

The Order 511

Chapter: 511

“He is Chen Ping, he is Chen Ping, kill him for me...”

Wei Kunan, who heard the noise, also rushed over. When he saw Chen Ping, he immediately looked panicked and shouted loudly!

The Wei family bodyguards received the order and rushed towards Chen Ping together!

Chen Ping’s eyes narrowed slightly, his body exuded a bloodthirsty murderous aura, and he slowly took down a steel pipe from above!

“die.....”

As soon as the word “death” came out, Chen Ping’s figure disappeared immediately, and then he saw an afterimage, shuttled among the Wei family bodyguards!

Chen Ping has reached the ninth level of Qi training, how can these ordinary bodyguards be Chen Ping’s opponents!

Bang bang bang.....

With a dull sound of blows, Wei Kunan and Jiang Lanfeng only saw a splash of blood. Then they looked at the ground already covered with bodyguards of the Wei family. Each bodyguard was hit on the head with a hard object and then shot. And died!

In just a few minutes, not a single bodyguard was alive, and a thick smell of blood enveloped the Wei family villa!

The blood on the steel pipe in Chen Ping's hand was still falling!

Wei Kunan and Jiang Lanfeng were dumbfounded. Their eyes were full of fear. Looking at Chen Ping's scarlet eyes, they were both scared!

"Today, you are all going to die..."

Chen Ping walked towards Wei Kunan and his wife step by step.

"Boy, don't be arrogant..."

Suddenly, two middle-aged men in training uniforms rushed directly towards Chen Ping and punched him at the same time.

There are two other people protecting Jiang Lanfeng. These four people are the masters left by the Jiang family.

When Chen Ping saw this, he threw away the steel pipe in his hand, waved his fists at the same time, and faced him directly!

"Bang!"

The four punches collided, and the sound of thunder exploded!

Chen Ping's face turned cold and his arms were slightly numb, while the two masters of the Jiang family flew out directly. Their bodies suddenly exploded in mid-air, and their blood and internal organs were scattered all over the ground. It was extremely cruel and bloody!

Chen Ping's attack was a killing move without any reservations. However, when these two men shot at the same time, they were able to make their arms numb slightly. This was considered a real master.

Seeing this situation, Wei Kunan and Jiang Lanfeng were stunned. They knew very well what kind of strength these masters of the Jiang family were, and now they were beaten to death by Chen Ping with one punch.

The faces of the remaining two Jiang family masters became ugly, but they still gritted their teeth and said to Jiang Lanfeng: "Miss, you take my uncle away, we will hold him back!"

Chapter: 512

Jiang Lanfeng nodded and slowly backed away. Before she saw Chen Ping, she cursed Wei Kunan as a waste. But now she began to regret it. If she had known that Chen Ping was so powerful, she would have asked the Jiang family to send more people. coming!

"Want to leave? I told you that you are all going to die!"

After Chen Ping finished speaking, his whole body suddenly turned into an afterimage and rushed towards Wei Kunan and Jiang Lanfeng!

"Stop him!" Jiang Lanfeng ordered loudly!

The two Jiang family masters jumped up. Although they knew they were outmatched, they tried their best to stop Chen Ping!

Chen Ping stretched out his hand and clasped the two people's wrists directly. Then he activated the Heart Condensation Technique, forming a huge vortex in the Dantian. The two Jiang family masters suddenly felt that the strength of their bodies was rapidly draining!

The two Jiang family masters were shocked and wanted to break free from Chen Ping's restraints, but found that they could not break free at all.

In just ten seconds, the two Jiang family masters instantly turned into mummies, their eyes wide open, and they didn't know how they died until they died.

"What...what's going on?"

Wei Kunan was shocked.

"Ghost, you are a ghost, you are not a human, you are not a human..."

Looking at the two Jiang family masters who were like mummies on the ground, Jiang Lanfeng was going crazy.

Chen Ping looked at Wei Kunan and his wife coldly, with no expression on his face.

"Where is the girl you captured?"

Chen Ping asked.

"Female... girl!" Jiang Lanfeng looked horrified, then pointed to a villa and said: "Here, in the room!"

"Take me there!" Chen Ping said coldly.

"Okay, okay, okay..."

Jiang Lanfeng said three good words in a row and was no longer as arrogant and domineering as before!

Wei Kunan and Jiang Lanfeng led Chen Ping tremblingly. At this time, neither of them had any intention of escaping, because they knew that they could not escape at all!

Originally, they thought that they had some skills, and even if they couldn't beat Chen Ping, they could still get past two moves. But now that they saw the scene just now, Wei Kun'an and Jiang Lanfeng all gave up the idea of fighting Chen Ping!

Taking Chen Ping to the room where Gu Yuyao was locked up, Jiang Lanfeng opened the door.

Gu Yuyao, who had been crying, heard the door knock, so she looked up. When she saw Chen Ping, her face suddenly lit up with joy, and her heart instantly filled with hope!

“Chen Ping...”

Chapter: 513

Gu Yuyao rushed towards Chen Ping.

“Thank you for letting you suffer for Yu Qi!”

Seeing Gu Yuyao rushing over, Chen Ping was filled with gratitude.

Jiang Lanfeng was a little confused and didn't know what Chen Ping meant, but he didn't dare to ask.

“Chen Ping, you see, no one is hurt here. Forget what happened today. You just need to let us go and ask for anything you want!”

Wei Kunan followed Chen Ping and begged for mercy with a bitter look on his face.

Chen Ping sneered: "Do you think I will believe you?"

Wei Kunan was stunned for a moment. Before he could react, Chen Ping swung his fist and hit Wei Kunan directly on the head, instantly blowing Wei Kunan's head open.

With Wei Kunan's strength, he couldn't even dodge Chen Ping's punch!

Blood mixed with brain matter splashed directly into Jiang Lanfeng's face.

"you you....."

Jiang Lanfeng looked at Chen Ping with anger in her eyes, but couldn't say a word.

"Don't worry, I know you women like to be beautiful. I won't blow your head off, I will let you die beautifully!"

Chen Ping said looking at Jiang Lanfeng who was still wearing a facial mask.

After saying that, Chen Ping suddenly took action and strangled Jiang Lanfeng's neck!

Jiang Lanfeng struggled desperately, but to no avail, and was strangled to death by Chen Ping in the end!

Looking at the dead Wei Kun'an and Jiang Lanfeng, Chen Ping's face didn't change at all. On the contrary, Gu Yuyao looked frightened, clutching Chen Ping with both hands, and her body was shaking violently!

"There's only one left. Once we're done with it, I'll take you home!"

Chen Ping comforted Gu Yuyao and then walked into the next room!

At this time, Wei Tao was wearing headphones in the room, watching a short video. He had just been aroused, but was put off by Jiang Lanfeng. Now Wei Tao is watching the short video to vent his anger!

When Chen Ping walked into the room, Wei Tao didn't notice it yet and was still looking at his phone attentively!

Chen Ping stepped forward, snatched the mobile phone from Wei Tao's hand, and threw it to the ground!

This startled Wei Tao and he jumped up hastily.

When he saw Chen Ping appearing in his room, he was startled and instinctively wanted to get out of bed and run away!

Chapter: 514

But as soon as his feet hit the ground, he fell down with a thud. He forgot that one of his legs was disabled!

"Chen...Chen Ping, you...how did you get in?"

Wei Tao said with a look of horror.

But Chen Ping ignored him, and his eyes were attracted to a jade pendant on Wei Tao's bedside!

Chen Ping stepped forward and slowly picked up the jade pendant. The jade pendant actually contained spiritual energy!

Chen Ping was overjoyed. He didn't expect that there would be an unexpected surprise on this trip and he would get a treasure!

After putting the jade pendant into his pocket, Chen Ping turned his attention to Wei Tao.

"Chen Ping, you...if you like the jade pendant, take it away, as well as the things in my room. Take whatever you like. If you take it, leave quickly. If my dad and my mom find out, you won't be able to run away at all. !"

Wei Tao knew that the most important thing at this time was to coax Chen Ping away first, otherwise Chen Ping would attack him and he would have no ability to resist at all.

"Your father, your mother?" A sneer appeared on Chen Ping's face, he reached out to lift Wei Tao up, and then walked out directly!

Walking to the next room, Chen Ping threw Wei Tao out: "Your father and mother are both here. I will show my kindness today and let your family die together!"

Wei Tao looked at the corpses of his parents and was suddenly frightened!

"Chen Ping, don't kill me. Just go around me. I'm willing to be your dog from now on. I'm willing to give you the entire Wei family to spare my life!"

Wei Tao cried bitterly and begged.

Seeing Wei Tao like that, Chen Ping also lost interest in torturing him. He picked up Wei Tao with one hand, and then swung at Wei Tao fiercely with the other hand!

Pfft.....

Chen Ping's fist penetrated Wei Tao's body instantly. Wei Tao's eyes widened and he looked down at his chest in disbelief.

Chen Ping pulled out his arm, and Wei Tao's body fell heavily to the ground, blood flowing out instantly!

He simply rinsed his body and then set the whole villa on fire.

Finally, Chen Ping looked at Gu Yuyao and said, "Let's go!"

Gu Yuyao nodded, but just as she took a step, Gu Yuyao's body instantly fell forward!

Seeing such a bloody scene, Gu Yuyao's legs had already become weak and she couldn't walk at all!

When Chen Ping saw this, he could only pick up Gu Yuyao and walk towards the car!

Gu Yuyao tightly hooked Chen Ping's neck with her hands. The current relationship between the two of them and such an intimate move made Gu Yuyao's heart beat faster and her face turned red, but Chen Ping didn't change at all!

Chapter: 515

Gu Yuyao, who was in Chen Ping's arms, quietly moved her head towards Chen Ping's arms. She felt particularly safe and comfortable in Chen Ping's arms.

Glancing at Chen Ping secretly, Gu Yuyao's face turned redder. She unexpectedly found that her mood was changing. She even hoped that Chen Ping was not Su Yuqi's boyfriend, but her own boyfriend, and she was being raped like this. My boyfriend is holding me!

Chen Ping didn't know what Gu Yuyao was thinking, so he put her in the car and rushed back to Yuncheng. Gu Yuyao in the car kept looking at Chen Ping, her eyes full of admiration!

Not long after Chen Ping left, a raging fire broke out in the Wei family, directly burning the entire Wei family beyond recognition. The fire in the Wei family even more disrupted the entire structure of the provincial capital. Soon the provincial capital would be destroyed again. It's a bloody storm!

In Yuncheng, Su Yuqi stayed up all night, he was worried about Chen Ping!

Lin Tianhu urgently dispatched hundreds of people from Hongcheng to Yuncheng, and directly protected the hotel where Su Yuqi was staying. This scared the hotel owner half to death, thinking that he had offended someone!

It wasn't until the sun slowly rose that Chen Ping drove back with the car whose front had already been deformed. Seeing that the car was about to be scrapped, Su Yuqi's heart clenched tightly!

When Chen Ping got off the car, Su Yuqi rushed towards him: "Chen Ping, are you okay? Are you not injured?"

Su Yuqi asked with concern.

"I'm fine. How could a little Wei family get me hurt?" Chen Ping said with a slight smile.

At this time, Gu Yuyao also got out of the car. Seeing Su Yuqi and Chen Ping hugging each other, Gu Yuyao suddenly felt sour in her heart.

"Yu Yao, are you...are you okay?"

When He Zhigang saw that Gu Yuyao had been rescued, he hurriedly stepped forward to hold Gu Yuyao in his arms to comfort her.

Gu Yuyao pushed He Zhigang and did not let him hug her. She just looked at him coldly and said indifferently: "It's okay!"

He Zhigang was stunned, wondering why Gu Yuyao was so cold to him?

"Sister Yuyao, thank you, thank you so much, you saved me..."

Su Yuqi let go of Chen Ping at this time, stepped forward to hug Gu Yuyao, and said with gratitude!

"Silly girl, I am your sister. When there is danger, of course I have to stand in front, and it should be my sister who thanks you..."

Gu Yuyao smiled slightly and glanced at Chen Ping unconsciously!

Su Yuqi looked at Gu Yuyao with confusion on her face, wondering what Gu Yuyao meant and why she wanted to thank herself.

Seeing Su Yuqi's confused look, Gu Yuyao explained: "Sister, I want to thank you for finding such an excellent boyfriend, otherwise I wouldn't be able to come back!"

Gu Yuyao said it in a joking tone, but her inner thoughts were real. Chen Ping's appearance made her finally know what kind of boyfriend she needed.

"Sister Yuyao, don't praise him like that, or you'll make him squeal again!"

Su Yuqi smiled and said!

Chapter: 516

Chen Ping and Gu Yuyao were fine, and everyone relaxed. Su Yuqi's words also made several people laugh.

Chen Ping had been running around continuously for the past two days, and he was indeed a little tired. After saying a few simple words, Chen Ping went to rest. The others also stayed up all night. Now that they are all fine, they went to sleep with peace of mind!

Chen Ping and the others were sound asleep, but the provincial capital turned into a mess!

A fire in the Wei family instantly tensed the nerves of many families in the provincial capital. They all waited to see what happened. The Wei family had a lot of properties in the provincial capital. Now the Wei family is gone, but those properties need someone to take over, so Many families are eyeing this big piece of fat!

Although when Wei Kunan was around, everyone was a brother-in-law, but now that he is gone, these people will immediately turn into hungry wolves, ready to carve up the Wei family at any time!

At this time, the Wei family villa has been surrounded by hundreds of uniformed agents. Unrelated personnel are not allowed to enter, and a cordon has even been set up for several miles around. No one knows what is going on in the Wei family now. Know!

At this time, a middle-aged man in plain clothes with a Chinese character face and a frowning brow covered his mouth and nose with a handkerchief to block the thick smell of blood!

This person is Li Shouyi, the master of the Dharma Protector Pavilion in the provincial capital. The entire provincial capital's public security department is guarded by the Dharma Protector Pavilion. Now that such a big thing is happening, of course he, the master of the Dharma Protector Pavilion, has to be there in person!

“Pavilion Master, after counting, there are a total of forty-eight corpses. However, the corpses are all burnt and cannot be identified. Further screening is needed!”

A very capable girl with a ponytail and uniform walked up to Li Shouyi and said respectfully.

If Chen Ping were here and saw this girl, he would definitely feel familiar, because this girl is very similar to Gu Wentian in some places. This girl is Gu Ling'er, Gu Wentian's granddaughter!

After Gu Wentian retired from the provincial capital, he returned to Hongcheng to retire, while his son and granddaughter were still working in the provincial capital.

“Is there not a single person left alive?” Li Shouyi frowned.

“No, there is no one left alive, and the surveillance video recorder was also taken away, so there is no video data left!”

Gu Ling'er shook his head.

“Ling'er, what do you think about this matter?” Li Shouyi continued to ask.

“This incident was obviously seeking revenge, because many of the Wei family's gold and silver jewelry were not lost, but the murderer's methods were very cruel. Many people were killed by headshots, which shows that they have a deep hatred for the Wei family!”

Gu Linger analyzed it carefully.

“In this case, let's investigate all the people who have enemies with the Wei family!” Li Shouyi sighed: “Hey, I'm afraid there will be chaos in the provincial capital in the future, and our good days will come to an end!”

“Pavilion Master, over at the Jiang family, we...”

Just as Gu Linger was about to say something, she heard a fierce quarrel at the door!

“Get the hell out of here, I’ll kill anyone who fucking stops me!”

The voice is full of murderous intent and anger!

Following the roar, a group of people broke in angrily. A group of agents looked on, but no one dared to stop him!

Chapter: 517

The leader was an old man with a gray beard, his eyes full of anger. Looking at the scene in the Wei family, his eye circles suddenly turned red!

Next to the old man was Jiang Wenjie.

These people are from the Jiang family, and this old man is Jiang Lanfeng’s father, Jiang Zhengzhong. After hearing that something happened to the Wei family, Jiang Zhengzhong immediately brought people over in person.

“Who is it? Who did it? I want to kill all nine of his clans...”

Jiang Zhengzhong’s body was trembling slightly, and his roar could be clearly heard even from miles away. The strength of the Nei Jin Grandmaster was no joke.

“Mr. Jiang...”

When Li Shouyi saw that the Jiang family was coming, he hurriedly greeted them!

“Li Shouyi, how is my sister’s family doing? Do you know who did it?”

When Jiang Wenjie saw Li Shouyi, he immediately asked sharply, showing no respect for Li Shouyi!

Although Li Shouyi was unhappy, he didn’t say anything. He could only say to Jiang Wenjie, “Mr. Jiang, please forgive me. There is no one alive in the Wei family!”

Hearing what Li Shouyi said, Jiang Zhengzhong was shocked and suddenly fell backwards!

“Dad...” Jiang Wenjie hurriedly supported Jiang Zhengzhong.

“Mr. Jiang, my condolences!” Li Shouyi also hurriedly comforted him!

Jiang Zhengzhong’s body was trembling and his eyes were closed tightly. It took him a while to recover!

“I don’t care who did it, I will cut him into pieces!” Jiang Zhengzhong’s eyes were filled with murderous intent, and then he looked at Li Shouyi and said, “Pavilion Master Li, the Jiang family will handle this matter themselves, you take your People, let’s go!”

“Mr. Jiang, this...” Li Shouyi looked embarrassed.

“Wenjie, seeing off guests...”

Jiang Zhengzhong didn’t give Li Shouyi a chance to speak at all!

“How could you do this? If such a big thing happens, it is our Dharma Protector Pavilion who should come forward. How are you going to deal with it yourself?”

Gu Ling'er couldn't stand it anymore and took two steps forward to question Jiang Zhengzhong.

Jiang Zhengzhong frowned, glanced at Gu Ling'er, and then asked, "Who is this little girl?"

"Dad, this is Gu Wentian's granddaughter!" Jiang Wenjie hurriedly replied from the side.

"Hmph, even if your grandfather Gu Wentian is here, would you dare to talk to me with this attitude?"

Jiang Zhengzhong snorted coldly, his face filled with chills!

Chapter: 518

"Mr. Jiang, the young man is ignorant and his words are a bit reckless. I hope Mr. Jiang won't be angry!" Upon seeing this, Li Shouyi hurriedly apologized, and then continued: "Mr. Jiang, the Wei family's funeral affairs still need to be handled by the Jiang family. Now the entire province There are many families in the city who are eyeing the Wei family, Mr. Jiang should spend more energy here, and as for catching the murderer, just leave it to us in the Guardian Pavilion!"

After Jiang Wenjie listened, he also whispered a few words into Jiang Zhengzhong's ear, as if he was talking about something!

Jiang Zhengzhong narrowed his eyes slightly: "Whoever dares to take action against the Wei family is going against my Jiang family. I would like to see that family in the provincial capital dare!"

After saying that, Jiang Zhengzhong's body suddenly erupted with surging murderous aura, and the clothes on his body moved automatically without wind. All the people around him trembled and shuddered!

"I will give you three days to bring the murderer to me within three days. If your Dharma Protector Pavilion has not caught the murderer after three days, I will solve it in my own way!"

Jiang Zhengzhong said coldly to Li Shouyi.

“Three days?” Li Shouyi’s face suddenly showed a look of embarrassment!

“Pavilion Master Li, let me tell you my personal choice now. This matter was probably done by a guy named Chen Ping. He is from Hongcheng. As for the others, you can check it yourself!”

After Jiang Wenjie got the news about the accident in the Wei family, he immediately thought of Chen Ping!

“Chen Ping?” Li Shouyi murmured, then nodded and said, “Thank you Mr. Jiang for reminding me, I’ll go check it out right now!”

Li Shouyi takes the people away, and the Jiang family will handle the rest of the Wei family’s affairs!

“Ling’er, isn’t Gu Gu recuperating in Hongcheng? Ask Gu Gu, who is this Chen Ping? He can destroy the Wei family, but he must not be an ordinary person. Why haven’t I heard of him?”

On the way, Li Shouyi said to Gu Linger.

“Got it!” Gu Ling’er responded casually, but there was a bit of unhappiness on his face!

He was just being scolded by the Jiang family, which made Gu Ling’er feel very unhappy!

Li Shouyi glanced at Gu Ling’er, said nothing, but sighed slightly.

.....

In Yuncheng, Chen Ping slept for a whole day and felt that his body had recovered a lot. He immediately called He Zhigang and asked him to prepare medicinal materials. Chen Ping wanted to use the night to refine a pill for Lin Tianhu, so that Lin Tianhu could Your body will recover as soon as possible!

Because they were all relatively common medicinal materials, He Zhigang prepared a lot of them. After Chen Ping refined the elixir, he asked Lin Tianhu to take it, and also taught Lin Tianhu a set of ordinary mind skills, so that when Lin Tianhu was fine, You can concentrate and refine your body!

Early the next morning, Chen Ping and the others planned to return to Hongcheng. They had been out for several days this time, and they were afraid that Su Wenzong would be worried at home. Why did Chen Ping and Su Yuqi not get married, or even be engaged? Running around like this, it is inevitable that there will be some gossip!

Sisters Gu Yuyao and He Zhigang came to see them off together. It could be seen that sisters Gu Yuyao had a bit of reluctance in their eyes. It was not that they were reluctant to leave Su Yuqi, but they were reluctant to let Chen Ping leave. These two sisters already had Chen Ping in their hearts. shadow!

“Brother He, I will leave the matter of Yuncheng to you. Please pay more attention to the medicinal materials. As long as there are rare medicinal materials, we will get them no matter what the cost. If you are not sure, you can call me!”

Chen Ping patted He Zhigang on the shoulder and said.

“Brother Chen Ping, don’t worry. Now all the medicinal materials in Yuncheng that are over a hundred years old are in the hands of my Renhetang. No one dares to compete with me!”

Chapter: 519

He Zhigang said with confidence.

Chen Ping's arrival in the past few days has made He Zhigang's Renhetang famous. After all, only Renhetang is the agent for Xiaohuandan, and Tongrentang doesn't dare to make money, and other medicine shops don't even dare to go against Renhetang!

After chatting for a few more words, Chen Ping and the others rushed back to Hongcheng!

Back in Hongcheng, Su Yuqi went home directly. She hadn't seen Su Wenzong these days, and Su Yuqi was a little worried. Chen Ping went back to Panlongshan Villa by himself!

"Mom, I'm back. Is the meal ready?"

After entering the door, Chen Ping changed his shoes and shouted instinctively.

No matter how tired he was outside, Chen Ping felt very comfortable as soon as he got home, especially after eating the food cooked by his mother.

Although he knew that Chen Baoguo and Tang Hongying were not his biological parents, Chen Ping didn't feel anything, nor did he feel alienated from his parents!

"mom?"

Chen Ping changed his shoes and saw no one answered, so he shouted, but still no one answered.

"Where did you go? Did you go out again?"

Chen Ping was chattering and walked to the restaurant, only to see a piece of paper on the dining table!

Chen Ping picked it up and found on it a letter written by Tang Hongying to Chen Ping.

Chen Ping: Your dad and I went back to our hometown for a while. You have been busy outside every day recently, but you should also pay attention to your health. There is food in the refrigerator that I have prepared. If you want to eat, you can heat it yourself. Besides, Yuqi is a good girl. You But you can't let them down, otherwise your father and I won't be able to spare you! We are not at home during this period, so you can take Yuqi home and take care of your life, so that Mom can rest assured. Also, Mom wants to have a grandson, so you can take care of it yourself!

Reading Tang Hongying's letter to him, Chen Ping laughed. He knew the reason why his parents returned to their old home, and they just wanted him to take Su Yuqi over to live together. After all, his parents were at home, and it was inconvenient for Su Yuqi to come and live together. It's quite embarrassing to be anonymous!

Chen Ping put the letter away and thought about whether his parents went to live in his hometown. Now that he has offended many people, what dangers might arise if his parents live in Hongcheng!

Chen Ping took out some food from the refrigerator, heated it up and ate it!

After dinner, Chen Ping took out the jade pendant he took out from the Wei family. The jade pendant was dark green and had a very smooth surface. At a glance, it was clear that the quality of the jade pendant was excellent!

After playing with it carefully for a while, Chen Ping suddenly bit his finger and dropped a drop of blood on the jade pendant. Soon the drop of blood was instantly absorbed by the jade pendant!

Seeing this scene, Chen Ping raised a smile on his lips, closed his eyes slightly, held the jade pendant tightly with both hands, and a faint golden light emerged from Chen Ping's hands!

Chen Ping suddenly let go of his hand, and the jade pendant wrapped in golden light was suspended in the air, and on top of the jade pendant, a black streak kept running around!

Behind this black color, there is a blood-red color chasing after it. The entire jade pendant is like a playing field, with two colors, one black and one red, constantly chasing after it!

“break.....”

Suddenly, Chen Ping opened his eyes, and a ray of light burst out from his eyes, shining directly on the jade pendant!

Chapter: 520

Snap.....

The jade pendant suddenly disappeared with golden light, fell from mid-air to the ground, and broke into two halves!

After the jade pendant broke in half, a stream of black-red blood flowed out from it.

Chen Ping picked up the two halves of the jade pendant, wiped the blood on it, and murmured to himself: “What a good thing!”

Holding the two halves of the jade pendant, Chen Ping directly injected spiritual power into the two halves of the jade pendant, and then found a red rope and tied the knot!

“With this jade pendant, I will know immediately if Yuqi is in danger, and I can also protect her from harm!”

Chen Ping smiled lightly and called Su Yuqi!

Each of these incidents made Chen Ping know that no matter how strong he was, he was still too weak to be around Su Yuqi all the time to protect her. Moreover, if there was an emergency, he would not be able to know it immediately!

And after having this jade pendant, it contains his essence and blood, and is also infused with spiritual power. Now the jade pendant is divided into two. Even if he and Su Yuqi are not together, as long as the two of them are wearing jade pendants, they can sense each other. Whenever Su Yuqi encounters danger, Chen Ping will know it immediately.

“What, you just missed me after being separated for a long time?”

Su Yuqi answered Chen Ping’s call and said while still eating.

“Stop being narcissistic. Who missed you? I have something to give you. Come to Panlong Bay Villa!”

Chen Ping said stiffly.

In fact, they miss each other in their hearts, even if they are separated for a minute.

“Hmph, just be brave, what can you give me? Won’t you come to my house and give it to me?”

Su Yuqi smiled lightly.

“You have to come here in person for this thing. Come quickly!”

After Chen Ping finished speaking, he hung up the phone before Su Yuqi could speak!

In fact, Chen Ping had his own purpose in calling Su Yuqi over. He wanted Su Yuqi to know that his parents were not at home, and then he wanted Su Yuqi to stay with him!

“Hmph, this guy dares to hang up on me!”

Su Yuqi pouted, got up, changed some clothes, and drove towards Panlongshan Villa!

After arriving at the place, Su Yuqi tidied up and then walked in with a smile on her face, because she knew that Chen Ping was with his parents. When meeting Chen Ping’s parents, Su Yuqi had to smile and speak respectfully!

But when Su Yuqi walked into the villa, she found that there was no one in the living room, only Chen Ping walked out of the kitchen.

Su Yuqi looked up and down again, seemingly looking for traces of Chen Ping’s parents!
