

## The Order 4631

Chapter: 4631

Just when Chen Ping and the others were resting, there was a snow ditch only a few hundred miles away from them!

Gao Qisheng and everyone in the Gao family are taking a rest!

“Second brother, the eldest brother asked you to come out with me this time to stop Na Wa Tank and catch him.”

“It’s a good thing you asked me to go to Jialing County alone for the sake of three little girls, but I was beaten.”

“The vat is missing now. If we can’t find the vat, how can we find the treasure of the Ancient Body Refining Clan?”

“If we go back like this, my eldest brother will definitely blame us.”

Gao Qijie said to Gao Qisheng very dissatisfied!

“Shut up, you trash. You didn’t say you were trash, but you complained about me. You were beaten by a second-level Fusion Realm person, and you still have the nerve to talk about it here?”

“After I go back, I will explain to my elder brother that you don’t need to open your mouth. If it doesn’t work, I will go to the Ancient Body Refining Clan and capture their leader. If they dare not cooperate with us, I will destroy the Ancient Body Refining Clan.”

Gao Qisheng said with a gloomy face!

Looking at Gao Qisheng’s appearance, Gao Qijie was too scared to speak!

At this time, a servant of the Gao family who was covered in wind and snow walked into the cave!

“How’s it going?” Gao Qisheng asked hurriedly!

“Second Young Master, those three girls are in a cave not far away. In order not to alert others, I did not follow them!”

Servants report!

“Hahaha, great. I won’t let them escape this time. Damn it, I have been chasing them for so many days and I haven’t caught them yet.”

“Come with me to arrest them immediately. As long as we catch the three of them, we can go back. Then we will all be rewarded!”

After Gao Qisheng finished speaking, he led everyone in the Gao family towards where Su Yuqi and the others were hiding!

Inside the cave!

Su Yuqi, Huofeng and Yu Jiameng are clinging to each other!

The three of them were already exhausted at this time. They had been chased by Gao Qisheng for the past few days. The three of them were exhausted and could only hide everywhere!

Now the three of them are hungry and cold, and their mounts have long been gone!

“Sister Yuqi, we have to get up and hurry up immediately. I guess that guy is coming soon.”

Huofeng said weakly to Su Yuqi!

Chapter: 4632

“Huofeng, I really don’t have the strength to run anymore, I want to sleep!”

Su Yuqi’s eyes kept fighting!

“Yu Qi, you can’t sleep, just hold on.”

Yu Jiameng quickly shook Su Yuqi and said!

But Su Yuqi’s eyes were not obedient at all and closed tightly.

“Yuqi, Yuqi...”

Seeing this, Yu Jiameng hurriedly shook Su Yuqi, but Su Yuqi didn’t react at all!

“Huofeng, look quickly, what’s wrong with Yu Qi?”

Yu Jiameng said hurriedly!

Upon seeing this, Huo Feng hurriedly investigated Su Yuqi’s arrival, but after this investigation, Huo Feng suddenly turned pale with fright!

“It’s broken. Sister Yuqi’s breath is weak, and the life soul in her body is beginning to dissipate...”

Huofeng was shocked and said!

“Ah? How could this happen? How could this happen?”

Yu Jiameng didn't understand why Su Yuqi suddenly became like this when she wasn't injured!

"Sister Yuqi is a fire spirit. She has been running around in this extremely cold place for a while, and she has no time to recover her physical strength. Now that the cold air has entered her body, it is in conflict with her fire spirit body, which is why she is like this. ."

Huofeng explained!

"What should we do?" Yu Jiameng asked anxiously!

During this time, the three of them have become like sisters. Seeing Su Yuqi like this, Yu Jiameng felt very distressed!

"I can't help it. My spiritual power is not enough right now. If there is a ball of flame, I might be able to keep Sister Yuqi's soul from spreading!"

Huofeng frowned and said!

But where to make a fire in this freezing cold place?

And if they raise the flames, Gao Qisheng will chase them soon, and they won't be able to run away at all!

Just when Huofeng and Yu Jiameng were at a loss, suddenly there was a sound outside the cave!

The two of them knew that Gao Qisheng must have led his men to chase him!

Chapter: 4633

"Huofeng, that big pervert is chasing me again, what should we do?"

Yu Jiameng panicked!

Now that Su Yuqi is unconscious, they have no way to escape!

Huofeng looked around the cave, and then gently pressed his palms on the stone walls of the cave!

Flames slowly rose from the fire phoenix's body!

Her palms dived into the stone walls, and soon the stone walls began to melt. These stone walls were not stones, but thick layers of ice!

"Sister Jiameng, put Sister Yuqi in quickly..."

After Huofeng melted the stone wall to create a big pit, he asked Yu Jiameng to put Su Yuqi in!

Immediately afterwards, a pair of wings stretched out from the back of the fire phoenix, and the wings were emitting red light!

Huofeng hurriedly plucked a feather and placed it on Su Yuqi's body, and then covered Su Yuqi with ice and snow!

The extremely cold weather quickly froze Su Yuqi inside!

From the outside, it is impossible to tell that there is anyone inside this stone wall!

"I hope my fire feather can save Sister Yuqi's life."

Huofeng glanced at Su Yuqi, and then ran out of the cave with Yu Jiameng!

The two of them want to attract Gao Qisheng and others to other places!

After Huofeng and Yu Jiameng escaped from the cave, Gao Qisheng found them not far away!

“Damn it, if you want to run away, hurry up and chase me...”

Gao Qisheng and his men quickly chased Huofeng and Yu Jiameng!

And Yu Jiameng and Huofeng supported each other, and their escape speed became slower and slower!

“Huofeng, run away by yourself, I really can’t run anymore...”

Yu Jiameng’s physical strength has been seriously exhausted. Her strength was originally low. After such a long period of consumption, all the spiritual energy in her body has been exhausted!

“Sister Jiameng, with persistence...”

The fire phoenix pulls Yu Jiameng!

“Leave me alone. If this continues, none of us will be able to escape. If you still have a chance to go to the secular world, tell my father and tell him not to worry about me!”

Chapter: 4634

Yu Jiameng pushed Huofeng and let Huofeng escape on his own!

“Sister Jiameng, I will never abandon you...”

Huofeng wants to carry Yu Jiameng on his back!

But at this time, Gao Qisheng had already led his men to chase them, directly surrounding the two of them!

“Hmph, I see you are still running away. I told you that no one here can escape from my grasp.”

Gao Qisheng looked at Huofeng and Yu Jiameng and said with a smile!

“I tell you, if you touch us, you will regret it. My master will not let you go.”

Huofeng looked at Gao Qisheng fiercely and said!

“Hahaha, master?”

“I will be your master from now on, and you two will become my slaves.”

Gao Qisheng smiled. He didn't expect Huo Feng to like this bite and start role-playing, as well as the master!

Gao Qisheng had no idea that the fire phoenix was a divine beast.

Hearing Gao Qisheng's words, Huofeng and Yu Jiameng looked at each other, and then said: “Even if we die, we won't let you get it...”

After saying that, Huofeng and Yu Jiameng suddenly burst out and began to self-destruct!

“Want to die? It's not that easy.”

Gao Qisheng waved his hand, and the Gao family immediately stepped forward and directly controlled Huofeng and Yu Jiameng. Even if they wanted to blow themselves up, they couldn't!

After all, the difference in strength is too big. Even if Huofeng and the others want to self-destruct, it's just a luxury!

"Say, where is the other girl?"

Gao Qisheng asked Huofeng and Yu Jiameng!

But neither of them spoke at all, staring at Gao Qisheng fiercely!

"Second Young Master, I guess the other one is still in the cave, right?"

A Gao family member said!

"Go, search for me..."

Gao Qisheng asked his men to search!

Chapter: 4635

However, these people searched the cave for a long time and did not see Su Yuqi!

"Brother, maybe that girl has run away a long time ago. Two women are enough for you to play with. Let's go back quickly, otherwise brother will be angry."

Gao Qijie urged Gao Qisheng!

"Okay, let's go back, but after we go back, don't talk nonsense with big brother, you know?"

Gao Qisheng warned Gao Qijie!

“knew!”

Gao Qijie nodded helplessly!

Soon, Gao Qisheng left with the captured Huofeng and Yu Jiameng!

Not long after Gao Qisheng and the others left, a man in black robe passed by!

When he passed the entrance of the cave, his figure obviously paused!

Then the body flashed away and entered the cave!

After looking around, the man in black robe looked at the frozen place where Su Yuqi was frozen, waved his palms, and two flames burned instantly!

The frozen place began to melt, and Su Yuqi was exposed!

“Fire feathers? There are such divine beast feathers here?” The man in black robe put away the fire feathers and then explored Su Yuqi’s body.

“Still alive, the fire spirit body is such a rare physique!”

“Hahaha, God is really helping me, God is helping me...”

The man in black robe laughed.

After saying that, the man in black robe directly picked up Su Yuqi, and then quickly disappeared!

After the man in black robe left, calm returned to the cave, and the deep pit was slowly frozen again in the wind and snow!

It's like no one has ever been here.

The wind and snow are still howling.

"Mr. Chen, according to our current speed, we can reach our tribe in three days."

"But along the way, it's best not to meet anyone, let alone anyone from the Gao family, otherwise it will be very troublesome!"

Wagong followed Chen Ping and said!

Chapter: 4636

After a night's rest, Chen Ping and the others continued on their way. Fortunately, they were all monks, so the severe cold, wind and snow were no hindrance to them!

"We try to choose remote places to travel to avoid unnecessary trouble!"

Chen Ping also knew that many people would come here to look for treasures. If they met enemies, it would be trouble!

Soon, Chen Ping and the others passed a cave, and this was where Su Yuqi and the three of them hid yesterday!

Just as he was passing by the cave, Chen Ping suddenly stopped and looked at the cave in a daze!

"Chen Ping, what's wrong?"

Liu Ruyan saw this and asked quickly!

Chen Ping did not speak, but frowned slightly and walked slowly towards the cave!

The others saw this and hurriedly followed!

When I walked into the cave, I found that the cave was empty, nothing!

“Mr. Chen, what are you looking for?” Watan asked curiously!

“It’s such a familiar smell, they have stayed here...”

Chen Ping had a bit of excitement on his face!

“Who? Who stayed here?”

Liu Ruyan asked.

Chen Ping didn’t speak. He gently held his hands on the stone wall, feeling the familiar scent that he hadn’t seen for a long time!

Unknowingly, Chen Ping’s tears actually flowed down!

After arriving in the Heavenly Realm, Chen Ping never gave up looking for Su Yuqi and the others!

But the world of heaven and humans is so vast that finding someone is simply harder than finding a needle in a haystack!

But now, Chen Ping felt the breath of Su Yuqi and Fire Phoenix for the first time!

He is so familiar with the aura of the two of them!

Seeing Chen Ping like that, Liu Ruyan suddenly realized something. She gently stepped forward to wipe Chen Ping's tears and said, "Chen Ping, are you talking about those girls?"

Liu Ruyan knew that Chen Ping and his girlfriend were also in the human world, but they were separated and couldn't be found!

Chen Ping had told Liu Ruyan that after all, the two of them were already married, so there was nothing to hide!

Chapter: 4637

But Liu Ruyan didn't care at all. No matter how many women Chen Ping had, she would be happy if she could be one of them!

"Chen Ping, since you can feel their aura here, it proves that they will not be away from here for a long time."

"Maybe if we look for them, we can find them."

Liu Ruyan comforted Chen Ping!

At this time, everyone on the side was confused. They didn't understand why Chen Ping was crying, and they didn't understand even more why Liu Ruyan asked Chen Ping to find those girls!

Watan could tell that the relationship between Chen Ping and Liu Ruyan was definitely unusual, and the two were definitely lovers!

How can any lover still want his man to find another girl?

"Three Phantom Thieves..."

Chen Ping shouted.

“Mr. Chen, what are your orders?”

The Three Phantom Thieves quickly stepped forward and asked!

“You three, hurry up and search nearby to see if you can find a few girls. If you find any, ask their names and report them to me immediately!”

Chen Ping said quickly!

“Understood!” The Three Phantom Thieves received the order and left quickly!

Chen Ping stayed in the cave for a while and then left. He knew that staying in the cave was not an option. He still needed to find the treasure!

“Yu Qi, Huo Feng, where are you? Don’t be in any danger!”

Chen Ping prayed silently in his heart, praying that Su Yuqi and Huofeng would not be in danger!

But this time I sensed the breath of two people in the cave, which proved that they were still alive and their lives were not in danger!

Chen Ping and the others continued on their way, but the Three Phantom Thieves could not find Su Yuqi or the others for a long time!

Chen Ping could only choose to rest and wait for news about the Three Phantom Thieves.

After all, traveling in such a harsh environment consumes a lot of spiritual energy!

But just when Chen Ping and the others were preparing to take a rest, suddenly a figure not far away ran towards them in panic!

When Chen Ping and the others saw this, they immediately frowned and then put on a defensive posture!

This was the first person they met after entering the Far North. Wagong chose very hidden routes, but he didn't expect to encounter anyone!

Chapter: 4638

Soon, the figure got closer and closer, and then Chen Ping and the others saw that there was a beast chasing behind the man!

The beast is very big, covered in white hair, and every step it takes can knock out several ice picks on the ground!

"Everyone, be careful, this is an ice bear monster..."

Wagong said quickly!

At this time, the figure had already come closer. After seeing Chen Ping and the others, he suddenly felt happy and said: "Brother, help, help me..."

Chen Ping took a closer look and found that this person was actually the Yuan Bao who bought the treasure map from Watt and greeted him!

Yuan Bao's huge body was covered with wind and frost at the moment, and he kept calling for help from Chen Ping!

Yuan Bao is at the fifth level of the Fusion Realm, and the ice bear monster behind him is also at the fifth level of the Fusion Realm!

Although they have the same cultivation level, the real strength of the monsters is generally stronger!

In addition, this far north is the territory of the ice bear monster, so Yuan Bao has no choice but to escape!

“This guy is so damn bad, he lured the ice bear monster towards us!”

When Watan saw this, he immediately said angrily!

You must know that this ice bear monster of the fifth level of the Fusion Realm, it is estimated that it will be difficult for them to deal with it together!

After all, none of them are strong, and no one is above the fifth level of the Fusion Realm!

“Brother, help me, help me...”

After running in front of Chen Ping, Yuan Bao said breathlessly!

“You guy, even at the fifth level of the Fusion Realm, you can’t defeat that ice bear monster. Now you come here and let us, who are not as powerful as you, save you.”

“Aren’t you trying to harm us on purpose?”

Watan shouted at Yuan Bao very dissatisfied!

Yuan Bao blushed, then looked at Chen Ping and the others, and found that they were all at the second or third level of the Fusion Realm, and no one surpassed him!

“Sorry, I’ll lure the ice bear monster away...”

Yuan Bao apologized, then suddenly waved out his palm, sweeping up the wind and snow, and then ran in another direction!

“Brother Yuan, stay back. You are no match for this ice bear monster. You will be eaten sooner or later. It’s up to me to deal with it!”

Chen Ping called out to Yuan Bao!

Chapter: 4639

“You?” Yuan Bao looked confused. How could Chen Ping, who was at the second level of the Fusion Realm, defeat the ice bear monster at the fifth level of the Fusion Realm!

And in this far north, the ice bear monster still has a strength bonus, and Chen Ping is no match for him!

“Brother, I appreciate your kindness, but with your strength, I’m afraid the ice bear monster could kill you with just one slap.”

“You guys should run for your lives quickly...”

Yuan Bao said and ran away!

But just after running two steps, with the roar of the ice bear monster, his whole body instantly rushed towards Yuan Bao!

Yuan Bao was immediately shocked. He raised his palms and pushed forward, trying to block the ice bear monster’s attack!

But the ice bear monster’s huge body, coupled with the countless frosts on its body, shrouded Yuan Bao, Yuan Bao couldn’t stop it at all this time!

At this critical moment, Chen Ping suddenly appeared and pushed Yuan Bao aside!

And he took out the Dragon-Slaying Sword with one hand, and a bright sword light suddenly burst out!

“cut.....”

Chen Ping gave a low shout, and the dragon-slaying sword bloomed with endless brilliance, and the sky was instantly lit up.

Rumble.....

The sword light all over the sky danced wildly, roaring towards the ice bear monster!

When the ice bear monster saw this, it let out a deafening roar, bursts of wind and frost rose up from its body, and rushed towards the sword light!

Yuan Bao looked at Chen Ping’s sword and was stunned!

He never expected that Chen Ping, who was only at the second level of the Fusion Realm, could actually unleash such a powerful sword!

Even Watan and the others were shocked when they saw it. After all, they had never seen Chen Ping’s true strength!

Just when the ice bear monster rushed towards the sword light in the sky, ice cones suddenly shot out from its body. These ice cones were like bullets, rushing towards Chen Ping!

With a flick of Chen Ping’s wrist, the ice picks instantly turned into powder and scattered like snowflakes!

When the ice bear monster saw this, he stopped in an instant as he was rushing forward, then turned around and ran away!

This ice bear monster seems to feel the danger, and it knows that the person in front of it is not that easy to deal with!

“Still want to run?”

Chen Ping smiled coldly and jumped up!

Chapter: 4640

The dragon-slaying sword in his hand was swung down, and a bright sword light shot out!

The ice bear monster didn't even have time to scream, and was cut in half by the sharp sword light in an instant!

Then Chen Ping waved his hand, and a beast pill full of spiritual energy fell into Chen Ping's hand!

Looking at the ice bear monster that was cut in half with a sword, everyone was stunned!

Especially Yuan Bao, who still hasn't woken up from the shock!

“let's go.....”

Chen Ping said something to the jar, and then walked forward!

After taking a few steps, Yuan Bao woke up and hurriedly chased after him!

“Mr. Chen, wait a moment, wait a moment...”

Yuan Bao shouted loudly!

“Do you have anything else?” Chen Ping asked!

“Mr. Chen, you are also looking for treasures, right? We can go together.”

“I’m telling you, even though you have a treasure map, you can’t find the treasure. A special key is needed to open the treasure.”

“If you don’t have the key, you can’t get into the treasure at all.”

Yuan Bao whispered to Chen Ping!

When Chen Ping heard this, he was slightly startled. He didn’t expect that Yuan Bao actually knew that the treasure needed a key to open it!

“Oh, so you have the medicine man to open the treasure?”

Chen Ping asked pretending to be curious!

“Of course, if I don’t have the key, I won’t go looking for the treasure.”

Yuan Bao said, taking out a jade plaque from his arms!

I saw that this jade tablet was very complete, and it was exactly the same as the jade tablet in Chen Ping’s hand!

It’s like it was carved out of a mold!

Looking at the jade plaque in Yuan Bao’s hand, Chen Ping was completely stunned. He didn’t understand what was going on!

Chen Ping looked at the tile jar, hoping that the tile jar could explain to him why Yuan Bao also had a jade tablet in his hand?
