

The Order 4991

Chapter: 4991

For a time, Quanjun fell into emotional entanglements and couldn't extricate himself!

In the end, she couldn't bear it anymore and chose to commit suicide!

Because only by death can we no longer be bothered by these annoying things!

It's just that after persuading you to commit suicide, your soul did not dissipate and was rescued!

However, the physical body has disappeared, and only the soul body is left. If she finds another physical body, she can be resurrected directly.

But I advise you not to live in someone else's appearance!

In this way, Master Yan brought Quanjun's soul into Jialing County, and used various resources to set up a soul-nurturing array to keep Quanjun's soul from dissipating!

After staying there for many years, Jialing County held a pharmacist meeting in order to find the elixir that could make the soul regain its physical body!

Because of Quanjun's death, the patriarch of the Ancient Refining Clan and Gao Qiqiang are no longer hostile, and they are also looking for ways to help Quanjun recover his body!

Later, the leader of the Ancient Body Refining Clan made a decision that went against his ancestors. He wanted to use the Ice Soul Pill in the Treasure Land to help his sister regain her physical body!

Then came all the things that followed. After all, not just anyone can enter the treasure land, and not just anyone can get the Ice Soul Pill!

“Mr. Chen, we know that it is not good to use you like this, but in order to repay you, I will give you the magic whip of our ancient body refining clan. I hope you won’t be angry.”

The patriarch of the Ancient Body Refining Clan said very embarrassedly!

After all, for the sake of their sister, they made up such a big lie, putting Chen Ping in danger and killing many people!

But Chen Ping is not angry. Although this time there are many dangers and he has not gained anything, being able to have the original space and even feel the three original breaths is the biggest gain!

Especially in the treasure land, seeing the ancestor of the ancient body refining family display his unique skills, every move has benefited me a lot!

Not to mention the magic whip, which is also an ancient magic weapon!

“The patriarch is too polite. Even if you tell the truth, I will not refuse...”

Chen Ping said with a faint smile!

“I advise you, you have recovered your body today and are wearing a red robe. Then follow Gao Qiqiang and get married.”

“With your brother and me as your witnesses, our family will become one family from now on. Our common goal is to resist the demons and then cultivate to become an immortal!”

Master Yan said to Quanjun!

“Brother Yan, I.....”

Quanjun looked at Master Yan with some distress. After all, she knew what Master Yan was thinking about her!

Chapter: 4992

“As you said, I am your eldest brother, and I happen to be your witness.”

“Brother Chen is here today. Ask him to call his friends in to witness your wedding together!”

Master Yan said in a free and easy manner!

But when Chen Ping looked at Master Yan’s expression, he knew that all these free and easy things were just an act!

After all, how could he watch his beloved woman marry another man!

But sometimes, feelings are like this, maybe letting go is also a kind of love!

Chen Ping couldn’t imagine whether he could be so free and easy if it was the woman he liked!

Probably not!

Chen Ping called Gao Qilan and the others in. Gao Qilan was also very surprised when she saw her eldest brother!

When I heard that my eldest brother was getting married, I was so surprised that my eyes nearly popped out!

Chen Ping briefly talked to Gao Qilan and Huofeng, and then they realized that there was still this kind of emotional entanglement between the Gao family and the Gu Lianti clan!

But the eyes of these people looking at Master Yan were full of pity!

After all, Lord Yan has sacrificed a lot and spent a lot of resources to keep Quanjun alive. He even did not hesitate to let her become the princess of Jialing County while he was busy with the queen!

In the end, he made a wedding dress for others. This kind of dedication and dedication is really something that most people can't do!

Master Yan and the patriarch of the Ancient Refining Clan were sitting at the top of the table, while Quan Jun and Gao Qiqiang were standing in front of them. The two of them were holding hands, and they could be regarded as lovers finally getting married!

Although the wedding was very simple, they were both very happy when they saw it!

Under the witness of Chen Ping and others, the two knelt down and kowtowed to the patriarch of the Ancient Body Refining Clan and Lord Yan!

At this moment, Gao Qiqiang also sincerely surrendered to Master Yan. The two were love rivals in the past, but now Gao Qiqiang is willing to call him Brother Yan!

Master Yan's courage and mind are not something ordinary people can achieve!

After the wedding was simply held, Gao Qiqiang and the others planned to leave. From now on, there will be no more people to persuade you in Jialing County!

It's time for this two-story building and the spirit-nurturing array to disappear!

"Mr. Chen, my sister is entrusted to you. I hope you can protect her. This path is her own choice and I will not stop it."

"I also believe in her vision. With Mr. Chen's ability, he will definitely be the best among people in the future..."

“If anything happens, you can come to me in the far north. From now on, we will be a family.”

Chapter: 4993

Before Gao Qiqiang left, he said to Chen Ping!

“Don’t worry, Patriarch Gao. As long as I have a breath, I won’t let them get hurt. It’s just that I can’t put too much emotion into them now. I still have a lot of things to do!”

Chen Ping knew that he could not stay in love with his daughter all day long and stay depressed in the gentle countryside.

“A man has his ambitions in all directions, and of course he cannot be tied down by a woman. Since Qilan chooses to follow you, it will not be difficult in the future. I believe she will follow you closely.”

“I trust women from the Gao family, but if you betray her, don’t blame me for falling out...”

Although Gao Qiqiang’s tone was gentle, it contained a hint of warning!

“Brother, what did you say?”

When Gao Qilan saw her brother warning Chen Ping, she suddenly became unhappy!

When Gao Qiqiang heard this, he smiled and said: “You two have started talking to each other before you have a formal relationship. You are really not a good girl...”

“Chen Ping, you have offended the Demon Sealing Alliance this time, so you should be more careful. Besides, the Thunder Eagle King has been looking for you!”

Master Yan opened his mouth to remind Chen Ping!

“The Demon-Sealing Alliance used the excuse of exterminating demons and defending the Tao, but secretly colluded with the demons to cultivate the demons, hoping to rely on the power of the demons to control the entire heaven and human world. I am not afraid of this kind of stuff at all!”

“As for the Thunder Eagle King, now that Yihe’s strength has recovered, I believe that with the abilities of the two of us, we can fight with the Thunder Eagle King!”

Chen Ping said very confidently!

If Yihe had not recovered, Chen Ping himself would definitely not be a match for the Thunder Eagle King, but now that Yihe has recovered, Chen Ping is no longer afraid!

“You don’t have to be afraid of the Demon Sealing Alliance, but if the Demon Sealing Alliance can collude with the demons, then they can do anything. If so, can you protect the girls around you?”

Lord Yan asked Chen Ping!

When Chen Ping heard this, he immediately looked at Yu Jiameng, Huo Feng, Liu Ruyan and Gao Qilan!

None of them are very strong. If the Demon-Sealing Alliance really attacks the women around him, Chen Ping may not be able to do it completely!

Seeing Chen Ping’s look, Mr. Yan continued: “Chen Ping, you can leave a few girls in our Jialing County, and no one here will dare to take any chances with them!”

“Master Yan, these girls are Mr. Chen’s confidante. Although it will be safe if they stay in Jialing County, it will be very difficult for Mr. Chen to see them. Now that I have recovered my strength, I will stay in our Demon Imperial City when the time comes. I don’t think the Demon Sealing Alliance dares to act rashly.”

Yihe spoke at this time!

He knew that it was indeed difficult for Chen Ping to protect the safety of several girls. It would be very dangerous if he took them around, and it would also drag Chen Ping down!

The only way is to stay in his own Demon Imperial City. This is the safest way. Chen Ping can also return to Demon Imperial City at any time to hang out with a few girls!

Chapter: 4994

Although Jialing County is indeed safer than Demon Imperial City, the journey is too far. It will be very troublesome for Chen Ping to meet a few girls!

When Chen Ping saw Yihe speaking, he also said: "Thank you, Master Yan, for your kindness. I'll take them to Demon Imperial City. It's very safe there."

When Master Yan saw what Chen Ping said, he didn't stop him. After all, in the Demon Emperor City, the Demon Sealing Alliance really didn't dare to act rashly!

After saying goodbye, Chen Ping left Jialing County with a few people. Looking at Jialing County behind him, Chen Ping was filled with emotions!

He really didn't expect that behind such a magnificent Jialing County, there was such a tragic love story!

"Mr. Chen, I have notified the Feitian Sect and sent an airship to pick us up. When the time comes, we will take the airship back. It will save energy and time!"

Ji Yun said to Chen Ping!

Now that the Pharmacist Association in Jialing County has ended, there are not many people coming to Jialing County, so the Feitian Sect's airship to Jialing County has also been suspended!

After all, the Feitian Sect is a commercial sect that aims at profit. They will only do it if they can make money. Now that there are fewer people coming to Jialing County, the airship business will also be cancelled!

However, there may not be any more airships coming to Jialing County in the future. Now that Quanjun's physical body has recovered, Jialing County will no longer need to hold any pharmacist meetings. Without such grand gatherings as the pharmacist meetings, no one will come to Jialing county!

However, as Ji Yun is the son of the Feitian Sect, as long as he says a word, the airship will come immediately, regardless of whether there is profit or not!

"Okay, let's wait for the airship..."

Chen Ping nodded.

He knew that it would be too time-consuming to walk back, and Yihe would probably be unable to bear the urge to return to Demon Imperial City by now.

I don't know what kind of damage Huben has done to Demon Imperial City during this period.

But while Chen Ping and the others were waiting for the airship, a terrifying aura suddenly came from all directions!

Feeling this breath, Chen Ping was suddenly shocked!

He knew that this was the Thunder Eagle King coming!

Everyone else's expressions changed dramatically when they felt this aura.

When Yihe saw this, his body trembled slightly, and a huge aura instantly spread out, directly covering several people!

Now that he has recovered, of course he must protect people like Chen Ping!

“Boy, you finally showed up...”

Soon, the figure of the Thunder Eagle King appeared in mid-air, and behind him were hundreds of bloodthirsty Thunder Eagles!

When they saw those hundreds of bloodthirsty thunder eagles, Chen Ping and Yi He’s faces turned ugly!

Chapter: 4995

If there was only the Thunder Eagle King, the two of them could fight together!

But now the Thunder Eagle King is followed by hundreds of bloodthirsty Thunder Eagles, which is a problem!

The Thunder Eagle King stared at Chen Ping, his eyes full of anger. When he was in Jialing County, Master Yan blocked him, so he couldn’t do anything to Chen Ping!

So I kept watch outside, but I didn’t expect to see Chen Ping!

Fortunately, he persisted, and finally saw Chen Ping appear after many days!

“Boy, stealing my Sky Thunder Fruit is a death penalty...”

Thunder Eagle King said coldly!

“Thunder Eagle King, you are too presumptuous to want to attack Mr. Chen while I am here...”

Yihe stood in front of Chen Ping, and the aura on his body kept surging!

The Thunder Eagle King glanced at Yihe and snorted coldly: “Ihe, I didn’t expect you to recover your strength, but even if you recover, so what, can you stop me?”

After the Thunder Eagle King finished speaking, he suddenly raised his arm, and spiritual energy surged from all directions, instantly condensing into a huge palm shadow!

There was thunder and lightning roaring in the palm shadow!

This palm is very similar to Chen Ping's Thunder Palm!

Rumble...

The Thunder Eagle King suddenly pressed down, and the shadow of his palm cut through the void, roaring towards Chen Ping and the others to suppress them!

When Yihe saw this, he also waved his palms together, instantly forming an airtight shield around them!

Yihe knew that with the strength of the Thunder Eagle King, even a little breath would put other people's lives in danger!

At this time, Chen Ping's eyes were filled with thunder and lightning, and he smacked it out with a palm!

With Yihe protecting the others, Chen Ping can do his best to fight with the Thunder Eagle King!

Chen Ping knew that there was a big gap in strength between himself and the Thunder Eagle King, but Chen Ping couldn't sit still and wait for death!

The Thunder Palm appeared in mid-air instantly, and thunder and lightning continued to shuttle, and then these thunder and lightning unexpectedly gathered into a giant dragon!

The giant dragon roared and rushed towards the Thunder Eagle King's palm!

When the Thunder Eagle King saw this, there was a bit of disbelief in his eyes!

He could feel the power of thunder and lightning contained in Chen Ping's palm, which was actually stronger than his!

Chapter: 4996

Compared with the power of thunder and lightning alone, the Thunder Eagle King may not be able to defeat Chen Ping!

This time, the Thunder Eagle King frowned tightly!

But this also made him even more angry, because he knew that the reason why Chen Ping had such strong thunder and lightning power must have been caused by taking his own Sky Thunder Fruit!

Rumble.....

Two palm prints exploded in mid-air, and auras of breath flew everywhere, like a strong wind sweeping around!

The surrounding rocks and trees were blown away one after another, and even a small hill not far away was instantly leveled by the surging aura!

Fortunately, with Chen Ping's palm to counteract it, the aftermath of the Thunder Eagle King's palm seal did not hurt Liu Ruyan and the others. Yihe's aura shield blocked all auras.

However, this palm also made Chen Ping's face turn extremely ugly, and his energy and blood continued to surge up.

"Boy, I didn't expect you to be really capable. No wonder you were able to pick off my Sky Thunder Fruit."

"I want to see if you can still catch my palm below me?"

The Thunder Eagle King's eyes were full of sharpness, and he began to make palm prints again!

And those hundreds of bloodthirsty thunder eagles also began to cry, ready to attack at any time!

Seeing this, everyone's expressions became extremely solemn!

"Mr. Chen, you and others will leave quickly in a moment, and I will hold back the Thunder Eagle King."

"If I can't go back, Demon Imperial City will be entrusted to you..."

Upon seeing this, Yihe made the decision to die. He would use his own life to fight for a way for Chen Ping and the others to survive.

Chen Ping looked at Yihe and said nothing, because he knew that what Yihe said was the best way at this time, otherwise none of them would be able to leave!

But just when the Thunder Eagle King was brewing his second palm and was about to launch an attack, suddenly a white light shot straight into the sky, instantly defeating the Thunder Eagle King's palm!

"Thunder Eagle King, give me some face and forget about this matter..."

Master Yan's figure slowly appeared...

Seeing Master Yan appear, Chen Ping and Yi He breathed a sigh of relief!

Otherwise, if the Thunder Eagle King attacks with hundreds of bloodthirsty Thunder Eagles, they will not be able to resist at all!

And the Thunder Eagle King was a little surprised when he saw Master Yan appearing outside Jialing County!

“Master Yan, if you are not staying in Jialing County, why did you run out?”

Chapter: 4997

“This place doesn’t belong to your Jialing County, so you can’t let me do anything, right?”

“I remember that Jialing County seems to have rules and you are not allowed to interfere in matters outside Jialing County.”

“You can’t stop me from doing anything in Jialing County, and you can’t do it outside Jialing County, right? Isn’t this too overbearing?”

Thunder Eagle King asked Master Yan with a cold face!

Master Yan smiled faintly: “You are right, Jialing County does have rules, but don’t ask about things outside Jialing County.”

“I came forward today just to ask you to give me some face. As for whether to give me this face or not, it’s up to you to decide.”

“Whether you give me face or not, I won’t do anything to you. After all, rules are rules...”

Seeing what Master Yan said, the Thunder Eagle King had nothing to fear. He snorted coldly and said: “Master Yan, this kid stole my Sky Thunder Fruit, so I have to kill him today. I will give you the face.”
No...”

Master Yan was not angry when he saw that King Thunder Eagle refused to give face. He still said with a faint smile on his face: “Since you don’t give face, just pretend that I didn’t say anything, but I hope you won’t regret it...”

After Master Yan finished speaking, he stepped aside directly, as if he really didn't care!

But Lord Yan's words made the Thunder Eagle King immediately alert: "Master Yan, what did you mean just now? What do you mean by not regretting it? Could it be that if I do something, you can't do it?"

"I won't take action. Who says I will take action? But I can tell you, this Chen Ping is not an ordinary person. If you touch him, you will regret it."

Master Yan said with a smile!

"Hmph, he's just a fifth-grade Fusion Realm cultivator, what's so special about him?"

"Is this just Yihe? I'm not afraid of him. I will kill them all today!"

The Thunder Eagle King snorted coldly, he was not afraid of Yihe at all!

At this time, Chen Ping and Yi He, listening to Master Yan's words, didn't understand what he meant!

Seeing that he really wanted to stand by and watch, the two of them began to feel nervous!

However, Chen Ping can't force Master Yan to help. After all, people's rules are rules, and you can't break them for yourself!

"Mr. Chen, you'd better run away later. I can still stop this Thunder Eagle King myself for a while!"

Yihe said to Chen Ping!

Chen Ping nodded. He had no choice now. He could only sacrifice Yihe. He could not watch Liu Ruyan and Huofeng all die in front of him!

As Yihe is one of the gatekeepers of Tianlong Palace, they are destined to protect Chen Ping Zhouquan!

“Don’t even think about running away...”

Chapter: 4998

The Thunder Eagle King looked excited, and his boundless spiritual energy gathered, and a huge palm print appeared again!

Hundreds of bloodthirsty thunder eagles are in all directions to prevent Chen Ping and others from escaping!

Seeing this scene, Chen Ping knew that he had to fight desperately, and it was difficult to escape!

These hundreds of bloodthirsty thunder eagles are enough for them to drink a pot!

“Fight.....”

Chen Ping’s aura surged, and his original power kept flashing out!

Gao Qilan clasped his palms together, and strands of ice gathered in front of him, quickly forming an ice wall, hoping to withstand the Thunder Eagle King’s attack!

The fire phoenix let out a cry from its mouth, and turned into a phoenix. Its wings were burning with blazing flames, and it spread its wings and soared in the air, intending to deal with those bloodthirsty thunder eagles!

Everyone was fully alert and ready to fight!

But at this moment, three terrifying auras came from behind everyone and headed straight for the Thunder Eagle King!

The huge palm print condensed by the Thunder Eagle King had just taken shape. When he felt the three terrifying auras, he was suddenly startled and suddenly swung the palm print out!

boom.....

With a loud noise, the palm print disappeared instantly, and the Thunder Eagle King only felt his body shake for an instant, and then flew out upside down!

The Thunder Eagle King's body hit a high mountain in the distance heavily, destroying the entire mountain!

The look on the Thunder Eagle King's face was extremely ugly, and he turned into a Thunder Eagle and flew back!

When the Thunder Eagle King flew back, he found three people standing in front of Chen Ping and the others. It was obvious that the three breaths just now were from them!

"Who are you?"

The Thunder Eagle King looked at the three people in front of him and said solemnly!

"Gao Qiqiang of the Gao family..."

"The leader of the ancient body refining clan!"

"I am also from the ancient body-refining clan!"

The three of them opened their mouths to introduce themselves!

It turns out that Gao Qiqiang and Quanjun did not leave, but came to help Chen Ping and the others!

The three of them are all great cultivators who can transcend tribulations, and even though the Thunder Eagle King is awesome, he doesn't dare to ignore the three of them!

Chapter: 4999

Chen Ping and Yi He felt happy when they saw the three people appearing. They also understood what Master Yan meant just now!

"The Gao family? The ancient body-refining family?"

Thunder Eagle King looked confused: "I have no grudge against you, why did you suddenly attack me?"

Thunder Eagle King knew that the Gao family and the Gu Lianti clan were both in the far north and had never interacted with each other before, let alone any enmity. He didn't understand why these three people suddenly attacked him?

"We have no grievances, but we can't just sit idly by if you attack Mr. Chen..."

Gao Qiqiang said!

"Mr. Chen?"

The Thunder Eagle King was stunned for a moment, but soon turned his attention to Chen Ping: "You mean this Chen Ping?"

"Yes, if you attack him, you are attacking us. If you say we beat you, is that right?"

Gao Qiqiang smiled coldly!

Thunder Eagle King's face turned green when he heard this. He never expected that Chen Ping, a fifth-grade Fusion Realm monk, would be great to have a demon emperor like Yihe to help him!

But I didn't expect that even the Gao family and the Ancient Body Refining Clan would come forward, so how could this be fun?

Can this revenge be avenged?

Thunder Eagle King broke out in cold sweat!

Looking at Gao Qiqiang and others who are great monks who have overcome the tribulation, plus Yihe is also a great monk who has overcome the tribulation!

These four people join forces and are about to turn themselves into scum in an instant...

The one who originally had the upper hand wanted to take revenge on Chen Ping!

But now, he is directly at a disadvantage, even being crushed!

"Thunder Eagle King, I just warned you that you will regret it, but you just didn't believe it. Do you believe it now?"

Master Yan looked at Thunder Eagle King with amusement and asked!

The Thunder Eagle King looked very ugly and could only nod his head vigorously!

Now he believes it, he believes it extremely.

But what if you believe it?

If Chen Ping launches an attack at this time, he may have no way to escape!

Chapter: 5000

Thinking about his bloodthirsty Thunder Eagles and his Sky Thunder Fruit, the Thunder Eagle King regretted it!

Just pick it, why bother forcing each other to take revenge!

In fact, the remaining Heavenly Thunder Fruits are enough for him to slowly break through the tribulation and advance to the Mahayana realm!

Now everything is over, revenge has not been avenged, life is on the line!

Seeing Thunder Eagle King's nervous and frightened look, Lord Yan smiled faintly, then looked at Chen Ping and said: "Chen Ping, can you give me some face and let this matter go? As the saying goes, it's better to dissolve enemies than to end them!"

"Everything is decided by Mr. Yan, not to mention that I picked the Sky Thunder Fruit first. I was wrong first..."

Chen Ping said calmly!

After hearing Chen Ping's words, Thunder Eagle King, who had a regretful look on his face, suddenly brightened up!

Judging from what Chen Ping meant, he probably didn't intend to pursue him!

"Thunder Eagle King, you have also heard it. I am the guarantee for this matter. Let the two of you just forget about it. If the fight continues, it will not be beneficial to either of you!"

Master Yan said to the Thunder Eagle King!

"Master Yan is right. I was a bit stingy about this matter. I will not pursue it in the future!"

Thunder Eagle King quickly agreed!

At this time, he was at an absolute disadvantage. If he didn't agree, his life might be in danger!

"Well, since you agreed, this matter is over. But remember, if you find trouble with Chen Ping at this time, don't blame me for being rude. After all, I am the guarantee for this matter. "

Master Yan's voice suddenly turned cold and said!

"No, absolutely not..." Thunder Eagle King wiped the cold sweat from his forehead and quickly shook his head and said!

"You go." Master Yan waved his hand!

The Thunder Eagle King did not dare to stop at all, and flew away with hundreds of his bloodthirsty Thunder Eagles!

At this time, in mid-air, an airship came slowly. It was the airship of the Feitian Sect, coming to pick up Ji Yun!

After saying goodbye again, Chen Ping led Yihe and the others towards the airship!

Shi Tieqiao walked out of the airship. He was the one who came to pick up Ji Yun!

But when Ji Yun looked at the airship in front of him, his face became very ugly!

I saw that this airship was not large, could only carry a dozen people, and it looked extremely old!
