

## **The Order 4691**

Chapter: 4691

He wanted to make a quick decision. After all, no matter how rich he was, he couldn't carry a lot of formation disks with him!

These formation disks were his means to save his life, but now Chen Ping was forcing him to use them all!

Chen Ping was punched and sent flying!

It's just that Chen Ping's physical body is extremely strong, and Ji Yun's punch did not cause any harm to Chen Ping at all!

"What? The blessing array plate has been used up?"

Chen Ping said with a faint smile!

"Even if I don't use the array, I can still beat you..."

Ji Yun was still saying arrogantly!

Chen Ping smiled coldly: "Since you still don't accept your fate, then I will let you see my true strength..."

After Chen Ping finished speaking, the aura on his body began to rise!

The indestructible golden body covered Chen Ping's whole body, and the golden light continued to emit, shining hundreds of meters away!

With the sudden appearance of golden light, Chen Ping's aura seemed to have no end and kept rising!

Ji Yun's expression changed again and again. He didn't expect that after so many collisions with Chen Ping, Chen Ping still hadn't used all his strength!

This is too outrageous...

"Have you seen my strength?"

While talking, Chen Ping was already in front of Ji Yun!

boom!

Before Ji Yun could make any move, Chen Ping's big hand fell from the sky!

This big hand enveloped Ji Yun, and thunder and lightning kept flashing in the hand!

"This... what kind of move is this?"

Seeing this scene, Ji Yun's eyes widened with surprise!

The stone iron bridge and the old woman were so frightened that they trembled all over!

"Thunder Palm....."

Accompanied by a loud shout from Chen Ping's mouth!

Chapter: 4692

The power of thunder and lightning fell quickly from the thunder palm, hitting Ji Yun hard in an instant!

Ji Yun tried his best to activate all his spiritual power to protect his body!

However, under this Thunder Palm, Ji Yun was still severely knocked down, and then his body was smashed into the ground!

Chen Ping waved his hand and the Thunder Palm disappeared instantly!

There was a huge deep pit on the ground, and Ji Yun was lying in it in a miserable state!

At this time, Ji Yun's heart was full of fear!

If Chen Ping hadn't stopped just now, he would have been a corpse by now!

"Are you convinced?"

Chen Ping looked down at Ji Yun and asked!

"Sir....."

Shi Tieqiao and the old woman helped Ji Yun up!

Ji Yun looked at Chen Ping, his eyes full of fear, and nodded vigorously: "I'm convinced, I'm convinced..."

Seeing Ji Yun like that, Chen Ping didn't take action. After all, he didn't have any deep hatred for following the Feitian Sect!

What's more, he released the Feitian Sect's pterosaur first. As long as the Feitian Sect doesn't cause trouble for him, Chen Ping won't care!

After all, one more enemy means one more trouble!

Chen Ping feels that he has enough troubles now!

“Now that you’re convinced, go away. I hope you won’t provoke me in the future...”

Chen Ping waved his hand and said!

But Ji Yun did not leave at that time, but looked at Chen Ping who was hesitant to speak!

“What else do you want? Are you waiting for me to kill you?”

Chen Ping looked at Ji Yun coldly and asked!

“No, no, no, I just, I just want to ask, can I follow you?”

“After all, in this far north, there are dangers everywhere, and more and more people are looking for treasures. When the treasures are found, fighting will inevitably happen, so I feel that if we work together, we can increase our strength! ”

Ji Yun said to Chen Ping!

Chapter: 4693

Ji Yun now sees that Chen Ping is very powerful, so he wants to form an alliance with Chen Ping. After all, in this world of gods and humans where strength is respected, strength is everything!

Chen Ping glanced at Ji Yun and knew that this guy definitely didn’t know how to play tricks, so he nodded and said, “Okay, then follow me...”

Ji Yun was very excited when Chen Ping agreed.

Soon the group began to continue on their way, looking for the location of the treasure!

.....

Gao family.

In Gao Qilan's room, Huofeng and Yu Jiameng were protected by Gao Qilan and were no longer harassed by Gao Qisheng!

Both of them were very grateful to Gao Qilan!

"Now the entire Far North is in chaos, so you two stay here for now. After this period of time passes, I will send you two away!"

Gao Qilan said to the two of them!

"Miss Gao, thank you so much, but we have a friend who is still in a cave. We are afraid that she is in danger, so we have to find her."

Yu Jiameng is worried about Su Yuqi!

Although the fire phoenix placed a fire feather on Su Yuqi's body and the severe cold could not harm Su Yuqi at all, she was still worried!

"Tell me the address of the cave, and I'll look for it for you."

"If you go out like this and are seen by my second brother, I'm afraid you will fall into his hands again."

"My second brother is a big pervert and he only likes women. When I have time, I want my eldest brother to teach him a lesson and make him change!"

When Gao Qilan mentioned his second brother Gao Qisheng, his face became angry!

After all, she is also a girl. If she is forcibly raped, she will definitely not want to live anymore. You must know that chastity is very important for girls!

Although there are many girls in today's society who don't value their bodies at all, they just hand them over casually and even use their bodies to make money!

But those are the minority after all, and girls still have to respect themselves!

Huofeng and Yu Jia dreamed for a while, so they told Gao Qilan the general location of the cave, and also told Su Yuqi's hiding place!

"Okay, don't worry, I'll set off right away. Whether your friends are still there or not, I'll tell you!"

"You are in my room, don't move around, someone will give you meals on time every day."

After Gao Qilan finished his instructions, he turned and left the room!

Chapter: 4694

Just when Gao Qilan was about to leave the Gao family, he was stopped directly by the guard at the door!

"Miss, the head of the family has ordered that you are not allowed to leave the Gao family's gate anymore."

The guard said to Gao Qilan!

"Get out of my way, I want to go out and get some air..."

Gao Qilan pushed the guard aside and walked out!

But two guards stopped Gao Qilan again and blocked her way!

Gao Qilan was stunned for a moment, then frowned and said, "Are you two looking for death?"

"Miss, even if you kill us, we can't get out of the way. This is the order of the head of the family."

Two guards said!

"You two guys really think I don't dare to kill you..."

Gao Qilan said, raising his hand to take action!

But the two guards remained motionless, refusing to let them see even if they died!

Seeing this, Gao Qilan could only take her hand back helplessly. She was just trying to scare her. How could she kill two guards?

After all, the two guards also obeyed orders!

"Okay, if you don't let me out, then I will go find my brother..."

Gao Qilan walked towards Gao Qiqiang's mansion angrily!

At this time, Gao Qiqiang was discussing matters with several elders!

"Master, the entire Far North is in chaos now, and there are fighting everywhere!"

“And we have discovered that a large number of demonic cultivators have begun to mingle among these monks, and they are also waiting for opportunities to search for treasures and snatch resources.”

The Great Elder followed Gao Qiqiang to report!

“What’s the reaction from the Ancient Body Refining Clan?”

Gao Qiqiang asked!

“The patriarch of the Ancient Body Refining Clan doesn’t seem to have done anything. It’s just that the vat of the Ancient Body Refining Clan left with several monks from other places.”

“It seems that they are also looking for treasures, and they also brought magic whips...”

Chapter: 4695

The great elder whispered!

“Crack the demon whip?” Gao Qiqiang smiled slightly: “This old guy seems to know that the demons will definitely take advantage of the chaos to seize resources and territory.”

“He deliberately spread the treasure map of the Ancient Body Refining Clan to confuse the Far North, not to lure out the demons hiding in the Far North.”

“Now he has got his wish, but he is afraid that the Ancient Body Refining Clan will not be able to destroy these demons.”

“Great Elder, you should also send more people. If you see the demons, kill them without mercy. We will also help the ancient body-refining clan. If the demons are not destroyed, the ancient body-refining clan will have trouble sleeping and eating.”

Gao Qiqiang has long guessed the ancient body refining clan!

“Master, we want to help the ancient body-refining clan. Aren’t we always enemies?”

The great elder was very puzzled!

“Enemies?” Gao Qiqiang smiled coldly: “Remember, our real enemies are the demons entrenched in the far north. Don’t look at it. The demons have not had any impact on us over the years.”

“That’s when they are recuperating. Once they grow stronger, they will be like wild beasts and eat us without mercy.”

“Compared to the beast-like demon clan, the ancient body-refining clan is nothing. I believe that old guy thinks so too.”

“After all, their ancestors killed many demons and even sealed the souls of the demons.”

“If the demons grow stronger, will the ancient body-refining clan still exist?”

Gao Qiqiang’s words shocked those who came to find him!

The enemy they originally thought was no longer an enemy!

It seems that there are no permanent friends or enemies in the world, it just depends on whether your own interests will be harmed.

Compared to the ferocious demon clan, the Gao family is more willing to stand with the ancient body refining clan!

This is the wisdom of high-level people. What they see is never what they see in front of them!

“Brother, why don’t you let me go out?”

While Gao Qiqiang was discussing with several elders, Gao Qilan directly opened the door and questioned Gao Qiqiang!

Seeing Gao Qilan, Gao Qiqiang frowned, then waved his hand to let the elders leave!

Gao Qiqiang is very doting on this sister. If Gao Qisheng and Gao Qijie dared to break in like this, Gao Qiqiang would have slapped her!

But facing Gao Qilan, Gao Qiqiang didn’t dare to let go...

“Xiaolan, I am also afraid that you are in danger. Now you also know that the Far North is too chaotic and not safe at all. What if you go out like this and are deliberately targeted?”

Chapter: 4696

“You are a girl. If you are targeted by bad people and something goes wrong, how will you let me live?”

“How can I face my dead parents?”

Gao Qiqiang followed Gao Qilan and said seriously!

“Brother, if you are afraid that something will happen to me, you can send two people to follow me. I have something to do when I go out!”

Gao Qilan stepped forward, grabbed Gao Qiqiang’s arm and started acting coquettishly!

Looking at the coquettish Gao Qilan, Gao Qiqiang has no temper at all!

“Is it because of what happened with those two girls?”

Gao Qiqiang looked at Gao Qilan and asked!

“Brother, do you know everything?” Gao Qilan smiled awkwardly!

“In the Gao family, what can you hide from me?”

Gao Qiqiang smiled!

“You also said that since I can’t hide it from you, you won’t care if the second brother comes back to arrest two girls and ruin them.”

“Fortunately, I arrived in time, otherwise the two girls would have been ruined by the second brother.”

“Second brother, this big pervert, is nothing. If I want to see him, I will scold him...”

Gao Qilan said angrily!

“It’s really time for your second brother to take charge, but don’t always scold your second brother. After all, he is your brother.”

“After a while, I will find a wife for your second brother, and he may feel better.”

Gao Qiqiang said!

“Brother, when will you find me a sister-in-law?” Gao Qilan asked!

“I’ll forget it. Just looking at you guys gives me a headache. I don’t have time to find my sister-in-law.”

“If you want to go out, go find the Great Elder and send a few people to protect you. In addition, go to the warehouse to get some life-saving formation disks.”

“You have to be careful and don’t cause trouble. If you get hurt, I will feel bad.”

Gao Qiqiang looked at Gao Qilan helplessly and said!

“Thank you, brother, I love you...”

Chapter: 4697

Gao Qilan kissed Gao Qiqiang on the face and ran out quickly!

Looking at Gao Qilan’s back, Gao Qiqiang smiled helplessly. Whoever asked him to dote on his sister would have to be manipulated!

Gao Qilan took the formation plate and asked the Great Elder to send two people to protect it. Then he walked out of the Gao family and went to find the cave Huofeng and the others mentioned.

.....

Chen Ping and the others were walking on the ice field!

From time to time, you will see the corpses of several monks!

The originally peaceful Far North has now become a killing field. After all, driven by profit, everyone will become selfish!

“Let’s all be careful and try not to get into conflicts with others. Our goal is to find treasures, not to rob others of their resources!”

Chen Ping whispered!

Chen Ping's words were meant for Ji Yun and others. After all, Watan and Liu Ruyan would not rob other people's resources!

But that's not necessarily the case for Ji Yun and the others. As the young master of the Feitian Sect, they have the nature of the jungle to eat the strong!

"Brother Chen, don't worry. Since I am following you, I will listen to you. We are only looking for treasures..."

Ji Yun quickly expressed his loyalty!

Especially looking at the corpses of other monks, Ji Yun also knew at this time that there was an undercurrent surging in this far north!

After Chen Ping and the others had been marching for nearly a day, Chen Ping suddenly waved his hand and made everyone stop!

Then he stared at a small snow pack not far away!

"It's no use being sneaky, come out..."

Chen Ping shouted loudly to the little snow bag!

Sure enough, amidst Chen Ping's shouts, five people slowly walked out!

The leader is Gao Qijie, the third son of the Gao family!

Seeing Gao Qijie, Wagong's face became very ugly!

“I didn’t expect that we would meet again, and it would still be on my territory...”

Gao Qijie looked at Chen Ping with a sneer on his face!

Chen Ping glanced at Gao Qijie, and then at the person behind him. He was only at the fifth level of the Fusion Realm, so there was nothing to be afraid of!

Chapter: 4698

Even if Chen Ping doesn’t take action, Ji Yun’s strength at the seventh level of the Fusion Realm is enough to deal with it!

“Yes, what a coincidence. Are you hiding here waiting for me?”

Chen Ping asked without any panic!

“However, I am just waiting for you. I will always remember the hatred in the arena of Jialing County!”

Gao Qijie’s eyes narrowed slightly, and there was a chill in his eyes!

“What can I do if I remember? How can you, the few of you, stop me?”

Chen Ping looked disdainful!

Gao Qijie looked at the people around Chen Ping. Except for Liu Ruyan and Wagong, Shi Tiejiao and the old woman were both at the fifth level of the Fusion Realm, and Ji Yun was at the seventh level of the Fusion Realm!

In terms of strength in a single round, it is indeed higher than the few people he brought!

Gao Qijie glanced at Ji Yun and others before saying, "Brother, we are members of the Gao family, the Gao family in the far north. You must have heard of us, but I wonder who you are?"

Gao Qijie could tell that Ji Yun, Shi Tieqiao, and Chen Ping didn't seem to be together!

I thought I could tell from their position. As soon as Gao Qijie led the people out, Liu Ruyan and Watan stood directly next to Chen Ping, as if they were protecting Chen Ping!

Shi Tieqiao and the old woman all surrounded Ji Yun to protect Ji Yun's safety.

From this, Gao Qijie deduced that Chen Ping and Ji Yun were not together, maybe they met and formed a temporary team together!

I have to say that Gao Qijie's ability to observe and judge is pretty good!

"I am Ji Yun from Feitian Sect..."

Of course Ji Yun has heard of the Gao family and knows the strength of the Gao family in the far north!

"Oh, it turns out he is a brother of the Feitian Sect, disrespectful..."

"I'm following this guy for a personal holiday. I hope brother Ji Yun won't interfere."

Gao Qijie said with a fist in his arms!

Ji Yun was stunned for a moment. Just when he didn't know how to answer, Chen Ping slowly said: "I can take care of you myself without anyone else's intervention..."

When Gao Qijie heard this, he immediately laughed: "Boy, what nonsense are you talking about? What I brought here are all the elites of our Gao family, and each of them has the strength of the fifth level of the Fusion Realm!"

“On your own, you still want to deal with us? You can just dream...”

“If you don’t believe it, you can try it, but after you lose, get away from me and don’t provoke me again...”

Chapter: 4699

Chen Ping didn’t want to kill Gao Qijie, because Chen Ping didn’t want to become a mortal enemy with the Gao family yet!

Chen Ping’s most important thing right now is to find the treasure.

“Okay, if you can defeat my Gao family, I will definitely stay away from you when I see you in the future...”

Gao Qijie agreed immediately because he didn’t believe Chen Ping could win!

“You all stand down!”

Chen Ping asked Wagang and Liu Ruyan to retreat!

The two people nodded and then stepped back. They also knew Chen Ping’s strength. With just these fifth-level Fusion Realm cultivators, Chen Ping could easily deal with them!

Ji Yun also took Shi Tieqiao and the others back a few steps, and then looked at Gao Qijie as if he were laughing, because he knew that Gao Qijie would be slapped in the face by Chen Ping soon!

“Surround...”

Gao Qijie waved his hand, and four senior elites surrounded Chen Ping!

“Boy, I want to turn you into an ice sculpture and seal you in this far north forever...”

Gao Qijie smiled coldly, and then bursts of white mist instantly erupted from his body!

At the same time, the four senior elite subordinates also began to erupt in bursts of white mist, which was filled with cold air.

Wherever the cold air passed, even the air froze!

The cold air of the five people shrouded Chen Ping!

“stop.....”

Just when Chen Ping was about to be shrouded in cold air, a scream suddenly sounded!

Then Gao Qilan jumped to Chen Ping’s side, and then waved his palm, and the cold air spread to the surroundings instantly!

Seeing this, Gao Qijie quickly took back the cold air, looked at Gao Qilan and said, “Sister, what are you doing?”

“Xiaojie, how can you hurt people casually?”

Gao Qilan asked Gao Qijie!

“Sister, this guy humiliated me in the Jialing County arena. Of course I will take revenge.”

“Do you know him? Why do you help him?”

Gao Qijie asked in confusion!

Chapter: 4700

“Nonsense, he is my savior. Without him, your sister and I would have been killed by now.”

Gao Qilan said loudly!

“Ah? Savior?” Gao Qijie was stunned, his face full of disbelief!

“I don’t want to, you just lied to me, this guy is not as strong as you, how can he save you.”

“Get out of the way quickly, I’m going to destroy him, so be prepared to do it...”

Gao Qijie didn’t believe Gao Qilan’s words at all and shouted to his men!

“How dare you...” Gao Qilan’s eyes widened, making all the servants of the Gao family tremble in fear!

Gao Qijie wanted to say something else, but Gao Qilan stepped forward and slapped Gao Qijie on the face!

“You didn’t even listen to what I said. You really rebelled against you. Do you want me to tell my elder brother to take you back and clean you up properly? Then you will be honest?”

Gao Qilan looked at Gao Qijie coldly!

This time, Gao Qijie was so frightened that he quickly changed his aggrieved look, took Gao Qilan’s arm and said, “Sister, don’t tell eldest brother, why don’t I just listen to you? I was wrong...”

Chen Ping couldn’t help but laugh when he saw Gao Qijie’s appearance!

It seems that this is really one thing that defeats another. The younger brother is afraid of the older sister, it is really blood suppression...

“Are you okay?” Gao Qilan walked towards Chen Ping and asked!

Chen Ping smiled and shook his head!

“This kid is causing trouble for you. Just tell me and I will deal with him for you. This guy will cause trouble everywhere!”

Gao Qilan glared at Gao Qijie and said!

Gao Qijie lowered his head and didn't dare to utter a fart!

At this time, Ji Yun's eyes widened after seeing Gao Qilan!

I was instantly attracted by Gao Qilan's beauty!

“Hello, Miss Gao, my name is Ji Yun, the eldest son of Feitian Sect...”

Ji Yun took the initiative and followed Gao Qilan to introduce himself!

“Oh!” Gao Qilan just glanced at Ji Yun, acting very coldly!

Ji Yun hit a wall instantly, making his face full of embarrassment!
