

The Order 5171

Chapter: 5171

Li Xing and King Li watched helplessly as the airship flew towards the sky above Demon Imperial City!

At this moment, Yihe, who was standing on the city wall, finally had a smile on his face when he saw the airship getting closer and closer!

“Mr. Chen, this should be Mr. Chen’s return...”

Yihe understood very well that Chen Ping was with Ji Yun of Feitian Sect.

So if Chen Ping came back as an airship, he wouldn’t be surprised at all!

“Chen Ping? How can he come back by airship? Doesn’t this airship have a fixed route?”

Isa was a little curious and didn’t understand what Chen Ping was capable of, being able to return as an airship.

Yihe smiled faintly and said nothing, but stared at the airship in the sky!

The airship slowly flew over the Demon Imperial City, and Chen Ping also saw the soldiers on the city wall, who were waiting in full formation!

“Mr. Chen, what exactly happened here? Look at the corpses all over the ground. Is there a war?”

Ji Yun looked at the mountain of corpses and sea of blood in front of the Demon Imperial City and couldn’t help but be surprised!

The scene he had seen was just a battle between two sects, with hundreds of casualties considered a lot!

But in the scene in front of me, there were tens of thousands of corpses on site, and the corpses were piled up into a hill!

It's simply too bloody and terrifying!

When Gao Qilan saw this scene, he couldn't help but vomited!

Chen Ping frowned slightly and his face became extremely serious!

He knew that there was only one possibility for this kind of thing to happen, and that was that Mingli King City launched a war against Demon King City!

This kind of scene would only happen in a war between two cities!

"Ji Yun, drop the airship immediately..."

Chen Ping ordered to Ji Yun!

Ji Yun nodded and dropped the airship towards the square of Demon Imperial City!

Many people in Demon Emperor City had never seen an airship before, so they gathered around!

Seeing this, Yihe also hurriedly ran down the city wall with Isha!

Seeing Chen Ping walking out of the airship, Yihe said with excitement in his eyes: "Mr. Chen, it's really great that you are back..."

Chapter: 5172

Isha looked at Chen Ping, looking particularly strange, because she found that the aura on Chen Ping's body had changed a lot!

"what happened?"

Chen Ping asked Yihe!

"Mr. Chen, let's go into the palace and talk..."

After Yihe finished speaking, he ordered Isha to send someone to take care of the airship.

After entering the palace, Liu Ruyan, Yu Jiameng, and the third elder heard that Chen Ping was back, and they all came over one after another!

After chatting for a while, Yihe said to Chen Ping: "Mr. Chen, today the Mingli King's City launched an attack on our Demon King's City. Although it was only a tentative attack, we also suffered heavy losses."

"Lang Feng's entire wolf pack died in the battle..."

Speaking of this, Yihe's face was full of sadness!

When Chen Ping heard that Lang Feng was dead, he couldn't help but frown, and there was a bit of murderous intent in his eyes!

"With the strength of Demon Imperial City, can it withstand the attack of Mingli Royal City?"

Chen Ping asked!

Yihe shook his head: "During the time when Huben occupied the position of Demon Emperor, many people were killed in Demon Emperor City, and many people fled, which greatly reduced the strength of Demon Emperor City."

“It is almost impossible to block the attack of King Mingli City, unless there are reinforcements to help!”

“But in this human world, there will be no one to help. However, I have asked Miss Fire Phoenix to notify other royal cities. As long as these people are willing to send troops, King Li will definitely withdraw his troops.”

Yihe told Chen Ping his plan!

Although this plan is good, Chen Ping still sees the risks!

If other imperial cities come and directly join forces to swallow Yihe and follow King Li, then both of them will be in danger!

The reason why the current Three Sovereigns and Four Kings maintain a balance and no one dares to attack Demon Imperial City and Mingli Imperial City is because of the long distances and the cooperative attitude of Demon Imperial City and Mingli Imperial City. If one side is attacked, the other side will definitely Will rush to help!

Therefore, other imperial cities or royal cities are not confident enough to deal with both of them at the same time!

But now that Mingli Royal City and Demon Imperial City have become hostile, others can take advantage of the situation and annex Demon Imperial City and Mingli Imperial City one by one!

And there is another possibility, that is to recruit people from other royal cities. Maybe they will join forces with Mingli Royal City to swallow up the Demon Imperial City and share the spoils together!

This is also something that may happen, so you have to guard against it!

Yihe also knows the pros and cons of this, but apart from this method, he really can't find any other helper!

Chapter: 5173

Chen Ping fell into deep thought. In this world of heaven and earth, Chen Ping seemed to be unable to find any helper!

Now apart from the Gao family and the Jialing County who might be able to help, no one will help him!

But Gaojia and Jialing County are both too far away, and water from afar cannot quench the thirst of those nearby.

At present, we can only rely on Demon Imperial City's own strength to stop Mingli Imperial City's attack!

"Now we have to figure it out ourselves and not put all our hopes on other people."

"How much do you know about the true strength of Mingli King's City?"

"Now that the army of King Mingli City is dispatched, will the guards in King Mingli City be empty?"

Chen Ping asked Yihe!

"This time King Li personally led the team and mobilized most of the personnel in King Mingli City. The guards in King Mingli City are indeed empty."

"Could it be that Mr. Chen wants to attack the Mingli King's City and force the Li King to return reinforcements in order to resolve the crisis in the Demon Imperial City?"

As soon as Yihe heard Chen Ping ask this, he knew what Chen Ping was planning!

"Not bad!" Chen Ping nodded!

“Mr. Chen, your idea is indeed a good one, but it’s a pity that the entire Demon Imperial City is now surrounded by the Mingli Royal City army, and even the secret passage is guarded by troops from the other side. We can’t get out at all!”

“How can we attack Mingli King’s City if we can’t do without Demon Imperial City?”

Yihe also knew this method, but he couldn’t send out any soldiers!

“There must be a way. Everyone should get some rest tonight. There will definitely be another attack on Mingli King’s City tomorrow.”

At this time, Chen Ping had not figured out how to leave the Demon Imperial City without being discovered by King Li, so he asked everyone to rest first and slowly think of a solution!

Yihe nodded, and then took Isha to rest!

Chen Ping did not go to rest, but took Ji Yun directly to the city wall!

Looking at the mountain of corpses and sea of blood under the city wall, Chen Ping knew that tomorrow’s battle would definitely be crueler than today’s!

Although his strength has improved a lot, facing tens of thousands or even hundreds of thousands of people fighting, his strength alone is really insufficient!

Chen Ping also wanted to capture the thief first and capture the king first, but King Li was not weak in strength, and there must be many experts protecting King Li!

It would probably not be easy for Chen Ping to break into the enemy camp and capture King Li!

“Mr. Chen, there are spiritual lights flashing around the Demon Imperial City. It is obvious that a formation has been set up, so Mr. Chen does not need to worry too much.”

Chapter: 5174

Ji Yun looked at the flashes of light around Demon Imperial City, and it was obvious that he had set up a formation!

And for a city like Demon Imperial City, the large formations surrounding it are certainly not weak and cannot be broken through easily!

Chen Ping had long discovered the formation around the Demon Imperial City, but this formation was not very powerful and not strong!

“Although there are formations around the Demon Imperial City, they are only defensive formations, and they are not particularly strong. They will definitely be breached tomorrow.”

Chen Ping frowned and said!

“Then what should we do? Without the protection of the formation, the walls of the Demon Imperial City will not be able to stop the army of Mingli King City at all.”

When Ji Yun heard what Chen Ping said, he said in a panic!

You must know that all the troops in Mingli King’s City are transformed into monsters. Except for the formations that can block them, this tall city wall can be easily overcome!

This city wall can only stop ordinary people. It is impossible to stop the army of Mingli King City!

“You follow me out of the city. I need to set up a big formation. You help me protect the law...”

Chen Ping said to Ji Yun!

“Okay!” Ji Yun nodded!

Then the two of them jumped up and headed straight outside the Demon Emperor City!

After Chen Ping chose his position, he asked Ji Yun to stand aside to protect him, but Chen Ping himself took out a few talismans from his body and began to set up the magic circle!

What Chen Ping wants to set up is a killing formation. The defensive formation alone cannot stop the army of Mingli King City at all!

I saw Chen Ping throwing the talisman in his hand into the air, and a few flames suddenly flickered, and then the talismans slowly fell in all directions!

Chen Ping muttered: "One breaks the path of the plague, the second breaks the gate of the plague, the third blocks the way for people, and the fourth blocks the ghosts who have no way."

Then Chen Ping waved his hands, and a golden light was thrown around!

The burning spells all burrowed into the ground like gophers!

Soon, calm was restored, and the scene was still the same as before, as if nothing had happened!

Ji Yun watched Chen Ping set up the formation, his eyes turned red with envy again!

He couldn't understand why Chen Ping was so strong. He didn't understand it yet!

Could this be talent!

And while Chen Ping was setting up the formation, Li Xing was watching quietly on a boulder not far away!

Chapter: 5175

"Sir, someone has come out of Demon Imperial City. There was a flash of light just now. I don't know if they are out to collect corpses or to set up traps."

“Should we report to King Li for his decision?”

A general in uniform asked Li Xing in a low voice!

“No, father is already asleep. Don’t disturb him with this little thing. Let’s go take a look...”

Li Xing waved his hand and said!

“Sir, King Li has said that you will not be allowed to get close to the Demon Imperial City. If there is any danger, you will be in trouble.”

The general persuaded Li Xing!

“What danger can there be? Apart from Na Yihe, there are no masters in the Tribulation Realm in Demon Imperial City. What should we be afraid of?”

“As long as Na Yihe doesn’t leave the city himself, no one can do anything to me.”

Li Xing’s face was full of confidence!

“Sir, I think it would be better to report this to King Li.”

The general didn’t dare to take responsibility. If something happened to Li Xing, he would have no chance of surviving!

“Trash, coward, you are still a general.”

“You are at the peak of the Fusion Realm, so you’re nothing to be afraid of.”

“If you don’t go, I’ll go by myself...”

Li Xing cursed in dissatisfaction and headed towards Demon Imperial City!

“Sir, you are too willful...”

Just when Li Xing was about to head towards Demon Imperial City, suddenly an old man wearing a white robe and a mustache appeared!

Directly blocking Li Xing’s path, his face was full of seriousness!

When Li Xing saw the person coming, he immediately became honest. He smiled awkwardly and said, “Elder Qi, why don’t you sleep at night?”

“I saw someone coming out of Demon Imperial City, and I was afraid that they would set up a trap, so I planned to go over and have a look!”

“Even if someone comes out of the Demon Imperial City, you should report it first and don’t act without authorization. As the young master of Mingli Royal City, if you are caught by the Demon Imperial City, they will use you to threaten Prince Li.”

“In that case, it will be difficult for King Li to do it...” Elder Qi scolded Li Xing!

Li Xing could only lower his head and did not dare to speak. It was obvious that Li Xing was afraid of this Elder Qi.

Chapter: 5176

Seeing Li Xing’s attitude, Elder Qi was very satisfied, and then said: “You go with me, stay with me, even if you meet Na Yihe, I can let you escape safely!”

“Okay, let’s go take a look...”

Li Xing nodded happily!

“You go on inspection, I will follow the young master to take a look...”

Elder Qi said to the general!

The general nodded repeatedly and then left. The status of Elder Qi seemed to be much higher than that of the general!

Elder Qi followed Li Xing towards Demon Imperial City!

Chen Ping set up the formation and then checked it again. He found that it was not easy to detect, so he was ready to take Ji Yun back!

“who.....”

But just when Chen Ping was about to ask Ji Yun to leave, Ji Yun suddenly shouted towards the jungle not far ahead!

Chen Ping was shocked. Just now, he was only focusing on setting up the formation and did not explore the surrounding situation. He didn't want anyone to get close. He didn't know it yet. Fortunately, Ji Yun was the protector and he was discovered!

At this time, two figures walked out of the woods. When they got closer, Chen Ping realized that the person who came was actually Li Xing, the young master of Mingli King City!

When Li Xing saw Chen Ping's face clearly, he couldn't help but sneered: “It turns out to be your kid. I thought you had left here long ago and would never come back.”

Elder Qi beside Li Xing swept his eyes over Chen Ping and Ji Yun, and then a relaxed look appeared on his face!

Elder Qi didn't pay any attention to the strength of the two combined realms!

Li Xing felt a lot more relaxed when he saw it was Chen Ping!

He knows Chen Ping's strength. Even if Chen Ping's strength has improved during this period, how much more can it be improved? He is still just a Fusion Realm monk!

Elder Qi next to him is a great monk of the third level of the Tribulation Realm. To deal with the Fusion Realm monks, it is simply a matter of a casual move!

"You come here at night, aren't you afraid of being caught?"

Chen Ping saw that Li Xing was so bold and dared to come to the gates of Demon Emperor City with just one person. He was simply arrogant!

"Caught?" Li Xing smiled coldly: "Caught by who? Are there any masters in the entire Demon Emperor City except Demon Emperor Na Yihe?"

"What I brought here is an elder from our Mingli King's City, a great monk of the third level of Tribulation Realm. With Elder Qi here, who in the entire Demon King's City can catch me?"

"The third level of the Tribulation Realm is really awesome. It's so scary..."

Ji Yun was standing aside, looking at Li Xing's sultry look, and couldn't help but laugh!

Chapter: 5177

With Chen Ping's current strength, it would be difficult to defeat a third-level monk in the Tribulation Realm!

This Li Xing actually dares to come here and show off!

“Who are you?” Li Xing looked at Ji Yun and asked!

“My name is Ji Yun, and I belong to Feitian Sect.” Ji Yun said coldly!

“It turns out he is the eldest young master of the Feitian Sect. No wonder an airship flew here.”

“But you, the Feitian Sect, are not doing business, so why are you coming to Demon Imperial City? Do you want to get involved in our affairs?”

“Let me tell you, the matters between us and Demon Imperial City are not something that you, the Feitian Sect, can interfere with.”

“I advise you to sit on the airship and go back, otherwise your Feitian Sect will be destroyed together.”

Li Xing threatened unceremoniously!

Li Xing didn't pay attention to the small Feitian Sect at all. He could just send any general to lead his troops and he could raze the Feitian Sect to the ground!

How could a small sect be compared with their royal city!

“You're already on the verge of death, and you're still threatening me? That's ridiculous...”

Ji Yun sneered, he laughed and Li Xing didn't know that he was about to die!

“I'm on the verge of death? Hahaha, don't you think it's ridiculous? I see it's you who are on the verge of death!”

After Li Xing finished speaking, he stepped back and said, “Elder Qi, capture that Chen Ping and put him on the flagpole tomorrow to directly sacrifice the flag.”

Elder Qi nodded, then looked at Chen Ping: “Boy, what are you two doing sneakily here? I won’t torture you if you say it.”

“If you don’t tell me, don’t blame me for being rude...”

After Elder Qi finished speaking, the aura on his body suddenly shook, and the terrifying aura swept towards Ji Yun instantly!

Ji Yun’s body was instantly knocked out, and then he fell heavily to the ground!

However, Ji Yun’s life was not in danger and he slowly got up!

Elder Qi wanted to scare Chen Ping, so he attacked Ji Yun!

Upon seeing this, Chen Ping asked Ji Yun, “Ji Yun, are you okay?”

“Don’t worry, Mr. Chen, he won’t die...”

Ji Yun shook his head!

Chapter: 5178

“It’s not rude to come back and forth, it seems I should treat them like this...”

Chen Ping smiled lightly!

Suddenly, the aura on his body burst out in an instant, and a terrifying aura rose into the sky!

Before Elder Qi could react, the terrifying aura headed towards Li Xing!

Li Xing was directly knocked away and fell heavily to the ground!

Li Xing climbed up from the ground with difficulty and looked at Chen Ping in disbelief!

You must know that Chen Ping is only at the Fusion Realm, how could he emit such a terrifying aura?

This is simply unreasonable!

Elder Qi on the side also had his eyes wide open, full of disbelief!

The aura that Chen Ping erupted just now was no worse than his!

And it exploded so fast that he had no time to react!

At this moment, Elder Qi's eyes no longer had the contempt, replaced by caution and doubt.

He didn't understand how Chen Ping, who was in the Fusion Realm, could emit such an aura!

Although in this world of gods and humans, there are also people with extraordinary talents who can burst out with aura that is more powerful than their own real realm!

But those are only very few people, and they don't go too far beyond the real realm!

But Chen Ping, who was clearly only at the eighth level of the Fusion Realm, yet the aura he erupted was at the Tribulation Transcendence Realm. This was simply unbelievable!

"Now you know who is about to die, right?"

Ji Yun asked happily when he saw that Li Xing was directly knocked away by Chen Ping's breath!

Li Xing's face was ferocious and he didn't speak. He was frightened by the breath that Chen Ping just burst out!

"Sir, let's go..."

Elder Qi has no intention of fighting with Chen Ping and plans to leave with Li Xing!

Now he mainly protects Li Xing's safety. If Li Xing is caught, it will be a big deal!

Li Xing nodded, not daring to look down upon Chen Ping, and prepared to leave with Elder Qi!

He found that the difference in strength between himself and Chen Ping was too big!

Chapter: 5179

Although he didn't understand what Chen Ping had gone through during this period, Li Xing felt incredible that Chen Ping's strength had grown so fast in such a short period of time!

"Leave?" Chen Ping sneered: "You have come, can you still leave?"

There was a hint of disdain on the corner of Chen Ping's mouth. As for Elder Qi and Li Xing, Chen Ping would not let them leave!

"Boy, if I want to leave, let's see who can stop me..."

After Elder Qi finished speaking, the robe on his body suddenly moved automatically without any wind. White smoke instantly filled the broad sleeves of the robe!

In just an instant, the figures of Elder Qi and Li Xing were covered by white smoke!

“Mr. Chen...”

When Ji Yun saw this, he wanted to rush forward to help Chen Ping!

“Don’t come over, this smoke is poisonous...” Chen Ping hurriedly spoke up to stop Ji Yun!

Chen Ping suddenly waved his palms, and a gust of wind suddenly blew up on the flat ground. The strong wind roared and the white smoke was blown away.

When the white smoke cleared, Elder Qi and Li Xing were gone!

“Why are there no people? I didn’t see them leave?”

Ji Yun rushed over with a look of surprise on his face!

He looked carefully from the side and didn’t see anyone rushing out of the white smoke!

Why did the two people disappear after saying they didn’t meet?

Chen Ping glanced around, then suddenly stretched out a finger and gently touched the void in front of him!

In Chen Ping’s origin space, the stars of the illusory origin flashed for an instant!

Feeling the fluctuation of his own fantasy source, the corners of Chen Ping’s mouth raised slightly!

However, he did not show any expression, but said to Ji Yun: “These two people must have escaped through the smoke. Let’s go...”

“Mr. Chen, I really didn’t see anyone leave from the smoke. How could they run away?”

Ji Yun still didn’t understand what Chen Ping meant, so he asked in confusion!

“They must be able to hide themselves, we can’t see it.”

“If you run away, run away. If you let me meet you tomorrow, I will make them look good.”

After Chen Ping finished speaking, he turned around and prepared to return to Demon Imperial City!

Chapter: 5180

Although Ji Yun looked confused, he planned to leave with him!

At this moment, Li Xing and Elder Na Qi were right in front of Chen Ping and the others, but they couldn’t see it!

“Elder Qi, what are you doing? The two of us are clearly standing here, but they can’t notice us, and we can’t even feel our breath.”

When Li Xing saw Chen Ping and the others preparing to leave, he couldn’t help but be surprised!

“Sir, this is the Void Escape Technique. This is a technique passed down from our ancestors.”

“Not to mention a Fusion Realm monk, even a great monk at the peak of the Tribulation Realm, would never find us under my Void Escape Technique.”

“This technique has saved me many times, and it has never failed.”

“We just need to wait quietly for them to leave, and then we can leave.”

Elder Qi said with pride!

“Is there really not a single mistake?” As soon as Elder Qi finished speaking, Chen Ping’s voice sounded from all directions!

Elder Qi and Li Xing were stunned at the same time. They looked around hurriedly and found that Chen Ping was nowhere to be seen!

Not seeing his body but hearing his voice made the two people panic immediately!

Immediately afterwards, they saw ripples in the void in front of them, and Chen Ping’s figure slowly appeared in front of the two of them!

Elder Qi’s void escape technique instantly collapsed and was exposed to Chen Ping and Ji Yun!

“You’re a little too young to play hide and seek in front of me...”

Chen Ping looked at Elder Qi with a mocking look and said!

Elder Qi’s face changed drastically, and he was horrified in his heart. His void escape technique has never been seen through by anyone before, but today it was discovered by Chen Ping. It is simply unbelievable!

“Boy, you are so crazy...”

Elder Qi slapped Chen Ping with his palm, and the howling wind came instantly!

But this palm hit Chen Ping’s body directly, but it penetrated Chen Ping instantly and missed him!

Chen Ping was just a shadow in front of him.

“Since you like hiding so much, I will hide with you for a while...”

Chen Ping’s sarcastic voice reached their ears from all directions!

Elder Qi and Li Xing felt that the scene in front of them was constantly changing, and Chen Ping’s figure began to appear from all directions!
