

The Order 481

Chapter: 481

After Lin Tianhu took the Juli Dan, his strength increased a lot. Of course, this young man could not be his opponent!

At this time, He Zhigang and Gu Yufei were also shocked. They didn't expect Lin Tianhu to be so good at fighting!

"Damn it, you're playing dirty with me. You were fucking sucking milk while I was messing around!" Lin Tianhu spat hard, then kicked the young man in the head, killing him directly. Well, after killing the young man, Lin Tianhu looked at Zhou Zhiqian: "Old man, do you want to try it?"

Although Zhou Zhiqian also had the skills to make a comeback, he was no match for Lin Tianhu. He was so frightened that he backed away and said with a pale face: "You... who are you?"

"If I don't change my name, I won't change my surname. Lin Tianhu is me!"

Lin Tianhu showed off the aura of an underground emperor, and his whole body was filled with murderous aura!

Suddenly, Zhou Zhiqian's eyes widened and cold sweat started to flow from his forehead: "You... you are Lin Tianhu, the underground emperor of Hongcheng, no, no, no, Lord Tiger of Hongcheng!"

Zhou Zhiqian also recognized Lin Tianhu at this time. He had met Lin Tianhu before, but it was a long time and he did not have a deep impression. In addition, he did not expect Lin Tianhu, the dignified underground emperor, to come to Yuncheng without any pretense. At that time, Lin Tianhu looked familiar, so he didn't pay attention!

Now that Lin Tianhu said this himself, he finally remembered it!

“Hu... Master Hu, it’s all my fault for being blind...”

Zhou Zhiqian knelt on the ground with a pop!

Lin Tianhu was right. Even though Zhou Zhiqian had fought and killed before and was very majestic in Yuncheng, in Lin Tianhu’s eyes, he was just a child. Lin Tianhu’s name was also famous in several surrounding cities.

Although the Wei family in the provincial capital dared not take Lin Tianhu seriously, among the cities around Hongcheng, which one dared to underestimate Lin Tianhu?

“Mr. Chen...”

Lin Tianhu glanced at Chen Ping. Chen Ping needed to say how to deal with Zhou Zhiqian.

Chen Ping walked directly to Zhou Zhiqian: “I just said, if you do something, you will be a black shop here. When I deal with black shops, I don’t like to follow the rules!”

“Sir, have mercy on me, please have mercy on me, I am willing to give you all the hundred-year-old medicinal materials in the store to you!”

Zhou Zhiqian kept kowtowing, wishing he could give himself a slap in the face!

He had long thought that Chen Ping was not an ordinary person and should have power behind him, but he did not expect that the power was so great. Even Lin Tianhu was a follower. I am afraid that in the entire Jiangbei Province, there were not many people with such power.

“I won’t ask for your medicinal materials in vain. I don’t have enough cash now. I can exchange it with you for Xiao Huan Dan. I want you to buy as many centuries-old medicinal materials as

possible from the entire market in Yuncheng. If you need How much is the price? You can ask Brother He to convert it into a small repayment pill and give it to you!”

Chen Ping didn't forcefully rob, he couldn't make a one-time deal, and he still counted on Zhou Zhiqian to provide him with precious medicinal materials for a long time!

“Xiao...Xiao Huandan?” Zhou Zhiqian raised his head and looked at Chen Ping in surprise: “Could it be...could it be...”

“That's right, I refined the Xiao Huan Dan. Don't think about it. No one can refine it except me!”

Chen Ping knew what Zhou Zhiqian was going to say, so he nodded.

Chapter: 482

“Don't dare, don't dare...”

Zhou Zhiqian blushed and said!

“Okay, get up!”

Chen Ping waved his hand and asked Zhou Zhi to get started!

Zhou Zhiqian hurriedly asked Chen Ping to bring all the hundred-year-old medicinal materials in the store and let Chen Ping take them away!

“Chen Chen.....”

After walking out of Tongrentang, He Zhigang wanted to talk to Chen Ping, but for a moment he didn't know what to call Chen Ping!

At first, he called Chen Ping with the mentality of his big brother. He thought that in his own territory, the big brother could help Chen Ping!

But this time, He Zhigang knew that his strength was far behind Chen Ping, and he was so embarrassed that he didn't know what to call Chen Ping.

"Is something wrong, Brother He?"

Chen Ping looked at He Zhigang who looked embarrassed and asked.

"Oh, I... I just want to ask, what's going on with the Xiao Huan Dan, and... is this other person really Mr. Hongcheng Tiger?"

He Zhigang glanced at Lin Tianhu secretly and said.

After following Lin Tianhu for such a long time, He Zhigang didn't notice at all that the underground emperor of Hongcheng was too approachable!

"What? Brother He doesn't look like me?"

Lin Tianhu smiled at He Zhigang.

"Like, like..." He Zhigang nodded repeatedly, not daring to look directly into Lin Tianhu's eyes!

Chen Ping smiled and followed He Zhigang to introduce Xiao Huan Dan, and planned to let He Zhigang be the agent of Xiao Huan Dan Yuncheng. As for the raw materials of Xiao Huan Dan, he also left it to He Zhigang!

This kind of common medicinal materials is almost everywhere in Yuncheng, so it is easy to get together!

Listening to Chen Ping's introduction, He Zhigang became more and more excited. If he could win the Xiaohuan Danyuncheng agent, it would be a steady stream of wealth!

"Brother Chen Ping, don't worry. I will supply the medicinal materials, all of which must be of the highest quality!" He Zhigang looked excited: "It's almost noon, let's go to dinner, go to the largest hotel, I'll treat..."

Along the way, Gu Yufei's eyes always glanced at Chen Ping inadvertently. At her age, it is the age when love sprouts. Looking at Chen Ping's special man, she feels masculine!

If Chen Ping wasn't Su Yuqi's boyfriend, maybe she would have taken the initiative to pursue him!

"Sister Yuqi, you are so lucky to have found such a good boyfriend..."

Chapter: 483

Gu Yufei's eyes were filled with envy.

After arriving at the hotel, He Zhigang ordered a table of dishes and called Gu Yuyao and asked her to come over for dinner after get off work!

When Gu Yuyao came over with a bag on her back and dressed in professional attire, she looked at the table full of food and wine and frowned slightly: "Isn't it too wasteful for just these few people to order so many dishes?"

"No waste, no waste, hurry up and sit down!"

He Zhigang took Gu Yuyao and sat down!

Gu Yuyao wiped her hands with a wet wipe, looked at Chen Ping and said, "After wandering around for a long time, how do you feel? Do you know that there is someone outside the world? You can also use medicinal materials that are hundreds of years old with just one mouth. Those things are only for your children to play with." Is that so? Even though my cousin's family is rich, I don't ask you to use it!"

As soon as Gu Yuyao's words came out, He Zhigang and Gu Yufei were both shocked.

"Shut up!" He Zhigang glared at Gu Yuyao, and then said apologetically: "Brother Chen Ping, I'm really sorry, Yuyao doesn't mean any harm!"

"He Zhigang, are you crazy? You dare to yell at me? Am I right?"

Gu Yuyao shouted at He Zhigang with an angry look.

"Sister, stop talking!"

Gu Yufei hurriedly pulled Gu Yuyao aside, and He Zhigang followed!

The two of them followed Gu Yuyao in a low voice.

I saw Gu Yuyao's expression changing again and again, and she glanced at Chen Ping from time to time!

After a while, the three people sat down at the table again, and Gu Yuyao's face looked a little ugly, looking very embarrassed!

Chen Ping smiled slightly and spoke first: "Let's eat!"

Several people began to move their chopsticks, but Gu Yuyao's hands holding the chopsticks were trembling slightly. She lowered her head and did not dare to look at Chen Ping, let alone Lin Tianhu next to Chen Ping!

After eating, Chen Ping gave He Zhigang a medicine list and asked him to prepare according to the medicinal materials on it!

In the afternoon, Chen Ping did not go out in the hotel. Instead, he put the thousand-year-old snow lotus and the hundred-year-old medicinal materials obtained from Tongrentang together to prepare the spirit-gathering pill!

Looking at the things worth hundreds of millions of dollars on the ground, Chen Ping felt no emotion in his heart. After closing the curtains, waves of spiritual power slowly began to rise in Chen Ping's Dantian, and then the spiritual power gathered at Chen Ping's fingertips. , turned into a ball of light blue flames!

“go.....”

Chen Ping waved his hand, and the light blue flames instantly surged, wrapping up the medicinal materials on the ground.

With his eyes slightly closed, Chen Ping muttered words, while the light blue flame flickered on and off. Under the burning of the flame, all the medicinal materials worth hundreds of millions of dollars slowly turned into smoke!

“Ning...”

Chapter: 484

Chen Ping's eyes suddenly widened, and after he let out a loud roar, the smoke suddenly seemed to be alive, gathering together desperately, and finally transformed into the shape of a ball!

About half an hour later, Chen Ping suddenly exhaled, and the smoke was instantly blown away, and wrapped in the smoke, a green pill floated in the air!

“It’s done...”

Chen Ping was so happy that he jumped up and took the elixir directly in his hand!

This elixir took hundreds of millions of medicinal materials to refine. Chen Ping’s hands were shaking a little while holding the elixir!

Opening his mouth, Chen Ping swallowed the pill.

boom.....

A surging spiritual energy rushed straight to the top of his head, and Chen Ping felt like his body was about to explode!

Overjoyed, Chen Ping hurriedly sat cross-legged on the bed and began to activate the Heart Condensation Technique to refine the surging spiritual energy!

It wasn’t until the sun set that Chen Ping opened his eyes. At this moment, he suddenly felt clear and clear. On the busy road downstairs, Chen Ping could accurately detect the sound of small flying insects flapping their wings!

“Nine levels of Qi training, hahaha, nine levels of Qi training...”

Chen Ping felt the breath of his Dantian and laughed wildly.

He didn't expect that a spirit-gathering pill would allow him to directly break through to the ninth level of Qi training, and he saw that these hundreds of millions were not in vain.

The ninth level of qi training is considered the peak of qi training. As long as he breaks through the qi training period, Chen Ping can reach the foundation building and he can go to the Nameless Island!

It's just that it's easy to break through a small realm, but it's probably a little difficult to break through a big realm, and it also requires a certain opportunity!

After simply cleaning up, Chen Ping walked out of the room and found that Lin Tianhu had been waiting outside the room!

"Mr. Chen, He Zhigang is here and has brought all the medicinal materials. We are waiting for you to have dinner together!"

Lin Tianhu said immediately when he saw Chen Ping coming out.

"Well, let's go!"

Chen Ping didn't expect that He Zhigang could work so efficiently. He could prepare so many medicinal materials in half a day. You must know that these medicinal materials were used to refine a hundred Xiaohuan Dan.

Walking downstairs of the hotel, Chen Ping saw He Zhigang directing people to unload a truck. A large truckload of medicinal materials was moved upstairs.

"Brother Chen Ping, the medicinal materials are all ready, and I have opened two more rooms on the floor where you live specifically to store medicinal materials."

Seeing Chen Ping coming down, He Zhigang said hurriedly.

“Well, it won’t take long. I estimate that it will take more than a day to refine these one hundred small returning pills!”

Chapter: 485

Chen Ping nodded.

“Let’s go to dinner. This time I will take you to eat Yuncheng’s special snacks. Yufei and the others have already gone!”

He Zhigang smiled slightly.

It can be seen that He Zhigang has no fear of Chen Ping and Lin Tianhu at this time!

“Let’s go!” Chen Ping smiled!

Because the snack street is not far from the hotel, Chen Ping, Lin Tianhu and He Zhigang walked towards the snack street!

But just after walking a short distance, Chen Ping’s expression suddenly changed and his brows wrinkled slightly.

“Mr. Chen, did you notice something?”

Lin Tianhu asked in a low voice.

“Well, there’s someone following you!”

Chen Ping nodded.

“Is there someone? Who is following us?”

He Zhigang looked surprised and was about to look back!

“Don’t look back!” Chen Ping put his hand on He Zhigang’s shoulder and didn’t let him look back!

“Mr. Chen, why don’t you leave first and I’ll take care of the people behind you!”

Lin Tianhu’s eyes flashed with murderous intent!

“The people behind are very strong. I’m afraid you are no match for us. We don’t need to worry about them. Let’s go...”

After Chen Ping finished speaking, he continued to walk forward, but this time he did not go towards the snack street, but towards a darker alley!

When Chen Ping and the others just walked into the alley, five people followed behind them, and the leader of them was Uncle Fu, the old butler of the Wei family!

At this time, Uncle Fu was slightly hunched over, his eyes fixed on the alley!

“Uncle Fu, should we follow?”

A Wei family expert asked.

“Well, follow along. It seems they have discovered us a long time ago and brought us in deliberately!”

There was murderous intent in Uncle Fu’s body: “I want to see if these people have any books that can force me to come here in person!”

Chapter: 486

After Uncle Fu finished speaking, he led four Wei family masters towards the alley!

As soon as I entered the alley, I saw Chen Ping, Lin Tianhu and He Zhigang standing neatly, watching them enter the alley!

“Are you from the Wei family?”

Chen Ping asked calmly when he saw Uncle Fu and others walking in.

“Boy, you know that we are members of the Wei family, but you didn’t run away. It seems you are quite brave!” Uncle Fu smiled coldly: “But you crippled our young master’s leg. No matter how brave you are, you can’t save it.” Your life!”

“The Wei family? The Wei family in the provincial capital?” He Zhigang’s expression changed!

“Yes!” Chen Ping nodded!

boom.....

He Zhigang was so frightened that he almost fell off the ground.

In the entire Jiangbei Province, who doesn't know that the Wei family in the provincial capital is very powerful in both the political and business circles of the provincial capital!

He Zhigang didn't understand who gave Chen Ping the courage to break the legs of the eldest young master of the Wei family!

Although Lin Tianhu is very powerful and can conquer several cities around Hongcheng, he is really not good enough in front of the Wei family!

Seeing He Zhigang's frightened look, Uncle Fu smiled with satisfaction: "Today, I am here to take this kid back under the orders of the family leader. If he dares to resist, he will be killed without mercy. Other unrelated people, please don't get into trouble and get out of here!" "

Uncle Fu's words were obviously meant for He Zhigang. After all, Uncle Fu was here to arrest Chen Ping. As for the others, he didn't want to hurt them, so as not to cause trouble!

"Brother He, you go find Yuqi and the others first, I'll be there soon!"

Chen Ping looked at He Zhigang and said.

He Zhigang nodded and took two steps forward, but just after taking two steps, he stopped.

"Brother Chen...Brother Chen Ping, isn't it a bit embarrassing for me to leave you behind?"

He Zhigang was a little tangled in his heart!

Chen Ping looked at He Zhigang like that, smiled slightly and said: "Brother He, if you don't know kung fu, it's useless to stay, so let's go first!"

Even if He Zhigang left, Chen Ping would not blame him. After all, not everyone can be like him and dare to provoke the Wei family.

He Zhigang hesitated for a moment, and finally gritted his teeth: "I don't know kung fu, and I can't abandon you. This would be too unloyal. If we die, we will die together!"

He Zhigang returned to Chen Ping's side!

Seeing that He Zhigang was back, Chen Ping smiled happily: "Brother He, it will be them who die, and nothing will happen to us."

Chapter: 487

Chen Ping has now reached the ninth level of Qi training, and he has already looked down on everything in his heart. No matter how strong Uncle Fu is, he will not be Chen Ping's opponent.

"Okay, since you all want to die, then I will make it happen for you..."

Uncle Fu's eyes turned cold, and he suddenly waved his hand and said: "Kill them!"

As soon as Uncle Fu finished speaking, the four Wei family masters all drew out their daggers and rushed forward with murderous looks on their faces!

When He Zhigang saw this, he was so frightened that he backed away and his face turned pale with fear!

Chen Pinghu stood in front of He Zhigang and did not take any action, but Lin Tianhu took out his belt and rushed forward!

Lin Tianhu was one against four, and he was still unbeaten. He was waving the belt in his hand like a wind. Lin Tianhu's belt was unique, made of very small iron rings.

In the dark alley, when the belt and dagger touched, they made a crisp sound, and there were fire splashes from time to time!

Uncle Fu frowned, seeing that the four of them couldn't even take down one Lin Tianhu, he immediately roared: "You bunch of losers, get out of my way!"

After hearing this, the masters of the Sima Wei family hurriedly withdrew from the battle, and Uncle Fu's rickety body, like a roc spreading its wings, jumped up high in an instant and rushed towards Lin Tianhu!

When Lin Tianhu saw this, he suddenly swung the belt in his hand towards Fu Bo in mid-air!

But Uncle Fu didn't dodge, he reached out and grabbed Lin Tianhu's belt, pulled it with force, and then kicked Lin Tianhu's abdomen with both feet!

Bang bang bang.....

With several kicks in a row, Lin Tianhu was kicked back and forth, unable to resist!

In the end, Lin Tianhu had no choice but to loosen his belt and roll on the ground, avoiding Fu Bo's attack!

Even so, Lin Tianhu's face looked ugly, and there was blood spilling from the corners of his mouth!

"Humph, with this little ability, you dare to fight with me?"

Uncle Fu threw Lin Tianhu's belt to the ground and said with disdain!

“You really have some skills. I just want to use you as a sparring partner today!”

Chen Ping sneered and walked towards Uncle Fu!

He has broken through the ninth level of qi training and has not tested his strength yet. Today he just used Fu Bo to try it!

“Sparring partner?” Uncle Fu snorted coldly: “The price for my sparring is a bit high, that is, you have to hand over your life!”

As soon as he finished speaking, Fu Bo’s figure suddenly rushed towards Chen Ping like a fired cannonball.

Chen Ping stopped and looked at Uncle Fu who was rushing towards him, with a bit of disdain on his face, without the slightest sign of trying to dodge.

Chapter: 488

Bang.....

There was a dull loud noise, and Uncle Fu’s rapid punch hit Chen Ping hard!

But before Fu Bo could be happy, he suddenly felt a huge repulsive force rebounding along Fu Bo’s arm!

“What?” Uncle Fu was shocked and hurriedly stepped back!

But it was too late, the counter-shock force seemed to be alive, traveling around Fu Bo’s body!

Uncle Fu's arm hung down weakly, it was obviously broken!

Bang bang bang.....

Then there was a crackling sound, and Fu Bo's clothes all exploded as if they were torn by something.

"No, it's impossible, how is it possible..."

Uncle Fu's eyes were full of horror, but before he finished speaking, a mouthful of blood mixed with internal organs spurted out.

Plop.....

Uncle Fu fell to the ground and died, his eyes wide open and he could not rest in peace!

He didn't understand how he died until the end, but at this time, his internal organs had long been shaken to pieces by the repulsive force!

When the four Wei family masters saw this, they were all so frightened that they even lost the courage to escape!

Uncle Fu's death was so inexplicable, which caused a lot of pressure on them!

Chen Ping stepped forward, squatted down and twisted hard, twisting Uncle Fu's head off!

Throwing Uncle Fu's head in front of the four Wei family masters, Chen Ping said coldly: "Take the head back to Wei Kun'an and tell him that sooner or later I will go to the provincial capital and twist his head off too."

The four Wei family masters nodded repeatedly, finally picked up Uncle Fu's head, turned around and ran away!

"let's go!"

Chen Ping looked back at He Zhigang.

He Zhigang was completely stunned at this time, his eyes were dull, and he followed Chen Ping.

It may take He Zhigang a long time to digest the scene just before his eyes. After all, it is beyond his cognition and his brain cannot understand it!

When he arrived at the snack street, He Zhigang's expression had not improved. A group of people were eating and drinking, but he didn't talk much. It seemed that this time he was really stimulated!

After dinner, Chen Ping locked himself in his room and didn't sleep all night. He worked hard to refine the Xiao Huan Dan. He knew that his hard work at this time was to reveal his life experience faster. He wanted to do it now. Do you know who your mother is? So what is so scary about Suolong Island?

Chapter: 489

After dawn the next day, Chen Ping simply had a meal and continued to refine Xiaohuan Dan.

At this time, in the Wei family in the provincial capital, four Wei family masters were kneeling on the ground, each of them trembling with fear. Wei Kunan looked at Uncle Fu's head in front of him with an angry expression!

puff.....

Suddenly, Wei Kunan was so angry that he spurted out a mouthful of blood!

“master.....”

Four Wei family masters hurriedly stood up and helped Wei Kunan sit down!

“Wei Kun’an, if you don’t have the ability, stop bragging. If the Jiang family had taken action, this matter would have been solved long ago. Now, even Uncle Fu is dead...”

Before Jiang Lanfeng entered the room, an angry voice came!

She also hurried over after hearing that Uncle Fu had been killed!

But as soon as he entered the door, he saw the blood on the corner of Wei Kunan’s mouth. He was suddenly startled, and a bit of heartache flashed in his eyes!

Despite the usual quarreling and scolding, Jiang Lanfeng would still feel very distressed if something happened to Wei Kun’an. After all, the two had been married for many years!

“lady.....”

Seeing Jiang Lanfeng coming, the four Wei family masters all shouted respectfully!

“Let me ask you, is this Uncle Fu the same one Chen Ping killed?” Jiang Lanfeng glanced at Uncle Fu’s head and asked.

“Yes!” said one of the Wei family masters.

“It seems that Chen Ping didn’t kill you because he wanted you to bring Uncle Fu’s head back?”
Jiang Lanfeng continued to ask.

“Yes, and he also asked us to bring a message, saying that he would come to the provincial capital and twist off the master’s head!”

A Wei family master said with a trembling body.

“Arrogant...” Jiang Lanfeng slapped the Wei family master’s head with one palm!

The remaining three Wei family masters were so frightened that they hurriedly knelt on the ground, their bodies shaking like sieves!

They know that the Wei family is truly cruel and ruthless. It is Jiang Lanfeng who is in charge of the Wei family, not Wei Kunan!

“You take good care of me, don’t worry about other things!”

Jiang Lanfeng glanced at the pale Wei Kunan, then turned and walked out!

After going out, Jiang Lanfeng directly called her brother Jiang Wenjie. It seemed that the only way to deal with this matter was the Jiang family. With people like the Wei family, I’m afraid it would be impossible to get revenge!

Chapter: 490

After Jiang Wenjie received the call, he rushed to the Wei family without stopping!

Looking at Wei Tao lying on the bed, Jiang Wenjie said angrily: “Sister, who beat Xiao Tao like this? Why didn’t you tell me?”

“Uncle, you want to avenge me. It was Chen Ping. He was the one who crippled me. I will be a cripple from now on!”

Seeing Jiang Wenjie coming, Wei Tao immediately started crying!

Jiang Wenjie is a few years older than Wei Tao. The two have been playing together since childhood and have a good relationship. Seeing Wei Tao crying, Jiang Wenjie felt heartbroken: “Xiao Tao, you don’t have to worry about it. My uncle will avenge this for you!” ”

“Uncle, and that Su Yuqi, it’s all because of him that Chen Ping broke my leg. I want you to catch her too, and I want to vent my anger!”

Wei Tao said hurriedly.

“No problem, it’s all covered by uncle!”

Jiang Wenjie patted his shoulder and said.

“Xiaojie, don’t be ridiculous, don’t listen to him. Su Yuqi is the daughter of Su Wenzong, the richest man in Hongcheng. If she is captured, Su Wenzong will definitely cause trouble. We just need to capture the person who destroyed Xiao Tao now. Don’t add unnecessary ramifications!”

Jiang Lanfeng persuaded Jiang Wenjie.

“Sister, don’t worry about it. Who is the richest man in Hongcheng? It’s their honor for our Xiaotao to fall in love with his daughter!”

Jiang Wenjie didn’t care, and left after asking Wei Tao some questions!

Jiang Lanfeng didn't say anything. His own son was like this, so just let him do whatever he wants!

Little did he know that it was this idea that put the entire Wei family on the road to destruction!

.....

In Yuncheng, Chen Ping was still in the room desperately refining the Xiao Huan Dan. He had no idea that someone from the Wei family was targeting him again. Even if he knew, he wouldn't care.

In just one day and one night, Chen Ping refined a hundred small returning pills. While Chen Ping was refining the small returning pills, Lin Tianhu was guarding outside, while the bored Su Yuqi went to find sisters Gu Yufei and Gu Yuyao!

"Lin Tianhu, hasn't Yu Qi come back yet?"

Looking at the darkened sky outside the window, Chen Ping asked Lin Tianhu.

"Mr. Chen, Miss Su called and said she was coming back after dinner. She is with the Gu sisters!"

Lin Tianhu replied.

"Yeah!" Chen Ping nodded. After all, the two of them haven't seen each other for many years, so it's normal for them to meet more and play together.

When Chen Ping was about to take Lin Tianhu to dinner, his cell phone suddenly rang!
