

The Order 491

Chapter: 491

Taking out his cell phone, Chen Ping felt a little strange when he saw that the call was from Gu Wentian!

After all, Gu Wentian rarely contacted Chen Ping directly.

After the call was connected, Gu Wentian's anxious voice came from the other side: "Mr. Chen, something happened, something big happened..."

When Chen Ping heard this, his body shook slightly: "Gu Gu, what happened? Speak slowly!"

"Thunder Temple, something happened in Lei Ming Temple, please come back quickly..."

Gu Wentian's voice was trembling, with a hint of panic!

"Okay, I'll go back right away!"

Chen Ping's face turned cold and he hung up the phone!

"Mr. Chen, what happened?" Lin Tianhu asked when he saw Chen Ping's expression was wrong.

"Something happened to Taoist Master Buxu. I'll go back and take a look. You're here to guard Yu Qi. Don't let her get into danger!"

Chen Ping said as he returned to the room to tidy up his clothes!

"Do you want me to go back with you?" Lin Tianhu asked.

“No, remember, you must protect Yu Qi. I don’t think the Wei family will give up so easily.”

After Chen Ping finished speaking, he picked up his coat and ran out!

The car was speeding rapidly, and the chill on Chen Ping’s body became more and more intense. Xiaoru had a rare ice crystal body. If she could step into the world of immortality, her future strength would definitely not be underestimated!

It’s just that Chen Ping’s strength is not enough to introduce Xiaoru into the world of immortality. He can only transform her body so that she can benefit from it. Therefore, Chen Ping did not rush to help Xiaoru transform her body. Instead, he helped Xiaoru absorb it after a while. A physical chill!

After all, this kind of physique is so rare, but now something happened to Lei Mingguang, Chen Ping began to worry about Xiaoru’s safety. Although Xiaoru has a body of ice crystal, she can’t control the coldness of her body at all, just like an ordinary girl. If you encounter danger, you have no power to resist!

Thinking of this, Chen Ping speeded up again, and the car was like a cannonball, rushing towards Thunder View!

When Chen Ping arrived at the foot of Thunder Mountain, it was already late at night. The sky was dark, without a trace of light. It was very depressing. It looked like it was going to rain!

Putting the car at the foot of the mountain, Chen Ping quickly rushed towards the top of the mountain. Chen Ping, who had already practiced Qi at the ninth level, had long been different from ordinary people in terms of hearing and vision!

Rumble.....

Not long after running towards the top of the mountain, there was a sudden thunder, followed by heavy raindrops!

Chen Ping's figure was not hindered by the rain, and his whole body was wrapped in a light layer of mist. The rain suddenly evaporated before it fell on Chen Ping, and it could not get Chen Ping's clothes wet at all!

When he was approaching the top of the mountain, Chen Ping saw a sentry post on the road. Someone had already set up a cordon. Chen Ping knew that someone must have died in Lei Mingguan, but he didn't know who died specifically!

Chapter: 492

The speed increased again. Chen Ping bypassed the sentry and went directly to the top of the mountain. As soon as he reached the top of the mountain, Chen Ping was stunned by the rich smell of blood. In this majestic and heavy rain weather, the smell of blood was still so strong. It can be seen that A lot of people must have died here!

Looking at the rainwater under my feet, it all turned red, then gathered together and flowed down the mountain!

Outside Lei Ming Observation, dozens of agents in raincoats were busy. Seeing Chen Ping suddenly approaching, an agent immediately stopped him: "Who are you? You are not allowed to come near here!"

"Get out of the way!" At this time, two figures hurriedly walked out of Leiming Temple!

These two people are Ling Zhenchuan and Gu Wentian!

After seeing Chen Ping, both of them shouted respectfully: "Mr. Chen..."

Several detectives who stopped Chen Ping showed a bit of shock. They saw that Chen Ping was only in his early twenties. He was so young and could actually make the head of a city and retired officials from the provincial government be so polite!

Chen Ping nodded slightly as a greeting, and then followed Gu Wentian and Ling Zhenchuan into Leiming Temple!

As soon as I walked into Leiming Temple, I saw more than a dozen corpses lying staggered in the yard. These corpses were Taoist boys from Leiming Temple, disciples of Taoist Master Buxu!

Chen Ping knows most of them. After all, Chen Ping came to Leiming Temple to absorb the cold air for Xiaoru, and he also interacted with these Taoist boys!

Slowly squatting down, Chen Ping took a closer look at the wounds on the Taoist boy's body. They all died after their throat bones were crushed. There were five blood holes on each Taoist boy's neck, which were constantly flowing out. Bleeding!

"Where is Taoist Master Buxu?"

Chen Ping asked.

"Inside!" Gu Wentian said, and hurriedly led Chen Ping into the Taoist temple hall!

As soon as he entered the hall, he saw Taoist Master Buxu lying on the ground of the hall, his eyes wide open and his body already stiff.

"Buxu will never die with his eyes in peace. I tried to make him close his eyes, but there was no way!"

Gu Wentian did not dare to look directly at Taoist Master Buxu, and said with a sad look on his face!

Chen Ping slowly knelt down and gently touched Taoist Master Buxu's face with one hand:
"Taoist Master Buxu, don't worry, I will definitely avenge you!"

When Chen Ping took his hand away, Taoist Master Buxu's eyes had been closed.

Chen Ping stood up and glanced at the main hall, but saw no other bodies, so he asked: "Where is Taoist Master Buxu's daughter Xiaoru?"

Gu Wentian shook his head, but Ling Zhenchuan said, "I don't know where he went. After we got the news and rushed here, we sealed off the scene. There was no one else. The scene is as it is now, and no one moved!"

"Who on earth is this person? He is so vicious that he even massacred the Taoist temple!"

Gu Wentian gritted his teeth and said.

A person had already flashed in Chen Ping's mind at this time, but there was no evidence at this time, and Chen Ping did not dare to make any comments!

Chapter: 493

"Don't worry, Gu Gu. I have asked the criminal investigation department to conduct a strict investigation. I believe we will know who the murderer is soon!"

Ling Zhenchuan also said with a sad and angry look.

"Mayor Ling, let everyone stop investigating this matter. There are some things that ordinary people cannot investigate at all. Leave this matter to me!"

Chen Ping knew that this was definitely not done by ordinary people!

Ling Zhenchuan was stunned for a moment, and after looking at Chen Ping, he nodded: "Okay, I will ask all the investigators to evacuate right now!"

Just as Ling Zhenchuan finished speaking, there was a burst of noise outside.

Chen Ping and the others rushed out in a hurry. As soon as they arrived at the entrance of the Taoist temple, they saw a Taoist Wuwei wearing Taoist robes and soaked all over, arguing with the detective!

"Let him in..."

Chen Ping shouted sharply!

Several agents were stunned, but after looking at Ling Zhenchuan next to Chen Ping, they obediently got out of the way!

"Junior brother, junior brother....."

Taoist Wuwei roared in pain and rushed into the Taoist temple!

Chen Ping looked at Taoist Wuwei's sad look, and felt sad in his heart!

Chen Ping and Gu Wentian followed in, while Ling Zhenchuan left some people to clean up the scene. The others were asked to leave, and all of them were not allowed to tell what happened today!

"Junior brother, junior brother... wake up, wake up..."

In the main hall, Taoist Wuwei held the body of Taoist Master Buxu and cried loudly!

Chen Ping and the others stood silently aside, and no one spoke. No matter how much words of comfort were offered at this time, it would be in vain.

After crying for a long time, Taoist Wuwei put down the body of Taoist Master Buxu, his eyes flashed with murderous intent, and he gritted his teeth and said: "Old man Jue, you and I are incompatible. If I don't kill you, I will not be a human being..." "

Hearing Taoist Wuwei mention Taoist Miejie, Chen Ping felt certain in his heart. He was thinking of Taoist Miejie just now. He killed Liao Fei and took away the seven-star disk. I believe that Taoist Miejie would not let it go. After all, it was like the seven-star disk. This kind of treasure is rare in the world.

However, Chen Ping didn't expect that this Taoist exterminator would be so cruel. Instead of looking for trouble for him, he directly slaughtered the entire Lei Ming Temple!

"Taoist Master Wuwei, how did you know it was Taoist Jue who did it?"

Gu Wentian asked carefully.

"It was my traitorous junior brother who informed me, otherwise I wouldn't have rushed here so quickly. After we killed Liao Fei, my traitorous junior brother beguiled Master Jue to massacre the entire Lei Ming Temple to avenge his disciples. Afterwards, he informed I'm here to collect the body..."

Taoist Wuwei gritted his teeth, murderous intent bursting out of his eyes.

Chapter: 494

"It's absolutely crazy. This is not something a monk can do!"

Ling Zhenchuan was also shocked when he heard this.

“Then do you know where Xiaoru is?” Chen Ping asked.

“She was taken to Xioming Temple. After taking care of my junior brother’s funeral, I’m going to save her!”

Taoist Wuwei slowly picked up the body of Taoist Master Buxu and prepared to bury the body in the backyard!

Chen Ping stretched out his hand to stop Taoist Wuwei: “Taoist Priest, Taoist Priest Buxu and their funeral arrangements are arranged here. You take me to Xioming Temple now. I’m afraid I’ll be late and Xiaoru will be in danger!”

Taoist Wuwei was stunned for a moment, then put down Taoist Master Buxu’s body and nodded, “Okay, I’ll take you there now!”

“Gu Gu, Mayor Ling, I’ll leave this to you!”

Chen Ping said to Gu Wentian and Ling Zhenchuan.

“Mr. Chen, pay attention to safety!”

Gu Wentian warned!

Chen Ping and Taoist Wuwei set out. The Fierce Ming Temple was located on a steep mountain peak. The place was sparsely populated. Knowing that there were very few people here, no one would come to worship at the Fierce Ming Temple like they worshiped the Thunder Temple!

Under the guidance of Taoist Wuwei, it was not until dawn that Chen Ping and the others arrived at the foot of the mountain!

Looking at the towering peaks and lush green jungles, Chen Ping's eyes were filled with murderous intent.

Because of the heavy rain last night, the entire mountain peak was wrapped in moist mist. Chen Ping and Taoist Wuwei plunged into the mist and soon disappeared!

At this time, inside the Xioming Temple, several fierce-looking Taoist boys were lazily sweeping the Taoist temple. These Taoist boys were all extremely vicious murderers. They were later hunted down and hid here, and became Taoist boys!

In the main hall, there was a man wearing Taoist robes. This man was Xuan Jizi, the current master of Xioming Temple. This was the traitor Taoist Wuwei said, and Liao Fei was his disciple!

It was supposed to be time for the early morning sermon, but this Xuanjizi was absent-minded and pricked up his ears to secretly listen to the movement behind the hall!

In the room at the back of the main hall, the Taoist exterminator, who was already over seventy years old and had a beard, looked at Xiaoru on the bed with a serious expression!

Xiaoru curled up and looked at the savage-like weirdo in front of her with horror in her eyes!

She had just eaten last night and was preparing to rest when she suddenly heard a fight outside. When she opened the door, she was knocked unconscious. When she woke up, she found that she was already here!

“Tsk, tsk, tsk... The skin is as white as snow, and you can clearly see the blood vessels on the body. It is indeed a body of ice crystal. I lost the seven-star disk, but got such a treasure. It’s worth it, so worth it...”

Taoist exterminator looked at Xiaoru on the bed greedily, his face full of excitement!

“You...who are you? Why did you arrest me?”

Chapter: 495

Xiaoru asked the Taoist Master in fear!

“Little baby, you don’t have to be afraid. I won’t kill you. You can live here with me from now on. If you, the body of ice crystal, cultivate with me, I can live a hundred years longer!”

The exterminator licked his lips, and the lustful light in his eyes made Xiaoru desperately move his body back!

“You... don’t come here, otherwise my dad won’t let you go, he will definitely kill you!”

At this time, Xiaoru still didn’t know the news that Taoist Master Buxu was dead!

“Your father killed me? Hahahaha...a joke, a big joke!”

Taoist Jue suddenly raised his head and laughed: “Your father is already a corpse now. What did he use to kill me? With his soul? Even if his soul dares to find me, I can kill him!”

When Xiaoru heard this, she was shocked: “Did you kill my dad?”

“If I didn’t kill that old guy, how could I bring you here?”

The exterminator said with a cold smile.

Hearing this, Xiaoru seemed to be stupid, and then her eyes burst into anger: "I will kill you, I will kill you..."

There was no fear on Xiaoru's face, and her eyes were full of anger as she rushed towards the Taoist Master!

It's a pity that she is just an ordinary girl now. She is no match for Taoist Jue, and she was slapped away by Taoist Jue!

"If you want to kill me, then you must be obedient, serve me well, and practice cultivation with me. Maybe you can find a chance to kill me!"

After Taoist Mie Mie finished speaking, a hungry tiger pounced towards Xiaoru!

"Beast, let me go..." Xiaoru struggled desperately!

Stab...

A large piece of Xiaoru's clothes was torn off!

At the same time, Chen Ping and Taoist Wuwei ran quickly towards the mountain. Chen Ping was so fast that Taoist Wuwei could only barely follow behind!

Soon, the Xioming Temple appeared in front of the two of them. Looking at the dilapidated Xioming Temple, Chen Ping was a little confused, how could there be anyone in such a Taoist temple?

“Mr. Chen, this Taoist temple is a deserted Taoist temple. It was later occupied by the extinct Taoist and named Xioming Temple. The Taoist boys here are all heinous villains who hid here in order to evade capture!”

Taoist Wuwei followed Chen Ping and explained.

Chen Ping nodded, that means if everyone in this Taoist temple is killed, there will be no problem!

When Chen Ping and Taoist Wuwei appeared at the entrance of the Taoist temple, the Taoist boys who were sweeping the floor were all stunned!

Chapter: 496

Because there were no strangers coming to their Taoist temple, but two strangers suddenly appeared, so all the Taoist boys were alert!

“Who are you two? Why did you come to our Xioming Temple?”

A Taoist boy pointed at Chen Ping and Wuwei Taoist with a broom and said.

The Taoist boy’s voice was heard by Xuanjizi in the main hall, so he rushed out immediately!

When he saw Taoist Wuwei, he immediately showed a sneer: “Senior Brother, I didn’t expect you to come so soon. Have you taken care of Junior Brother Buxu’s funeral?”

“Xuanjizi, you traitor, I have to kill you today!”

After Taoist Wuwei saw Xuan Jizi, he became furious and rushed towards Xuan Jizi!

But she was stopped by Chen Ping, and then he looked at Xuanjizi and said, "Where's Xiaoru, you captured her, where are you keeping her?"

The reason why Chen Ping didn't let Taoist Wuwei take action was because he wanted to find out Xiaoru's whereabouts first!

Xuanjizi glanced at Chen Ping: "Who are you? A mere junior, do you have the right to speak?"

Seeing that Chen Ping was young, Xuanjizi regarded him as a disciple of Taoist Wuwei!

Chen Ping directly took out the Seven-Star Disk from his arms and said: "I killed your disciple Liao Fei, and I took the Seven-Star Disk, so if you want to avenge your disciple, you can come to me!"

When Xuanjizi saw the seven-star disk in Chen Ping's hand, his eyes suddenly burned with anger: "It turns out that you killed my apprentice, so I will let you be buried with him today!"

Xuanjizi burst out with murderous aura, waved his hand and said: "Come here, kill this guy and take back the Seven Star Pan!"

Upon hearing this, several Taoist boys suddenly showed ferocious faces and rushed towards Chen Ping!

Chen Ping's eyes were full of disdain, and he was about to wave away these Taoist boys when he suddenly heard a girl's scream. Although the sound was not loud, Chen Ping could still hear it clearly. After all, his hearing is now Different from ordinary people.

The voice came from the back of the hall. Chen Ping knew that it must be Xiaoru's voice. Xiaoru was in danger again!

“Taoist Priest Wuwei, stop them and I’ll go rescue Xiaoru!”

After Chen Ping finished speaking, his whole body disappeared in a flash and rushed towards the main hall!

“Stop him!” Xuan Jizi shouted angrily, trying to stop Chen Ping!

“Traitor, I want to clean up the house today!”

Taoist Wuwei waved the whisk in his hand and attacked Xuanjizi.

Xuanjizi fought with Taoist Wuwei, while Chen Ping rushed into the hall and kicked open the wooden door of the room behind the hall!

Wow.....

Chapter: 497

The wooden door shattered into pieces, and Chen Ping saw a bearded old man pressing down on Xiaoru. Xiaoru had only a few underwear left on her body!

Hearing the commotion, Taoist Master Jue hurriedly stood up and turned around. When he saw it was a strange young man, he frowned!

“Brother Chen, save me, save me...”

Xiaoru also saw Chen Ping at this time, desperately called for help, and covered her body with a quilt!

“Boy, who are you? Do you know the consequences of breaking into my evil temple?”

The exterminator said angrily.

“I am the one who killed your disciple and took away your seven-star disk. If you have the ability, come and take away the seven-star disk!”

Chen Ping showed the seven-star disk and said with murderous intent.

Seeing the seven-star disk, Taoist Master Jue’s eyes lit up: “What a good boy, you are courageous and dare to send it to your door yourself. Then I will take you in today!”

After saying that, Taoist Master Wu Feng’s robe automatically moved, and then he punched Chen Ping.

Chen Ping’s eyes glowed with coldness as he stared at Taoist Jue, the murderous aura in his body rising to the extreme!

“You devil, today I will do justice for heaven...”

After Chen Ping finished speaking, surging spiritual power surged in his dantian, and then converged on Chen Ping’s fist. Chen Ping’s fist seemed to be wrapped in a layer of light!

Taoist exterminator was stunned for a moment, a bit of surprise flashed in his eyes, but he did not stop swinging his fist, but increased his internal force again!

Bang.....

After a deafening sound, the entire room was swept away by the strong wind and was filled with devastation.

Deng Deng Deng.....

Taoist exterminator took three steps back before he stabilized his body. His whole arm was numb!

But Chen Ping stood with a cold expression and didn't move at all!

A flash of horror flashed in Taoist Jue's eyes. He didn't expect Chen Ping to be so young and have such terrifying strength!

"Are you a monk?" Taoist Master Jue narrowed his eyes slightly: "No wonder you have the courage to come up!"

Taoist exterminator saw Chen Ping's identity. It seemed that he had dealt with the monk!

Chen Ping was a little surprised when Taoist Miejie recognized his identity at a glance. At the same time, he was also a little surprised by Taoist Miejie's strength. If Chen Ping hadn't been promoted to the ninth level of Qi training, who would have won with this punch?

"Now that you know it, why don't you kneel down and die quickly?"

Chapter: 498

Chen Ping said with an indifferent expression.

"Hahaha, young man, you are so arrogant!" Suddenly, Taoist Master Jue burst into laughter: "I am just a little monk. I just absorbed your power and used it for me!"

Taoist exterminator laughed, suddenly jumped up, opened his hands, turned into eagle claws, and grabbed Chen Ping!

Chen Ping used his backhand to grab Taoist Miejie's wrist. However, Taoist Miejie didn't resist, and seemed to have let Chen Ping grab his wrist on purpose.

Taoist Jue also grabbed Chen Ping's wrist with his backhand. The two of them just grabbed each other and competed with each other with their internal strength!

Taoist Jiejie suddenly raised the corners of his mouth, revealing a successful sneer, and then Chen Ping felt that the spiritual power in his Dantian was like a tsunami, rushing toward his arm desperately!

After this stream of spiritual power surged into his arm, it was directly sucked into his body by the exterminator!

At this moment, Chen Ping's expression suddenly changed. He didn't expect that this Taoist exterminator had such a unique skill!

"Hahaha, seeing how powerful your spiritual power is at such a young age, I'm going to enjoy it this time!"

Taoist exterminator laughed, his face full of pride!

Feeling the constant loss of spiritual energy in his body, Chen Ping thought, since his Condensation Art can absorb all things for cultivation, can he also absorb energy from other people?

Thinking of this, Chen Ping immediately turned away from the Heart Condensation Technique. Soon, the spiritual power that was constantly flowing out was stopped!

Immediately afterwards, Chen Ping's dantian formed a huge vortex, and began to desperately absorb energy from Taoist Exterminator!

Taoist exterminator suddenly felt something was wrong, and then his face changed drastically, with a look of horror in his eyes!

“You...how do you know my star-absorbing technique?”

Taoist Jue said with a surprised look!

Feeling that the energy in his body was constantly draining, Taoist Miejie desperately wanted to break free, but at this moment Chen Ping was like a huge magnet, sucking him in tightly, unable to move at all!

The skin on the exterminator’s body began to age rapidly, and the whole person fell into extreme panic!

After a full ten minutes, the exterminator was left with only a skin. Only his eyes were still wide open in fear, and the rest of his body had long been curled together!

As soon as Chen Ping let go, Taoist Jue fell to the ground. He had lost all trace of his humanity. When he finally died, Taoist Jue could not make a sound again.

Feeling the changes in his body, Chen Ping was surprised. This time his strength had improved a lot. He really didn’t expect that the Heart Condensation Jue had such a magical effect. Chen Ping had never thought of it before!

“Chen...brother Chen...”

Xiaoru timidly called Chen Ping!

Only then did Chen Ping wake up from his excitement, hurriedly took off his coat and put it on Xiaoru!

Chapter: 499

When Chen Ping helped Xiaoru out of the hall, Taoist Wuwei was still fighting with Xuanjizi. The two of them were already sweating profusely, and the bodies of those Taoist boys were still lying on the ground!

Now the two of them have probably reached their limit. Every move feels very difficult, but they are gritting their teeth and no one is slacking off, because they both know that any slackness and carelessness may lead to death!

“Uncle.....”

Seeing Taoist Wuwei, Xiaoru shouted immediately, tears streaming from her eyes!

Her father is dead, and now only Taoist Wuwei is her relative!

When he heard Xiaoru calling him, Taoist Wuwei turned around and saw that Xiaoru was not seriously injured, and he was overjoyed!

When Xuanjizi saw Chen Ping and Xiaoru standing together, he suddenly had a bad feeling in his heart. After seeing Taoist Wuwei distracted, Xuanjizi stabbed Taoist Wuwei with his sword and prepared to escape!

Taoist Wuwei was already there, and he swung the whisk in his hand towards Xuan Jizi, but it was already a step too late!

“Ah...” Seeing that Xuan Jizi’s sword was about to pierce Taoist Wuwei’s chest, Xiaoru screamed in fright.

Chen Ping's eyes narrowed, and with a flick of his finger, a white light flashed away and hit Xuan Jizi's arm directly.

A bloody hole appeared, and the sword in Xuanjizi's hand fell to the ground!

Taoist Wuwei's whisk has also been swung, and it hit Xuan Jizi hard on the head.

Xuanjizi spurted out a mouthful of blood and fell heavily to the ground, unable to get up anymore!

"Traitor, let me see how you can escape!"

Seeing Xuan Jizi spitting blood, Taoist Wuwei shouted angrily.

"Senior...Senior brother, please...please spare me. I was wrong. I was wrong. It was the Taoist exterminator who forced me. He forced me. Please don't kill me, please don't kill me..."

Lying on the ground, Xuanjizi desperately followed Master Wuwei to beg for mercy. He had a strong desire to survive!

"A person like you will go to hell even if you die. How can you deserve to live in this world?"

After Taoist Wuwei finished speaking, he kicked Xuan Jizi hard on the head!

Xuan Jizi's head was kicked open, and he couldn't die anymore. Taoist Wuwei seemed to have all his strength taken away in an instant, and he collapsed on the ground!

"Uncle..."

Xiaoru ran over and hugged Taoist Wuwei tightly!

“Xiaoru, are you okay?” Taoist Wuwei asked with concern in his eyes.

“I’m fine, I’m fine, but my dad...”

Chapter: 500

Speaking of her father, Xiaoru burst into tears again!

“Why.....”

Taoist Wuwei sighed!

Chen Ping stepped forward and pulled Taoist Wuwei up. A burst of spiritual power was instantly injected into Taoist Wuwei’s body, making him feel empowered!

“Thank you, Mr. Chen, for your great kindness, which I will never forget...”

As Taoist Wuwei said, he was about to kneel down to Chen Ping, and Xiaoru also knelt down together!

Chen Ping held up his hands and did not let the two of them kneel down. He said hurriedly: “Taoist Master Wuwei is so polite. We are destined to meet each other. What’s more, Xiaoru also helped me a lot!”

If it weren’t for Xiaoru’s physique, Chen Ping’s cultivation speed would not be so fast. The cold air in Xiaoru’s body made Chen Ping’s cultivation speed up a lot!

The three people went down the mountain and returned to Leiming Temple. At this time, Leiming Temple had been cleaned up, and there was no one left. There were only more than ten graves piled up in the open space behind the main hall!

Looking at the empty hall and the cold tombs behind, Xiaoru broke down and cried!

You must know that all her senior brothers and sisters are buried here. Some senior brothers watched her grow up and took great care of her, but now they are all corpses.

In front of the largest tomb at the front, Xiaoru trembled all over and suddenly lay down on the tomb, grabbing it hard with both hands.

“Dad, come out, come out, I am Xiaoru, I am Xiaoru, come out and see me, look at me...”

Xiaoru desperately picked at it with her hands, and soon her fingers were bleeding.

Taoist Wuwei’s eyes were red, and he wanted to step forward to stop him, but was stopped by Chen Ping. He knew that at this time, Xiaoru needed to vent his feelings.

After more than half an hour, Xiaoru regained her composure and accepted the reality.

“Taoist Master Wuwei, Xiaoru, what are you going to do next? If you need a place to live, I can arrange it for you in Hongcheng!”

Now Lei Mingguan is afraid that they can no longer live in it, and Xiaoru is homeless alone, so Chen Ping wants to ask the two of them what they plan to do!

Taoist Wuwei didn’t say anything, but looked at Xiaoru with pity in his eyes!

Xiaoru also looked at Taoist Wuwei, and then said: "Uncle is my only relative now. Wherever the uncle goes, I will follow him!"

"Mr. Chen, I won't bother you. I'll take Xiaoru around. As long as I'm here, she won't be hurt again!"

Seeing that Xiaoru was willing to follow him, Taoist Wuwei said.

"Okay, if that's the case, then I won't force you!" Chen Ping said, taking out the seven-star disk: "Xiaoru, take the seven-star disk with you, and when your cold poison attacks, use the seven-star disk to treat yourself. Just suck out the cold poison from your body. As long as you don't go to places where the cold qi is particularly strong, the cold qi in your body will not relapse in a short time!"

Chen Ping stuffed the seven-star disk into Xiaoru's hand!
