

The Order 4881

Chapter: 4881

Chen Ping didn't speak, but continued to punch him, because talking was a waste of energy!

Seeing that Chen Ping was silent, Lao Sun could only grit his teeth and continue the bombardment!

Now everyone has almost reached their limit, but they have been holding on out of trust in Chen Ping!

At this moment, Chen Ping's illusion formation was weakening, and the old man woke up from the illusion!

"The illusory formation is so powerful that it even trapped me. It seems that the energy in the ice soul fragments that I transformed into was absorbed by you."

The old man looked at Chen Ping coldly and said!

He knew that this illusory formation was set up by Chen Ping, and it was also because of Chen Ping that these monks were able to escape from that strange power!

When Chen Ping heard that the old man had woken up from the illusion, cold sweat broke out on his forehead, and his eyes became serious!

Chen Ping quickened the pace of his attack, and every punch shook the earth!

Watching Chen Ping bombard the barrier, the old man frowned slightly, because the place Chen Ping bombarded was exactly where the formation's eye was!

"It seems I have to kill you first before we can calm down..."

The old man pointed a finger, and a black mist suddenly turned into a sharp weapon and headed straight for Chen Ping!

Chen Ping didn't seem to see it. He was still facing the old man with his back, and he was desperately bombarding the barrier with his hands!

"Mr. Chen....."

When Ji Yun saw this, he quickly reminded him and wanted to help Chen Ping stop it!

"Don't move, hurry up and bombard the barrier..."

Chen Ping is not as rash as Ji Yun!

Seeing this, Ji Yun could only hit the barrier with his fist again!

But when the sharp weapon reached Chen Ping's back, Chen Ping's body suddenly glowed with golden light, his indestructible golden body activated, and golden scales covered Chen Ping's body!

The indestructible golden body shone with light, and the golden light almost blinded everyone's eyes!

The sharp weapon hit Chen Ping's immortal gold body directly, and was instantly bounced away, turning into a burst of black mist!

This sharp weapon was originally made of black mist, and the old man did not expect that Chen Ping, a small fourth-level monk in the Fusion Realm, had such an immortal-level armor to protect his body, so he could not hurt Chen Ping!

"Good boy, there are really more and more miracles in you. The little monk actually still has this kind of treasure. It's just that after you die, these things will all be mine..."

The old man smiled coldly!

Chapter: 4882

“I’m afraid you won’t be able to see the moment I die, and you won’t be able to get my things!”

Chen Ping stopped the bombardment, turned around, and looked at the old man with a playful expression!

“What do you mean?”

The old man frowned slightly and said!

“What do you think?” Chen Ping smiled!

Click.....

Just a crisp sound was heard, and cracks appeared on the barrier!

Everyone looked at the crack and were all stunned. They didn’t expect that the barrier was actually broken!

Initially, they thought there was no hope. After all, after being bombarded for so long, everyone was almost exhausted. Now that the old man has woken up, none of them can escape!

But now, there are cracks in the barrier!

“Don’t be stunned, hurry up and continue the bombardment...”

Upon seeing this, Ning Caichen hurriedly called on everyone to continue the bombardment!

This time, everyone worked even harder, even using up their energy to suck milk!

The rattling sounds kept coming, and the cracks in the barrier were getting bigger and bigger!

The old man looked at Chen Ping with a cold expression and said in disbelief: "I didn't expect that you, a mere fourth-level monk of the Fusion Realm, could actually find the center of the formation and unite with so many people to break my formation!"

"If I don't kill you today, wouldn't I be very shameless?"

"I told you, you can't kill me..." After Chen Ping said that, his whole body turned into a golden light and suddenly hit the barrier!

Rumble.....

With a deafening sound, the barrier was instantly smashed by Chen Ping, and Chen Ping's body rushed out!

When other people saw this, they fled out one after another!

When the old man saw this, he wanted to catch up, but his body reached the edge of the altar and he stopped chasing!

He is just a remnant soul. If he leaves here, his strength will be greatly reduced. Even if he catches up with Chen Ping and the others, he may not be able to defeat them!

Seeing Jin Sha and others still immersed in the illusory formation, the old man waved his hand angrily, and the illusory formation was instantly broken!

Jin Sha and others all looked around in confusion!

Chapter: 4883

"What's going on? What's going on?"

Several people shouted in confusion!

“You are trapped in the illusion formation. Everyone has run away. Go chase me immediately.”

“Bring him back to me, and you will benefit from it when the time comes...”

The old man said to Jin Sha and the others!

“Senior, don’t worry, we will definitely catch him for you...”

With that said, Jin Sha and the other five quickly chased out!

“Brother Chen, thank you so much today. If it weren’t for you, we would all have died here...”

After escaping for some distance, Yuan Bao said gratefully to Chen Ping!

“That’s right, if it hadn’t been for Fellow Daoist Chen, we wouldn’t have known it was a trap!”

“Whose treasure house is this? It’s obviously a trap!”

Everyone sighed with emotion!

If Chen Ping hadn’t discovered that it was a trap, saw through the old man, and helped them absorb the strange power of the ice soul fragments, they would still be turtles in the urn now!

“Although we have escaped from the altar, please don’t be careless. We still have no way to completely escape from here.”

“But if we leave the altar, we will be relatively safe. If the old guy leaves the altar, his strength will decline.”

Chen Ping warned everyone!

“It doesn’t matter, I’ll contact my friends outside and I’ll be able to find a way out then.”

As he spoke, a monk took out a charm and suddenly threw it into the air!

Bang.....

But as soon as the spell was thrown, it exploded instantly!

“What...what’s going on? Can’t the news get out?” the monk said in shock!

“It can’t be transmitted. I’ve tried it just now, and even the divine consciousness transmission technique passed down in our family can’t help!”

At this time Ning Caichen spoke!

It seems that he planned to contact the Ning family as soon as he escaped. After all, his son was killed by the Five Elements Demon, and he had to take revenge!

Chapter: 4884

But with his current strength, he has no way to take revenge. He can only contact the family and send more people!

When Ning Caichen said this, the joy that everyone had just escaped instantly disappeared. Although they escaped from the altar, they didn’t know where they were now, let alone how to escape from here!

“It is normal that there is no way to transmit sound in this place, because we are in a huge illusion from beginning to end.”

“From the moment we entered the cave, we have entered an illusion. It is difficult for us to distinguish whether the things here are real or fake.”

Chen Ping said!

“Illusion? If we are in an illusion, wouldn't it be impossible to escape from that old thing?”

Someone asked nervously!

“Yes, if it was an illusion, then we might still be where we are now.”

Chen Ping's views made many people panic!

After all, everyone's feelings are real, and whether they are killing monsters or collecting fairy grass, they are also real!

Now it has suddenly turned into a fantasy, which is hard for them to accept!

“This illusion was not created by that old guy, and he doesn't have the ability to create such a huge illusion.”

“I guess this used to be an ancient underground cave. Later, the two ancestor brothers of the ancient body refining clan fought here, and each set up a huge illusion array.”

“In the end, the two people died together, and the two huge illusion formations slowly merged, and finally became both real and fake.”

The reason why Chen Ping had this idea was because when he met the ancestor of the ancient body refining clan in the thatched house, his younger brother was not aware of it.

But when Chen Ping came out of the thatched house, he immediately met the old man in the palace. They were in the same place, as if they were not in the same time and space!

From this, Chen Ping deduced that these were all phantom formations. They were different phantom formations for two people, so they could be in the same place without being able to see each other!

Many monks were a little confused by what Chen Ping said. They couldn't understand what was going on!

Now they just want to escape, whether it's a phantom formation or a cave, as long as they can get out alive!

As for the treasure, none of them want it!

"Fellow Daoist Chen, just tell us how we can get out. Don't tell us this. We don't understand it at all!"

A monk asked Chen Ping!

"Yes, Mr. Chen, just say it, we will all listen to you."

Ji Yun also nodded and said!

Chapter: 4885

Chen Ping glanced at everyone, and then said: "It is simply impossible for us to escape from here."

"ah....."

Chen Ping's words shocked everyone!

Even Ning Caichen frowned and looked confused!

“Why? Are we going to die trapped here?”

“That’s right, why can’t we get out? There are so many of us, can’t we find a way out?”

“Mr. Chen, please explain in detail, why can’t we get out?”

Many people asked Chen Ping in shock!

“If we want to escape from here, we must find a way to kill that old guy. Although it is just a remnant soul, he has been trapped here for many years and must have laid many traps long ago.”

“The ice soul fragments are actually your illusions. They are not ice soul fragments at all, and the energy in the ice soul fragments is just an illusion. It traps your minds and makes you feel that you have been absorbing energy and cannot stop. .”

“So we have to destroy that old thing. I believe this place will definitely become a different place, and we will be able to get out by then.”

Chen Ping explained!

“Although that old guy only has a trace of his soul left, he is very powerful and has a few lackeys of the Five Elements Heavenly Evil around him. How can we possibly deal with him?”

Ning Caichen asked Chen Ping!

“We can’t deal with it, but that doesn’t mean no one can deal with it. Have you forgotten that I have seen the ancestor of the ancient body refining clan?”

“We can ask him for help. His remnant soul still exists. With his help, we won’t have to be afraid.”

Chen Ping now places all his hopes on the ancestor of the ancient body refining clan!

Everyone listened to Chen Ping's words and couldn't refute it!

They can only follow Chen Ping's arrangements now. After all, only Chen Ping has met the ancestor of the ancient body refining clan!

And no one has a better way now, not to mention that if they don't unite now, they will die faster!

"Everything is subject to the arrangements of Fellow Daoist Chen, I'm sorry..."

Many monks put all their hopes on Chen Ping!

Chen Ping now set his sights on Ning Caichen. If Ning Caichen disagreed with him and parted ways with him, they would have no ability to resist when they were hunted down by the Five Elements Evil!

Now only by uniting together can we not be afraid of the Five Elements Evil. Now that the old devil dares not step out of the altar, he will definitely be chased by the Five Elements Evil!

Chapter: 4886

"Just do as you say, there is no better way now."

Ning Caichen nodded!

Now everyone obeys Chen Ping, and Chen Ping takes overall command!

"Then let's go. We can't stay here for long. The Five Elements Heavenly Evil will probably catch up soon. We can't fight with them yet."

After Chen Ping finished speaking, he led everyone away!

After all, everyone just spent a lot of energy to break the formation. If the Five Elements Heavenly Evil catches up at this time, they will not be able to defeat them if they join forces!

The top priority now is to recuperate and let everyone take a breather!

Not long after Chen Ping and the others left, Jin Sha and others chased here. After looking around, Jin Sha looked in one direction!

“Jin Sha, do we really want to listen to that old guy and continue to hunt down those people?”

“Why don’t we take the opportunity to escape? I always feel like it’s not safe here.”

Huo Sha said to Jin Sha!

“Yes, I don’t feel very safe either. I feel panicked...”

Mu Sha also said quickly!

“What do you know? We are chasing those people not for that old guy, but for ourselves.”

“If these people are allowed to escape and spread the secrets of our Demon Sealing Alliance, do you think the alliance leader will let a few of us go?”

“You know, hiding the demons secretly and planning to use the demons to revive them is something that is looked down upon by the monks in the heaven and human world.”

“Don’t talk about these monks. Even if the beasts know about it, I’m afraid they will be in trouble with our Demon Sealing Alliance.”

“Our Demon-Sealing Alliance has been able to develop so much because of the banner of slaying demons.”

“If the secret is leaked, how many members will leave the Demon Sealing Alliance, and they may even turn against each other, have you ever thought about it?”

Jin Sha shouted at several people very dissatisfied!

Hearing what Jin Sha said, several people also knew the seriousness of the matter. When the news spread, it would undoubtedly be a bombshell!

“Then let’s chase them quickly. We can’t let them escape alone...”

Huo Sha said anxiously after hearing what Jin Sha said!

“But in which direction should we pursue?”

Chapter: 4887

Now there was a fork in front of them, and it was impossible to tell where Chen Ping and the others escaped from.

“We will pursue each other separately. If we catch up, don’t act rashly and report the location immediately.”

Jin Sha ordered!

Everyone nodded, and then Jin Sha and Huo Sha chased in one direction, while the others went in another direction!

Just when Jin Sha and the others were reluctant to give up, Chen Ping was leading everyone to run quickly.

Soon, two figures were quickly approaching Chen Ping!

These two people are Jin Sha and Huo Sha!

After seeing Chen Ping and the others, Jin Sha and Huo Sha slowed down!

“Fire Fiend, send me your location immediately and contact others...”

Jin Sha ordered to Huo Sha!

The fire demon nodded, and a line of quenching fire hit the ground, and then he muttered something.

When Jin Sha saw that Chen Ping and the others were still running away, he decided to temporarily harass Chen Ping and the others to slow them down!

Then Jin Sha took out a gold coin from his arms and tossed the gold coin casually!

With a bang, the gold coin instantly turned into a metal doll!

Jin Sha punched an aura into the metal doll, and saw the metal doll flying out. For a moment, the sky was filled with golden light. In this golden light, a golden figure appeared, and there was a terrifying aura on the figure. breath!

“Look, what is that?”

A monk running at the end shouted!

But just as the shout came out, a golden light suddenly shot out and penetrated the monk’s chest in an instant, and bright red blood flowed out!

The monk fell to the ground instantly, and then a white light emitted from his body, and then floated into the air!

This sudden change shocked everyone!

“What is that and why is it so powerful?”

A monk looked at the golden figure with a shocked face and said!

“Is this a human or a machine? Why does the aura on his body feel so special?”

Lao Sun looked at the metal doll with confusion on his face!

Chapter: 4888

“Stop him...”

Someone roared, and then everyone showed their weapons!

These people all know that if they don't deal with the pursuers behind them, they will always be hunted down!

So we need to deal with this guy who doesn't know what he is first!

For a moment, all kinds of brilliance flew around, and terrifying spiritual power spread across the world!

The metal doll, however, faced various attacks and remained indifferent. It had no life itself, so there was no fear of death!

And it's made of metal, so it can't be broken easily!

Soon, many attacks hit the metal doll, but they did not cause any damage!

These monks were already exhausted, and the attacks launched under such circumstances would not be too powerful!

“Hahaha, you all seem to be extremely exhausted. With so many people, you can’t even deal with one of my toys!”

At this time, Jin Sha’s voice came from the corner!

Jin Sha saw so many people attacking his metal doll without causing any damage. He knew that these people were exhausted and there was no threat anymore!

Listening to Jin Sha’s voice, everyone’s hearts skipped a beat. Now they are tired masters. If they are caught up by Five Elements Heavenly Evil, the result will be self-evident!

Jin Sha no longer hid, but walked out directly, and the metal doll slowly fell to Jin Sha’s side!

Seeing Jin Sha coming out, everyone’s eyes were filled with fear!

“Look at you bunch of lambs waiting to be slaughtered, who should I kill first?”

Jin Sha grinned, not to mention how proud he was!

“You go first, I’ll deal with this guy...”

Chen Ping stood up and said!

Chen Ping could tell at a glance that not all the Five Elements Evils were chasing after them, otherwise only this Golden Evil would show up!

Before all the Five Elemental Evils have arrived, Chen Ping wants everyone to escape first!

Otherwise, if the entanglement continues and all the Five Elements Evils arrive, it will be troublesome!

As long as we find a secluded place for everyone to rest and recover, they no longer need to be so afraid of these Five Elements Evils!

“Mr. Chen, can you do it yourself?”

Chapter: 4889

Ji Yun asked Chen Ping!

“That’s right, Brother Chen, you have no chance of winning against the Five Elements Evil by yourself, otherwise I would stay with you.”

Lao Sun also wants to stay with Chen Ping!

“Don’t worry, I can still handle just one Golden Evil. The other Five Elements Heavenly Evils haven’t come after me.”

“Now you take advantage of this opportunity and leave quickly. If all the Five Elemental Evils arrive, we won’t be able to leave!”

Chen Ping said to Lao Sun!

“Brother Chen is right. The spiritual power in our bodies is almost exhausted now. If we stay, we will die in vain!”

Zuo Qing stepped forward and said!

“Okay, let’s leave then. Brother Chen, take care of yourself...”

Lao Sun nodded!

Then everyone started to flee, and when Jin Sha saw this, he loudly said: “You still want to escape, but no one can leave today...”

Jin Sha controlled the metal doll to fly up suddenly, and the doll’s body was bursting with golden light, like a rocket shooting out!

“Humph, it’s not you who has the final say whether you can leave or not...”

Chen Ping snorted coldly, and his body instantly erupted with terrifying energy!

His body also jumped up instantly, blocking the puppet!

The puppet suddenly stretched out its right hand, and pointed its sharp fingers towards Chen Ping. The void roared and trembled, and sharp wind surged!

Jin Sha controls the puppet, so he doesn’t worry about getting hurt at all, and has no scruples in his heart!

He is even less afraid of Chen Ping’s extreme fire. Otherwise, Jin Sha would still be a little scared to fight with Chen Ping!

Looking at the doll, Chen Ping’s mouth was full of disdain!

It’s just a pile of metal parts, and Chen Ping doesn’t take it seriously!

Chen Ping's eyes were filled with brilliant light, and the source of fire in the original space was activated instantly, and then the indestructible golden body also covered his whole body. At this time, Chen Ping was like a metal doll, covered in golden scales!

For a moment, flames shot into the sky around Chen Ping's body, golden light shone, and he looked like a flaming war god!

squeak squeak squeak squeak squeak squeak squeak

At this time, one of the doll's claws has arrived, followed immediately by the sound of metal hitting metal, making people's hair stand on end!

Chapter: 4890

Although the claw of the doll is very powerful, it cannot break Chen Ping's indestructible golden body!

"Go to hell..."

Chen Ping shouted low and punched out!

The golden fist light mixed with fierce flames instantly enveloped the doll!

Jin Sha frowned tightly as he looked at the scene in front of him. He didn't expect that Chen Ping had the magical ability to protect his body with an indestructible golden body!

Snap.....

Soon, the puppet controlled by Jin Sha suddenly lost control and fell from mid-air to the ground in an instant!

The raging flames burned, and even the metal made a crackling sound!

The puppet slowly turned into liquid under the flames!

Jin Sha's face turned ugly, and he was able to melt his metal doll directly, which shows how powerful Chen Ping's ultimate flame is!

At this time, Chen Ping was suspended in the air and looked at Jin Sha coldly: "Are you scared?"

Chen Ping's face was full of disdain!

Jin Sha was so angry that he was about to vomit blood. As a ninth-level monk in the Fusion Realm, he was crushed and humiliated by Chen Ping time and time again!

But there was nothing he could do, after all, Chen Ping's Ultimate Fire had fatal restraint on him!

Just when Jin Sha didn't know what to do, Huo Sha suddenly appeared and said to Jin Sha: "You go chase people, leave this kid to me, play with fire with me, he is still a little green..."

Jin Sha nodded, then jumped up, planning to chase the others...

When Chen Ping saw this, he suddenly waved out a flame from his palm, instantly blocking Jin Sha's path!

He can't let Jin Sha catch up with those people. Now Chen Ping must protect the remaining people, because as long as they all recover their strength and unite, they will have a chance of winning!

"Hmph, a boy at the fourth level of the Fusion Realm actually dares to take action against the two of us."

Huo Sha didn't take Chen Ping seriously at all, and then a flame burst out from Huo Sha's mouth!

This flame is so fierce that it seems to be much stronger than Chen Ping's Ultimate Fire!

The flames headed towards Chen Ping, but Chen Ping didn't even dodge!

In an instant, Chen Ping was swallowed up by the flames!

Seeing that Chen Ping didn't dodge, Huo Sha was a little confused and didn't understand what Chen Ping was doing!
