

The Order 4651

Chapter: 4651

Chen Ping didn't expect that in this extremely cold place, in addition to the treasures of the ancient body-refining clan, there were also good things like ice soul fragments!

It seems this trip was well worth it!

"Do you think these ice soul fragments are so easy to find? This continent covers a very large area, and the ice soul fragments are very small, and do not reveal the slightest breath. They can only be found with the naked eye, so it is very difficult to find one. "

"Today's ice soul fragment is the first one I found. In the past, I could only stay at home, and my elder brother wouldn't let me come out."

Gao Qilan said!

"Then who are you, Gao Qijie?"

Chen Ping thought of Gao Qijie who was beaten by him in the ring, so he asked!

"That's my brother, how do you know him?"

Gao Qilan asked curiously!

"Oh, I saw him in Jialing County." Chen Ping said!

"Ah, they went to Jialing County? No wonder I can't see him and my second brother at home during this period."

"They secretly went to Jialing County to play. I will definitely settle the score with them when I get home."

“You should absorb this ice soul shard quickly. It’s a time bomb in your hand. Someone might snatch it away.”

Gao Qilan warned Chen Ping!

Chen Ping nodded, gently crushed the ice soul fragments, and a breath instantly entered Chen Ping’s body. This breath was obviously much stronger than spiritual power!

In just a few minutes, Chen Ping completely refined this aura.

“You will reach the peak of the second level soon. Is this really immortal energy?”

Chen Ping’s face was full of surprise. The aura in this ice soul fragment was really too powerful. Such a small piece actually contained such huge energy. If he found all the ice soul fragments, wouldn’t his own strength be surpassed? Several realms!

It’s just that the ice soul fragments have no aura leaking out, and there is no way to sense it with spiritual consciousness. If you only rely on the naked eye to find it, this vast white continent will be more difficult than finding a needle in a haystack!

Just as Chen Ping finished absorbing the ice soul fragments, Wagang and the others were already looking for him!

When Liu Ruyan saw Chen Ping chatting and laughing with a girl, she walked over a little jealously!

“Chen Ping, who is this girl?”

Liu Ruyan asked!

“This is the eldest lady of the Gao family, Gao Qilan, just...”

Chapter: 4652

Chen Ping was about to explain!

When Wagon and others saw Gao Qilan, they immediately felt like they were facing a formidable enemy, and they all took out their weapons and surrounded Gao Qilan!

When Gao Qilan saw this, his expression suddenly changed, and he asked with some confusion: "Who are you? What do you want to do?"

"Are you from the Gao family?"

Watan asked!

"Not bad." Gao Qilan nodded!

"Since he is a member of the Gao family, he is our enemy."

Watt looked angry!

"Who are you? I don't know you at all. How can I become an enemy?"

Gao Qilan was confused. She didn't know Wagon and the others at all.

She rarely goes out, and she is not allowed to participate in many affairs of the Gao family, so Gao Qilan doesn't know anything about the Gao family and the Ancient Refining Clan!

In fact, Watan didn't know Gao Qilan either, but after listening to Chen Ping's words, he surrounded Gao Qilan!

“We are members of the Ancient Refining Clan. You, the Gao family, have taken over our territory and robbed our resources. You are our enemies.”

Wagon said angrily!

“People from the Ancient Body Refining Clan?” Gao Qilan frowned slightly: “I have heard of you, the Ancient Body Refining Clan, but when did our Gao family rob your resources? When did we occupy your territory? I think you are just spitting people. .”

“Don’t think that I’m afraid of you because there are so many of you. If we really take action, you just won’t be enough for me to fight.”

Gao Qilan has just broken through to the sixth level of the Fusion Realm. Even if Watan and the others join forces, they are indeed no match for Gao Qilan!

“Watan, okay, the grievances between your ancient body refining clan and the Gao family are not necessarily related to every Gao family.”

“It’s obvious that Miss Gao doesn’t know what the Gao family has done. Don’t embarrass her.”

Chen Ping said at this time!

Wagong looked at Chen Ping and knew that without Chen Ping’s help, just a few of them from the Ancient Body Refining Clan would not be Gao Qilan’s opponent, so he nodded and got out of the way.

“Miss Gao, let’s go, we are on our way!”

Chen Ping said to Gao Qilan!

Gao Qilan glanced at Chen Ping, then turned and left!

Chapter: 4653

Chen Ping and the others also started on their way!

“Wagong, your ancient body-refining clan has stayed in this far north for the longest time. Do you know about the ice soul fragments?”

Chen Ping asked to the jar!

“Of course I know. The ice soul fragment is a rare treasure in the far north. It’s just that this thing can only be found but not sought.”

“I have lived in the Far North for so many years and I have never seen one.”

“Why did Mr. Chen ask about this ice soul fragment?”

Wagong was curious, how did Chen Ping know about the ice soul fragments!

After all, these ice soul fragments are a specialty of this extremely cold place in the far north and cannot be found in other places!

Only people who have lived here all year round will know the existence of ice soul fragments!

“We just got an ice soul fragment, but someone tried to snatch it away halfway, but I killed one of them!”

Chen Ping explained!

At this time, Wagong saw a burnt corpse not far away!

“Chen Ping, what are these ice soul fragments?”

Liu Ruyan asked very curiously!

“It is rumored that the ice soul fragment is.....”

Wagong spoke at this time, and his explanation was almost exactly the same as what Gao Qilan said. It seemed that Gao Qilan did not deceive Chen Ping!

“I didn’t expect that such a cold and barren place would have such a treasure.”

“Chen Ping, please take it out and show me what this ice soul fragment looks like.”

Liu Ruyan couldn’t help but said!

“The ice soul fragment has been absorbed by me and is long gone...”

Chen Ping said awkwardly!

When Liu Ruyan saw this, he could only curl his lips, and then everyone started to continue on their way!

It wasn’t until it got dark that they found a place to rest!

Chapter: 4654

In this cold land in the far north, there is a manor covering an area of dozens of acres. In a place like this, a family that has such a manor must be very powerful!

This is the Gao family. Hundreds of members of the Gao family live in this manor, and there are many sentries and protective formations around the manor!

Maybe it’s to prevent attacks from monsters, or maybe it’s to prevent being attacked by others!

Gao Qilan quietly returned to the Gao family. After all, she ran out secretly. If her eldest brother Gao Qiqiang found out, she would definitely be scolded!

“The eldest lady is back...”

The two guards guarding the door saw Gao Qilan and hurriedly said hello!

“You two didn’t report me, did you?”

Gao Qilan looked at the two guards and asked!

“No, no, absolutely not...” The two guards waved their hands repeatedly!

“It’s better that you guys know what’s interesting. I’ll bring you some good things from outside when I get the chance.”

After Gao Qilan finished speaking, he walked into the Gao family manor with a smile!

Gao Qilan originally wanted to sneak back to his room at night, but he met two people!

“Second Young Master is going to have a good time again today. The two little girls we captured are really exciting.”

“No, I see that the second young master’s eyes are wide open. I just wonder if the second young master can let us have a try after he has finished playing. I haven’t touched a woman for a long time.”

The two of them were walking and chatting without noticing Gao Qilan beside them!

When Gao Qilan heard the conversation between the two, he immediately frowned, stopped the two of them and said, "What did you just say? Did my second brother arrest a woman again?"

When the two of them saw Gao Qilan, they were stunned and waved their hands repeatedly: "No, we didn't say anything..."

The two guys seemed to be very afraid of Gao Qilan, they kept waving their hands!

"Tell me the truth, if you dare to lie to me, I will kill you two right now."

Gao Qilan's eyes widened and he said!

Their bodies trembled suddenly, and they hurriedly said: "Miss, the second young master has indeed captured two girls. They are in the dungeon now. The second young master is also there. It is estimated that the two girls have been played by the second young master now!"

"Second brother, this guy is really incorrigible and eats shit..."

When Gao Qilan heard this, his expression suddenly changed and he hurried towards the dungeon!

At this time, Huofeng and Yu Jiameng were locked in the dungeon, and their abilities were suppressed, just like ordinary people!

Chapter: 4655

Gao Qisheng's eyes were glowing red at this moment, and he walked towards Huofeng and Yu Jiameng step by step!

"Don't come over, don't come over..."

Yu Jiameng and Huofeng cuddled up against each other, curled up in the corner!

“Hahaha, stop resisting. As long as you two serve me well, I promise not to hurt you.”

Gao Qisheng laughed loudly!

Yu Jiameng and Huofeng were like lambs at this moment. They could only watch Gao Qisheng walking toward them with a sneer on his face!

“Huofeng, we must not let this beast defile us, even if we die...”

Yu Jiameng said, and actually bit his tongue!

She was planning to bite her tongue and commit suicide. Even if she died, Gao Qisheng would definitely not get it easy!

Huofeng nodded, and suddenly bit the tip of his tongue!

Huofeng doesn't want to live anymore. Her body belongs to Chen Ping. No man can touch it except Chen Ping!

Huofeng can't do anything to regret Chen Ping, so she would rather die!

Gao Qisheng was furious when he saw Huofeng and Yu Jiameng biting their tongues and committing suicide. He couldn't understand why these two women were so loyal. Is chastity more important than life?

“Even if you two bite your tongue and commit suicide, I will still possess your bodies. Even if you die, I will not let go of your bodies...”

Gao Qisheng's eyes were full of anger. No matter whether Huofeng and Yu Jiameng lived or died, he would never let the two women go!

Gao Qisheng roared and rushed towards the two of them!

But at this moment, the cell door was suddenly kicked open hard!

The huge noise startled Gao Qisheng and he quickly looked back!

“Second brother, what are you doing? You are so shameless...”

Gao Qilan looked at Huofeng and Yu Jiameng curled up in the corner, and immediately roared at Gao Qisheng!

When Gao Qisheng saw Gao Qilan, he calmed down and said, “Little sister, don’t mind my business. Get out of here!”

“I won’t leave. As long as I’m here, you can’t bully the two of them...”

Gao Qilan rushed in front of Huofeng and Yu Jiameng, blocking the two people behind him!

“Xiaolan, I told you, don’t worry about my affairs, otherwise don’t blame me for being rude to you...”

Chapter: 4656

Gao Qisheng was angry and roared at Gao Qilan!

“Even if you do it, I won’t watch you hurt these two girls. If you do this again, I will tell my elder brother.”

Gao Qilan moved Gao Qiqiang, the head of the Gao family, out!

Hearing this, Gao Qisheng immediately fainted. Gao Qiqiang had no idea about the fact that he forced women from good families, otherwise he would not have allowed him to do this!

“Little sister, I’m so old, what’s wrong with finding a few women? Why do you think you’re going against me?”

Gao Qisheng began to follow Gao Qilan and persuade him!

“Second brother, you are older, and you can tell the media that you are marrying a woman. With the strength of our Gao family, are we still afraid that you will not be able to marry a wife?”

“You attacked two innocent girls. What are you doing? It’s so shameless...”

Gao Qilan glared at Gao Qisheng!

Looking at Gao Qilan’s angry look, Gao Qisheng finally sighed helplessly, turned around and left!

After Gao Qisheng left, Gao Qilan turned to look at Huofeng and Yu Jiameng and said, “Don’t be afraid, you two. It’s okay.”

“Thank you.....”

Huofeng and Yu Jiameng thanked Gao Qilan!

“Thank you for what I did. If it weren’t for my second brother, you wouldn’t be like this.”

“You guys come with me and live in my mansion for the time being, so that my second brother won’t dare to mess around.”

Gao Qilan said, taking Huofeng and Yu Jiameng out of the dungeon!

But when he reached the door, two guards stopped him!

“Miss, the second young master has spoken and will not let these two women leave the dungeon.”

One of the guards said in a very embarrassed tone!

“Get out of here.” Gao Qilan said coldly!

“Miss, don’t make things difficult for us, otherwise the second young master will kill us.”

The guard looked aggrieved!

“Second brother can kill you, but I can’t?”

Gao Qilan said, and instantly put his sword against the guard’s neck!

Chapter: 4657

At this moment, the two guards turned pale with fright and no longer dared to stop him!

Gao Qilan took Huofeng and Yu Jiameng away.

“Ah...that’s too much...”

After Gao Qisheng knew that he had finally caught two women and was taken away by Gao Qilan, he was so angry that he smashed them up in his mansion!

“Second Young Master, the master of the house has asked you to come over...”

At this time, a servant of the Gao family came over and said!

“What does my elder brother want me to do?” Gao Qisheng asked!

“I don’t know about that, but the head of the family asked you to come over quickly.”

The servant shook his head!

“Okay, I understand.” Gao Qisheng nodded!

Although Gao Qisheng is unruly and lustful for women, he always obeys his elder brother!

The brothers had no parents since they were young, and it was Gao Qiqiang who brought them up, so the brothers and sisters all respected this eldest brother!

Gao Qisheng collected himself and then walked quickly towards the Gao family’s meeting hall!

When Gao Qisheng arrived at the meeting hall, he saw that some elders of the Gao family were there, and Gao Qijie was also there!

And Gao Qiqiang was sitting in the first place, his face looked very ugly!

At this moment, Gao Qisheng began to murmur in his heart. He was afraid that he was the one responsible for catching the woman, and that his elder brother wouldn’t know about it!

“Okay, Xiao Sheng is here too. Let’s talk about the recent changes in the Far North!”

After Gao Qiqiang saw Gao Qisheng coming, he said!

“Master, I have sent people to investigate in the past few days. Suddenly there are many people in our far north. These people are all here for the treasure of the Ancient Body Refining Clan.”

“And many people want treasure maps and even keys to unlock the treasure. I don’t know where these people got these.”

The Great Elder stood up to report!

“Master, because the treasure of the Ancient Body Refining Clan suddenly became known to many people, our demon cultivators in the far north have also become more active recently, and they are probably looking for the treasure.”

“In addition, with the influx of more and more people from the Far North, ice soul fragments have begun to be discovered.”

Another elder stood up and said!

Chapter: 4658

Hearing this, Gao Qiqiang’s face became even more ugly!

“Originally, in this far north, our Gao family is the only one. We have time to slowly search for ice soul fragments, to find the treasures of the ancient body refining clan, and even slowly devour the ancient body refining clan.”

“But suddenly news of the treasure was leaked and ice soul fragments were discovered. It seems that the pattern of our far north is about to change. We need to think of a countermeasure.”

“Xiao Sheng, during this period, please take more people to move around, and pay close attention to those who come to the far north. If there is any news about ice soul fragments or treasures, you must report back as soon as possible. Don’t do it privately. action.”

“You’re not young anymore. Don’t focus on women all day long. I’m afraid it’s time for the survival of our Gao family now.”

Gao Qiqiang said solemnly!

“Brother, what you said is too serious. Those people just come here to join in the fun and look for treasures. After searching for a while, they can’t find it and then leave. Who would stay in this cold place?”

Gao Qisheng said nonchalantly!

“You know what the heck, this time the treasure news was leaked, and there are a large number of people holding treasure maps and treasure keys. It is obvious that someone deliberately leaked the information.”

“Even if these people leave, do you know how many demonic cultivators are hidden in this far north? These demonic cultivators have been recharging their energy for so many years, who knows how strong they are now.”

“Just obey me honestly and don’t cause trouble for me, you know?”

Gao Qiqiang scolded Gao Qisheng!

“I know...” Gao Qisheng lowered his head!

“Okay, cheer up. The future of our Gao family depends on this time.”

After Gao Qiqiang finished speaking, he waved his hand and asked everyone to leave!

The land of the ancient body-refining clan!

It took Chen Ping and the others three days to arrive!

The ancient body-refining clan’s clan is located in the coldest and most barren place in the far north. It is precisely because of this place that the Gao family did not exterminate the ancient body-refining clan!

In a tent built with bearskin, Chen Ping met the leader of the ancient body-refining clan!

The patriarch has dark skin and looks very thin. He looks like he is sick!

However, judging from the aura that the patriarch is constantly exuding, it can be seen that this patriarch is very strong, and it is not as seen on the surface!

“Clan leader, I brought the guilty brother back, please ask the clan leader to punish...”

Wa Jar tied up Watt, and then knelt down in front of the clan leader!

But the patriarch smiled slightly, stepped forward and untied the rope from Watt’s body!

Chapter: 4659

This scene confused Watan, and even Chen Ping was a little puzzled!

This Watt stole the treasure map, sold it everywhere, and spread the news about the treasure of the Ancient Body Refining Clan. Even if it was not a death penalty, he would still be punished!

But the patriarch actually helped Watt untie the rope!

“Clan leader, Watt stole the treasure map and sold it on a large scale. According to the clan rules, he should be punished. Although he is my brother, I will never show favoritism.”

Wagong followed the clan leader with a solemn expression!

“Get up, I allowed Watt to sell the treasure map...”

The patriarch said with a faint smile!

The clan leader's words immediately made Watan confused. He didn't understand, since the clan leader allowed it, why did he let himself take people to capture Watt?

When Chen Ping looked at the clan leader, he suddenly seemed to understand something!

"Brother, it was the clan leader who asked me to do this. Otherwise, with my ability, I would be able to steal the treasure map."

"Now that the treasure map has been sold, many people have flocked to the Far North, and we have made a lot of money."

Watt smiled at the jar and said!

"Clan leader, what on earth is going on?"

Watan asked, completely confused!

"Watan, you also know that our ancient body refining clan's resources are getting less and less, and our strength has stagnated. If this continues, we will be swallowed up sooner or later, and even the treasure cannot be defended!"

"If our ancient body-refining clan wants to continue to survive in the Far North, the only way is to disrupt the pattern of the Far North. Only in this way will the forces hiding in the darkness in the Far North appear."

"In this way, our ancient body-refining clan can survive in the turmoil, and if we want to destabilize the Far North, we need enough temptation, otherwise who would come to this cold and barren land!"

"And this temptation is the treasure of our ancient body refining clan, so I asked Watt to take the incomplete treasure map to Jialing County to sell it."

“As a result, many people will set foot in the Far North in search of treasures, and there will definitely be conflicts.”

“The Far North is in chaos, and only our ancient body-refining clan has a chance...”

The patriarch explained in detail!

“Clan leader, since you gave me permission, why did you ask me to lead people to arrest my brother?”

Wagong asked puzzledly!

“Only if you catch your brother, and everyone sees it, will they believe in the authenticity of this treasure map.”

Chapter: 4660

“The reason I hid it from you was to make your acting more realistic so that no one would doubt it.”

The patriarch smiled slightly!

Only then did Wagong really understand the intention of his clan leader.

Chen Ping, who was standing by, felt his scalp numb when he heard it. He didn't expect that the clan leader was so resourceful that even he would be fooled!

Not only did he spend money to buy the treasure map, but he also helped Wagon catch Watt!

“Clan leader, there are so many people looking for the treasure. If the treasure is really excavated, what will we, the Ancient Body Refining Clan, do?”

Wagong asked!

“Compared with the treasure, I am more worried about the future of our Ancient Body Refining Clan. The treasure is buried deep underground. Even if no one digs it, we, the Ancient Body Refining Clan, will not be able to dig it out.”

“It’s better to let other capable people discover the treasure, so that the skills of our ancient body-refining clan can be spread.”

The patriarch continued to explain!

“Clan leader, what happened to the treasure key? Did it spread out on purpose? Many people now have jade tokens exactly like mine!”

“Are everyone else’s keys fake?”

Chen Ping asked in confusion!

If the treasure map was spread on purpose, what about the treasure key?

Or are those keys fake?

“The truth is also false, and the false is also true. There are many treasures of our ancient body-refining clan in the entire Far North, and those treasures also need keys!”

“It’s just that some of these treasures are just holes, some are traps, and some are just worthless treasures!”

“There is only one real treasure, and these treasures are hidden among other treasures, so the treasure keys obtained by those people are not fake.”

“It’s just that I don’t know where this real treasure is...”

The patriarch followed Chen Ping in explaining!

At this time, Chen Ping was even more confused. It turned out that there was more than one treasure. There were so many treasures, and I didn't know whether they were true or false. How to find the real treasure in this way?

“Patriarch, I heard Wagong say that the treasures of your ancestors were excavated by demon cultivators. In the end, all those demon cultivators were killed. I want to know why those demon cultivators listened to your words?”

Chen Ping had been curious for a long time. Logically speaking, the strength of the ancient body-refining clan could not be too strong, because the ancient body-refining clan's techniques destined them to practice slowly!

The strength of those demon cultivators should be no worse than that of the ancient body refining clan, but why did they let the ancient body refining clan be driven by them without resisting?
