

The Order 501

Chapter: 501

“Brother Chen, this...this is your treasure, I can't have it!”

Xiaoru knew that this seven-star disk was a treasure. Chen Ping killed Liao Fei just for this seven-star disk!

“Any treasure is of no use to me, but if it's on you, it might be able to save your life. If we meet again by chance, when I'm strong enough, I'll definitely give you a great opportunity!”

Chen Ping smiled slightly and gently stroked Xiaoru's head!

Xiaoru was not talking, but silently held Qixingpan in her arms!

After coming down from the mountain, the three of them went their separate ways. Looking at the backs of Taoist Wuwei and Xiaoru, Chen Ping didn't know that his decision to hand the seven-star disk to Xiaoru would allow him to escape from death several times in the future!

Yuncheng Hotel!

Su Yuqi looked at Lin Tianhu strangely and asked, “Lin Tianhu, tell me the truth, what did Chen Ping do?”

“Miss Su, I really don't know. Mr. Chen said it was urgent and left!”

Lin Tianhu said helplessly.

“I left last night and I haven’t come back yet. I can’t get through on the phone. Is something going to happen?”

Su Yuqi’s face was full of worry!

“I don’t think he’s gone to find a lover, right? There’s no such thing as a rich and handsome man who is single-minded!”

Gu Yufei on the side said with a bad smile!

“Yufei, don’t talk nonsense, I don’t think Chen Ping is that kind of person!”

At this time, Gu Yuyao gently patted Gu Yufei to stop her from talking nonsense!

At this time, Gu Yuyao’s attitude towards Chen Ping has completely changed. A man with such strength but always hiding it will not easily fall under the skirt of a woman.

“I don’t think Brother Chen Ping would do such a thing!” He Zhigang didn’t believe it either.

“I believe Chen Ping, I’m just worried that he will be in danger!”

Su Yuqi was not worried that Chen Ping would find a lover, but she was worried that Chen Ping was in danger!

“Okay, maybe Brother Chen Ping will call back soon. Let’s go have dinner!”

He Zhigang said something, and several people walked out of the bar, preparing to find a restaurant to eat!

When he walked to the street, Lin Tianhu frowned slightly, and a feeling of extreme danger made his heart beat faster!

“Miss Su, we may be being followed. You go first and don’t look back!”

Chapter: 502

Lin Tianhu whispered in Su Yuqi’s ear.

Su Yuqi was shocked. After nodding her head, she hurriedly led Gu Yufei and the others to speed up!

Lin Tianhu grabbed his belt with one hand, turned around suddenly, and saw three people walking towards him with sneers on their faces!

Seeing being discovered by Lin Tianhu, the three of them didn’t even panic at all!

“Who are you? Why are you following us?”

Lin Tianhu said solemnly.

“ah.....”

Just as Lin Tianhu finished speaking, he heard a scream, it was Su Yuqi’s voice!

Looking over hastily, Lin Tianhu found that there were also three men with ferocious faces in front of Su Yuqi and the others, directly blocking their way!

He Zhigang’s body was trembling, but he still stood in front of Su Yuqi and the other three girls. He kept retreating, and finally stood with Lin Tianhu!

“Are you Chen Ping?”

One of them looked at He Zhigang and asked.

This person was Wei Tao’s uncle Jiang Wenjie. He had never met Chen Ping, so he saw that He Zhigang was young after all, so he asked He Zhigang.

“I...I don’t...”

“What are you doing with Mr. Chen?”

Lin Tianhu asked directly before He Zhigang finished speaking.

“Of course I’ll kill him. If Wei Tao’s legs are crippled, can he still live?”

Jiang Wenjie said with a cold expression.

“You are sent by the Wei family!” Upon hearing this, Lin Tianhu hurriedly tensed up his nerves and took out his belt, ready to take action at any time.

“You are Lin Tianhu, right? You are also a tycoon. You have nothing to do here, so get out!”

Jiang Wenjie waved his hand towards Lin Tianhu.

“Hmph, arrogant...”

After Lin Tianhu finished speaking, he immediately swung the belt in his hand towards Jiang Wenjie. At this time, he had to strike first!

The steel belt roared and swung at Jiang Wenjie, but Jiang Wenjie didn't dodge. He reached out and grabbed Lin Tianhu's belt, and then pulled hard!

Chapter: 503

Lin Tianhu was shocked and felt a huge force pulling him towards Jiang Wenjie!

Jiang Wenjie suddenly punched out, hitting Lin Tianhu directly in the abdomen.

puff.....

Lin Tianhu spurted out a mouthful of blood, and several of his ribs were instantly broken!

"Hmph, the underground emperor of Hongcheng is nothing more than that!" Jiang Wenjie snorted coldly!

Lin Tianhu fell to the ground, and the severe pain made his face look hideous. He wanted to get up, but he couldn't use any strength at all.

"Are you Chen Ping?"

After Jiang Wenjie defeated Lin Tianhu, he took a step towards He Zhigang and asked.

He Zhigang was already frightened. He knew Lin Tianhu's strength, but now he was crippled by the opponent's punch and could not get up. This frightened He Zhigang.

Seeing He Zhigang looking so frightened, Jiang Wenjie frowned slightly. He had heard from Wei Tao that Chen Ping, who was very powerful, could be so frightened when they met?

If he is such a coward, I'm afraid it won't be his turn to take action, and Uncle Fu, the old butler of the Wei family, will not die!

"Aren't you Chen Ping?" Jiang Wenjie asked again doubtfully.

"No...it's not..." He Zhigang shook his head desperately!

"Where is Chen Ping?" Jiang Wenjie took two steps towards He Zhigang, and the two of them were almost face to face.

Jiang Wenjie looked directly at He Zhigang with murderous eyes, which frightened He Zhigang to death. He did not dare to look at Jiang Wenjie at all.

"I...I don't know, he...he left Yuncheng!"

He Zhigang trembled and stuttered.

"Leaved?" Jiang Wenjie frowned slightly, then turned to look at Su Yuqi and the other three girls, and asked coldly: "Who among you three is Su Yuqi?"

The eyes of the three girls were full of horror. They looked at Jiang Wenjie and no one dared to speak!

They understood in their hearts why Jiang Wenjie wanted to find Su Yuqi!

“You don’t want to tell me? If you don’t tell me, I will strip you three naked and throw them on the street for everyone to see...”

Jiang Wenjie’s eyes widened, and the anger in his body burned brightly!

The three of Su Yuqi hugged each other tightly, trying to rely on each other to give themselves a sense of security, but now none of the three of them can give the other a sense of security!

“What does it mean for a grown man to bully a girl? If you have the guts, come at me, come at me...”

Chapter: 504

Lin Tianhu fell to the ground, looking at Su Yuqi and the others’ frightened expressions, and shouted angrily!

Jiang Wenjie ignored Lin Tianhu, but winked at several of his subordinates. The subordinates walked up to Lin Tianhu with understanding and punched and kicked Lin Tianhu!

Seeing how badly Lin Tianhu was beaten, Su Yuqi and the other three girls turned extremely pale!

“I’m asking, which one of you is named Su Yuqi? I will only give you three seconds to think about it, otherwise I will take you all away!”

Jiang Wenjie threatened Su Yuqi and the others with a ferocious look on his face, and started counting down!

“three!”

“two!”

“one!”

At this moment, Su Yuqi gritted her teeth and wanted to stand up. At this time, she didn't want to implicate Gu Yufei and Gu Yuyao!

But before Su Yuqi could say anything, Gu Yuyao stood up.

“I am, my name is Su Yuqi...”

Although there was still fear on Gu Yuyao's face, her eyes were full of determination!

“sister.....”

Su Yuqi didn't expect that Gu Yuyao would step out in her place!

Jiang Wenjie looked at Gu Yuyao and smiled coldly: “No wonder Wei Tao likes you, you are indeed good-looking!”

At this time, He Zhigang was shocked when he saw Gu Yuyao standing out. He opened his mouth and was about to call Gu Yuyao, but was stopped by Gu Yuyao's look!

At this time, people are selfish. He Zhigang doesn't want Gu Yuyao to take risks. Gu Yuyao is his girlfriend. If she is taken away, you can use your toes to imagine what will happen!

But looking at Gu Yuyao's eyes, He Zhigang hesitated, and finally failed to shout!

“Take her away to me. As long as this woman is in my hands, I believe that Chen Ping will throw himself into a trap!”

Jiang Wenjie ordered his men to take Gu Yuyao into the car, and then the two cars left in front of Su Yuqi and the others!

“Yu Yao, Yu Yao...”

“elder sister.....”

Looking at the car driving away, He Zhigang and Gu Yufei all shouted desperately!

Su Yuqi stood stunned on the spot, as if she was stupid.

Chapter: 505

I don't know how much time passed, but Su Yuqi's cell phone rang. It was Chen Ping!

On the mountain at that time, Chen Ping's mobile phone had no signal at all.

On the way to Yuncheng, Chen Ping received several messages on his mobile phone, showing that Su Yuqi had called him several times. He was afraid that Su Yuqi would be worried, so Chen Ping called back and forth!

“Sister Yuqi, you...your phone is ringing!”

Gu Yufei carefully pushed Su Yuqi!

Only then did Su Yuqi react. She picked up her phone and saw that it was Chen Ping. Her eye circles turned red and she burst into tears immediately!

“Chen Ping, where are you? Where are you? Sister Yuyao was taken away, Lin Tianhu was injured, and he bled a lot...”

As soon as the call was connected, Su Yuqi burst into tears and followed Chen Ping.

boom.....

After hearing this, Chen Ping, who was driving, was stunned for a moment, and then a murderous intent erupted from his body, and his face became even colder.

“Wait for me, I’ll be there soon...”

Chen Ping only said one sentence and hung up the phone. He knew that no matter how much he asked at this time, it would be in vain. Everything would have to wait for him to go back.

Chen Ping drove the car to the limit and rushed towards Yuncheng quickly!

At this time, Su Yuqi and He Zhigang looked at Lin Tianhu, who was covered in blood on the ground and dying, and seemed a little at a loss!

“We... let’s call him to the hospital, otherwise he will die!”

Gu Yufei looked at Lin Tianhu’s miserable appearance and whispered in fear.

“I’ll call the emergency number right now...”

He Zhigang nodded and prepared to call 120.

“No need...” Lin Tianhu weakly raised his hand, stopped He Zhigang, and then said with difficulty: “Mr. Chen, come back quickly and let him treat me!”

Although Lin Tianhu was seriously injured, his mind was still very clear!

He knew that if he was sent to the hospital, he would be disemboweled and his bones would be removed and his blood would be drawn. This would damage his vitality. People who practice martial arts are most taboo about using a knife on their body. If Chen Ping comes back, there will definitely be a way to save him. , and there's no need to disembowel it!

"He? Does Brother Chen know medical skills?" Gu Yufei said with surprise!

"He will. My dad was in critical condition at the time. It was Chen Ping who rescued my dad. We also met at that time."

Su Yuqi followed Gu Yufei and explained.

Chapter: 506

"This...isn't this too perfect?"

Gu Yufei felt incredible. She didn't expect there to be such a perfect man in the world.

Rich in money, able to fight, and knowledgeable in medicine, the problem is that he is handsome and dedicated. Such a good man could not be found even with a lantern, but Su Yuqi met him. At this time, Gu Yufei was very interested in Su Yuqi was even more envious!

Since Lin Tianhu didn't go to the hospital, He Zhigang asked a few people to help him and carried Lin Tianhu to the hotel, waiting for Chen Ping to come back!

About half an hour later, a sudden sound of brakes sounded in front of the hotel, and then Chen Ping flew into the hotel!

"Brother Chen Ping, you are finally back..."

Seeing Chen Ping coming back, He Zhigang hurriedly greeted him!

“Where’s Yu Qi?” Chen Ping asked anxiously.

“Yu Qi is fine. She and Yu Fei are in the room. Please take a quick look at Lin Tianhu. He will probably die in a little while.”

He Zhigang pulled Chen Ping and hurriedly walked towards Lin Tianhu’s room!

As soon as he entered the room, Chen Ping saw Lin Tianhu on the bed, his face was pale, his chest was sunken, and his body was covered in blood!

Lin Tianhu, who heard the sound, opened his eyes slightly and saw that Chen Ping was back. Lin Tianhu tried hard to sit up, but his body couldn’t move at all!

“Don’t move, I’ll show you!”

Chen Ping stepped forward quickly, put one hand on Lin Tianhu’s shoulder, and gently swept Lin Tianhu’s chest with the other hand!

At this time, Chen Ping’s face was terrifyingly cold.

“Mr. Chen, your subordinates are incompetent, so... Miss Su was frightened!”

Lin Tianhu said with a look of shame.

“Okay, stop talking. The other party is a master, and you are no match for them!”

Chen Ping can judge the opponent's strength by the injury. Although Lin Tianhu's injury looks superficial, it is not fatal, but it is not so easy to recover. It is obvious that the opponent does not want to kill Lin Tianhu, but he also does not want to make Lin Tianhu feel too easy. !

As Chen Ping's palm swept across Lin Tianhu's chest, waves of spiritual power were sent to Lin Tianhu's body. Lin Tianhu suddenly felt as if his whole body had been soaked in soft hot water. It was very comfortable and there was no pain at all. .

Lin Tianhu's broken ribs were also wrapped in spiritual power and were growing and healing rapidly. Lin Tianhu's originally sunken chest was slowly returning to its original state!

After a while, Chen Ping stopped his hand, and there were faint stains of sweat on his forehead. This kind of regeneration of broken bones requires a huge amount of spiritual power. If Chen Ping hadn't taken the Spirit Gathering Pill, and his strength had broken through to the ninth level of Qi training, it would have been a one-time There was no way Lin Tianhu could be cured.

"Okay, get up!"

After Chen Ping stopped his hand, he exhaled heavily and sat on a chair nearby, looking a little weak!

Chapter: 507

As soon as Lin Tianhu supported Chen Ping, he immediately turned over and stood up from the bed. Then he was pleasantly surprised to find that his body was really fine, but there were still some wounds on his body, and blood was constantly flowing out. However, for Lin Tianhu, these skin wounds, It doesn't even matter!

"Thank you, Mr. Chen!" Lin Tianhu looked at Chen Ping with gratitude in his eyes!

"Your body still needs to be recuperated, so don't use force for the time being. When I refine a pill for you, your body will be fine!"

Chen Ping warned Lin Tianhu!

“Got it!” Lin Tianhu nodded!

At this time, He Zhigang’s mouth was wide enough to swallow an egg. How could such a serious injury be healed in a moment?

What kind of magic is this? Is this Chen Ping a god?

He Zhigang’s mind was thinking wildly, but Chen Ping had no time to pay attention to him. Instead, he asked Lin Tianhu: “What’s going on? Tell me clearly!”

Lin Tianhu told Chen Ping everything in detail. When Chen Ping knew that it was someone sent by the Wei family, he clenched his fists suddenly and his anger became even more intense!

“Chen Ping, are you back?”

At this moment, Su Yuqi and Gu Yufei heard the noise and came over from the room!

Seeing Su Yuqi’s pale face, Chen Ping felt distressed in his heart. He hurriedly stepped forward and put his arms around Su Yuqi’s shoulders and said, “I’m sorry. It’s all my fault for scaring you. I said I would never let you be hurt again.” , I will always protect you, but I...”

Su Yuqi hurriedly reached out and covered Chen Ping’s mouth: “I’m fine, you don’t have to blame yourself, I’m really fine, it’s just...it’s just Sister Yuyao...”

“I know, Lin Tianhu has told me that I will definitely rescue her!”

Chen Ping grabbed Su Yuqi's hand and said firmly!

"But you...are you in danger?"

Su Yuqi was very conflicted at this time. She wanted Chen Ping to rescue Gu Yuyao, but she was also afraid that Chen Ping would be in danger.

"Don't worry, the person who can kill me hasn't been born yet!"

Chen Ping smiled slightly at Su Yuqi, then looked at Lin Tianhu and said: "Ask more brothers from Juyi Hall to come over, don't make another mistake!"

"Understood!" Lin Tianhu nodded, and then went to make a call!

After Chen Ping comforted Su Yuqi for a few words, he left the hotel and prepared to go to the provincial capital to rescue Gu Yuyao!

After walking out of the hotel, the smile on Chen Ping's face disappeared in an instant, replaced by an endless chill. Pedestrians passing by on the road suddenly felt the air suddenly become cold, and couldn't help but shiver!

.....

Provincial capital, Wei family!

Chapter: 508

Wei Tao looked at the woman Jiang Wenjie brought back and felt dumbfounded!

"Uncle, you made the wrong arrest. I don't know this woman. She is not Su Yuqi at all!"

Wei Tao said helplessly.

“Caught by mistake?” Jiang Wenjie was stunned and said in confusion: “She said her name was Su Yuqi. How could she be arrested by mistake?”

Jiang Wenjie said, looked at Gu Yufei and said, “Tell me, what is your name?”

Gu Yufei’s body was trembling slightly. She had heard of the Wei family a long time ago, but this was the first time she came to the Wei family. Seeing the splendid mansion of the Wei family and the bodyguards constantly passing through the yard, Gu Yufei was afraid!

“I...my name is Gu Yufei...”

Gu Yufei said calmly.

“Damn it, how dare you lie to me...”

Jiang Wenjie was furious and slapped Gu Yufei so hard that the corners of Gu Yufei’s mouth bled!

This Jiang Wenjie has no sympathy at all!

“What should we do now? I’ll send her back and catch Su Yuqi again!”

Jiang Wenjie looked at Wei Tao and asked.

“Uncle, since you’ve captured me, don’t send me back. I’ve been so depressed at home these days, so I just want this woman to keep me company!”

Wei Tao looked at the beautiful Gu Yufei with a lustful light in his eyes!

“Xiao Tao, let me tell you, you are injured, don’t act nonsense, and pay attention to your health. If your mother finds out, she will scold me!”

Jiang Wenjie lectured Wei Tao seriously!

“Uncle, don’t worry, can’t we just not tell my mother? I have my own sense of discretion, so don’t worry!”

Wei Tao looked at Gu Yufei. He didn’t care whether he was injured or not. He couldn’t go out to play these days and he was already going crazy!

“You should pay more attention to yourself. I’m going back then. If you need anything, call me. I’ll go to Yuncheng again tomorrow!”

Jiang Wenjie said, walked out of the room, and closed the door!

Wei Tao looked at Gu Yufei with a lewd smile on his face: “Little beauty, you don’t have to be afraid, come and sit next to me. As long as you obey me, I will send you back tomorrow. If you dare not listen to me, I will call you directly.” Those servants outside put you to sleep, and they are not as gentle as me!”

Gu Yufei was scared to death at this time. After hearing what Wei Tao said, she didn’t dare to have the slightest idea of resistance. This was the Wei family, and there was no way she could escape. The only thing she could do now was to obey Wei Tao’s words!

With tears in her eyes, Gu Yufei walked towards Wei Tao little by little, and then sat next to Wei Tao!

Chapter: 509

Smelling the fragrance of Gu Yufei and seeing Gu Yufei's pitiful appearance, Wei Tao laughed happily.

This was the first time he laughed so happily after being injured!

In the courtyard of the Wei family, the lights were already bright, and all the bodyguards of the Wei family were patrolling non-stop. Several experts brought by Jiang Wenjie were also left behind by Wei Kunan.

I don't know why, Wei Kunan is always uneasy. Ever since Uncle Fu was killed last night and Chen Ping threatened to twist his head off, Wei Kunan has started to feel a little scared!

He was always afraid that if someone didn't pay attention, Chen Ping would really kill the Wei family and twist his head off!

"Master, everyone has made arrangements. There is no blind spot in the entire villa, not even a fly can fly in. In addition, several experts from the Jiang family have also made arrangements. Don't worry, Master!"

The housekeeper walked into the villa and said to Wei Kunan.

"Okay, I get it!" Wei Kunan sat on the sofa and waved his hand!

The housekeeper retreated obediently, and Jiang Lanfeng walked downstairs wearing a facial mask!

"Look at how coward you are, how could you be so frightened by a young boy? I think you are getting more timid as you get older..."

Jiang Lanfeng scolded Wei Kunan dissatisfiedly!

Wei Kunan frowned and glanced at Jiang Lanfeng, but he didn't dare to speak!

But he knew how someone who could kill Uncle Fu with one move could be an ordinary person. After Fu Bo's head was brought back last night and his servants told him about the situation, Wei Kunan became worried!

Think about it, if Chen Ping is just an ordinary young boy, then why are Lin Tianhu, Gu Wentian, and even Ling Zhenchuan so polite to him?

And how could Su Wenzong, the richest man in Hongcheng, let his daughter date an ordinary person?

So the more Wei Kunan thought about it, the more something was wrong, so he ordered people to be more vigilant!

Seeing that Wei Kunan was silent, Jiang Lanfeng snorted boredly: "I'm going to see my son and let him eat more food and gain more nutrition!"

Jiang Lanfeng said, walking towards Wei Tao's own villa!

At this time, in Wei Tao's room, Gu Yufei was lying on the bed without saying a word. Her tears had already wet the quilt on the bed, but she did not dare to say a word!

Wei Tao looked at Gu Yufei with excitement, and slowly unbuttoned Gu Yufei's clothes with his hands!

When Gu Yufei's fair skin was exposed, Wei Tao's eyes turned red!

"It's really the best!" Wei Tao licked his lips and almost cried out!

Unable to wait, Wei Tao pounced on Gu Yufei!

Gu Yufei bit her lip and turned her head to the side. Tears kept pouring out like a river mouth that burst its banks!

Chapter: 510

Bang bang.....

At this moment, the door of Wei Tao's room was pushed open forcefully!

Wei Tao was startled and said with a cold face: "You are paralyzed. Anyone who comes in and doesn't know how to knock is looking for death, right?"

Wei Tao had just finished cursing, when he turned around and saw that it was his mother who walked in. His face changed with fright, and he hurriedly got up from Gu Yufei's body.

"Mom... you, why are you here?"

Wei Tao said with an embarrassed look.

Jiang Lanfeng looked at Gu Yufei on the bed, then at Wei Tao, and said angrily: "You little bastard, you don't want to live anymore, do you? You are injured now, what did the doctor tell you? How dare you do this? What kind of thing?"

"Mom, I can't see my legs. Besides, I just..."

"Shut up, have you learned how to talk back?" Jiang Lanfeng glared, frightening Wei Tao to the point where he didn't dare to speak. Jiang Lanfeng looked at Gu Yufei on the bed again, and said coldly: "Get out of here yet. Look at your virtues, you don't look like a lady among other people, I don't know what my Xiaotao likes in you!"

Jiang Lanfeng mistook Gu Yufei for Su Yuqi. She had no idea that Jiang Wenjie had caught the wrong one!

As if she had been granted amnesty, Gu Yufei hurriedly stood up, grabbed her collar and ran out. However, she did not think about escaping because she knew that in a compound like the Wei family, she, a girl, could not escape at all!

After Jiang Lanfeng scolded Wei Tao severely in the room, she walked out of the room and glanced at Gu Yufei, then waved her hand and called the two servants: "Keep an eye on her, the young master is not allowed to get close to her, do you understand?"

"Got it ma'am.

"The two servants nodded quickly. They knew Jiang Lanfeng's cruelty and no one dared to offend him.

Gu Yufei was locked in a room aside, and Jiang Lanfeng muttered: "This bastard is just like his father. He goes crazy when he sees women..."

Just as Jiang Lanfeng finished speaking, she suddenly heard a huge noise!

The sound was very loud, like a crash!

Jiang Lanfeng hurriedly looked for information and found that the tall copper door of the villa had been violently knocked open by someone with a car. The two copper doors crashed to the ground, stirring up bursts of dust!

All the bodyguards of the Wei family heard the sound and rushed towards the door quickly, and then stopped the car that hit the door!

The car door opened, and Chen Ping stepped out of the car with murderous intent. Facing dozens of Wei family bodyguards, Chen Ping's face showed no emotion at all!

"Who are you?" Jiang Lanfeng had already arrived quickly and asked with a slight frown.

"Today, everyone in this courtyard will die..."

Chen Ping said coldly, his voice was like coming from the Nine Nether Hell, making people shiver after hearing it!

"You...are you that Chen Ping?" Jiang Lanfeng asked with doubts on her face.
