

## **The Order 4971**

Chapter: 4971

Gao Qilan's body fell rapidly, and fell to the ground at the last moment!

"Sister Qilan..."

When Huofeng saw this, he hurried over to check on Gao Qilan!

I saw a palm print on Gao Qilan's back, and there were many tiny flames around, pouring into Gao Qilan's body!

Gao Qilan practices the power of ice, and now that fireworks are entering his body, he will definitely be repelled!

The cold air in Gao Qilan's body kept forcing the breath of fire to enter!

For a moment, bursts of white mist kept coming out of Gao Qilan's back!

Huo Sha was in mid-air, looking down at the people below, his eyes filled with pride!

"Anyone who stands in my way will die. You ants, you still want to stop me?"

After the fire demon finished speaking, he rushed towards Chen Ping!

Seeing this, Gao Qilan endured the severe pain in her body, jumped up with two swords in hand, and stood directly in front of Chen Ping!

Now she is the only one who can block the fire attack!

“snort.....”

The fire demon snorted coldly, grabbed it casually, and a flaming sword appeared, and waved it casually!

Two wounds appeared directly on Gao Qilan’s body, and the blood directly dyed the white clothes red!

When Ji Yun and the others saw this, they all pounced on him, regardless of whether they could defeat the fire evil!

They all have to protect Chen Ping. Chen Ping is at his most vulnerable now!

Bang bang.....

Ji Yun, Liu Ruyan and Huo Feng were also knocked away by the fire demon!

Looking at Chen Ping in front of him, the corner of Huo Sha’s mouth raised. Now Chen Ping’s eyes were slightly closed and he was struggling to absorb the energy of the ice soul fragments!

“go to hell.....”

The fire demon raised the flaming sword in his hand!

When Yu Jiameng saw this, she jumped directly on Chen Ping. Although she knew it was in vain, she still did it. She would rather die with Chen Ping!

Ji Yun looked at these women, risking their lives to protect Chen Ping, each of them brave and fearless, and was so envious that he almost cried with envy!

Chapter: 4972

If only there was a woman willing to devote herself to him.

The Fire Fiend raised his flaming sword high, and was shocked to see that Yu Jiameng, who was just a monk in the transformation realm, jumped on Chen Ping without fear of death and blocked Chen Ping's sword!

"Boy, did you save the galaxy in your last life? So many women are willing to die for you!"

"The more this happens, the more painful my death will be for you..."

Envy, jealousy and hatred make the fire demon become more and more crazy!

Just when the long sword was about to fall, Gao Qilan shouted loudly, and the ice crystal in his hand suddenly hit the ground!

The ice crystals were instantly embedded into the ice and snow land!

Soon, a streak of frost was heading towards the Fire Fiend at a speed visible to the naked eye!

The fire demon had no time to react, and ice began to condense from the soles of his feet, freezing him into an ice sculpture.

After releasing its energy, the ice crystal instantly turned into a pile of powder.

Although the ice crystal was destroyed, the fire evil was under control, and Gao Qilan breathed a sigh of relief.

"It's finally okay..."

Yu Jiameng also sighed, and then looked at Chen Ping, who was still absorbing the energy of the ice soul fragments!

But just when everyone was breathing a sigh of relief, they suddenly remembered a subtle cracking sound!

Kakakaka.....

It was like something was breaking, and soon the sound became louder and louder!

Gao Qilan suddenly looked over and found that the frost on the frozen Huo Sha was cracking rapidly!

“Hahaha, you still want to trap me...”

As the fire demon laughed, all the frost on his body instantly fell apart and flew out!

Seeing this scene, Gao Qilan and Huo Feng all had pale faces!

Gao Qilan even destroyed the ice crystals but still couldn't control the fire evil, then there was no hope for them!

Yu Jiameng, who breathed a sigh of relief, became nervous again, hugging Chen Ping tightly and protecting Chen Ping under him!

The fire demon sneered and slashed with one sword!

Gao Qilan and Huofeng watched, but they were unable to do anything. Their hearts were in their throats!

Chapter: 4973

Snapped.....

Suddenly, a big hand grabbed Huo Sha's wrist tightly, preventing him from falling even a bit!

Huo Sha's expression changed, and he looked at the person who suddenly appeared in front of him in shock!

Liu Ruyan looked surprised!

Huofeng looked surprised when he saw the person coming!

The person who came was none other than Yihe. Fortunately, he arrived in time, otherwise Chen Ping would have suffered!

Among these people, only Liu Ruyan had met Yi He and knew about Yi He's relationship with Chen Ping!

And Huofeng also knows Yihe. After all, as a divine beast, she still knows the three emperors and four kings of the beast tribe!

However, Yi He didn't know Huo Feng. When Huo Feng was demoted to the secular world, it was only when he met Chen Ping that he fully transformed into a human form. It's normal for Yi He not to know him!

"Who are you? Let me go immediately. I am a member of the Demon Sealing Alliance."

The fire demon saw Yihe and then threatened!

After all, the appearance of Yihe now creates uncertainty for Huo Sha, which is why he announced his name as a member of the Demon Sealing Alliance. In this way, many monks want to give face to the Demon Sealing Alliance.

"I don't care what kind of alliance you have. If you dare to touch Mr. Chen, then you are tired of living..."

After Yihe finished speaking, he slapped him away.

The body of the fire demon was like a kite with its string broken, and was directly flown hundreds of meters away!

You must know that the Fire Demon is at the ninth level of the Fusion Realm. This level is not too low in the world of heaven and humans!

But now, Huo Sha, a ninth-level monk in the Fusion Realm, was slapped by Yihe and flew several hundred meters away!

Huo Sha was dumbfounded, and everyone else except Liu Ruyan and Huo Feng were also dumbfounded!

Because of Yihe's strength, they were shocked!

"Who are you? Why are you here?"

Gao Qilan asked Yihe!

After all, this is the Far North. Now that such a powerful person appears in the Far North, Gao Qilan, as a member of the Gao family, has to be more cautious!

"This is Mr. Yihe, Chen Ping's friend..."

Liu Ruyan was afraid of misunderstanding, so she quickly introduced him!

Chapter: 4974

However, she did not reveal Yihe's identity. After all, the fewer people who know Yihe's identity, the better!

When they heard that they were Chen Ping's friends, Gao Qilan and Ji Yun were all relieved!

“I didn’t expect that Demon Emperor Yihe, one of the three emperors, would be my master’s friend. How wonderful!”

Huofeng stepped forward and said to Yihe carelessly!

Seeing that Huofeng recognized him, Yihe couldn’t help being surprised. He looked at Huofeng and said, “Girl, do we know each other? How do you know my identity?”

Yihe is very surprised. He can’t feel the aura of the beasts on his body now. He doesn’t know how the fire phoenix knows that he is the demon emperor!

“Of course we have known each other, and we have known each other for quite a long time...”

Huo Feng smiled slightly and said!

At this time, Yihe was completely confused. He kept looking at Huofeng, and finally found that there was no way to recognize Huofeng’s identity. He could only smile awkwardly and said: “This girl, please forgive my poor eyesight, I really didn’t recognize it!”

“Of course you won’t recognize me like this, but if I change my form, you will recognize me...”

After the fire phoenix finished speaking, it turned into a phoenix, with flames burning on its wings!

When Yihe saw this, he was shocked and said: “Fire Phoenix, it turns out to be Fire Phoenix...”

At this time, the fire phoenix transformed into a human again and said with a smile: “Now we know each other, right?”

“I know, I know...” Yihe nodded repeatedly: “Miss Huofeng, why are you like this now? This strength can’t even be defeated by a young monk in the Fusion Realm...”

Yihe was very puzzled as to why the strength of the fire phoenix, as a divine beast, had become so low!

“Hey, it’s a long story. I’ll tell you in detail when I have time!”

“How do you know my master?”

Huofeng asked curiously!

With Chen Ping’s strength, he is an unknown person in the world of gods and humans. How could he possibly know someone like Demon Emperor Yihe!

Demon Emperor Yihe did not answer, because the identity of the master of Chen Ping’s Tianlong Palace is a secret, and he cannot tell anyone without Chen Ping’s permission!

“Miss Huofeng, why are you calling the master after Mr. Chen? Could it be that you have changed the master again?”

Yihe asked back to Huofeng!

“I.....”

Huofeng was about to answer when he heard Liu Ruyan scream: “That guy is going to run away...”

Chapter: 4975

Liu Ruyan saw Huo Sha struggling to stand up on the ground, turned around and ran away!

After being slapped away by Yihe, he knew the gap between him and Yihe, so he had better run for his life before Yihe noticed him!

He knew that he was in Yihe's hands and he didn't even have the ability to struggle and resist!

When Yihe saw that the Fire Demon was about to run away, he immediately snorted coldly and jumped to stop the Fire Demon!

He stepped forward and grabbed the Huo Sha by his collar, and slapped him across the face!

"Damn it, you bullied Mr. Chen and you still want to run away..."

With this slap, all of Huo Sha's teeth fell out, but his life was not in danger!

Yihe deliberately did not kill him and kept him alive so that Chen Ping could be punished!

Seeing that the Fire Demon was being controlled by Yihe, Huofeng also walked over and slapped the Fire Demon a few times. The Fire Demon was very rampant just now, so he must be repaired now!

Liu Ruyan, Gao Qilan, and Yu Jiameng also walked over, punching and kicking the Fire Demon, making the Fire Demon wail in agony!

Seeing how harsh the girls were, Ji Yun suddenly didn't envy Chen Ping.

If Chen Ping offends these girls, wouldn't he be punished to death?

Rumble.....

Suddenly, there was a muffled thunder in the clear sky, followed by a thunderstorm falling from the sky!

With the thunder tribulation hitting Chen Ping, Chen Ping's realm finally rose to the fifth level of the Fusion Realm!

Slowly opening his eyes, Chen Ping's eyes were a little sharper!

The aura on his body is also changing. Even every small improvement in realm is a transformation for Chen Ping!

"Chen Ping..."

Seeing that Chen Ping was awake, Gao Qilan and the other girls all gathered around happily!

Yihe looked at Chen Ping and hurriedly stepped forward and said respectfully: "Mr. Chen, you are awake..."

Chen Ping looked at Yihe, looking a little surprised and said: "Yihe, why are you here? The poison on your body..."

Chen Ping discovered that the aura on Yihe's body was not suppressed and had completely recovered!

"I'm already well. Princess Jialing helped me heal."

Yihe said quickly!

Chapter: 4976

"I didn't give her the Ice Soul Pill, but she helped you heal?" Chen Ping was very surprised!

"The Princess of Jialing County said that she believed in your character. After you left, she helped me detoxify."

Yihe replied!

When Chen Ping heard this, he felt a little ashamed. If he had just swallowed the Ice Soul Pill, how would he explain it to others when he went back?

It seems that from now on, even if I die, I must keep the promise I made, otherwise I will feel guilty!

“Mr. Chen, how should we deal with that fire demon?”

Ji Yun then followed Chen Ping and asked!

Chen Ping looked over and found the fire demon lying on the ground. His nose and face were bruised and swollen after being beaten. Although it was not fatal, it was too painful!

“Who hit this?” Chen Ping was very surprised, how could Huo Sha be beaten like this!

He knew that it would definitely not be Yihe, because Yihe was not that boring!

“We fought, this guy is so crazy, let’s make him suffer now!”

Huofeng and the other girls said in unison!

At this time, Chen Ping discovered the injuries on Gao Qilan’s body, so he frowned and said, “Miss Gao, were the injuries on your body caused by the fire evil spirit?”

“My injury is fine, as long as you are safe!” Gao Qilan said with a slight smile!

“Master, Sister Qilan is still injured on her back. It was all caused by that guy.”

Huofeng said loudly!

When Chen Ping heard this, he pulled Gao Qilan over, then looked at her back and found a palm print on her back, and the surrounding area of the palm print had turned black!

It was obviously traces of being burned by flames!

Seeing this, Chen Ping's eyes burst out with chills!

Then he reached out and gently touched Gao Qilan's wound, his eyes filled with distress!

As streams of spiritual power flowed through Gao Qilan's wounds, the wounds on Gao Qilan's back healed at a speed visible to the naked eye!

Soon, Gao Qilan's wound healed, and her fair skin regained its glow!

"You wait here, I will avenge you..."

After Chen Ping finished speaking, he looked at Huo Sha coldly and walked over!

Chapter: 4977

When Huo Sha saw Chen Ping coming over, he stood up with difficulty, with a bit of fear in his eyes.

His arrogant look just now is long gone.

With Yihe here, Huo Sha knew that he would definitely die!

However, knowing that he would die, Huo Sha still threatened Chen Ping: "I am a member of the Demon Sealing Alliance. If you kill me, the consequences will be serious."

Chen Ping had a cold look on his face!

Snapped.....

Chen Ping stepped forward without warning and gave Huo Sha a slap in the face.

“Is it serious?”

Snapped.....

Then there was another slap!

Huo Sha was slapped one after another by Chen Ping, and he was already furious!

But he didn't dare to fight back. With Yihe watching eagerly, he had no chance to fight back!

“Chen Ping, didn't you just take advantage of the help? If it were you, I would make you kneel down and call grandpa...”

Huo Sha gritted his teeth and said word by word!

“Are you not convinced?” Chen Ping asked coldly!

“I'm not convinced!” Huo Sha's eyes widened, how could he be convinced!

“Don't say I won't give you a chance. Now we are fighting alone. If you beat me, I will let you go.”

“If you can't win, it's up to you!”

Chen Ping looked at Huo Sha with cold eyes!

Huo Sha was stunned: "Seriously?"

He didn't believe that Chen Ping dared to fight alone with him, and he dared to let him go!

"Of course, provided you can beat me..."

Chen Ping nodded and said!

"Hahaha, you are so crazy..."

Chapter: 4978

"How dare you, a fourth-level Integration Realm person, say such big words!"

"Do you think you are still possessed by that old thing?"

The fire demon laughed, and his breath suddenly burst out.

The injuries on his body were all superficial injuries, so they were not life-threatening!

And the reason why Chen Ping is so awesome in the Treasure Land is because of the fusion of the ancestors of the ancient body refining clan!

Now that he was out of the treasure place, he didn't believe that Chen Ping could beat him!

Chen Ping sneered, and the source of fire suddenly bloomed in his body.

Then he suddenly flew up with a kick.

boom!

This kick hit Huo Sha with a solid kick, and directly kicked him hundreds of meters away.

Wherever it passed, it left a deep ravine on the ground.

“You brat, sneak up on me and seek death.”

The fire demon climbed up from the ground, his face full of anger.

He was furious, wiping the blood from the corner of his mouth, his eyes flashing sinisterly.

Raising the long sword in his hand, a moon of sword light suddenly appeared. This huge moon-shaped sword light slashed towards Chen Ping.

The sword glow was filled with blazing flames, and the surrounding temperature continued to rise.

Facing the incoming flaming sword light, Chen Ping grabbed his palm and immediately had the dragon-slaying sword in his hand.

He shouted low, and the Dragon-Slaying Sword split off three rays of sword light and rushed towards the moon-shaped sword light.

The four sword rays collided, and an earth-shattering sound suddenly erupted. The void exploded. In the smoke and dust, the fire demon suddenly flew out, and the long sword once again drew more than ten moon-shaped sword rays.

Boom boom boom!

These sword rays were extremely fast and landed almost instantly where Chen Ping stepped.

The ground collapsed, with deep cracks several miles long appearing, and smoke and dust rose into the sky, covering the place.

“Using the source of fire outside seems not as powerful as inside the treasure land.”

Chen Ping frowned slightly, he was not satisfied with the power of this sword!

Chapter: 4979

In that treasure place, there is the fusion blessing of the ancestors of the ancient body refining clan, so using the origin of fire is of course very powerful!

After seeing the powerful power, Chen Ping felt a gap in his heart!

Chen Ping’s body was submerged in smoke and dust. Gao Qilan and the others outside saw this scene and were all worried about Chen Ping!

After all, the Fire Demon is a ninth-level monk in the Fusion Realm. Even if he was injured, his strength is still there!

Even if Chen Ping breaks through to the fifth level of Fusion Realm, there is still a big gap between him and the ninth level of Fusion Realm!

However, Ji Yun and Yi He were not worried at all. They knew that Chen Ping could completely block this sword!

“do you died?”

Seeing that there was no movement, the Fire Demon sheathed his sword and retreated, cautiously.

He did not intend to enter the smoke because it would give Chen Ping an opportunity to sneak attack him.

He knew that Chen Ping liked sneak attacks the most, so he had to be careful, because his life was at stake!

“One palm and one sword.”

At this moment, Chen Ping’s voice suddenly sounded in the sky.

Huo Sha suddenly raised his head and found to his surprise that Chen Ping had unexpectedly escaped from his attack range and instead ran over his head.

“What are you talking about?” Huo Sha’s pupils shrank.

The aura exuded by Chen Ping at this time was actually even higher than that of someone at the ninth level of the Fusion Realm. What was going on?

“You hurt Miss Gao with one palm and one sword, then I will repay you tenfold.”

Chen Ping’s eyes were filled with murderous intent as he spoke word by word.

“Haha, you’re arrogant and ridiculous. Who do you think you are? Even if I stand here and get beaten by you, you can’t hurt me.”

The fire demon shouted coldly and didn’t seem to care.

But while he was fighting back, he quietly retreated and distanced himself from Chen Ping.

Chen Ping’s state was very strange. He was clearly at the fifth level of the Fusion Realm, but the aura he exuded was as powerful as the ninth level of the Fusion Realm.

This sudden change made Huo Sha a little confused about Chen Ping, so he became more cautious.

“You are not as arrogant as you appear, and you are still calm, but it is useless no matter how far you run, you have injured Miss Gao, so you are dead.”

Chen Ping’s expression was cold, and his eyes were full of murderous intent.

Chapter: 4980

Fire evil will lead to death.

Chen Ping put away the Dragon-Slaying Sword, then raised his hands high, and the world instantly became dark!

“Thunder Palm...”

Chen Ping shouted loudly, and a black cloud instantly appeared in the sky, and then turned into the shape of a huge hand!

In the palm of my hand, lightning and thunder made bursts of sounds!

The Fire Demon looked up at the palm prints in the sky, frowned immediately, and ran away!

It’s a pity that the Thunder Palm suddenly fell down and hit the fire demon directly!

Rumble.....

In an instant, a huge palm print appeared on the ground, and Huo Sha’s body was deeply imprinted in it!

Bang bang bang.....

Thunder Palms kept falling from the sky, hitting the fire demon hard!

In the end, Huo Sha's body was forcibly knocked more than ten meters underground by the Thunder Palm!

Huo Sha felt as if all the bones in his body were broken, and blood spurted out from his mouth!

His eyes were full of panic. He didn't expect that Chen Ping's Thunder Palm would be so powerful!

After a lot of effort, the fire demon slowly climbed out of the pit!

But as soon as he returned to the ground, he saw Chen Ping holding a dragon-slaying sword and looking at him!

The dragon-slaying sword was suddenly raised.

Then, Chen Ping closed his eyes.

A breath as vast as the sea exploded fiercely.

Buzz!

A huge amount of spiritual power poured out and poured into the sword along the arm, causing the Dragon-Slaying Sword to suddenly tremble violently.

"Nine Shadows Sword Technique!"

Chen Ping shouted loudly, recalling the shocking sword strike that the ancestor of the ancient body-refining clan used his own body.

Chen Ping also wanted to try it and see how he performed this move.
