

The Order 4941

Chapter: 4941

“What we have to do now is to calm down. If we can’t resist the enemy, we won’t be able to move. We have consumed too much spiritual energy and we can’t spend it at will.”

The old man said slowly!

Chen Ping understood and nodded!

Chen Ping sat cross-legged, motionless, slowly recovering all the strength in his body!

When the old devil saw that Chen Ping had stopped moving, he didn’t panic anymore. He knew in his heart that it must have been his brother who asked him to do this!

So the old devil waved his hand, and suddenly a breath broke through the thick black fog and came straight towards Chen Ping!

Whoosh.....

This breath was very fast, and it arrived in front of Chen Ping!

Chen Ping’s heart was shocked, and he jumped up quickly to avoid this attack!

But just as he dodged, several monster beasts suddenly rushed out from the surroundings, and all of them attacked Chen Ping!

Chen Ping frowned, his body kept dodging and moving, and he kept pumping his fists to hit those monsters!

After dealing with these monsters, Chen Ping felt that his body became even weaker!

“Damn it, it took a lot of energy...”

Chen Ping cursed!

“I have said before that you are deceived by the principles of these illusions. What you see with your eyes may not be true, and what you think in your heart may not be true.”

The old man’s words sounded slowly!

When Chen Ping heard this, he was stunned and thought for a moment!

Soon, Chen Ping’s eyes lit up and he said: “Senior, I may have understood...”

Chen Ping seemed to understand what was going on!

Chen Ping sat up again and quietly regained his strength!

And in the endless black mist, various spells suddenly appeared, and attacks from various elements all came towards Chen Ping!

Chen Ping sat quietly, looking at the various attacks in front of him, trying to stay calm!

Seeing Chen Ping, Chen Ping was trying hard to control his heart!

When various spells came before him and he was about to be drowned, Chen Ping’s body was moving, and he instinctively wanted to avoid it!

Chapter: 4942

“Steady...”

The old man suddenly said!

Chen Ping’s body, which he originally wanted to avoid, slowly calmed down!

He watched helplessly as those spells hit him!

However, Chen Ping did not feel any attacks, and those spells seemed to disappear in front of his eyes in an instant!

It was only then that Chen Ping realized that the things in these illusions could not bring any substantial harm to him at all!

Chen Ping was just deceived, so when he saw an attack, he instinctively dodge without thinking about other things!

If he keeps attacking and Chen Ping keeps dodging, even if Chen Ping is not beaten to death, he will still be exhausted to death!

Seeing Chen Ping motionless, he didn’t care at all about various magical attacks!

The old devil frowned, and then various monsters transformed into the black mist again!

These monsters have different shapes and look very scary, and they all walked towards Chen Ping with their mouths wide open!

The old devil plans to use this monster to make Chen Ping afraid!

It’s just that Chen Ping closed his eyes slightly and stopped looking at the monsters at all. Even if the monsters were in front of him, Chen Ping was indifferent!

“Senior, even if we are not in danger in this illusion, with my current physical strength, I am afraid that I will not be able to support the old devil’s attack.”

“When he sees that the illusion is useless to us, he will definitely attack. How will we deal with it then?”

Chen Ping asked worriedly!

After all, Chen Ping has very little power left in his body, and it is almost impossible to fight with the old devil!

The old man did not speak, but was silent for a moment and said: “Actually, you still have a power that you haven’t used yet...”

“What power? The origin of illusion?”

Chen Ping asked quickly!

He did not use the source of illusion. After all, he did not use illusions during the fight!

The old man shook his head slightly and said: “The power of the divine dragon. As the true form of the golden dragon, you must have a lot of the power of the divine dragon in your body!”

Chen Ping glanced at the dragon crystal on his chest and said helplessly: “I have used the power of the dragon, and now there is not much left in the dragon crystal!”

Chen Ping has used all the power of the dragon, where is the rest?

Chapter: 4943

“Although your dragon crystal does not have the power of a divine dragon, don’t forget that you still have the Qinglong Yuanshen, which has always existed in your sea of consciousness.”

“Isn’t now the time to use it? How much dragon power can be transformed from a dragon’s soul?”

The old man said to Chen Ping!

When Chen Ping heard this, he was stunned immediately. You must know that this Qinglong Yuanshen has saved him many times!

Although Chen Ping has never communicated with Qinglong Yuanshen, every time he summons Qinglong Yuanshen, Qinglong Yuanshen will appear in time!

Now the old man actually asked him to absorb and transform Qinglong Yuanshen, which Chen Ping couldn’t accept!

“Why, are you hesitating? If you die, everything in your sea of consciousness will be reduced to nothing.”

The old man could see Chen Ping’s reluctance!

“Senior, I...”

Chen Ping opened his mouth, but still didn’t dare to make up his mind. He had always been called the son of the dragon, and he regarded all dragons as relatives!

Now that he is asked to absorb the Qinglong Yuanshen, Chen Ping is not willing to give up!

If you become powerful, you can still be resurrected as long as your soul is there. But if your soul is gone, then you have truly disappeared completely!

Seeing Chen Ping’s hesitation, the old man said directly to the Qinglong Yuan Shen: “Old dragon, tell me yourself, are you willing to dedicate your own Yuan Shen?”

“If Chen Ping dies, your soul cannot be saved, but if you sacrifice your soul, we can still fight!”

Chen Ping suddenly showed a surprised expression when he saw that the old man was actually talking to Lao Long!

Chen Ping didn't know at all, could this Qinglong Yuanshen still communicate?

He has always used Qinglong Yuanshen as a weapon, and never thought that he could have his own thoughts!

In Chen Ping's shocked eyes, Qinglong Yuanshen slowly moved!

“If I can be useful, it would be my honor...”

Qinglong Yuanshen spoke slowly, his voice was like muffled thunder!

“Chen Ping, did you see that this old dragon has agreed? Now that you have absorbed his soul, you can fight!”

The old man urged Chen Ping!

But Chen Ping was indifferent. He stared blankly at Qinglong Yuanshen, feeling unspeakably complicated in his heart!

“Senior Qinglong, since you have thoughts, you can't tell who my father is? You must know, right?”

Chapter: 4944

Chen Ping asked excitedly!

At this time, Chen Ping wanted to know whether his father was a dragon!

Qinglong nodded: "Of course I know, but I can't tell you yet. You have to live well, because you will be the hope of the Dragon Clan..."

"Swallow my soul now, so that your dragon crystal will be filled with the power of the dragon again..."

Chen Ping shook his head: "No, even if it means death, I will not swallow your soul, absolutely not..."

Chen Ping has no way to do this. Although he has never communicated with Qinglong Yuanshen, he has saved him from danger time and time again. Qinglong has saved him many times!

Now let him swallow the Qinglong Yuanshen, Chen Ping can't do it...

"You little baby, why are you so stubborn? Are you just waiting to die and let everyone accompany you?"

The old man shouted at Chen Ping angrily!

But Chen Ping was indifferent. At this moment, a weak aura was swimming in Chen Ping's body, and then slowly became stronger!

This is Chen Ping squeezing the last bit of strength out of his body. In the end, he will not hesitate to burn his own essence and blood, but he will also die with the old devil!

"Madman, what a madman..."

When the old man saw this, he was helpless. He didn't expect Chen Ping to be so stubborn!

But when Qinglong saw this, he burst into laughter: "Princes, princes, generals, ministers, I would rather have the guts. Our Shenlong clan has never lowered our heads..."

“Hahaha, hahaha...”

“You are still laughing, we are all going to be doomed. If I let my brother leave here, there will be another bloody storm outside, and our ancient body refining family will be in disaster again.” The old man was very worried in his heart!

If the old devil escapes, the ancient body-refining clan will definitely be forcibly controlled and practice magic!

In that case, it won't be long before the Ancient Body Refining Clan will no longer exist!

“Don't be so pessimistic. If you and I join forces, maybe the result won't be what you think...”

Qinglong looked at the old man with a bit of confidence in his eyes!

The old man seemed to see something in Qinglong's eyes. He could only smile lightly and force his thoughts to follow Chen Ping!

The old man's figure slowly appeared, and Chen Ping was very surprised. At this time, why did the old man break away from the fusion?

“Senior, what are you doing?”

Chen Ping asked in confusion!

Chapter: 4945

“Now even if we merge, we can't defeat my brother. Let's just separate. Maybe we can still win!”

The old man said slowly!

Chen Ping didn't understand what the old man meant at all. If two people couldn't merge together, could they just separate?

You must know that the old man is just a remnant soul. Without a physical body, his strength will be greatly reduced!

But the old man didn't care whether Chen Ping understood or not. Instead, he looked at the black mist around him and said, "Brother, I know you have always wanted to kill me. Now I will give you a chance, but I hope that after you kill me, let go." More than anyone else."

"Your Ice Soul Pill is gone. Even if you kill these people, it will be of no use to you..."

At this time, the old devil frowned when he saw that the old man had followed Chen Ping away. He didn't understand. Is there any trap here?

Seeing that the old devil did not move, the old man continued: "Do you just want to trap us to death with this illusion? Let me tell you, that is wishful thinking. You are not afraid of even my remnant soul now, are you?"

The old man continued to stimulate the old devil, meaning to force him to show up!

"Brother, are you thinking of another dirty trick to deal with me?"

"I'm telling you, I won't be fooled. Although this illusion can't trap you, I can collapse my world, and then there will be void cracks here!"

"As long as you are sucked into it, the turbulence of time and space will completely wipe you out. Am I right?"

The old devil seems to have become smarter and doesn't plan to show up at all!

“Since you are so scared, I won’t say anything else. They are all dead anyway, and there is no point in keeping this thing...”

As he said that, the old man actually took out a jade plaque from his arms!

And this jade tablet was given to the old man by Chen Ping when he entered. This is the real key to the treasure!

But when the old devil saw the jade token, his eyes suddenly shone!

“The God-King Order of the Ancient Body Refining Clan? Why do you have this thing in your hand?”

The old devil asked in surprise!

They have been here for thousands of years and have never seen their brother carrying this thing. Back then, he turned against his brother and turned against him in order to obtain the God King Order and become the God King ancestor of the ancient body refining clan!

It’s just that the two people died together, and he had never seen this God King Token, but now the old man actually took it out!

Chen Ping looked at the jade token and didn’t expect that this thing was so important to the ancient body refining clan!

“Brother, haven’t you always wanted to get this thing and become the god-king ancestor of the ancient body-refining clan? I will give it to you now.”

After the old man finished speaking, he raised the God King’s Token!

Chapter: 4946

Now just wait for the old devil to come and get it!

The old devil frowned and began to struggle in his heart!

In the end, the old devil took a deep breath and decided to get the God King's Order. Now, both Chen Ping and the old man were at the end of their strength, and there was no need to be afraid at all!

Chen Ping looked at everything in front of him quietly. He didn't understand why the old man did this!

Obviously, the old man is attracting the old devil to enter the illusion and appear, but even if the old devil appears, what can they do?

Chen Ping squeezed out all the power in his body and held the Dragon-Slaying Sword tightly in his hand!

In the dark mist, Chen Ping seemed to feel the old devil's aura, and he actually entered!

At this time, Chen Ping felt the throbbing of Qinglong Yuan Shen in the sea of consciousness!

Chen Ping couldn't understand what the old man was going to do with Qinglong Yuanshen!

Da da da.....

The sound of footsteps sounded, and the old devil slowly walked into the illusion!

At this time, the old devil still had a bit of caution on his face, looking at Chen Ping and the old man in front of him. The old devil's eyes never left!

"Brother, give me the God King's Order, and I can promise you not to kill these ants..."

The old devil looked at the old man and said slowly!

“How do you expect me to trust you? What if you take the God King’s Order but don’t keep your promise?”

The old man asked!

“How is it possible? I am the one who keeps my promises. How on earth did you hand over the God King’s Order?”

The old devil looked at the old man coldly and asked!

“Let these people out first, and I will hand over the God King’s Order to you...”

The old man said!

“That’s no problem. These ants are of no value to me anyway.”

“I’ll let them out right now...”

The old devil waved his hand gently, and the entire black mist space began to vibrate, and the surrounding black mist slowly dissipated!

Just when the old man thought that the old devil really kept his promise, suddenly a black shadow came towards him and suddenly grabbed the God King Token!

Chapter: 4947

“Huh, I’ve expected this move of yours!”

The old man snorted coldly and backed away quickly!

When Chen Ping saw this, he slashed out with his sword and stopped the old devil!

The old devil looked at Chen Ping's shaky appearance and couldn't help but sneered: "How dare you stop me like this?"

After saying that, the old devil raised his hand, and a black energy went towards Chen Ping!

Chen Ping tried his best to block it, and was instantly knocked away!

Even if he fuses with the old man, Chen Ping is no match for the old devil now, not to mention that he is currently weak and trying to stop the old devil is simply a dream!

Just when Chen Ping was sent flying out by a blow, Qinglong Yuanshen rushed out from his sea of consciousness instantly!

The old devil didn't realize that in his eyes, there were only Chen Ping and the old man here!

"Stop resisting inaction, hand over the God King's Order, and I can make your death easier!"

The old devil said with a sneer!

"Brother, you are too careless. Your arrogant character really needs to change!"

When the old man saw Qinglong Yuanshen appearing, he said with a calm face!

When the old devil heard this, his heart suddenly tightened and he said, "Brother, what do you mean? Do you still have a trump card at this time?"

The old devil didn't believe it. At this time, how could the old man still have a trump card!

"Of course, otherwise why would I deceive you into this illusion..."

The old man raised his lips!

Soon, the old devil felt a terrifying aura behind him, and suddenly looked back, only to find a huge green dragon looking at him with its bloody mouth open!

The old devil was startled and his body suddenly jumped up!

“What’s going on?” The old devil didn’t understand why a dragon suddenly appeared!

In fact, the old devil didn’t look carefully. When he examined it carefully, he would find that the green dragon was just a soul, not particularly powerful!

Just when the old devil didn’t react, Qinglong suddenly wrapped himself around the old devil, getting tighter and tighter!

When the old man saw this, he immediately took action, shooting out a stream of spiritual power, directly entering the body of Qinglong Yuanshen!

The old devil roared angrily. He didn’t expect that a green dragon suddenly appeared!

Chapter: 4948

“Hurry up, use the magic whip...”

The old man yelled at Chen Ping!

Chen Ping was stunned and immediately took out the magic whip, but he still didn’t dare to start!

Now that the green dragon is entangled with the old devil, if Chen Ping swings his demonic whip, it will definitely hit the green dragon spirit!

At this time, the old devil was struggling, and bursts of black mist erupted from his body. He also felt at this time that this green dragon was not his true body, but just his soul, so the old devil no longer panicked!

“Huh, you guys still want to control me, it’s just a dream...”

The old devil snorted coldly, and the power he unleashed became more and more terrifying!

Chen Ping looked at the struggling Qinglong Yuanshen, gritted his teeth suddenly, and threw out the magic whip in his hand!

The magic whip emitted golden light, and then tied Qinglong and the old devil together!

The runes on the demon whip flowed, and the pain was like needle pricks, making the old devil look ferocious!

This demonic whip was aimed at the consciousness, and now the old demon felt as if his head was going to explode!

Qinglong Yuanshen was also in extreme pain at this time. Even he was suffering from the energy emitted by whipping the magic whip!

Although the magic whip is less powerful against monks who are not demons, Qinglong does not have a true body, it is just a soul, so facing the magic whip is extremely painful!

Seeing Qinglong’s painful look, Chen Ping couldn’t bear it!

“Old man, what are you waiting for?”

At this time, the painful Qinglong asked the old man!

After hearing this, the old man slowly looked at Chen Ping. Then his whole person became more and more blurry, and the entire void began to become distorted!

For a moment, a large number of void cracks appeared all around, and the whole world seemed to collapse!

Huge streams of suction emerged from the cracks in the void!

When Chen Ping saw this, his pupils suddenly shrank and his face became very ugly!

The suction force of this void crack is very strong. If you are accidentally sucked in, you will definitely be crushed by the turbulent flow of time and space!

When the old devil saw the crack in the void, he was no longer calm. He said with a hint of panic: "Brother, what are you going to do? Do you want to die with me?"

"Yes, we should have been dead long ago and should not have appeared in this world!"

"It's just that I have to drag the old dragon along with me to be buried together..."

Chapter: 4949

The old man spoke slowly!

"Hahaha, even if I enter the Void Crack, I may not be completely dead. How can we dragons be like you mortal monks!"

Qinglong Yuanshen laughed and seemed not to care!

The old devil became more and more nervous as he listened to the conversation between Qinglong Yuanshen and the old man!

“Brother, do you have to kill me to death? I don’t have to study magic skills anymore. Isn’t it enough for me to concentrate on practicing ancient body refining techniques?”

The old devil is afraid. If he really enters the void crack, it will be all over!

As the old devil said this, he struggled hard and kept throwing out streams of black mist to prevent the old man from continuing to open the cracks in the void!

The old man’s figure is getting lighter and lighter, and he is about to disappear!

The Qinglong Yuanshen struggled to drag the old devil towards the crack in the void!

“Senior, don’t...”

Chen Ping desperately resisted the suction of the void crack and shouted loudly!

He didn’t want the ancestor of the ancient body refining clan and Qinglong Yuanshen to die together in order to destroy this old devil!

“Young man, your future is limitless, don’t go astray...”

The old man looked at Chen Ping with a smile, and slowly his whole person disappeared!

“senior.....”

Chen Ping yelled, his eyes full of sadness!

“Senior Qinglong, senior Qinglong...”

Chen Ping looked at Qinglong Yuanshen. At this time, Qinglong Yuanshen was clinging to the old devil and had reached the crack in the void!

“Don’t worry, even if I enter the void crack, my soul will not necessarily die. It’s just that we want to meet, so I don’t know how many years it will take.”

“But I hope that when I see you, the dragon clan will be revived at that time, and you will already be the leader of the dragon clan.”

Qinglong looked at Chen Ping and said!

“Senior Qinglong, I...”

Chen Ping didn’t know what to say, because this was simply too far away for him!

Revitalize the Dragon Clan?

Chapter: 4950

Become the master of the dragon clan?

This cannot be accomplished with just one sentence!

“At the last moment, I will have a gift for you...”

Qinglong Yuanshen smiled faintly and dragged the old devil directly into the void crack!

Bursts of dazzling white light emitted from the cracks in the void, and the old devil’s miserable voice came, which sounded very disturbing!

Soon, the magic whip fell quickly from the crack in the void, and Chen Ping caught it instantly!

Just when Chen Ping caught the magic whip, a soft white light fell from the crack in the void!

Then the crack in the void slowly closed!

Suddenly, the whole world began to tremble, the surrounding scenery changed, and the world began to collapse!

The two worlds of the old devil and the ancestor of the ancient body-refining clan collapsed at this moment!

The place where Chen Ping and the others were located was where the two worlds merged, so they acted particularly violently!

Others didn't know what happened at all, they only knew that the earth suddenly shook and the situation suddenly changed!

Chen Ping and the others have been in the illusion, so Ning Caichen and the others didn't see much of the battle inside, and they didn't even know that the old devil had been eliminated!

"What's going on? How could this happen?"

"This world seems to be collapsing. You see the scene around you is changing rapidly!"

"Is the old devil dead?"

The monks were talking a lot and looked very anxious.

When the other members of the Five Elements Demons saw this, after looking at each other, their bodies suddenly jumped up and disappeared in an instant!

No matter who wins or loses, they will run away!

Even if the old devil wins, they won't have any good fruits to eat!

Jin Sha is the best example. He was possessed silently and his soul was destroyed!

At this moment, with the death of the old devil, the illusion is also disappearing!

Chen Ping jumped up with all his strength and caught the falling soft light!

When Chen Ping looked at it, he found that it was a white bead!
