

The Order of the Dragon King Chapter: 5

2-3 minutes

“Cuckold turtle...”

“Hahaha.....”

The bald man followed by the other boys all burst into laughter!

“What did you say?”

Chen Ping frowned, his eyes full of disbelief.

“I said that the woman you were in jail for is going to marry Master Xiao today. The wedding will be held at the Regal Hotel. It’s so luxurious. Why don’t you go and see it?”

The bald man looked at Chen Ping with a sneer.

Chen Ping’s brows furrowed even more tightly, and he clenched his fists tightly with both hands.

Tang Hongying’s expression behind her changed again and again, and she was trembling with anger.

After all, his son was in jail because of Geng Shanshan. He didn’t expect that this woman would turn around and marry her enemy.

“Kneel down and apologize to my mother, and I can spare your lives.”

Chen Ping’s eyes flashed with cold light, and the killing intent rose in his body.

The temperature in the room suddenly dropped a few points, and the laughter of the bald people also stopped abruptly!

After a moment, the bald man realized what he was doing and said angrily: “What did you say? You asked me to kowtow and apologize?”

The bald man said, and punched Chen Ping.

Even with Chen Ping's thin body, one punch could knock Chen Ping to the ground!

Bang...

But who would have thought that as soon as Baldhead rushed forward, Chen Ping kicked him out!

The bald man suddenly fell to the ground holding his crotch, sweating profusely in pain, and kept wailing!

"Chen Ping, you can't fight anymore..."

Listening to the bald man's wail, Tang Hongying hurriedly shouted at Chen Ping.

Chen Ping was imprisoned for assault. He had just been released. If he was sent to jail for fighting, what would he do?

"Beat him to death, beat him to death..."

The bald man roared angrily, glaring at Chen Ping with vicious eyes!
