

The Order 4811

Chapter: 4811

Chen Ping was very puzzled. He relaxed his palm slightly and the hammer floated in the air again!

“Weird, it’s so strange. Is there something weird about this white mist?”

Chen Ping couldn’t figure out what was so weird about this white mist.

If this white mist was poisonous, Chen Ping would have noticed it long ago!

Soon, as Chen Ping continued to move forward, he found more and more weapons floating in the air!

There are knives, swords, all kinds of weapons!

And the grades of these weapons are also different!

Looking at the weapons floating in the air, Chen Ping’s doubts deepened, so he opened the storage ring and took out his Dragon Slaying Sword!

When Chen Ping took the Dragon-Slaying Sword in his hand, suddenly a huge force began to pull Chen Ping, as if fighting for the Dragon-Slaying Sword in his hand!

This force was so powerful that Chen Ping tried his best but failed to catch it. The Dragon-Slaying Sword came out of his hand and floated in the air like other weapons!

When Chen Ping saw this, he jumped up and grabbed the Dragon-Slaying Sword tightly. With a flash of thought, he let the Dragon-Slaying Sword enter the storage ring!

After putting away the Dragon-Slaying Sword, Chen Ping breathed a long sigh of relief!

If he lost the Dragon-Slaying Sword, Chen Ping would probably hate himself to death!

You must know that the Dragon-Slaying Sword has followed him in the north and south, and the sword spirit Zhongli is still recovering. If he loses the Dragon-Slaying Sword, he will never see Zhongli again!

Chen Ping didn't dare to experiment, so he quickened his pace, and soon the surrounding fog slowly faded!

Chen Ping's eyes lit up and the fog disappeared. Chen Ping saw towering peaks on both sides with lush green trees!

Looking forward along the valley, I saw a thatched house. The thatched house was still smoking, as if someone was living!

"How could anyone possibly live here?"

Chen Ping looked puzzled, but still walked slowly towards the thatched house!

However, Chen Ping walked very slowly, and still covered the thatched hut with his spiritual consciousness!

Although there was smoke rising from the kitchen, Chen Ping did not feel any breath in the thatched house!

When Chen Ping walked up to him and slowly opened the door, he realized that there was no one in the thatched house at all. There were several hot dishes on an old wooden table!

The stove on the side is still burning with flames, and the pot is still steaming!

This scene reminded Chen Ping of his childhood!

Chapter: 4812

When I was in my hometown, I always used this kind of earthen stove!

But no one builds houses with thatch anymore, even in the secular world. In this world of gods and humans, where everyone cultivates immortality, how come there are still people living alone here!

“It smells so good...”

Chen Ping came closer and looked at the food, and he actually felt hungry!

You must know that a monk at his level will no longer feel hungry. Even eating is just a taste!

But facing the delicious food in front of him, Chen Ping felt hungry for a long time!

Chen Ping wanted to eat it, but finally stopped!

Then Chen Ping took a look at the room and found that there were a lot of books on a bookshelf in the corner!

Chen Ping stepped forward and took a look, and was immediately surprised. It turned out that these books were all collections of various exercises!

And at the bottom of the bookshelf, there are all kinds of treasures!

How could there be so many treasures and techniques in a small thatched house?

Chen Ping was completely confused for a moment!

Chen Ping reached out to put those skills and treasures into his storage ring, but he stopped in the end!

“Is anyone there? Is anyone here?”

Chen Ping shouted, then walked out of the thatched house and looked around!

“Who? Suddenly broke into my place and even entered my house privately...”

At this time, a voice sounded, followed by an old man with a hunched back and white hair who didn't know when he appeared!

Chen Ping obviously looked around, but couldn't even see a single figure, and couldn't even feel anyone's presence with his spiritual consciousness!

But now, this old man appeared in front of Chen Ping without any warning!

“Senior, junior Chen Ping, I don't know what happened, but I came here!”

“Senior, please forgive me if I have disturbed you...”

When Chen Ping saw the old man, he said very politely!

“You ran into my house and stole my food?”

The old man asked seriously!

Chapter: 4813

“Senior, I haven't touched your food, you can check it.”

Chen Ping said quickly!

“Then have you moved my skill treasure?”

The old man continued to ask.

“No, absolutely not!” Chen Ping quickly shook his head and said!

The old man was not talking, but walked into the thatched house, and Chen Ping followed him in!

The old man looked at the food on the table, then at his own skills and treasures, and then smiled!

“Sit down, it seems that God’s choice is indeed the right one...”

The old man smiled slightly and said!

Chen Ping looked confused and didn’t understand what the old man was talking about, but he still sat down opposite the old man obediently!

“These meals are prepared with great care by me. How about you try my cooking skills?”

After Chen Ping sat down, the old man said with a smile!

Chen Ping couldn’t refuse, so he picked up his chopsticks and tasted it slowly!

“Well, it tastes very good. Senior’s cooking skills are really amazing.”

Chen Ping praised the old man!

The old man smiled lightly: “If you like to eat, then eat more. These meals will be good for you.”

Chen Ping didn't understand. He had gone through ineditation and wouldn't be hungry even if he didn't eat. Why did he still eat these meals?

But the old man was so kind that Chen Ping could only eat it. After all, the food tasted really good!

"Senior, what exactly is this place? Why are you the only one here?"

Chen Ping asked while eating!

"Where are you going?" the old man asked back!

"We were looking for the treasure of the Ancient Body Refining Clan, but after entering the treasure cave, we suddenly came here."

"Is this the Far North? Look, the environment here is completely different from the Far North!"

Chen Ping said truthfully!

Chapter: 4814

"Are you looking for the treasure of the Ancient Body Refining Clan?"

The old man smiled slightly, then stretched out his hand and said: "Bring the things here!"

"Thing, what thing?" Chen Ping asked with a puzzled look!

"Of course it's the key to the treasure. Without the key to the real treasure, you couldn't have come here."

The old man said with a smile!

Chen Ping was stunned, looking at the old man in disbelief, and his expression became a little nervous!

“Senior, who are you?”

Chen Ping didn't understand what the old man meant, and he didn't even understand how he knew he had the real key to the treasure!

“Hahaha, you came to look for my treasure and you want to ask me who I am. It's really ridiculous!”

The old man laughed!

“You...are you the ancestor of the ancient body-refining clan?”

Chen Ping looked at the old man in shock.

The old man didn't confirm, but he didn't deny either. He just stretched out his hand and said: “Give me the key...”

Chen Ping looked at the old man, and then took out the key to the real treasure!

The old man held the jade sign with a faint smile on his face!

“This bookshelf is filled with the ancient body-refining clan's exercises, as well as some treasures. You can take them all...”

The old man pointed to the bookshelf and said!

“this.....”

Chen Ping didn't expect that the ancient body refining clan's treasure could be obtained so easily?

Isn't this a bit too simple?

"What? You don't want it?" the old man asked!

"No, senior, don't get me wrong, I just didn't expect to get the skills and treasures in the treasure so easily."

"Shouldn't there be another Ice Soul Pill? My main purpose this time is to get the Ice Soul Pill."

Chen Ping asked the old man!

Chapter: 4815

Chen Ping is not very interested in the ancient body-refining clan's techniques and treasures. He is mainly here to get the Ice Soul Pill!

"The Ice Soul Pill is not here. Take these skills and treasures and leave quickly."

"Remember, don't be greedy and keep moving forward."

"Remember my advice, remember, remember..."

The jade token held by the old man suddenly emitted golden light, and then the old man's body slowly disappeared!

"Senior, senior....."

Chen Ping shouted, but the old man never appeared again!

When Chen Ping saw this, he could only put away the skills and treasures first, but when he walked out of the thatched hut, the scene in front of him changed instantly!

The thatched hut disappeared, and then a gorgeous palace appeared before his eyes.

Chen Ping was completely confused at this time. How could it be a thatched house just now and become a gorgeous palace in the blink of an eye?

However, Chen Ping still walked towards the palace, and then pushed open the heavy palace door, only to see various skills and treasures also placed in the palace!

But when Chen Ping stepped into the palace, his brows wrinkled slightly and his expression suddenly became gloomy!

“You brave boy, you dare to break into my mansion, don’t you want to live?”

An old voice rang in Chen Ping’s ears!

Then an old man appeared in front of Chen Ping!

When Chen Ping saw the old man in front of him, he was stunned for an instant. He saw that this old man was exactly the same as the old man he saw in the thatched house!

It’s just that the two of them are dressed differently. The former is dressed in simple cloth, while the latter is dressed in silk and satin, like a rich landlord!

Chen Ping stared at the old man in front of him without saying a word!

“You are so bold. You break into my mansion without permission and look directly at me like this. You are so bold.”

“Do you know who I am?”

When the old man saw Chen Ping staring at him, he immediately said angrily!

“Who are you?” Chen Ping asked!

“I am the ancestor of the ancient body-refining clan. Why are you, a junior, breaking into my mansion?”

“Do you want to steal my skills and treasures?”

Chapter: 4816

The old man asked Chen Ping!

“Senior, I just came here unintentionally. I didn’t steal your treasures and techniques. I hope you don’t misunderstand me!”

“I’m leaving now...”

As Chen Ping said that, he was about to turn around and leave!

“Hey hey hey.....”

“Wait a minute, I see that you have amazing bones and extraordinary talents, so I want to accept you as my disciple. If you are willing to become my teacher, I can give you these secrets of the exercises and these treasures!”

“And how about passing on all my inheritance to you?”

Seeing what Chen Ping was about to do, the old man stopped Chen Ping directly and wanted to accept Chen Ping as his disciple!

“I’m sorry, I don’t want to recognize Master...”

Chen Ping said, and continued to walk out!

“Why do you look down on me?” the old man said angrily!

Chen Ping smiled faintly: “It’s true that I look down upon you. I don’t think my senior is very strong. If you accept me as your disciple, I’m afraid you won’t be able to teach me anything.”

“What an ignorant kid, do you dare to question my lack of strength?”

The old man said angrily!

“I’m not questioning senior, I just look down on you...”

Chen Ping said, suddenly there was a dragon-slaying sword in his hand!

Senhan’s sword pointed directly at the old man!

When the old man saw this, he frowned: “Why do you still have a weapon in your hand?”

“Why can’t I have a weapon?”

Chen Ping said with a cold smile!

“You guy, you don’t know how to respect the old and care for the young, and your moral character is corrupt. You don’t meet my standards at all. You can leave...”

The old man moved out of the way and asked Chen Ping to leave quickly!

But Chen Ping left with a bit of a sneer!

“Senior, I don’t want to leave now. I want to learn and learn from you.”

Chapter: 4817

Chen Ping said coldly!

“If you spar with me, I can kill you with one finger. You’d better leave, don’t lose your life in vain!”

The old man waved his hand and refused to compete with Chen Ping at all!

“Senior, in this illusion, I’m afraid you don’t have the ability to kill me!”

Chen Ping sneered, and then slashed towards the old man with a sword!

The old man snorted coldly, waved his palm lightly, and a colorful aura of light headed towards Chen Ping!

“A small fourth-level monk in the Fusion Realm can also see through my illusion...”

The old man was obviously a little surprised!

Chen Ping held the dragon-slaying sword and suddenly slashed towards the colorful spiritual light, but was knocked back by the huge force!

Seeing Chen Ping so vulnerable, the old man’s lips turned proud!

“Ignorant child, even though this is an illusion, I can still make your soul disappear...”

The old man wrapped his hands and began to slap Chen Ping crazily!

Huge power surged around Chen Ping, and Chen Ping’s whole body seemed to be torn apart, and his whole body disappeared!

Seeing Chen Ping disappear, the old man snorted coldly and said: “Humph, you can actually see through my illusion. You really have some eyesight.”

“It’s a pity that the cultivation level is too low.”

But as soon as the old man finished speaking, Chen Ping, who had disappeared, appeared again!

“Senior, are you saying that my cultivation level is low?”

Chen Ping raised the corner of his mouth: “Your illusion formation is really bad. I just moved a little bit, and the illusion formation came to my use.”

After Chen Ping finished speaking, he disappeared again, and then appeared again in another direction!

“You...you actually know formations?”

The old man was very surprised!

“I understand, it’s not just formations...” After Chen Ping finished speaking, he attacked the old man again!

“presumptuous!”

The old man was furious, and his spiritual power surged all over his body, and then the spiritual power, like ocean waves, rolled towards Chen Ping!

Chapter: 4818

Chen Ping's eyes narrowed slightly, and the Dragon-Slaying Sword in his hand instantly glowed with sword light!

While Chen Ping was blooming with sword radiance, the power of thunder and lightning was also surrounding him!

The arc crackled, and Chen Ping looked like an electric man!

When the old man saw this, he couldn't help but frown!

Just as he was about to say something, he saw Chen Ping's family in front of him. He immediately slashed down with his sword, and the sword light carried thunder and lightning, heading towards the old man!

"A little fourth-level monk in the Fusion Realm can actually have such power and speed?"

The old man was shocked!

The sword light passed across the old man's body, and the old man slowly disappeared!

At the same time, the palace also disappeared, and the treasures and techniques were also gone!

And Chen Ping was still in the thick white fog!

"Is it all an illusion just now?"

Chen Ping looked around, feeling very surprised!

Because when Chen Ping saw the old man in the thatched house, he felt very real!

Later, when the palace appeared, Chen Ping realized that it was a phantom formation!

Now his whole body is still in the white mist, and it seems that he has not made any progress!

“No, it definitely can’t be an illusion...”

Chen Ping quickly opened the storage ring!

At this time, the storage ring contained the secrets of the exercises and some treasures, which proved that the meeting with the old man in the thatched house was not a hallucination!

Chen Ping wanted to move on, but he hesitated. At this time, he remembered the old man’s advice when he saw him!

The old man told Chen Ping that after getting the skills and treasures, don’t be greedy and move on!

But if you don’t keep moving forward, you won’t be able to get the Ice Soul Pill!

After much hesitation, Chen Ping decided to move forward!

After moving forward for a while, the white thick fog disappeared!

Chen Ping saw Ji Yungao, Qisheng and the others all together and acted very anxious!

Chapter: 4819

Seeing Chen Ping coming out, Gao Qisheng hurriedly stepped forward and said, "Mr. Chen, why are you taking so long to come out? We have been waiting for you for a long time."

"That's right, in that thick fog just now, you suddenly disappeared while walking. No matter how I called you, I couldn't hear you!" Ji Yun also said!

Only then did Chen Ping realize that it was not other people who suddenly disappeared, but himself who suddenly disappeared!

"Didn't anything special happen when you passed through the thick fog?"

Chen Ping asked everyone!

"No, I passed it easily..."

Ji Yun shook his head!

"Brother Chen Ping, did you encounter something strange in the thick fog?"

Lao Sun asked Chen Ping!

"Well, I really wanted to enter an illusion, but luckily I knew the formation and came out after seeing through it."

Chen Ping nodded and said!

"Does this dense fog still allow people to order food? So many of us have not entered the illusion, but Mr. Chen has."

Gao Qisheng was very curious as to why Chen Ping was the only one who entered the illusion!

“Brother Chen Ping, when you entered the illusion, did you have any adventures or get any treasures?”

Lao Kong came over and asked curiously!

Chen Ping shook his head. He did not tell anyone about the ancient body-training techniques and treasures he obtained!

After all, people’s hearts are separated from each other, and with huge interests, Chen Ping cannot guarantee that these people will not have any ideas!

“Now that Mr. Chen is out, let’s keep going. Those guys are probably already ahead!”

Ji Yun urged!

Someone has entered this treasure in advance. If they don’t speed up, they may not even have any hair left!

After the group of people advanced along the valley for some distance, they discovered that not far away, a whirlpool was constantly rotating, isolating the valley from it!

And there is a breath of space in the whirlpool, and through this whirlpool, you can’t see what’s behind the valley at all!

Chen Ping looked around and found that there was no other place to move on except here!

“Looking at this whirlpool, I don’t know if there is any danger...”

Chapter: 4820

Old Sun looked at the whirlpool in front of him and said!

“This whirlpool is no more than ten feet high, we can just jump over it...”

Gao Qisheng pressed his feet hard and jumped up!

“Don’t trespass...”

Chen Ping wanted to stop him, but it was already too late!

Gao Qisheng jumped up and flew over the whirlpool!

But when Gao Qisheng reached the sky above the whirlpool, there was suddenly a huge suction force. Gao Qisheng didn’t even have time to react, and he disappeared into the whirlpool!

“Second Young Master.....”

When the Gao family members saw this, they all screamed in panic!

“Holy crap, what on earth is this whirlpool? It can actually eat people. Can it be sucked in at such a high altitude?”

Ji Yun was a little scared when he saw this!

Everyone else was also surprised, they didn’t expect this whirlpool to be so powerful!

Chen Ping approached the whirlpool, observed it carefully, and then walked into the whirlpool little by little!

“Mr. Chen.....”

Ji Yun saw this and shouted loudly!

“Don’t worry, it’s okay. This whirlpool is just a small teleportation array, it won’t cause any harm...”

Chen Ping stepped in!

After Chen Ping entered the whirlpool, a white light suddenly flashed before his eyes, and then he appeared in a huge palace!

Chen Ping looked at the palace in front of him and felt it was very familiar, because he had seen it in fantasy!

It was true that this palace was much larger and more magnificent than what he saw in the fantasy!

“Mr. Chen.....”

Gao Qisheng saw Chen Ping and hurried over!

When he was sucked in just now, he was completely confused. Now that he saw Chen Ping, he felt much more at ease!

Soon, Ji Yun and the others were teleported to this place one after another!
