

The Order 4981

Chapter: 4981

Soon, phantoms suddenly appeared in the void, standing behind Chen Ping.

They hold long swords and have flowing clothes, exactly like Chen Ping.

The seven clones erupted with the same aura as Chen Ping.

“cut!”

Chen Ping shouted angrily, and the Dragon-Slaying Sword was instantly pointed at the Fire Demon. All the swords in the clones' hands were swiped, and they were all pointed in the direction of the Fire Demon.

Several auras were aimed at one person. The aura was like a mountain pressing down on the top of a mountain, and a tsunami approaching, spreading over the fire demon in the blink of an eye.

“How is it possible, how is it possible?”

Huo Sha's eyes were about to burst, and he only felt his scalp tingling. A strong sense of crisis emerged, and he did not even dare to have the idea of resistance.

“Run away. I can't catch this sword. If I catch it, I will definitely die.”

Under everyone's shocked gazes, Huo Sha gave up his pride and self-esteem, turned around and ran back.

He knew that he would never be able to take this sword. The ten palms just made him almost die. How could he take this terrifying sword?

But just when the fire demon ran hundreds of meters away.

Chen Ping suddenly opened his eyes, and a cold light shot out of his eyes.

The dragon-slaying sword erupted with three sword lights.

There was a bang.

The long swords in the hands of these clones were already ready to go, and they suddenly flew out, like thunder coming from the world, and went straight towards the fire.

This scene was huge.

Ten sword rays streaked through the void like meteors, heading straight towards the Fire Fiend.

Seeing that he could not escape, the fire demon roared unwillingly and used flames to form a shield around his body.

Whoosh!

Ten rays of sword light rushed towards the fire demon, and the protective shield he arranged shattered as easily as glass.

Waves of sword energy ruthlessly passed through his body.

One, three, ten!

The scars on Huo Sha's body continued to increase.

Chapter: 4982

In the end, the fire demon's body was cut into a large number of pieces, and even the soul was chopped into pieces.

Shock was written on everyone's faces.

For a moment, there was silence, only the sound of broken pieces of fire falling to the ground.

Ten palms, ten swords...

Chen Ping kept his promise with practical actions!

He said that he would pay back ten times!

Chen Ping's strength surprised everyone!

Especially his understanding of Thunder Palm and Nine Shadows Sword Technique, he really learned a lot from the ancestor of the ancient body refining clan!

"Mr. Chen, let's go..."

Yihe stepped forward and said to Chen Ping!

"I can't go back yet. Since these Five Elements Demons are intercepted and killed separately, I'm afraid the other casual cultivators are also in danger."

Chen Ping said with a slight frown!

"They are just some casual cultivators. It doesn't matter what they do. In this human world, there are killings every day. Mr. Chen can't control them if he takes care of them."

Yihe persuaded Chen Ping!

“If someone else kills someone, I don’t care, but I have to take care of these Five Elements Demons...”

Chen Ping’s eyes were filled with killing intent!

When they were in the treasure land, Chen Ping still remembered the Five Elements Evil that was chasing them!

When Yihe saw this, he stopped trying to persuade him. Whatever Chen Ping wanted to do, just do it!

He is following behind, and as long as Chen Ping is in danger, he will take action!

“Then let’s go quickly...”

Chen Ping saw that Yihe was not talking, so he quickly went in the other direction of the Far North!

Chen Ping’s consciousness continued to expand to the surroundings, even several miles away!

At this time, Chen Ping was like a moving radar, he could clearly see the movement even if it was several miles away.

Soon, Chen Ping suddenly stopped, frowned slightly, and then suddenly rushed out in the southwest direction!

Chapter: 4983

When Yihe and the others saw this, they hurriedly followed!

As Chen Ping and the others continued to approach, the sounds of fighting and wailing reached their ears!

There were more than a dozen casual cultivators, but now only a few of them were slaughtered by the wood evil spirit!

If it weren't for Mu Sha's desire to catch mice, all these casual cultivators would have died long ago!

"Run quickly, if you don't run, you will die..."

Mu Sha said to the few remaining casual cultivators!

However, these casual cultivators were covered in injuries and were already out of breath from exhaustion. They had no energy to run at all!

"You can kill or chop me into pieces, but I can't run away anyway..."

Yuan Bao was lying on the ground, his face ashen as death. He knew that he was bound to die, so he didn't want to run away!

"No more running, no more running..."

Several other casual cultivators were also lying on the ground, and no one ran away!

Seeing that the few casual cultivators stopped running away, Mu Sha's eyes flashed with coldness. With a wave of his hand, a vine appeared out of thin air and wrapped around Yuan Bao!

Yuan Bao was caught in mid-air by the vines and kept shaking hard, and the vines became more and more entangled, making it difficult for Yuan Bao to breathe, and the bones in his body could be heard rattling!

"Run or not? If you don't run, I will strangle you alive..."

Mu Sha said to Yuan Bao!

Yuan Bao gritted his teeth, obviously carrying it to the end. Even if he ran, he would still die of exhaustion. It would be better to be exhausted to death!

Seeing Yuan Bao's attitude, Mu Sha was completely angry!

The winding force of the vines increased again, and a mouthful of blood suddenly spurted out from Yuan Bao's mouth!

The ribs began to break under the entanglement of the vines!

The severe pain made Yuan Bao sweat profusely, but he did not say a word!

He knew he was dead, so Yuan Bao didn't want him to die too cowardly!

"I didn't expect that a mere casual cultivator could have such backbone. I want to see how long you can hold on..."

Mu Sha had a sneer on his face. He was very excited when he saw these casual cultivators being tortured by him!

Yuan Bao's eyes have begun to blur at this time, and he will die soon!

Chapter: 4984

But at this moment, a figure flashed past, followed by a flash of white light, and all those vines were cut off instantly!

Yuan Bao fell to the ground, breathing heavily.

“Are you OK?”

Chen Ping stepped forward and pulled Yuan Bao up!

When he saw that it was Chen Ping, Yuan Bao was very excited. He knew that when Chen Ping arrived, he would not die!

“Brother Chen, I didn’t expect it to be you. Thank you so much...”

Yuan Bao said with excitement!

When the Mu Sha saw Chen Ping, he couldn’t help but froze, frowning slightly and said, “Is it your boy? Where is the Fire Sha? Shouldn’t he intercept and kill you?”

“The fire demon is dead, I’m here to kill you...”

Chen Ping said calmly!

“Impossible, how could the Fire Demon die? With your strength, how could you kill the Fire Demon?”

Mu Sha simply believed that Chen Ping could kill Huo Sha!

“you do not believe?”

Yihe, who also rushed over at this time, spoke, and all the aura on his body burst out!

At this moment, Mu Sha’s face suddenly became extremely ugly, and his whole body began to tremble!

The breath that Yihe burst out was enough to make him fall to the ground instantly!

With this kind of strength, it would be easy to kill them!

Now he believes that the fire demon is dead!

But he didn't understand, how could Chen Ping have such a powerful master beside him?

Chen Ping glanced at Yi He. He knew that the reason why Yi He did this was to put pressure on Mu Sha. When he followed Mu Sha in the fight, Mu Sha would be under pressure!

Yihe was completely concerned about Chen Ping's safety, but Chen Ping didn't need it at all. What he needed was for Mu Sha to unleash his full strength, so that Chen Ping's potential could be unleashed!

Chen Ping's strength grows with every duel between masters!

"Yihe, don't scare him. If I kill him, I won't need anyone's help..."

Chen Ping said to Yihe!

Chapter: 4985

Seeing this, Yihe took back his breath and stepped aside!

At this time, Mu Sha no longer had the excitement he had when he slaughtered the casual cultivators, and his face was so ugly that he almost cried!

"Chen Ping, do you know what kind of organization our Demon Sealing Alliance is? Our alliance leader has sent a message on the jade slip, asking us to go back and answer our orders."

"If you kill me now, the Demon Sealing Alliance will not let you go. You have to think carefully."

“No one who is targeted by our Demon Sealing Alliance can escape!”

Mu Sha didn't want to die, so he moved out of the Demon Sealing Alliance to scare Chen Ping!

Listening to Mu Sha's words, Chen Ping sneered: “The Fire Sha said the same thing just now. He is also dead...”

“If you take action now, if you can dodge one of my moves, I will spare your life...”

Chen Ping's face was extremely confident at this time. As far as the Wood Sha was concerned, his strength was lower than that of the Fire Sha, so Chen Ping was absolutely sure!

But when Mu Sha heard this, he immediately became angry and said: “Shi Ke cannot be killed. Are you looking down on me? I want to see how you can kill me with one move...”

Mu Sha roared, and hundreds of vines suddenly appeared around him. These vines were as fast as lightning, like tentacles, heading towards Chen Ping from all directions.

“I want to see how you can avoid my Thousand Buddha's Hands...”

Mu Sha snorted coldly, his eyes filled with coldness!

In his eyes, Chen Ping is vulnerable, and the only thing he worries about is Yihe!

He must always be on guard against Ihe's attacks!

Although Mu Sha knows that he is the weakest among the Five Elements Heavenly Demons, he is still more than enough to deal with Chen Ping, a mere fifth-grade Fusion Realm cultivator!

Hundreds of vine tentacles are all heading towards Chen Ping, like cages from all directions, trying to trap Chen Ping!

Chen Ping raised the corners of his mouth slightly, and his eyes sparkled!

call out.....

Just as those vines were about to trap Chen Ping, Chen Ping's figure suddenly disappeared before Mu Sha's eyes!

Mu Sha was immediately startled, and the hundreds of vines suddenly lost their target and became entangled with each other!

"Where are the people?"

Mu Sha was horrified. He didn't understand that Chen Ping was clearly in front of him, but now he was nowhere to be seen!

But soon, Mu Sha felt something strange behind him!

Chapter: 4986

He wanted to turn around and check, but the hundreds of vines were entangled with each other, directly holding Mu Sha's body!

This is really a waste of money. Musha is trapped by his own vines!

Pfft...

Just when Mu Sha was about to untie the vines, a sudden pain came from a distance!

I saw a dazzling golden light piercing from the back to the chest. At this moment, the hundreds of vines disappeared in an instant!

Mu Sha had a horrifying look on his face, looking down at the long sword coming out of his chest!

His eyes widened with disbelief on his face. He didn't understand how Chen Ping, a fifth-level Fusion Realm cultivator, managed to kill him with just one move.

Mu Sha slowly turned his head and saw Chen Ping looking at him with a sneer!

Under his gaze, Chen Ping pulled out the Dragon-Slaying Sword, with blood dripping from it.

Chen Ping just glanced at Mu Sha coldly, then turned around and left!

Mu Sha was in disbelief and slowly fell down!

He couldn't believe that he died like this, killed by a fifth-level Fusion Realm monk with one move!

He didn't know how Chen Ping did it, and he couldn't figure it out!

Until his death, Mu Sha's eyes were wide open, and he refused to rest in peace...

The few remaining casual cultivators on the side were all shocked when they saw Chen Ping kill Mu Sha with such a clean sword!

Especially Yuan Bao, he didn't expect that Chen Ping's strength would improve rapidly in the blink of an eye. He didn't understand why!

We must know how difficult it is for these casual cultivators to improve to a small realm. Some people may not be able to improve to a small realm in a year or even several years!

You must know that what casual cultivators lack most is resources, so they are actually bullied in the world of gods and humans!

“Brother Chen, thank you for your life-saving grace. If there is a chance, I will repay you with my life...”

Yuan Bao and several casual cultivators came forward and thanked Chen Ping!

If Chen Ping hadn't arrived in time, they would all be corpses!

“Everyone is welcome, you should leave quickly. If you encounter other people from the Five Elements Heavenly Evil, you will be in danger.”

Chen Ping asked Yuan Bao and several other casual cultivators to leave.

“Mr. Chen, are we still looking for the other two Five Elements Demons?”

Chapter: 4987

Ji Yun stepped forward and asked Chen Ping!

“No need to look for it. I think the other two can deal with the remaining two...”

Chen Ping shook his head!

If Lao Sun and the three of them deal with one of the Five Elements Evils, it won't be a big problem!

And there is Ning Caichen. He is not afraid of any of the Five Elements Evils, so their danger is not great!

Next, Chen Ping followed the others and rushed towards Jialing County!

Although Yihe's poison has been cured, Chen Ping must keep his word and deliver the Ice Soul Pill to the princess of Jialing County!

This is a matter of integrity. Chen Ping will not be a person without integrity!

Although this Ice Soul Pill is extremely valuable, Chen Ping also knows that if he swallows the Ice Soul Pill, his strength will definitely improve by leaps and bounds, and it is even possible to comprehend other origins, but Chen Ping will not do this!

Soon, Chen Ping and the others arrived at Jialing County, and at the gate of Jialing County, Master Yan was waiting for them, as if he knew they were coming!

“Master Yan, why are you here?”

Chen Ping was very curious when he saw Master Yan. Normally, Master Yan should not be guarding the city gate at his level.

“I came here specially to wait for you. You have offended the Demon-Sealing Alliance. If you are killed by someone from the Demon-Sealing Alliance, won't the Ice Soul Pill be lost?”

Lord Yan smiled slightly and said!

Chen Ping looked at Master Yan, very strange. He didn't understand how Master Yan knew that he had offended the Demon Sealing Alliance in Jialing County?

“Mr. Chen, Jialing County knows everything about your every move in the Far North. If they hadn't known that you had obtained the Ice Soul Pill, they wouldn't have let me out of Jialing County!”

Seeing Chen Ping's strange eyes, Yihe explained!

Although Yihe didn't understand how the Princess of Jialing County knew Chen Ping's every move, there was really no way to hide many things about Chen Ping from the Princess of Jialing County!

After hearing this, Chen Ping's scalp felt numb. He didn't understand how the Princess of Jialing County knew about his every move. Fortunately, he had no intention of stealing the Ice Soul Pill, otherwise Yihe might be in danger!

"Master Yan, please lead the way!"

Chen Ping took a deep breath and said slowly!

He didn't want to know how the princess of Jialing County knew his whereabouts. Sometimes, the more he knew, the scarier he would be!

He just wants to leave Jialing County as soon as possible, and then help Yihe take back Demon Imperial City first!

Master Yan took Chen Ping and the others straight to the two-story building of the Princess of Jialing County!

Chapter: 4988

Arriving in front of the small building, Master Yan did not report anything this time, but pushed the door directly in!

Although Chen Ping was surprised, he still followed in and everyone else was waiting outside!

When Chen Ping walked into the small building, he was surprised to find a middle-aged woman wearing a phoenix hairpin and a red robe sitting on the princess's seat!

Although the woman looks older, her skin is very good and can be broken by blows!

But this woman is just a soul, not a physical body!

Although Chen Ping has never seen the true appearance of the Princess of Jialing County, he knows that this woman must be the Princess of Jialing County!

“You’re back?”

The princess smiled slightly and asked Chen Ping!

“I’m back, and I brought this ice soul pill back to the princess...”

Chen Ping quickly took out the Ice Soul Pill and handed it over with both hands!

But the princess did not take the Ice Soul Pill, but looked at Master Yan aside!

Master Yan nodded, picked up the Ice Soul Pill and walked towards the princess!

“I advise you, now your wish will finally come true...”

Master Yan showed a smile on his face and said to the princess!

Chen Ping listened to Master Yan’s words and looked at Master Yan’s eyes, and was stunned for a moment!

Because he actually saw the love for the princess in Master Yan’s eyes.

And this Master Yan doesn’t address the princess, but calls her by her first name?

Is this some of the following mistakes?

But who knew that the princess was not angry, but slowly took the Ice Soul Pill, with a slight apology on her face: “Brother Yan, thank you for taking care of you for so many years, I am sorry for you...”

As he said that, two lines of tears streaked down the princess's face!

"What are you talking about? These are all things I do willingly, but after this time, don't do stupid things again. Not every time, you will have such good luck!"

Lord Yan said lovingly!

"Yes!" The princess nodded vigorously!

Chapter: 4989

For a moment, the princess's body began to emit a white light, and her whole body slowly levitated from the seat!

The light made the princess' body become very transparent. The princess, who was originally a soul body, was slowly disappearing under this light!

In the end, the princess completely disappeared without even leaving a breath!

When Chen Ping saw this scene, he was stunned for a moment. He didn't understand why the princess disappeared suddenly.

But looking at Master Yan's expression, he didn't seem to be worried at all!

Just when Chen Ping was surprised, a white light suddenly flashed in front of him, and then the princess' figure flashed out!

But this time, the princess is no longer a soul, but a living person, a living person with flesh and blood!

His appearance has not changed at all, and even his clothes are still the same.

The princess's face was filled with unspeakable excitement at this time!

“Brother Yan, I have really recovered, I have really recovered my physical body...”

The princess was extremely excited, and then she knelt down towards Lord Yan!

“Brother Yan, if it hadn’t been for your careful care for so many years, I’m afraid I would have been out of my mind a long time ago. I advise you to do nothing in return...”

The princess’s face was full of gratitude.

Chen Ping was even more confused when he saw that the princess knelt down in front of Lord Yan, and he was completely at a loss!

He couldn’t understand what was going on!

“I advise you, if you do this, I will be angry...”

Master Yan quickly stepped forward and helped the princess up!

At this time, the princess looked at Chen Ping, who looked confused. The princess smiled lightly and said, “Are you curious about my identity? You always want to know who I am?”

Chen Ping nodded vigorously. He asked the patriarch of the ancient body refining clan. The patriarch didn’t tell. He asked Gao Qiqiang, but Gao Qiqiang didn’t tell!

Chen Ping wanted to know the true identity of the Princess of Jialing County, why she knew there was Ice Soul Pill in the treasure, why she knew about the Ancient Body Refining Clan, and why she had half of the Ancient Body Refining Clan’s God King Order!

Seeing Chen Ping eager to know his identity, the princess smiled and said: “Actually, I am not the princess of Jialing County. The real princess of Jialing County is Brother Yan...”

“And I’m just a member of the Ancient Body Refining Clan. It’s Brother Yan who has been protecting me...”

After saying that, the princess shouted upstairs: “Brother, Qiqiang, come down...”

Soon, the patriarch of the Ancient Body Refining Clan and the head of the Gao Family, Gao Qiqiang, slowly walked down from upstairs. Both of them looked at Chen Ping with smiles on their faces!

Chapter: 4990

When Chen Ping saw the two of them, he was completely confused and felt that his brain could no longer think!

“You...why are you two here?”

Chen Ping’s face was full of disbelief!

These two people obviously sent me away from the Gao family, but now they actually appeared in Jialing County?

By the way, there is also the brother that the princess called just now?

What’s the meaning?

Could it be that the leader of the ancient body refining clan is the elder brother of the princess?

Not the princess, the princess is Lord Yan!

So what does it have to do with Gao Qiqiang following this Quanjun?

Chen Ping was confused, so confused that he felt like he was being kept in the dark and being fooled around!

“Mr. Chen, please sit down first and let me talk to you slowly...”

Gao Qiqiang saw the gloomy expression on Chen Ping’s face, so he said!

Chen Ping sat on the chair. He wanted to hear what Gao Qiqiang had to say!

He wanted to know what was going on with such a messy relationship!

Gao Qiqiang glanced at Quanjun, and then spoke slowly!

When Gao Qiqiang finished listening, Chen Ping suddenly realized!

It turns out that Quanjun is the sister of the patriarch of the ancient body refining clan!

But later she fell in love with Gao Qiqiang, but because the Ancient Body Refining Clan had many years of grievances with the Gao family, her proposal to follow Gao Qiqiang’s relationship was not accepted at all!

And Master Yan is the real princess of Jialing County. Because he has many contacts with the ancient body refining clan, Master Yan likes Quanjun!

As for Quanjun, she only regards Lord Yan as her big brother!

But the leader of the Ancient Body Refining Clan tried his best to arrange a marriage between his sister and Lord Yan!

This made Quanjun fall into extreme worry and depression!

She can see how kind Master Yan is to her, but after all, emotional matters cannot be forced.

But what happened between her and Gao Qiqiang was that they couldn't be together because of the grievances between the two families. Although they liked each other, it was useless!
