

## **The Order 4701**

Chapter: 4701

“Miss Gao, where are you going? Are you also looking for treasure?”

Chen Ping asked!

After all, everyone in the Far North knows about the treasure now...

“I’m not looking for treasures, I’m looking for people...”

Gao Qilan briefly explained the matter of finding Su Yuqi!

Gao Qilan said it easily, but he didn’t know that Chen Ping’s expression had become excited!

“Miss Gao, what are the names of the two girls living at your place? What are their names?”

Chen Ping suddenly grabbed Gao Qilan’s arm excitedly and said!

Gao Qilan frowned slightly. Chen Ping grabbed her like this and it hurt her!

“Boy, let go of my sister...”

Upon seeing this, Gao Qijie hurriedly shouted at Chen Ping!

“Shut up!” Gao Qilan glared at Gao Qijie!

Gao Qijie slid back, and Chen Ping quickly let go of his hand and apologized: “Miss Gao, I’m really sorry, I was so excited!”

“The girls living in my house now are named Huofeng and Yu Jiameng. That’s why I went to the cave to find the girl who seems to be named Su Yuqi...”

Gao Qilan said!

When Chen Ping heard these names, his body was shaking.

“It’s them, it’s them...”

Chen Ping murmured!

Seeing Chen Ping like that, Gao Qilan was confused!

“Sister, are these girls you are talking about the ones that the second brother captured and enjoyed?”

Gao Qijie didn’t notice anything unusual about Chen Ping, but asked Gao Qilan!

Hearing Gao Qijie’s words, Chen Ping frowned, and a terrifying murderous aura instantly filled the air, covering everyone present in the Gao family!

If it is true as Gao Qijie said, Huofeng and the others were insulted by the Gao family!

Then Chen Ping will let the Gao family disappear forever!

Chapter: 4702

Feeling the sudden murderous aura on Chen Ping’s body, Gao Qilan took two steps back with shock on his face!

Seeing this, Liu Ruyan hurriedly explained: "Miss Gao, the girls you just mentioned are all Chen Ping's women. They have been separated for a long time, and Chen Ping has been looking for them."

When Gao Qilan heard this, he immediately understood why Chen Ping was full of murderous intent, and quickly explained: "Chen Ping, don't get me wrong, my second brother didn't touch them at all, I arranged them in my mansion, and besides, my second brother has been Taught a lesson."

After hearing Gao Qilan's explanation, Chen Ping's murderous aura slowly disappeared!

"Take me to them, take me there quickly..."

Chen Ping can't wait to see Huofeng and the others now.

"I still have to go to the cave to find the one named Su Yuqi. If it is true as Huofeng and the others said, Su Yuqi has been buried in the cave for such a long time, which will be very dangerous."

Gao Qilan said!

"No need to look for it, Yuqi was taken away..."

Chen Ping knew that cave because he felt the breath of Su Yuqi and the others in the cave, but there was no one in the cave!

Now it seems that Su Yuqi was injured and unable to move, so she must have been taken away by others!

"Taken away?" Gao Qilan was slightly startled!

"Hurry up and take me to find Huofeng and the others..."

Chen Ping urged Gao Qilan, he wanted to go to Gao's house quickly and bring Huofeng and the others out!

"Calm down. The two of them are safe in my house now. There is chaos in the Far North and there are dangers everywhere!"

"If you take them two with you, can you protect them? With their strength, there is no way they can protect themselves."

Gao Qilan said to Chen Ping!

After Gao Qilan said this, Chen Ping became quiet!

He is going to look for treasure now. It will definitely be very dangerous if he takes Huofeng and the others with him!

It's better to be safer at Gao's house!

"Miss Gao, please help me take care of Huofeng and the others. When I find the treasure, I will definitely come to thank you personally."

"You must ensure the safety of both of them, promise me..."

Chen Ping placed all his hopes on Gao Qilan!

He could see that Gao Qilan was not a bad person and was a warm-hearted person!

Chapter: 4703

"Don't worry, as long as I'm here, no one in the Gao family will bully the two of them."

Gao Qilan promised!

After a conversation, Gao Qilan was ready to go back and tell Huofeng and the others that they would definitely be happy if they heard the news about Chen Ping!

“Xiaojie, come back with me...”

Gao Qilan said to Gao Qijie!

“Sister, my eldest brother asked me to come out to observe the movements of the demons and look for treasures and ice soul fragments.”

“I came out with a mission, I can’t go back...”

Gao Qijie shook his head and said!

“With your abilities, there will definitely be danger in the chaos outside. You come back with me, and I’ll go talk to my eldest brother.”

Gao Qilan is determined to let Gao Qijie go back!

After all, Gao Qijie’s strength at the third level of the Fusion Realm is already at the lowest level in the Far North!

Although the Gao family is very famous in the far north, among the monks from other places, who would care about whether you are a Gao family or not!

As long as there is a conflict of interest, they will take action without hesitation!

At worst, they just take the resources and run away. Do the Gao family still have the ability to pursue them all over the world?

“Sister, I won’t go back. I will protect myself. Besides, I brought so many people with me, so nothing will happen to me.”

“And I can walk around this area with my eyes closed. There will be no danger.”

Gao Qijie will never go back!

Seeing this, Gao Qilan could only sigh helplessly and said, “It’s okay if you don’t go back. If you attack Chen Ping, I will never forgive you.”

“Don’t worry, he is your savior, I won’t deal with him anymore...”

Gao Qijie promised!

After receiving Gao Qijie’s assurance, Gao Qilan went back with confidence.

After Gao Qilan left, Gao Qijie looked at Chen Ping coldly, and then left with others!

Only Chen Ping and the others are left, continuing to search for the treasure!

After a night’s rest, several people started looking for treasures again!

Chapter: 4704

Even if there is a treasure map, trying to find the specific location of the treasure is like looking for a needle in a haystack!

Not long after Chen Ping and the others left, Chen Ping used his spiritual sense to detect that there were a lot of chaotic auras not far from them, and there should be a lot of monks gathered there!

“There is a situation ahead, let’s go take a look...”

Chen Ping quickened his pace!

Soon, Chen Ping and the others looked over from a distance and found that in front of an iceberg, there were more than a dozen people pointing in front of the iceberg, not knowing what they were discussing!

Chen Ping and the others walked over and suddenly discovered that a piece of the iceberg collapsed, revealing a dark cave entrance. At this time, these people were in front of the cave entrance, and no one dared to go in!

Among these people, Chen Ping actually discovered the three people he met when he left Jialing County!

Lao Kong, Lao Sun and Zuo Qing.....

At that time, Lao Kong was slapped by Master Yan, and everyone was scared away!

At this time, the three of them also saw Chen Ping and the others, and that old Kong came over with a smile on his face!

“Little brother, what a coincidence, I didn’t expect to meet again...”

Lao Kong followed Chen Ping and said hello!

It seems that he wants to get close to Chen Ping. After all, if Master Yan can help, Chen Ping’s identity must be extraordinary!

Either he has a relationship with Lord Yan, or he is the young master of a certain big family!

Otherwise, as Master Yan, I would be too lazy to take care of it!

“Senior, what a coincidence.” Chen Ping also smiled slightly, and then asked: “Senior, what happened here?”

“Yesterday, you could hear strange noises inside the iceberg, and today it collapsed and a cave appeared.”

“Now many people are speculating that there may be treasures in this cave, but no one dares to go in first!”

Lao Sun introduced!

“Senior, doesn’t anyone use their spiritual sense to investigate?”

Chen Ping asked in confusion!

“There is no way for the divine sense to probe into it. The temperature in this cave is extremely low, and the spiritual sense cannot probe very far.”

Lao Sun said!

Chen Ping looked at the cave in front of him, and a ray of consciousness instantly headed into the cave!

Chapter: 4705

But just as his consciousness spread out for a hundred meters, a sudden burst of extremely cold air seemed to blow out from the entrance of the cave, and Chen Ping’s consciousness was instantly interrupted!

“The extremely cold air in this cave is really powerful...”

Chen Ping couldn’t help but sigh!

Now, more than a dozen people are surrounding the entrance of the cave, and no one dares to go in first to explore the way. After all, whoever goes in first will definitely encounter various dangers!

Just when everyone was at a loss, Chen Ping suddenly felt that the magic whip in his storage ring was shaking, and it was also emitting a faint light!

Chen Ping sank his consciousness into the storage ring and frowned when he saw the strange movement of the magic whip: "How come there is a reaction to the magic whip? Could it be that there are demons hidden among these people?"

Chen Ping's face was full of surprise, because he couldn't tell who was from the demon clan based on his breath analysis!

After all, demons have many ways to hide their demon aura, such as using elixirs or spells!

If it weren't for the huge difference in strength, after the demons hide their aura, it would be difficult for many people around them to detect it!

But the Demonic Whip is an immortal weapon. Even if the demons hide their demonic aura, they cannot hide it from the Demonic Whip!

Chen Ping looked at these dozen people carefully, trying to find the demons among them!

But after reading it several times, I couldn't tell the difference. He couldn't take out the magic whip at this time!

That is an immortal weapon. As the saying goes, wealth should not be revealed. If Chen Ping takes out the magic whip, he will probably become the target of everyone's attack immediately!

"It's quite lively here..."

At this time, someone suddenly made a sound, and everyone looked in the direction of the sound!

I only saw Gao Qijie slowly walking over with a few people.

There was a bit of disdain on Gao Qijie's face!

Even if there were eighth-level Fusion Realm cultivators among these people, Gao Qijie didn't seem to take them seriously at all!

After all, this is in the far north, on one-third of an acre of the Gao family!

Gao Qijie looked around and only recognized Chen Ping and the others!

Gao Qijie said: "My name is Gao Qijie, the third son of the Gao family in the far north. I believe you have all heard of my Gao family, right?"

"With so many of you gathered here, why are you so busy?"

Gao Qijie introduced himself and then asked!

It seems that Gao Qijie wants everyone to be wary of the Gao family's strength and then treat him with respect!

Chapter: 4706

It's a pity that no one paid attention to Gao Qijie after he finished speaking!

Even several powerful monks had disdain in their eyes and snorted coldly!

This time, Gao Qijie was a little embarrassed, but he couldn't get angry!

After all, the subordinates he brought were only at the fifth level of the Fusion Realm. If there were any conflicts with those at the eighth level of the Fusion Realm, he would still be the one to suffer!

Seeing that no one was paying attention to him, Gao Qijie could only look at Wagong awkwardly and said: "Wagong, what happened here?"

He is also familiar with Watan. Although the two were enemies in the past, they no longer have to fight to the death!

"The iceberg collapsed here and a cave appeared, which is likely to be the location of the treasure."

Wagong pointed at the dark cave and said!

Gao Qijie walked to the entrance of the cave and looked inside, only to find that it was pitch black inside and he couldn't see anything at all.

"Since there is a possibility that this is the location of the treasure, let's go in and have a look..."

Gao Qijie looked at everyone!

He didn't understand. These people were all very powerful, so why didn't anyone get in?

Everyone looked at Gao Qijie, whose strength was at the third level of the Fusion Realm, but he looked so arrogant, like a young master!

Seeing that no one was paying attention to him, Gao Qijie snorted coldly and said: "You are a bunch of cowardly guys, if you don't go in, I will go in and take a look..."

"Follow me, don't run around..."

Gao Qijie warned several followers!

“Third Young Master, it’s better not to enter such an unknown cave easily.”

A servant of the Gao family persuaded Gao Qijie!

“If no one goes in, then who knows if there is any treasure in this cave?”

Gao Qijie didn’t listen at all!

“There is extremely cold air inside this cave. It is dangerous to break in rashly.”

Chen Ping saw that Gao Qijie just wanted to go in, so he also said it!

After all, Gao Qilan saved Huofeng and Yu Jiameng, and the two of them are still living in the Gao family!

It would be a bit uninteresting if Chen Ping watched Gao Qijie die without reminding him!

Chapter: 4707

In that case, I would feel sorry for Gao Qilan!

Although Gao Qilan was very strict with Gao Qijie, Chen Ping could see that Gao Qilan loved Gao Qijie very much!

“Extremely cold air?” Gao Qijie was startled, and then burst out laughing: “How could our Gao family be afraid of extreme cold air? That’s the kind of skill we practice, and it’s fine in severe cold weather...”

The technique practiced by the Gao family is to use the cold air of the far north to help them practice!

Therefore, when the Gao family takes action, they use the cold breath to freeze people instantly!

How could Gao Qijie be afraid of the extremely cold air!

Gao Qijie walked into the cave. Seeing this, several servants of the Gao family had no choice but to follow him!

Seeing Gao Qijie entering the cave, Chen Ping could only wave his hand and said: "Let's go in too..."

As Chen Ping and the others entered, people began to enter the cave one after another. As long as someone explored the path, they would feel more relieved!

Just entering the cave, it was very cold and pitch black inside!

But after walking for a while, there were countless shining ice crystals on the cave wall. These ice crystals illuminated the entire cave very brightly!

The cave is very large and extends diagonally downward. Although the entrance is not big, the further you go inside, the bigger the space becomes!

"Everyone, please be careful and be vigilant. There are demon cultivators among these people..."

Chen Ping reminded Liu Ruyan and Ji Yun in a low voice!

Chen Ping's words stunned Ji Yun and Wagong!

"Mr. Chen, are there demon cultivators among these people? Why can't you feel it at all?"

Watan stepped forward and asked in a low voice!

“I can’t feel it either. I guess they have hidden their aura in some way. But if there is any abnormal movement when the magic whip is drawn, it must be that there are demon cultivators in these people.”

Chen Ping said!

“These demonic cultivators are so brave. They dare to sneak into the treasure hunting team. But when they find the treasure, they will definitely take action. If they do, these demonic cultivators will definitely be exposed!”

Wagong was a little surprised by the courage of these demon cultivators!

“I’m afraid these demon cultivators are playing dirty tricks, so you all should be more careful and don’t trust anyone inside easily!”

Chen Ping warned!

“Yeah!” Everyone nodded!

Chapter: 4708

The group of people continued to move forward, but at this time, the cave was filled with an extremely cold atmosphere. Everyone had to mobilize their spiritual power to resist the cold!

On the contrary, Watan, Gao Qijie and others did not particularly care about the cold air!

After all, they have already adapted to such an environment!

After everyone walked slowly for a few miles, the cold became heavier and heavier, as if the entire space was about to be condensed!

At this time, Chen Ping and the others felt like they were walking in an ice palace, with ice crystals all around them!

At this time, Liu Ruyan's body began to tremble, and her clothes were covered with thick frost!

Seeing this, Chen Ping took Liu Ruyan's hand, and a warm current followed Chen Ping's hand and entered Liu Ruyan's body, making Liu Ruyan feel more comfortable!

"Everyone, please be careful. If you go deeper, I'm afraid the cold will get worse."

Chen Ping reminded!

But just as Chen Ping finished speaking, Gao Qijie, who was walking in front, suddenly stopped, followed by a scream!

"Third Young Master..."

Several servants of the Gao family rushed towards Gao Qijie!

Hearing Gao Qijie's scream, everyone stopped. Then they saw that Gao Qijie's feet, which were not afraid of the cold at first, started to freeze quickly!

Gao Qijie struggled desperately, but it was of no use at all. Even if he tried his best to absorb the cold air, he still couldn't stop the speed of the ice!

Several servants of the Gao family also quickly took action and began to absorb the cold air, trying to save Gao Qijie. However, frost began to condense on their bodies, and they still could not save Gao Qijie!

Seeing that Gao Qijie's lower body was completely frozen, Gao Qijie panicked!

"Help me, save me..."

Gao Qijie shouted, his eyes full of fear!

“Don’t any of you move!”

Seeing this, Chen Ping let go of Liu Ruyan and quickly walked in front of Gao Qijie!

Immediately after that, a fire suddenly rose up from the palm of his hand, and the scorching warmth was instantly driven into Gao Qijie’s body by Chen Ping!

At the same time, fire flickered on the soles of Chen Ping’s feet, and the ice beneath his feet began to melt!

Just when Chen Ping used Ultimate Fire, two people in the crowd looked obviously surprised and confused!

Soon, Gao Qijie got rid of the restraints. Chen Ping pulled Gao Qijie and quickly retreated!

Chapter: 4709

“Third Young Master, are you okay?”

Several servants of the Gao family hurriedly asked!

Gao Qijie shook his head, then looked at Chen Ping and said gratefully: “Chen Ping, thank you...”

Gao Qijie did not expect that the person who saved him in the end would be Chen Ping.

“The road ahead has been blocked by a formation. If you take a wrong step, you will be frozen by the cold...”

Chen Ping looked at the road under his feet and said!

“Has someone cast a formation? In this case, there is a high probability that there are treasures in this cave. After all, there are traces of man-made things.”

Ji Yun said!

“Maybe, stop moving now and let me take a closer look!”

Chen Ping doesn't want anyone to move forward!

Chen Ping looked at the cave in front of him carefully. It was empty. Nothing could be seen except the cold air and the ice crystals around it!

Chen Ping bit his finger and took out a talisman. After drawing a figure on it, a burst of spiritual fire ignited the talisman.

Although Chen Ping is not as experienced as Hu Mazi in terms of talismans, Chen Ping can still do this simple talisman to activate the formation!

As the spell turned into smoke and burned out, a magic circle appeared in Chen Ping's eyes. The road under their feet had now turned into a chessboard, square by square!

When walking, you can pass smoothly only if you guess the right place. If you guess wrong, you will be frozen by the cold immediately!

After careful inspection, Chen Ping wanted to laugh slightly!

However, Chen Ping did not break the formation. Instead, he said to Ji Yun, Gao Qijie and others: “I will be at the front in a moment. You follow the path I am walking on and don't step on other places.”

“Do you understand? You must step on the place where I have walked.”

Chen Ping warned carefully!

Now only Chen Ping can see the entire formation, and no one else can see it at all!

“good.....”

Several people all nodded!

Chen Ping started to walk forward, but he walked very slowly. After all, there were people following him. Chen Ping was afraid that some of them could not see clearly and were going the wrong way!

Liu Ruyan was behind Chen Ping, and then the jars were laid one after another, Ji Yun...

Chapter: 4710

Everyone lined up and moved forward slowly!

When others saw Chen Ping and the others opening the way in front, they also started to move forward!

However, these people did not notice Chen Ping's footsteps, but walked forward casually!

They had just walked a short distance, and soon someone walked to the wrong place, and their bodies began to be frozen by the cold!

“Help, help...”

“Save me, I'm frozen too...”

People kept getting frozen, shouting for help!

But at this time, who can save whose life?

“Lao Kong, Zuo Qing, something bad happened...”

At this time, Lao Sun suddenly stopped, his eyes full of horror!

Looking down, he found that his feet were also covered in ice, and it was quickly spreading towards his legs!

When Lao Kong and Zuo Qing saw this, they hurriedly took a step back and distanced themselves from following Lao Sun!

“Save me, you two, hurry up and save me...”

Lao Sun roared and kept using his strength, trying to shake off the ice on his feet!

But no matter how hard Lao Sun tries, it doesn't help!

“Old Sun, I'm sorry, there's nothing we can do to save you. Just take care of yourself...”

Lao Kong said something and hurried forward, with Zuo Qing following behind him!

Old Sun's eyes were filled with fear. Just when he was desperate, a flame suddenly shot towards him!

The flames exploded in front of them, and the scorching fire instantly surrounded Lao Sun!

Under this flame, the ice on Lao Sun's body melted, and his body was no longer restrained!

When Lao Sun saw this, he jumped forward and landed somewhere else!

Although Old Sun looked very embarrassed at this time, he was not frozen!

Lao Sun looked up and found Chen Ping looking at him. It was obvious that the flame just now was sent by Chen Ping, and it was this flame that saved him!

“Follow my footsteps, don’t run around...”
