

## **The Order 5001**

Chapter: 5001

As the eldest son of the Feitian Sect, Ji Yun felt so embarrassed that he was picked up by this airship!

“Elder Shi, what’s going on? Why did you pick me up with such a shabby thing?”

Ji Yun asked Shi Tieqiao with a cold face!

Chen Ping and the others were also surprised. After all, Ji Yun was the eldest son of Feitian Sect, so he had to build a better airship. However, the airship that came this time was too shabby!

Chen Ping was even afraid that the airship would break down halfway and fall from the sky!

“Master, our Feitian Sect doesn’t have any free airships now. It would be great to find this one. We’d better get on the airship and explain it to you as we go!”

Shi Tieqiao said helplessly!

“There are no free airships anymore? Is business so busy recently?”

Ji Yun looked surprised. There are no major festivals now, so why are airships used in such a large amount?

There are usually no important things, and few people make airships. After all, they need spiritual coins!

Some casual cultivators have few resources, and it is even more impossible to spend their spiritual coins to build airships. They would rather walk than sit!

“Mr. Chen, this airship is too crude, please be patient...”

Ji Yun said to Chen Ping very embarrassedly!

“It’s better to have an airship than to walk. Let’s get on...”

After Chen Ping finished speaking, he walked in first!

Gao Qilan and Yu Jiameng looked a little excited. After all, it was their first time to fly on an airship!

After boarding the airship, the airship slowly started and began to fly towards Feitian Sect!

Ji Yun asked Shi Tieqiao with a cold face: “It’s time for you to explain to me.”

Shi Tieqiao glanced at Chen Ping and the others, as if they had something to hide!

“Say, Mr. Chen is not an outsider...”

Ji Yun said coldly!

Shi Tieqiao was so frightened that he trembled and said quickly: “Master, more than half of our Feitian Sect’s airships have been damaged, and now all the airships have gone to Mohai.”

“What?” Ji Yun suddenly stood up: “Half damaged? What’s going on? Why go to Mohai? Isn’t that a no-fly zone?”

“Most of the airships were snatched by Chuanyunmen, and some of them crashed into the Mo Sea.”

Chapter: 5002

“During this period, huge waves suddenly rolled in the Mo Sea. I heard that a lot of treasure resources poured out. Some people picked up treasures in the Mo Sea, so many people rushed to the Mo Sea!”

“The master added a route to Mo Hai, but the people from Chuanyunmen actually crossed the territory and attacked our airships, causing many of our airships to crash and rob!”

“The master took the remaining airships to seek justice, so now there are no available airships in the Feitian Sect, so I will use this old little boat to pick up the young master!”

Shi Tieqiao followed Ji Yun carefully!

Ji Yun fell into silence after hearing Shi Tieqiao’s words. It could be seen that he was very worried at this time!

Chen Ping, on the other hand, looked puzzled and said: “What kind of sect is this Chuanyun Sect? And what is that Mo Hai? How can there be treasures?”

Looking at Chen Ping’s confused look, Yihe explained: “This Chuanyun Sect is a sect in the Eastern Continent, and it is also a sect whose main business is airship transportation.”

“As for the Ink Sea, it is a sea. Because the water is as dark as ink, it is called the Ink Sea. However, the Ink Sea is very strange. All aircraft flying over the Ink Sea will fall for no reason, even flying monsters. Even the beasts can’t fly over!”

“It is rumored that the land of the ink sea is an ancient battlefield. Fierce battles took place during the war between gods and demons. This sea of ink was made of the blood and souls of the dead monks. It is extremely strange, so there is a place above the sea of ink. It has become a no-fly zone, and no aircraft is allowed to fly over the Mohai Sea!”

“It’s very difficult to even cross the sea of ink...”

Chen Ping became even more confused after listening to Yihe’s explanation, and asked in confusion: “Eastern Continent? What is this place?”

“Mr. Chen, the Eastern Continent is just a continent to the east of the Celestial Realm. The entire Celestial Realm is divided into five regions, five continents in the east, west, south, north, and middle,

just like the three emperors and four kings of our beast tribe, and the demon tribe. Like several major demons, human monks also divided regions based on several continents.”

“Every area is under the jurisdiction of a Territory Lord. The continent we are on is the Northern Territory, so there is a Northern Territory Lord sitting on this entire continent. However, the Heavenly and Human Realm occupies a very large area, and the various continents are crisscrossed. The forces are also intertwined and fighting constantly.”

“Situations like Chuanyun Sect and Feitian Sect arise because of disputes over interests. However, the Territory Lord will not interfere in such a trivial matter.”

“Only when a large-scale battle occurs, or the demons rekindle, causing chaos on a certain continent, will the Territory Lord send people to negotiate and suppress it. If it still can’t be dealt with, then the Territory Lord will come in person.”

“Actually, I have never seen any Territory Lord in hundreds of years, and I have never heard of their appearance. Gradually, people may forget the existence of Territory Lord!”

“However, there are still dividing lines between the five continents. It seems that this time, Chuanyunmen has crossed its own territory and snatched the Feitian Sect’s airship and business!”

Yihe explained to Chen Ping the structure of the entire Celestial Realm in detail, which shocked Chen Ping. He did not expect that there were people like Territory Lords in the Celestial Realm!

But it’s normal to think about it. If such a huge realm as the Heavenly and Human Realm was really chaotic and disorderly, I’m afraid the Heavenly and Human Realm would have been destroyed long ago!

But it hasn’t appeared in the past hundred years. I don’t know if this so-called Lord of the Five Domains really exists!

“Do you know what level of strength these domain lords have reached?”

Chen Ping was very curious about what kind of person could be in charge of a continent in a place like the world of heaven and humans!

Yihe shook his head and said: "I don't know, I haven't seen it, and I haven't heard of it. I don't seem to have heard of anyone seeing the Territory Lord, let alone seeing the Territory Lord take action, but I feel that it should be in the Immortal Realm. The reason why these people don't like to show up and take care of things is probably because they are waiting to ascend."

"After all, nothing matters when it comes to becoming a true immortal!"

Chapter: 5003

"Transforming into an immortal..." Chen Ping fell into deep thought. He didn't know how terrifying the power would be in this realm.

For a moment, the airship fell into silence. Ji Yun looked out the window with worry in his eyes. He who had been eating and drinking without any worries seemed to feel pressure at this moment!

After flying for a day and a night, the airship landed in Feitian Sect!

The only people left behind by Feitian Sect at this time were the old, weak, sick and disabled, and most of them followed the sect leader to Mohai!

Shi Tieqiao stayed behind at Feitian Sect and took care of some things!

"Mr. Chen, I can only send you here. I want to take this airship and rush to Mohai."

Ji Yun said to Chen Ping apologetically!

"Do you need my help?"

Chen Ping asked Ji Yun!

After all, the Feitian Sect is a commercial sect and its disciples are not very strong, so if there is a conflict, the Feitian Sect has no advantage!

“No need, Chuanyunmen is just like us, there aren’t many experts.”

“Besides, Chuanyunmen crossed the border to provoke, so he shouldn’t have brought many people with him.”

Ji Yun shook his head and refused Chen Ping’s help!

He knew that Chen Ping still had a lot of things to deal with, and besides, the dispute with Chuanyunmen was not as serious as imagined!

As a business sect, all they care about is profit, and they won’t really go all out.

“Well, take care of yourself and let me know if you need anything!”

Chen Ping took out several jade slips for sound transmission and gave them to Ji Yun.

This simple sound-transmitting jade slip can be easily refined by Chen Ping!

Although Chen Ping also wants to see Mohai to see what it is like and what treasures there are, but right now he has more important things to do!

“Thank you Mr. Chen.”

Ji Yun took the message jade slip and thanked him very much!

But just when Chen Ping was about to take Yihe and the others back to Demon Imperial City and take back Demon Imperial City from Huben, a Feitian Sect disciple hurriedly ran over!

“Elder Shi, eldest young master, something is wrong, something serious is going wrong...”

The Feitian Sect disciple said anxiously!

Chapter: 5004

“What’s wrong?” Ji Yun frowned and asked!

“The sect leader led people to chase the people from Chuanyunmen and entered the sea of ink. They have been unable to contact them for three days.”

“This is a message from the brother who stayed behind...”

Feitian Sect disciple said!

“What? My dad entered the sea of ink?”

Ji Yun suddenly panicked. You must know that the Mo Sea is extremely strange and people often disappear. Therefore, if you want to cross the Mo Sea, you must take a spiritual ship, and you must be extremely careful!

Now Ji Yun didn’t expect that his father would carelessly chase into the sea of ink in order to chase the people who penetrated the Yunmen. He couldn’t be contacted for three days. It seemed that something must have happened!

At this time, Ji Yun suddenly felt at a loss. He was usually just a young man and had never taken on any major responsibilities. Now that his father was missing, the entire Feitian Sect suddenly fell on him!

Chen Ping looked at Ji Yun like that and said, “Ji Yun, don’t worry, I’ll accompany you to Mohai.”

“Mr. Chen, you...”

Ji Yun knows that Chen Ping has a lot of things to do of his own!

“I just want to see what kind of treasures there are in Mo Hai. Maybe there will be some adventures!”

Chen Ping smiled slightly and said that he said this on purpose to make Ji Yun feel at ease!

After saying that, Chen Ping looked at Yihe and said: “Yihe, take the others back to Demon Imperial City. You must ensure their safety, and you must look after the Jade Cauldron Sect to prevent the Jade Cauldron Sect from suffering. attack.....”

Now that Yihe’s strength has been restored, it will be easy to take back the Demon Imperial City and deal with a mere tiger!

And there is Hu Yixiao. As long as Yihe comes forward to protect the Jade Cauldron Sect, Hu Yixiao will not even think about touching the Jade Cauldron Sect!

So it doesn’t matter whether Chen Ping comes back or not, it’s just that he can’t get the God King Bow back in a short time!

“Mr. Chen, Mo Hai is strange and unpredictable. If you go, be careful...”

Yihe warned Chen Ping!

“I know, you also have to be careful of King Li to prevent King Mingli from attacking Demon Imperial City.”

Chen Ping said!

Yihe nodded, and then prepared to leave with a few girls!

“Chen Ping, I...I want to be with you...”

At this time, Gao Qilan said softly!

Chapter: 5005

She came all the way from the Far North just to follow Chen Ping. Now that Chen Ping has thrown her aside, she will feel bored!

“Miss Gao, the land of Mohai is very dangerous, and I don’t know that place well. I’m afraid it will be dangerous for you to follow me.”

“What’s more, I have offended the Demon-Sealing Alliance. Maybe the people from the Demon-Sealing Alliance are chasing me everywhere now!”

Chen Ping said truthfully!

“I’m not afraid. Since I choose to follow you, I’m not afraid of danger. If you are really killed, then I will follow you to my death...”

Gao Qilan’s eyes were full of determination, expressing her love for Chen Ping.

Looking at Gao Qilan’s eyes, Chen Ping didn’t know what to do for a moment!

After all, Liu Ruyan, Huo Feng, and Yu Jiameng are all here, and they definitely want to follow him. If they agree to Gao Qilan, what will the others do?

Chen Ping can’t favor one thing over another, and if these women follow him, it will definitely be very dangerous!

“Master, let Sister Qilan follow you, let’s go to Demon Imperial City.”

“After all, sister Qilan hasn’t slept with you yet, you have to let others have a taste of it...”

“Otherwise, a big girl would follow you for nothing...”

Huofeng saw Chen Ping’s concerns and said!

Huofeng’s words, neither serious nor serious, immediately made Gao Qilan’s face turn red with embarrassment!

Chen Ping was also extremely embarrassed. He coughed lightly and said, “Okay, let Miss Gao follow me. You and Yihe return to Demon Imperial City. Don’t run around. Wait until I finish dealing with Mo Hai. I’ll go find you!”

All three women nodded, and after telling Chen Ping to be careful, they followed Yihe on the road to Demon Imperial City!

Ji Yun, on the other hand, followed Chen Ping and Gao Qilan, got on the airship and headed towards Mohai!

At this moment, in the palace of Demon Imperial City, Huben is holding a banquet!

At the banquet, there were several generals from the Mingli King’s City. These people were all here to assist Huben in taking charge of the Demon King’s City!

Although he said he was assisting, he was actually treating Huben as a puppet. Li Xing wanted the entire Mingli King’s City to annex the Demon King’s City!

Next to Huben, two very coquettish women kept pouring wine into Huben!

These two women were also given by Li Xing in order to make Huben forget about Princess Isa!

Huben was not polite. He touched two women at the banquet without caring about other people's eyes. Now he is the Demon Emperor, and he is the biggest in the entire Demon Emperor City!

Just when Huben was immersed in the tenderness of the two women, suddenly the sky became dark and gusts of strong wind began to howl!

Chapter: 5006

"Why did the situation suddenly change?"

Huben looked out the window, a little surprised!

Along with a gust of wind, the door of the palace was suddenly blown open, and a figure slowly walked in from the outside!

Looking at the figure walking in, Hu Ben frowned, with a bit of confusion in his eyes!

But when the figure walked into the hall, Huben's eyes suddenly widened, and the fear in his eyes suddenly filled the air!

"Demon...Demon Emperor..."

Huben pushed the two women aside and looked at Yihe in shock!

He didn't expect that Demon Emperor Yihe would be back!

In the main hall, the generals of Mingli King City were all stunned when they saw Demon Emperor Yihe, and then they stood up and became vigilant!

"Hu Ben, can you sit in this seat in the main hall?"

Yihe said with a cold expression!

Huben trembled all over and quickly got down from the seat.

“General Huben, this Demon Emperor Yihe has been poisoned by our Mingli King’s City and has lost all his power a long time ago. What are you afraid of him doing?”

At this time, a general from Mingli King City said!

When Huben heard this, he also reacted. Now that Yihe had lost his power, he no longer had to be afraid!

Thinking of this, the panic on Hu Ben’s face disappeared, and then he showed a sneer and said: “Demon King, you have lost all your skills now. I didn’t expect you would dare to come back. But considering that you have been my master and servant for many years, I don’t have to kill you.”

“But you have to find Princess Isa and ask her to marry me. In that case, you will be my father-in-law, and you can continue to enjoy the blessings in this Demon Imperial City.”

Yihe looked at Huben like that and couldn’t help but sneer!

“You alone want to marry Isa?”

Yihe’s eyes were full of disdain, and he waved it casually!

A terrifying aura suddenly erupted, and the general from Mingli King City who had just told Hu Ben not to be afraid had no time to react, and his whole body exploded instantly!

For a moment, blood mist filled the hall, and the general of Mingli King City disappeared!

Seeing this scene, Cong Huben was immediately dumbfounded!

He did not expect that Yihe would actually regain his strength, and the faces of the generals in Mingli King City would also change drastically!

Chapter: 5007

Now that Yihe has regained his strength, it is not something that pawns like them can handle!

Several generals from Mingli King City looked at each other, and then rushed outside with all their strength!

They just want to escape. As long as they can escape back to Mingli King City, they can save their lives!

Looking at the generals rushing out, Yihe didn't even move!

I saw bursts of aura erupting from Yihe's body, and the generals who were originally running for their lives felt their shoulders sink, and everyone fell to the ground instantly!

Each of them seemed to have a huge mountain pressed down on them, and they couldn't get up no matter how hard they climbed!

Bang bang bang.....

Just hearing bursts of explosions, the bodies of the generals of Mingli King City were all crushed by the breath, and they all turned into blood mist!

Yihe doesn't need to take action at all to deal with them, after all, the difference in strength is too big!

Huben looked at everything in front of him, and his whole body was shaking extremely hard!

Plop...

Huben knelt on his knees, and then desperately began to beg for mercy!

“Demon Emperor, have mercy on me, Demon Emperor, have mercy on me. I was deceived by that sharp star, so I did this. Please spare my life, Demon Emperor...”

Huben kowtowed and begged for mercy!

But there was no mercy in Yihe’s eyes. For such a traitor, Yihe would not give him a chance!

I saw Yi He open his hand, and a huge suction force caused Huben to reach Yi He’s hand instantly!

Huben was held by his collar by Yihe, and he didn’t even have the ability to struggle!

Yihe slowly walked out of the palace carrying Huben, and all the imperial city guards he passed by knelt down and worshiped!

After walking outside the gate of Demon Emperor City, Yihe stopped!

Huben’s face turned pale at this time. He didn’t know how Yihe was going to deal with him!

At this time, Huben’s pants were all wet!

“Someone is coming...”

Yihe shouted loudly!

Immediately, a group of armored guards arrived and knelt in front of Yihe!

Chapter: 5008

“Hang this traitor on the city gate. I will let him hang on it forever. I will use him to warn everyone that being a traitor will result in this...”

Yihe threw Huben to the ground!

When Huben heard this, he immediately panicked. Now he just wanted to die. He didn't want to be hung on the city gate forever, unable to die even if he wanted to, and become the target of everyone's rejection!

“No...no...kill me, kill me...”

Huben yelled, he hoped Yihe would kill him!

It's just that Yihe didn't even look at him, but turned around and walked towards the imperial city!

Huben wanted to catch up, but was held down by a group of guards, and then hung high on the city gate!

From now on, Huben will be exposed to wind and sun forever, and suffer all kinds of torture, but he will not be able to die!

At this moment, Huben may have regrets in his heart, but it is already too late!

Chen Ping on the other side was following Ji Yun on the airship to Mohai!

Because of the long distance and the small and broken airship they were traveling on, the flight speed was relatively slow!

Chen Ping sat on the airship and took advantage of this rare free time to sort out his various original auras!

During this trip to the far north, I had the original space and felt several kinds of original auras. This is the biggest gain!

There is also the magic whip, this kind of ancient magic weapon can also make Chen Ping more handy when encountering demons!

Chen Ping sat cross-legged, closed his eyes, and his consciousness entered the original space!

Looking at the dazzling galaxy and the countless gray stars, Chen Ping felt his scalp numb!

My original space is so huge and has so many dark stars. How many kinds of original auras do I need to comprehend to light up the entire galaxy?

“Mr. Chen.....”

Just after Chen Ping’s consciousness entered the original space, Zhe Yan suddenly spoke!

“What’s wrong?” Chen Ping looked at Zhe Yan and asked!

“Mr. Chen, your original aura is so huge. I wonder if I can use Mr. Chen’s fire source to practice?”

“But I swear, I have absolutely no other intentions, and I will never betray Mr. Chen.”

“Over this period of time, I have learned that Mr. Chen is not an ordinary person, but a hero among men. Therefore, it is an honor for me to serve Mr. Chen!”

Zhe Yan said very sincerely!

Chapter: 5009

Although there is only a trace of Zhe Yan's soul left in Chen Ping's sea of consciousness, Chen Ping can release him at any time as long as he is willing.

Zhe Yan only needs to find a physical body, or a pill for physical rebirth, and he can fully recover!

Therefore, Zhe Yan does not want to waste his training time. The main reason is that Chen Ping's fire origin aura can help Zhe Yan quickly improve his strength. After all, Zhe Yan is also a fire demon and practices fire skills!

"Of course, as long as you follow me honestly, I will find an opportunity to restore your physical body."

Chen Ping happily agreed!

"Thank you Mr. Chen. I will go through fire and water for Mr. Chen without hesitation!"

Zhe Yan said with excitement!

I don't know how long it took, but Chen Ping was called out from the sea of consciousness by Ji Yun!

When Chen Ping opened his eyes, he found that within a hundred miles in front of him, there was darkness!

"What is this?" Chen Ping was very surprised!

"Mr. Chen, the sea of ink has arrived. This dark area is the sea of ink..."

Ji Yun said!

Chen Ping looked intently and saw that it was indeed a vast ocean, but the water was inky black and continued to extend into the distance!

Soon, the airship slowly descended and landed in a place similar to a small town. Although there were many houses here, they were all relatively shabby!

On a square in the center of the town, several huge airships stayed there. These are all the airships of the Feitian Sect!

Because there is a no-fly zone above the Mo Sea, these airships cannot fly directly over the Mo Sea and can only park here!

When Chen Ping and his airship came to a stop, the remaining disciples of the Feitian Sect ran over!

“Young Master...”

The left-behind disciple of Feitian Sect shouted respectfully!

“No news about my dad yet?”

Ji Yun asked with a frown!

The Feitian Sect disciple shook his head: “There is still no news about the Sect Master. I heard rumors that the spiritual ship the Sect Master and the others were on sank in the sea of ink.”

When Ji Yun heard this, his body trembled, and he tried hard to suppress the grief in his heart. He knew that he could not fall down now, because the Feitian Sect was relying on him!

“Tell me in detail, what’s going on? Could it be that the one who wears the Cloud Sect can cross the ink sea at will?”

Chapter: 5010

Ji Yun didn’t understand that if his father’s spiritual ship sank, would the Chuanyunmen be fine?

“Young Master, Chuanyunmen got a batch of spirit turtles from somewhere. These turtles can travel freely in the Mo Sea and are not afraid of the wind and waves of the Mo Sea.”

“It is precisely because of this that they attacked our airships and robbed many of our airships.”

The Feitian Sect disciple explained!

“Spirit turtle?” Ji Yun was silent!

“Ji Yun, let’s find out the situation first, and then go out to sea to explore. Maybe your father and the others are fine!”

Chen Ping said at this time!

He knew that Ji Yun was confused at this time and had no idea what to do!

“Okay, let’s go to sea and check the situation!”

Ji Yun nodded, then looked at the Feitian Sect disciple and said, “Go and buy some tickets immediately, I want to go to sea...”

When the disciple of the Feitian Sect heard this, he immediately felt confused: “Young Master, in the recent period, there are no tickets anymore. They have been sold out a long time ago.”

“After there was news in Mohai that there was a treasure emerging, so many people came that the tickets for the spiritual ship were sold at a sky-high price, and the supply was still in short supply.”

“Damn, what a waste, don’t you know how many to prepare?” Ji Yun yelled angrily after hearing this!

“Without a ticket, can’t we go to sea?”

Chen Ping asked in confusion!

“It’s not possible without a ferry ticket, but there is another way to get one.”

Ji Yun whispered!

“What can I do? Buy it from someone else at a high price?”

Chen Ping asked!

Ji Yun shook his head: “That’s just robbing. The ticket is not registered anyway. Whoever gets it belongs to him.”

When Chen Ping heard this, he thought it was a good idea. He could just grab two of them from other people.

Anyway, in the world of gods and humans, this is nothing!

“Where are we going to grab it?” At this time, Gao Qilan became interested!

“Of course we go to the pier. Only those who have bought a ticket will go there to prepare to board the ship.”
