

The Order 5131

Chapter: 5131

Now Chen Ping is unscathed, but he himself is dying...

What is this thing called?

“Ah...ah...”

Gu Ya was like crazy, yelling.

An ancient monk was driven crazy by Chen Ping...

“Mr. Chen is fine, he is fine...”

Ji Yun looked from a distance and found that Chen Ping was fine, so he couldn't help shouting excitedly!

“Mr. Chen's achievements will definitely be limitless in the future...”

Devil Mountain Ghost Lao said slowly!

So everyone looked at Chen Ping in shock. He actually survived such a terrifying attack!

At this time, Chen Ping looked at Gu Ya who had gone crazy, smiled coldly and said: “It's disrespectful to come back without reciprocating. Since you burned me with fire, then I will burn you too...”

Chen Ping said, a ball of flame rose up in the palm of his hand, and then with a wave, he directly wrapped the bone cliff!

“ah.....”

Bone Ya roared fiercely!

Even if the remnant soul is burned by this fire, it will be very painful!

Amidst the screams, Gu Ya’s remaining soul was completely wiped out, leaving no trace in this world!

After Chen Ping killed Gu Ya, the island beneath his feet trembled, then began to collapse and fell into the sea of ink.

Chen Ping jumped up and let out a long roar!

The surrendered holy turtle appeared instantly, allowing Chen Ping to land steadily on the turtle’s back!

Soon, the island sank, and many heads slowly emerged not far away!

These people are Ye Fengqing, Zhou Tai and others who are comfortably down there, absorbing spiritual power!

The blow just now woke up these people. As the island sank, these people all swam up hard!

When they saw that the island had disappeared, everyone panicked!

Moreover, the spiritual boat also ran out more than ten miles away, so they could only stay in the water!

Chapter: 5132

Although these people are all monks, they can fly in the air. It is a pity that the island has disappeared. They cannot fly above the ink sea. They can only soak in the water or swim to the spirit ship by themselves!

But if a wild beast attacks during this period, then they will become lambs waiting to be slaughtered!

Chen Ping sat on the Holy Turtle and smiled lightly when he saw these monks emerging!

“Fellow Daoist Chen, could you please help us? Can you sit on your holy turtle?”

A monk asked Chen Ping loudly!

“No problem, come up...”

Chen Ping nodded.

Chen Ping’s Holy Turtle is big enough to accommodate eight people, so there’s no problem!

Those monks climbed on the back of the Holy Turtle one by one!

Ye Fengqing and Zhou Tai looked at each other and bravely climbed up towards Chen Ping’s holy turtle!

“Get out of here, who asked you two to come up?”

Chen Ping said to the two of them!

Ye Fengqing and Zhou Tai were stunned for a moment, and then Zhou Tai said: “Chen Ping, don’t go too far. Don’t forget that I got the tickets for you to board the ship.”

“That’s you idiot. You’re soaking in the water and you’re not allowed to climb up!”

Chen Ping said with a faint smile!

This made Zhou Tai so angry that he wanted to eat Chen Ping alive!

“Chen Ping, let us two go up, and I can give you spiritual coins, as much as you want!”

Ye Fengqing also lowered his head at this time.

After all, the sea of ink is unpredictable. If a monster really appears, they will be like fish on the iron plate in the sea of ink, ready to be slaughtered by others!

“I am not short of money...”

Chen Ping smiled coldly, and then asked the Holy Turtle to swim towards the spirit ship!

The huge body of the Holy Turtle created waves, making Zhou Tai and Ye Fengqing dizzy in the water!

Looking at Chen Ping leaving, Ye Fengqing’s face was full of anger: “Ah, when we get ashore, I will make you look good...”

Just when Ye Fengqing roared, he suddenly felt a dangerous aura coming!

Chapter: 5133

Looking back instinctively, Ye Fengqing saw a tiger shark swimming towards the two of them with its bloody mouth open!

When Zhou Tai and Ye Fengqing saw this, they were so frightened that they swam desperately towards the spirit ship!

Chen Ping laughed when he saw the two guys being chased by the tiger shark beast!

However, the spirit ship in the distance spotted Ye Fengqing and hurriedly sailed towards Ye Fengqing!

At the last moment, Ye Fengqing and Zhou Tai climbed onto the spirit ship and escaped the attack of the tiger shark beast!

The two of them were wet and extremely embarrassed!

Chen Ping also sent other monks to the spirit ship!

Ye Fengqing and Zhou Tai looked at Chen Ping coldly, gnashing their teeth with hatred!

If they weren't afraid of destroying the spirit ship, the two of them would really want to do it on the spirit ship!

"Chen Ping, just wait for me, I'm not done with you..."

Ye Fengqing gritted his teeth and said word by word!

"So what if it's not over yet? Do you have the ability to hit me?"

Chen Ping looked provocative!

He is now at the peak of the eighth level of the Fusion Realm. As long as he practices a little bit, it is not difficult to break through to the ninth level of the Fusion Realm!

So he is not afraid of Ye Fengqing at all!

“You don’t have to play harp on the spiritual ship. When it reaches the shore, I will make you pay the price.”

Ye Fengqing said with a murderous look!

Chen Ping snorted disdainfully: “Then I’ll wait for you. Even if you don’t come to me, I will settle the matter with you.”

After Chen Ping finished speaking, he jumped off the spirit boat. Now that he had the Holy Turtle, he no longer had to take the spirit boat!

Gao Qilan, Ji Yun, Ji Lianzhan, Devil Mountain Ghost Lao, Jin Dong, and Luo Xi all jumped on the Holy Turtle!

Then he rode the Holy Turtle and swam all the way to the shore!

“Why.....”

On the turtle’s back, Ji Lianzhan suddenly sighed!

This time, their Feitian Sect suffered heavy losses. More than half of the airship was lost, and most of the sect’s disciples were also lost!

Chapter: 5134

If I want to recover in the future, I’m afraid it will take a long time.

Ji Lianzhan finally worked hard to acquire the Feitian Sect’s family fortune, but he didn’t expect to end up like this in just a few days!

The problem now is that he didn’t even take revenge and just let the person who passed through the Cloud Sect escape!

Not only did the people who passed through the Cloud Sect escape, they also almost died in the Mohai.

This is what makes Ji Lianzhan the most aggrieved!

“Dad, you don’t have to be too sad. As long as we work hard, I believe Feitian Sect can regain its glory.”

Seeing this, Ji Yun walked to Ji Lianzhan’s side and comforted him!

Ji Lianzhan looked at Ji Yun, his face full of relief. Although the Feitian Sect suffered heavy losses, his son had changed a lot, which gave Ji Lianzhan some comfort.

This is also thanks to Chen Ping. After Ji Yun followed Chen Ping, he has grown a lot in both thinking and responsibility. He no longer looks like the playboy he was before!

“Look, what’s in front of you?”

At this time, Jin Dong seemed to have discovered something and shouted loudly!

Chen Ping and the others looked around and found black dots walking through the sea of ink more than ten miles away!

Chen Ping looked closely and instantly discovered that these black dots were actually a person, sitting on the back of the holy turtle, walking through the ink sea!

Chen Ping took a cursory look and found that there were dozens of people, including more than a dozen of the Holy Turtles!

There are four or five people on the back of each holy turtle!

“Chuanyunmen, these are the people who wear Cloudmen...”

Ji Lianzhan looked at it carefully, and then roared angrily!

When Chen Ping heard that the other party was from Chuanyunmen, he immediately rushed towards those people from Chuanyunmen!

Those people from Chuanyunmen also seemed to have discovered Chen Ping and the others. Seeing that there were only a few of Chen Ping and the others, they all surrounded them!

When the people at Chuanyunmen saw clearly the Holy Turtle that Chen Ping and the others were sitting on, they all looked surprised!

Because the Holy Turtle that Chen Ping and the others rode was too big, it was several times bigger than their Holy Turtle!

“Ji Lianzhan, you’re not dead yet?”

At this time, a middle-aged man wearing a black gown and a gentle face asked Ji Lianzhan!

“Qin Lei, you’re not dead yet, how could I die?”

Chapter: 5135

“Now that God lets me meet you, I will definitely let you die without a burial place...”

Ji Lianzhan was filled with anger, with murderous intent in his eyes!

“Hahaha, are you kidding me? Didn’t you realize that you were already surrounded by me?”

“But the holy turtle you tamed is quite big. If you obediently hand over this holy turtle to me, I might consider letting you go.”

Qin Lei smiled coldly!

“Sect Leader Ji, is this the person from Chuanyunmen who conducts sneak attacks and steals business?”

Chen Ping asked Ji Lianzhan!

“Yes, this guy is the deputy sect leader of Chuanyun Sect. I don’t know where they learned the turtle training technique. They have tamed many holy turtles, so they can easily cross the sea of ink and sneak attack on us.”

Ji Lianzhan nodded and said!

“Turtle training technique?” Chen Ping was stunned for a moment, then smiled: “This is a good technique, but I don’t know if their turtle training technique is as good as mine!”

Qin Lei listened to Chen Ping’s words, then looked at Chen Ping and said, “Boy, do you know how to train turtles? Did you tame this holy turtle that you are sitting down on?”

“I tamed him!” Chen Ping said!

“Now you cut off the connection with the Holy Turtle. This Holy Turtle belongs to us...”

Qin Lei said with a very arrogant attitude!

“Belong to you?” Chen Ping smiled: “Are you my son or my grandson? Will it be yours if I say it’s yours?”

“You call me daddy, and I can give you the Holy Turtle...”

Chen Ping's words instantly made Ji Lianzhan laugh!

How come Qin Lei is also the deputy sect leader of Chuanyun Sect, and Chen Ping actually asked someone to call him daddy!

"Mr. Chen, if you have such a big boy, it won't make you look too old."

"I think you should let Miss Gao give birth to a big fat boy for you. You don't want an old man like this to be your son!"

Ji Yun also said jokingly from the side!

"Ji Yun, what are you talking about? Who is going to give birth to a fat boy for him? He has Huofeng and Jiameng, and that Miss Liu, it is not my turn to give birth to a child..."

Although Gao Qilan was shy, there was a bit of resentment in her words!

After all, those girls were all favored by Chen Ping. At that time, Gao Qilan also heard the shouts of several girls, and she was very happy when she heard them!

Chapter: 5136

But she hasn't been touched by Chen Ping yet, how can she not be resentful!

Qin Lei was going crazy at this time. Even if Chen Ping scolded him, others started to treat him as nothing!

"You are still in the mood to flirt and flirt when you are about to die. Today I will let you fend for yourself in this sea of ink..."

After saying that, Qin Lei began to make harsh sounds from his mouth!

After Chen Ping and the others sat down, the Holy Turtle became obviously a little anxious after hearing this sound, and twisted his body desperately!

This is Qin Lei's turtle training technique, which made the holy turtle become anxious!

Chen Ping gently stroked the Holy Turtle's head and slowly calmed the Holy Turtle's emotions!

Qin Lei desperately used the turtle training technique, his forehead was already covered with cold sweat, but he found that the holy turtle that Chen Ping and the others were sitting on was indifferent and quieted down!

"Damn, let's use the turtle training technique together to make this holy turtle surrender to us..."

Qin Lei ordered loudly!

Soon, dozens of people from Chuanyunmen began to perform turtle training techniques, hoping to tame the holy turtle!

A series of harsh and weird sounds kept echoing in the Holy Turtle's ears!

The Holy Turtle began to become anxious again, and its swings became larger and larger, causing Chen Ping and the others to be thrown off!

Upon seeing this, Chen Ping immediately cast the Heart-Cleaning Mantra, and a series of sacred and clear sounds reached the ears of the Holy Turtle!

The Purifying Mantra made Holy Turtle's anxious heart calm down instantly!

No matter how Qin Lei and others used the turtle training technique, the holy turtle that Chen Ping sat down was no longer anxious!

After a while, Qin Lei and others were all sweating profusely, but they could not tame the holy turtle that Chen Ping sat down on!

“It’s a joke that you, with your little ability, want to tame my Holy Turtle.”

“It’s disrespectful to come back without reciprocating. Today I will show you how I tame the Holy Turtle.”

After Chen Ping finished speaking, the power of the dragon in his body exploded instantly, and the dragon crystal on his chest shone with light!

Behind Chen Ping, a vision appeared, and golden light rose into the sky!

Seeing this scene, everyone in Chuanyunmen was shocked!

Soon, a dragon figure slowly appeared in the golden light behind Chen Ping!

With a roar, the golden dragon appeared.

Chapter: 5137

The golden dragon hovered above Chen Ping’s head, making the holy turtles Qin Lei and others were riding on all begin to tremble!

Qin Lei and others looked at the golden dragon in front of them, their eyes widened, and they were stunned!

“go.....”

Chen Ping waved his hand!

The golden dragon roared and spat out a breath of terrifying dragon energy towards Qin Lei and others!

Although these dragon auras could not hurt anyone, the Holy Turtle who was sitting down with the Chuanyun Sect people felt the dragon aura and immediately panicked. He suddenly rolled over and escaped directly into the deep sea!

Everyone in Chuanyunmen fell into the sea of ink. No matter how they shouted, those holy turtles ran away without looking back!

What kind of turtle training technique? In front of this golden dragon, even if the holy turtle's biological father is here, those holy turtles will run away without hesitation!

This is the Golden Dragon, the leader of the dragon clan, the lord of thousands of heads, just a little holy turtle, and he still dares to act wild in front of the Golden Dragon!

Seeing Qin Lei and others falling into the water, Ji Linzhan finally burst out laughing!

If you fall into this sea of ink and there are no spiritual ships around, you will have no choice but to slowly wait to die!

Waiting for the monsters in the ink sea to come and kill them one by one!

This process of waiting for death is more painful than dying directly!

The Chuanyunmen disciples who fell into the water were all panicked, and they were all struggling desperately to climb onto the backs of Chen Ping and his holy turtles!

However, the Holy Turtle gently patted the water and knocked these people away!

Qin Lei also panicked at this moment and hurriedly followed Ji Lianzhan to admit his mistake.

“Zong Master Ji, I was wrong, I was really wrong, please save me, I am willing to return the airship to you, and I will also compensate you, no matter how much the compensation is!”

Qin Lei just wants to survive now, so he can spend whatever money he wants!

But Ji Lianzhan smiled coldly: “Qin Lei, so many disciples of our Feitian Sect have died, can they be bought with money?”

“You deserve this fate today...”

When Qin Lei saw that Ji Lianzhan was indifferent, he could only focus on Chen Ping!

People who can erupt strange phenomena and bring out golden dragons are definitely not ordinary people, so Qin Lei begged for mercy: “Fellow Taoist, dad, please save me, save me, I am willing to give up all my shares in Chuanyunmen. for you.....”

In order to survive, Qin Lei actually started calling Chen Ping daddy!

“I don’t have a big boy like you. You can enjoy yourself here...”

Chapter: 5138

Chen Ping smiled lightly and then commanded the Holy Turtle to swim away!

Just when Chen Ping and the others had walked not far, they heard bursts of screams coming from behind!

Looking back, I found that the people in Chuanyunmen were being chased by monsters in the sea of ink, and large swaths of blood dyed the sea red!

The smell of blood attracted a large number of monsters, and those in Chuanyunmen had no choice but to run for their lives!

But in the sea of ink, how could they escape from the monster's jaws!

The screams gradually disappeared, and dozens of people from Chuanyunmen were all buried in the mouth of the monster!

Looking at the bloody scene, Gao Qilan was a little afraid to look directly. After all, she had never seen such a bloody scene!

Chen Ping had a calm look on his face. In this world of heaven and earth, the law of the jungle is the law of the jungle!

If they weren't so powerful, they would be the ones soaking in the sea of ink and being chased by monsters!

The Holy Turtle swam towards the shore quickly!

At this time, Ye Fengqing and Zhou Tai were already on the shore, and behind them, there were hundreds of people!

In addition to those from the Demon Sealing Alliance, these people also included people from the Zhou family, as well as a large number of other monks who were bewitched by Ye Fengqing. Ye Fengqing summoned these monks on the pretext of killing the demons.

In fact, they wanted to intercept and kill Chen Ping on the shore. Now that Chen Ping is with Jin Dong and Luo Xi, these two people are demons, so he can call Chen Ping a demon cultivator.

Chen Ping made them embarrassed and lost their lives. No matter Ye Fengqing or Zhou Tai, they would not let Chen Ping go!

As soon as they docked, they gathered their men and waited quietly for Chen Ping!

Although there are many masters around Chen Ping, such as Ji Lianzhan and Demon Mountain Ghost Lao, who are all masters of the Tribulation Realm, Ye Fengqing's Demon Sealing Alliance also brought several masters of the Tribulation Realm!

There is also the Zhou family. Zhou Tai directly invited all the elders from the family to the Tribulation Realm. You must know that the status of these elders in the Zhou family does not need to be lower than that of the eldest young master of the Zhou family!

Zhou Tai also spent a lot of time to invite these elders!

In this way, the Zhou family and the Demon-Sealing Alliance's branches will unite, and their strength will far exceed that of Chen Ping!

If Chen Ping didn't deal with those people at Chuanyunmen and wasted some time, he might have been able to leave early. I'm afraid it would be difficult to leave now!

"Damn it, why aren't you here? This guy couldn't have escaped somewhere else on the Holy Turtle, right?"

Zhou Tai looked at Mo Hai and found that there was no sign of Chen Ping or the others, so he said!

"I'll take people on a spirit boat to take a look. If this guy dares to run away from another place, I'll use the spirit boat to force him ashore."

After Ye Fengqing finished speaking, he took several masters from the Demon Sealing Alliance and boarded the spirit ship!

Chapter: 5139

"Sail the boat and find me the boy named Chen Ping. If that boy wants to escape somewhere else while sitting on the Holy Turtle, hit him with the spirit boat."

Ye Fengqing went up to the spirit boat and said to a staff member wearing a Bagua robe!

When the staff member saw that Ye Fengqing was going to deal with Chen Ping, he couldn't help but look ugly and said: "Master Ye, I...I think you should not provoke Chen Ping. That guy is not someone you can afford to provoke." ."

When Ye Fengqing heard this, he immediately became angry and slapped the staff member hard!

He is a strong person in the Tribulation Realm. How could he not be a match for Chen Ping, a monk in the Fusion Realm?

Even if Chen Ping's strength improved very quickly this time, from the fifth level of the Fusion Realm to the eighth level, he was still in the Fusion Realm. How could he compete with the masters who followed him through the Tribulation Realm?

"Damn it, what are you talking about? I am a master in the Tribulation Realm, but I am still afraid of a young monk in the Fusion Realm?"

"And our Demon Sealing Alliance, when have we ever been afraid? How capable is he that I can't afford to offend him?"

Ye Fengqing yelled at the staff member fiercely!

The staff member covered his face and said with an aggrieved look: "Master Ye, although Chen Ping is a Fusion Realm monk, the strength he has shown cannot be compared to the average Tribulation Realm strongman."

"I saw with my own eyes that he controlled the Thunder Tribulation and killed a silver-feathered eagle. He also fought alone and defeated the remnant soul of a man-eating ancient monk."

"That scene was simply earth-shattering. The disappearance of the island was caused by Chen Ping fighting with the remnant soul of the ancient monk."

The staff on the spirit boat witnessed Chen Ping's power with their own eyes. How dare he go against Chen Ping now?

“What the hell are you farting? Do you think I’m stupid? That kid is just a Fusion Realm monk. He’s so awesome. How much better can he be?”

“You’re still fighting with the ancient monks. Why don’t you talk about the fight between dragon and tiger?”

Ye Fengqing didn’t believe what the staff member said!

In his opinion, it is impossible for monks in the Fusion Realm to be more powerful than those in the Tribulation Realm.

“Yes, it’s a dragon-tiger fight. Then Chen Ping summoned a golden dragon and killed more than 80 tigers on the opponent’s side.”

“That’s a golden dragon. It’s the first time I’ve seen a golden dragon. Its eyes are as big as a water tank.”

The staff was gesticulating!

At this time, Ye Fengqing’s face was already red with anger, and he immediately slapped the staff member’s head in the face!

The body flew straight into the sea of ink!

“Damn it, you dare to play tricks on me, you are looking for death...”

Ye Fengqing spat hard!

Chapter: 5140

He thought the staff member was teasing him and summoning a golden dragon, which was nonsense!

Ye Fengqing slapped the staff member to death. The other staff members were so frightened that they were trembling. Even though what they said was true, none of them dared to speak!

“Go and sail the boat for me. If anyone dares to talk nonsense again, I will shoot him to death...”

Ye Fengqing yelled at the rest of the staff!

The staff members all lowered their heads, but no one dared to sail the boat!

If they really set sail to find Chen Ping, then none of them will come back alive!

Chen Ping shocked them so deeply!

Especially the moment the golden dragon appeared, Chen Ping was like a god descending to earth. How could ants like them dare to provoke a god?

When Ye Fengqing saw that no staff moved, he was stunned for a moment. You must know that this has never happened before!

“I asked you to sail the boat, can’t you hear me?”

Ye Fengqing roared angrily again!

But the staff members remained motionless, with their heads lowered, as if waiting for trial!

They would rather be beaten to death by Ye Fengqing than face Chen Ping and go against Chen Ping!

When the time comes, I’m afraid he will die miserably!

“ah.....”

Ye Fengqing became anxious and suddenly slapped a palm!

The strong wind howled and instantly knocked a staff member away. His body exploded in mid-air and turned into a ball of blood mist!

“I order you now to sail the boat for me immediately...”

“Otherwise, you will all be like him!” Ye Fengqing threatened these staff members!

But even with such a threat, the staff remained motionless and no one went to sail the boat!

“Ah...ah...ah...”

Ye Feng was so excited that he began to spin around on the boat!

In front of so many people, he, the helmsman of the Demon-Sealing Alliance, was actually provoked by the lowest-level captain!

This simply made Ye Fengqing furious!
