

The Order 5031

Chapter: 5031

Chen Ping asked!

“Jin Dong, where is your Excellency?”

the man asked!

“My name is Chen Ping. Let’s compete to see who can tame a holy turtle first!”

Chen Ping smiled slightly and said!

Jin Dong saw that Chen Ping was not malicious and looked very kind, so he nodded: “Okay, let’s compare...”

After saying that, Jin Dong’s body sank and he stood firmly on the holy turtle’s shell. The holy turtle roared and began to swim quickly!

Chen Ping also stood firmly on the back of the huge holy turtle. This huge holy turtle obviously swam faster!

Along with swimming, the Holy Turtle kept jumping and making low sounds!

“Look, this little monk probably won’t be able to hold on for even a minute...”

“One minute? Are you kidding? It’s probably thirty seconds at most!”

“It’s true that newborn calves are not afraid of tigers. With the strength of the fifth level of the Fusion Realm, they dare to tame the largest holy turtle!”

When everyone saw Chen Ping standing on the back of the Holy Turtle and being taken away, everyone started talking again!

“He won’t last more than twenty seconds, but I have experienced the power of this holy turtle!”

Ye Fengqing spoke. The reason why he said this was to regain some face for himself!

After all, despite the big talk, he failed to tame the Holy Turtle. This is very shameful!

Seeing Ye Fengqing say this, everyone nodded in agreement.

At this time, many people are paying attention to Chen Ping, but not many people are paying attention to Jin Dong, which reduces Jin Dong’s risk of exposure!

But even so, Jin Dong did not dare to be careless. He suppressed the aura in his body and relied on the brute force of his body to stay on the tortoise shell!

Chen Ping did not use the skill of a thousand-jin pendant to make himself stand tightly on the tortoise shell like others. Instead, he put away all his breath, slowly sat on the tortoise shell, and gently stroked the tortoise shell with both hands. It’s like stroking your own child!

He hoped that through this method, the Holy Turtle would weaken the resistance in the body and slow down the movements of the Holy Turtle!

At this time, Chen Ping’s body also began to emit a holy light. Although this light was not as powerful as that of the Demon Mountain Ghost Old Man and could shine on everyone, Chen Ping’s light was softer and softer. .

Soon, the huge holy turtle and Chen Ping were all wrapped in this light. Under the influence of this light, the holy turtle began to slow down!

Seeing this scene, everyone was very surprised!

Chapter: 5032

And Ye Fengqing's face became gloomy, because Chen Ping had been on the tortoise shell for a few minutes at this time, not the twenty seconds he said!

This is undoubtedly a slap in the face!

Chen Ping did not notice the attention of the people on the spirit boat. After seeing the Holy Turtle slow down, Chen Ping felt happy, and then sent out a spiritual consciousness, intending to communicate with the Holy Turtle!

If you want to tame the Holy Turtle and make the Holy Turtle recognize you as your master, you must make the Holy Turtle's thoughts consistent with your own!

After all, the intelligence of this holy turtle is not inferior to that of humans!

If you don't get the Holy Turtle's approval, just taming the Holy Turtle's body is useless!

But just when Chen Ping's consciousness wanted to enter the sea of consciousness of the Holy Turtle, the Holy Turtle showed resistance and began to swim at a faster speed, constantly rolling in the sea!

Everyone saw the Holy Turtle exerting strength again and cheered up again.

"It seems that this holy turtle is huge and difficult to tame. I thought I was going to succeed just now."

"The bigger the holy turtle is, the higher the spiritual intelligence is. Therefore, if you want to get the recognition of this holy turtle, you must communicate with the spirit."

"It seems that this Holy Turtle doesn't want to be tamed by a little fifth-grade Fusion Realm monk, otherwise it will be very embarrassing."

"Hahaha, you're just a beast, why do you want to save face?"

Someone suddenly laughed and turned the Holy Turtle into a beast!

As soon as these words were spoken, everyone looked at the monk who had just laughed.

And the laughing monk seemed to realize that he had said the wrong thing, and his expression immediately changed!

But it was too late. I saw two holy turtles rising from the water under the spirit boat, as if they could fly!

Then two huge water pillars went straight towards the laughing monk!

Without any time to react, the monk was directly knocked down by the jet-black water column and fell into the sea of ink!

After struggling twice, he disappeared directly into the sea of ink!

“This idiot dares to call the Holy Turtle a beast. He is really looking for death.”

“These holy turtles have already had spiritual intelligence. Apart from the fact that they have not transformed into human form, they are just like humans. Do you really think they can’t understand human language?”

When everyone saw the tragic death of the monk who fell into the sea of ink, they didn’t feel the slightest sadness. On the contrary, they all gloated!

These holy turtles are powerful, but they have never actively attacked humans, so many monks still like the holy turtles!

The monk who just spoke so freely could be regarded as more than worthy of his death!

Chapter: 5033

While everyone was discussing the tragic death of the monk, Chen Ping had already been taken dozens of miles away by the huge holy turtle!

On the dark sea water, relying on the eyes, Chen Ping can no longer be seen!

When they found that Chen Ping was missing, the monks suddenly sighed with emotion!

“In order to tame the Holy Turtle, I risked my life in vain.”

“You are really overestimating your capabilities. A mere fifth-level monk in the Fusion Realm wants to tame a holy turtle, and he also wants to tame the biggest holy turtle.”

“If this guy could tame the biggest holy turtle, wouldn't we all be slapped in the face?”

“It feels like the one who gets slapped in the face the most is Captain Ye.”

Many monks discussed and then turned their attention to Jin Dong!

Just now, everyone was paying attention to Chen Ping, but not many people were paying attention to Jin Dong. Now Chen Ping is nowhere to be seen, so they all focus on Jin Dong!

At this time, Gao Qilan and Ji Yun looked at Chen Ping who had disappeared, and they were all heartbroken!

Although they also know Chen Ping's strength, this place is above the sea of ink after all, not on land. If something happens, there is no place to escape above the sea of ink!

“Miss Gao, your brother is not very strong, but he is very courageous. He actually went to tame the Holy Turtle and dared to attack the biggest one!”

Zhou Tai now also has some respect for Chen Ping. No matter what, Chen Ping's fierceness is really amazing!

Gao Qilan did not take care of Zhou Tai. At this time, she was so anxious and worried about Chen Ping's safety that she was not in the mood to take care of Zhou Tai!

And above the sea of ink, Jin Dong had changed from standing to lying down, holding the tortoise shell tightly with his hands, and his hands were already bloody!

Several times he was almost thrown into the sea of ink, but Jin Dong did not give up at all. He knew that if he could not tame a holy turtle, they would be discovered sooner or later on the spirit ship!

If people from the Demon Sealing Alliance find out, they won't be able to escape!

For his junior sister, Jin Dong also tried his best!

Seeing Jin Dong working so hard, many monks on the spiritual boat couldn't help but admire him!

"Who is this guy? He looks like he's working very hard, and his hands are almost useless."

"I don't know him. The aura on this guy's body doesn't show off at all. He's really capable of resisting this holy turtle with brute force alone."

"In order to tame a holy turtle, you risk your life!"

Everyone was talking about it!

Jin Dong's junior sister looked at her senior brother with anxiety on her face!

Chapter: 5034

Chen Ping, who was dozens of miles away from the spirit ship, was still trying to use his spiritual consciousness to communicate with the holy turtle beneath him. However, the holy turtle was quite

stubborn and resisted desperately, not allowing Chen Ping's spiritual consciousness to enter the sea of consciousness. Opportunity.

Half an hour has passed now. Even though this holy turtle is huge in size, it is also a little exhausted at this moment. Its swimming speed is getting slower and slower, but even so, it does not surrender to Chen Ping at all!

Seeing that the Holy Turtle was too stubborn, Chen Ping glanced at the spirit ship that had long since disappeared, and then burst out the power of the dragon in his body!

A golden dragon roared and appeared, hovering over Chen Ping's head.

Obviously, after seeing the golden dragon appearing and feeling the power of the dragon in Chen Ping's body, the Holy Turtle's eyes were full of horror!

"Wooooooooo....."

The Holy Turtle let out a low cry, seeming to be pleading!

Seeing this, Chen Ping used his spiritual consciousness to explore again. The Holy Turtle obediently let go of the sea of consciousness, not daring to make any resistance!

Soon, Chen Ping's consciousness swept across the holy turtle's sea of consciousness, and he discovered that there was a small island not far from here!

It's just that this holy turtle has never been to the island, so Chen Ping has no way to learn about the situation on the island from the holy turtle's sea of consciousness!

After withdrawing his consciousness, the Holy Turtle was already honest and kept making low sounds, seeming to please Chen Ping.

Seeing this, Chen Ping smiled and patted the Holy Turtle on the head: "Okay, take me back..."

The Holy Turtle spurted out a stream of sea water, and then quickly headed towards the spirit ship!

Everyone on the spirit boat was looking at Jin Dong. It had been more than half an hour now, but Jin Dong was still lying on the tortoise shell.

The Holy Turtle under him also had no strength, but both sides were exhausted like this, and the Holy Turtle did not accept Jin Dong!

The Holy Turtle floated powerlessly on the sea, and Jin Dong lay helplessly on the Holy Turtle!

Many monks are also bored with it. If it continues like this, there is no telling when it will end!

“Look, what is that?”

At this time, someone pointed into the distance and shouted!

Everyone hurriedly looked over and saw a huge holy turtle heading towards their spirit ship in the wind and waves!

The appearance of the huge holy turtle did not surprise them. What surprised them was that there was a figure standing on top of the holy turtle!

The strong sea breeze blew by, and the robes on the figure swayed in the wind, as if they were immortals!

But when the holy turtle swam closer, everyone discovered that the person standing on the holy turtle was actually Chen Ping, and this was the holy turtle that Chen Ping wanted to tame just now!

Looking at the returning Chen Ping and the obedient Holy Turtle at his feet, everyone was stunned!

Chapter: 5035

A fifth-level Fusion Realm monk actually tamed such a huge holy turtle?

You must know that even Ye Fengqing has not tamed this holy turtle.

Seeing Chen Ping's safe return, Gao Qilan and Ji Yun both jumped up excitedly!

"Holy shit, Miss Gao, your brother is so awesome, isn't he? Did you really tame this holy turtle?"

When Zhou Tai saw Chen Ping coming back with the Holy Turtle, his eyes widened and his mouth opened in shock!

Jin Dong, who was lying on the tortoise shell, saw Chen Ping driving the holy tortoise back. Knowing that the other party had tamed the holy tortoise, he couldn't help but cast envious eyes!

You must know that Chen Ping's holy turtle is the biggest and the most difficult to tame. Now Chen Ping has tamed them all!

Jin Dong, the holy turtle, is small in size and has not been tamed for so long. It is obvious that the competition between the two has come to an end!

Chen Ping saw that Jin Dong was in a stalemate with the Holy Turtle underneath him, so he decided to help him!

I saw Chen Ping patting his Holy Turtle on the head and saying: "Go, help him..."

Chen Ping's Holy Turtle let out a low cry and then swam over!

When the holy turtle below Jin Dong saw Chen Ping's holy turtle swimming towards him, he immediately showed great respect!

It can be seen that the holy turtle tamed by Chen Ping is the leader of this group of holy turtles!

I saw Chen Ping's holy turtle rubbing its head on the head of another holy turtle, and immediately the holy turtle let out a roar!

Then he turned his head, stuck out his tongue and licked Jin Dong's hand!

Seeing the appearance of the Holy Turtle, Jin Dong's eyes were full of surprise, so he slowly let go of his hand and found that the Holy Turtle under his feet really no longer resisted!

Gently stroking the Holy Turtle's head, Jin Dong looked at Chen Ping with excitement and said: "Brother, thank you..."

"If you can find me of any use, I, Jin Dong, will go through fire and water without hesitation."

Jin Dong knew that without Chen Ping's help, it would be difficult for him to tame the holy turtle under his feet!

"You're welcome, Fellow Daoist Jin. You have to tame the Holy Turtle yourself and make it motionless so that I can have a chance to help."

Chen Ping said modestly!

"I really didn't expect that a mere fifth-level monk in the Fusion Realm could tame such a huge holy turtle. If that happens, how will this old man lose his face?"

The old devil mountain ghost spoke, then jumped up and gently patted the tamed holy turtle: "You are free, leave quickly..."

Devil Mountain Ghost Elder actually released the holy turtle he had tamed. In his opinion, Chen Ping, a little monk, could tame such a huge holy turtle!

Chapter: 5036

As the Demonic Mountain Ghost Elder, it would be a disgrace to tame such an ordinary holy turtle, so he just released the holy turtle at will!

Seeing that the Demonic Mountain Ghost had released the Holy Turtle, many monks were heartbroken!

You know, many of them can't even tame ordinary holy turtles. How great it would be if this was given to them!

And Ye Fengqing's face was so gloomy at this time!

He looked at the Holy Turtle that Devil Mountain Ghost had let go, and he felt a pang of regret in his heart!

The Demon Mountain Ghost always said to give it to him, but he didn't want it!

It's fine now, people have released it!

There was also that huge Holy Turtle, which even he, the dignified helmsman of the Demon Sealing Alliance, could not tame, but was tamed by Chen Ping, a fifth-level monk in the Fusion Realm. It was simply a shame!

So many people were watching, and he even made wild claims, saying that Chen Ping would be thrown into the sea in twenty seconds!

Now, not only was Chen Ping not thrown into the sea, but he had also tamed this huge holy turtle. It was a slap in the face!

Chen Ping and Jin Dong boarded the spirit ship together, and the girl who was following Jin Dong ran up quickly!

"Brother, are you okay? You scared me to death just now..."

The girl said very worriedly!

“Junior sister, I have already said that I will be fine.” Jin Dong smiled faintly, then pointed at Chen Ping and said: “This is Brother Chen Ping. You saw it just now. If it weren’t for him, I’m afraid I wouldn’t have known to follow.” How long did the Holy Turtle last?”

“My daughter Luo Xi thanked Mr. Chen...”

The girl followed Chen Ping and bowed very politely!

“Miss Luo, you’re welcome...” Chen Ping said quickly!

Although these two people were both demon cultivators, they were polite and courteous, which deeply touched Chen Ping’s heart!

“Junior sister, now that we have the Holy Turtle, we can leave this spiritual ship and travel around the ink sea by ourselves.”

Jin Dong said to Luo Xi!

“Yes!” Luo Xi smiled and nodded!

“You want to leave the spirit ship? Although the Holy Turtle is here, you can also cross the Black Sea, but after all, it is not as safe as this spirit ship.”

“And on the back of the Holy Turtle, it is exposed to wind and sun, and it is also very difficult. Why do you have to leave this spiritual ship?”

Chen Ping couldn’t help but be surprised when he saw that Jin Dong and Luo Xi were actually leaving on the Holy Turtle!

Chapter: 5037

“Brother Chen, although this spirit boat is safe and comfortable, it is not suitable for the two of us. I guess you know the reason even if I don’t tell you, right?”

Jin Dong said with a helpless smile!

Chen Ping stopped talking. He did know the reason. The two were demon cultivators. There were many masters on this spiritual ship. If they were careless and didn’t hide their auras well, they would be in trouble if someone discovered them!

Jin Dong asked Luo Xi to jump behind the Holy Turtle, and then followed Chen Ping: “Brother Chen, if we are destined to meet, I would like to advise you to leave this spirit ship as soon as possible, otherwise it will be dangerous.”

After saying that, Jin Dong also jumped on the Holy Turtle, waved with Chen Ping, and then the two of them left on the Holy Turtle!

Chen Ping looked at the two of them. He knew what Jin Dong meant. The two of them must have regarded themselves as demon cultivators!

After all, Chen Ping also has the aura of demons in his body!

“Brother, you are so great...”

At this time, Gao Qilan and Ji Yun came over!

Gao Qilan rushed directly to Chen Ping and kissed Chen Ping on the face!

When Zhou Tai saw this, he couldn’t help but be a little jealous and said: “I didn’t expect that you brother and sister have such a good relationship!”

Chen Ping smiled helplessly, then looked at Gao Qilan and Ji Yun and said: “We won’t take this spiritual boat. We will go directly on the holy turtle. This way we can move more freely.”

The reason why Chen Ping wanted to leave on the Holy Turtle was because he wanted to visit the island. If he could have some adventure on the island, that would be great!

“Okay, I want to sit on this holy turtle too, it will definitely be really fun!”

Gao Qilan clapped her hands excitedly!

This holy turtle is huge, more than enough room for the three of them!

“Can I sit with you too?” Zhou Tai asked quickly when he saw this!

He also wanted to sit on the Holy Turtle, and he didn’t want to be separated from Gao Qilan!

After all, Gao Qilan left before he could get it. Wouldn’t he have suffered a huge loss?

In order to get a boat ticket for Gao Qilan, he killed three of his men!

“cannot.....”

Gao Qilan refused directly!

“Miss Gao, you...” Zhou Tai did not expect that Gao Qilan would reject him!

“Don’t think about Miss Gao. Miss Gao is already married.”

Chapter: 5038

Ji Yun saw this and looked at Zhou Tai with a sneer on his face!

“A famous woman has a master? Who is Miss Gao’s boyfriend?”

Zhou Tai frowned, with a look of anger on his face!

But when he finished speaking and looked at Gao Qilan and Chen Ping hugging each other, he suddenly understood!

“You lied to me. You are not brothers and sisters at all. You deserve to be damned...”

Zhou Tai’s face was furious, and the aura on his body burst out instantly!

Chen Ping pulled Gao Qilan behind him, and aura instantly burst out from his body, and he followed Zhou Tai to compete!

Seeing that Zhou Tai and Chen Ping were about to fight, many monks gathered around them!

“You are so brave. Do you dare to do something on the spiritual ship?”

Just when Zhou Tai was about to take action, several people wearing Bagua robes came menacingly!

These are the staff on the spirit ship. The spirit ship has regulations and you are not allowed to do anything on the ship!

Seeing the staff coming, Zhou Tai put away his breath, glared at Chen Ping and said: “You wait, when we get to the shore, I will let you look good...”

“Once we reach the shore, you won’t be able to find us. We’ll leave immediately on the Holy Turtle!”

Ji Yun said with a sneer!

The reason why he dared to show off with Zhou Tai just now was because they would no longer be taking the spirit ship, and there was no need to hide it from Zhou Tai.

When Zhou Tai heard this, his face turned red with anger, but there was nothing he could do!

Just when Chen Ping and the others were about to jump on the holy turtle, suddenly the whole spirit boat started to shake, and then they saw dozens of holy turtles carrying the spirit boat forward again!

Seeing this, the staff on the spirit boat kept reciting the magic formula, and the spirit boat was emitting rays of light, but they couldn't stop!

And in front of the spirit ship is the spectacle of the huge dragon sucking water!

Everyone knows that the water your dragon absorbs is formed by a huge tornado. If this spiritual ship rushes into the tornado, it will definitely be crushed to pieces.

At this moment, everyone panicked and tried their best to stop the spirit ship, but to no avail!

Upon seeing this, Chen Ping, Gao Qilan and Ji Yun wanted to jump on the back of his holy turtle to avoid the tornado!

But the huge holy turtle did not obey Chen Ping's command and swam quickly towards the tornado!

Seeing that the tornado was getting closer and closer, fear appeared in everyone's eyes!

Chapter: 5039

"Look, what is that?"

Someone pointed in the direction of the tornado and suddenly shouted!

Everyone hurriedly looked around and found that the huge holy turtle had already swam to the center of the tornado. The huge body was taken away from the sea by the tornado and headed towards the black clouds in the mid-air!

“What kind of holy turtle is this? Is it a stupid turtle?”

“It’s not that the Holy Turtles have all opened their spiritual intelligence. Such a big Holy Turtle should be smarter than humans. Why did he swim into the tornado on his own initiative?”

“The holy turtle that was finally tamed is gone now.”

Many people were talking, and some looked at Chen Ping pitifully!

It is not easy to tame such a big holy turtle. As soon as it was tamed, it was taken away by a tornado!

Chen Ping was also very surprised. He didn’t understand why the holy turtle didn’t listen to his command and insisted on swimming towards the tornado.

“Stop yelling. The spirit ship is heading in the direction of the tornado. We must change its course or stop it.”

“Now we need someone to attract those holy turtles and stop letting those holy turtles control the spiritual ship.”

“If the spirit ship enters the area of the tornado, then none of us will survive in this vast sea of ink.”

At this time, Ye Fengqing said loudly!

After hearing this, everyone stopped talking, but no one jumped off the spirit ship to attract those holy turtles. After all, no one knew what the danger was!

I'm afraid there won't be many monks in this whole ship with such selfless dedication!

They came to Mohai just to hunt for treasures and see what opportunities they could encounter!

No one will take risks for someone who doesn't want to do it.

When Ye Fengqing saw that no one was moving, he couldn't help but frown. It wasn't that he pitied these monks, he was afraid that he would be in danger. In addition, this spiritual ship was also valuable. If it was destroyed by a tornado, it would be a huge loss!

Seeing the spirit ship getting closer and closer to the tornado, no one came forward!

Chen Ping glanced at Gao Qilan and Ji Yun beside him, and suddenly took a step forward and said: "I'll come, I'll attract those holy turtles away, you guys change the route quickly..."

The reason why Chen Ping stepped forward was not because he was a virgin, he just didn't want to see Gao Qilan in any danger.

Seeing Chen Ping standing out, many monks all looked at him with admiration!

"How can you attract so many Holy Turtles just by yourself?"

Seeing Chen Ping standing up, Ye Fengqing asked!

Chapter: 5040

"You don't have to worry about it, I have my own way..."

Chen Ping knew that his divine dragon power was the magic weapon to restrain these holy turtles!

The huge holy turtle was so stubborn at the time, but after Chen Ping used the power of the dragon, he instantly became honest!

However, Chen Ping was afraid that many people would know his identity when he used the power of the dragon in front of so many people!

But things are tight and I can't control that much!

"Chen Ping, I'll go with you..." Seeing Chen Ping standing out, Gao Qilan said with a worried face!

"Just don't go and stay on the spirit ship. Nothing will happen to me."

Chen Ping smiled slightly and said!

But just when Chen Ping was about to jump off the spirit ship and attract those holy turtles, suddenly the sky filled with dark clouds became brighter.

The raging tornado was slowly disappearing, and soon there was no trace!

Calm has returned to the sea of ink, and dozens of holy turtles are still carrying the spirit boat forward, but no one knows where these holy turtles will take the spirit boat!

"Look, the huge holy turtle is in the sky..."

Everyone looked up and saw that the holy turtle that had just rushed into the tornado was floating in the air, then slowly fell into the ink sea and swam quickly towards the spirit ship!

And in the mouth of the holy turtle, a dazzling bead exuded a bright light, and the light shone through, making even the dark sea water brighter!

"What's in the Holy Turtle's mouth?"

“It’s so bright. It can’t be some kind of treasure, right?”

“It must be a treasure. I’ve heard about the Holy Beast Master a long time ago. I didn’t expect that the Holy Turtle just rushed into the tornado to hunt for treasure.”

Many monks looked at the huge holy turtle and couldn’t help but look envious!

Ye Fengqing and the Demon Mountain Ghost frowned slightly, looking at the thing in the Holy Turtle’s mouth, their eyes full of greed!

After the Holy Turtle swam near the spirit boat, with a breath, the bright beads flew towards Chen Ping!

Chen Ping caught it and found that the bead was not big, but very heavy, and there seemed to be bursts of wind coming from inside the bead.

“What is this?”

Ji Yun moved his head curiously and stared at the orb in Chen Ping’s hand!

Chen Ping shook his head. He didn’t know what the holy turtle was holding, but it must be a treasure!
