

The Order 5191

Chapter: 5191

Elder Qi explained!

He didn't say that he was not as strong as Chen Ping, but that he was careless and fell into Chen Ping's way. This could be regarded as saving some face for himself!

"He actually has Dao Mark evil spirit. Could it be that he is also a member of your Yin Demon lineage?" King Li said in disbelief!

"No, although he possesses Dao Mark evil spirit, he is not from our Yin Demon lineage. I can still see this."

Elder Qi shook his head!

"What do you think this person's name is?" King Li asked!

"It seems to be called Chen Ping!" Elder Qi said!

"Chen Ping?" King Li pondered for a moment: "I heard Xing'er mention it."

"They captured Xing'er, did they leave any conditions?"

"Yes, then Chen Ping said that if you want to let the young master go, you must exchange it for the God King's Bow." Elder Qi said!

When he heard the words "God King Gong", King Li's body visibly trembled, and then he cautiously looked outside the tent. After finding that no one was there, he relaxed a little!

No one knew that he owned the God King's Bow, but he didn't understand how Chen Ping knew about it!

Seeing King Li like that, Elder Qi was a little surprised and said: "King Li, is it really that the God King's Bow is in your hand?"

King Li did not speak, but lightly swiped his palm in the air, a ray of light flashed, and a mahogany box appeared!

After the box was opened, the God King's Bow was placed inside!

King Li always carried the God King Bow with him and placed it in the void space to prevent anyone from stealing it!

Seeing the God King's Bow, Elder Qi's eyes were shining like light bulbs!

King Li stretched out his hand and took out the God King's bow!

"It's really strange. How does this guy know that the God King's bow is in my hand?"

King Li murmured to himself!

"Prince Li, could it be someone close to you who leaked the news?"

Elder Qi said!

"It's impossible. No one knows that I have the God King's Bow in my hand, not even Xing'er."

King Li shook his head!

Chapter: 5192

“Prince Li, the current discussion is not about how Chen Ping knew about it, but how to rescue the young master.”

Elder Qi said!

“Exchanging the God King’s Bow for Xing’er, I always feel like it’s a bit of a loss...” King Li knew the value of the God King’s Bow, which was much more valuable than a son!

Li Xing, this son, has no use except causing trouble and playing with women everywhere!

Seeing King Li say this, Elder Qi was immediately speechless.

“King Li, I heard that this bow of the God King requires a lot of strength to pull. I wonder if King Li can pull this bow of the God King?”

Elder Qi asked!

King Li shook his head and said, “I’ve tried it many times, but it hasn’t moved at all. If I could pull it, I wouldn’t be hiding the God King’s bow.”

“If anyone is dishonest then, just shoot him to death with the God King’s Bow.”

Elder Qi saw that King Li couldn’t pull the God King’s bow at all, so he said: “King Li, since the God King’s bow can’t be pulled, then this thing is useless no matter how good it is. Why not use him to return the young master.”

“Prince Li, you can’t even pull it. I believe that no one in the Demon Imperial City can pull the Divine King’s Bow. As long as we replace the young master and capture the Demon Imperial City, the Divine King’s Bow will still be in King Li’s hands. ”

After listening to Elder Qi’s words, King Li nodded with approval and said: “Elder Qi is right. Then tomorrow I will use the Divine King Bow to return Xing’er first and then talk...”

“As long as Xing’er is replaced, I will immediately launch an attack on Demon Imperial City. I will kill all the people in Demon Imperial City...”

King Li’s eyes were full of murderous intent. Elder Qi on the side felt the murderous intent and couldn’t help but tremble!

He knew that this King Li was cruel and ruthless, and since he said such words, he would definitely do it!

When the city is massacred, the Demon Imperial City will be a mountain of corpses and a sea of blood!

Seeing Elder Qi’s expression, King Li smiled lightly and said, “Elder Qi, I will kill everyone in Demon Imperial City by then, so I can help you practice.”

“When the time comes, countless dead souls will be refined by you, aren’t you still happy?”

“Happy, happy...” Elder Qi said with a smile!

Early the next morning!

When Li Xing was brought out of the dungeon, he was very weak!

Seeing Li Xing like that, Yihe immediately knew who did it!

“Isha, did you do this?” Yihe asked Isha!

“Yes, I did it. This guy deserves to be like this.”

Chapter: 5193

Isha waited fiercely for Li Xing to say!

“Nonsense, this Li Xing was captured by Mr. Chen for other purposes. If you tortured this Li Xing to death, wouldn't you miss a big deal?”

Yihe scolded Isa!

When Isa heard this, she rolled her eyes and didn't dare to speak anymore!

“As long as you have the right words, that's fine. I just don't know if King Li will pay attention to his son!”

Chen Ping was also a little worried at this time. After all, the God King's Bow was a magic weapon. If King Li didn't change it, there would be trouble!

Chen Ping and his group took Li Xing to the tower, then tied Li Xing to a rope and hung him up high!

Not long after, they saw a large group of people walking only a few hundred meters away from Demon Imperial City!

This time, King Li personally led the team!

When he saw Li Xing hanging high on the tower, endless anger burst out from his whole body!

“Yihe, you don't dare to fight me with real swords and guns. What's the point of catching my son secretly? If you have the guts, let my son go and let the two of us fight alone!”

King Li looked at Yihe on the tower and said loudly!

Yihe glanced at Chen Ping, and Chen Ping shouted to the people in the city: “You must be King Li. Stop talking nonsense. Have you got what I want?”

“Hand over your things now, and I will release your son. It’s that simple...”

King Li looked at Chen Ping coldly, his eyes full of coldness!

“I brought it, please let my son go...”

King Li said slowly!

“good.....”

Chen Ping picked up Li Xing and prepared to exchange with King Li!

“Mr. Chen, to prevent fraud, I will go with you...”

Yihe said to Chen Ping!

If during the exchange, King Li cheats, Chen Ping will be in danger!

“Don’t worry, I have my own arrangements. You can keep watch here.”

Chen Ping smiled slightly and said!

Chapter: 5194

“Chen Ping.....”

Gao Qilan, Yu Jiameng, and Liu Ruyan all gathered around, they were all worried about Chen Ping!

Isa saw Chen Ping surrounded by several women, and the expression on his face was indescribably complicated!

At first, she thought that she was more than enough for Chen Ping. After all, she was the princess of Demon Imperial City!

But now, Isha feels a little inferior because Chen Ping is so outstanding and there are many outstanding women around him!

Isha feels like she has no competitiveness!

Yihe looked at his daughter's expression and knew what she was thinking, so he stepped forward and said, "Isha, if you are also worried about Mr. Chen, you can go over and have a few words with him!"

Isha looked at Gao Qilan and the others, and finally shook her head!

"Chen Ping, why don't we go with you? It's too dangerous for you to go by yourself."

Gao Qilan said to Chen Ping!

"Yes, let's go together. Although we are not strong, we can still help you block the danger."

Yu Jiameng also followed suit!

Here, Yu Jiameng's strength is the lowest, but she is now Chen Ping's, so she can use her life to protect Chen Ping from danger!

"Don't be impulsive. What will we do if you have a problem?"

Liu Ruyan persuaded Chen Ping!

It seems that they don't want Chen Ping to exchange with King Li!

“Look at the looks of you guys. I’m not going to die. I’ve already said that I have my own arrangements. It’ll be absolutely fine.”

After Chen Ping finished speaking, he jumped down from the tower with Li Xing in hand!

Watching Chen Ping heading towards the army in Mingli King’s City, Gao Qilan and the others were extremely nervous!

“Miss Gao, Miss Liu...you don’t have to worry about Mr. Chen. Mr. Chen will be fine. He set up a magic circle outside last night. Those people can’t hurt Mr. Chen.”

Ji Yun quickly comforted Gao Qilan and the others!

Hearing what Ji Yun said, Gao Qilan and the others felt a little relieved!

“Isa, go and inform the guards to pay attention and be ready to welcome Mr. Chen back at any time...”

Yihe said to Isha!

Chapter: 5195

Isa nodded and then went to prepare!

Chen Ping, on the other hand, carried Li Xing and slowly walked to King Li. They were tens of meters apart and stood opposite each other!

King Li looked at his son, who was covered in scars and his trouser legs were covered in blood, and anger burst out in his eyes!

King Li’s eyes were fixed on Chen Ping. This was the first time he saw Chen Ping.

This guy who is similar in age to his son can defeat Elder Qi!

“Are you Chen Ping?”

King Li asked coldly!

Chen Ping didn't speak, just nodded!

“You wanted to trade my son for the God King's Bow, but you let my son get hurt like this. Isn't it a bit too much?”

King Li gritted his teeth and suppressed the anger in his heart and asked!

“Excessive?” Chen Ping couldn't help but raise the corner of his mouth: “I only said that I would exchange your son's life for the God King Bow, but I didn't say that I couldn't hurt him.”

“Stop talking nonsense. Your son is here now. Do you want to change him? If not, then I will slap him to death.”

“How dare you...” King Li opened his eyes angrily, and no one dared to threaten him!

Chen Ping looked disdainful and slapped Li Xing in the face!

Snapped.....

There was a crisp sound, and Li Xing screamed after being beaten!

“Stop, you dare to beat my son in front of me, you are looking for death, you are looking for death, do you understand?”

The violent aura from King Li's body burst out, roaring loudly!

"Still threatening me?"

Chen Ping rolled his eyes, and then slapped him a few more times!

Bang bang bang.....

Ahhhh.....

Li Xing was beaten until he screamed repeatedly, crying for his father and mother!

"Dad, save me, save me, stop irritating him, I'm going to be beaten to death..."

Chapter: 5196

Li Xing cried towards King Li: "Whatever he wants, give it to him quickly, give it to him quickly..."

King Li was so angry that he was shaking all over. At this time, he was completely controlled by Chen Ping!

"Boy, if my son is gone, I can regenerate him. But if you kill my son, your life will be gone. Remember, you only live once."

King Li gritted his teeth angrily and said word by word!

"You are so damn cruel. You don't even want your own son. Since you don't want him anymore, then I will send him to his death and we won't have to exchange anymore."

Chen Ping didn't want King Li to see his desire for the God King's Bow!

He needs to firmly control the initiative!

“Li Xing, did you hear that your cruel father doesn’t want you anymore? He can regenerate, so don’t blame me.”

“When you get to the underworld, if you want to blame me, it’s your cruel father.”

After Chen Ping finished speaking, a ball of spiritual power instantly condensed on his palm, and he slapped Li Xing on the head!

Chen Ping knew that King Li was just saying this. If Li Xing was really unimportant, he wouldn’t have to come over to exchange it!

Now that he is here, it proves that Li Xing still has a place in his heart!

When Li Xing saw that Chen Ping really wanted to kill him, he cried out to King Li: “Dad, why are you so cruel? I am your biological son. My mother died early, how could you treat me like this...” ...”

“stop.....”

Just when Chen Ping was about to slap Li Xing on the head, King Li finally shouted to stop!

Chen Ping’s palm only stopped a few centimeters above Li Xing’s head. If King Li was one step too late, Chen Ping would have slapped Li Xing to death!

“I’ll make an exchange with you. If you let my son go, I’ll give you the God King’s bow...”

With that said, King Li took out the God King Bow!

Looking at the God King Gong, Chen Ping's eyes flashed unconsciously!

"Give me the God King's Bow first, and then I will release your son..."

"You brought so many people, I'm on my own, I won't be stupid enough to let them go first..."

Chen Ping said to King Li!

"Then I gave you the God King's Bow, what will you do if you don't let my son go?"

King Li asked!

Chapter: 5197

"Do you still have a choice now? You can only believe me."

"If you don't believe it, then we don't have to exchange it. I'll kill your son and hang him on the tower to encourage morale."

After Chen Ping finished speaking, he was about to walk back while carrying Li Xing!

King Li hesitated. He did not dare to give the God-King Bow directly to Chen Ping!

"Prince Li, although Chen Ping is very strong, he is just himself. We give him the God King Bow first, and he won't be able to do any tricks."

"When the time comes, we have rescued the young master and launched an attack on the city. As long as we capture the Demon Imperial City, God King Gong will come back obediently..."

Elder Qi stepped forward and said to King Li!

After hearing this, King Li gritted his teeth and said to Chen Ping: “Okay, I will give you the God King’s Bow first, but if you dare to trick me and don’t let my son go, I will definitely let you die without a body... ..”

Chen Ping didn’t say anything, but raised his hand and gave Li Xing a few slaps!

If King Li dares to threaten him, Chen Ping will beat his son!

Ahhhh.....

Li Xing screamed and started crying.

When King Li saw this, he was also angry and anxious, but he had no choice but to let his son be in Chen Ping’s hands!

Seeing his son being beaten, King Li didn’t dare to talk nonsense anymore and could only throw the God King Bow towards Chen Ping!

Chen Ping stretched out his hand and directly caught the God King’s bow!

Feeling the breath of the God King’s bow, Chen Ping was filled with excitement!

God King Bow is finally back!

“Chen Ping, I gave you the Divine King’s Bow, can you let my son go now?”

King Li looked at Chen Ping and asked!

“Of course, I am a man of integrity. Since you gave me the God King’s Bow, then I will let your son go...”

After Chen Ping finished speaking, he threw away the Li Xing!

Upon seeing this, King Li suddenly jumped up, caught Li Xing, and slowly fell to the ground!

While Chen Ping was throwing Li Xing out, his body was retreating rapidly!

After King Li put down Li Xing, he shouted angrily: "Boy, let me see where you are going..."

Chapter: 5198

"Prince Li, no, there must be a formation under the Demon Emperor's city. If you catch up to them yourself, you will definitely be in danger."

"If something happens to you, then we will be leaderless."

"I think we should start attacking the city. As long as the city is broken, no one of them can escape..."

Elder Qi stopped King Li and said!

King Li thought about it and realized that this was indeed the case, so he waved his hand and said:
"Attack the city..."

In an instant, tens of thousands of troops began to attack the city!

Yihe was on the city tower, watching the tens of thousands of troops attacking the city in a mighty manner. He couldn't help but frown and ordered his men to stand ready!

When Chen Ping saw that the other party had launched a large army to attack the city, he actually stopped running towards the Demon Emperor City. Instead, he stood there and quietly looked at the tens of thousands of enemy troops!

Seeing Chen Ping like this, everyone was confused. They didn't know what Chen Ping was going to do?

Don't you want to be able to resist an army of tens of thousands by yourself?

"Mr. Chen, come back quickly..."

When Yihe saw this, he shouted loudly!

"Chen Ping, come back."

"come back quickly....."

Gao Qilan and the others were also anxious and shouted loudly!

But Chen Ping didn't move. He had put away the God King's bow. He was holding the shining dragon-slaying sword in his hand, and he was covered with indestructible golden armor!

At this time, Chen Ping had such an aura that one man could stand in front of ten thousand others, but aura was still aura after all!

How could Chen Ping alone resist the attack of tens of thousands of troops!

"Hurry up and pick up Mr. Chen..."

Seeing this, Yihe could only shout loudly at Isha!

Isha nodded, immediately ordered the army that had been prepared, slowly opened the city gate, and rushed out!

Gao Qilan and the others also wanted to go out of the city, but were stopped by Yihe!

If something happens to people like Gao Qilan, Chen Ping will never spare him!

After all, these are Chen Ping's women, who are the wives of the master of Tianlong Palace. How could Yihe let them take risks!

Chapter: 5199

Isha personally led the army to rush out and quickly rushed to Chen Ping!

"Chen Ping, what are you doing? Why don't you go back quickly?"

Isha's eyes were full of anger!

Although she didn't understand why Chen Ping was standing here, it was very dangerous. If he didn't know how to go, all the Demon Imperial City troops he brought out would probably be buried here!

"Why do you want to go back? Don't you want to kill the enemy happily?"

Chen Ping looked at Isha and smiled slightly!

"Of course I want to kill the enemy happily, but there are few of us and our strength is still low. How can we follow the opponent to fight?"

"Now we can only conserve our strength and delay, hoping to wait for reinforcements!"

Isha said to Chen Ping!

"Who said we can't fight with a small number of people?" Chen Ping looked at Isha with a playful look on his face: "Tell the soldiers that we are ready for the massacre, and let the people in Mingli King City know later that our soldiers in Demon Emperor City It's not someone to be trifled with either."

“You...” Seeing that Chen Ping was determined not to go back, Yisha had no choice but to turn her head and order: “All soldiers listen to the order, draw their weapons, and prepare to fight... . . .”

The more than a thousand soldiers brought by Isa all drew their weapons, their faces were stern, their eyes were full of murderous intent, and they showed no fear at all!

They know that at this point, there is no point in being afraid!

The only thing you can do is try your best!

“rush.....”

The tens of thousands of vanguard troops in Mingli King’s City saw only a few thousand people challenging them, and they immediately roared excitedly and charged forward!

Chen Ping stared at the tens of thousands of enemy troops, seeming to be thinking something in his mouth!

When the tens of thousands of enemy troops were only a hundred meters away from them, Chen Ping suddenly formed seals with his hands, and the power of the dragon burst out from his chest!

Behind Chen Ping, a golden light kept flashing, illuminating Chen Ping like a fairy!

As the golden light flickered, an invisible wave began to sweep across, covering the world in front of Chen Ping!

Rumble.....

In an instant, everyone was shocked to see countless rays of light burst out from the ground. These rays of light began to connect at lightning speed, and finally formed a mysterious light curtain!

The light curtain spread at an unexpected speed, and soon surrounded the tens of thousands of enemy troops. These tens of thousands of enemy troops were completely enveloped!

“It’s a formation. There is indeed a formation in front of Demon Imperial City...”

Chapter: 5200

Elder Qi frowned and said!

“Tell the soldiers not to mess up and continue to charge forward. These are just defensive formations and do no harm.”

King Li ordered loudly!

He thought that there were defensive formations outside Demon Emperor City and they had no lethality!

After all, it would be too difficult to set up a killing array with a magic circle of this size.

You must know that in the world of gods and humans, there are very few formation masters. To set up such a killing formation, it is estimated that a lot of resources and spiritual coins will be needed. Not to mention the Demon Imperial City, even their Mingli Imperial City cannot afford it!

That’s why King Li was so sure that the exposed formation must be a defensive formation!

Before King Li’s order could be conveyed, Chen Ping’s deep voice rang out!

At this moment, the light curtains began to change continuously, as if the entire world was divided by this light curtain.

For a moment, the huge light curtain began to spin. Tens of thousands of troops in the formation seemed to have lost the concept of time and space. They were swaying one by one and began to fall down!

ah.....

Screams and collisions were heard one after another!

Tens of thousands of people collided and trampled on them, causing many people to be trampled to death before they had time to react!

When King Li saw this, he roared loudly, but it was of no use.

Some generals also wanted to control the situation, but in the spinning formation that day, no one was obeying orders, and they couldn't stop at all!

"Prince Li, what is going on? The formation looks so powerful, it doesn't look like a defensive formation at all."

Elder Qi looked at the soldiers in the formation, each one seemed drunk, and couldn't help but sigh!

"Damn it, what kind of formation is this? It can actually trap so many people. There is no way there is such a person in Demon Imperial City. Could it be that Yihe invited a senior formation master?"

King Li frowned!

He knew that there was no one in Demon Imperial City who could lay out such a formation, unless Yihe invited a formation master!

But the Demon Imperial City has always been surrounded, and it is impossible for Yihe to invite the formation master!

Now not only King Li and the others were full of doubts, but even Isa was looking at everything in front of her in stunned silence!

The soldiers of Demon Imperial City even had their mouths wide open, with incredible expressions on their faces!

“What...what is going on?”
