happen. Let's go..."

Chen Ping smiled and patted Wagong on the shoulder!

Wagong didn't understand what Chen Ping meant, but he still followed Chen Ping and continued to move forward!

"Help me, save me..."

When passing by the guards, Watt shouted as if grasping a life-saving straw!

Watan's nerves were tense and he was ready to explain to the guards at any time!

But a strange scene happened. When the guards heard Watt's call, they all turned their heads to the side as if they didn't hear it, pretending not to see it!

This time, Watan was immediately confused and looked at the guards with disbelief!

Until they were far away, the guards didn't chase them!

“It’s really strange. What happened to those guards today?”

Wagong said with doubts on his face!

“Didn’t I tell you that as long as I’m here, nothing will happen.”

Chen Ping smiled slightly and said!
