

The Order 5181

Chapter: 5181

“ah.....”

Seeing this scene, Li Xing went a little crazy and waved around desperately!

But it was of no use, Li Xing's every palm hit was empty.

Elder Qi stretched out his hand to stop Li Xing, and looked around with a frown: “What a magic array, and we fell into it unknowingly...”

“Elder Qi, what should we do?”

Li Xing panicked a little.

Chen Ping's figures appear from time to time around here. Even if they don't attack him, they still scare him!

I was probably scared to death for a while, because I didn't know where Chen Ping would appear from next moment!

“Sir, don't panic. What this illusory formation wants is to make us disorganized. As long as we calm down, we can break his illusory formation!”

Elder Qi comforted Li Xing, while his eyes looked around cautiously!

Li Xing hid tightly behind Elder Qi, his body shaking like a sieve!

I saw Elder Qi making secrets with his hands, and a faint green light slid from Elder Qi's fingertips!

“The ghostly blood destroys the soul, all the ghosts kill the spirits.....”

Elder Qi shouted coldly, formed seals with his hands continuously, and a faint green soul-inducing flag appeared in Elder Qi’s hands!

The soul-inducing flag exudes a faint cold air, instantly making people’s hair stand on end!

The soul-inducing flag in Elder Qi’s hand exuded a faint green light, and bursts of shrill screams came from it!

Li Xing, who was hiding behind Elder Qi, was frightened when he saw this scene!

He has never seen Elder Qi use such a thing!

The soul-inducing flags danced continuously, and the magic array instantly turned into a green world.

“break.....”

With Elder Qi’s loud shout, the green world exploded and returned to its original appearance in an instant!

Only then did the two people see clearly that Chen Ping and Ji Yun were watching them not far away.

“Hmph, it’s just a phantom formation, but it still wants to trap me. It’s so ridiculous...”

Elder Qi snorted coldly!

Chapter: 5182

Chen Ping narrowed his eyes slightly and stared at Elder Qi!

“I didn’t expect that you are actually a demon cultivator. You are so well hidden that I didn’t notice it even if you exposed your aura.”

Chen Ping looked at Elder Qi and said!

“Boy, now that you know my identity, you will definitely die.”

Elder Qi’s eyes flashed with murderous intent!

Li Xing on the side also looked surprised. It seemed that he didn’t know that Elder Qi was actually a demon cultivator!

“It seems that the demonic cultivators are really pervasive. They have a place to live in the orc king’s city.”

“Everyone is shouting to fight the demon cultivators, but everyone is secretly colluding with the demon cultivators to increase their strength. It seems that no matter whether they are demons, humans or beasts, they all look like birds!”

Chen Ping said with emotion!

“Stop talking nonsense, I will kill you first before talking about it today...”

Elder Qi’s face is full of confidence at this moment!

Since he dares to reveal his identity, it proves that he has the confidence to kill Chen Ping and Ji Yun. Otherwise, if his identity is exposed, he will definitely get into trouble!

After Elder Qi finished speaking, he waved the soul-inducing flag, and the entire battlefield was shrouded in a faint green light!

These rays of light slowly fell and attached to the dead corpses, and then all of the dead corpses slowly stood up!

Ji Yun was shocked as he watched hundreds of corpses come to life, each one coming towards him with a ferocious look!

He has never seen this horrific scene before!

When Chen Ping saw this, he frowned slightly, and there seemed to be some doubts in his eyes!

Chen Ping suddenly opened his hand, and the Dragon-Slaying Sword instantly appeared in his hand!

Then the Dragon-Slaying Sword suddenly swung forward, and a terrifying sword energy harvested forward like a sickle!

With this sword, dozens of corpses were cut in half, and they died again!

While these dozens of corpses were cut in half, traces of undetectable evil spirits emerged from these corpses and were immediately absorbed by Chen Ping!

After this strike, a bright smile suddenly appeared on Chen Ping's face. He didn't expect that his guess was right!

Just after the corpses were resurrected, Chen Ping thought that Elder Qi might be of the Yin Demon lineage!

Especially the soul-attracting flag, with its bursts of Yin energy and chilling air, it is obviously a weapon only used by the Yin demon lineage!

Chapter: 5183

Now that the sword was slashed down, the evil spirit of the Tao marks in the dead body made Chen Ping even more convinced of this!

“Mr. Chen, can you still laugh at this... this scene?”

Ji Yun looked at the hundreds of dead bodies, slowly coming towards him, and didn't understand how Chen Ping could still laugh!

“Why can't you laugh? These are all resources.”

Chen Ping said with a smile!

Although these dead bodies don't have much Dao pattern evil spirit, the mosquito legs are also meat!

After saying that, Chen Ping's body instantly burst into flames, forming a protective shield around him, and he rushed directly into the group of corpses with the dragon-slaying sword in hand!

Every time the sword is struck, dozens of dead bodies will fall to the ground again!

Chen Ping enjoyed all this, and the movements in his hands were flying like clouds and flowing water!

Elder Qi vigorously waved the soul-attracting flag, and the evil energy from the Dao pattern in his body was continuously injected into the soul-attracting flag, and then turned into pieces of faint green light, falling on the dead bodies!

Elder Qi knew that with the strength of these corpses, it was impossible to kill Chen Ping, but one thing they could do was consume Chen Ping's power!

Hundreds of corpses, fearless, rushed toward Chen Ping. Chen Ping would use all his strength to kill these corpses that had already died once!

When all the power in Chen Ping's body is exhausted, he will be waiting to be harvested!

Elder Qi's calculation was very good, but he did not expect that Chen Ping would kill these corpses. Not only would he not consume the power in his body, but he would also absorb the evil energy of the Dao Mark and improve his own strength!

Ji Yun watched Chen Ping kill the dead bodies on his own and wanted to step forward to help, but was stopped by Chen Ping!

Ji Yun can't absorb the evil spirit of Dao Mark, so it would be a pity to kill these corpses!

Seeing that Chen Ping wouldn't let him take action, Ji Yun could only watch anxiously from the side!

Elder Qi and Li Xing looked proud!

"Elder Qi, I really didn't expect you to have this kind of ability. Hurry up and bring more dead bodies to life and tire this guy to death!"

Li Xing said happily from the side!

Elder Qi nodded with a smile, chanted a spell in his mouth, and kept waving the soul-inducing flag in his hand!

Large swaths of dead bodies kept getting up from the ground, and then headed towards Chen Ping!

Soon, almost all the dead bodies on the ground had come to life again!

But Chen Ping was still fighting hard with the Dragon-Slaying Sword, and there was no sign of his power slowing down!

Chapter: 5184

At this time, Elder Qi frowned slightly, and cold sweat dripped from his forehead!

He activated the soul-inducing flag and consumed a lot of his Daoist evil spirit, but found that Chen Ping was still persisting.

Seeing that Elder Qi had slowed down, Chen Ping seemed to be unable to hold on any longer, so he shouted: "Oh..."

Chen Ping pretended to be hit hard by the dead body and flew backwards!

"Mr. Chen....."

When Ji Yun saw this, he hurried over and nervously helped Chen Ping up!

"Mr. Chen, are you okay?" Ji Yun checked Chen Ping's injuries!

Chen Ping smiled faintly at Ji Yun and said, "I'm fine. I pretended to be fine. You also pretended that I was seriously injured..."

Ji Yun was stunned and didn't understand what Chen Ping meant, but he still did as Chen Ping wanted!

"Mr. Chen, you are injured. Your breath is so weak. Stop fighting. Let's go quickly..."

Ji Yun helped Chen Ping up and then said loudly!

"If you don't leave, I will kill all these dead bodies..."

Chen Ping pushed Ji Yun away, and then rushed forward with the Dragon Slaying Sword!

But this time, Chen Ping was obviously moving slowly and seemed weak!

“Elder Qi, this kid can’t hold on any longer. He’s trying harder...”

Upon seeing this, Li Xing hurriedly said to Elder Qi!

When Elder Qi saw this, he felt a little worried, so he once again burst out the evil spirit of the Taoist patterns in his body, and kept waving the soul-inducing flag!

Just like that, another hour passed!

Chen Ping seemed to be slow, but those dead bodies couldn’t get close at all. Every time he looked at Chen Ping, he would fall down, but Chen Ping wouldn’t fall!

Elder Qi’s face turned red and he gritted his teeth. He had resurrected so many corpses, and he had almost exhausted his physical strength!

Now Elder Qi is just holding on. He wants to see who falls first between him and Chen Ping!

Another half hour has passed, Elder Qi’s aura has become extremely weak, and the soul-inducing flag in his hand has slowly lost its luster!

The whole person suddenly withered and fell down!

“Elder Qi...”

Chapter: 5185

When Li Xing saw this, he quickly helped Elder Qi up!

Elder Qi was breathing heavily, as if he had just experienced a fierce battle!

“Elder Qi, hurry up and continue. Chen Ping is obviously not going to be able to hold on anymore.”

Li Xing urged!

Elder Qi waved his hand: "Sir, I don't have the strength anymore. It's been so long, and that guy still looks like he's dying, but he just won't fall..."

When Chen Ping saw Elder Qi reaching his limit, the corner of his mouth curled up, and the aura on his body exploded instantly. He held the dragon-slaying sword and killed the last few corpses!

Seeing Chen Ping's sudden aura burst out, Elder Qi and Li Xing were both stunned!

After killing all the dead bodies, Chen Ping walked towards the two of them with a sneer on his face!

"You...you actually still have power?"

Elder Qi looked at Chen Ping in shock and said!

"Hahaha, you idiot, I have a lot of power. I just lied to you. If I didn't lie to you, why would you release all the evil energy in your body?"

Chen Ping laughed loudly!

"You...how do you know the evil spirit of Dao Wen?" Elder Qi's eyes widened. You must know that this evil spirit of Dao Wen is unique to their Yin Demon lineage!

This kind of breath can attract the soul and bring the dead body back to life.

He didn't expect Chen Ping to know this kind of aura!

"Of course I know, because I also have this kind of aura..."

After Chen Ping finished speaking, the evil spirit of the Dao pattern in his body instantly spread, wrapping up Elder Qi and Li Xing in an instant!

Feeling the evil aura of Dao marks on Chen Ping's body, Elder Qi said with a shocked face: "You... are you also a disciple of our Yin Demon lineage?"

Chen Ping snorted coldly: "Bah, who the hell is a disciple of your Yin Demon lineage? Those Yin Demons were all saved by me, and I am his savior."

"I saved your ancestor. Logically speaking, when you see me, you have to kneel down and kowtow."

Of course Elder Qi didn't believe what Chen Ping said. He stared at Chen Ping with cold eyes: "It turns out that you were just pretending just now to absorb the evil spirit of the pattern. No wonder you refused to let others help." You take action..."

"You understand now, but it's too late..."

Chen Ping said proudly!

"Since you have the evil spirit of our Yin Demon lineage, it means that you are related to our Yin Demon lineage. Regardless of whether you are a disciple of our Yin Demon lineage, we are destined to be together."

Chapter: 5186

"Just treat what happened today as a misunderstanding. Let us go back, and I can report it to King Li and spare your life."

"You have to see the situation clearly. Now the Demon Imperial City is struggling to its death. If you stay with the Demon Imperial City, there is only a dead end."

Elder Qi persuaded Chen Ping!

This guy actually naively wanted Chen Ping to let them go.

“Hahaha, you are so naive. If the old devil Yin Mo knew that his disciples and grandsons were as stupid as you, he would probably be angry to death.”

“Now that you two are prisoners, you still dare to negotiate terms with me...”

After Chen Ping finished speaking, he stretched out his hand and grabbed it suddenly, and Elder Qi was in his hand!

At this time, Elder Qi was like a lamb, with no ability to resist at all!

Li Xing on the side couldn't help but trembled when he saw this!

But he didn't dare to run, because he knew that even if he ran, he couldn't outrun Chen Ping!

Elder Qi was caught in Chen Ping's hands, and only then did he feel fear in his heart!

His face became ugly, and his body trembled slightly as he said, “You and I are from the same sect. I hope you won't kill me. I can choose to quit and not go against you...”

At this time, Elder Qi realized that threats were of no use to Chen Ping, so he could only beg for mercy!

“I've already fucking said it, I'm not a demon cultivator, and I'm not from the same sect as you, so don't get too close to me.”

“But don't worry, I won't kill you, because keeping you is still useful!”

After Chen Ping finished speaking, he let Elder Qi go, and then grabbed Li Xing by the collar!

Li Xing trembled all over, struggled hard twice and said: "Chen Ping, let me go, let me go, if you kill me, my father will not let you go, and the entire Demon Imperial City will be buried with you...""

Snapped.....

Chen Ping slapped Li Xing so hard that the guy's mouth swelled up and he shut his mouth instantly!

"If they talk nonsense, I will castrate you and hang you on the city gate for public display..."

Chen Ping glared at Li Xing!

Li Xing's eyes were full of fear and he kept swallowing his saliva.

"Go back and tell your King Li that his son was captured by me. If you want his son to survive, then do as I say."

Chen Ping said to Elder Qi!

Chapter: 5187

Elder Qi looked at Li Xing who was caught. Although he wanted to rescue him, he was unable to do anything!

"Let me advise you, even if you capture the young master, it is absolutely impossible to get King Li to retreat."

"Prince Li has great ambitions. There is no way he would give up the opportunity to annex Demon Imperial City for the sake of his son."

"My son is dead, but he can still live. Anyway, with his strength in the tribulation period, it is easy to survive for hundreds of years."

“And he has countless concubines in his harem, so it’s easy to give birth to several sons!”

Elder Qi said to Chen Ping!

“Elder Qi, what are you talking about? My dad will not ignore me...”

When Li Xing heard what Elder Qi said, he immediately yelled angrily!

Elder Qi’s words, aren’t they pushing him towards death?

If he had no value at all, Chen Ping would definitely kill himself!

“Don’t worry, I’m not asking King Li to retreat. I just want to use his son in exchange for something.”

Chen Ping knew that princes, generals and ministers were generally extremely ruthless people. They would not give up the territory they were about to acquire for the sake of a son!

Chen Ping never thought about using Li Xing to threaten King Li to withdraw his troops!

“What do you want to change?” Elder Qi asked!

“God King Gong...” Chen Ping said calmly!

“God King Bow?”

Elder Qi was suddenly startled, and his eyes were as big as bells!

“Why does King Li have the God King’s Bow? Are you mistaken?”

Elder Qi looked at Chen Ping doubtfully!

Apparently, Elder Qi also knew about the Divine King's Bow, but he didn't know that the Divine King's Bow was in the hands of King Li!

"Whether it's in his hands or not, you just have to pass on the message."

After Chen Ping finished speaking, he directly carried Li Xing and walked towards the Demon Emperor City!

"Elder Qi, save me, save me. Tell my dad quickly and give him that bow."

Li Xing shouted!

Chapter: 5188

He didn't know what the God King's Bow was. No matter what it was, it was not as important as his own life!

It wasn't until Chen Ping carried Li Xing into Demon Imperial City that Elder Qi sighed and turned to leave!

As soon as he entered the Demon Imperial City, Yihe led everyone to greet him.

Because the fighting below the city attracted the attention of the soldiers on the city wall, they reported it to Yihe!

When Yihe saw Chen Ping carrying Li Xing into the city, he couldn't help but be stunned and said: "Mr. Chen, what... is this?"

Yi He thought Chen Ping broke into the enemy camp at night and captured Li Xing!

“This kid came down from the city, and I happened to see him, so I caught him...”

Chen Ping said lightly!

“Great, if we catch this guy, King Mingli will no longer dare to attack the city. We can just use Li Xing to threaten his father to retreat.”

Isha looked at Li Xing, whose face was swollen and full of fear, and said happily!

“You think too simply. It’s impossible for King Li to retreat for Li Xing.”

Yihe said slowly!

“Why? Did he just watch his son die?”

Isha doesn’t understand why!

Yihe didn’t explain, and he didn’t know how to explain it, because this is the emperor’s home!

If one day, Isha is caught and he is asked to give up the entire Demon Imperial City, he probably won’t give up either!

Because he couldn’t ignore the entire Demon Imperial City soldiers for the sake of Isha!

“Okay, let’s not discuss this anymore. Even if they attack the city tomorrow, it doesn’t matter. I have set up another attack formation outside. As long as they dare to attack the city, they will never come back!”

Chen Ping saw Yihe’s embarrassment, so he hurriedly said!

“With Mr. Chen here, I feel much more at ease.”

Yihe nodded, and then ordered people to put Li Xing in prison!

Everyone went to rest and wait for tomorrow’s battle!

Just when everyone was resting, screams came from the dungeon of Demon Imperial City!

I saw that Li Xing was tied up with five flowers, and Isa whipped Li Xing with a whip!

Chapter: 5189

Isha already hated Li Xing deeply, so she took this opportunity to take revenge!

Li Xing was beaten and screamed repeatedly, but here, the screams of heaven and earth did not work.

“Please, don’t fight, don’t fight...”

Li Xing begged Isha.

But Isa was completely indifferent, and kept whipping the whip in her hand!

At the end, Isa actually pulled out a dagger!

Li Xing was frightened when he saw this scene!

“What...what are you going to do?”

“I tell you, if you kill me, your entire Demon Imperial City will be buried with you.”

Li Xing's face was full of panic and he threatened Isha loudly!

"Don't worry, I won't kill you. Killing you would be too easy for you."

Isha's face was filled with a sinister smile, which made Li Xing tremble all over!

I saw Isha holding a dagger and slowly approaching Li Xing!

Then a cold light flashed in his eyes, and he stabbed the dagger towards Li Xing's lower body!

"ah....."

Li Xing screamed, and blood instantly flowed out of his trouser legs.

The severe pain caused Li Xing to faint.

Seeing Li Xing fainted, Isha left with satisfaction!

And that Li Xing will never be a man again in this life!

.....

In the army camp of Mingli King City!

King Li was still sleeping soundly, but he was woken up by Elder Qi!

"What's the matter, why are you shouting so late at night?"

King Li said with an unhappy look!

Chapter: 5190

If it were anyone else who had called him out at night, King Li would have scolded him!

But seeing that it was Elder Qi, King Li was still polite!

“Prince Li, the young master, he, the young master...”

Elder Qi looked nervous and didn't know what to say!

“What happened to Xing'er? Did he find a few more women to fool around in the camp?”

“I've told him a long time ago that this is a battle between large armies, so don't do that kind of thing in the camp. The impact will be bad, but this guy just doesn't listen.”

King Li thought Li Xing was looking for a woman in the tent!

“Prince Li, the young master is not looking for a woman. The young master was captured by the demon emperor city.”

Elder Qi said with a face of shame!

“What?”

King Li stood up with a groan and said with a look of disbelief on his face: “What did you say?”

“I said that the young master was captured by people from Demon Imperial City.”

Elder Qi lowered his head and whispered!

“How could this happen? Did the people from Demon Imperial City enter the camp and no one noticed it?”

“Are all those patrolling dead? Who is on duty tonight? I’m going to chop him!”

King Li roared angrily!

He thought Li Xing was captured by the people from Demon Imperial City when he was in the camp!

“Prince Li, I followed the young master to the Demon Emperor’s City. I met people from the Demon Emperor’s City and was captured by them...”

Elder Qi had no choice but to tell King Li exactly what happened!

After hearing this, King Li frowned, with a bit of confusion in his eyes!

“Besides Na Yihe, is there anyone else in Demon Imperial City who is your rival?”

King Li didn’t understand. All the masters in Demon Imperial City had been killed. How could there be any masters in the Tribulation Realm?

And it’s even stronger than Elder Qi!

“That guy looks like he is only in the Fusion Realm, but his burst of strength is comparable to that of the Tribulation Realm. Moreover, this guy also has the evil spirit of Dao patterns that is exclusive to our Yin Demon lineage, so I fell into his trap. Give him his hand.”
