

The Order 4871

Chapter: 4871

“Boy, aren’t you crazy? Now you are uniting to deal with us?”

Jin Sha said with a playful expression.

The fire demon looked at Ning Caichen and said provocatively: “Master Ning, I was the one who killed your son. I burned him to death with fire. Are you here to beat me?”

Ning Caichen’s face was livid with anger, but there was nothing he could do. He couldn’t move at all now!

Not to mention how loud the Five Elements Demon was at this time, he looked at everyone quietly!

Soon, another monk couldn’t bear it anymore, and his body exploded and died instantly. His cultivation turned into a white light and rose into the air!

As the monk exploded and died, some of his magic weapons and weapons were scattered on the ground!

Five Elements Heavenly Evil and several others were on the altar, picking up the fallen things!

“These poor ghosts don’t have anything good with them. We are waiting for this kid to explode and die. He has many treasures from the ancient body refining clan.”

“Yes, then Ning Caichen must have a lot of good things in his body. When they explode and die, we will make a fortune.”

“And that kid from the Gao family, we just need to bend down and pick it up. This is not much easier than finding treasures!”

Five Elements of Heavenly Evil and several others were discussing happily!

None of these five people noticed that Gao Qisheng and Ji Yun were not controlled, they were just sitting motionless!

“Brother Chen, please think of a way quickly to save us...”

Yuan Bao looked horrified and looked to Chen Ping Chuanyin for help!

The only one who can do something now is Chen Ping. After all, Chen Ping saw through the old man’s trap.

“Don’t move around, let alone talk. I’ll help you suck that power away.”

Chen Ping sent a message to Yuan Bao and said!

Yuan Bao nodded quickly, and then felt a suction force around his body, and then the power in the ice soul fragment was sucked away.

Yuan Bao was out of control, with excitement in his eyes!

Although Yuan Bao’s strange behavior did not arouse the suspicion of Five Elements Demon, it was noticed by Ning Caichen!

He looked at Yuan Baoyou and Chen Ping, and then sent a message: “Chen Ping, if you have a way, can you save us together? I will definitely repay you then.”

“If only a few of you are rescued, you won’t be able to escape from the hands of those Five Elements Demons.”

Ning Caichen looked at Chen Ping, thinking about asking Chen Ping to rescue them too!

Chapter: 4872

Chen Ping knew that what Ning Caichen said was right. If he relied on just a few of them, he might not even be able to get rid of the Five Elements Evil!

“Okay, I can only let you get rid of this power, but don’t move for the time being. Look for the most suitable opportunity. We are running!”

Chen Ping said to Ning Caichen!

Ning Caichen nodded in agreement!

Chen Ping used the sound transmission technique to tell all the monks his plan!

Upon hearing that there was still hope of being rescued, everyone agreed with Chen Ping’s plan, and the eyes of the casual cultivators showed gratitude!

Soon, Chen Ping absorbed all the power of those monks into his body one by one!

Chen Ping’s origin space is huge, so even if all the power is absorbed, he will not explode and die!

When everyone was freed from that force, they were all excited!

But no one moved, they were all waiting for Chen Ping’s next arrangements!

Dozens of those strange powers gathered together in Chen Ping’s origin space, and then ran rampant everywhere!

Chen Ping looked at the manic power and had no idea what it was!

“What kind of power is this? It can’t be refined or gotten rid of. It’s so strange...”

Chen Ping frowned slightly and looked carefully at the growing power in the original space!

Buzz.....

Suddenly, Chen Ping felt a sound in his head, and then he felt a little dazed!

That force went straight to Chen Ping and enveloped him!

Chen Ping shook his head, and his eyes suddenly became bright!

“Chen Ping, what are you doing? Why don’t you go to school quickly...”

Tang Hongying hit Chen Ping on the head and said!

“Mom? Why are you here?”

Chen Ping’s eyes were full of surprise!

“What nonsense are you talking about? If I’m not here, where would I be? I’m going to be late for school.”

Tang Hongying scolded Chen Ping!

Chapter: 4873

“Mom, I...I shouldn’t...”

Chen Ping stepped forward, wanting to hold his mother's hand and ask for clarification!

But when he just touched Tang Hongying, a bright light flashed in front of his eyes, and the surrounding scene completely changed!

"How come you don't know how to walk?"

Su Yuqi glared at Chen Ping angrily!

Chen Ping looked at Su Yuqi blankly: "Yuqi, is it really you? It's really you..."

Chen Ping's face was full of excitement and he rushed towards Su Yuqi!

"Ah, gangster, you are a gangster..."

Su Yuqi screamed, and soon the scene in front of Chen Ping changed again!

The scenes that Chen Ping experienced flashed before Chen Ping's eyes like a movie!

Lin Tianhu, Chifeng, Hu Mazi, Ji Ruxue.....

Chen Ping has seen everyone, but everyone no longer knows him, back to before they knew him!

"Don't leave, don't leave me, don't leave me..."

Chen Ping yelled, he didn't understand why these people didn't recognize him anymore!

Chen Ping chased after him desperately, as if he was crazy!

“Mr. Chen, Mr. Chen.....”

Suddenly, Zhe Yan’s voice rang!

Chen Ping’s body shook suddenly, and then everything in front of him disappeared. He was still in the original space, and the power was still surrounding him!

“Am I dreaming just now?” Chen Ping frowned slightly!

“Mr. Chen, you were not dreaming just now, you were under an illusion. You almost couldn’t get out!”

Zhe Yan said to Chen Ping!

“Illusion?” Chen Ping was stunned!

Soon, Chen Ping’s eyes lit up. Looking at the power around him, he seemed to understand something!

“That’s it, I understand, I finally understand...”

Chapter: 4874

Chen Ping raised the corner of his mouth, and then relaxed his whole body, letting the force wrap him up again!

This time, scenes of the past are still passing before Chen Ping’s eyes!

It’s just that Chen Ping’s eyes were clear and he was chanting the Qingxin Mantra in his mouth, and he was not disturbed by the scene in front of him at all!

I don’t know how long it took, but Chen Ping’s eyes returned to his current appearance!

And that rampaging force instantly became quiet.

In the galaxy of Chen Ping's original space, a gray star suddenly flickered at this moment!

With the twinkling of stars, that power was sucked in instantly!

When that power entered, the stars began to become brighter.

Chen Ping looked up at the sky full of stars. At this time, three stars were already shining!

"The origin of illusion..."

Chen Ping's face was full of smiles: "With this source of illusion, my illusion skills will be able to reach a higher level in the future..."

Illusion is meant to charm the mind and confuse judgment!

It's just that the illusion technique is not very good. When encountering a master with a strong mind, the illusion technique is completely useless!

Now that Chen Ping has the source of illusion, he can trap more powerful enemies when using illusions!

Chen Ping came out of his original space, glanced at the Five Elements Demon, and then sent a message to all the monks: "Let's destroy this altar together."

"We can only take it by surprise, destroy the altar, and then leave quickly."

Everyone nodded and followed Chen Ping's arrangements!

Chen Ping began to brew slowly, and the breath in his body began to gather!

“Do it...”

With Chen Ping’s order, everyone took action together!

boom.....

Along with the violent explosion, strong spiritual power overflowed, dazzling light rose into the sky, and the violent aura surged around like a huge wave!

The Five Elements Demon didn’t even react at all, and was blown away by this huge breath!

For a time, the stone pillars of the entire altar collapsed one after another, and many cracks appeared on the ground!

Chapter: 4875

In the entire altar hall, chaotic auras intertwined, the earth trembled slightly, and pillars of light rose up!

With a roaring sound, the entire altar collapsed!

The power of dozens of monks who acted together was so ferocious, and the terrifying aura pressure caused the expressions of the Five Elements Demons to change dramatically!

“Run away quickly, don’t let anyone stay...”

Chen Ping shouted loudly, and then led everyone to escape quickly!

“You’re so brave, you destroyed my altar, and you still want to run away?”

At this time, suddenly a black mist enveloped me, and I saw the old man walking step by step, wrapped in the black mist!

The old man has a ferocious look on his face, and his expression is ghastly and terrifying. Now it seems that this old man is definitely a demon, and he doesn't even pretend to be!

Looking at the old man appearing, everyone ran for their lives!

The old man suddenly waved his hand, and a big hand emerged from the monstrous black mist. He directly grabbed a monk and waved it gently!

The monk was thrown away in an instant, and then hit the stone wall heavily. He bled to death on the spot!

A white light broke away from the monk's body, then floated into the air and disappeared!

Seeing this scene, everyone was shocked, and cold sweat broke out on their foreheads!

No one dared to stay and ran out as hard as they could, but they were all teleported here. Where was the specific way out? Without people, they could only run randomly!

"Hahaha, hunting feels so good..."

The old man laughed and took action again. This time he directly grabbed the two monks and crushed them instantly. Their bodies turned into a cloud of blood mist!

"Hurry up and leave the altar. If you leave here, this old guy's strength will be reduced..."

Chen Ping shouted, he had already seen that this old man was only very powerful when he was here!

When he met him elsewhere, Chen Ping didn't realize how powerful this old guy was!

Even in that palace, the old man couldn't even defeat Chen Ping!

Therefore, Chen Ping concluded that this old man was just a remnant soul. The closer to the place where he died, the higher the strength of his remnant soul!

On the contrary, the farther the distance is, the strength will also decrease!

"You can't leave here..."

The old man looked at the people running away. He didn't seem to panic at all. Instead, he seemed to be watching the fun!

Chapter: 4876

Just when Chen Ping and others were about to run out of the entire altar area, the mountain suddenly shook!

Rumble.....

From in front of Chen Ping and the others, beams of light suddenly lit up!

Then the number of light pillars continued to increase, illuminating the entire area very brightly. The light emitted by these light pillars converged and connected to one place, and finally formed a barrier to block everyone!

"Damn, it turns out that there has been a barrier here for a long time. No wonder the old guy didn't panic."

When Lao Sun saw the sudden barrier, he immediately cursed!

Lao Sun was cursing, but he suddenly punched the barrier in front of him with a fist!

But after this punch, the barrier had no reaction, leaving no trace!

Everyone looked at the barrier in front of them and fell silent. Old Sun, who was at the eighth level of the Fusion Realm, punched down and the barrier did not move at all. This was too outrageous!

“You guys get out of the way, I’ll come...”

Ning Caichen spoke.

After all, he is the strongest here, a ninth-level monk in the Fusion Realm. If he cannot open this barrier, then there is nothing anyone can do!

I saw Ning Caichen draw a long sword, the aura in his body rose up, and in an instant, a sword light appeared!

The sword light was as powerful as a rainbow, tearing through the void and suddenly shooting towards the barrier!

But just when the sword light hit the barrier, it suddenly disappeared!

“Huh?”

Ning Caichen was stunned and stared blankly, wondering why the sword light that he had just struck with all his strength had disappeared?

But the next moment, the barrier began to shake and flash with light!

“Get away quickly, get away from everyone...”

Chen Ping saw this and reminded him loudly!

Soon, a ray of light shot out from the barrier. Fortunately, everyone got Chen Ping's reminder and dodged quickly and were not hurt by the light!

"What kind of formation is this that is so powerful?"

Ning Caichen's face was full of confusion. He tried his best to attack but it was of no use!

Everyone's faces were ashen at this time. They were trapped here. There was a formation blocking the way in front, and the old devil was approaching step by step from behind!

Chapter: 4877

"Damn it, since you can't escape, then you have to fight. You're going to die anyway, so why be so aggrieved."

Lao Kong shouted angrily!

He didn't want to die bit by bit in despair, that kind of death would be too uncomfortable!

"Yes, if we fight hard, maybe we can still have a chance of survival."

"You're going to die no matter what, so why be so afraid!"

Many people are going crazy, shouting loudly to fight for their lives!

Gao Qisheng was also infected by the crowd, and said with righteous indignation: "Let's fight, who will go with the Gao family to kill this old devil?"

"He is just a remnant soul now. As long as we work together, we may not be able to defeat him."

Gao Qisheng raised his arms and shouted, and many people responded one after another!

“Okay, in this area, none of us is a match for the old devil, and there are also those Five Elements Demons.”

“It’s not yet the time when death is certain, so don’t panic...”

Chen Ping persuaded everyone!

“Mr. Chen, do you have a way to unlock this formation?”

Ji Yun asked happily!

“I’m not sure, but I can try, but I need time!”

Chen Ping said!

“We will protect you and give you time...”

Ning Caichen understood what Chen Ping meant and hurriedly said!

“Okay!” Chen Ping nodded!

Then he slowly walked to the barrier, gently touched the barrier with one hand, closed his eyes slightly, and began to look for the formation eyes of its formation!

When the old man saw Chen Ping actually looking at the formation that had broken him, a trace of ridicule appeared on his face!

“My formation has been set up for thousands of years and no one has been able to break it. You, a little monk, still want to break it. What a joke!”

The old man smiled coldly, and then looked at the Five Elements Demon: “You guys have had the chance to show off, kill them all now, and you guys can survive...”

When the Five Elements Demons heard this, they immediately nodded!

Chapter: 4878

Ning Caichen and all the monks were facing the Five Elements Demon, and they were definitely no match for him!

If Chen Ping is added, maybe we still don't know who will lose and who will win!

But now that Chen Ping has broken the formation, there is no way to help. They can only stop the Five Elements Evil!

“Master Ning, I'm really sorry. None of you can escape alive. Otherwise, the secret of our Demon Sealing Alliance will be spread out.”

Jin Sha smiled coldly!

“Hmph, if you are helping the tyrants do evil, you will be killed by everyone sooner or later...”

Ning Caichen snorted coldly!

“You won't be able to see whether you will be killed...”

After Jin Sha finished speaking, he immediately headed towards Ning Caichen!

Others also fought together in an instant. The five Five Elements Demons directly followed many monks and fought together!

However, the Five Elements Heavenly Evil was so powerful that many casual cultivators were killed just after they met him, without the ability to fight back!

All of a sudden, all kinds of treasures and magical weapons flew around, and all kinds of magical weapons kept making sounds!

The old man looked at the fight in front of him in mid-air, his face full of enjoyment!

Whenever a monk dies, a white light will rise into the sky!

Ning Caichen was now with Jin Shadou. He knew that he had to exert all his strength, otherwise he would die here soon!

I saw fierceness flashing in Ning Caichen's eyes, and he bit the tip of his tongue!

A mouthful of blood spurted onto the long sword in his hand. The long sword shook slightly, and a red sword glow instantly bloomed!

"Tian Ling Slash..."

Ning Caichen shouted loudly and drove his sword straight towards Jinsha!

"Hmph, you have forgotten what attributes I am, and you dare to play with a sword in front of me?"

Jin Sha snorted coldly, his eyes full of disdain!

He practices metal-based skills and has a natural ability to restrain weapons such as swords!

I saw Jin Sha push his palm, and a golden shield instantly appeared in front of his eyes!

This shield directly blocked Ning Caichen's sword!

Chapter: 4879

Bang.....

There was a violent collision, and Ning Caichen's body took a few steps back. Jin Sha was not much better, and he also took a few steps back to stabilize his figure!

But the sword in Ning Caichen's hand actually had cracks under this blow!

Then, in Ning Caichen's shocked eyes, the sword broke inch by inch, leaving only the hilt in Ning Caichen's hand!

Ning Caichen was shocked, this was the ancestral sword of their Ning family!

But under this blow, it was directly destroyed!

Just by looking at this sword, you can tell that the Ning family is not a wealthy family. The ancestral sword is so vulnerable!

"Hahaha, if you are so vulnerable, then go die..."

Jin Sha laughed loudly and went straight to Ning Caichen!

But just when Jin Sha attacked Ning Caichen, the earth suddenly shook, and then the scene in front of him suddenly changed!

Mountains, rivers, lakes, seas.....

All the scenes are constantly passing before Jin Sha's eyes, and even the four seasons of the year are changing rapidly!

Jin Sha was stunned for a moment, and he was a little confused!

Even the old man felt that the scene in front of him had changed at this moment. Chen Ping and the other monks were all gone!

The other monks were the same. They only felt the scene in front of them once, and then various scenes appeared, as if they were real!

Everyone is immersed in it and there is no more fighting!

This is the illusion array set up by Chen Ping. The huge source of illusion makes Chen Ping's illusion array seem real!

The Five Elements Demon and the old man were all trapped in the illusion formation!

Chen Ping radiated his spiritual consciousness and quickly pulled Ji Yun and Ning Caichen out of the illusion formation!

When Ning Caichen and the others woke up, they looked at the Five Elements Demon in front of them like fools, running around and talking to themselves!

Even the old man's eyes were blurred at this time!

"What...what's going on?" Ning Caichen looked unhurried!

"You have all fallen under my illusion and are trapped inside."

Chen Ping explained!

Chapter: 4880

“Great, then let’s take the opportunity to kill these people...”

Gao Qisheng was ecstatic and was about to take action!

“Don’t move. My illusory formation only traps them temporarily. If you move, your breath will destabilize the illusory formation and it will be broken by then.”

“I have found the formation’s eye. As long as we attack the formation together, we can break through this barrier.”

Chen Ping quickly stopped Gao Qisheng!

When Gao Qisheng heard this, he was so frightened that he didn’t dare to move!

Chen Ping walked to a certain position on the barrier, then stretched out his hand and tapped the barrier a few times, and the barrier suddenly vibrated violently!

“This is it. We have to attack this eye position together.”

“Everyone must be fast, because my illusion array cannot trap them for long!”

Chen Ping said to everyone anxiously!

When everyone heard this, they all nodded. Now Chen Ping has become the leader of everyone unknowingly!

Chen Ping took a few steps back, his whole body erupted with golden brilliance, and he swung out the Holy Light Fist, hitting the barrier with one punch!

When the others saw this, they also hurriedly unleashed their strongest aura attacks!

No one uses weapons, they know that this barrier will rebound if used with weapons!

For a moment, all the monks punched the barrier!

These people are attacking the same place!

Boom boom boom.....

Everyone did not dare to relax at all and tried their best!

Because this is life-saving, as long as this barrier is broken, they can escape!

Soon, some monks were a little exhausted from the battle just now and the bombardment!

There are many people with cold sweat on their foreheads and no spiritual power!

But Chen Ping didn't change at all, and he continued to blast out with golden fists!

"Brother Chen, is this a formation eye? Why hasn't it been opened yet?"

Lao Sun was also panting and asked Chen Ping!
