

The Order 4771

Chapter: 4771

“Mr. Chen, please sit down quickly...”

Gao Qiqiang sat in a “please” posture, and then returned to his seat!

After sitting down, Gao Qiqiang clapped his hands, and soon someone brought a very delicate copper plate, and on the copper plate, a crystal clear ice soul fragment shone with a faint light!

“Mr. Chen, you know that there are many ice soul fragments in this far north, but these things are extremely difficult to find.”

“However, these ice soul fragments are of great help in cultivating and restoring spiritual power. You saved my younger brothers and sisters. I, Gao, have nothing to thank you for, so I can only give you one ice soul fragment. I hope you don’t dislike.....”

Gao Qiqiang said very sincerely!

Looking at the ice soul fragments, Chen Ping was also a little surprised. He didn’t expect Gao Qiqiang to give him such a valuable thing!

“Master Gao, this thing is too valuable. I can’t accept it. Besides, Miss Gao saved my two friends and allowed them to live here with peace of mind. I am already very grateful.”

Chen Ping was very grateful to Gao Qilan for rescuing Huofeng and Yu Jiameng and arranging them to live in his own room!

“Mr. Chen, I’ve heard that those two girls are your confidante. This is what my second brother who failed to live up to said, and it almost led to a big mistake!”

“But I have already taught him a lesson. Mr. Chen must accept this ice soul fragment...”

Gao Qiqiang said!

Seeing Gao Qiqiang's persistence, Chen Ping had no choice but to accept the ice soul fragment!

After seeing Chen Ping accept the ice soul fragment, Gao Qiqiang smiled, then waved his hand and said: "Xiaolan, Xiaojie, you guys go out, I have something to discuss with Mr. Chen."

Gao Qilan and Gao Qijie nodded and then walked out!

Chen Ping, on the other hand, looked confused, not understanding what Gao Qiqiang had to say to him!

Just after Gao Qilan and Gao Qijie left, Gao Qiqiang suddenly shot out a breath and instantly enveloped Chen Ping!

This aura was extremely overbearing and enveloped Chen Ping in an instant!

Chen Ping did not expect that Gao Qiqiang would suddenly attack him. He frowned and the power of the three clans in his body exploded instantly!

Immediately afterwards, there was another huge stream of spiritual consciousness, desperately drilling into Chen Ping's body, seemingly trying to find out all Chen Ping's secrets!

Just when this divine consciousness was about to enter Chen Ping's body, Chen Ping's huge sea of consciousness also instantly emitted the power of divine consciousness, trying to devour or defeat this power that invaded his body!

Chen Ping's sea of consciousness is huge, but the power of this spiritual consciousness is extremely powerful. From this point of view, compared with Gao Qiqiang, Chen Ping's strength is still far behind!

Soon, Chen Ping couldn't hold on anymore, and Gao Qiqiang's spiritual consciousness invaded his body. Then this spiritual consciousness began to obtain the secrets of Chen Ping's body in Chen Ping's sea of consciousness!

But just when Gao Qiqiang's spiritual consciousness was about to explore Chen Ping's sea of consciousness, suddenly the Daluo Golden Code Wufeng automatically activated!

Chapter: 4772

A dazzling golden brilliance shot out from the Daluo Golden Code!

This brilliance is very fast and has a special aura!

In just a moment, Gao Qiqiang's consciousness was instantly defeated.

The restraining aura around Chen Ping also disappeared instantly, and when he looked at Gao Qiqiang, his face was extremely ugly, and a wisp of blood flowed out of the corner of his mouth!

"Master Gao, what do you mean?"

Chen Ping looked at Gao Qiqiang coldly. This guy suddenly attacked him. Chen Ping was very angry!

"Mr. Chen, don't get me wrong, I don't mean any harm, I just want to see your body!"

"I didn't expect that you, a little monk at the third level of the Fusion Realm, would actually possess the original aura. It's unbelievable, it's unbelievable..."

Gao Qiqiang said with shock on his face!

"Original breath?" Chen Ping frowned slightly: "What is this original breath?"

Gao Qiqiang was stunned, then looked at Chen Ping and said, "As a monk, don't you know what the original aura is?"

Chen Ping shook his head: "I only know that breaking through the tribulation is equivalent to reshaping the entire body. You can understand the origin and reach a new height in everything."

"After breaking through the tribulation, you can become a semi-immortal. As long as you slowly gain understanding and improve, you can finally ascend to become an immortal."

After hearing this, Gao Qiqiang nodded: "Yes, after transcending the tribulation, one can understand the origin, and the breath of the origin also determines the level of each monk's ability after the tribulation!"

"But it's not surprising that some people with extraordinary talents can also understand the origin in the realm of transcending tribulation."

"But I have never seen someone with original aura in the Fusion Realm. I didn't expect you to have original aura on your body?"

"You know, it's easy to understand the origin, but if you want to possess the origin aura, you need to practice hard, and you need to form the origin space in the body, which is similar to the Dantian of a monk."

Gao Qiqiang was explaining to Chen Ping, but the more he explained, the more confused Chen Ping became!

Chen Ping never felt that he had any original aura. Just now, the Daluo Golden Code suddenly flashed a golden light, but the aura that flashed with golden light was indeed a little different!

Gao Qiqiang looked at Chen Ping's confused look and knew that Chen Ping didn't understand anything at all. The more he explained, the more confused he became, so he said, "I'll take your soul to my original space and take a look." "

"Don't put up any resistance. The original aura in your body is too strong. Give me a try, I'm afraid I won't be able to bear it anymore."

Gao Qiqiang was a little scared, he was afraid that he was emitting that original aura!

But Gao Qiqiang didn't know that it was not Chen Ping's own original aura, but that it was emanating from the Great Luo Golden Book!

Chen Ping couldn't control it at all, it wasn't something he could use if he wanted to!

Chapter: 4773

"Master Gao, don't worry..."

Chen Ping nodded!

I saw Gao Qiqiang wave his hand.

Buzz!

Chen Ping only felt his consciousness tremble slightly, and then a gray light fell, and then wrapped Chen Ping's soul!

Then Chen Ping's eyes blurred, and then he appeared in a palace, and this palace was actually made of ice!

"Where am I?" Chen Ping was a little confused!

Soon, Gao Qiqiang's figure appeared and comforted Chen Ping: "Mr. Chen, don't be afraid, this is my original space..."

As Gao Qiqiang finished speaking, the originally gray space began to tremble slightly, and balls of brilliance slowly rose.

Chen Ping saw that some of the rooms in the palace were colorful, while others were gray!

“What I comprehend is the origin of ice. Those seven-colored brilliance are the original aura, but there is no original aura in that gray room.”

Gao Qiqiang followed Chen Ping and explained!

“Master Gao, have you already broken through the tribulation and reached the Mahayana realm?”

Chen Ping asked in surprise!

Gao Qiqiang shook his head: “I haven’t broken through the tribulation yet, but I have realized the origin of ice in advance. It is only after so many years of hard work that I have refined this original aura.”

“I hope that when I break through the tribulation, I can fill up the original space. By then, I hope to expand my original space. If I can reach a city, I will be satisfied.”

“Master Gao, are all the original spaces like this palace?” Chen Ping was a little confused. Could it be that the original spaces are just like a monk’s dantian, they all look the same!

“Of course not. The space formed by the source of perception can be anything. Some are seas, some are ponds, and some are just a small house.”

“It doesn’t mean you will be particularly powerful if you comprehend the original space. It also depends on the size of the enlightened space. The larger the original space, the greater your future achievements will be.”

Gao Qiqiang continued to explain to Chen Ping!

“Then the origin of everyone’s perception is different?” Chen Ping continued to ask curiously!

“It’s different. There are many kinds of origins, ice, fire, water, thunder, electricity... etc. What origin each person can perceive depends on his or her own understanding.”

“Can one person understand multiple origins?” Chen Ping asked again.

“Of course, there are people who can comprehend two, three, or even five origins. The more origins you comprehend, the greater your achievements will be. There is no doubt that it is just that it is difficult for some people to comprehend one origin, let alone comprehend many. Planted.” Gao Qiqiang said!

Chapter: 4774

“Master Gao, what kind of origin is the aura you just said you have?”

Chen Ping was very curious as to what kind of original aura the Daluo Jindian exuded!

“This...” Gao Qiqiang frowned: “I only know it is the original aura, but I don’t know which kind it is.”

“Don’t you know the original aura in your body?”

Gao Qiqiang was very puzzled, how could Chen Ping not know his original aura?

“I...” Chen Ping seemed a little embarrassed: “I don’t know where that breath came from just now!”

Hearing Chen Ping’s answer, Gao Qiqiang looked at Chen Ping strangely, and then said: “Your body is really strange. As the true form of a golden dragon, it is not surprising that you have the power of a divine dragon, but you have something strange inside your body. The breath! ”

“You have the aura of humans, demons and even beasts. Now you still have the original aura in your body. I really don’t know how to evaluate you.”

Chen Ping couldn’t help but frowned when he heard Gao Qiqiang’s words: “Master Gao, you... do you know my identity?”

“It’s not surprising that I can see who you are. I believe it’s not just me. Even the old guy from the Ancient Body Refining Clan has already seen your identity. Otherwise, how could he hand over the magic

whip?” Here you go, do you really think that old guy is so innocent that he can just hand over something so important to a stranger?”

“When you got the treasure jade token in Jialing County, your identity was already known. Otherwise, you, a little Fusion Realm monk, would let you know whether it was the treasure jade token, the magic whip, or even the secret of the treasure. Know?”

Gao Qiqiang smiled slightly!

Chen Ping fell into a daze after listening to Gao Qiqiang’s words!

“Is this all a plan to deceive me?”

Chen Ping looked puzzled!

“I’m not lying to you, but I just want to use your identity. You can refine the demon clan into fire, which is a fatal threat to the flame demon clan.”

“Actually, the Far North is not as quiet as it seems. There are a large number of demons in the Far North, and there are even other secret organizations.”

“It’s just that the only people who know the most about it are our Gao family and the Ancient Body Refining family.”

“Now the demons are showing signs of dominating the entire Far North, so we must find ways to inhibit the development of the demons.”

“And you are the best chess piece to suppress the demons...”

Gao Qiqiang didn’t hide anything, he said that Chen Ping was just a chess piece!

“Patriarch Gao, I don’t understand. You are much stronger than me. Why don’t you personally lead people to destroy the demon clan’s nest?”

Chen Ping didn’t understand. Gao Qiqiang was so powerful and the Gao family had many masters. Why didn’t he take him with him to destroy those demons?

“Do you think it is so easy to eliminate the demons? Those demons are hiding in the dark. We are in the light and they are in the dark. There is no way to eliminate them.”

Chapter: 4775

“And the treasure this time can not only attract a large number of monks, but also make those demons active.”

“You have to know that these monks can also be used as resources for the demons to practice. I believe that the Balrog will not be able to sit still when he sees so many monks coming to the far north.”

Gao Qiqiang’s words seemed to have been discussed with the patriarch of the Ancient Body Refining Clan!

Many of these monks who come to the far north are just bait to lure the demons out!

Although it is a bit cruel for Gao Qiqiang and the Ancient Body Refining Clan to do this, in this human world, if you want to obtain resources, of course you have to take risks!

“What does the Princess of Jialing County have to do with following the Ancient Body Refining Clan? Who is she?”

Chen Ping asked Gao Qiqiang!

At that time, Chen Ping asked the old patriarch of the Ancient Body Refining Clan, but the other party refused to tell him!

So Chen Ping asked Gao Qiqiang, maybe he should know too!

“You’d better ask the Princess of Jialing County about this matter in person!”

Gao Qiqiang smiled faintly, then waved his hand and brought Chen Ping out of the original space!

This time chatting with Gao Qiqiang gave Chen Ping a deeper understanding of the Far North!

After leaving, Chen Ping fell into deep contemplation!

It seems that he must improve his strength as soon as possible, otherwise it will be difficult to deal with the enemies behind him who are getting stronger and stronger!

Fortunately, Gao Qiqiang is not a bad guy. If Gao Qiqiang were a bad guy, and he really wanted to attack Chen Ping and the others, Chen Ping and the others would not have the strength to fight back. You must know that the gap in strength between the two is quite big!

When we returned to our residence, it was already dark!

Huofeng had been impatiently waiting for Chen Ping on the bed. When he saw Chen Ping coming back, Huofeng said: “Master, I know you have been tired during this period, so I asked Huofeng to serve you and help you recover.” Bar.....”

Huo Feng planned to use dual cultivation to help Chen Ping recover quickly!

Looking at Huofeng’s fair body, Chen Ping suddenly pounced forward!

During the lingering moment, Chen Ping discovered that there was one more person. It turned out that Yu Jiameng was also there. He just didn’t notice it just now!

Chen Ping didn’t care about that and just followed the two women to practice together and slowly regained his strength!

This night, Chen Ping felt recovered very well, and Huo Feng was also feeling like a spring breeze, feeling great!

Only Yu Jiameng was struggling because it was his first time!

“Master, you don’t know how to feel sorry for Sister Jiameng. You can’t even get up when you look at Sister Jiameng.”

Chapter: 4776

Early the next morning, Huo Feng smiled at Chen Ping and said!

“Huofeng, don’t talk nonsense, who said I can’t get up.” Yu Jiameng endured the pain and got up!

“Okay, stop making trouble. You two need to seize the time to practice. Otherwise, with your strength, you won’t be able to move around in the world of gods and humans.”

“While the Gao family is still safe now, let’s practice quickly...”

“I have a few Thunder Fruits here. I’ll give each of you one. I think it will improve the two of you a lot.”

Chen Ping said, took out two Sky Thunder Fruits and gave them to the two of them!

“Sky Thunder Fruit? Isn’t this only found on the Thunder Eagle King’s Sky Thunder Tree?”

“How did the master get the Sky Thunder Fruit? The Thunder Eagle King regards this Sky Thunder Fruit as a treasure.”

Huofeng said in surprise!

“Do you know about the Sky Thunder Fruit?” Chen Ping was a little surprised, how did Huofeng know about the Sky Thunder Fruit!

“Master forgot, I was originally from the world of heaven and humans. Later, I made a mistake and was thrown into the secular world. Of course I know about the Heavenly Thunder Fruit.”

Huofeng followed Chen Ping and explained!

Only then did Chen Ping realize, so he said, “I secretly picked a few while the Thunder Eagle King was away. This thing is very difficult to pick.”

“Huofeng, Chen Ping is right. The two of us must seize the time to practice. Otherwise, with our strength, being with Chen Ping will drag him down.”

Yu Jiameng nodded and said!

“Okay, then I’ll go practice...”

Huofeng also nodded.

The two girls went to practice with the Sky Thunder Fruit, and Chen Ping also began to regain his strength and entered a state of practice!

He has to break through as soon as possible, otherwise if he finds the real treasure, he may also get the Ice Soul Pill!

Chen Ping first absorbed the ice soul fragments given by Gao Qiqiang, gathered his mind, and immersed himself in refining the ice soul fragments!

Chen Ping absorbs ice soul fragments very quickly, so the refining process won’t be very long!

While Chen Ping and the others were practicing, hundreds of miles away from the Gao family, a towering iceberg collapsed!

And in the collapsed place, a golden door was revealed. The door was full of runes and exuded a strange aura!

Just in front of this gate, many monks gathered!

Chapter: 4777

“This must be the real treasure place. It’s unmistakable. Didn’t you see the gap in the jade plaque on the gate?”

“With this aura, it must be a treasure place!”

“Who would have thought that this treasure place is actually under the entire iceberg. If the iceberg hadn’t collapsed, it would have been impossible to find this treasure.”

Everyone was talking about it!

It’s just that because this gate is imprisoned by a magic circle, it can only be opened with a key, and that key is the jade token!

“I have the key to unlock the treasure here. I wonder if any fellow Taoist is willing to cooperate with me?”

At this time, a fifth-level monk in the Fusion Realm said loudly!

And this person is Yuan Bao, whose life was saved by Chen Ping. This guy also has a jade plaque in his hand, which is said to be the key to the treasure!

When they heard that Yuan Bao actually had the key to the treasure in his hand, everyone gathered around him!

Because many people just tried to use force to break open the treasure door, but all failed, so when they heard that Yuan Bao had the key in his hand, they all gathered around!

“Get out of my way...”

Just when everyone was surrounding Yuan Bao, he suddenly shouted loudly, instantly arousing everyone’s dissatisfaction!

Everyone hurriedly looked around and saw five people wearing black robes with dark golden marks on their sleeves approaching!

Seeing these five people, the dissatisfied monks all immediately dispersed around. It was obvious that they all knew these five people and were afraid of these five people!

Among these five people, a middle-aged man in the lead said: “We are the Five Elements Heavenly Evil from the Demon Sealing Alliance, and I am the Golden Evil. Now hand over the key to the treasure to me...”

Yuan Bao looked at the middle-aged man in front of him, his expression became extremely nervous, his face was very ugly, and cold sweat started to flow from his forehead!

He didn’t expect to meet people from the Demon Sealing Alliance in this far north!

This Demon Sealing Alliance is an organization, and its members are located in every corner of the heaven and human world. Their black robes and dark gold mark are their unique features!

This demon alliance was founded by a group of people who killed demons everywhere. Later, the number of members in the organization increased!

As the Demon-Sealing Alliance grows in strength, many monks hide away when they see people from the Demon-Sealing Alliance!

Maybe these guys will label you as a magic cultivator and arrest you!

Yuan Bao was also very afraid of this person from the Demonic Alliance, but he was still a little unwilling to hand over the key to the treasure that he had finally obtained for nothing!

Seeing Yuan Bao's hesitation, Jin Sha frowned slightly and said, "What? You don't want to hand it over?"

"I....."

Chapter: 4778

Yuan Bao was in a very difficult position, but facing the people of the Demon Sealing Alliance, he was no match at all. If the other party tried to steal it, there was nothing he could do!

Just when Yuan Bao had no choice but to take out the treasure key, a cold voice came!

"The people from the Demon Sealing Alliance are really shameless. Is this a hard robbery in broad daylight?"

As he spoke, a young man walked slowly, followed by several old men!

This young man is Gao Qisheng, the second son of the Gao family!

Gao Qiqiang sent him and Gao Qijie out, firstly to check the movements of the demon cultivators, and also to find the location of the treasure!

When Jin Sha saw Gao Qisheng, he frowned slightly and said, "Who are you? Dare you say that about our Demon Sealing Alliance? Do you no longer want to live?"

"Humph, I don't want to live anymore, what can you do?"

Gao Qisheng snorted coldly, then looked at Yuan Bao and said, "Fellow Taoist, I am Gao Qisheng, the second son of the Gao family. I don't want your key. I only hope that you can cooperate with my Gao family. How about we explore this treasure together?"

"You have to know that in this far north, our Gao family is the strongest, so it would be wise to cooperate with us!"

When they heard that they were from the Gao family, many people started talking!

But Yuan Bao was full of joy and nodded quickly!

You must know that the Gao family is very powerful in the far north, and they can also cooperate!

But this person from the Demonic Alliance wants to take the key away directly. In comparison, it is more appropriate to cooperate with the Gao family!

"Damn it, are you seeking death if you go against our Demon Sealing Alliance?"

"What can your Gao family do? If you leave the Far North, your Gao family is nothing..."

Jin Sha said with anger on his face!

"You dare to scold our Gao family and seek death..."

Gao Qisheng was young and energetic, how could he let others scold the Gao family, so he punched him!

"snort....."

Jin Sha snorted coldly, and then followed up with a punch!

boom.....

Gao Qisheng's strength was still not good enough. After this punch, his body retreated continuously. It was not until he was supported by the old man he brought that he did not fall to the ground!

"Hmph, you dare to be so arrogant even with this little ability, get out now, or don't blame me for being rude!"

Chapter: 4779

Jin Sha threatened Gao Qisheng!

"Second Elder, beat them up. They dare to sneer when they reach the far north. Haven't you heard that a strong dragon will not suppress a local snake?"

Gao Qisheng waved his hand and asked the second elder he brought to take action!

He really can't beat this golden evil spirit!

The second elder nodded, jumped up, and was in mid-air in an instant, and then landed with a punch!

This punch brought endless cold air, and the surrounding air was instantly frozen, turning into pieces of snowflakes falling down!

Seeing this, Jin Sha grabbed it with his backhand, and a long sword appeared in his hand, and then a sharp sword light shot into the sky!

The sword light passed through the pieces of snowflakes, instantly defeating the cold air!

"Five Elements Heavenly Evil, Sword Madness Golden Evil is indeed well-deserved..."

The second elder slowly fell down, looked at Jin Sha and said!

“Now that you know me, why don’t you get out quickly...”

Jin Sha sneered!

“I have only heard of its name, but have never seen its person. Once you enter, you will see it. I want to see if you have lived up to your reputation.”

The second elder looked cold!

“Okay, since you want to know if my reputation as a swordsman is in vain, then I will let you see...”

After Jin Sha finished speaking, he waved the long sword in his hand, and a sword flower appeared immediately!

Immediately afterwards, the surrounding void trembled!

The long sword was just a simple swing, but in the void, it instantly turned into thousands of sword blades!

Then these sword blades roared out, like galloping wild horses, heading towards the second elder crazily!

“Hmph, if that’s all you have, it’s an insult to the name of a sword madman.”

The second elder snorted coldly, and a white cold air suddenly appeared around his body, forming a protective barrier!

At the same time, he punched out again, and the void instantly exploded. All the thousands of sword blades turned into nothingness under this terrifying punch!

When the second elder saw this, the corners of his mouth raised with a hint of pride!

But just when the second elder raised his mouth slightly, he felt as if the cold air around him was penetrated by something, and the protective barrier disappeared at a speed visible to the naked eye!

Chapter: 4780

“Do you really think that my reputation as a sword madman was earned in vain?”

Jin Sha looked disdainful!

The second elder’s originally proud face was instantly covered with a dark cloud!

This Jinsha’s swordsmanship is indeed strange. The second elder didn’t even notice that the sword blade had just come close to him, and his own protective barrier was also broken!

“You’re really good at swordsmanship, but you think I’m afraid of you like this!”

The elder shouted loudly and rushed towards Jin Sha!

A large amount of cold air drifted away from the second elder’s palm, and the violent spiritual power mixed with the cold air caused the surrounding space to freeze instantly!

When the people around him saw this, they all fled away, maybe they would be frozen into ice sculptures for a while!

The condensed air began to form an ice wall in mid-air, and this ice wall quickly moved toward Jin Sha!

When Jin Sha saw this, he instantly waved the long sword in his hand and sent out waves of heat!

“I have no intention of fighting to the death with your Gao family, so I also hope that your Gao family will stop!”

“If we both lose, then this treasure will be cheaper for others.”

Jin Sha saw that the second elder was serious, so he said loudly!

Jin Sha was afraid that there would be a conflict with the Gao family, and both sides would suffer in the end!

As the saying goes, the snipe and the clam compete with each other, and the fisherman wins!

“This is in the far north, on the Gao family’s territory. Do you want us to stop?”

The second elder didn’t stop at all and punched towards Jin Sha. The cold air caused many things to freeze instantly!

“You guys, stop just looking around and take action...”

Jin Sha is unwilling to follow the second elder to continue fighting like this. In the end, both sides will lose. What’s the use?

They are not here to destroy the Gao family, but to find the treasure!

When the four people of Wood, Water, Fire, and Earth heard Jin Sha’s cry, they immediately took action. This instantly put the second elder at a disadvantage!

Upon seeing this, Gao Qisheng also led other members of the Gao family and started a melee!

Everyone else ran far away, for fear that it would affect them!

For a moment, the scene was in chaos, with various forces constantly colliding together!
