

The Order 5051

Chapter: 5051

When Chen Ping saw this, his face became extremely ugly. If Ye Fengqing used all his strength, he would not be able to deal with it!

Although he can escape, what will Gao Qilan and Ji Yun do?

Just when Chen Ping and the others were suffering from Ye Fengqing's terrifying pressure, they suddenly felt their bodies relax!

I saw the body of Devil Shan Gui Lao burst out with rays of light, covering the three of them!

Seeing this, Ye Fengqing frowned: "Old Demon Mountain Ghost, what do you mean?"

"I don't mean anything. I said, no one can threaten my integrity."

"Now that the spirit ship is damaged, many people are repairing it, but you still want to do something on the spirit ship. You don't want to live, but I still want to live."

Devil Mountain Ghost Lao said calmly!

Ye Feng looked at the Demon Mountain Ghost Old Man coldly, the expression on his face became increasingly gloomy.

"Do you want to follow me and oppose the entire Demon Sealing Alliance?" Ye Fengqing threatened the Demon Mountain Ghost Elder!

"I don't want to go against your Demon Sealing Alliance, but I don't want to die either."

“So as long as I am on this spiritual ship, if you want to take action, you will never...”

The Demon Mountain Ghost looked determined!

At this time, other monks also gathered around. This time they were not stopping the Demon Mountain Ghost Old Man, but Ye Fengqing!

Just now, Ye Fengqing slapped Chen Ping away with a punch, and the entire spirit ship was damaged.

If Ye Fengqing takes action now, the spirit ship will definitely be doomed and will sink 100%!

At this time, no one dared to regard Chen Ping as an ant!

“Master Ye, you must stop taking action, otherwise we will all die.”

“That’s right. That slap just now almost destroyed the entire spiritual ship.”

“Now that the spirit ship is damaged, we must not do anything anymore.”

Many monks surrounded Ye Fengqing and refused to let him take action!

Ye Fengqing’s face became very ugly, but there was nothing he could do. He didn’t want to cause public anger!

After all, when faced with the choice of life and death, everyone can do anything!

If this forces everyone to fight against him, even if he is in the Tribulation Realm, he may not be able to withstand so many people!

Chapter: 5052

“Boy, I remember you. If you dare to go ashore, I will kill you.”

Ye Fengqing threatened Chen Ping!

Chen Ping didn't care at all. He had the Holy Turtle with him and could go ashore at any time. As long as he left here, he didn't believe that Ye Fengqing could still find him!

What's more, even if Ye Fengqing doesn't chase him, I believe that the Demon Sealing Alliance will not let it go.

Therefore, Chen Ping was not afraid of the people from the Demon Sealing Alliance, it was already like this anyway.

“Mr. Chen, you'd better get on the back of the Holy Turtle and leave. As for Ye Fengqing, I'll keep an eye on him. If he dares to take action against Mr. Chen, I won't be able to spare him.”

“At worst, I will be hunted by the demon alliance. I will hide when the time comes. I will just hide for decades.”

Devil Mountain Ghost said to Chen Ping!

“Thank you, senior. As long as I get ashore, I'm not necessarily afraid of the person named Ye.”

Chen Ping smiled slightly and said!

As long as he returns to Demon Imperial City, with Ye Fengqing's strength, it is impossible to enter Demon Imperial City. Let Yihe deal with him then!

After saying goodbye to the Demon Mountain Ghost Old Man, Chen Ping, Gao Qilan and Ji Yun jumped on the back of the Holy Turtle!

Then, under Chen Ping's order, the Holy Turtle galloped towards the island!

When Ye Fengqing saw Chen Ping leaving on the Holy Turtle, his face was livid and his teeth were clenching!

"Return....."

Ye Fengqing shouted loudly, the spirit ship was damaged and was no longer suitable to continue sailing on the Black Sea!

"Helmsman, the spirit ship has been damaged and needs to be repaired before the formation can be rearranged before it can continue sailing."

A staff member wearing a gossip robe ran over and said!

"Then hurry up and fix it!"

Ye Fengqing stared angrily and shouted loudly!

The staff was so frightened that they rushed to repair it!

But at this moment, the spirit boat suddenly shook, and the dozens of holy turtles once again hugged the spirit boat and started moving forward!

At this moment, everyone was in panic, wondering where these holy turtles were taking them!

The spirit ship was damaged, and even if you wanted to cast a spell to stop the holy turtles, you had no choice but to watch helplessly as these holy turtles carried the spirit ship forward!

Chapter: 5053

"These holy turtles are proficient in spirituality and have a gentle temperament. They never actively attack humans, so they are not necessarily in danger when they take the spirit boat forward."

“Perhaps these holy turtles know where there are many treasures and took us to hunt for them.”

Devil Mountain Ghost Lao said!

Upon hearing this, everyone felt that what the Demon Mountain Ghost said was reasonable, and they all relaxed a lot. They all returned to their rooms and allowed these holy turtles to lead the spirit ship forward!

As for Chen Ping and the three of them, they were sitting on the back of the Holy Turtle, although they were not as good and comfortable as the spirit boat.

But on the back of this holy turtle, you can face the wind and waves, and look at the scenery of the sea of ink, which is a unique experience!

Chen Ping sat on the back of the turtle, holding the wind-fixing bead in his hand. In this way, no matter how fast the holy turtle swims, they will not be hit by the wind!

Looking at the Fengfeng Bead in his hand, feeling the breath of wind inside and the whistling wind, Chen Ping didn't know what this Fengfeng Bead could bring to him!

Can you help me understand the origin of wind?

Chen Ping has never practiced wind-related techniques, nor has he ever received wind-related aura!

The only thing linked to wind energy is Chen Ping's Wind Step!

Chen Ping held the Wind-Fixing Pearl tightly, trying to put his spiritual consciousness into the Wind-Fixing Pearl to see if he could absorb the breath of wind in the Wind-Fixing Pearl!

But after trying many times, they all failed, and there was no way to absorb it!

“You can’t swallow the Fengfeng Pearl, right?”

Chen Ping looked helpless!

In this way, after three days of sailing on the back of the Holy Turtle, the three people could vaguely see the appearance of the island!

“Damn, I thought it would be very close, but it turns out this island is so far away...”

After seeing the small island, Chen Ping couldn’t help but curse!

I stayed on this turtle’s back for three days. Although I didn’t eat or drink and I wasn’t hungry, I was so exhausted.

The holy turtle swam towards the island. Chen Ping stretched hard and looked at the island that appeared from a distance!

But soon, the Holy Turtle suddenly stopped moving forward and kept swimming on the spot!

When Chen Ping saw this, he couldn’t help but frown!

“Mr. Chen, what’s wrong?” Ji Yun asked in confusion!

“It seems that other monsters are about to appear in this sea of ink.”

Chapter: 5054

Chen Ping said!

As soon as Chen Ping finished speaking, in the dark sea surface of Mohai, black seawater surged, and in this seawater, a faint blue light was emitted, just like the eyes of a monster!

Buzz.....

Suddenly, something flew into the sky from the sea of ink, bringing up a large amount of sea water, and fell down with a splash!

If Chen Ping and the others hadn't been prepared a long time ago and formed a spiritual shield around their bodies, the seawater would have turned them into drowned rats!

Hai Hailuo soared, and saw a ray of light suddenly flying over Chen Ping's heads, and then a bright light burst out between the dark sky and earth, like a scorching sun!

A monster with a weird shape and a pair of fleshy wings was staring at Chen Ping and the others!

"What kind of monster is this? It looks so scary?"

When Gao Qilan saw this monster, he was so frightened that he started to tremble all over!

She had never seen such a terrifying beast in the far north!

Chen Ping and Ji Yun didn't know what kind of monster this was. After all, many people had never seen these monsters in the sea!

Chen Ping looked a little nervous when he looked at the monster in front of him!

If it were on land, Chen Ping would not be afraid, but in the sea of ink, Chen Ping would have no place to stay!

And above the Mo Sea, even powerful monks find it difficult to stay in the air for a long time. As a result, they have no way to deal with monsters that can fly in mid-air!

The terrifying monster in mid-air swooped down directly towards Chen Ping and the others.

Upon seeing this, Chen Ping asked Ji Yun to protect Gao Qilan, while he took out the dragon-slaying sword and planned to fight with the monster!

Just as the monster swooped down, the holy turtle suddenly spurted out a stream of seawater from its mouth!

The sea water was like a sharp sword, heading straight for the monster!

Seeing this, the demonic beast hurriedly dodged away, then flapped its wings and let out a series of screams from mid-air, seeming to be mocking the Holy Turtle!

Seeing this, the Holy Turtle also roared!

He saw three waves of water approaching from far away, and soon arrived in front of Chen Ping. Under these three waves of water, there were actually three smaller holy turtles!

Chen Ping instantly understood the meaning of his holy turtle, so he said to Gao Qilan and Ji Yun: "Let's jump on the backs of other holy turtles..."

After saying that, the three people jumped on the backs of other holy turtles!

Without Chen Ping and the others behind him, the huge holy turtle raised its head and then soared into the sky from the sea of ink!

Chapter: 5055

Then a jet of water spurted out from the Holy Turtle's mouth and headed straight for the monster!

There was fear in the eyes of the monster, and it flashed a pair of fleshy wings and flew high into the sky with all its strength!

That water column was like a sharp sword, directly penetrating the wings of the monster!

The monster beast felt the pain, let out a scream, and then its body fell towards the sea!

Plop.....

There was a loud noise, and huge waves were splashed on the sea!

The Holy Turtle also swooped down from mid-air and plunged into the sea of ink!

Chen Ping saw huge bubbles popping up on the surface of the Mo Sea, and the water seemed to be boiling!

But after a few minutes, the sea calmed down again!

The holy turtle's mouth was full of blood, and his head emerged from the water with a beast elixir hanging from it!

Chen Ping was overjoyed when he saw that the Holy Turtle had killed the monster and even brought the beast elixir into his mouth.

He didn't expect that the Holy Turtle would be so powerful in this sea of ink!

When he tamed this holy turtle, he didn't feel it!

"Mr. Chen, the Holy Turtle you tamed is really powerful. The monster seemed to be quite strong just now, but it was directly killed by the Holy Turtle and even took out the Beast Pill for you!"

When Ji Yun saw this, he said with envy!

“I didn’t expect this Holy Turtle to be so powerful!”

Chen Ping looked happy, and then took out the beast elixir from the holy turtle’s mouth.

Chen Ping took out some spiritual herbs from the storage ring and fed them to the holy turtle!

The holy turtle roared with satisfaction!

Chen Ping and the others then let the Holy Turtle carry them and headed straight for the island!

As they got closer and closer to the island, they found that there were a lot of debris floating in the sea around the island. It was obvious that a spiritual ship had sunk again.

And among the debris, there are more than a dozen corpses floating on the sea, which looks a bit scary!

Seeing this scene, Ji Yun’s face began to look ugly, and his eyes were full of worry!

He was afraid, afraid that this was the spiritual boat his father was on, and that his father was among these corpses!

Chapter: 5056

Chen Ping saw Ji Yun’s worry, so he comforted him: “There are many people riding spiritual ships on this ink sea. Besides, there are also many spiritual ships passing by. It may not be your father and the others.”

“We can take a look at those corpses to see if there are any members of your Feitian Sect!”

Ji Yun nodded, and Chen Ping then ordered the Holy Turtle to head towards those floating debris!

After getting close to a corpse, Ji Yun carefully identified it!

Because the body was soaked in sea water and appeared swollen, it was difficult to identify!

However, Ji Yun still confirmed the identity of the corpse through the clothing and accessories!

“These are the disciples of our Feitian Sect. Their clothes and unique bracelets on their wrists belong to our Feitian Sect.”

Ji Yun said with a trembling voice!

“Don’t worry, let’s check all the corpses to see if your father is there. If not, maybe they have escaped to the island.”

“This is very close to the island. Even if the ship sinks here, there is still a chance to escape to the island.”

Chen Ping comforted Ji Yun and told him not to worry!

They began to identify the corpses one by one, and found that these corpses were all members of the Feitian Sect. It was obvious that this sunken spiritual ship was the one the Feitian Sect was riding on!

But the only thing worth celebrating is that Ji Yun’s father is not among these corpses, which gives Ji Yun a glimmer of hope!

“Let’s go to the island first...”

When Chen Ping saw that Ji Yun’s father was not among the corpses, he secretly breathed a sigh of relief and decided to go to the island to have a look!

Soon, the Holy Turtle came to the island, but after arriving here, the Holy Turtle was no longer in front!

It seems there is something on the island that scares the Holy Turtle!

When Chen Ping and the others saw this, they could only jump up from the back of the holy turtle and jump to the small island!

At this time, Chen Ping discovered that on this small island, there was no suction force like that in the sea of ink, and he could fly freely. This surprised him!

“You wait for us here, don’t run around...”

Chen Ping ordered to the holy turtle!

The Holy Turtle nodded and responded to Chen Ping!

“Chen Ping, look...”

Gao Qilan suddenly called Chen Ping and pointed to the beach not far from the island and said!

Chapter: 5057

Several people ran over and saw many messy footprints on the ground. Although these footprints were covered with a lot of sand, they could still be clearly identified!

“It seems that someone landed on this island a few days ago, maybe it was your father and the others!”

Chen Ping checked the footprints and said!

When Ji Yun heard this, there was finally a hint of relief on his face!

“Let’s go inside and have a look...”

After Chen Ping finished speaking, he led Ji Yun and Gao Qilan towards the island!

Although this small island is located deep in the ink sea, the environment on the island is very beautiful, with green trees and very good air. It is in sharp contrast with the dark ink sea!

Moreover, on the small island, birds were singing and flying over from time to time, which made Chen Ping a little curious. Have these birds always lived on this island?

After all, this small island is surrounded by a sea of ink. If you want to get from this small island to the nearest mainland, it is probably thousands of kilometers away. There is no habitat in the middle, so it is difficult for these birds to fly!

While walking towards the small island, Chen Ping's consciousness began to slowly spread, checking the situation within a few miles around him!

If there is someone around, he can feel it immediately!

At this time, deep in the island, under a large tree several meters thick, six people were sitting around under the tree. One of them was a middle-aged man, his face full of vicissitudes of life and melancholy.

This man is Ji Yun's father, Ji Lienhan, the leader of Feitian Sect. Their spiritual ship sank and they were trapped on this island!

"Sect Master, we can't wander around. This island is really strange. Many brothers have been lost and cannot be contacted at all."

"Yes, we can't leave now. There are obviously more than a dozen of us together, but the number of people becomes less and less as we walk, but no one notices anything unusual."

"It's terrible, this island is so terrible..."

Several Feitian Sect disciples were now full of fear and did not dare to move at all!

Ji Lianzhan also frowned, not knowing what he was thinking. The island was indeed a bit weird. He originally swam to the island with a dozen disciples, but after entering the island, some disciples kept disappearing inexplicably!

There was no fighting at all, and no monsters were seen. No one knew where these disciples had gone!

Was he lost or was he captured?

Now Ji Lianzhan is in a dilemma. If they stop moving and stay under this tree, even if they don't eat or drink, they will be trapped here forever!

Thinking of his Feitian Sect and being attacked by Chuanyunmen, Ji Lianzhan became furious!

He must not die trapped here!

"We can't be trapped here. We must keep walking and find a way to leave."

Chapter: 5058

"This time everyone is looking for something to tie together. There will definitely be no more missing people."

Ji Lianzhan said firmly!

Upon hearing that he was about to leave, several Feitian Sect disciples all panicked!

"Sect Master, please, don't walk around. It's really scary!"

"These are the only few of us left, and they will all disappear as we go on."

“We’d rather be stuck here than leave.”

Several Feitian Sect disciples begged Ji Lianzhan, they didn’t want to leave anymore!

Rather than disappearing inexplicably and living in fear, it would be better to be trapped here and die!

Seeing that none of the disciples dared to move, Ji Lianzhan frowned. Although these people were Feitian Sect disciples, they must obey his orders unconditionally!

But by this time, he knew that these disciples had already collapsed, so it was understandable for them to refuse his order!

“Then you wait here, I will explore the nearby area, and I will send you a message every ten minutes. If you can’t hear my message, then you can just do it yourself!”

Ji Lianzhan plans to go explore the situation alone, he doesn’t want to sit here and wait to die!

When several Feitian Sect disciples saw this, they didn’t dare to say anything. They could only pray that Ji Lianchan would not have any problems!

But just when Ji Lianzhan was about to leave, his body suddenly froze, and then his body seemed to freeze, motionless!

Because at this time, Ji Lianzhan felt that someone was using his spiritual consciousness to explore the way!

He had just sent out his spiritual consciousness to explore, and found that there was no trace of human breath in the surrounding area for several miles. But after just a while, how could there be any human breath?

Although he didn’t know who these people were, Ji Lianchan was still a little excited to meet humans on this island!

Soon, the other Feitian Sect disciples were so far apart that someone was approaching, and they were also very excited!

“Sect Master, should we use our spiritual consciousness to respond to each other?”

A Feitian Sect disciple said!

Ji Lianzhan waved his hand and said, “No, hide your breath now, and we will wait quietly. I believe these people will be here soon.”

“First find out who the other person is before you talk...”

Ji Lianzhan was afraid that people from Chuanyunmen would also come to this island and kill them all!

After all, the other party has a big turtle mount, so it is easy to get to this island, and there is no need to worry about capsizing in wind and waves!

Chapter: 5059

Upon hearing this, several Feitian Sect disciples hurriedly hid their auras and waited quietly!

“Mr. Chen, this island looks very beautiful, and there are birds flying above it. Why can’t you see other animals after entering?”

“It’s so strange. I didn’t even see an ant, not even a bug. It looks like the mountains and forests on this island are fake!”

Ji Yun couldn’t help but express his doubts!

Chen Ping didn’t speak, but his brows slowly wrinkled together. He also found that the island was a little strange, but he couldn’t put it in words!

It stands to reason that such a beautiful island must have many animals, and it is not surprising even if there are monsters, but it is terrifyingly quiet here!

There are tall vegetation everywhere, but they look a little lifeless!

“Miss Gao, for a moment.....”

Chen Ping wanted to say something to Gao Qilan, but when he turned around to look, he didn't see Gao Qilan at all!

This time, Chen Ping immediately panicked!

“Ji Yun, where is Gao Qilan?”

Chen Ping asked Ji Yun!

After all, he was exploring the way in front, Ji Yun and Gao Qilan were following behind, Gao Qilan was missing, Ji Yun should have known!

“Miss Gao is following me? Why is she missing?”

Ji Yun looked back and didn't find Gao Qilan, and he became anxious!

“Miss Gao...”

“Gao Qilan...”

Chen Ping and Ji Yun shouted loudly!

Their voices contained spiritual power and penetrated very far. However, they shouted several times but did not hear any response!

“How could this happen? Did Miss Gao suddenly disappear?”

Ji Yun’s face was at a loss!

Chen Ping froze on the spot, carefully looking around the island.

He didn’t understand why Gao Qilan suddenly disappeared?

If he was lost, he would definitely hear the cry. If he was captured by something, Gao Qilan should have time to call for help!

Chapter: 5060

They were only a few meters apart, and it could be said that Gao Qilan disappeared right under their noses!

“It’s so weird, so weird...”

Chen Ping frowned, and then an illusory source emitted from the source space!

Now that Gao Qilan suddenly disappeared, Chen Ping suspected that there was a magic formation on the entire island!

If a person suddenly disappears in the illusion array, it will be easily explained!

So Chen Ping wanted to see if there was a huge phantom formation on this island!

As the source of Chen Ping's illusion emanated, Chen Ping observed carefully, but Chen Ping checked and did not find any formation around them.

At this time, Chen Ping began to feel a little helpless. Gao Qiqiang handed Gao Qilan over to him and told him to take good care of her!

Now, it's good. It's only been a few days and Gao Qilan has been lost...

Chen Ping and Ji Yun were both in a state of anxiety!

No one could have imagined that Gao Qilan would be lost just after arriving on the island!

"Mr. Chen, what should we do next?"

Ji Yun asked, somewhat at a loss!

"Keep walking. No matter how Miss Gao disappears, she will definitely not leave this island."

"As long as she is still alive, I will search the entire island to find her."

Chen Ping said with firm eyes!

There is no way he would leave Gao Qilan alone. Chen Ping would not leave this island if Gao Qilan could not be found!

"Then let's walk side by side. If someone disappears, we can find it immediately."

Ji Yun walked to Chen Ping and walked side by side.

Chen Ping's consciousness continued to spread to the surroundings, and Ji Yun also looked at the surroundings vigilantly!

After walking a certain distance, Chen Ping waved his hand to make Ji Yun stop!

"Mr. Chen, what's wrong?" Ji Yun asked in a low voice!

"There are people here. Although they are deliberately hiding their aura, I still detected it."

Chen Ping said!
