

## **The Order 5071**

Chapter: 5071

After all, these people were all brought together temporarily and did not understand each other. In this world of gods and humans where the weak and the strong prey on each other, how could anyone really share the benefits equally?

If the treasure is not valuable, that's okay. If it is a valuable treasure, these people will definitely fight for it crazily. Who will be stupid enough to share it equally?

Zhou Tai also felt like Ming Jing in his heart. The reason why he said this was to stabilize these people first. After all, he is the most powerful among this group of people!

If there really is any treasure, it's not him who has the final say!

Zhou Tai and others walked towards the altar cautiously. They were very cautious at first, but when they saw that the altar was broken and small, and looked like it might collapse at any time, they relaxed a lot!

"This altar looks like it was built by a certain tribe. What kind of treasures can there be? It seems that it has been through for many years and there is probably nothing left."

Some people looked at the altar and felt disappointed!

"I'll go up and have a look..."

At this time, a monk with a scar on the left side of his face jumped up directly onto the altar!

He saw the rough seal stone at a glance. At this time, the rough seal stone exuded a faint light, and the runes engraved on it were constantly flowing!

Seeing this scene, the monk's eyes widened!

“There is a treasure, there is a treasure on this altar...”

The monk shouted!

As soon as they heard there was a treasure, everyone else swarmed towards the altar!

When they saw the original sealing stone, their faces were full of shock. No one expected that such a broken altar would have such a stone!

It’s just that these people don’t have any magic formations, so they don’t know what the runes are carved on the original stone!

“This stone looks like a treasure at first glance. What is carved on it?”

Someone was very curious and couldn’t help but reach out and touch it!

But just as he touched the original sealing stone, a powerful force instantly knocked the monk away!

When everyone saw this, they were so frightened that they hurried away from the sealing stone and looked at it in surprise!

“I didn’t expect this stone to have its own attacks. It is definitely a treasure. We have to find a way to take it away.”

Zhou Tai looked at the original seal stone with bright eyes!

“If this could be carved into a weapon, it would definitely be the best. I have never seen this kind of stone.”

Someone followed suit!

Chapter: 5072

However, because this rough seal stone is offensive, no one dares to try it casually!

At this time, Chen Ping and the others who were hiding not far away looked a little anxious!

“These idiots, this is the original sealing stone. If you move it casually, it will be troublesome to release the sealed things.”

“Mr. Chen, should we stop them?”

Ji Lianzhan asked Chen Ping!

Chen Ping thought for a moment, then nodded: “Okay, let’s go out and tell these fools that this stone cannot be moved casually!”

After saying that, Chen Ping took Ji Lianzhan and the others out!

Zhou Tai was leading people to think about how to take the stone away, and suddenly found Chen Ping and others appearing, feeling a little surprised.

“Is it you? Why are you here?”

Zhou Tai knew that Chen Ping and the others left on the Holy Turtle, but unexpectedly they also came to this small island!

“Zhou Tai, this stone is a sealing stone. The sealing formation is engraved on it. You cannot move it casually because you don’t know what is sealed below. If it is a terrifying monster, these people will die.”

Chen Ping warned Zhou Tai!

When everyone heard what Chen Ping said, they all moved further away from the original seal stone!

Seeing this, Zhou Tai hurriedly said: "You don't have to listen to his fart, he just wants to prevent us from getting this stone. They are secretly guarding here because they also want to get this stone."

"That bullshit sealing rough stone is just for bluffing. Do you believe it?"

When Zhou Tai said this, the monks who originally believed in Chen Ping began to doubt Chen Ping's motives!

"Zhou Tai, I advise you because I want to save you. If you insist on touching this raw seal stone, I won't care. When the time comes to release the monster, then just wait for death..."

After Chen Ping finished speaking, he stepped aside and was indeed not stopping him!

This time, Zhou Tai was a little unsure!

But looking at the faintly shining stone in front of him, Zhou Tai still couldn't help it!

"I don't believe your nonsense. I'm going to decide on this stone today. If anyone else wants it, come with me..."

Zhou Tai glanced at the many monks!

Soon, someone couldn't bear the temptation and stood next to Zhou Tai, planning to follow Zhou Tai to get rid of the stone!

Because the stone was a bit big, Zhou Tai planned to bombard it into small pieces and then take it away!

Chapter: 5073

Within this stone, spiritual power is flowing and overflowing. It is obviously a treasure!

“Let’s attack together and smash this stone into pieces, so that we can share it equally.”

“Those cowardly guys can’t even get a piece of it...”

Zhou Tai said with a cold hum.

Zhou Tai and others began to accumulate strength, preparing to attack the rough seal stone!

Chen Ping warned: “Let’s stay away first and see what is sealed under the original seal stone.”

Chen Ping took Ji Lianzhan and others to escape. In fact, he also wanted to know what was under the seal!

“Do it...”

Zhou Tai shouted loudly, and several monks took action together!

Huge power was waved out from everyone’s palms, heading straight for the sealing stone!

boom.....

With a loud noise, the original seal stone was shattered by the bombardment, and the scattered stones covered the ground!

It’s just that there are no runes flowing on these broken stones, and no spiritual power is overflowing!

Originally, these relied on the sealing formation, but the first formation was forcibly broken, and it became an ordinary stone!

Looking at the gravel on the ground, and it was just ordinary stones, Zhou Tai was a little dumbfounded!

Rumble.....

Suddenly there was another loud noise, and the entire altar began to collapse, and everyone jumped down in a hurry!

After the altar collapsed, a dark hole appeared, bottomless, and from the hole, bursts of gloomy aura continued to come out!

At this moment, everyone became nervous. Now they believed that this stone was indeed the original stone that sealed something underneath!

Many monks emitted spiritual consciousness and felt towards the cave!

Suddenly, clouds of black mist emerged from the cave, and then the black mist dispersed and began an indiscriminate attack on the monks around the altar!

Seeing this, Zhou Tai and others could only start fighting with the black mist!

“What is this?” Chen Ping and the others were far away, and there was no black mist coming over yet!

“Evil spirits, these are evil spirits...”

Chapter: 5074

Ji Lianzhan suddenly frowned!

“Evil spirit?” Chen Ping was stunned!

“Yes, these are all evil spirits. The so-called evil spirits are the transformation of weapons with weapon spirits in ancient times. These weapons were either damaged in the fight, or the owner died in battle, so these weapon spirits have lived here forever. In addition, Mo Hai’s Erosion, over time these weapon spirits begin to change their temperament, and they become evil spirits.”

“If you get an evil spirit weapon, not only is it not a chance, but it may be controlled by evil spirits, and your life may be in danger.”

Ji Lianzhan followed Chen Ping and explained!

When Chen Ping heard this, he thought of Zhongli, the sword spirit of his Dragon-Slaying Sword. Maybe if Zhongli was left here for thousands of years, his temperament would change drastically and he would turn into an evil spirit, right?

“Why do you think these evil spirits are so crazy and seem to be unconscious?”

Chen Ping watched Zhou Tai and others fighting with the evil spirits and couldn’t help but say!

“Yes, many of these evil spirits are incomplete and have no consciousness. A truly intact divine weapon spirit cannot become an evil spirit even if it has been ravaged by years. On the contrary, it will strengthen itself even more.”

“Only these broken weapon spirits will evolve into evil spirits. These evil spirits will only kill like crazy without any consciousness, and they are not afraid of life and death. There is no such thing as death in their thoughts.”

Ji Lianzhan replied!

Chen Ping was right when he thought about it. These evil spirits were originally weapon spirits. There was no so-called physical life. Of course, they would not be afraid of life and death. Plus, without thinking, they were not afraid of anything!

Although these weapon spirits don't seem to be particularly strong, they are very difficult to deal with. They are like dog-skin plasters that cannot be shaken off no matter how hard they are!

This makes Zhou Tai and others more and more irritable!

"These evil spirits are really difficult to deal with. Is this sealing rough stone just to seal these evil spirits? Logically speaking, it shouldn't be. Although these evil spirits are numerous in number, their strength is indeed not high."

Chen Ping was very confused as to whether this sealing stone could seal these evil spirits!

"Mr. Chen, we don't care whether this rough sealing stone seals evil spirits, but now our opportunity has indeed arrived."

Ji Lianzhan said with a slight smile.

"Opportunity? What opportunity?" Chen Ping's face was full of doubts!

"Look at the underground area where they are fighting..." Ji Lianzhan pointed!

Chen Ping looked around and found that where Zhou Tai and others were fighting with the evil spirits, there were all kinds of weapons scattered on the ground, including swords, guns, swords, halberds, axes, hooks and forks, and even some hairpins and rings. !

At this time, Chen Ping was a little confused. There was nothing on the ground just now. Why did so many things suddenly appear now?

"Sect Master Ji, what is this???"

Chen Ping asked doubtfully!

Chapter: 5075

“Mr. Chen, these are the evil spirits that have been killed. Only when the evil spirits are killed, their natal treasures will appear. These treasures will become objects without spirit and can be picked up at will.”

“Although these magical weapons were damaged in the ancient war, they are still very valuable here. These are ancient magical weapons.”

“And the more powerful the evil spirit is, the greater the value of the treasure.”

Ji Lianzhan’s eyes sparkled!

Chen Ping glanced at Ji Lianzhan. He was indeed a businessman. He found business opportunities everywhere and wanted to make money!

“Do your best to pick up as many items on the ground as possible!”

After Ji Lianzhan said this to several Feitian Sect disciples, he took the lead and charged forward to kill them!

“kill.....”

Several Feitian Sect disciples also rushed forward, their bodies bursting with spiritual power, and they fought with the evil spirits!

When Zhou Tai saw someone rushing out to help, he was actually a little grateful!

He didn’t know that Ji Lianzhan was not here to help, he was here to make money!

“Mr. Chen...”

Ji Yun didn’t move, even if his father rushed forward, he didn’t move!

Because these evil spirits are not very strong, they will not pose any danger to Ji Lianzhan!

Moreover, during the time that Ji Yun was following Chen Ping, he took a relatively light view of financial interests, unlike his father!

Chen Ping looked at those evil spirits blankly, and suddenly had an idea in his heart!

Now that the sword spirit Zhongli has been injured and has not recovered, Chen Ping is thinking of finding time to go to the Weapon Refining Sect and ask Mr. Jian to help Zhongli recover!

But now it seems that Chen Ping only needs to use the Dragon-Slaying Sword to kill and absorb these evil spirits, and then Zhongli's body can slowly recover!

Although these weapon spirits are affected and become evil spirits due to uncontrolled killing, they are still weapon spirits. As long as Zhongli absorbs enough weapon spirits, Zhongli can slowly recover!

You must know that in the entire world of gods and humans, there are not many people who can possess weapon spirits, and not every ancient divine weapon will have a weapon spirit!

Therefore, it is a rare opportunity to encounter so many weapon spirits and kill them at will!

Thinking of this, Chen Ping did not hesitate, but grabbed the void, grabbed the Dragon Slaying Sword and jumped up!

Ji Yun simply rushed out too!

Chen Ping walked towards a huge evil spirit, and slashed it with the Dragon-Slaying Sword. After all, the bigger the evil spirit was, the more energy it had, which allowed Zhongli to recover faster!

Chapter: 5076

This was Chen Ping's plan, but under Chen Ping's sword, he was touched by the evil spirit's sharp claws, which instantly burst out with huge power, almost causing Chen Ping to lose the dragon-slaying sword in his hand!

"What a powerful force. This evil spirit is not weak..."

Chen Ping felt a little surprised!

The strength of this evil spirit is definitely no less than that of the eighth level of the Fusion Realm. He just tried it, and the strength of the evil spirit was revealed!

After knowing the strength of the evil spirit, Chen Ping felt confident. He swung the dragon-slaying sword forward instantly, and a golden sword light shot into the sky!

Feeling the golden sword light, the evil spirit was extremely frightened. He wanted to dodge but it was too late. He was directly swept by the sword light and let out a scream!

Immediately afterwards, a suction force within the Dragon-Slaying Sword sucked the evil spirit that turned into a mass of black mist into the Dragon-Slaying Sword!

After the evil spirit was sucked into the Dragon-Slaying Sword, a stone hammer suddenly appeared on the originally empty ground.

There are runes carved on the stone hammer, and it is full of cracks. It is obvious that this stone hammer is the natural weapon of the evil spirit just now.

Chen Ping picked up the stone hammer and found that the stone hammer didn't look big, but it was very heavy. Chen Ping had to use force to pick it up!

"No wonder the evil spirit is so powerful..."

Chen Ping looked at the stone hammer in front of him and finally understood why the evil spirit had so much power!

Looking at the runes on the stone hammer and the appearance of cracks, Chen Ping felt a little regretful.

Wow.....

The stone hammer suddenly broke into pieces and scattered all over the ground!

I don't know why, but looking at the broken stone hammer, Chen Ping felt very sad in his heart!

Because he knew what the monks who used this stone hammer went through thousands of years ago to make their weapons look like this!

And he himself may have already lost his soul and disappeared into the long river of history!

"Hey, even if you become an immortal and ascend to heaven, you will still be unable to escape the fate of death!"

Chen Ping sighed.

In the battle between gods and demons, all the monks were at the immortal level. In the end, they were like ants, with countless casualties!

Just when Chen Ping sighed, several more evil spirits rushed over!

Chen Ping held the dragon-slaying sword in his hand and killed them one after another. The weapons of these evil spirits were also broken things. Chen Ping had no interest in them!

After killing several evil spirits in a row, Chen Ping felt that the strength of these evil spirits was a bit low, so the energy was also low. If Zhongli was to recover, he didn't know how many evil spirits he would need to absorb!

Chapter: 5077

Chen Ping looked into the dark hole. Since these evil spirits came out of the hole, there should be something in the hole. Such a huge sealing stone cannot only seal these low-strength evil spirits!

Thinking of this, Chen Ping thought about jumping into the cave to explore, but then suddenly a breath came straight towards Chen Ping!

Whoosh...

Chen Ping only felt a spiritual power fly past behind him, as fast as lightning!

Fortunately, Chen Ping reacted quickly and dodged the blow in a flash!

When Chen Ping turned around and looked around, he found that there were groups of evil spirits all around him. Everyone was fighting with the evil spirits, but no one seemed to move him!

Chen Ping glanced at him. Although he didn't see anyone attacking him, Chen Ping knew that someone must have wanted to sneak attack him, but failed, so he started pretending!

When Chen Ping saw this, he turned around and headed towards the cave!

Whoosh.....

Chen Ping had just turned around, and then another burst of spiritual power shot out. Chen Ping quickly turned around, stretched out a burst of spiritual power with his fingers, and directly collided with the spiritual power wielded by the other party!

This time, Chen Ping saw clearly the guy who did it!

This is Zhou Tai's man. When he got on the ship, Chen Ping had seen him. His strength was at the seventh level of the Fusion Realm!

A servant of the Zhou family is at the same level as Ji Yun. It can be seen that the Zhou family is much stronger than the Feitian Sect!

When the servants of the Zhou family saw that they were discovered, they no longer hid, but walked openly to Chen Ping!

"Zhou Tai asked you to sneak attack on me?" Chen Ping asked the servant of the Zhou family!

"Yes, you deceived our young master, so you must die..."

The Zhou family servant said with a ferocious smile!

Although Chen Ping dodged his two blows, he was not afraid, and there was still a bit of ferocity on his face!

"Want to kill me? But it's impossible for you to kill me on your own."

Chen Ping smiled disdainfully!

"Hmph, you are too confident. You are only at the fifth level of the Fusion Realm. I am at the seventh level of the Fusion Realm. You say I can't kill you?"

"Are you trying to say that even Ye Fengqing couldn't kill you?"

"Don't think we don't know. Ye Fengqing just showed mercy and didn't want to kill you, so he didn't use all his strength."

“If he had used all his strength, you, a little Fusion Realm monk, would have been slapped to death by him.”

Chapter: 5078

“But I won’t be as careless as him. I will never give you a chance to survive...”

After the Zhou family servant finished speaking, he suddenly pulled out a dagger and rushed towards Chen Ping!

Seeing the other party’s confidence, Chen Ping couldn’t help but smile and said: “Ignorance is disrespect for life...”

After saying that, Chen Ping gently held his palm, and a flame suddenly burned in his palm. The flame was so small that it was almost invisible!

But just when Chen Ping swung out the flame in his palm, the invisible flame suddenly burned!

boom!

The flames surged and turned into a sea of fire, covering Chen Ping’s entire body!

At this time, Chen Ping was like a burning man. Even the evil spirits hid far away when they saw him and did not come near at all!

The servants of the Zhou family who rushed towards Chen Ping frowned when they saw this!

“It turns out that you practice fire-based skills, but do you think that you can stop me from killing you? This is simply ridiculous...”

The servants of the Zhou family were not aware of the power of Chen Ping’s flames, and thought it was a normal fire-based technique!

I saw the dagger in the man's hand thrown forward, and with the shock of spiritual power, the thrown dagger turned into countless daggers!

The void cut open by countless daggers headed straight for Chen Ping!

Chen Ping was holding the Dragon-Slaying Sword with a nonchalant look on his face!

Facing a seventh-level Fusion Realm cultivator, it would be a crushing situation for him. Even if he was motionless now, the opponent would not be able to break through his defense at all!

Sure enough, when the countless daggers arrived in front of Chen Ping, they were immediately blocked by the raging flames and turned into nothingness!

You must know that Chen Ping is not an ordinary flame, but the origin of fire perceived by the demon clan Zhihuo!

Such an ordinary weapon could not penetrate the flames and was evaporated in an instant!

When the servants of the Zhou family saw this, their pupils shrank and they looked very surprised!

"If you have any other weapons, feel free to use them. If you can penetrate my wall of fire, you're considered awesome!"

Chen Ping said disdainfully!

The servant of the Zhou family twitched the corner of his mouth and snorted coldly: "Don't be proud, I will let you know how good I am."

After saying that, the servant of the Zhou family lowered his head, then picked it up with his foot, picking up a long rusty knife with chips from the ground!

Obviously, the evil spirit inside the long knife was eliminated, so the long knife appeared!

Chapter: 5079

Chen Ping looked at this guy. He actually wanted to use this ancient weapon that had lost its weapon spirit and was still damaged. It was simply ridiculous!

This ancient long knife is afraid it will break if touched!

I saw the servants of the Zhou family murmuring something, then biting their fingers and drawing on the long knife with blood. It was obvious that they were drawing runes!

When Chen Ping saw this, he didn't expect that this guy was also a spell master and knew all kinds of spells!

As the blood dripped from the long knife, the originally rusty and lifeless long knife seemed to come to life at this moment, with the blade shaking and blooming with light!

Immediately afterwards, the servant of the Zhou family threw the long knife into the air. The long knife instantly turned into a beast, revealing its bloody mouth, and fell from the sky towards Chen Ping!

When Chen Ping saw this, the corner of his mouth curled up, and he wanted to play tricks with him, so Chen Ping would accompany him to the end!

Chen Ping waved his palms, and the flames around him instantly turned into a fire dragon, roaring and charging towards the beast!

When the servants of the Zhou family saw this, their eyes became filled with surprise and uncertainty again!

He didn't expect that Chen Ping also knew the magic, and it seemed that his strength was not inferior to him!

The fire dragon roared and spit out tongues of fire from its mouth in an instant!

And the ferocious beast transformed from the long knife was engulfed by the tongues of flames just once they met, and finally disappeared into ashes, leaving not even a trace!

At this moment, the servants of the Zhou family were a little panicked. They quickly used their hands to pinch the magic formula, and their bodies were wrapped in black mist and started to rotate rapidly.

It looks like he is about to use the phantom spell to escape!

But just when the servants of the Zhou family turned around quickly, thinking that they had escaped from Chen Ping, a voice slowly came from above his head!

“Don’t show off to me like a child like you...”

Chen Ping looked disdainful!

The servant of the Zhou family looked up and saw Chen Ping looking at him. He couldn’t help but said in shock: “You...you...”

But before the servant of the Zhou family could finish speaking, Chen Ping swung his palm down, and a burst of flames instantly enveloped the servant of the Zhou family!

“ah.....”

The servants of the Zhou family screamed!

This week, the servants of the Zhou family kept using the magic formula, and water pillars fell from the sky and fell on themselves, trying to extinguish the fire on their bodies!

But the flame was not affected at all!

Looking at the skills of the servants of the Zhou family, Chen Ping finally understood why this guy was not very strong but Zhou Tai was still with him.

Chapter: 5080

This one technique is considered the best in the world of gods and humans!

It's a pity that he actually wants to kill Chen Ping, so he is destined to die soon!

Chen Ping watched the guy struggling desperately without any change of expression on his face!

In the end, the servants of the Zhou family were burned to ashes by the flames, and even their souls disappeared!

At this time, Chen Ping no longer had any burden on his heart to kill someone!

In the world of gods and humans, there is almost no right or wrong, no good and evil!

Some people just die if they stand in my way...

Chen Ping glanced at the people who were still trembling with the many evil spirits, and then slowly walked towards the dark bottomless pit!

Chen Ping stood at the entrance of the cave and looked around, and found that black mist was rolling inside, and a strong cloud of evil energy was flowing, forming whirlwinds that kept spewing outward!

Moreover, the surrounding air is extremely cold, and the inside of this cave is like an ice cave!

The evil spirits are still pouring out, and the whirlwind they generate causes the void around them to surge!

Chen Ping took a deep breath. He himself didn't know what he would encounter after jumping.

But he knows that opportunities are always accompanied by danger!

If he didn't jump, it might be safe, but he had no way of knowing what was really sealed!

There is no way to encounter a more powerful evil spirit so that Zhongli can recover!

After hesitating for a moment, Chen Ping gritted his teeth and jumped directly into the bottomless pit!

Chen Ping was surrounded by spiritual energy and fell rapidly!

A large number of evil spirits continued to pour upwards. The evil spirits collided with Chen Ping, causing a mess in the cave!

These evil spirits didn't expect that someone would jump in directly. Isn't this looking for death?

However, Chen Ping was protected by spiritual energy and had activated his indestructible golden body. These evil spirits could not harm him at all!

Strange noises began to come from the cave. When the evil spirits outside heard the noise, they stopped fighting one by one and immediately went back into the cave!

The evil spirit suddenly disappeared, making everyone look at each other, wondering what happened!

No one saw Chen Ping jump into the hole!

Ji Lianzhan and his people began to continuously select weapons and various items that were still valuable, and these items could all be converted into money!
