

The Order 4951

Chapter: 4951

“Ice Soul Pill?” Chen Ping’s eyes widened, full of surprise!

This Ice Soul Pill was swallowed by the old devil. At that time, the Ice Soul Pill was not perfect and there were some black spots on it!

But now, the Ice Soul Pill has become pure and flawless, exuding a holy and soft white light!

“Is this the gift that Senior Qinglong said?”

Chen Ping was very happy. With this Ice Soul Pill, he could go back to work with the princess of Jialing County!

Putting away the Ice Soul Pill, Chen Ping slowly walked out of the black mist!

Everyone saw a golden light slowly appearing in the black mist, followed by a human figure!

So everyone has their hearts in their throats!

If this figure is the old devil, then none of them will survive!

But soon, everyone saw clearly that this person was Chen Ping, not the old devil!

This time, everyone breathed a sigh of relief!

Soon, all the black mist dissipated, and there was no one else around!

“Mr. Chen, where is the old devil?”

Ji Yun stepped forward and asked quickly!

“Dead, now the world here is about to collapse, we have to take the opportunity to leave.”

Chen Ping said to everyone!

When they heard that the old devil was dead and they could leave here, they were all very happy!

No one asked about the treasure anymore, after all, living is the most important thing!

Everyone began to flee, trying to get out of here before the world completely collapsed!

The world on this side is already crumbling and there are cracks everywhere. They can leave completely!

“Where are those Five Elements Demons?”

Chen Ping observed at this time that there were no traces of the other Five Elements Demons!

“Maybe he ran away, none of us noticed!”

Ning Caichen said!

Chapter: 4952

“Just run away. If these guys don’t run, it will be very difficult for us to deal with them.”

Lao Sun said!

This is indeed the case. Now that Chen Ping is exhausted, it will be difficult to deal with the other four Five Elements Demons just by relying on these other people!

“Let’s go, don’t delay...”

Lao Kong urged, he was afraid that after this world completely collapsed, they would all be trapped and die here!

The group of people jumped up immediately. Ji Yun and Gao Qisheng were guarding Chen Ping on both sides. They could see that Chen Ping was in poor condition and seemed exhausted!

The scenery in front of everyone’s eyes kept changing, and finally the white snowfield appeared, and everyone knew that they had completely left!

After completely escaping, everyone took a deep breath, feeling like they were surviving a disaster.

“Brother Chen, thanks to you this time, you have saved us several times. If you need anything in the future, just ask, we are absolutely obligated!”

“Let’s say goodbye now. We’ll regret it later...”

Lao Sun, Lao Kong and Zuo Qing said to Chen Ping!

Now that they have escaped, the treasure land is a big trap. Nothing was caught and they almost died in it, so the three of them plan to leave the far north!

Maybe I will never dare to come again in my life!

“Seniors, I will regret it...”

Chen Ping raised his hand!

The three of them turned and left, and soon their figures disappeared into the vast snowfield!

At this time, Ning Caichen also looked at Chen Ping and said: "Little brother, no matter what disputes you and I had before, but this time I would rather someone owe you a favor, and I have to leave. The revenge of killing my son from the Demon Sealing Alliance, I will remember!"

"Master Ning takes his leave..." Chen Ping raised his hand!

Ning Caichen left, followed by only two servants of the Ning family. At first there were more than a dozen people, but now there are only three left, and even his son is here!

This so-called treasure place is really harmful...

"Mr. Chen, we also say goodbye. This life-saving grace will never be forgotten..."

Yuan Bao led many casual cultivators forward and bowed their hands to Chen Ping!

None of these casual cultivators have a higher level of cultivation than Chen Ping, but at this moment, they are all respectful in front of Chen Ping!

"Fellow Taoists, take care and travel together as much as possible. Now that the Five Elements Heavenly Evil has escaped and the Demon Sealing Alliance is exposed, he will definitely find a way to kill everyone who knows the inside story, so you will be in danger."

Chapter: 4953

Chen Ping reminded Yuan Bao and others!

After all, Lao Sun and the others are very powerful. Ning Caichen, as the head of the Ning family, also has a certain amount of power. However, Yuan Bao and other casual cultivators are different. Most of them fight alone. When the time comes, they will be targeted by the Demon Sealing Alliance and they will only be massacred. share!

“Thank you, Mr. Chen, for reminding us. We will travel together, but you should also pay more attention. The Demon-Sealing Alliance is almost everywhere in the world of heaven and humans, and they have many spies.”

Yuan Bao also reminded Chen Ping!

“In this far north, the Demon Sealing Alliance doesn’t dare to mess around. If they dare to target Mr. Chen, our Gao family will make sure they never come back...”

Gao Qisheng said with confidence!

As long as the Demon Sealing Alliance dares to target Chen Ping in the far north, the Gao family will never sit idly by and ignore it!

Gao Qiqiang would never agree!

“Even my ancient body refining clan will not agree to target Mr. Chen in the far north...”

As soon as Gao Qisheng finished speaking, an old voice sounded!

Not far away, I saw the leader of the Ancient Body Refining Clan walking slowly, followed behind him were Wa Gu, the Watt brothers, and Liu Ruyan!

“Clan leader, why are you here?”

Chen Ping looked surprised.

When Gao Qisheng saw the people from the Ancient Body Refining Clan, his expression suddenly became nervous!

There are not many Gao family members left under his leadership. Now that the patriarchs of the Ancient Body Refining Clan are here, they are no match for them!

But the patriarch of the ancient body refining clan didn't even look at Gao Qisheng and walked straight to Chen Ping!

"How's it going? Did you get the treasure?"

the clan leader asked.

Chen Ping nodded: "I got it, and then I took out all the ancient body-refining clan's skills and treasures from the storage ring!"

When the clan leader saw this, he put everything away without ceremony!

Chen Ping didn't say anything. After all, what he wanted was the Ice Soul Pill. Now that he had the Ice Soul Pill, he didn't want the ancient body-refining clan's skill treasure either!

"Did you get what you wanted?" the clan leader continued to ask.

Chen Ping nodded again: "I got it..."

Others were confused and didn't understand what the two of them were talking about!

Chapter: 4954

"Chen Ping, are you okay these days?" Liu Ruyan ran forward, hugged Chen Ping tightly and asked!

"I'm fine..."

Chen Ping caressed Liu Ruyan's head!

They have only been separated for a few days, and the two of them feel like they have been separated for three years!

“Let’s go...” the patriarch said!

“Where to go?” Chen Ping looked surprised, not understanding where the clan leader was going.

“The Gao family, don’t you want to go to the Gao family?”

The patriarch said with a faint smile!

“Go!” Chen Ping nodded.

But he was a little surprised. What was the patriarch of the ancient body refining clan doing in the Gao family?

At this time, Gao Qisheng was also in a confused state. This ancient body-refining clan has always been at odds with the Gao family!

Why does the patriarch of the ancient body-refining clan dare to go to the Gao family?

Aren’t you afraid of being arrested?

But just when everyone was confused, the patriarch of the Ancient Body Refining Clan turned around and headed in the direction of the Gao family!

When Chen Ping saw this, he could only lead Ji Yun and the others to follow him!

Yuan Bao and the other casual cultivators all said goodbye!

Along the way, although Chen Ping wanted to ask the patriarch of the Ancient Body Refining Clan why he dared to go to the Gao family, he never asked.

After nearly a day of running, everyone arrived at Gao's house!

At this time, Gao Qiqiang seemed to have guessed the arrival of everyone and was waiting at the door early!

When the patriarch of the Ancient Body Refining Clan met with Gao Qiqiang, there was no tense situation as everyone imagined. Instead, they looked at each other and smiled!

Seeing the two people looking at each other and smiling, Chen Ping felt his scalp numb!

He always felt like these two guys were deceiving him!

“Brother...”

Gao Qisheng also stepped forward in confusion, wanting to ask Gao Qiqiang what was going on?

Chapter: 4955

Why didn't the patriarch of the Ancient Body Refining Clan arrest him when he came?

Gao Qiqiang waved his hand, and then said to the patriarch of the Ancient Body Refining Clan: “The banquet is ready, please...”

The leader of the Ancient Body Refining Clan walked in with Watan and the others.

Chen Ping also followed up, looked at Gao Qiqiang and said, “Master Gao, what on earth is going on?”

“Mr. Chen, we will explain to you later.”

Gao Qiqiang smiled slightly!

“Chen Ping...”

When Huofeng and Yu Jiameng saw Chen Ping coming back, they all rushed over.

The two people didn't shy away from it and hugged Chen Ping tightly!

Liu Ruyan on the side looked at this scene with a very complicated expression on her face!

Although she knew that Chen Ping had other women!

She had also thought about this kind of scene, but when she saw it with her own eyes, she still felt a little uncomfortable!

After all, she had been accompanying Chen Ping during this period of time and was the only one favored by Chen Ping!

Now suddenly there is a woman competing with her for favor, which makes Liu Ruyan uncomfortable!

“Huofeng, Jiameng, this is the Liu Ruyan I told you...”

“She has been taking care of me during this time in the Heavenly Realm...”

Chen Ping introduced Huofeng and Yu Jiameng!

Huofeng and Yu Jiameng looked at Liu Ruyan with smiles on their faces!

“Sister Ruyan is really like a fairy. No wonder the master never forgets sister Ruyan!”

Huofeng said with a smile!

“Hello, sister Ruyan...”

Yu Jiameng extended his hand very politely!

The two of them were not unhappy at all because of the relationship between Liu Ruyan and Chen Ping!

After all, for the two of them, they would not be surprised by how many women Chen Ping has, and they are used to it!

Chapter: 4956

Liu Ruyan is just not used to it!

Liu Ruyan felt a little ashamed when she saw Huofeng and Yu Jiameng being so polite to her without any hostility!

“Hello...”

Liu Ruyan smiled lightly and said!

Ji Yun and Gao Qisheng on the side looked at the scene in front of them, their eyes almost fell out of envy!

“Mr. Chen, the banquet is ready, let’s go...”

Gao Qiqiang urged Chen Ping!

If this is to build a relationship between children, there's no telling how long it will take!

"Okay!" Chen Ping nodded and followed Gao Qiqiang towards the Gao family hall!

"Xiao Sheng, you are responsible for arranging the others. Remember, you must take care of them. You are all guests in our Gao family!"

Gao Qiqiang warned Gao Qisheng!

"Got it!" Gao Qiqiang nodded!

Although he didn't understand why Gao Qiqiang was so polite to the Ancient Body Refining Clan, Gao Qiqiang's words were an imperial edict, and Gao Qisheng didn't dare to disobey him!

Except for Gao Qilan who dared to follow Gao Qiqiang's mouth, no one in the Gao family dared to contradict Gao Qiqiang!

At this time, there were only three people in the hall: Chen Ping, Gao Qiqiang and the ancestors of the Ancient Body Refining Clan!

It is not easy to prepare a sumptuous banquet in this far north!

"Mr. Chen, are you curious? Aren't our Gao family and the Gu Lian Ti clan enemies? Why can we still be together?"

Gao Qiqiang asked Chen Ping!

Chen Ping nodded, he was indeed very curious!

“Mr. Chen, to be honest, if there were no demons haunting this far north, our two families might have continued to fight!”

“It’s just that in recent years, demons have appeared frequently in the Far North. If our two families continue to fight, it will only create more opportunities for the demons!”

“On this treasure hunting trip, a large number of demon souls were killed, and two guardians of the Balrog clan were killed. Now the demons have obviously become more restrained.”

“This is all due to Mr. Chen, so we have to thank you...”

Gao Qiqiang raised his glass very politely!

Chapter: 4957

The ancestor of the ancient body-refining clan also raised his glass and toasted Chen Ping with a glass of wine!

The strength of these two people is much higher than that of Chen Ping, almost capable of crushing them, but they are so respectful to Chen Ping!

“It is our duty as monks to eliminate demons and protect the Tao. Patriarch Gao is in serious trouble...”

“On the contrary, your Gao family and the Gu Lianti clan have turned their conflicts into friendship in order to eliminate the demon clan, which is admirable...”

Chen Ping raised his glass and said!

The three of them talked, laughed, and drank together!

“Patriarch Gao, clan leader, now that I have obtained the Ice Soul Pill, can you tell me who the princess of Jialing County is?”

Chen Ping was very curious about the identity of the princess of Jialing County!

He can know many things about the Far North, know the treasures of the ancient body refining clan, and even possess some of the god king tokens of the ancient body refining clan!

The most important thing is that the princess of Jialing County actually knows that there is Ice Soul Pill in the treasure land. This is the secret of the ancient body refining clan!

Gao Qiqiang and the patriarch of the Ancient Body Refining Clan looked at each other and smiled, and they all shook their heads!

“Mr. Chen, since you got the Ice Soul Pill, wouldn’t you go and ask the Princess of Jialing County in person when the time comes?”

Gao Qiqiang said with a smile!

Chen Ping didn’t say anything when he saw the two of them, so he stopped asking questions!

After dinner, Gao Qiqiang originally wanted to stay with Chen Ping for one night, but Chen Ping was eager to go back. He wanted to get the Ice Soul Pill back as soon as possible and let the Princess of Jialing County cure Yihe!

Then they have to rush back to the Demon Imperial City, take care of the tiger and take back the Demon Imperial City!

I still have to go to Mingli King City to find my God King Bow!

As well as the Thunder Eagle King, the Demon Sealing Alliance, etc., they will probably cause trouble for me when the time comes!

Chen Ping felt that many things were waiting for him!

Seeing that Chen Ping wanted to go back as soon as possible, Gao Qiqiang did not forcefully persuade him to stay!

Chen Ping took Liu Ruyan, Huofeng, Yu Jiameng, and Ji Yun to say goodbye!

“Patriarch Gao, patriarch, this is the farewell, but I still need your help with something!”

As Chen Ping spoke, he told the two of them about looking for Su Yuqi!

Su Yuqi was lost from the far north, so it would be most appropriate for the two of them to find her!

Chapter: 4958

“Don’t worry, Mr. Chen, as long as your girlfriend doesn’t leave the Far North, we will definitely find a way to find her!”

Gao Qiqiang said very confidently!

“Although the Far North is a vast area, it doesn’t matter to our two families. It’s easy to find someone.”

“As long as your girlfriend is not captured by the demons!”

The patriarch said!

Chen Ping didn’t know who took Su Yuqi away and whether she was in danger, but he had no time to stay in the far north to search now!

At this time, Gao Qilan was also among the crowd, looking at Chen Ping with a look in his eyes!

I don’t know since when, Gao Qilan actually had a place for Chen Ping in her heart!

“Sister Qilan, do you want to come with us?”

Huofeng looked at Gao Qilan and asked!

During this time, they became very familiar with Gao Qilan!

Gao Qilan smiled but said nothing because she knew that to follow Chen Ping, she had to become his woman, but Gao Qilan was not Chen Ping’s woman yet!

“Master, why don’t you take Sister Qilan in too?” Huo Feng asked!

“Cough cough cough... Fire Phoenix, don’t talk nonsense...”

Chen Ping was so frightened that he coughed!

It’s a bit too much to say such things in front of my brother!

Gao Qilan is a person, not a commodity, so just take it!

“Miss Gao, Huo Feng speaks without restraint, don’t be offended!”

Chen Ping hurriedly followed Gao Qilan to apologize!

After a hasty farewell, Chen Ping and the others left. Chen Ping was afraid that Huofeng was talking nonsense!

Gao Qilan looked at Chen Ping’s back, her eyes full of sadness!

She really wanted to follow Chen Ping, but she didn't know if Chen Ping had her in mind!

And she doesn't want to leave her relatives!

"Chen Ping, will we meet again in the future?"

Chapter: 4959

At this time Gao Qilan shouted loudly!

Chen Ping stopped, turned to look at Gao Qilan and said, "I will..."

Chen Ping will definitely come to the Far North again, because Su Yuqi has not been found yet!

After finishing other matters, he will come to look for Su Yuqi!

"Xiaolan, do you like Mr. Chen?"

Gao Qiqiang looked at Gao Qilan and asked!

"Brother, don't talk nonsense..."

Gao Qilan refused to admit it!

"Okay, the emotion in your eyes can't deceive anyone, but it's normal for a genius like Mr. Chen to be liked by girls."

"Remember, you have to strive for your own happiness..."

Gao Qiqiang smiled slightly!

Gao Qilan looked at Gao Qiqiang, seemed to understand something, and nodded vigorously!

Just when Chen Ping and the others were setting off back to Jialing County, Zuo Tianzheng, the leader of the Demon Sealing Alliance headquarters thousands of miles away in the far north, was a little uneasy at the moment!

“Hasn’t there been any news from the Five Elements Heavenly Evil yet?”

Zuo Tianzheng asked with a gloomy face!

“Leader, there is no news yet!” the servant hurriedly replied!

“It’s been how many days, and there’s no news at all. How do you do this?”

Zuo Tianzheng frowned!

He doesn’t know what’s going on, he’s always restless!

You must know that for these dirty things they have done, they will be despised and hunted down by everyone!

The Demon-Sealing Alliance relied on exterminating demons and defending the Tao, recruiting members to strengthen itself, but secretly it colluded with the demons to provide them with a protective umbrella!

Of course, these demons will also help Zuo Tianzheng eliminate dissidents, and will also provide the Demon Sealing Alliance with a lot of resources!

After all, the demons used to be one of the three major races, and they had a lot of various resources!

But if outsiders find out about this, it will be difficult for them from the Demon Sealing Alliance to move around in the world of heaven and humans!

Chapter: 4960

“Report...”

Just when Zuo Tianzheng was frowning, someone hurriedly came to report!

“What’s going on? Is there any news about the Five Elements Heavenly Evil?” Zuo Tianzheng asked quickly!

“Leader, there is indeed news. It is the news sent back by the Fire Demon.”

“Jin Sha was killed and they gained nothing. Now they plan to take a rest before stopping the person who got the treasure.”

The servants follow Zuo Tianzhenghui to report!

“What? Jin Sha is dead? How did he die?”

Zuo Tianzheng was very surprised!

You must know that Jin Sha is a monk at the peak of the Fusion Realm and is about to break through to the Tribulation Realm. How could he be killed so easily?

Besides, there were five of them dispatched together, so why was Jin Sha himself killed?

Zuo Tianzheng couldn’t understand why!

“Leader, because the time of the jade slip is limited, we did not explain it in detail!”

The servants don't know the inside story, so they can't explain it to Zuo Tianzheng!

"Inform the other Five Elements Demons to come back to me immediately. I want to personally investigate. This is simply outrageous."

Zuo Tianzheng was afraid that there was internal strife among the Five Elements Heavenly Evil Spirits and had killed the Golden Evil Spirit!

After all, the Golden Evil of the Five Elements Heavenly Evil is the strongest, so he will definitely be jealous!

After receiving the notice from Zuo Tianzheng, the others in Five Elements Tiansha also became nervous!

Things came to this, and the core secrets of the Demon Sealing Alliance were exposed by them!

If this happens, they will be dead if they go back!

"Our top priority is to kill everyone who knows the inside story!"

"Otherwise, after this matter spreads, it will be difficult for us to die..."

Mu Sha frowned and said with a worried look!

"Yes, Mu Sha is right. If we go back like this, we will definitely not get any good results. We should act separately and kill everyone who knows the inside story!"

The fire demon's eyes were filled with fierce murderous intent!
