

## **The Order 4681**

Chapter: 4681

The wordless heavenly book that originally contained no words actually began to slowly appear with golden writing!

Daluo Golden Code?

I saw four gilt characters on the wordless heavenly book that were very dazzling!

Moreover, the Wordless Heavenly Book is like a mountain, suspended above Chen Ping's sea of consciousness, which makes people feel depressed!

Around the gilt characters, there were mysterious lines crisscrossing each other, which seemed like a magic circle, but Chen Ping couldn't understand it at all!

"This...what the hell is this?"

Zhe Yan looked at Daluo Jindian in front of him, his face full of shock!

"I don't know either!" Chen Ping shook his head!

Chen Ping didn't know that this wordless heavenly book, which originally had no words, actually had writing after absorbing the energy of the ice soul fragments!

What exactly is recorded here?

Celestial exercises? The secret of magic? Or is it the origin of heaven and earth?

Chen Ping didn't know what was recorded in it, but Chen Ping knew that it must be something good.

“Mr. Chen, if you open it and take a look, won’t you know what is recorded inside?”

Zhe Yan said!

Chen Ping nodded, and then wanted to flip the Daluo Golden Code, but found that no matter how hard he tried, he couldn’t flip it at all!

That Daluo Jindian seemed to be firmly absorbed!

“This...can’t be opened?”

Chen Ping looked surprised.

“Mr. Chen, maybe you are not strong enough to open it now? After all, what is recorded in this book must be beyond our imagination.”

“If it’s some magical magic, you won’t be able to practice it at all with your current strength!”

Zhe Yan explained!

When Chen Ping heard it, it made sense. If it was really some heavenly magic, Chen Ping would not be able to practice it at all!

However, Chen Ping can be sure that this Daluo Golden Code is definitely an item from the heaven!

This Daluo Golden Code has always been a wordless heavenly book. Apart from being able to detect some item information, it has no other use!

Chapter: 4682

But now that the energy of the ice soul fragments has been absorbed, the font appears. This should be what the wordless heavenly book originally looked like!

And these ice soul fragments also fell from the heaven, and the energy contained in them is most likely immortal energy!

Therefore, this Daluo Golden Code needs to absorb the immortal energy to recover, which can prove that this Daluo Golden Code is also a thing from the heaven!

It's just that it's unclear how such a heavenly thing could be in Mr. Shi's hands!

Or perhaps Mr. Shi didn't even know that this wordless heavenly book was actually a Daluo Golden Code!

"Mr. Chen, you don't have many ice soul fragments left. You'd better absorb them quickly. These ice soul fragments should be able to allow you to break through to the third level of the Fusion Realm."

Chen Ping nodded, and then began to absorb it crazily!

This time, the energy of the ice soul fragments is constantly swarming towards Chen Ping's dantian!

"Pfft....."

Just when Chen Ping was frantically absorbing the energy of the ice soul fragments, Wagong's arm was scratched by a sword, and he rolled to the side!

Watan, who had just been promoted to the fourth level of the Fusion Realm, was still no match for this fifth-level Fusion Realm monk!

"Watan..."

Liu Ruyan's expression changed when she saw Wagang was injured!

Wagong took the opportunity and quickly retreated into the formation!

While the monk was chasing after him, Wagong had already entered the formation. Facing the ice soul fragments that were so close in front of him, he could only stare, without the slightest solution!

Liu Ruyan was treating Watan's wounds. As a pharmacist, Liu Ruyan could handle Watan's injuries!

"Just wait. Although I can't break this formation, our young master can definitely..."

The monk said, he jumped up and disappeared quickly!

Seeing the monk leave, Watan and Liu Ruyan breathed a sigh of relief!

But it's obvious that the other party is calling for someone. If they call for a few powerful monks, then this formation won't be able to protect them!

Now Wagang and Liu Ruyan can only pray for Chen Ping to break through quickly!

The ice soul fragments have almost been absorbed, but Chen Ping has no signs of breakthrough yet, which makes the two of them very anxious!

More than an hour later, four figures slowly appeared, including the monk who had just left!

"People from Feitian Sect?"

Chapter: 4683

Liu Ruyan was stunned when he saw the person coming!

I saw that the monks who had just left turned out to be Ji Yun and Shi Tieqiao from the Feitian Sect, including the old woman!

Seeing these people, Liu Ruyan's face became extremely ugly!

Because she knew that Chen Ping had a history with the Feitian Sect, and when he was in Jialing County, Ji Yun was beaten up by Chen Ping, so he must have a grudge.

"Miss Liu, do you know these people?"

Wagong asked!

Liu Ruyan nodded, then looked at Chen Ping who was still practicing, and said with a very ugly face: "Watan, it seems we are in trouble today."

"These people are from the Feitian Sect. The young man's name is Ji Yun. He is the son of the Feitian Sect. He is at the seventh level of the Fusion Realm. You and I are no match at all!"

"Even this formation can't stop them at all..."

Hearing what Liu Ruyan said, Wagong's expression became extremely solemn!

At this time, Ji Yun had already brought people to the front. When he saw Chen Ping and Liu Ruyan, he burst out laughing!

"It's really a narrow road for enemies. I've been looking for you for many days, but I didn't expect to meet you here..."

Ji Yun's face is full of excitement!

"Sir, that guy has ice soul fragments in his hand."

The monk who just left pointed at Chen Ping and said!

Ji Yun looked and found that Chen Ping did have ice soul fragments in his hand, but they were not very big!

“You bastard, didn’t you say you saw that the ice soul fragments were big? This one isn’t that big, either?”

Ji Yun asked the monk!

“Young master, you were indeed quite young just now. Maybe you were absorbed by this guy, and there is still this little bit left.”

The monk quickly explained!

“Sir, regardless of whether there are ice soul fragments or not, if we can meet this guy, it’s not in vain that we came here in vain. We can just take revenge.”

Shi Tieqiao said to Ji Yun!

“Elder Shi is right. This kid dared to hit me when we were in Jialing County. Today I will play hard to kill him.”

“And this little girl next to him, I’m going to have some fun soon...”

Chapter: 4684

Ji Yun looked at Liu Ruyan, his eyes filled with light!

“Sir, they are protected by formations. Just now, my subordinates couldn’t break through the formations, so they came to find you.”

The monk said!

“Hmph, what can a mere formation do to me? A group of young monks who have just entered the Fusion Realm, even if they know how to set up formations, they are not that powerful.”

Ji Yun simply looked down on Chen Ping and the others, so he said to Shi Tieqiao: “Elder Shi, go and break the formation...”

Shi Tieqiao nodded, then took two steps forward, and a violent breath suddenly burst out from his body!

When this aura erupted, the formation set up by Chen Ping was activated instantly, and light curtains tightly wrapped Chen Ping and the others!

Looking at the formation in front of him, Shi Tieqiao shouted loudly and slapped it out with one palm!

The wind is howling and the snowflakes are flying.....

But just when Shi Tieqiao’s aura hit the formation, a huge counter-shock force struck. Shi Tieqiao was caught off guard, and his body was instantly knocked away!

When Shi Tieqiao stood up, his face became very ugly!

“What a powerful formation. Where did this kid get such a powerful formation? It must have cost a lot of money.”

Shi Tieqiao thought that such a powerful formation must be the formation disk that Chen Ping and the others spent money to buy!

After all, with Chen Ping’s level of strength, it is impossible to set up such a powerful formation!

“Hmph, useless thing!” Ji Yun snorted coldly, then stepped forward and gently pressed one hand on the formation!

A burst of spiritual power broke out instantly, and the formation also shattered into pieces in an instant and disappeared without a trace!

Seeing Ji Yun breaking the formation so easily, Wagang and Liu Ruyan’s expressions changed, and they hurriedly took two steps back to guard in front of Chen Ping.

Ji Yun looked at Liu Ruyan and Watan, with a ferocious smile on his face!

“Why don’t you two get out of here?”

Ji Yun said with a sneer!

“Even if we die, we won’t let you touch Mr. Chen.”

Wagong said firmly!

“You are quite brave. If this is the case, then I will let you die...”

After Ji Yun finished speaking, he slapped Wagang and Liu Ruyan with one palm!

Chapter: 4685

Ji Yun’s strength is much higher than the two of them. With this palm strike, the two of them have no ability to fight back!

He could only watch helplessly as Ji Yun’s terrifying palm struck towards the two of them like the god of death!

Liu Ruyan glanced at Chen Ping reluctantly, then closed her eyes, waiting for death to come!

Seeing that Wagong and Liu Ruyan were about to die in Ji Yun's hands, at this moment, from behind the two, a line of spiritual power instantly cut through the void, and violently collided with Ji Yun's palm!

boom.....

A huge force exploded, and both Watank and Liu Ruyan's body were blown back!

"who is it?"

Ji Yun's face turned cold and he took a few steps back!

"A dignified seventh-grade monk in the Fusion Realm, the young master of Feitian Sect, what kind of skill does bullying a woman have?"

Chen Ping stood up slowly, with a bit of chill in his eyes!

"Chen Ping..."

"Mr. Chen....."

Seeing Chen Ping wake up from practice, Wagang and Liu Ruyan both shouted excitedly!

Ji Yun glanced at Chen Ping, smiled coldly and said, "What? I don't bully them, but I bully you? How dare you, a little second-grade Fusion Realm monk, talk to me like that?"

"When we were in Jialing County, if Master Yan hadn't been there, do you think you could have left alive?"

“When I meet you here today, let’s settle our old and new grudges together.”

Chen Ping glanced at Ji Yun disdainfully, and then asked Liu Ruyan and Watan, “Are you two okay?”

“It’s okay!” Wagong shook his head!

And Liu Ruyan asked: “Chen Ping, how are you? Have you made a breakthrough?”

Chen Ping nodded: “Breakthrough...”

Originally, Chen Ping was at the peak of the second level of the Fusion Realm, so he could break through with a little bit of resources!

If it weren’t for the Wordless Heavenly Book, Chen Ping would have broken through to the third level of the Fusion Realm by now!

Seeing Chen Ping’s breakthrough, Liu Ruyan laughed. In this way, Chen Ping no longer had to be afraid of Ji Yun, who was in the seventh level of the Fusion Realm!

Ji Yun was furious when he saw Chen Ping ignoring him and chatting with Liu Ruyan and the others!

Chapter: 4686

After all, I am a seventh-level Fusion Realm cultivator, but these guys who are at the second and third level of the Fusion Realm in front of me still don’t take me seriously at all. It’s damned!

Are these guys not afraid of themselves at all?

“You guys, it seems I’m not showing off my power. You don’t know how powerful Lord Ma is...”

Ji Yun roared!

Chen Ping looked at Ji Yun coldly: “What? Do you want to take action?”

“Hmph, there is no need for me to deal with a young monk like you. Wouldn’t that lower my own status?”

After Ji Yun finished speaking, he then said to Shi Tieqiao and the other three: “Which one of you is going to kill this kid for me?”

Shi Tieqiao and the old woman didn’t move or speak. After all, they had seen Chen Ping’s strength!

Although Chen Ping seems to have just reached the second level of the Fusion Realm, his strength is very high. Even the fifth level of the Fusion Realm is no match for him!

And the fifth-level Fusion Realm monk who brought Ji Yun and the others spoke!

“Sir, I’ll take care of this kid for you. How can a small second-grade Fusion Realm cultivator be afraid of him?”

The monk said with disdain!

In his opinion, Chen Ping, a second-level monk in the Fusion Realm, can only do one punch and two kicks, and there is nothing difficult!

“Wrong, I am now at the third level of the Fusion Realm.”

Chen Ping smiled slightly and corrected!

“Even if you are at the third level of the Fusion Realm, you are still the same as an ant in my eyes.”

The monk said!

“You have to be careful and don’t underestimate the enemy...”

Shi Tieqiao reminded the monk!

“Elder Shi, you are also a great monk of the fifth level of the Fusion Realm. Why are you so timid now that you are afraid of a little monk of the third level of the Fusion Realm?”

The monk glanced at Shitieqiao in confusion!

“You will know later why I am afraid.”

After Shi Tieqiao finished speaking, he took a step back!

The monk walked directly to Chen Ping.

Chapter: 4687

“Chen Ping, this is the guy who just injured Watan.”

Liu Ruyan pointed at the monk and said!

“Okay, if he hurt Watan with one sword, I will return ten swords to him.”

Chen Ping said with stern eyes!

“Boy, you are too crazy, I...”

But before the monk could finish his words, Chen Ping’s body swayed and he was in front of the monk!

“you.....”

The monk was immediately surprised. He didn't expect Chen Ping to be so fast!

Before he could react, he saw Chen Ping slashing at him with his sword!

The sword light roared up, and it also carried a trace of flames!

There was no time for any reaction, and a deep wound was opened on the monk's arm in an instant!

The monk quickly retreated, trying to distance himself from Chen Ping!

But how could Chen Ping let him escape? The dragon-slaying sword in his hand was like a fire snake, constantly slashing out sword rays around the monk!

Finally, Chen Ping stopped, and the monk stopped moving!

Everyone hurriedly looked around and found that the monk was already covered in scars and blood was pouring out!

Before anyone could react, the monk fell to the ground!

Even if Chen Ping is at the second level of the Fusion Realm, it is not difficult to kill the fifth level. What's more, Chen Ping is already at the third level of the Fusion Realm. Therefore, even if Ji Yun, a seventh-level Fusion Realm monk, comes forward, he will not be able to escape the fate of being beheaded. !

Seeing his men being easily killed by Chen Ping, Ji Yun's face was finally no longer so relaxed!

I saw Ji Yun's eyes condensed slightly, with a cold light in his eyes!

“Boy, you released our pterosaurs privately, beat me, and now you kill my Feitian Sect people, you deserve to die.”

“Now, I, Feitian Sect, will fight with you until death...”

After Ji Yun finished speaking, he roared angrily and suddenly punched Chen Ping with a punch!

Ji Yun’s speed was extremely fast, and a white mark was drawn in the air. Moreover, this punch came without warning, making people unable to guard against it!

boom!

Chapter: 4688

This punch hit Chen Ping hard, but Chen Ping didn’t even dodge!

The strength and power of the seventh-level Fusion Realm is unimaginable. This punch can break mountains and rocks easily!

“Chen Ping...”

“Mr. Chen.....”

When Liu Ruyan and Wagong saw that Chen Ping didn’t dodge and was punched by Na Ji Yun, they all shouted in panic!

And Chen Ping’s body, like a kite with its string broken, flew directly into the distance!

This punch actually knocked Chen Ping hundreds of meters away!

This shows how powerful this punch is!

Liu Ruyan and Wagong wanted to see how Chen Ping was doing, but they were stopped by Shi Tieqiao and the old woman!

“Hmph, no matter how awesome I am in the future, it’s just like this. I can’t even dodge my punch...”

Ji Yun hit Chen Ping with one punch, and his confidence instantly exploded!

Liu Ruyan and Wagong looked at Ji Yun angrily, wanting to eat Ji Yun!

“You two don’t have to look at me like this. Once I’m done playing with this little bitch, I’ll send you on the road together...”

Ji Yun walked towards Liu Ruyan with a sneer on his face!

Snapped.....

Just as Ji Yun walked towards Liu Ruyan with a squinted look, a huge palm suddenly appeared from somewhere, and then slapped Ji Yun hard on the face!

Ji Yun’s body was immediately slapped and flew away, and then he fell heavily to the ground!

Although Ji Yun was not seriously injured by this slap, it made him lose face!

“Who? Who is it?”

Ji Yun stood up and shouted angrily!

“I was just testing my physical strength just now, and it actually made you confident...”

Chen Ping walked over slowly with a look of disdain!

“You...are you okay?”

Ji Yun was shocked and angry when he saw that Chen Ping was unharmed!

Chapter: 4689

With that punch just now, even a monk at the same level would probably be seriously injured, but Chen Ping, a monk at the third level of the Fusion Realm, was fine at all?

“Chen Ping, are you okay? I was scared to death...”

Seeing Chen Ping coming unharmed, Liu Ruyan immediately hugged Chen Ping and started crying!

She was really afraid that something would happen to Chen Ping, and she wouldn't be able to live in that case. Liu Ruyan didn't know how to live the night without Chen Ping!

“Mr. Chen, you...”

Wagong looked at Chen Ping in shock!

If Shi Tieqiao and the fifth-grade Fusion Realm monks punched him, Chen Ping would not be hurt at all, and Wagong could still bear it!

But this Ji Yun is a seventh-level monk in the Fusion Realm, and he is already a relatively powerful being in the Fusion Realm!

But after punching Chen Ping, Chen Ping was still fine. This shows how strong Chen Ping's body is!

“I’m going to kill you, I’m going to kill you...”

Ji Yun was going crazy after being slapped away by Chen Ping!

“You talk so much nonsense. Didn’t you say you wanted to kill me many times?”

Chen Ping had a sneer on his face!

“Master, Master...”

At this time, Shitieqiao gently pulled Ji Yun’s clothes!

“What to do?” Ji Yun was angry at this time and glared at Shi Tieqiao and said!

“Sir, I think we should not start a conflict with Chen Ping first.”

Shi Tieqiao saw that Ji Yun was probably no match for Chen Ping!

“Fart, am I still afraid of him? I don’t believe I can’t beat him.”

Ji Yun roared!

“It seems that if I don’t win you over, you really don’t know how powerful your Grandpa Chen is!”

After Chen Ping finished speaking, his body suddenly disappeared, and then a golden light flashed across instantly, heading straight for Ji Yun!

Ji Yun didn’t flinch, roared again and again, and his body was instantly covered by a layer of white light!

This white light is extremely pure, like a layer of armor, densely covering Ji Yun!

Chapter: 4690

It seems that the Feitian Sect is rich, and Ji Yun also has a lot of treasures on his body!

It was obvious that this armor-like white light was emitted by the formation disk on Ji Yun's body!

Although Ji Yun is a seventh-level monk in the Fusion Realm, he doesn't know many magic circles!

But if you have money, you can buy a formation disk, and the higher the level of the formation disk, the more expensive it will be.

And the formation disk that Ji Yun is using now is definitely worth a lot of money!

There was a trace of disdain on Chen Ping's face. Ji Yun still wanted to rely on the battle array he bought with money and follow Chen Ping to fight head-on. That was simply asking for death!

Chen Ping began to collide with Ji Yun with his body. Every collision made a huge roar, as if the entire void was shaking!

Chen Ping gave up any moves and used the most primitive barbaric charge, so that he could better temper his body!

Now Ji Yun has become Chen Ping's sparring partner, but this guy doesn't know it yet!

Try your best to activate the array disk you are carrying!

"He's really a rich guy..."

Chen Ping didn't know how many of Ji Yun's formations had been damaged, but this guy could always make up for it as soon as possible!

"ah....."

Ji Yun roared angrily. He was now relying entirely on the power of the array to compete with Chen Ping!

Without the formation disk, Ji Yun would have been beaten to a pulp by Chen Ping!

Chen Ping, on the other hand, was unhurried. He wanted to see how rich Ji Yun was this time!

"No wonder it's so difficult for Mr. Chen to advance to a higher realm. When he ascends to a smaller realm, his strength will increase so much!"

"It seems that the guy at the seventh level of the Fusion Realm is no longer a match for Mr. Chen."

Wagong watched the fight between Chen Ping and Ji Yun and felt very shocked!

Liu Ruyan also looked shocked, and Chen Ping's performance made her feel surprised!

On the side, Shi Tieqiao and the old woman's expressions became extremely ugly at this moment!

They also saw that Chen Ping was playing tricks on Ji Yun, and only Ji Yun himself was roaring and constantly colliding with Chen Ping!

"Boom....."

Ji Yun roared angrily and punched Chen Ping with all his strength!
