

The Order 4761

Chapter: 4761

“Pagoda Town Qiankun...”

Protector Cang roared, and then threw the pagoda in his hand into the air!

One after another spiritual power penetrated into the pagoda, and the pagoda began to rise crazily in the wind, and soon became huge!

The pagoda enveloped Chen Ping and the others.

Everyone was shocked when they saw this and stepped back one after another!

Chen Ping retreated desperately, but there were sounds like bells coming from the pagoda. This sound seemed to have some kind of magic power, which made Chen Ping's consciousness stagnant!

The whole person seemed to be stupid, and he was motionless!

Soon, Chen Ping was suppressed by the pagoda!

Rumble!

The pagoda hit the ground so hard that a deep pit was created!

The surrounding ice and snow splashed everywhere, instantly covering a large area of the sky!

“Mr. Chen.....”

“Little brother.....”

Ji Yun and Lao Sun were all shocked when they saw Chen Ping suppressed by the pagoda!

You know, although Chen Ping seems to be at the lowest level here, if there is a fight, you still have to count on Chen Ping!

Chen Ping knows magic circles, and he also has a magic whip in his hand!

Now that Chen Ping is trapped, the remaining four people are shocked!

“Hmph, a little third-level Fusion Realm cultivator dares to jump in front of me. I really don’t know how high the world is.”

Protector Cang snorted coldly, and then turned his attention to Ji Yun: “Boy, you actually know the fire of our demon clan. Now you’d better just surrender, otherwise you will die in an ugly way!”

“Fuck you, even if I die, I won’t be able to catch you without mercy. You demon cultivators are just rats on the street. How dare you be so arrogant...”

Ji Yun yelled at Protector Cang!

Protector Cang frowned, his face became extremely cold, and then in a flash, he was in front of Ji Yun!

Ji Yun tried his best to strike out with his palm, and a huge palm print appeared!

When Lao Sun and the other three saw this, they also took action together!

Chapter: 4762

Now they must unite as one, otherwise they will all be killed by these demon cultivators one by one!

“Things that don’t know whether to live or die...”

Seeing this, another protector jumped up, and two hot flames instantly rose up!

“Flame Palm...”

Countless palm prints, burning with flames, were heading towards Lao Sun and Zuo Qing!

When the three of them saw this, they could only create barriers to avoid the flames’ attack!

The three people were already injured, and their physical strength was exhausted. Under the palm of the flames, they were forced to retreat step by step!

Ji Yun, on the other hand, was slapped on the chest by Protector Cang, and his whole body instantly flew backwards and far away!

The disparity in strength, plus the fact that Ji Yun was already exhausted, was no match for Protector Cang!

However, although Ji Yun swatted it with one palm, his life was not in danger!

Because Protector Cang knew that Ji Yun would be the Demon Clan’s Ultimate Fire, he didn’t want to kill him. He wanted to take Ji Yun back and let Yan Mo study it to see how this human monk could refine their Demon Clan’s Ultimate Fire. !

In fact, Protector Cang didn’t know that the demon’s supreme fire was not Ji Yun’s, but a wisp of supreme fire given to him by Chen Ping!

“You dare to resist even though you are being captured obediently. This is the consequences of resistance...”

Protector Cang had a sneer on his face. In his eyes, he looked down on these human monks at all!

But at this moment, I suddenly remembered a melodious bell!

The sound seemed to come from the pagoda.

After hearing this voice, Protector Cang frowned: "Is that kid not dead?"

There is no way that a third-level Fusion Realm cultivator could be trapped under the pagoda and still be alive!

"Isn't it possible? This pagoda suppresses the seventh-level Fusion Realm monks and kills them all with one blow. How can a mere third-level Fusion Realm monk not die?"

Another guardian said with a puzzled look!

Just when the two of them were confused, suddenly, the huge pagoda started to move!

As if being pushed up by something, it slowly began to float into the air!

But inside the pagoda, there was no figure of Chen Ping!

"Hey, where did that kid go? Why did this tower rise on its own?"

Chapter: 4763

Protector Cang looked confused, not knowing what happened!

Soon, Chen Ping's figure slowly rose from the pit, and he was suspended under the tower, looking at Protector Cang with a cold face.

“A useless magic weapon, you still want to suppress me? What a joke...”

Chen Ping sneered!

“You’re not dead?” Protector Cang’s face was full of surprise!

Even others were surprised. After all, they could also feel the terrifying aura in the pagoda. Chen Ping was still alive despite being trapped inside!

And he even lifted the pagoda up. This is outrageous!

“Boy, you dare to say that my magic weapon is useless, I will let you taste its power today.”

After Protector Cang finished speaking, he yelled: “Suppress it...”

Protector Cang kept pouring spiritual power into the pagoda one after another, and then controlled the pagoda to press down hard, but no matter how hard he tried, the pagoda did not move at all!

“What...what’s going on?”

Protector Cang’s face was full of doubts, and then he injected another spiritual power, but it still didn’t help!

“Dragon Protector Cang, I’m here to help you...”

Another protector came directly to Protector Cang, and also sent a burst of spiritual power into the pagoda, and the two of them joined forces to suppress Chen Ping!

But Chen Ping stood calmly under the pagoda. The pagoda seemed to be afraid of Chen Ping, trembling violently, but would not suppress it!

This made the two demon cultivators confused and confused!

“This, this, this...”

Protector Cang didn't know what to do for a moment!

“I said your magic weapon is useless, but you still don't believe it. Since you don't believe it, then I'll let you see the real magic weapon...”

After Chen Ping finished speaking, he lightly snapped his fingers!

I saw the pagoda trembling for an instant, then getting bigger and bigger, and cracks appeared!

Finally, with a loud bang, the pagoda shattered instantly, and the broken pieces scattered all over the ground!

But after the pagoda shattered, there was a bell floating inside.

Chen Ping waved his hand, and the Dragon Pattern Bell instantly shrank in size and fell into Chen Ping's hand!

Chapter: 4764

“This is the real magic weapon, yours is trash...”

Chen Ping smiled disdainfully.

puff.....

Seeing that his magic weapon was destroyed and humiliated, Protector Cang suddenly became furious and spat out a mouthful of blood!

“You...what are you?”

Protector Cang asked incredulously!

“This is the Dragon Pattern Bell, a magic weapon among magic weapons, a hundred times more powerful than your useless magic weapon...”

Chen Ping sneered!

“Impossible, how is it possible...”

“You are only a third-level Fusion Realm cultivator. Even if you have a top-level magic weapon, you are not capable of controlling it.”

Protector Cang didn't believe it at all. The bell in Chen Ping's hand was a top-notch magic weapon!

“Believe it or not...”

Chen Ping's face was full of disdain!

“Boy, if you destroy my magic weapon, I will cut you into pieces...”

Protector Cang got angry and slapped Chen Ping!

Chen Ping, on the other hand, took his time and pressed his palm on the dragon pattern bell, and a dragon's power penetrated into it!

Roar.....

Accompanied by a loud roar!

Immediately afterwards, the dragon pattern on the dragon pattern clock began to flicker with light. With that light, the dragon pattern seemed to come to life, and finally broke away from the dragon pattern clock and turned into a green dragon, hovering above Chen Ping's head!

When Protector Cang saw this, he was suddenly startled. He quickly retracted the palm he originally slapped and looked at Chen Ping in shock.

“This...is this Qinglong? The real divine beast Qinglong?”

Protector Cang also had another protector, his face turned pale with fright, and he kept retreating!

Ji Yun, Lao Sun and others also looked at the scene in front of them with shock on their faces, and they all swallowed their saliva!

Looking at the Qinglong in front of them, Ji Yun, Lao Kong and others had mixed feelings in their hearts!

Chapter: 4765

They were fortunate that at the last moment, they all followed Chen Ping and turned their hostility into friendship!

They never expected that Chen Ping would have so many life-saving means!

If they hadn't followed Chen Ping to resolve it at that time, then maybe they would be the ones facing this green dragon now!

Roar.....

Qinglong suddenly roared, and the sharp dragon claws tore through the void, and with the momentum of destroying all things, he went straight to the Cang Protector!

Qinglong was as fast as lightning and grabbed Cang Protector with one claw!

When Protector Cang saw this, he turned around and wanted to run away, but Qinglong grabbed his back with his claws and tore off a piece of flesh.

Protector Cang fell to the ground seriously injured, his eyes full of horror!

Upon seeing this, another protector stood in front of Protector Cang, his body trembling slightly!

Roar.....

Qinglong let out a loud roar again, and opened his bloody mouth, scaring the demon cultivator almost to the point of peeing!

However, Qinglong did not attack again, but slowly retreated, and finally circled above Chen Ping's head before returning to the Dragon Pattern Bell!

Chen Ping put the dragon pattern clock into the storage ring and looked at the demon cultivator calmly: "Who just said that I don't know how high the sky is and how high it is?"

"Now let me, a boy who doesn't know how high the sky is, let you return to the west..."

Chen Ping's eyes burst out with cold light!

At the same time, Ji Yun and Lao Sun heard Chen Ping's voice in their ears!

“If you don’t take action yet, when will you wait...”

Hearing Chen Ping’s voice, several people’s eyes lit up and they immediately attacked the demon cultivator!

At this time, the demon cultivator had already been scared out of his wits by Qinglong, and now he was really panicking!

He was caught off guard by the direct attack from Lao Sun and the others!

Just as Ji Yun was fighting with the demon cultivator, Chen Ping had already taken out the demon whip and headed straight for the protector Cang!

Chen Ping still understands the principle of taking advantage of your illness to kill you!

He will not let these two demon cultivators go!

Protector Cang fell to the ground seriously injured at this time, and watched helplessly as Chen Ping came with the magic whip!

Chapter: 4766

“Boy, if you dare to kill me, the Flame Demon Ancestor will not let you go...”

Protector Cang shouted with horror on his face!

“Hmph, I don’t care what kind of devil you are...”

Chen Ping suddenly whipped towards Protector Cang!

And this demonic whip actually carries the Demonic Ultimate Fire, the extremely pure Demonic Ultimate Fire!

“You...why do you also have the Demonic Ultimate Fire?”

Protector Cang was confused. He couldn't understand why Chen Ping had also refined the purest demonic fire?

Could it be that human monks can also refine the demon supreme fire of their flame demon clan at will?

Just when Protector Cang looked confused, Chen Ping whipped him!

Protector Cang let out a scream, and his body was instantly swallowed up by flames, and his body and soul were all reduced to ashes.

“Cang Protector.....”

Another demon cultivator yelled when he saw his companion being whipped to death by Chen Ping!

But Lao Sun and the others rose up to attack, without giving the demonic cultivator any chance to breathe!

Chen Ping looked at the magic whip in his hand with a smile on his face. This thing is really good for dealing with magic cultivators!

“You guys step back and I'll deal with this guy...”

Chen Ping took the magic whip, jumped suddenly, and then whipped the whip towards the magic cultivator!

I saw a breath as fast as lightning, rushing away like a sharp blade!

When Lao Sun and the others saw this, they quickly retreated!

The demon cultivator looked at Chen Ping, his eyes full of anger, and suddenly swung out his palm, and a fire dragon appeared instantly, roaring towards Chen Ping!

But the moment Chen Ping's magic whip came into contact with the fire dragon!

The sound of thunder echoed throughout the snowfield!

The fire dragon collapsed instantly, and Chen Ping whipped out the demon whip, bringing the demons to the fire, and instantly arrived in front of the demon cultivator!

Snapped.....

With a crisp sound, the ultimate fire on the demonic whip instantly turned into a sea of fire, surrounding the demonic cultivator!

Chapter: 4767

Flames soaring into the sky!

Facing the purest demonic fire, this demonic cultivator has no ability to resist at all!

From being fought by Lao Sun and the others at the beginning, to being whipped by Chen Ping!

This demon cultivator was in fear from beginning to end!

Extreme fear prevented him from exerting his strongest strength!

Otherwise, Chen Ping's whip wouldn't be able to kill him so easily!

In the blazing flames, the demonic cultivator let out bursts of wailing, and finally turned into ashes and disappeared completely!

The others looked at Chen Ping quietly, feeling extremely shocked!

With one whip, an eighth-level Fusion Realm cultivator was killed!

Draw the magic whip and the dragon pattern bell.

Which one is not a unique weapon? If anyone else had such a treasure, they would be extremely happy!

But Chen Ping actually owns two pieces now, and these two pieces are not necessarily all of Chen Ping's!

A young monk at the third level of the Fusion Realm actually possesses two kinds of treasures!

But Lao Sun and the others still don't know that the Dragon-Slaying Sword in Chen Ping's hand can be regarded as a magic weapon, especially the sword spirit Zhongli. If Zhongli recovers as before, the power of the Dragon-Slaying Sword can be doubled several times!

There is also the God King Bow. If Chen Ping still has the God King Bow in his hand, he might be able to fight against Linglong!

If Chen Ping took out these magical weapons, Lao Sun and the others would probably be so envious that they would not want to live anymore!

"Let's go quickly, now we need to find a safe place to recover!"

Chen Ping said to the few people who were still shocked!

Lao Sun and the others nodded, and then left quickly with Chen Ping!

They must leave this area as soon as possible, otherwise they will really die if they are discovered by the demon cultivator again!

Just as Chen Ping and the others were escaping quickly, suddenly there were several terrifying auras coming towards them from far to near!

At this moment, Chen Ping and all of them frowned!

“It’s over, it’s over, are these demonic cultivators finished?”

Ji Yun was seriously injured. If he met the demon cultivator again at this time, he would definitely die!

Chapter: 4768

“Damn, when did so many demon cultivators appear in this far north? These guys should not have been extinct long ago, but they are all still very powerful!”

“So fucking unlucky...”

Lao Kong was cursing. He originally wanted to come to the far north to look for treasures, but now that he couldn’t find any treasures, his life may depend on it!

Chen Ping held his breath and concentrated, condensing the power of his consciousness to its maximum ability!

Soon, a smile appeared on Chen Ping’s face and he said to everyone: “These are not demon cultivators, they are here to save us...”

After that, Chen Ping led a few people and quickly headed in the direction of those auras!

When they saw the figure, everyone else breathed a sigh of relief!

“Chen Ping.....”

Gao Qilan shouted loudly towards Chen Ping, and then ran over quickly!

Behind Gao Qilan, there were also several Gao family guard masters, all of whom were at the eighth or ninth level of the Fusion Realm!

This shows that the strength of the Gao family cannot be underestimated!

“Are you okay? After Xiaojie ran back and told what happened to you, my brother asked me to bring someone to rescue you.”

Gao Qilan said!

“It’s okay, just injured.”

Chen Ping shook his head and said!

“You follow me back to the Gao family first, and we can discuss the matter of searching for the treasure after you have recovered your health.”

“Recently, demonic cultivators have been too rampant in the Far North. Many cultivators who came to search for treasures were massacred.”

“Many people have died now. It would be very dangerous for you to continue searching in this situation.”

Gao Qilan persuaded Chen Ping!

Chen Ping nodded. Although he wanted to find the real treasure and get the Ice Soul Pill as soon as possible, the current situation did not allow him to continue searching!

Moreover, Huofeng and Yu Jiameng are still at the Gao family, and Chen Ping just wants to meet them!

Lao Sun and others also knew that their situation was not suitable for walking in the far north, so they agreed to go to the Gao family!

Soon everyone set off to the Gao family!

Linglong, who was teleported away, had now arrived at the place where Chen Ping was fighting with Protector Cang and the others!

Chapter: 4769

Looking at the traces of the battle on the ground and the fragments of the pagoda, Linglong frowned tightly!

“The magic weapon of Protector Cang is broken. What kind of master did you encounter?”

Linglong didn't know that Protector Cang and the others were killed by Chen Ping and others!

This pagoda was also broken by Chen Ping!

Just when Linglong didn't know what other masters there were, Yan Mo's voice rang in her ears!

“The two of them, Protector Cang, are dead. What did you do? Get back here immediately...”

Listening to Yan Mo's sharp voice, Linglong's forehead instantly broke out in cold sweat!

But he still obeyed and disappeared in a leap!

.....

Gao family!

After Huofeng and Yu Jiameng learned that Gao Qilan was going to pick up Chen Ping, they were all very happy and excitedly waiting for Chen Ping!

“Sister Jiameng, when the master comes, I will ask him to pamper you. For the sake of the master, you have been with us in this world of heaven and earth for so long.”

Huofeng said to Yu Jiameng!

When Yu Jiameng heard this, his face turned red and he said, “Don’t talk nonsense, I’m not familiar with Chen Ping at all...”

“If it’s not cooked yet, it’ll be cooked after you sleep.”

Huofeng said with a smile!

“You also said that Yu Qi’s real girlfriend hasn’t slept with Chen Ping yet, so you all got there first.”

Yu Jiameng said!

“Hahaha, Sister Yuqi needs a matchmaker to get married, we don’t need...”

Huo Feng laughed hahaha!

Soon, Chen Ping and the others appeared, and Huofeng and Yu Jiameng, who had been looking forward to it, ran out quickly when they saw the figures!

They have been in the Heavenly Realm for so long, and they have gone through all kinds of hardships to find Chen Ping, and now they finally see it!

“Master, master.....”

The fire phoenix ran towards Chen Ping quickly, and finally jumped directly into Chen Ping’s arms!

Chapter: 4770

“Huofeng...” Chen Ping hugged Huofeng tightly.

“Chen Ping...” Yu Jiameng also stepped forward and shouted to Chen Ping in a low voice!

“Master, Sister Jiameng also came after you without hesitation to save you when you were sucked into the world of heaven and humanity.”

Huofeng followed Chen Ping and said!

“Miss Yu, thank you...”

Chen Ping followed Yu Jiameng very politely!

“Huo Feng, Chen Ping and the others are already very tired from being chased by demon cultivators. Let them rest first. Let’s talk about anything else after they have rested!”

Gao Qilan said to Huofeng!

Huofeng nodded, and then everyone entered Gao's house. Gao Qilan had already arranged a place to stay!

After settling in, Gao Qilan went to Chen Ping and said: "Chen Ping, my brother wants to meet you, come with me..."

When Chen Ping heard that the leader of the Gao family was meeting him, he followed Gao Qilan!

He also wanted to meet the head of the Gao family!

Chen Ping is not very clear about the attitude of the head of the Gao family now!

If Gao Qiqiang is a bad person, or even someone who colludes with demon cultivators, then they will be in danger when they live in the Gao family!

Soon, Gao Qilan brought Chen Ping to the living room!

Chen Ping saw a middle-aged man sitting on the main seat. Chen Ping knew that this should be Gao Qiqiang, the head of the Gao family, and sitting at the bottom was Gao Qijie!

When Gao Qijie saw Chen Ping, he stood up and said hello to Chen Ping very politely!

After all, without Chen Ping, Gao Qijie would have been buried in the trap of the demon cultivator long ago. Gao Qijie knows this best!

Seeing Chen Ping, Gao Qiqiang quickly stood up and greeted him personally!

"Mr. Chen, thank you so much. You not only saved Xiaolan, but also Xiaojie. It is difficult for us to repay your kindness to our Gao family."

Gao Qiqiang didn't act like a family leader at all, but was very kind!

This first impression made Chen Ping very comfortable!

“Patriarch Gao is serious. It is inevitable that there will be difficulties outside. It is normal for monks to help each other!”

Chen Ping said with a faint smile!
