

The Order 5151

Chapter: 5151

You must know that Demon Mountain Gui Lao is a third-level monk in the Tribulation Realm, and his strength is the highest among these people!

Ji Lianzhan is also a master of the Tribulation Realm. Although Chen Ping looks like he is in the Fusion Realm, his real strength is probably higher than the third level of the Tribulation Realm!

What's more, there are people like Jin Dong, Luo Xi, Ji Yun and others who are in the eighth or ninth level of the Fusion Realm!

These dozen people from the Demon Sealing Alliance are no match at all!

Just when Ye Fengqing was a little overwhelmed and the four Tribulation Realm elders looked panicked, Chen Ping slowly spoke!

"Sect Leader Ji, Senior Ghost, you two, please step aside. I can handle the four elders who are only in the first and second levels of the Tribulation Realm!"

Chen Ping's words immediately shocked everyone!

If Chen Ping had said this at the beginning, they might not have believed it at all, and they would have definitely said that Chen Ping was bragging!

But now that Chen Ping has said this, many people think it is possible!

"Mr. Chen, although these four people only have the strength of the first and second levels of the Tribulation Realm, a good man cannot stand in large numbers. If the four of them join forces, even those of the third level of the Tribulation Realm may not be their opponents."

Devil Mountain Ghost reminded Chen Ping!

“Senior, don’t worry. I’m sure of it. Just step back...”

Chen Ping smiled slightly, his face full of confidence!

Seeing this, Devil Shan Gui Lao and Ji Lianzhan had no choice but to retreat!

Seeing Chen Ping being so supportive, Ye Fengqing was extremely happy and said to the four elders:
“You four must kill him. You must not let him live.”

The four elders nodded, the panic just now dissipated a bit, and there was also a bit of anger on their faces!

Chen Ping wants to fight against the four of them by himself. This is obviously looking down on the four of them!

When the four elders of the Demon Sealing Alliance surrounded Chen Ping, everyone’s eyes were on them!

A Fusion Realm monk has to fight four Tribulation Realm monks alone. This is simply an unparalleled anecdote!

These people all looked at it without blinking. After all, Chen Ping just punched Ye Fengqing too fast, and it ended without many people seeing it clearly!

So this time, they wanted to see how abnormal Chen Ping’s strength was!

Especially the spectacle of four people in the Fusion Realm fighting against each other alone in the Tribulation Realm. None of them wanted to let go of the wonderful scene!

For a moment, the atmosphere became tense and no one was talking!

Gao Qilan felt a little nervous at this moment. After all, the opponent was four masters of the Tribulation Realm!

Chapter: 5152

“Miss Gao, don’t be nervous. Mr. Chen will be fine. These four elders of the Demon Sealing Alliance will be killed by Mr. Chen soon.”

Ji Yun saw Gao Qilan’s nervousness, so he comforted him softly!

During the time Ji Yun has been following Chen Ping, he has begun to blindly worship and trust Chen Ping!

If Chen Ping said that he could defeat the immortal with one punch, Ji Yun would also believe it!

At this time, the four elders of the Demon Sealing Alliance stared closely at Chen Ping and directly targeted Chen Ping!

The aura on everyone’s body began to bloom, and the strong aura circulated in the body, and finally burst out directly, surrounding the whole body!

Waves of powerful aura emitted, covering Chen Ping!

Facing the auras of the four people, Chen Ping had a calm face, without the slightest wave of emotion on his face. His eyes were as deep as an abyss, with no emotion visible!

“Do it...”

One of the elders shouted loudly, and four people took action at the same time!

Under the gaze of everyone, the four elders actually made the first move. They were afraid that if Chen Ping made the first move, they would have no chance!

So I plan to strike first!

Four figures burst out like meteors, their figures flew into the air, their hands suddenly joined together, and their strong aura burst out instantly!

“Congratulations from all over...”

The four people shouted loudly, and instantly four auras burst out like a torrent. Shadows were faintly seen, passing through the sky, and rushing toward Chen Ping extremely quickly!

The four of them hit with a killer move, and the four of them attacked together, so they cooperated very well!

A harsh and sharp sound sounded, and the extremely sharp breath tore through the void, and finally bombarded directly towards the motionless Chen Ping!

Facing the attacks of the four people, Chen Ping's body instantly burst into golden light!

Golden scales cover the whole body, and the indestructible golden body is activated!

It seems that Chen Ping is planning to resist this blow!

Everyone was shocked when they saw that Chen Ping remained motionless despite the attacks of the four men!

Gao Qilan clenched his fists tightly, with worry in his eyes!

The Demonic Mountain Ghost Elder also frowned. Although Chen Ping was very strong, fighting with the four elders of the Demon-Sealing Alliance was not without a chance of winning!

But that was under a reciprocal attack. Now Chen Ping is standing motionless, not dodging or dodging, and is being beaten hard like this. Can he still withstand it?

Chapter: 5153

boom!

In an instant, the place where Chen Ping was standing collapsed, and smoke and dust instantly filled the air, covering Chen Ping's figure!

No one knows how Chen Ping is doing now!

The four elders succeeded with one blow, but they did not stop, but a trace of ruthlessness flashed across them again!

“Cage of Ten Thousand Swords...”

There was another loud shout, and all four elders had a long sword in their hands!

The long sword swung suddenly, and instantly turned into dozens of sword lights, like thousands of swords swung at once!

There are special lines on this long sword, exuding a breathtaking aura!

Dozens of sword rays shot out, instantly piercing the smoke and dust, and only a rumble was heard!

The four elders attacked fiercely. They knew how powerful Chen Ping was, so they didn't dare to be careless. The offensive in their hands fell like a heavy rain, and the powerful sword light was like thousands of meteors falling into the smoke and dust. middle!

Seeing this scene, everyone was slightly moved. Chen Ping alone could not withstand this level of attack!

Moreover, these four elders of the Demon-Sealing Alliance used their killing moves. It seemed that Chen Ping would definitely die, so almost everyone exhausted the spiritual power in their bodies.

These Demon Sealing Alliance elders also know that if this blow cannot kill Chen Ping, then they may not have a chance, and they will be the ones who die!

The sword light fell like a storm, and everyone looked quietly into the smoke. They all wanted to see how Chen Ping was doing now!

“This Chen Ping is really arrogant. He stood motionless when faced with attacks from four people. I am afraid he is doomed this time.”

“It is simply impossible to withstand the attack of the four elders of the Demon Sealing Alliance, not to mention that these four people have almost exhausted all their spiritual power.”

“It’s too crazy. If this happens, Chen Ping won’t die. I’ll give him two knocks.”

Everyone was talking quietly, waiting for the smoke to dissipate!

Gao Qilan and Ji Yun all looked nervously at the smoke and dust, all nervous!

Everyone is waiting at this moment, waiting for the final result!

Ye Fengqing raised the corners of his mouth slightly and breathed a long sigh of relief.

Ye Fengqing knows best the power that the four elders can unleash. Although these four elders only have the strength of the first and second levels of the Tribulation Realm, if the four of them join forces, the power that can be unleashed will not be able to withstand even the third level of the Tribulation Realm. .

It was impossible for Chen Ping to withstand the attacks of four people, and this was without any resistance or dodge!

Now Ye Fengqing is waiting to see if Chen Ping's body has turned into minced meat!

Chapter: 5154

The four elders of the Demon-Sealing Alliance also slowly fell from the air. Each of them looked a little pale. In almost an instant, they exploded all the spiritual power in their bodies, which made them all look very... weak!

Along the coast, waves of sea breeze blew by, filling the air with tension!

Everyone almost held their breath, waiting for the smoke and dust to dissipate!

Apart from the sound of heavy breathing, there was also the sound of the sea breeze!

In the sea breeze, the smoke and dust gradually dispersed, and the scene gradually became clearer, revealing the mess on the ground, and a bottomless pit appeared in front of everyone!

But just when everyone was about to step forward to take a look at the situation in the pit, suddenly a golden light flashed in the pit!

With the golden light flashing, a figure slowly rose from the pit.

So the person's pupils shrank, and his eyes were full of surprise. He saw Chen Ping suspended in the air, golden light flashing on his body, aura rushing around him, and a golden dragon hovering around Chen Ping, wrapping Chen Ping in it!

Chen Ping stood in the middle of the golden dragon, his expression calm and unruffled!

In an instant, countless sounds of horror rang out, followed closely by screams and excitement!

"Mr. Chen is awesome, so awesome..."

Ji Yun jumped up high and waved his arms high!

“Mr. Chen, awesome... so awesome...”

“Mr. Chen is more than awesome!”

Jin Dong, Ji Lianzhan and others also praised Chen Ping again and again!

The old Demon Mountain Ghost looked at Chen Ping blankly, and finally said something out of his mouth: “Mr. Chen is really a heifer with a big top...”

“Senior, what does this mean?” Luo Xi asked in confusion!

“It’s so awesome...” Demon Mountain Ghost Lao explained!

Luo Xi was stunned for a moment, then understood and blushed instantly!

Chen Ping fell slowly, unscathed. Even when faced with the attacks of four Tribulation Realm elders, Chen Ping did not suffer any harm!

Chen Ping himself was very satisfied with this result!

It seems that he absorbed the dragon energy, which was of substantial help to the improvement of the indestructible golden body and the forging of his own physical body!

“It’s incredible. Could it be that you blocked these attacks just by relying on your own body protection skills?”

“What kind of body protection technique is this? It does look very powerful.”

Chapter: 5155

“Did you see that golden dragon? Isn’t it possessed by a golden dragon?”

Many people are speculating. They don’t understand how Chen Ping, a monk who seems to be in the Fusion Realm, has such a powerful body-protecting magic!

Especially the golden dragon, which shocked many monks who had never seen Chen Ping summon a golden dragon!

Ye Fengqing’s smile froze on his face at this time, which was uglier than eating shit!

As for the four elders, their expressions changed drastically, and their eyes were filled with fear, because they knew that death might be waiting for them next!

Especially Chen Ping’s seemingly calm demeanor made them feel the danger even more. This danger made their heartbeats accelerate and their breathing become rapid!

The scalps of the four elders were numb. They didn’t understand how Chen Ping’s aura and strength could be stronger than the Tribulation Realm. He could reach the fourth level of the Tribulation Realm when Chen Ping’s realm was clearly only the Fusion Realm!

Isn’t this scientific?

Chen Ping then looked at the four elders of the Demon Sealing Alliance, his indifferent eyes without a trace of emotion!

There is no anger, no murderous intention, just indifference!

It was as if these four elders of the Demon-Sealing Alliance were like ants in Chen Ping’s eyes, unable to evoke any emotion from Chen Ping!

Looking at Chen Ping’s eyes, the four elders’ scalps exploded in an instant and they hurriedly retreated!

But just when the four elders retreated, Chen Ping suddenly moved!

Chen Ping's figure instantly disappeared, and then several figures appeared!

Suddenly, four identical Chen Pings appeared!

Every Chen Ping carries the same aura!

At this time, the four elders were dumbfounded, and even the other monks were dumbfounded!

They never thought that Chen Ping could actually master the art of clones!

“Run separately. Only one of him here is the real person...”

Ye Fengqing ordered to the four elders!

Ye Fengqing thinks that of the four figures of Chen Ping, it is obvious that only one is real, and the others are just illusions or afterimages!

When the four elders heard Ye Fengqing's order, they immediately split up and started running away!

The four of them can only bet now that Chen Ping behind them is just a phantom!

But just as the four elders were retreating separately, Chen Ping was already in front of him!

Chapter: 5156

Bang!

Chen Ping swung out his fierce punch and hit the elder directly on the back!

Four Chen Pings shot at the same time, and they all punched the four elders in the back. In an instant, the breath exploded, and all the four elders' robes were shattered, and they flew out screaming!

All four elders flew hundreds of meters, and then fell heavily to the ground, their life or death unknown!

This time, everyone became quiet!

Those eyes looking at Chen Ping were like seeing a monster!

They didn't understand, how could there be four identical ones in Chen Ping, and also have attack power at the same time?

This is impossible, how could such a thing happen?

Ye Fengqing was even more dumbfounded. He stood blankly on the spot, like a fool!

The four figures of Chen Ping were put together, and their auras were slightly disordered!

Providing breath to four bodies at the same time made Chen Ping a little unbearable for a while.

If the four elders hadn't exhausted their spiritual energy from the beginning and fled in panic, it would not have been so easy for Chen Ping to kill these four elders at once!

Although Chen Ping can use the Nine Shadows Sword Technique to create clones, and each clone has the same aura of Chen Ping!

It's just that the strength of each clone will be greatly reduced. After all, Chen Ping wants to separate his own strength.

Devil Mountain Ghost seemed to have noticed something, and he immediately stepped forward and gently held Chen Ping's shoulder with one hand, and a burst of spiritual power instantly penetrated Chen Ping's body!

"Mr. Chen, are you okay?"

Devil Mountain Ghost asked in a low voice!

"I'm fine!" Chen Ping shook his head gently, then looked at Ye Fengqing and said, "Do you still want to slay demons and protect the Tao now?"

Ye Fengqing didn't dare to speak anymore, his face was full of embarrassment!

Seeing that Ye Fengqing didn't speak, Chen Ping continued: "If you don't eliminate demons and defend the way, I will still enforce the way for heaven. If you, the Demon-Sealing Alliance, have lost all conscience and don't do good things, I will destroy you as soon as I come in."

When Ye Fengqing heard that Chen Ping actually wanted to kill him, he was horrified and said: "If you dare to kill me, the Demon-Sealing Alliance will never let you go. You have to know that the entire heaven and human world has the power of my Demon-Sealing Alliance. If you kill me, you will definitely be hunted endlessly by the Demon Sealing Alliance."

"You take people away now. I'll pretend you didn't see it. This matter ends here. What do you think?"

Ye Fengqing is still threatening Chen Ping with the Demon Sealing Alliance!

Listening to Ye Fengqing's threat, Chen Ping laughed, and then said lightly: "If I don't kill you, your Demon Sealing Alliance will also be chasing me..."

Chapter: 5157

Ye Fengqing was stunned for a moment and didn't understand what Chen Ping meant. Chen Ping then continued: "Do you know the Five Elements Heavenly Evil from your Demon Sealing Alliance?"

“Of course I know you!” Ye Fengqing nodded!

“I have killed all the five elemental demons, including the golden demon, the fire demon, and the wooden demon. Moreover, they also told me the secret of your demon-sealing alliance.”

Chen Ping looked at Ye Fengqing with a sneer!

When Ye Fengqing heard that Chen Ping had killed three of the Five Elements Demons, and also told Chen Ping the secret, his eyes widened in shock!

“These damn guys dare to expose the secrets of our Demon Sealing Alliance casually. It’s so damned!”

Ye Fengqing gritted his teeth and said fiercely!

He didn’t expect that Chen Ping would already have a grudge against them by following them in the Demon Sealing Alliance. From this point of view, his life was at risk!

“Everyone in the Demon Sealing Alliance deserves to die...”

After Chen Ping finished speaking, he slapped Ye Fengqing with one palm!

Ye Fengqing’s face was full of panic. He wanted to dodge, but found that he couldn’t dodge at all!

Just like that, under Chen Ping’s palm, Ye Fengqing died suddenly!

This is the sub-rudder of the Demon-Sealing Alliance, and he will kill him as soon as he says so!

When the other monks saw this, their Adam’s apples rolled, their faces were full of shock, and they did not dare to say a word!

They were all thankful that they all withdrew at the last moment and no one stood with the Demon Sealing Alliance, otherwise they would have ended up like this now!

Especially Zhou Tai, when he saw Ye Fengqing being slapped to death, his legs shook and he peed in his pants!

Chen Ping dared to kill even the helmsman of the Demon Sealing Alliance. He was a young master of the Zhou family, and Chen Ping would not take him lightly!

Zhou Tai's forehead was covered with cold sweat, and he was secretly rejoicing!

The remaining demon-sealing alliance minions all turned around and ran away when they saw Ye Fengqing being killed!

But Chen Ping didn't catch up!

"Mr. Chen, get rid of the root cause. Otherwise, if these guys go back and spread the news, the Demon Sealing Alliance will definitely not let it go."

Ji Lianzhan hurriedly said to Chen Ping!

"I deliberately asked them to go back and report the news. Since I dare to kill Ye Fengqing, I'm not afraid that the Demon Sealing Alliance will find out."

"An organization like the Demon Sealing Alliance shouldn't exist in the world."

Chapter: 5158

Chen Ping said slowly!

Ji Lianzhan didn't say anything anymore. He understood that if Chen Ping could say such words, it meant that Chen Ping and the Demon Sealing Alliance would fight to the death!

Even if the Demon Sealing Alliance doesn't cause trouble to Chen Ping, Chen Ping will not let go of the Demon Sealing Alliance!

"Mr. Chen, we will never forget your great kindness. Because we came out secretly, we have to rush back to avoid Master's worry."

"If Mr. Chen has the opportunity, you can visit our Blood Spirit Valley. Our Blood Spirit Valley is close to Tianmo Mountain. It is rich in resources and has many rare treasures. I believe that Mr. Chen will definitely gain something from it."

Jin Dong stepped forward and said goodbye with Chen Ping!

"Brother Jin, I will look for you if I have the chance. I will also go to Tianmo Mountain."

"You two take care of yourself along the way!"

Chen Ping patted Jin Dong on the shoulder!

Jin Dong nodded, and then left with Luo Xi under Chen Ping's gaze!

Demonic Mountain Ghost Elder also stepped forward at this time and said: "Mr. Chen, I will go back to Demonic Mountain first and wait for Mr. Chen's arrival!"

"I hope Mr. Chen can meet the Wind Demon Ancestor when he arrives at Tianmo Mountain, and I can also see the majesty of the Wind Demon Ancestor."

"Definitely!" Chen Ping smiled lightly!

Chen Ping knew that even if he went to Tianmo Mountain, he might not be able to see the wind demon, and it was impossible for the wind demon to show up!

Nowadays, the battle between gods and demons is full of mysteries. It is obvious that their suppression was premeditated!

Before the truth is found out, a few demons will not show up easily!

If it was known that they had all been released, it would definitely be dangerous!

What's more, what they escaped were only spiritual bodies, and they needed time to recover their physical bodies and strength!

Therefore, it is even more impossible to show up and expose yourself easily!

The Demonic Mountain Ghost Elder also left, and now only Chen Ping, Ji Lianzhan and his son, and Gao Qilan were left!

Even if there were only a few of them left, Zhou Tai and several masters of the Zhou family's Tribulation Realm were still trembling, not daring to have any thoughts!

In fact, if Zhou Tai at this time led his men to attack Chen Ping, Chen Ping would not be able to stop him at all. He had just fought with the four elders of the Demon Sealing Alliance, and Chen Ping had also consumed a lot of energy!

In addition to the departure of Demon Mountain Ghost, there is only Ji Lianzhan, a master in the Tribulation Realm. It will be very difficult to deal with several Tribulation Realm masters from the Zhou family!

However, Chen Ping's performance just now scared Zhou Tai out of his wits. Even if Chen Ping was the only one left at this time, Zhou Tai would never dare to take action again!

Chapter: 5159

Chen Ping slowly glanced at Zhou Tai, who was so frightened that Zhou Tai instantly fell to the ground!

Seeing Zhou Tai like that, Chen Ping just smiled coldly, ignored it, and left with Gao Qilan and the others!

Many monks gave way to Chen Ping and hid far away, for fear of making Chen Ping unhappy!

Chen Ping took Ji Yun and the others back to the small town, and then took the Feitian Sect's airship and rushed back to the Feitian Sect!

This time, the Feitian Sect suffered a lot of losses. More than half of the airships alone were lost. It will probably take a long time to recover!

When he arrived at Feitian Sect, Chen Ping wanted not to stop, but he couldn't resist Ji Lianchan's enthusiasm, so he had no choice but to stay for one day!

Although the Feitian Sect suffered a lot of losses, it was still quite wealthy compared to other sects!

So Ji Linzhan treated Chen Ping well for a day!

"Mr. Chen, I...can I go with you?"

Before Chen Ping left, Ji Yun finally summoned up the courage and whispered after Chen Ping!

In fact, Ji Yun wants to stay with Chen Ping, where he can learn a lot and also experience himself!

It's just that because of his current strength, he was afraid that Chen Ping wouldn't appreciate him and would be a burden by his side, so he never dared to speak!

It wasn't until Chen Ping was about to leave that Ji Yun spoke!

"this....."

Chen Ping was hesitant. It wasn't that he didn't want Ji Yun to follow him, because following him would put his life in danger. Now that he had provoked the Demon Sealing Alliance, he would definitely be hunted down by the Demon Sealing Alliance!

If Ji Yun follows him, something will happen. Chen Ping doesn't know how to follow Ji Linzhan. Ji Linzhan only has such a son!

"Ji Yun, it's not that I don't want you to follow me, it's just that now that the Feitian Sect has suffered heavy losses, you should accompany your father to run the Feitian Sect properly."

"Besides, it's very dangerous to follow me. You also know that people from the Demon Sealing Alliance are definitely looking for me everywhere. If you are really in danger, I'm afraid I won't be able to take care of you."

"Your father is your only son. If something happens, what do you want your father to do?"

Chen Ping could only follow Ji Yun and tell the truth!

"Mr. Chen, you don't need to consider me. If you can let Yun'er follow you, I will support it with both hands, and I can also give you an airship as your transportation!"

"He has indeed changed a lot during the time he has been with you, which really impressed me. If he hadn't met Mr. Chen, he might still be a playboy with no knowledge or skills."

Ji Lianzhan came over and said loudly!

"Mr. Chen, don't have any worries, my dad agreed." Ji Yun looked at Chen Ping expectantly.

Chapter: 5160

Chen Ping looked at Ji Yun's expectant eyes and finally could only nod!

Especially Ji Lianzhan's airship. This airship cannot be built just by having money. It is very troublesome and the construction period is very long!

Now Ji Lianzhan actually wants to send an airship, which is enough to show how much he values Chen Ping!

Seeing Chen Ping nod, Ji Yun shouted excitedly!

"Great, I can follow Mr. Chen from now on..."

While Ji Yun was shouting excitedly, Ji Lianzhan took out a bronze coin from his arms!

There is a big word "season" engraved on the coin!

"Yun'er, this is a token of our Ji family. Take this thing and, if you have a chance, go back to your hometown and have a look..."

Ji Lianzhan handed the coin into Ji Yun's hand!

"Dad, if you didn't tell me, wouldn't there be no one at home?"

Ji Yun asked with a puzzled look!

"Dad has always been lying to you. In fact, there have always been people in the Ji family, and in the entire Central Territory Continent, the Ji family can be considered a prestigious family."

"In order to marry your mother, I secretly ran away from the Ji family and came here to found the Feitian Sect."

“So many years have passed, and I don’t know how the Ji family is doing, nor what is happening to your grandfather. If you have the opportunity to go to the Zhongyu Continent, take this thing and go to the Ji family to see it.”

“And if you need help, if the Ji family sees this coin, they will definitely help...”

Ji Lianzhan said slowly to Ji Yun!

It was obvious that Ji Linzhan missed his home, but after running away for so many years, he had no shame in going back.

Ji Yun took the coin, nodded vigorously, and then followed Chen Ping onto the airship!

Then the airship slowly lifted into the sky and flew towards Demon Imperial City!

With the airship, Chen Ping and the others are much more relaxed, they can just wait quietly!

Just as the airship was flying towards Demon Imperial City, the entire Demon Imperial City was heavily guarded at this time!

Demon Imperial City is surrounded by a large number of guards!

On the hilltop not far from Demon Imperial City, densely packed soldiers appeared, and there were also a large number of demonic beasts!

The two sides are thousands of meters apart, but the atmosphere of tension is already very strong!
