

The Order 4891

Chapter: 4891

“Do you think that your body-protecting magic can block my burning flames?”

“You are too naive, my flames can burn everything...”

Huo Sha had a sneer on his face.

But Chen Ping ignored him, and actually jumped up with the flames of the fire evil, blocking him in front of the golden evil spirit!

“Fire Demon, what are you doing? How come this guy can move around without being wrapped in your flames?”

Jin Sha looked puzzled. Chen Ping was surrounded by flames, but he could still move freely, and he didn't even let out a scream!

Neither of them knew that the fiery flames of the fire evil could not bring any harm to Chen Ping!

On the contrary, Chen Ping can understand the origin of fire from the flames of this fire evil and continue to strengthen his original power!

“Go back...”

Chen Ping punched Jin Sha, trying to force Jin Sha back!

Jin Sha's eyes narrowed and he also punched out!

Boom boom boom...

Chen Ping punched out thousands of golden fist shadows, and every punch was filled with holy light!

Jin Sha frowned slightly, and when his fists were pressed against each other, he felt that the power of Chen Ping's fist was not inferior to his own!

With this punch, the power of both sides was extremely huge, and bursts of roars erupted in the void. The spiritual power spread out to the surroundings with the two of them as the center!

The fiery flames on Chen Ping's body were actually blown out by the scattered spiritual power under this punch!

Chen Ping's body fell from mid-air to the ground, and he took several steps back!

And Jin Sha also fell back to the ground, his face extremely ugly!

Jin Sha really didn't expect that Chen Ping, a fourth-level monk in the Fusion Realm, could be so powerful with pure power!

This time, Chen Ping did not use Ultimate Fire, and Jin Sha was not restrained by the terrain, but even so, he did not get any advantage with this punch!

"Jin Sha, what are you doing? Your punch failed to kill a young monk who is in the fourth level of the Fusion Realm?"

Huo Sha asked Jin Sha!

It was Jin Sha who questioned him just now, and now he is questioning Jin Sha!

Both of them are embarrassed at this time anyway!

Chapter: 4892

Fortunately, they are the only two here. If there were other people present, they would probably be laughed at for the rest of their lives!

“That’s so fucking evil. Why is this kid so powerful?”

Jin Sha frowned!

“Yes, and this kid is wearing golden armor, and he is not afraid of being burned by my flames.”

Huo Sha also frowned!

When Chen Ping saw that the two of them were distracted, he grabbed it in the air, and the Dragon-Slaying Sword appeared directly in his hand!

“Nine Shadows Sword Technique.....”

Chen Ping used the Nine Shadows Sword Technique!

Several rays of sword light emitted golden light, heading straight for the two of them!

Upon seeing this, Jin Sha and Huo Sha quickly waved up a barrier to block it!

When the two of them waved the barrier, a smile appeared on Chen Ping’s lips!

He didn’t want to attack the two of them, he just wanted to attract their attention!

In an instant, five identical figures appeared next to Chen Ping!

Chen Ping's body took the opportunity to retreat and escaped quickly!

When Jin Sha and Huo Sha blocked the sword light and looked forward, they found that five identical Chen Pings appeared in front of them!

"Damn, this kid is using illusions again..."

Jin Sha saw this and cursed loudly!

They were fooled by Chen Ping's illusion. It was so embarrassing!

Now Chen Ping is still using illusions!

"Whether it's an illusion or not, just destroy what's in front of you first..."

After the fire demon finished speaking, he punched out, and a fire fist went straight to one of them, Chen Ping!

Jin Sha also punched the other Chen Ping!

Boom boom.....

After two explosions, the two Chen Pings disappeared instantly!

Chapter: 4893

"It's not the original body. Come again..."

Seeing this, the two men attacked again!

But this time in the attack, two Chen Pings disappeared again, but they were not their original bodies!

This time, the two people stared at the last Chen Ping, with sneers on their faces!

Chen Ping, holding the Dragon-Slaying Sword in his hand, also had a calm expression on his face, without the slightest hint of panic!

“Now, let me see how you can escape...”

Jin Sha looked at Chen Ping gloomily, now he wanted to bite Chen Ping to death!

“I want to run away, but you can’t stop me, you two idiots...”

Chen Ping smiled mockingly at Jin Sha and Huo Sha!

When the two people heard Chen Ping’s ridicule, they became furious, and they all roared towards Chen Ping!

“Boy, if you dare to laugh at us two, you are seeking death...”

“I’m going to kill you and cut you into pieces...”

Jin Sha and Huo Sha roared, auras surging in their hands!

But Chen Pingping remained motionless when facing the two people, his eyes were full of disdain, as if he didn’t look down on them at all!

Seeing Chen Ping’s expression, the two of them became even more angry!

boom.....

The two people attacked together, and a deafening sound suddenly broke out!

For a moment, the earth shook and the mountains shook, and the void trembled!

But when he was looking at Chen Ping, he suddenly disappeared. Their desperate attacks did not hurt Chen Ping at all!

“This...could this last one be fake too?”

Huo Sha frowned, his face full of confusion!

“How could this happen? Are these all illusions and illusions created by us?”

Jin Sha kept rubbing his eyes, but there was no sign of Chen Ping at all, and there was no body of Chen Ping!

At this time, both of them were confused. They really couldn't understand why Chen Ping suddenly disappeared?

Chapter: 4894

In fact, these are not illusions, but real clones with Chen Ping's aura!

That's why the two of them feel so real!

However, Chen Ping knew that he was outmatched, so he did not use his clone to resist!

The spiritual power consumed by the clone belonged to Chen Ping's body, so Chen Ping did not resist, but his body quietly escaped!

“Damn, I let him run away. I’m so angry...”

Huo Sha gritted his teeth and looked angry!

At this moment, the other members of Five Elements Tiansha received the message from Huo Sha and rushed over!

“Where are the people?” After Mu Sha came over, he found that there was no one, so he asked!

Jin Sha and Huo Sha stopped talking. If this were told, they would be laughed to death!

The two of them didn’t stop the person and let Chen Ping escape in the end!

Neither of them could stop a young monk who was at the fourth level of the Fusion Realm!

“Everyone has run away, let’s continue chasing...”

After Jin Sha finished speaking, he chased in the direction where everyone fled!

Others saw this and followed closely!

On the other side, Ji Yun and Lao Sun slowed down after escaping for a distance!

They were all deliberately waiting for Chen Ping, but in the end they simply stopped!

“Can Mr. Chen escape alone?”

Ji Yun said with some worry!

“There should be no problem. Since he asked us to leave first, there must be a way.”

Lao Sun believed in Chen Ping.

But having said that, Lao Sun also had a bit of worry on his face and kept looking back!

Many monks also stopped spontaneously, waiting for Chen Ping to catch up!

After this period of contact, these monks all know that only by following Chen Ping can they have a high chance of survival!

“Look, Mr. Chen...”

Chapter: 4895

At this time, Gao Qisheng saw a figure, and when he realized it was Chen Ping, he immediately shouted!

When everyone saw that it was Chen Ping, they were all very excited!

“Mr. Chen, I didn’t expect you to actually escape.”

Ji Yun saw this and said happily!

“Why can’t you stop?” Chen Ping asked in surprise!

“Brother Chen, we are worried about your safety, so we are waiting for you.”

Lao Sun said!

“Let’s go quickly. After a while, the Five Elements Heavenly Evil will catch up again. Let’s find a hidden place to regain our strength first.”

After Chen Ping finished speaking, he led everyone to continue running forward!

Chen Ping walked with these people for who knows how long, but he still couldn't find the aura that Chen Ping was familiar with. When Chen Ping saw the ancestor of the ancient body refining clan in the thatched house, that aura followed the current old man. The devil's aura is completely different!

Now that Chen Ping has found that different aura, he may be able to find the ancestor of the ancient body refining clan!

"Chen Ping, we have walked for so long and still can't find the ancestor of the ancient body refining clan, and this place is like a maze."

"If we continue like this, we will all be exhausted and there will be no way to recover our strength!"

Ning Caichen stepped forward and followed Chen Ping and said!

Chen Ping also frowned slightly at this time. He was not conscious at all at the time, and suddenly arrived in front of the thatched hut, and then suddenly left. It would be difficult for him to find the thatched hut now!

"Mr. Chen, do you think it will take special means to find the ancestor of the ancient body refining clan?"

"When you saw the ancestor of the ancient body refining family, we couldn't see anything. That proves that special means or items are needed to open the door to see the ancestor of the ancient body refining family!"

Gao Qisheng asked Chen Ping!

Chen Ping thought carefully. At that time, because he had the real key to the treasure, he went directly to the thatched house and met the ancestor of the ancient body refining clan!

“Let’s find a place to rest first. Maybe I know how to find the ancestor of the ancient body refining clan.”

Chen Ping said to everyone!

Everyone found a place to rest, and they all took advantage of the opportunity to recover their strength!

Chen Ping, on the other hand, looked at the void in front of him, thinking a little!

He doesn’t have the key to the treasure now, so if he wants to meet the ancestor of the ancient body refining clan, he needs other methods!

Chapter: 4896

“Perhaps this entire treasure land is an illusion. Since it is an illusion, can I also use illusion to recreate a space?”

Chen Ping looked at the void and pondered. Since the space here is not necessarily real, he can also use the illusion to make the thatched house appear!

Thinking of this, Chen Ping stretched his hands forward gently, and then the source of illusion began to flicker and emanate from the original space!

Chen Ping saw that the void touched by his hands actually caused a ripple!

Seeing this, Chen Ping felt happy, and then he kept crossing his hands and waving them!

It only took a moment for Chen Ping to stir up a huge vortex in the void!

Looking at the whirlpool in front of him, Chen Ping laughed!

“Mr. Chen, what is this?”

Ji Yun asked in surprise when he saw the huge whirlpool that suddenly appeared!

“Through this whirlpool, we should be able to find the ancestor of the ancient body refining clan...”

Chen Ping smiled slightly and said!

At this time, many monks came over and looked at the huge whirlpool in the air with gloomy and uncertain eyes!

Because the whirlpools they encountered at the beginning were filled with murderous intent!

At that time, in order to find a suitable passage, the Five Elements Heavenly Evil used those casual cultivators as guinea pigs, and many people died!

Now when they see the sudden appearance of the whirlpool, many people feel fear in their hearts!

“Brother Chen, did you create this whirlpool?”

Lao Sun asked while looking at the whirlpool!

Chen Ping nodded and said: “The place we are in is a man-made time and space, so no matter how we go, we can’t find the ancestor of the ancient body refining family.”

“The ancestor of the ancient body refining clan should have been in another constructed time and space. When he and his younger brother died together, the remaining souls of the two people entered their own illusions. Although their illusions overlapped for so many years, they were still There is a distinction.”

Chen Ping explained along with everyone!

“According to what you said, if we pass through this vortex, can we reach the illusion of the ancestor of the ancient body refining clan?”

Ning Caichen asked!

“Not bad!” Chen Ping nodded and said!

Even so, who will pass through this vortex first?

Chapter: 4897

If there is another murderous intention in this whirlpool, then the first one to enter will definitely die!

“I’ll give it a try first. If it doesn’t work, you guys are thinking of other ways...”

At this time, Lao Sun spoke, someone must take the lead!

As Lao Sun, who has been following Chen Ping and been rescued several times by Chen Ping, he has long regarded himself as a direct descendant of Chen Ping!

If he doesn’t step forward at this time, who else can take the lead?

“No, I’ll go first this time. Since I created the whirlpool, I know the situation inside better than you do!”

“What’s more, I don’t break the golden body protection, and the ordinary killing array can’t do anything to me...”

After Chen Ping finished speaking, he rushed directly towards the whirlpool!

After seeing Chen Ping enter the whirlpool, Lao Sun and the others followed closely, with Ning Caichen entering last!

The euphemistic name is to hold the battle for everyone, but in fact Ning Caichen does not have 100% faith in Chen Ping!

If there is really danger in the whirlpool, he will be the last one to enter and can terminate it at any time!

After Chen Ping entered the vortex, his vision suddenly became blurry, as if he had entered a space-time teleportation array. His body was tightly suppressed, and he couldn't even use his spiritual sense to detect it!

He only heard the white light flashing in front of his eyes, and the whistling wind kept ringing in his ears. He didn't know how long it took before Chen Ping felt the wind stop, and Chen Ping opened his eyes!

When Chen Ping opened his eyes, he found that he was in a canyon, and deep in the canyon, a thatched house stood there!

The canyon is surrounded by lush green trees, the scenery is very beautiful, and the sky is extremely blue, giving people a fresh and refreshing feeling!

Compared with the gray altar space, this place is simply a paradise on earth, not depressing at all!

It's just that in such a good environment, there is no life and life!

Chen Ping exuded his spiritual consciousness and wanted to feel the breath of the ancestor of the ancient body refining clan, but he couldn't feel it at all!

"Damn, the world here is really beautiful..."

Looking at the lush green trees in front of him, Gao Qisheng couldn't help but scream!

He lives in the far north, where it's all ice and snow, and it's rare to see such beautiful scenery!

The monks who came one after another were shocked when they saw the scene in front of them!

This world is much more beautiful than the world of the old devil they came to just now!

"Mr. Chen, is this the thatched house you mentioned?"

Chapter: 4898

Ji Yun looked at the thatched house not far away and said!

"Yes, it's this thatched hut, but I don't feel the breath of the ancestor of the ancient body refining clan, so I don't know if it's still inside!"

After Chen Ping finished speaking, he walked towards the thatched house!

Seeing this, the others also followed Chen Ping and walked over!

Walking into the thatched house, Chen Ping looked at the furnishings inside. They were exactly the same, except that all the ancient physical training techniques and treasures inside were gone, and had entered Chen Ping's storage ring!

"This ancestor of the ancient body refining clan is too poor to live in such a thatched house, which is too simple..."

Gao Qisheng looked at the furnishings in the thatched house and sighed!

"There is only a trace of the remnant soul left. After so many years, maybe the remnant soul will dissipate one day. It would be nice to have a thatched house to cover myself."

“When the remaining souls dissipate, it is estimated that this world will collapse and cease to exist...”

Ning Caichen looked at the thatched house and said calmly!

“Then why does the old devil belong to a palace and an altar, so he makes it so grand?”

Gao Qisheng said in confusion!

They are all remnant souls, and they may all dissipate, but the old devil has made his world so complicated!

“The old guy has been preparing to reshape his body. Otherwise, why would he make his world so complicated?”

“And all kinds of inducements are tempting us step by step to the altar...”

“The final strength of those dead monks will become the old man’s resources to help him rebuild his body.”

Chen Ping explained!

“This old devil is really bad...”

Gao Qisheng gritted his teeth and said!

“ah.....”

Suddenly, a scream sounded outside the thatched house, making Chen Ping and the others stunned!

Chen Ping and the others heard the sound and rushed out quickly!

Everyone rushed out of the thatched house and saw Yuan Bao standing blankly. In front of him, an old man who looked exactly like the old devil was looking at him!

Yuan Bao thought that the old devil was chasing him, so he screamed in fright!

Chapter: 4899

It's just that the aura of this old man is different from that of the old devil. It doesn't have that aggressive feeling!

This made Yuan Bao calm down!

When other people saw the old man, they were also startled, thinking that the old devil was coming!

Only Chen Ping became excited when he saw the old man and ran over quickly!

"Senior, senior..."

Chen Ping happily ran to the old man!

The old man looked at Chen Ping with a bit more reproach in his eyes!

"Didn't I tell you not to be greedy and not to move forward?"

The old man asked Chen Ping!

"I..." Chen Ping felt a little ashamed, and then said truthfully: "Senior, I need to find the Ice Soul Pill to save people, so I have to move forward."

“Hey, you people fought so hard for the so-called treasure, and finally lost your lives in vain and made wedding clothes for others.”

“If it weren’t for you, this so-called treasure land would have completely collapsed in a few years, and we would have disappeared forever. But now, it has caused such a big trouble.”

The old man sighed, with an expression of unspeakable worry!

“Senior, why do the dead monks here turn into a white light and be sucked away by an inexplicable suction force instead of disintegrating and disappearing?”

“What the hell is going on?”

Chen Ping asked very puzzledly!

“Hey, now that you have found this place, it is God’s will. Come with me...”

After the old man finished speaking, he turned around and walked towards the depths of the canyon!

When Chen Ping and the others saw this, they hurriedly followed!

The old man waved his hand gently, and everyone seemed to have entered another world. This world was also filled with a dark and terrifying atmosphere!

At this time, everyone became nervous and didn’t understand where the old man was taking them!

Chen Ping also discovered that this world seemed to be imprisoned. They were unable to fly or emit spiritual consciousness. They could only move forward step by step relying on the most primitive power!

“Every space you see here is not real, so even if those monks die, their strength will not disappear into the vast world like outside.”

“The strength of those dead monks was absorbed by my brother using the Ice Soul Pill.”

Chapter: 4900

“When the Ice Soul Pill absorbs enough strength and turns into a pure white pearl, it will be able to reshape the body with a ray of residual soul.”

“Although that will result in the loss of some strength, it is equivalent to rebirth and no longer subject to any restrictions!”

“You so-called treasure hunters are actually just a bunch of resources...”

Following the old man’s words, Chen Ping was not too surprised, because he had already guessed some!

“Senior, since you know that your brother wants to reshape his body, why don’t you stop him?”

“Why don’t you get the Ice Soul Pill and rebuild your body?”

Chen Ping asked in confusion!

After all, both of them are just remnant souls now, and they are still in this airspace. The ancestor of the ancient body refining clan can completely compete for the Ice Soul Pill and rebuild the body!

“I gave him the Ice Soul Pill. I believe that even if he gets the Ice Soul Pill, he won’t be able to rebuild his physical body.”

“Because this so-called treasure place is only known to us, the Ancient Body Refining Clan, and will never be leaked to the outside world, and no one from the Ancient Body Refining Clan will ever come to this place.”

“This is the ancestral precept of the ancient body-refining clan. Every clan leader must abide by it. If no one comes here, the Ice Soul Pill cannot absorb the strength, and it will be impossible to reshape the body.”

“In another hundred years, our remaining souls will reach their limit, and this place will completely disappear...”

“What a pity, what a pity...”

The old man shook his head as he walked, his face full of regret!

Chen Ping was even more confused after listening to the old man’s words. Since it was the ancestral teaching, why did the current patriarch of the Ancient Body Refining Clan spread the news about the treasure land?

He even gave himself the key to the real treasure, obviously so that he could find the real treasure.

And this Ice Soul Pill, I remembered that the Princess of Jialing County asked me to take the Ice Soul Pill!

Chen Ping was thinking hard, and he suddenly realized that he seemed to be falling into a huge trap step by step!

The princess of Jialing County, the patriarch of the ancient body refining clan, and Gao Qiqiang of the Gao family...

At that time, the leader of the Ancient Body Refining Clan said that he would donate the treasure land in order to cause chaos in the Far North and prevent the Gao family from continuing to encroach on the territory and resources of the Ancient Body Refining Clan!

But as Chen Ping stayed in the Gao family, he discovered that the Gao family did not seem to be as cruel to the Ancient Body Refining Clan as he said. Moreover, the Ancient Body Refining Clan seemed to have some kind of connection with the Gao family!

This Ice Soul Pill can reshape the physical body, so the Princess of Jialing County must want to use this Ice Soul Pill to restore her body.

But how did the Princess of Jialing County know about this Ice Soul Pill and this extremely secret treasure place?

And the half of the jade tablet will form a real treasure key!
