

## **The Order 5021**

Chapter: 5021

“Miss Gao, look, the whirlpools in this sea of ink are so spectacular...”

Zhou Tai excitedly followed Gao Qilan’s introduction!

Chen Ping and the others took a look and found that indeed, in the sea of ink, whirlpools were spinning constantly, seeming to swallow everything!

These whirlpools vary in size, and huge suction forces emanate from the whirlpools!

However, when this huge spiritual ship passed over the whirlpool, it was instantly crushed by the whirlpool!

The spirit ship is huge, and the whirlpool cannot suck the spirit ship in. In addition, the spirit ship is blessed by formations, and there is a faint light shining around it, so there is no need to be afraid at all!

“Miss Gao, did you see that our spiritual ship is the largest and safest, so you don’t have to be afraid!”

Zhou Tai said proudly, as if this spiritual ship belonged to him!

At some point, a large black cloud came over the sky, making it difficult for everyone to tell whether it was day or night!

The sky is filled with black clouds, and the ground is filled with pitch-black water. This spiritual ship seems to be traveling through the darkness!

“The dragon sucks water, look at the dragon sucking water...”

Someone suddenly shouted loudly!

Soon everyone looked towards the bow of the ship, and sure enough they saw a huge water column rising straight into the sky!

Because the Mohai is extremely dark, this water column is also black. The black water column continues to rise, and then connects to the black clouds in the mid-air!

Just when everyone was attracted by the dragon sucking water, huge water bubbles began to roll up around the spirit ship.

Everyone did not notice this abnormal phenomenon and were still attracted by the dragon sucking water!

Among the huge water bubbles, huge turtles soon appeared one after another!

These turtles are very huge, there are dozens of them!

Dozens of turtles surrounded the spirit ship, which actually made the spirit ship move slower and slower, and finally stopped!

After the spirit ship stopped, everyone noticed something strange. When they lowered their heads and looked into the ink sea, they found that the huge turtles were controlling the spirit ship!

“Holy Turtle, this is the Holy Turtle...”

“I heard that if you subdue a holy turtle, you can travel through the sea of ink at will!”

“How come there are so many holy turtles appearing? It seems that they are preventing the spiritual ship from moving forward...”

Everyone was talking about it.

Chapter: 5022

Chen Ping also looked at those big turtles, but couldn't see anything special about these turtles. I wonder why these people call them Holy Turtles?

At this time, Zhou Tai said: "These big turtles are all holy beasts. They are many times more precious than those monster beasts."

"These holy beasts all have spiritual wisdom and are extremely docile. If you can tame one, you will make a lot of money."

"However, although the holy beasts are docile, it is extremely difficult to tame them. These holy beasts are extremely arrogant and unwilling to obey humans at all. Some holy beasts will not be tamed even if they are beaten to death."

Zhou Tai followed Chen Ping and the others to explain, making Chen Ping understand why they all followed the big turtle and called the Holy Turtle!

"Then Chuanyunmen has tamed this kind of holy turtle so that they can easily pass through the sea of ink..."

Ji Yun frowned and said!

Ji Yun heard from his disciples that the people from Chuanyun Sect rode through the sea of ink on spirit turtles to make sneak attacks. Maybe they were this kind of holy turtles!

"Yes, I've also heard that Chuanyunmen somehow managed to get a group of holy turtles to cross the sea of ink and sneak attack the Feitian Sect's airship."

"It seems that a lot of airships were taken away, causing Feitian Sect to suffer heavy losses."

“And the leader of the Feitian Sect is riding a spirit ship to chase Chuanyunmen. Isn’t that stupid? The opponent has such a holy turtle mount, how can the spirit ship catch up!”

“I heard that the spirit ship sank and its life was at stake. The Feitian Sect may be destroyed now!”

Zhou Tai had no idea that Ji Yun was the eldest young master of Feitian Sect, so he spoke freely!

When Ji Yun heard this, his eyes were filled with anger, but Chen Ping gently pulled him away. He was afraid that Ji Yun couldn’t help but do it!

Zhou Tai did not notice the change in Ji Yun’s expression and was still talking: “If the Feitian Sect can have such a group of holy turtles, there is no need to be afraid of Chuanyun Sect.”

“However, Chuanyunmen is not very strong. I really don’t know how it managed to tame a group of holy turtles.”

Zhou Tai is obviously very envious of the group of holy turtles in Chuanyunmen!

At this moment, the originally motionless spirit ship suddenly began to shake, then changed its direction and began to sail!

When everyone saw this, they suddenly panicked, because they discovered that the change of course of the spirit ship was all caused by the holy turtle!

And the staff on the spirit boat are all busy at the moment!

At the highest point of the spirit ship, I saw several people wearing Bagua robes, muttering words and holding magic spells in their hands!

The spirit ship began to flash with golden light, trying to resist those holy turtles.

Although the holy turtles did not attack the spirit ship, they could not force the spirit ship to change its course.

You must know that Mohai is very dangerous. If you go to unknown waters, no one knows what you will encounter!

Chapter: 5023

Rays of golden light resisted, but they still couldn't stop dozens of holy turtles from carrying the spirit ship forward!

Seeing this scene, a man wearing Bagua robes said loudly: "Fellow Taoists, the sudden appearance of the Holy Turtle here can be regarded as a kind of chance."

"Whoever wants to tame the Holy Turtle should do it now. If you can tame a Holy Turtle, you can freely cross the ink sea in the future."

"And these holy turtles live in the ink sea all year round. They must know where there are treasures in the ink sea."

"This opportunity is rare, don't you want to try it?"

As the person in the gossip robe finished speaking, someone was immediately ready to make a move!

Although many people know that although the Holy Turtle is not ferocious, it is not easy to tame it!

However, some people still couldn't bear it and jumped down with a pop!

The water in the ink sea is extremely dark, and jumping into the ink sea is like jumping into ink.

This monk did not touch the sea water, but jumped on the back of the holy turtle!

The Holy Turtle did not immediately attack people like other monsters!

Instead, he carried the monk on his back and began to swim in the sea of ink!

The Holy Tortoise was very excited, with checkerboard-like lines appearing on the tortoise shell, and it was also emitting a faint light!

Accompanied by the rapid swimming and swaying of the holy turtle, the monk's body was swaying like a strong wind and huge waves!

Seeing this, the monk took out a long sword and stabbed the turtle shell fiercely!

He wanted to fix the sword on the turtle shell, so that he could grab the sword and stabilize his body!

Seeing the monk stabbing the tortoise shell with his long sword, someone on the spiritual ship suddenly shouted: "Stop, don't use force against the holy tortoise, otherwise it will be dangerous..."

But it was too late. The monk pierced the tortoise shell with his sword!

This monk is at the seventh level of the Fusion Realm. If he stabs with this sword, he may have a force of tens of thousands of kilograms!

The holy turtle let out a deafening roar, and the light on the turtle's shell exploded instantly, just like the sun suddenly erupted in front of everyone's eyes.

The dazzling light made everyone close their eyes!

When the light dissipated, everyone saw the monk on the tortoise shell. The sword in his hand had already been broken into two pieces, and he himself was thrown high by a force, followed by the holy turtle's breath. , spraying out several water jets!

The jet-black water column hit the monk like a sharp sword, instantly causing blood to splatter on the monk's body!

Seeing this, the man in the Bagua robe on the spiritual ship hurriedly threw out a rope and directly pulled the monk back into the spiritual ship!

Chapter: 5024

Everyone gathered around and looked at the monk who had several wounds on his body from the water jets!

I saw that the area around the monk's wound had already turned black, accompanied by waves of stench. It was obviously caused by the wound being infected!

The man in Bagua robe stepped forward and took a look, then shook his head and said: "It's over, there's no hope..."

"Although these holy beasts will not actively harm people and are not cruel, it does not mean that they have no temper. You can tame them without using force."

"But if you use force, this is what will happen. The water in the sea of ink is extremely poisonous, and it will be difficult to heal any wounds."

"If you dare to rely on your skills to kill these holy turtles, we will all be in danger. In this sea of ink, these holy beasts are the masters."

Everyone fell silent after listening to the man's words!

To tame the Holy Turtle, you cannot use force, which would be much more difficult!

"Hmph, these guys are really ignorant. If they can use force, then wouldn't everyone be able to get a holy beast as a mount?"

“It’s very metaphysical for these holy beasts to recognize their masters. I heard that not only do you have to conquer them, but you also have to make these holy beasts recognize you ideologically.”

Zhou Tai looked at the tragically dead monk and snorted coldly!

The death of a monk is simply a trivial matter to others!

After all, in this world of gods and humans, there are fights every day, and monks die every day!

If we weren’t on the spiritual ship at this time, many people would probably be fighting over trivial things!

But this is aboard a spirit ship. If a fight breaks out, the spirit ship will not be able to withstand it, and everyone will suffer!

Therefore, fighting is not allowed on this spiritual ship, and no one dares to risk their own lives to fight with others!

After knowing this, several monks couldn’t help but jump off the spirit ship and wanted to tame a holy turtle as a mount!

These monks jumped on the shell of the holy turtle, and the holy turtle just screamed, and then carried the monks through the ink sea!

The huge wind, waves and bumps caused many monks to fall into the sea of ink!

The monks who fell into the water jumped back on the spirit ship, but everyone’s face was very ugly, which showed that there was indeed some kind of toxin in the water of the Mo Sea!

Seeing that although these people fell into the water, they did not suffer much harm, so many people were relieved!

If you can tame a sacred beast, that would be an extremely glorious thing!

Many monks jumped off the spirit ship one after another, which also caused a monk to be found among the dozens of holy turtles!

The Holy Turtle carried the monks and kept jumping and swimming, causing the spirit ship to stop.

Chapter: 5025

Seeing this scene, the man wearing Bagua robe let out a long breath!

Because this spiritual ship is being carried away by the Holy Turtle again, who knows where it will return to. If it loses its way on this sea of ink, it will be fatal!

But soon, these monks all returned to the spirit ship in embarrassment. No one could successfully tame the Holy Turtle!

“Brother, can you tame this holy turtle?”

Gao Qilan looked at Chen Ping, blinked and asked!

In front of Zhou Tai, Gao Qilan called Chen Ping brother, but just this call almost made Chen Ping’s heart melt.

Although Gao Qilan was as cold as ice to others, coupled with the cold aura on his body, others did not dare to approach easily!

But in front of Chen Ping, Gao Qilan turned into a little woman!

Now that she has chosen to follow Chen Ping, she must try her best to please Chen Ping!

“I have no idea.....”

Chen Ping shook his head!

Chen Ping didn't know if he could tame this holy turtle, after all, he had never tried it!

Although he also has the aura of the beast race on his body, this holy turtle is different from those monster beasts. Chen Ping doesn't know if the aura of the beast race on his body has any effect on this holy turtle!

"They are a bunch of trash, let me do it..."

With a cold shout, the devil mountain ghost stepped forward wearing a black cloak!

Seeing this old devil, many people moved out of the way. When Zhou Tai saw this old guy, his face became very ugly!

After all, it was he who slapped two of his guards and a servant to death at the dock!

Looking at Zhou Tai's expression, Chen Ping asked in confusion: "Are you still afraid of this old man? He killed your people on the dock, and I don't think you dared to say anything?"

When Zhou Tai heard this, he immediately looked unhappy and snorted coldly: "Humph, how could I be afraid of him? There is no one in our Zhou family who is afraid of him."

"I just don't want to do anything at the dock and mess up the time to go to sea. When the spirit ship returns to shore, I will kill this old guy."

Zhou Tai didn't want to show fear in front of Gao Qilan!

As soon as Zhou Tai finished speaking, the Demon Mountain Ghost seemed to have heard it and suddenly turned back to look at Zhou Tai!

The terrifying eyes of the Demonic Mountain Ghost Elder looked at Zhou Tai, making Zhou Tai tremble all over and cold sweat instantly flowed out of his forehead!

However, the Demonic Mountain Ghost Elder did not say anything, but jumped up and jumped directly off the spirit ship!

Chapter: 5026

Zhou Tai wiped his hands in cold sweat when he saw the Demonic Mountain Ghost Lao jumping off the spirit ship!

“What is the identity of this old man that makes you so scared that you break into a cold sweat?”

Chen Ping looked at Zhou Tai with a smile and asked!

Zhou Tai no longer boasted, but said: “This old guy is a ghost from the mountain, a dragon that never sees its end, and its methods are very cruel. I heard that this guy eats the hearts of children, which is terrible... ....”

“Eating a child’s heart, could this old guy be transformed into a monster or a demon cultivator?”

When Gao Qilan heard this, he asked in surprise!

After all, eating a child’s heart is too appalling. If it were a human monk, no one would do this!

Zhou Tai shook his head: “I don’t know, no one knows whether this guy is a demon or not. The aura on his body is very weird...”

“Weird?” Chen Ping was also stunned!

He didn’t understand what was so weird about this aura!

“The aura of this Demonic Mountain Ghost Old Man is almost ever-changing. If you feel his aura today, if it were tomorrow, his entire aura would have changed.”

Zhou Tai explained!

After hearing this, Chen Ping couldn't help but frowned. Is there still such a situation?

You must know that the aura of a person has its own characteristics. When you meet someone you know well, even if the person is covering their face with a gauze, if you don't deliberately hide the aura or change the aura, you can know who the other person is by just detecting the aura.

But if the other party can change the breath, then there is no way to determine the other party's identity by detecting the breath!

Could it be that this guy, like me, has the auras of three races in his body?

While Chen Ping was thinking, the Devil Mountain Ghost had already jumped up and landed firmly on a holy turtle!

“Baby, take me with you for a nice tour...”

Devil Mountain Ghost Lao sat cross-legged on the holy turtle, looking relaxed.

And the holy turtle let out a low roar and quickly began to sprint and jump, trying to shake you, the devil-mountain ghost, off your turtle shell!

But the devil mountain ghost sat firmly on the tortoise shell, as if it was glued to it, motionless!

In this way, the Holy Turtle struggled for half an hour. In the end, its speed became slower and slower, but it still couldn't shake the Demon Mountain Ghost off its back!

Although exhausted, the holy turtle did not give in at all, struggling and rolling its body hard.

At this time, the Demon Mountain Ghost Old Man exuded a faint white light. This white light was very soft, just like the rising sun, shining warmly and comfortably on people!

Chapter: 5027

Feeling the white light on the body of the Demon Mountain Ghost, everyone was very surprised. After all, the Demon Mountain Ghost looked very ferocious, how could he emit such a holy light, and his aura was also very soft!

When Chen Ping saw this, he was also extremely surprised. The aura of the old devil mountain ghost changed so fast!

Under the wrap of this light, the holy turtle began to become quiet and no longer struggled desperately!

At the end, the Holy Turtle roared and then raised his head high, showing his complete surrender!

“Holy crap, this old guy really subdued the Holy Turtle.”

“Who is this? That holy light just now was really comfortable.”

“That’s awesome, I’m convinced...”

Everyone was shocked when they saw the Demonic Mountain Ghost Lao Zhen surrendering the Holy Turtle.

However, there were also many people who knew Mr. Devil Mountain Ghost, and they all looked surprised. After all, Mr. Devil Mountain Ghost had a very bad reputation. Such a vicious person could actually exude such a gentle aura, which made many people very angry. Accident!

“The Demon Mountain Ghost is indeed well-deserved. Your aura is ever-changing. If you could change your appearance at will, no one would recognize you.”

At this time, a man in his thirties with deep eyes jumped down from the most luxurious cabin on the top floor, and then spoke!

When they saw the person coming, many people immediately stepped aside and acted very respectfully.

When Zhou Taizai saw the person coming, his expression changed and he became nervous!

“Do you know this man?” Seeing Zhou Tai and everyone’s expressions, Chen Ping guessed that this man’s identity must be unusual!

“I know him. This person’s name is Ye Fengqing. He is a branch leader of the Demon Sealing Alliance. He is mainly responsible for clearing out the demon cultivators in this area.”

Zhou Tai said softly!

“Demon Sealing Alliance?”

Upon hearing the words “Demon Sealing Alliance”, Chen Ping and Gao Qilan both frowned!

After all, Chen Ping killed several people from the Five Elements Heavenly Evils of the Demon-Sealing Alliance, and now maybe the people from the Demon-Sealing Alliance are chasing him!

Now that a sub-ruler of the Demon-Sealing Alliance suddenly appears, it’s a bit difficult to handle!

“What? Haven’t you heard of the Demon Sealing Alliance?”

Seeing the expressions on Chen Ping’s and others’ faces, Zhou Tai thought they didn’t know what the Demon Sealing Alliance was!

“I’ve heard that he’s just a sub-ruler of this Demonic Alliance. Why do you look so afraid of him? It seems like you are afraid of him too?”

Chen Ping asked Zhou Tai!

Chapter: 5028

This time, Zhou Tai did not brag, but nodded and said: "I am also afraid of him. The power of this Demon-Sealing Alliance spreads all over the heaven and human world. Even if it is a sub-ruler of the Demon-Sealing Alliance, in our area, that They are also walking sideways, and I don't dare to mess with them!"

"Others don't dare to provoke me. Do you know why the business of spiritual boats at the pier is so prosperous, but no one is fighting for it? No one even dares to board the boat by force. Do you have to buy a ticket?"

Zhou Tai said mysteriously!

"Why?" Chen Ping asked!

"Because the Demon Sealing Alliance is behind the spirit ship at the pier. With the Demon Sealing Alliance's backing, who dares to steal business or not buy a ticket?"

"I advise you to stay away from Ye Fengqing. Despite his young age, this guy is very powerful and cruel!"

When Zhou Tai was talking about Ye Fengqing, he was obviously very nervous, for fear that Ye Fengqing would hear it!

Chen Ping fell into deep thought. From this point of view, Ye Fengqing's strength definitely exceeded that of the Fusion Realm. If it was the first or second level of the Tribulation Realm, Chen Ping could still deal with it. He could still run away if he couldn't defeat him!

But if he was in Gao, it would be difficult for Chen Ping to deal with it, not to mention that there were Gao Qilan and Ji Yun around him, so he couldn't leave them alone!

While Chen Ping was meditating, Ye Fengqing had already arrived at the bow of the ship, looking at the old devil mountain ghost riding on the holy turtle with a little envy in his eyes!

“It turns out to be Master Ye. Why don’t you tame one for fun?”

Devil Mountain Ghost smiled and greeted Ye Fengqing. The two of them looked like they knew each other very well!

“Of course, I want to tame one bigger than your holy turtle.”

Ye Feng took a quick glance, then jumped up and headed towards the largest holy turtle!

You must know that the larger the size of this holy turtle, the greater the strength, and the greater the strength, the more difficult it is to tame!

Now Ye Fengqing is heading towards the largest holy turtle, obviously he just wants to surpass the devil mountain ghost old man!

“Hahaha, Captain Ye is indeed young and energetic, and he will tame the biggest holy turtle in one move!”

The old devil mountain ghost burst out laughing!

Everyone else also looked at Ye Fengqing: “The sub-ruler of the Demon Sealing Alliance, I wonder if I can tame this holy turtle.”

“I think it’s easy. After all, being the sub-ruler of the Demon Sealing Alliance at that time is no ordinary person.”

“I don’t think so. This largest holy turtle is very difficult to tame.”

Everyone was talking about it. Some people were optimistic about Ye Fengqing, some were not optimistic about it, and some even started to bet on it!

“Mr. Chen, do you think this guy can succeed?”

Ji Yun approached Chen Ping and asked in a low voice!

Chapter: 5029

Chen Ping glanced twice, then shook his head and said: “It’s difficult...”

Just as Chen Ping finished speaking, Ye Fengqing was suddenly thrown into the air by the Holy Turtle!

Seeing Ye Fengqing being thrown into the air, several people wearing Bagua robes on the spirit boat immediately panicked!

“The helmsman...”

Several people suddenly jumped up and headed straight for Ye Fengqing!

Whoosh whoosh.....

The Holy Turtle suddenly spurted out several jets of water from its breath!

In just an instant, these water pillars killed three people wearing Bagua robes in the sea of ink!

Several other people wearing Bagua robes protected Ye Fengqing back to the spirit ship!

“This beast is looking for death...”

Ye Fengqing frowned and his face was extremely gloomy!

He stretched out his hand and was about to swing out a palm to kill the holy turtle into the sea of ink!

“Helmsman, calm down...”

A man wearing Bagua robe stopped Ye Fengqing: “If you take action and so many holy turtles attack our spirit ship together, none of us will be able to escape, and we will all fall into the sea of ink.”

When Ye Fengqing heard this, he slowly took back his extended hand!

“Master Ye, you choose the largest holy turtle. Of course it will be difficult to tame. If it is an ordinary holy turtle, you can definitely tame it.”

“If you want, I can give you this holy turtle I tamed.”

Devil Mountain Ghost Lao also jumped onto the spirit ship and said!

“No need...” Ye Fengqing waved his hand!

In front of everyone, how could he ask for something from Mo Shan Gui Lao, but Mo Shan Gui Lao’s words made Ye Fengqing very comfortable!

“Everyone, is there anyone who wants to try? We can go down with a few more people to lure those holy turtles away, so that we can cast a spell to turn the spirit ship.”

asked a man wearing a gossip robe!

These holy turtles were holding the spirit ship. No matter how they cast spells, they couldn’t control the spirit ship, so they asked everyone to tame the holy turtles!

A few more monks jumped off the spirit ship, planning to try to see if they could tame a holy turtle!

Chapter: 5030

But all failed, but these people did not use force, so they were not injured!

Repeated failures have made many people lose confidence and no longer want to tame the Holy Turtle!

“Junior sister, let me try...”

The man in light blue clothes said!

“Senior brother, it’s too dangerous. You’d better not go. If you accidentally expose your aura, you’ll be in trouble.”

The girl gently grabbed the man’s sleeve and said!

“Don’t worry, nothing will happen. If I can tame a holy turtle, then we don’t have to worry about it on the spiritual boat. We can take the holy turtle and look for the fairy grass that can heal you.”

The man comforted the girl softly!

Now that people from the Demon-Sealing Alliance appeared, this man was very worried. After all, everyone knew that the Demon-Sealing Alliance was arresting demon cultivators everywhere.

After saying that, the man jumped up!

At the same time, Chen Ping also jumped up, jumped out of the spirit ship, and headed straight for the largest holy turtle!

Chen Ping and the man jumped up almost at the same time, and landed on the holy turtle’s shell at the same time!

When everyone saw someone jumping off the spirit ship again, they couldn't help but watch with curiosity!

"Who is that guy? How dare you jump directly onto the back of the biggest holy turtle?"

"Young monk of the fifth level of the Fusion Realm, are you planning to tame the largest holy turtle?"

"Even the sub-rudder of the Demon Sealing Alliance can't be tamed. Maybe this little monk can try?"

Many people's attention has turned to Chen Ping!

Even Ye Fengqing was staring at Chen Ping!

However, Ye Fengqing's expression did not change, as if he didn't recognize Chen Ping!

Ji Yun and Gao Qilan were relieved when they saw Ye Fengqing's expression. It seemed that Ye Fengqing didn't know what was happening in the Far North!

Chen Ping and the man stood on the tortoise shell and looked at each other!

Although there is only one glance, this glance contains a lot of information!

Chen Ping could tell that the other party also detected the demonic aura on him!

"Brother, I didn't expect that we would be so destined to jump down together. Do you know your brother's surname?"
