

The Order 5141

Chapter: 5141

All the aura on Ye Fengqing's body burst out, and terrifying auras surrounded Ye Fengqing's body!

The originally calm sea of ink began to surge with huge waves, lapping at the shore!

"If you dare to challenge my majesty, I will kill you all..."

Ye Fengqing went crazy and wanted to kill all the staff!

"Captain, calm down, so many people are watching, and the Chen Ping you mentioned seems to have already arrived!"

At this time, a master of the Tribulation Realm who was at the helm of the Demon Sealing Alliance walked up to Ye Fengqing and whispered in Ye Fengqing's ear!

After Ye Fengqing heard this, he looked up and saw Chen Ping and others from a distance, sitting on a holy turtle and slowly approaching!

Seeing Chen Ping and others coming, Ye Fengqing put away his outburst, then looked at the staff coldly and said: "I will settle accounts with you later..."

After saying that, Ye Fengqing led the people back to the shore, waiting for Chen Ping to come ashore!

"Mr. Chen, look at those people on the shore. They must be Ye Fengqing and Zhou Tai. They are probably going to be detrimental to you!"

Ji Yun saw from a distance that the shore was crowded with people, so he reminded Chen Ping!

“These two guys are so frustrated that they will definitely not give up.”

“Whether it’s the Demon Sealing Alliance’s sub-rudder or the Zhou family, they are not weak in strength. How about we change the direction and go ashore from other places?”

Ji Lianzhan looked at the people on the shore and said!

“No need, the soldiers will cover up the water and the earth. It’s a blessing, not a disaster. It’s a disaster that cannot be avoided...”

Chen Ping looked calm!

After being promoted to the peak of the eighth level of the Fusion Realm, Chen Ping’s mentality also changed a lot!

Nowadays, Chen Ping doesn’t pay attention to the newly promoted monks who are in the Tribulation Realm!

“Mr. Chen, don’t worry. No matter what, I will always protect Mr. Chen.”

Devil Mountain Ghost Lao said firmly!

“Mr. Chen, I think junior sister and I can go down from here. We have reached the shore now, and the two of us can swim up.”

“Now that the identities of our two demons have been exposed, if we are with you, we will implicate you.”

“The Demon Feng Alliance and the Zhou family will definitely use this as an excuse to cause trouble for you.”

Jin Dong followed Chen Ping and said!

Chapter: 5142

“You two just stay well and don’t think about it so much.”

“What can happen to the demons? There are good and bad demons, and there are also those treacherous villains in the human race. I will never judge a person based on his race.”

“When I encounter those demonic cultivators with good intentions, should I help them? When I encounter those evil human cultivators, should I kill them.”

“I will not be swayed by the public consciousness of the world of gods and humans.”

Chen Ping comforted Jin Dong!

Chen Ping’s words moved Jin Dong and Luo Xi so much that they almost cried!

After all, their demons are hiding around in the world of heaven and earth, hiding their identities, just like rats crossing the street!

Although they are demons, they have never done anything bad, and they have always been taught to be generous and kind!

Even when Luo Xi was suffering from hemophilia, Jin Dong would always donate his own blood to relieve Luo Xi’s pain. He never thought of arresting anyone else for bloodletting!

The eyes of Devil Mountain Ghost Lao are full of respect and admiration for Chen Ping!

“Mr. Chen is right. In fact, the demon clan should have corrected its name a long time ago. Not all demon clan are heinous.”

“Some of the human monks are worse than animals.”

Ji Yun also agrees with Chen Ping’s statement!

During this period of following Chen Ping, Ji Yun’s thoughts were subtly affected by Chen Ping’s changes!

Even Ji Lianzhan is starting to change!

Although Ji Lienhan would not take the initiative to hunt down demon cultivators in the past, he never allowed demon cultivators to ride on his own airship!

I still have colored glasses when it comes to magic cultivators!

But this time, Ji Lianzhan’s views on demon cultivators are slowly changing!

Soon, the Holy Turtle swam to the shore. After Chen Ping and others landed, the Holy Turtle made a whining sound from its mouth!

Chen Ping knew that this was the Holy Turtle following him to say goodbye!

After the Holy Turtle surrendered, Chen Ping had a spiritual connection with the Holy Turtle. As long as Chen Ping needed the Holy Turtle, the Holy Turtle would be able to sense it immediately!

Now that Chen Ping is ashore, there is no need for this holy turtle!

Chen Ping touched the Holy Turtle’s head, patted it gently and said: “Let’s go, if necessary, I’m calling you...”

The Holy Turtle nodded in response, then turned around and swam away!

Chapter: 5143

After the Holy Turtle wandered away, Chen Ping led Ji Yun and the others towards Ye Fengqing, Zhou Tai and others!

Although there were hundreds of people on the other side, Chen Ping didn't panic at all!

However, Ji Yun, Jin Dong and others were all on alert and had their hands on their weapons!

Seeing Chen Ping and others coming over, Ye Fengqing's lips curled up into a sneer, and Zhou Tai looked directly at Gao Qilan.

Now as long as Chen Ping is killed, Gao Qilan will be his!

This guy has never given up on Gao Qilan, otherwise he wouldn't want to kill Chen Ping!

Just after Chen Ping and the others walked in front of Ye Fengqing, Ye Fengqing glanced at them, and then turned his attention to Devil Shan Guilao and Ji Lianchan!

"Old Ghost, we, the Demon Sealing Alliance, have been ordered to capture the demon cultivators again. We hope you will not get involved and leave immediately!"

"And Sect Master Ji, your Feitian Sect has always been doing business to make money, so I hope you won't take a trip into this muddy water."

Ye Fengqing said to the two of them!

"Master Ye, do we have any magic cultivators here?"

Ji Lianzhan asked!

“Of course, these two people are demon cultivators. We all saw them when we were on the island.”

“Now Chen Ping is colluding with the demon cultivator, so I advise you to stay away from him!”

Ye Fengqing pointed at Jin Dong and Luo Xi and said!

“Yes, we have all seen it, these two guys are demon cultivators.”

Zhou Tai echoed from the side!

There are also several monks who only recognize Jin Dong and Luo Xi as demon cultivators!

“They are demon cultivators, so what? Even if they are demon cultivators, do they deserve to die?”

“Although they are demonic cultivators, they have never harmed anyone. However, under the banner of suppressing demonic cultivators, you, the Demonic Alliance, have raised a large number of demonic cultivators for your use, dreaming of ruling the entire heaven and human world.”

“Speaking of which, your Demon Sealing Alliance is scarier than these demon cultivators!”

Chen Ping looked at Ye Fengqing coldly and said!

Ye Fengqing’s expression suddenly changed, and he looked at Chen Ping with surprise in his eyes!

You know, this is the secret of their Demon Sealing Alliance. Only the top management of the entire Demon Sealing Alliance knows this secret, and the people below the Demon Sealing Alliance don’t know it at all!

Chapter: 5144

Now Chen Ping actually knows that the Demon Sealing Alliance keeps demon cultivators in captivity and does not kill all the demon cultivators. This makes Ye Fengqing a little surprised!

But it was only a brief surprise, and then Ye Fengqing laughed loudly and said: “What are you talking about? Why can’t I understand? You said that our Demon Sealing Alliance keeps demon cultivators in captivity, which is a big joke.”

“Who doesn’t know that we in the Demon Sealing Alliance take it as our duty to eliminate demons and defend the Way? If we follow the demon cultivators as if we were inseparable, how could we possibly keep the demon cultivators in captivity?”

“You, on the other hand, are always defending these two demon cultivators. What are your intentions?”

Ye Fengqing is not afraid that Chen Ping will tell the secret of the Demon Sealing Alliance, because no one will believe it!

After all, the Demon-Sealing Alliance has existed for so many years and has grown little by little. It is all because of the Demon-Sealing Alliance’s ruthless methods against demon cultivators that many people have voluntarily joined the Demon-Sealing Alliance.

Now it is said that the Demon Sealing Alliance and the demon cultivators are in the same group, and they also keep the demon cultivators in captivity. How can anyone believe it?

“I don’t have any intentions, but as long as I’m still here, neither of them can move.”

Chen Ping’s face was calm, as if these hundreds of monks were not in his eyes at all!

Hearing Chen Ping’s words, Ye Fengqing’s smile became even brighter. In this way, Chen Ping completely pushed himself against the other monks!

Openly defending demonic cultivators is not allowed in the world of heaven and humans. It is a taboo!

“Fellow Taoists, you must have heard that Chen Ping defended demonic cultivators in public. He is obviously following all of us cultivators as enemies.”

“Today, I, the Demon Sealing Alliance, will eliminate demons to protect the way and destroy demon cultivators. If anyone dares to stop them, they will be eliminated together.”

“I also hope that all fellow Taoists can join us in the Demon Sealing Alliance to eradicate all demon cultivators!”

Ye Fengqing flashed those monks who were fooled!

“Eradicate the demonic cultivators, eradicate the demonic cultivators...”

Hundreds of monks raised their arms in anger!

The sound was so loud that it was scary enough even with its slight momentum!

Looking at the hundreds of people raising their arms and shouting, Jin Dong and Luo Xi’s faces were full of nervousness, but after looking at each other, they still stepped out!

“The two of us are demon cultivators. This has nothing to do with Mr. Chen. What you want to deal with is the two of us, so just attack the two of us.”

Jin Dong looked at Ye Fengqing and said!

Although Jin Dong and Luo Xi were scared, they didn’t want Chen Ping to take risks for themselves!

“You two get back...”

Chen Ping said to Jin Dong and Luo Xi!

Chapter: 5145

“Mr. Chen, we appreciate your kindness, but today...”

“You guys come back. Even if you two sacrifice yourself voluntarily, they won’t let me go. As for colluding with the demon cultivator, it’s just an excuse.”

“What’s more, they are all a bunch of rabble, there is nothing to be afraid of!”

Chen Ping said slowly!

Seeing Chen Ping’s confident look, Jin Dong and Luo Xi slowly retreated!

Ye Fengqing, on the other hand, said with a ferocious look on his face: “Chen Ping, you, a small Fusion Realm monk, dare to laugh at us as a mob.”

“You are too arrogant. I can’t kill you on the ink sea, but now on the shore, I can kill you in a hundred ways!”

“Really? Then try...”

Chen Ping said with a provocative look!

Ye Fengqing looked at Chen Ping’s indifferent expression, and for some reason, he suddenly had a bad feeling!

I think of what the staff member said just now and the attitudes of other staff members!

Then when I thought about the time when I was on the island, Chen Ping lured away the silver-feathered eagle, and now Chen Ping’s fearless demeanor!

Ye Fengqing was really afraid that Chen Ping would have some special skills, such as summoning a golden dragon. In that case, he would be in danger!

“Hmph, if you unite with the demon cultivators, everyone will kill you. Even if I don’t take action, these people can still skin you.”

After Ye Fengqing finished speaking, he looked at Demon Mountain Gui Lao and Ji Lianzhan and said, “Please Gui Lao and Ji Sect Leader leave immediately and don’t get entangled with the demon cultivators, otherwise a fight will start and you will be implicated!”

“Ye Fengqing, stop talking nonsense. I am also a demon cultivator. Why don’t you do something to me? You bully the weak and fear the strong. Now I admit that I am a demon cultivator. Come on me.”

The Demon Mountain Ghost Old Man tore off his black robe and said with a fierce look on his face!

Ye Fengqing’s face turned red. In fact, he had known the identity of Demonic Mountain Ghost Elder and Demonic Cultivator for a long time. However, due to Demonic Mountain Ghost Elder’s strength, he pretended not to see it and did not provoke Demonic Mountain Ghost Elder!

He didn’t expect that Demon Mountain Ghost Elder would actually admit it in person, and even expose him in public and slap him in the face!

“Old Demon Mountain Ghost, what are you talking about? I didn’t expect that you are also a demon cultivator. You have hidden yourself too deeply. Since you are also a demon cultivator, don’t even think about leaving today.”

Ye Fengqing said pretentiously!

“I have no intention of leaving. If you dare to touch a hair of Mr. Chen, I will try my best to cultivate myself. Even if we die together, I will hold you all on my back.”

The demonic mountain ghost old man had a ferocious look on his face, and the demonic aura erupted from his body without concealing it at all. He had a desperate attitude!

This frightened many monks, and many of them came to join in the fun and catch the demonic cultivators.

Chapter: 5146

Who would have thought that a great demon cultivator like Demon Shan Gui Lao, who has transcended the tribulation realm, is planning to die together before he even takes action!

Who can bear this?

Many monks retreated quietly, fearing that they would be implicated when the demon mountain ghost died!

The world of gods and humans is a place where the weak prey on the strong, so how can these monks work together!

They all have their own mentality!

Ye Fengqing was also shocked when he saw that Devil Mountain Ghost planned to die together before he took action!

He didn't understand what benefits Chen Ping had given Demon Mountain Ghost Lao, and it was worth making Demon Mountain Ghost Lao fight for his life!

"Sect Master Ji, do you, the Feitian Sect, also want to get involved with the demon cultivators?"

Ye Fengqing asked!

"I can mingle with whomever I please. What do you think you are, and you still care about me?"

"You know better than anyone else what your Demon Sealing Alliance is."

"If you dare to attack Mr. Chen today, I, Ji Lianzhan, will spend all my family property in the Feitian Sect and fight to the end."

“In the worst case, we will all die here, and no one will fucking survive...”

After Ji Lianzhan finished speaking, the aura of transcending the tribulation realm burst out instantly!

When many monks saw that Ji Lianzhan was going to die together, they all dispersed in an instant. Half of the hundreds of monks left at once!

Many of them are not members of the Demon Sealing Alliance, nor are they members of the Zhou family, so who would fight with them!

Seeing that Ji Lianzhan was going to die together, Ye Fengqing suddenly felt a little dizzy!

He never expected that these people would defend Chen Ping so much!

Originally, Ye Fengqing was thinking of letting people swarm up and take care of Chen Ping!

Even if Chen Ping could really summon a golden dragon, facing so many people, each person would drown him with just a spit of spit!

But in this situation, half of the people have fled before the fight even starts!

In a swarm, if they get really anxious, Devil Shan Gui Lao and Ji Lian Zhan will all die together, and then his role as the helmsman of the Demon Sealing Alliance will be over!

Zhou Tai was also looking embarrassed and trembling at the side!

He finally coaxed and deceived several tribulation masters from the Zhou family to come here!

Chapter: 5147

If this is all done here, and it's for a woman, his father will definitely peel off his skin when he goes back!

The Zhou family has such prestige and strength in this area, thanks to several masters of the Tribulation Realm!

If all these masters die, the Zhou family will be trampled under their feet in minutes!

"Chen Ping, if you have the ability to challenge me, do you dare?"

"If you win, I can let these demon cultivators live."

Ye Fengqing knew that group fights would not work, so he wanted to challenge Chen Ping to a duel!

After all, he is in the Tribulation Realm, and Chen Ping is only in the Fusion Realm. There is a huge difference in strength, and the difference in strength is huge!

Ye Fengqing didn't believe that Chen Ping could beat him!

Chen Ping glanced at Ye Fengqing, his eyes filled with disdain: "You're going to fight me yourself?"

"Why, I'm not enough?" Ye Fengqing was stunned!

"It's better to let you and the others from the Demon Sealing Alliance come together. If it's just you, I won't even have the desire to take action!"

Chen Ping said calmly!

When Ye Fengqing heard this, he became furious and said: "What are you bragging about? Just come if you have the ability. I can deal with you, a Fusion Realm monk, by myself, which is more than enough."

Chen Ping saw that Ye Fengqing was determined to follow and fight alone, so he waved his hand and said: "Then do it..."

"What? If I, a monk in the Tribulation Realm, strike first against you, a monk in the Fusion Realm, wouldn't I be laughed at? It's better for you to strike first."

Ye Feng said with a cold smile!

"If I take action, you won't have a chance to take action!" After Chen Ping finished speaking, he raised his eyelids slightly and glanced at Ye Fengqing without any fluctuation in his eyes!

Buzz.....

The next second, the violent dragon power, like a golden dragon, instantly rose from Chen Ping's head into the sky!

The dragon crystal on Chen Ping's chest was shining with dazzling light!

The power of the rolling dragon filled Chen Ping's body!

A terrifying force is constantly erupting!

The ground under Chen Ping's feet began to collapse, and Chen Ping's figure instantly turned into an afterimage and shot out!

The terrifying sonic boom sounded like thunder!

Chapter: 5148

Chen Ping took action, fiercely and ruthlessly, without any hesitation, and at an extremely fast speed!

In an instant, Chen Ping's virtual figure appeared in front of Ye Fengqing. At this time, Ye Fengqing just came back to his senses and immediately shouted loudly, and the breath in his body also exploded instantly!

"Hmph, you don't know how to live or die, I will let you know how powerful I am!"

Ye Fengqing's face was gloomy, and while his breath was whistling, it was condensed on his fist, and he punched out hard!

With this punch, Ye Fengqing also used all his strength, and his strong aura showed all the power of the Tribulation Realm!

Regardless of whether Chen Ping really has such abnormal strength as the staff member said, Ye Fengqing would not dare to underestimate the enemy casually!

So, he just tried his best!

Ye Fengqing was very confident that with his full punch, he would definitely be able to defeat Chen Ping!

call!

Chen Ping also punched, and the void exploded under this punch!

Two fists containing extremely powerful aura collided head-on without any moves!

boom!

At the moment of the collision, with the two people in the center, the aftermath spread to the surroundings, the surrounding ground began to tremble, and the wind was strong!

People around him moved backwards to avoid the horrific aftermath!

The moment the two people's fists came into contact, Ye Fengqing's expression changed instantly, because he felt the violent power of the dragon under Chen Ping's punch, like a flood, with a destructive force, enough to destroy everything in front of him. everything!

The breath that shocked the soul was far beyond Ye Fengqing's expectations!

"How could this happen? This is impossible..."

Ye Fengqing was horrified, and his eyes were full of shock and disbelief. He could not imagine that the aura erupted by a monk in the Fusion Realm was actually stronger than him in the Tribulation Realm!

You know, he tried his best and unleashed all the breath in his body without any reservation!

Even so, Chen Ping's aura can crush him instantly, which proves that Chen Ping's true strength cannot be in the Fusion Realm.

Just when Ye Fengqing was horrified, the power of the dragon in Chen Ping's body was still erupting. The breath that Ye Fengqing erupted was instantly defeated by the power of the dragon!

When Ye Fengqing's breath was completely defeated, he felt an extremely violent force hitting his heart!

Ye Fengqing's body instantly flew backwards, directly flying hundreds of meters, and then fell heavily to the ground. His whole body was embedded in the ground, and he didn't know whether he was alive or dead!

The fight between two people only happened in a split second!

Chapter: 5149

When Ye Fengqing was knocked away, many people around him didn't realize what was going on!

Some people saw figures being knocked away, and some even mistakenly thought it was Chen Ping who was knocked away!

After all, it is reasonable for Chen Ping, a Fusion Realm monk to be directly knocked away when competing with a Tribulation Realm monk!

However, when they saw that the person who was knocked away was Ye Fengqing, all of them opened their mouths and were so shocked that they were speechless!

Especially those masters brought by Zhou Tai!

Everyone's eyes were full of disbelief.

However, the faces of the monks who had seen Chen Ping kill the Silver Feathered Eagle and the Bone Cliff did not change at all, because they already knew the result from the beginning!

Chen Ping's demonstrated strength had already convinced them, otherwise the staff on the spirit ship would not have risked being killed and would not have sailed the spirit ship to find Chen Ping.

Chen Ping slowly retracted his fist, and then turned his attention to Zhou Tai!

"Do you want to compete with me too?"

When Chen Ping's voice slowly sounded, many shocked monks woke up!

Zhou Tai looked at Ye Fengqing, whose life and death were unknown, and his whole head was buzzing!

Ye Fengqing, a monk in the Tribulation Realm, was punched away by Chen Ping. His life or death is unknown?

It's really off the mark!

And the elders of the Demon Sealing Alliance opened their mouths one by one, not knowing what to say!

Zhou Taize's Adam's apple rolled and he didn't dare to look directly at Chen Ping!

For a moment, no one dared to look at Chen Ping, and no one dared to speak!

"Cough cough cough....."

A cough sounded, and it came from Ye Fengqing, proving that he was not dead yet!

Seeing that Ye Fengqing was not dead, several disciples from the Demon Sealing Alliance immediately went over and helped Ye Fengqing up!

Ye Fengqing's face was pale, his chest was completely sunken, and he looked extremely weak, as if he might die at any time!

The disciples of the Demon Sealing Alliance helped Ye Fengqing over!

Ye Fengqing looked at Chen Ping with confusion and anger in his eyes!

"Kill him, kill him together for me..."

Chapter: 5150

Ye Fengqing used all his strength and roared out!

After roaring, he spat out a mouthful of blood and became even weaker!

After hearing Ye Fengqing's order, the four elders of the Demon Sealing Alliance could only put up their posture and stand in front of Chen Ping!

The four people faced Chen Ping alone, but there was a strong look of fear in their eyes, and there was no longer the disdain and contempt before the start!

Ji Lianzhan and Demon Mountain Ghost Elder saw the four elders of the Demon Sealing Alliance dealing with Chen Ping, and they immediately stood by Chen Ping's side!

Although there are four elders in the Tribulation Realm, the three of them don't need to be afraid at all. After all, these four Tribulation Realm elders are only at the first or second level of the Tribulation Realm, and they can completely handle it!

Seeing Ji Lianzhan and Demon Mountain Ghost Lao stand up and stand together with Chen Ping, the faces of the four elders of the Demon Sealing Alliance became extremely ugly!

The four of them against Chen Ping and the three of them would only get beaten and had no chance of winning!

Seeing this situation, Ye Fengqing also knew that his elders had no chance of winning, so he looked at Zhou Tai and said, "Zhou Tai, why don't you let the masters of your Zhou family take action?"

"Master Ye, this is a matter for your Demon Sealing Alliance to follow Chen Ping. It has nothing to do with my Zhou family. Moreover, eradicating the demon cultivators is also a matter for your Demon Sealing Alliance. I will not interfere with it."

Zhou Tai quickly shook his head. Chen Ping had just punched Ye Fengqing away, which scared Zhou Tai!

"You..." Ye Fengqing was so angry at Zhou Tai's words that his liver hurt. He glared at Zhou Tai and said, "If you don't get involved, then what are you doing with your Zhou family's masters in the Tribulation Realm?"

"Isn't it okay for me to bring people to watch the fun? Is it illegal to watch the fun?"

Zhou Tai looked at Ye Fengqing's desperate look and was no longer afraid of him!

puff.....

Ye Fengqing was so angry with Zhou Tai that he spat out another mouthful of blood!

“Chen Ping, I just brought people to watch the excitement. I have no intention of competing with you. If I say harsh words to you on the spiritual ship, just think of it as my fart.”

After Zhou Tai finished speaking, he led the masters of the Zhou family to escape the tribulation realm and retreated, and stood together with the other monks!

The casual cultivators who originally wanted to follow the Demon Sealing Alliance to eliminate demons and defend the Way, saw Zhou Taidu retreating with his men, and they all retreated!

Of the more than a hundred people summoned, only a dozen people from the Demon Sealing Alliance were left, facing Chen Ping and the others!

Chen Ping looked at Zhou Tai's attitude and smiled helplessly. This Zhou Tai didn't seem to be a pure fool. He also knew how to assess the situation quickly, especially the attitude of lowering his head.

Chen Ping knows that in the world of heaven and man, strength is the most important thing!

If he hadn't shown such strong strength today, I believe that more than a hundred people would have swarmed up and killed them all!

Ye Fengqing was a little dumbfounded at this time. With just a few people from the Demon Sealing Alliance, how could he possibly outdo Chen Ping and the others!
