

The Order 471

Chapter: 471

After hearing this, He Zhigang hesitated slightly, and finally gritted his teeth and said, "I'll take you to the major medicine halls. They usually have a treasure in their hands, but it's hard to say whether they will sell it or not!"

Colleagues are enemies. He Zhigang rarely goes to other medicine halls. After all, they are competitors and they will be on guard. Moreover, the treasures of the store will not be shown to his peers, so he hesitates.

But Chen Ping had helped him so much, so he could only look down and go to another medicine hall!

"Thank you, brother!"

Chen Ping said gratefully.

"We are a family, no matter what we say, let's go..."

He Zhigang took Chen Ping to Tongrentang, the largest medicine hall in Yuncheng. This Tongrentang covers an area of several thousand square meters, and there is a lot of traffic in front of the store. It seems to be busier than He Zhigang's Renhetang!

"Brother Chen Ping, Tongrentang has many medicinal herbs that are over a hundred years old. I heard that the treasure of the store is Ganoderma lucidum that is over a thousand years old. In the entire Yuncheng, only Tongrentang has medicinal herbs that are over a thousand years old, so this has laid the foundation for this. Tongrentang's status in Yuncheng!"

He Zhigang introduced Chen Ping and the others as they walked in!

As soon as he walked into the hall, Chen Ping felt waves of spiritual energy coming towards him. He immediately locked onto the herbs in several directions in the hall and couldn't help but feel strange.

“Brother He, will Tongrentang’s medicinal materials that are over a hundred years old be placed in this hall?”

Chen Ping asked strangely.

“Yes, in the entire Yuncheng, only Tongrentang dares to place medicinal materials that are over a hundred years old in the hall, and 80% of the medicinal materials that are over a hundred years old in the entire Yuncheng are also in the hands of Tongrentang...”

When he said this again, He Zhigang’s face was a little ugly. After all, he was a colleague. He had achieved such great success, so he felt a little embarrassed!

“Yes!” Chen Ping nodded, secretly happy in his heart. It seemed that he no longer had to look for it. As long as he followed Renhetang and talked about it, he would not have to worry about finding precious medicinal materials in the future.

“Mr. He, you are such a rare visitor. Why do you have time to come to my shop?”

At this time, an old man over fifty years old, wearing glasses and slightly bloated, walked over!

The old man has a bloated figure, but his steps are light. You can tell at a glance that he is a practitioner and has great strength!

“Mr. Zhou, I’m bringing a friend with me today, so I’m sorry to bother you!”

Seeing this old man, He Zhigang hurriedly said respectfully!

“Don’t bother, don’t bother, let’s have tea later!”

The old man chuckled and made a gesture of invitation!

He Zhigang nodded, and the group followed the old man towards the backyard!

On the way, after being introduced by He Zhigang, Chen Ping learned that Mr. Zhou's name was Zhou Zhiqian. He was not a local in Yuncheng. He came to Yuncheng when he was young and made his way by fighting and killing. Later, he monopolized the entire Yuncheng. Medicinal materials market!

Chapter: 472

However, as he grew older, Zhou Zhiqian stopped fighting and killed, and opened up the entire Yuncheng market. Only then did so many medicine halls appear in Yuncheng, with a hundred flowers blooming, but most of them were like those precious medicinal materials. Still controlled by Tongrentang!

After sitting down in the backyard, He Zhigang went straight to the point: "Mr. Zhou, this brother of mine wants to purchase a batch of medicinal materials that are over a hundred years old. I know that in the entire Yuncheng, Tongrentang has the most medicinal materials that are over a hundred years old, so I brought them here. !"

"A batch?" Zhou Zhiqian's eyes lit up: "Hahaha, easy to say, easy to say, Mr. He is thinking about me, Tong Ren Tang, so I can't lose Mr. He, and the money for tea will never be less!"

In the business world, it is common to introduce customers to each other, so it is also a rule to pay some introduction fees!

"Mr. Zhou, you're welcome. This is my brother, not an outsider, so the tea fee will be waived. The price will be more favorable then!"

He Zhigang said hurriedly.

"I understand, I understand..." Zhou Zhiqian smiled, then looked at Chen Ping and said, "Little brother, I wonder how many medicinal materials over a hundred years of age you need?"

"As much as you want!" Chen Ping said calmly.

When Zhou Zhiqian heard this, he was stunned for a moment, and then smiled and said: “Little brother, I’m afraid you don’t know the price of these hundred-year-old medicinal materials. One plant costs more than ten million, and the good quality can reach tens of millions, and you Do you know how many such medicinal materials I have here? Do you know how many such medicinal materials there are in the entire Yuncheng?”

He Zhigang also whispered in Chen Ping’s ear: “Brother Chen Ping, you can buy some first and have a look. Although this thing is good, if you buy too much, it will be useless in your hands!”

At this time, He Zhigang didn’t know that the medicinal materials Chen Ping bought were for refining elixirs, and they were not reselling them at all!

Chen Ping didn’t say anything, but looked at Zhou Zhiqian and said: “Mr. Zhou, I heard that your store has a thousand-year-old Ganoderma lucidum, which is a treasure of the store. I wonder if I can take a look?”

“What? Do you want to buy it?” Zhou Zhiqian asked.

“If it is really a thousand-year-old Ganoderma lucidum, I will definitely buy it, and the price is whatever you want!”

If it is true, Chen Ping will try his best to get it. A thousand-year-old Ganoderma lucidum is enough to increase Chen Ping’s strength by a level!

“Hahaha, young people nowadays are so secretive. It seems that I am really old!” Zhou Zhiqian laughed: “But since it is a treasure of the store, I won’t sell it for any amount of money. Let’s still talk about it. Let’s talk about centuries-old medicinal materials!”

“Okay, then please ask Mr. Zhou to bring out the medicinal materials and give a price!”

Chen Ping smiled slightly, but did not insist, because he had sensed it a long time ago. There was no medicinal plant in the entire store that was over a thousand years old. Only in the backyard, there was a plant with a large spiritual energy fluctuation, which was only a few hundred years old. Just medicinal materials!

It seems that Tongrentang has been claiming to be a millennium Ganoderma lucidum store, which is just bragging!

Zhou Zhiqian nodded and clapped three times with his hand. Immediately, someone came over with wooden boxes. There were five wooden boxes in total, and they contained century-old wild ginseng, Ganoderma lucidum, snake yellow and other medicinal materials.

“Little brother, here are hundreds of years old medicinal materials of high quality. Do you want to take a look first?” Zhou Zhiqian pointed to the wooden box and said.

“No need, Mr. Zhou, let’s talk about the price first!”

Chen Ping shook his head.

Zhou Zhiqian was overjoyed. He liked this kind of stupid young man who didn’t understand anything but pretended to be sophisticated. Such people were the best to make money!

Chapter: 473

“Little brother, please be happy. Since you can trust me and you are Mr. He’s brother, we will price each plant at 20 million yuan. Mr. He also knows the market price. We can purchase top-grade medicinal materials that are hundreds of years old and cost 20 million yuan!” ”

Zhou Zhiqian squinted his eyes and said boldly.

Chen Ping knew that Zhou Zhiqian was not lying this time, because at Renhetang, He Zhigang planned to pay 20 million for the top-grade century-old mountain ginseng. It seemed that the market price was indeed that!

“Brother Chen Ping, 20 million for top-grade hundred-year-old medicinal materials is really not much!” He Zhigang also said to Chen Ping.

Chen Ping nodded, and then asked: “Brother He, what’s the current market price for these hundred-year-old medicinal materials?”

“The lower-grade ones are much cheaper, at least half the price, and at most no more than 10 million!”

He Zhigang explained!

“Mr. Zhou, I will give you ten million for each of these five hundred-year-old medicinal herbs, so that you can earn a lot!”

Chen Ping followed Zhou Zhiqian and said.

“What? Ten million plants per plant?” Zhou Zhiqian suddenly raised his voice: “Are you treating my medicinal materials as inferior? I don’t think you are buying medicinal materials, but more like making trouble. You don’t even look at it. Do you dare to treat my medicinal materials as inferior?”

“I don’t have to look to see if it’s inferior quality. You know better than me. Business must be run with integrity so that it can last for a long time. One plant per ten million, no more!”

Chen Ping looked at Zhou Zhiqian without any fear!

Zhou Zhiqian stopped talking and stared at Chen Ping with an ugly look on his face!

“Mr. Zhou, my brother can know the quality of the medicinal materials without looking at it. Otherwise, let me take a look and give my brother a hand!”

He Zhiqiang saw that Zhou Zhiqian was a little angry, so he hurriedly made peace!

Zhou Zhigan waved his hand: “No need, I’ve seen it today. As expected, a hero emerges from a young age. I’ll sell you one for ten million!”

Zhou Zhiqian did not let He Zhigang see it. With He Zhigang’s eyesight, he could naturally tell the quality of the medicinal materials at a glance.

Chen Ping didn't have any ink, so he transferred money directly to Zhou Zhiqian, which made Zhou Zhiqian look at Chen Ping with admiration!

"I still have some hundred-year-old medicinal materials here, I'll have someone bring them up right now!"

After Zhou Zhiqian finished speaking, he waved his hand and a servant went to get the medicinal materials.

A few people were waiting in the backyard drinking tea.

"Mr. He, do you know that someone in Hongcheng is selling a kind of elixir recently?"

While drinking tea, Zhou Zhiqian chatted with He Zhigang.

"Elixir?" He Zhigang shook his head: "I don't know!"

Chapter: 474

"This elixir can strengthen the body and prolong life. I took one myself and the effect was really good. However, I sent my men to study it carefully for a long time, but they couldn't analyze the ingredients of the elixir and there was no way to imitate it!"

Zhou Zhiqian said helplessly.

"Is there such a master in Hongcheng?" He Zhigang looked a little surprised!

It is possible that a drug cannot be copied, but it is unbelievable that the ingredients cannot be analyzed!

"I'm planning to go to Hongcheng in a while to meet this master. If I can take this person for my own use, that would be great!"

Zhou Zhiqian's eyes flashed with expectation. If such a person could be used by himself, it would be a steady stream of wealth!

Seeing Zhou Zhiqian like that, Chen Ping smiled slightly, and Lin Tianhu also looked at Chen Ping and smiled without saying a word!

This expert is right in front of them, but they don't know it!

At this moment, a servant hurriedly walked in and whispered a few words into Zhou Zhiqian's ear. Excitement flashed across Zhou Zhiqian's face.

"Okay, you go down!" Zhou Zhiqian waved his hand to let his men leave, and then said to Chen Ping and He Zhigang apologetically: "I'm sorry, I suddenly have something, about medicinal materials, we will talk about it in the afternoon, I promise Keep it for you!"

Seeing what Zhou Zhiqian said, Chen Ping and the others couldn't stay away, so they stood up and left!

"This Zhou Zhiqian, if he doesn't do such a large amount of business, what can he be worried about?"

After walking out of Tongrentang, He Zhigang said with confusion.

Just after he finished speaking, He Zhigang's cell phone suddenly rang, and a message came in!

When He Zhigang finished reading, he immediately exclaimed: "A thousand-year-old snow lotus appeared at the auction. Snow lotus has not appeared in Yuncheng for many years, but this time it is a thousand-year snow lotus!"

"Auction?" Chen Ping looked confused!

After He Zhigang's explanation, Chen Ping realized that the auction was mainly for auctioning some medicinal materials. It was okay at first. There were often some precious medicinal materials auctioned.

However, later on, some fakes often appeared in the auction. In addition, There are fewer and fewer precious medicinal materials, so few people are attending auctions, and He Zhigang no longer pays attention to them.

“I understand. Zhou Zhiqian left in a hurry. He must have gone to the auction. This is a rare sight of a thousand-year-old snow lotus. There will definitely be many people competing for it!”

He Zhigang suddenly realized why Zhou Zhiqian left the business alone and left in a hurry!

“Then we’re going to the auction.”

Chen Ping felt happy for a moment. If he could get the thousand-year snow lotus, his strength would be greatly improved.

He Zhigang nodded and took Chen Ping and the others straight to the auction!

The auction was held on the outskirts of Yuncheng City, in a round-arched building that looked like ancient Rome.

At this time, luxury cars gathered outside the auction. This was something you would never see in normal times. It seemed that many people came here for the Millennium Snow Lotus.

Chapter: 475

When we walked to the door, the staff seemed to be very familiar with He Zhigang. He immediately took a number plate and said respectfully: “Mr. He, this time the deposit needs to be 100 million!”

“How much?” He Zhigang was stunned: “Isn’t it usually only 10 million? Why does it suddenly require a deposit of 100 million!”

“Mr. He, today is a special situation. You should also know that there is a thousand-year snow lotus to be auctioned, so the auction deposit has been increased to prevent someone from maliciously auctioning it!”

The staff explained carefully!

He Zhigang looked a little ugly because he didn't have 100 million!

"I'll pay it!" Chen Ping saw that He Zhigang might not have brought so much money, so he stepped forward and said.

After Chen Ping paid a deposit of 100 million, he got a number plate, and then several people were let into the auction site!

The auction site, which was originally unpopular and empty, was now bustling with people. Many Yuncheng big guys were there. In the front row, Zhou Zhiqian was indeed there, chatting quietly with people!

Seeing He Zhigang and the others coming, Zhou Zhiqian was slightly startled, but then he smiled faintly and nodded as a greeting!

Chen Ping and the others found their seats and sat down, quietly waiting for the appearance of the Millennium Snow Lotus!

At the beginning, they were all ordinary medicinal materials. Not many people were interested, and many of them were rejected. These people came here for the thousand-year-old snow lotus!

"Brother Chen Ping, I'm afraid the competition will be fierce this time. If you want this thousand-year snow lotus, do you have a suitable price in mind?"

He Zhigang asked Chen Ping in a low voice.

Chen Ping shook his head: "I will take it no matter how much it costs!"

When He Zhigang heard this, he said nothing more!

“Sister Yuqi, what does this boyfriend of yours do? Why do you have so much money? Isn’t it all given by you?”

Gu Yufei is now very curious about Chen Ping’s identity!

Looking at the way Chen Ping spends money, it seems like tens of millions or hundreds of millions are nothing in his eyes, it’s like spending other people’s money!

“He won’t ask for my money. Do you really think he is just a free man?”

Su Yuqi smiled slightly and looked at Chen Ping with eyes full of admiration!

Su Yuqi found that Chen Ping was becoming more and more attracted to her. Chen Ping’s unique temperament deeply fascinated her.

Soon, after several rounds of auctions, the host brought a large glass bottle with a snow lotus soaked in wine.

“Everyone, this is today’s protagonist, the Millennium Snow Lotus. You must know that our Yuncheng has not seen snow lotus for a while. This kind of thing is extremely difficult to pick, so there are fewer and fewer people picking it. This Millennium Snow Lotus is still a Shannong brewed medicinal wine himself, but we discovered it!”

The host introduced the origin of the Millennium Snow Lotus, but there was already a commotion below!

Chapter: 476

“Damn, what the hell is this? Isn’t this a lie? You tricked us here, and it turned out to be a wine-making snow lotus!”

“Can this snow lotus last a thousand years? I don’t think it will last a hundred years. You are simply big liars!”

“What kind of auction, you need a deposit of 100 million, what the hell!”

Seeing this snow lotus, everyone looked disappointed and yelled and cursed!

At this moment, only Chen Ping’s eyes lit up and his heart became excited. Even if the snow lotus was soaked in wine, he could still feel the surging spiritual energy in the snow lotus.

Although this snow lotus looks small and has been soaked in wine for who knows how long, it has already lost its original luster, but this does not prevent Chen Ping from liking it!

Since these people don’t know the goods, Chen Ping is afraid that he will miss it today!

The host was not moved at all by people’s scoldings, and still said with a smile: “The starting price of our thousand-year-old snow lotus is 100 million. Each increase in price cannot be less than 10 million. The highest bidder wins. Now the auction begins. !”

Chen Ping did not raise a placard to call the price immediately, but waited for a moment and looked at the reactions of the people around him. He found that no one raised a placard, and he was immediately delighted.

But just when Chen Ping was about to raise his sign to bid, Zhou Zhiqian in the front row suddenly raised his sign and said, “I’ll offer 100 million!”

Seeing Zhou Zhiqian holding up the sign, people around him immediately started talking.

“Mr. Zhou actually made a bid. Could it be that we made a mistake?”

“Tongrentang is so rich that one hundred million yuan can buy such a thing!”

“Wait and see, Zhou Zhiqian is very resourceful and will not bid casually.”

Everyone focused their attention on Zhou Zhiqian, and after Zhou Zhiqian paid the price, he slowly stood up and glanced at everyone: "Everyone, this snow lotus is indeed not in good condition, and it is not a thousand years old, but There are still hundreds of years old. Since this snow lotus is destined to come to our Yuncheng, we can't let it escape. If this spreads out, wouldn't it insult the reputation of our medicine city? So I bid to get it, and you don't want it either. Steal it from me."

Everyone listened to Zhou Zhiqian's words. Although few people believed it, Zhou Zhiqian made it clear directly that they could not compete with him. I am afraid that no one would dare to bid!

After Zhou Zhiqian finished speaking, he sat down. The host looked at Zhou Zhiqian with some dissatisfaction, but did not dare to get angry. He could only look at the crowd and said, "Is there anyone else who bids? This snow lotus is definitely worth every penny!"

The host desperately encouraged other people to bid so that the auction could make more money, but no matter what the host said, no one dared to bid!

The host had a look of helplessness on his face and could only walk back to his seat, pick up the hammer and get ready to knock it down!

"One hundred and ten million!"

Just when the host was about to bang the hammer, Chen Ping suddenly raised the sign!

The host's face lit up with joy and he hurriedly looked at Chen Ping, and everyone's eyes were also attracted by Chen Ping!

Zhou Zhiqian frowned and looked at Chen Ping coldly, with a bit of anger in his eyes!

"This gentleman has offered 110 million, is there anyone else who can offer it?"

Chapter: 477

The host said, looking at Zhou Zhigan.

Because at this time, only Zhou Zhiqian will continue to bid!

“One hundred and fifty million!” Zhou Zhiqian slowly raised the number plate and said.

Forty million was added at once, causing everyone to look at Chen Ping to see if Chen Ping dared to add more. Even the host set his sights on Chen Ping!

“Two hundred million!” Chen Ping raised the number plate without any hesitation!

Wow.....

At this moment, everyone present took a breath. This mouth opened to 200 million, which directly increased to 50 million. This is too willful!

“Brother Chen Ping, the price has risen too much!” He Zhigang whispered after Chen Ping.

When bidding at an auction, you always increase the price little by little, so that you can test out the other party's base price. This suddenly increased by tens of millions, which was a bit too steep.

“Sister Yuqi, your boyfriend is so handsome. He doesn't open a bank, right?”

Gu Yufei looked at Chen Ping with curiosity in her eyes, as if she wanted to see through Chen Ping!

“It's not time for you to say he's a softie, he's handsome now!”

Su Yuqi smiled slightly, but she was also a little surprised. How could Chen Ping have so much money? But she had already planned it. Even if Chen Ping had no money, she would call Su Wenzong to ask for money after taking the picture of the snow lotus. , as the richest man in Hongcheng, the Su family still has a few hundred million to spend.

Zhou Zhiqian looked at Chen Ping fiercely, his eyes narrowed slightly, and a chill began to appear on his face.

“Two hundred and ten million...”

Zhou Zhiqian looked at Chen Ping and gritted his teeth and said!

“Three hundred million!” Before Zhou Zhiqian could finish his words, Chen Ping raised his card again!

At this time, everyone was dumbfounded and became curious about Chen Ping’s identity, while the host smiled broadly and shouted loudly: “This gentleman has made three hundred million, three hundred million, Is there anyone else bidding? I think this gentleman is unfamiliar to me, and he doesn’t look like he’s from Yuncheng. Don’t we have people in Yuncheng to compete? If this gets out, I’m afraid we won’t dare to call the name of our medicine capital anymore. !”

I have to say that this host is so awesome. He provoked Chen Ping and Zhou Zhiqian with just a few words. Just now Zhou Zhiqian said that he was afraid of embarrassing Yuncheng, but now the host has brought it up. If Zhou Zhiqian doesn’t argue, wouldn’t it be a fight? Have you lost your face?

Chen Ping glanced at the host on the stage and cursed hard in his heart. This guy really knows how to sow discord, just to make people fight so that they can make more money!

“Three hundred and ten million...”

Zhou Zhiqian gritted his teeth and raised his number plate again!

Chen Ping did not hesitate. Just as he was about to raise his number plate, He Zhigang held him down!

“Brother Chen Ping, even the top-grade thousand-year-old snow lotus is not worth the price. Please don’t call me again!”

Chapter: 478

He Zhigang persuaded Chen Ping.

The price at this time is already considered a premium, and it is no longer suitable to buy it. You will definitely lose money if you buy it!

“Brother He, I have other uses for this snow lotus!” After Chen Ping finished speaking, he raised the number plate in his hand high again: “Three hundred and fifty million!”

Wow.....

There was a commotion at the scene. Everyone looked at Chen Ping with endless curiosity in their eyes. They wanted to know why Chen Ping paid such a high price to buy this snow lotus!

Even those who don't know much about medicinal materials know that the price has already been premium. This thousand-year-old snow lotus is not worth it at all, let alone a thousand-year snow lotus that has been soaked in wine?

Could it be that this young man had a grudge against Zhou Zhiqian and deliberately targeted Zhou Zhiqian?

This idea came to everyone's mind, because apart from this, they couldn't think of any other reason!

Zhou Zhiqian himself was in the same situation, his brows were tightly knitted together, and he glared at Chen Ping with a pair of eyes: “Boy, are you deliberately trying to go against me?”

“I have no enmity with you, why am I against you? The rules of the auction are that the highest bidder wins. If Mr. Zhou likes it, you can continue to bid!”

Chen Ping said with a faint smile!

“Hmph! This is Yuncheng, don't be proud...”

Zhou Zhiqian snorted coldly and walked away with his sleeves!

Zhou Zhiqian left angrily, and everyone looked at Chen Ping with pitiful eyes. If you dare to offend Zhou Zhiqian in Yuncheng, you will definitely not get good results!

“Three hundred and fifty million, the thousand-year snow lotus is obtained by this gentleman...”

The host banged the hammer happily and then respectfully handed the Tianshan Snow Lotus to Chen Ping!

Chen Ping got the snow lotus, transferred the remaining money to the auction account, and then left with He Zhigang and the others. Today’s goal was achieved, and there was no need to stay at the auction!

“Brother Chen Ping, you have offended Zhou Zhiqian. I’m afraid he won’t let it go. Besides, your transaction will no longer be able to proceed!”

Walking out of the auction, He Zhigang said with a worried look!

“No, don’t worry. A businessman has no friends or enemies. All he has is profit. I spend money to buy his medicinal materials and he makes profits from it. How can he not do this business, let alone a big customer like me? , it’s not that easy to come across!”

Chen Ping smiled lightly, not worried at all!

“Then...should we still go to Tongrentang?” He Zhigang asked carefully.

“Of course, I haven’t bought anything yet, why not go!”

Chen Ping nodded, got in the car and went straight to Tongrentang!

Chapter: 479

At this time in Tongrentang, Zhou Zhiqian was furious!

“It’s unreasonable. There are still people in Yuncheng who dare to go against me. I’m really angry to death...”

Zhou Zhiqian slammed the cup to the ground!

“Master, do you want me to take someone to intercept the Millennium Snow Lotus?”

Said a young man wearing a black suit with one ear missing on the left side.

This man is Zhou Zhiqian’s confidant. When Zhou Zhiqian was fighting and killing in Yuncheng in his early years, this young man has always been with him. Now, although Zhou Zhiqian has come clean, he has not driven him away!

Zhou Zhiqian hesitated for a moment, frowned slightly and said, “Remember to find a place where no one is around to do it, and don’t let anyone get away with it!”

Zhou Zhiqian finally cleared his name, but if he is found guilty again, it will have a bad impact.

But he really likes the thousand-year-old snow lotus. It’s not that Zhou Zhiqian wants to resell it to make a profit, but that he wants to use it as a treasure for the store. His current treasure for the store is just a fake, there is no such thing. Thousands of years old, this is why Zhou Zhiqian would rather buy it at a premium!

“Master, don’t worry, after all these years, I know how to do it!”

The young man nodded, turned around and prepared to leave!

But just as he turned around, he saw Chen Ping and He Zhigang walking in, and he couldn’t help but be stunned!

Zhou Zhiqian was also surprised to see Chen Ping dare to come to his store!

“Mr. Zhou, I’m here to complete our unfinished transaction. Doing business must be based on integrity. Since I said I wanted to buy Mr. Zhou’s medicinal materials, I won’t leave halfway!”

Chen Ping looked at Zhou Zhiqian who looked surprised and said with a faint smile!

“Integrity is the basis?” Zhou Zhiqian snorted coldly: “You took away my thousand-year-old snow lotus, but you still dare to come to my shop. It seems that you really don’t take me seriously!”

“What do you say, Mr. Zhou? I bought this thousand-year-old snow lotus with my own money, so how can I say that I took it from you?”

Chen Ping pretended to be confused.

“Boy, don’t fucking pretend. If you keep the thousand-year-old snow lotus, you will be spared. Get out of Yuncheng, or you will keep your life!”

The young man with one missing ear said to Chen Ping with a cold expression.

As the young man finished speaking, a dozen people immediately blocked the direction of the door, and the door slowly closed!

At this time, He Zhigang and Gu Yufei were so frightened that their faces turned pale, and Su Yuqi grabbed Chen Ping’s arm tightly!

“Mr. Zhou, if you have something to say, please tell me, this...”

“Get out of here, it’s none of your business here!”

Chapter: 480

He Zhigang wanted to make peace with it, but who knew that as soon as he opened his mouth, Zhou Zhiqian scolded him back, making him look embarrassed!

“Are you planning to steal it openly?”

Chen Ping still had a bit of a smile on his face, without the slightest fear!

“Boy, you can be considered a person. You can still laugh at this moment. What I, Zhou Zhigan, admire the most are people like you. If you keep the thousand-year-old snow lotus, I will give you 300 million without letting you lose too much. ,How about it?”

When Zhou Zhiqian saw that Chen Ping had no fear and a calm look on his face, he was a little worried. He was afraid that there was some power behind Chen Ping. After all, such a young man who can control hundreds of millions at will is definitely not an ordinary person!

So Zhou Zhiqian planned to take a step back and spend money to buy the Thousand-Year Snow Lotus. This would be a step down for Chen Ping!

“The business is like yours, what’s the difference between following the bandits? You can make me pay 50 million in the blink of an eye. This money is so good!”

Chen Ping sneered disdainfully.

Zhou Zhiqian’s face turned slightly cold: “Then tell me, sell it for more money, or I’ll charge you the original price!”

“I won’t sell it for any money!” Chen Ping shook his head.

“Boy, are you toasting me and asking for a fine drink? Do you really want to force me to do something?”

Zhou Zhiqian’s face became increasingly ugly!

“I advise you not to take action. If you don’t take action, you are a businessman, and it is normal for the sale to fail. But once you do, you will be a black shop, and you don’t need to follow any rules when dealing with a black shop!”

Chen Ping’s eyes narrowed slightly, and murderous aura began to fill his body!

“Damn it, who are you bluffing?”

The young man shouted angrily and punched Chen Ping!

Chen Ping pulled Su Yuqi and pulled back slightly. Lin Tianhu on the side couldn’t bear it and rushed forward!

He directly reached out and grabbed the young man’s wrist, and then pulled hard. The young man’s body suddenly lost his balance. Lin Tianhu kicked the young man’s leg. There was a sound of bone cracking, and the young man’s leg bone was directly broken by Lin Tianhu’s kick!

Without the slightest pause, Lin Tianhu grabbed the young man’s wrist, slammed the young man to the ground, and stepped on him!

This kick was so powerful that it dented the young man’s entire chest. It was estimated that none of his ribs were intact.

puff.....

A mouthful of blood spurted out from the young man’s mouth, and his face became extremely ferocious!

“this.....”

Zhou Zhiqian was dumbfounded. This young man was his confidant and very strong. He had been following him for many years, but he was defeated by Lin Tianhu with three punches and two kicks, and he had no power to fight back!
